Hays appointed Roaring River superintendent

Charlea Mills

Roaring River State Park has appointed a new park superintendent following Dusty Reid taking a position with the Cassville R-IV School District in February.

Kerry Hays, assistant superintendent at the park for the last five years, accepted the position on April 9 after serving as interim park superintendent after Reid left February 15.

Hays began at Roaring River after spending 15 years with municipal parks and recreation department around Chicago. When asked why he decided to relocate to the area, Hays stated, “I fell in love with this place the first time I saw it. I don’t think I’ve seen a better park anywhere in the country, and I mean that from the bottom of my heart.” Hays and his wife, Heather, live in the park.

Hays stated, “My favorite part about working here is actually two parts. The first part is working with the great staff. We have a lot of really dedicated employees who really love the park.”

He continued, “The second best part is meeting the people who come here. It’s been a part of many lives for a number of generations. It’s just wonderful to hear how some of their best memories have been along the river, walking the trails or spending time in the park.”

Hays was selected from a pool of 13 applicants. Three of those made it to the interview process. Hays has a bachelors in music education, performance and history from Carthage College in Wisconsin. He has a Masters in parks and Recreation administration from George Williams College in 1983.

Kerry Hays was appointed Roaring River State Park superintendent April 9. He’s been with the park for five years.

D.A.R.E. benefit bass tourney Saturday

Deputy Stockton meets parents and shakes hands with students following their D.A.R.E. graduation in January

Charlea Mills

For many students in the area, the D.A.R.E. program is a powerful influence in the way they look at the choices they make for their futures. All local D.A.R.E. programs are funded through donations, not state or county-provided funding.

As a way to raise money essential to operate the D.A.R.E. program through the Barry County Sheriff’s Department, there will be a benefit buddy bass tournament at Cape Fair Marina on Saturday, April 26.

Barry County Deputy Larry Stockton, a D.A.R.E. officer for the past seven years, shared why he became involved with the D.A.R.E. program. Stockton stated, “The whole reason why I got into law enforcement was to help people. As far as the D.A.R.E. program, I think a

lot of times, maybe it’s seeing someone like mom or dad get arrested, but I want them to see a positive side to that, too. We’re here to help. The kids are our future and they need to have the information so that they can make good choices and the know the consequences of bad choices are.”

Stockton works with students at Exeter, Purdy, Shell Knob, Southwest and Wheaton. Cassville students have their program through the Cassville Police Department. To fund the county programs, it costs round \$10,000 annually for an officer and the supplies, all of which comes from donations. Last year, 23 boats participated in the bass tournament and it brought in around \$1,200. This year, the Sheriff’s Department hopes to raise even more.

Keeping the D.A.R.E. program going is an important element to drug education for area students. Stockton stated, “I’m glad to be the role model for our kids and provide information to them. The best way to get the information to students is while they are young.”

The tournament fees will be \$50 per boat with a 70 percent payback and a \$10 optional big bass entry with 100 percent payback. The tournament will begin at 7 a.m. and conclude at 3 p.m. Entries may be mailed to Cape Fair Marina, 142 Stugis Lane, Reeds Spring, MO 65737.

To participate in the D.A.R.E. Benefit Buddy Bass Tournament, contact Stan White (417) 255-3774 or Larry Stockton (417) 342-5993.

Local legislators stand behind income tax cuts, say schools will benefit

Charlea Mills

In a statement released by Governor Jay Nixon, the recently passed Senate Bill 509 will have significant impact on public schools across the state. The bill, aimed at giving income tax cuts to Missouri families and eliminate state income tax for earners making less than \$9,000 per year, is an eventual \$620 million cut to the state’s annual budget, according to Gov. Nixon.

However, local state legislators voted in favor of the bill, claiming that Nixon’s concerns are invalid and that schools will not be effected in the long term. State Representative Scott Fitzpatrick stated, “I’m not concerned about this affecting the schools because the cuts

wouldn’t go into effect until 2017, and that is only if there is a revenue increase of \$150 million, and even then, the taxes cut would only be \$120 million actually gaining an increase of \$20 million.”

State Senator David Sater stated, “I think it’ll help the school budgets. I’m a free market believer. I think that if we cut those taxes, it’ll stimulate the free markets. It will help small businesses so that they will have more money to expand their inventories, hire more employees and see increased profits.”

In a statement released by Gov. Nixon last week, he stated, “These new numbers show that if the legislature succeeds in punching a \$620 million hole in our state budget with this unaf-

fordable giveaway to special interest, it’s our students and schools who will pay the price. Senate Bill 509 would drain hundreds of millions of dollars annually out of our K-12 schools, weakening our economy, undermining our stable business climate, and putting full funding of the foundation formula out of reach. Missourians want good schools and good jobs, not another dangerous scheme to defund our K-12 classrooms.”

The K-12 foundation formula comparisons showed how each school district in the state would fare with the new budget impacted by SB509. The K-12 foundation formula is an initiative that began in the 2006-2007 school year to level the play-

ing field for all of Missouri’s public school districts’ funding regardless of property values and wealth.

According to Fitzpatrick, Nixon’s comments are sensationalizing the facts. “These tax cuts are part of five phases. The only time each phase goes into effect is when revenue increases by \$150 million for the year. In order for Governor Nixon to fully fund schools, he would have to accomplish that by 2016, before these cuts could possibly happen.”

The governor’s fully funded recommendation for Cassville R-IV is \$7,032,178. If the new tax cuts are adopted, Nixon warns that single district’s budget will be reduced by over half a million dollars to \$6,492,237.

Other districts will also have substantially less, as well, according to Nixon. The budget decreases for each Barry County district are: Exeter R-VI - \$120,842, Purdy R-II - \$234,273, Shell Knob \$8,831, Southwest R-V - \$271,339, and Wheaton - \$159,226. In short, Barry County school districts would stand to have over \$1.3 million less than the Governor’s recommendation for the K-12 foundation formula by the end of the five phases of tax cuts.

Richard Asbill, Cassville R-IV Superintendent, stated, “Obviously, we are concerned and hope our local legislators understand that representing the interest of their local communities and

Missing man's body found

Ingram

Charlea Mills

The body of Barry County man Jeffrey Ingram was finally found on Saturday after months of searching. Ingram, 32, of Cassville, had been missing since January 16 of this year. At the time of his disappearance, his family was worried that he might harm himself.

Barry County Sheriff Mick Epperly confirmed that the vehicle and body were found in Taney County. Ingram's mother lives in the county near Kirbyville.

Epperly stated, "I spoke to Taney County on Saturday after a mushroom hunter had come across his truck to confirm that he had been found." Barry County Deputies had scoured Barry County by helicopter, boat and other vehicles at their disposal over the past three months looking for Ingram. Other counties had been notified of his disappearance, as well.

Epperly stated, "It's a sad situation, but at least there is closure for the family now."

Ingram's body was turned over to the Taney County coroner and his family has been notified, according to Epperly.

Notice from the Editor

Readers of the Barry County Advertiser,

Recently, there have been many Letters to the Editor submitted on a variety of topics where the authors have submitted the letters anonymously to our office. While we will print certain letters anonymously for our readers, especially in sensitive situations where the safety of the writer is in question, as a rule of thumb, we prefer to print a name with each letter.

It is the policy of our paper to not print any letter that is sent to our offices anonymously. We must have a name and a phone number on file with each submission, even if the writer prefers to remain anonymous to our readers. If you have submitted a letter without your name and/or phone number, it will not be printed. You may call (417) 847-4475 or email editor@4bca.com with your name and phone number for the letter to be considered for publication.

Publishing requirements:

- First and last name
- Phone number
- No profanity/slander of any person/group
- Relevant topics to the area and a main point

We reserve the right to withhold from publication or edit the contents of any letter for any reason whatsoever. All letters published in this newspaper are the opinions of the author and not necessarily that of the Barry County Advertiser or its staff. Letters are always run as space allows.

Cassville clean-up day scheduled

The City of Cassville's annual spring clean-up will be held May 5th through May 9th. Republic Services will accept additional household waste and large items on regular collection days.

The following items will be accepted at the curb: barbecue grills; patio furniture; outdoor furniture; sofas; dressers; loveseats; recliners; desks; televisions; bundled guttering; beds, including hide-a-beds, mattresses and box springs; wood pallets; waste from small remodeling or wood projects, materials must be cut into four-foot sections and stacked; sinks; toilets; cabinets; vanities; carpet that is cut into four-foot lengths and bundled; fencing that is cut into four-foot lengths; and bicycles.

Republic Services will not accept tires, yard waste, large quantities of ash, dead animals, raw sewage, waste oil, hazardous materials, wet

paint containers, chemicals, flammable substances, lead or acid batteries or waste from large remodeling or construction projects.

Cassville residents who want to dispose of large appliances and metal will have two options this year.

One option will be to take only metal or large appliances to a dumpster located at 503 Mill Street. This is across the street from the Barry County Sheriff's Office. This option is free.

The other option will be to have Cassville residents set at their curb-side large appliances for Republic Services to collect. There is a \$15 fee. Residents must pay the fee at the Cassville City Hall by May 3rd in order to schedule a pick-up for a large appliance. The following large appliances will be accepted after the \$15 fee has been paid: dishwashers, washing machines, dryers, hot water

heaters and stoves. Republic Services will also accept refrigerators, freezers and air conditioners that display a tag from a licensed technician proving that all freon has been removed from the item.

Yard waste will be accepted as normal at the Yard Waste facility behind the Cassville Aquatic Park.

For more information on the city clean-up, call (417) 847-4441.

The Monett Chamber of Commerce will be presenting an Eggs and Issues legislative update on Friday, April 25, from 8 a.m. to 9:30 a.m. inside the Monett Area YMCA Events Center located at 115 South Lincoln Avenue. The cost of admission is \$7.00 and includes breakfast.

Senator David Sater, Representative Scott Fitzpatrick and Representative Mike Moon have confirmed their attendance. In addition to our state delegation, field representatives will be present from Congressman Long, Senator Blunt and Senator McCaskill's offices. The event agenda will include updates on what has been happening in Jefferson City and Washington D.C. They will also be available for questions after all have spoken.

First State Bank of Purdy President and event sponsor, Larry Moennig, had this to say, "We are pleased and excited to have our elected

officials come to Monett for the Eggs and Issues Legislative Update. We need to take advantage of this opportunity to listen and talk to our elected officials, so we stay informed on issues that affect us all, and that our local voices and opinions will be heard."

For more information or to RSVP, please contact the Monett Chamber of Commerce.

FERN BELLEW
Heaven gained a True Angel in Fern Bellew. She fought many years with failing health issues. Fern was born and raised around Preston, Missouri, and graduated from Preston

High in 1952. While she was in school, she loved playing basketball to the point she was even quoted saying she would rather play ball than eat. Entering into her adult life, she moved to Santa Paula, California, where she met he husband, Roy. They married in 1958 and resided there until 2001 when they moved back to her home state and had resided in Washburn, Missouri for the past 13 years.

Fern came to know the Lord at a very early age and was a member of the First Baptist Church in Exeter, Missouri. Fern worked as an accountant supervisor and office manager in various companies throughout her life and took pride in her work.

Fern had many enjoyments in life as well as talents that she shared with the people she loved dearly. In her younger years, she was an accomplished violin soloist and throughout her life shared and enjoyed crocheting, knitting, drawing, as well as painting. She was know for her pie baking and she could put on a Thanksgiving feast like no other! Fern was beautiful inside and out!

Fern is survived by her husband, Roy Bellew, of 56 years; two daughters, Jane Denton and spouse Larry from Washburn, Missouri, and Kimberly Morgan and spouse Shane of Henderson, Kentucky; one stepdaughter, Sandi Brown and spouse Alan of Ventura, California; one stepson, Steve Bellew and spouse Jeannette of Weatherford, Oklahoma; 12 grandchildren; 17 great-grandchildren; four sisters, LuLu Bellew and

spouse Hobert of Urbana, Missouri, Mary Alexander of Urbana, Missouri, Glenda McCoy and spouse Bob of Hermitage, Missouri, and Frankie Jennings of Cross Timbers, Missouri; three brothers, Johnny Simmons and Flo Palmer of Hermitage, Missouri, Carl Simmons and spouse Gloria of Urbana, Missouri, and Virgil Simmons and spouse Elizabeth of Bolivar, Missouri; and a host of nieces, nephews, and cousins.

Fern was preceded in death by her parents, Glen and Adella (Erickson) Simmons of Preston, Missouri, and brother Roy Simmons of Preston, Missouri.

Fern was a loving wife, mother, grandmother, sister, and aunt. She will be missed greatly by everybody that she touched throughout her life.

Until we meet again Sweet Momma!

Visitation was on Wednesday, April 16, 2014, 1 p.m., at Hathaway-Peterman Funeral Home, with service following at 2 p.m. Graveside service was held at Little Niangua Cemetery.

META SCOTT
Meta Scott (Granny), age 91, of Thomas Hollow in Exeter, passed away peacefully in her home on Saturday, April 19, 2014. Meta was born on July 22, 1922, daughter of Robert and Telka (Koehler) Schmidt, in Creedmoor, Texas. She was united in marriage to Robert C. Scott in September 1945 in Uhland, Texas; he preceded her in death in 1983. They lived in Austin, Texas, until May of 1980 when they moved to Shell Knob to make their home. Meta was

an avid gardener, known far and wide for her lake patio full of flowers every summer. She enjoyed playing bridge and reading, but her passion was music and dancing. Meta spent several years working in the Shell Knob Library and was a member of the Trinity Presbyterian Church in Shell Knob. She was a founding member of the SOLO's (Society Of Lively Oldsters) in Shell Knob. It was through SOLO's she met Karl Koos, who was a large part of her life for twenty years until his passing in 2005. In 2007, she moved to Thomas Hollow to be near her family. She was matriarch of our family and will be greatly missed.

Survivors include her son Bob Scott, of Kansas City; her daughter, Beverly Scott Wardlaw and her husband, George, of Exeter; three grandchildren, Caleb Wardlaw and his wife, Alisen, Benjamin Wardlaw and his wife, Brandi, and Joshua Wardlaw; five great-grandchildren, Clara Wardlaw, Grayson Wardlaw, Ruthie Jane Wardlaw, Huxley Wardlaw, and Roland Wardlaw; her beloved dog, Vixie; and numerous nieces and nephews.

In addition to her parents and husband, she was preceded in death by three brothers, Elroy Schmidt, Robert Schmidt, and Weldon Schmidt, and one sister, Vera Schuenemann.

At a later date, memorial services will be held for her immediate family both in Thomas Hollow and in Texas where she was born.

Memorial contributions may be made in her name to the Barry County Library and entrusted to the White Funeral Home and Crematory, P.O. Box 890, Cassville, MO 65625.

Cremation arrangements are under the direction of the White Funeral Home and Crematory, Cassville, Missouri.

County swears in newly elected Road District Commissioners

Barry County Road District Commissioners were sworn in by County Clerk Gary Youngblood at the Road District Commissioners' meeting on Thursday. Commissioners sworn in are pictured, left to right: Jim Cox, Flat Creek; Truman Zinn, Pleasant Ridge; Hugh Maloney, Cisco; Robert Callahan, McDonald; Shannon Stewart, Exeter; Jesse Taylor, Ash; Jenise Isley, Mineral; Dave Felder, Viola; Kenneth Olson, White River; John Mills, Pioneer; and Danny Basye, Mountain.

Charlea Mills

On Thursday, April 17, 11 new County Road District Commissioners were sworn in to their offices by County Clerk Gary Youngblood during a special meeting in the County Commissioners Chambers.

were elected during the April 8th General Election in the county. They are responsible for all road repairs and maintenance within their districts, including grading, chip and seal, pothole repairs as well as snow and ice removal.

During the special Road Commissioners' meeting,

Barry County Commissioners Gary Schad, Wayne Hendrix and Cherry Warren all addressed different topics pertaining to how the Commissioners should operate their dealings and meetings.

Schad presented on the Sunshine Law and how the Commissioners are to con-

duct their meetings according to Missouri State Law. Hendrix went over bidding procedures, and Warren brought up a variety of suggestions on how to keep their Districts running smoothly.

Warren stated, "You should specify what roads need to be worked on in your

open meetings, and it'll be in your minutes. That way will be smoother because then no one can say that they didn't know what was going to be done in their district."

Road Districts are required to post when their open meetings will occur so that district residents can attend and be aware of what projects will be worked on. Districts also should keep minutes from their meetings that are public so that those that are not able to attend meetings can see be informed about their work.

Each of the 25 Road Districts in Barry County have three commissioners to vote and make decisions on what repairs to make during the year. Funding for each district comes from gasoline taxes collected, motor vehicle taxes and 1/2 cent Capital Improvement County tax. Money collected is dispersed monthly with each district receiving a percentage of the overall taxes collected. The money each district received is based 40 percent on assessed property value in the district and 60 percent on how many miles of roads the district has compared to the county total.

The district receiving the largest percentage of road district funds is Flat Creek due to their high assessed property value and 99.03 miles of roads within it. Flat Creek received The smallest districts are Greasy Creek and Liberty, each with less than one percent of the funds distributed. Smaller districts with such little funding and few miles of roads are why a few of the Districts would like to consolidate with other districts, a topic also addressed at Thursday's meeting. For Districts to be absorbed by another, the majority of the landowners in the district have to support the change.

Funds for each Road District are distributed monthly once the District turns in their monthly financial statements, which are public records kept at the Courthouse.

America the beautiful,
or so you used to be.
Land of the Pilgrims' pride;
I'm glad they'll never see.

Babies piled in dumpsters,
Abortion on demand,
Oh, sweet land of liberty;
your house is on the sand.

Our children wander aimlessly
poisoned by cocaine
choosing to indulge their lusts,
when God has said abstain.

From sea to shining sea,
our Nation turns away
From the teaching of God's love
and a need to always pray.

We've kept God in our temples,
how callous we have grown.
When earth is but His footstool,
and Heaven is His throne.

We've voted in a government
that's rotting at the core,
Appointing Godless Judges;
who throw reason out the door.

Too soft to place a killer
in a well deserved tomb,
But brave enough to kill a baby
before he leaves the womb.

You think that God's not angry,
that our land's a moral slum?
How much longer will He wait
before His judgment comes?

How are we to face our God,
from Whom we cannot hide?
What then is left for us to do,
but stem this evil tide?

If we who are His children, will
humbly turn and pray;
Seek His holy face
and mend our evil way.

Then God will hear from Heaven;
and forgive us of our sins,
He'll heal our sickly land
and those who live within.

But, America the Beautiful,
If you don't then you will see,
a sad but Holy God
withdraw His hand from thee.

~~Judge Roy Moore~~

TAX CUTS from front

local school districts should be priorities placed before political or party interest."

Asbill continued, "Too often schools are placed on the political battlefield and that is not productive to Missouri's future and it is not beneficial to parents, students, teachers, and local school districts who expect elected officials to represent their constituents before party politics."

Rep. Fitzpatrick stated, "We shouldn't have to cut spending at all with this bill, just slow growth of the budget. Each phase still nets an additional \$30 million." He went on, "This isn't a tax cut for the lawyers and lobbyists, it's a tax cut for everyone. It's a tax cut for local businesses and individuals. It is literally for every Missourian who pays taxes."

Sater stated, "This will result in more general revenue for the state through the free market. We will actually see more money for schools and the budget."

Gov. Nixon was expected to veto SB509 yesterday, but has yet to release any official word on where the bill stands. Should a veto occur, legislators would need a two-thirds vote in both chambers to pass it through without the Governor's approval. Rep. Fitzpatrick and Sen. Sater will both support a veto override if the bill is vetoed.

Barry County's years past

40 years ago

Robert McDougle received the State Farmer Degree at the State Convention of the Future Farmers of America at Columbia. The award was based on his outstanding accomplishments in chapter activities. At the time, only two percent of all members in Missouri received this coveted award.

Congressman Gene Taylor announced that an approval of a \$158,000 loan had been made by the Farmers Home Administration under the rural development program for a sanitary sewer system at Exeter.

Harold Loyd Shrum shot a 19 pound, 9 ounce turkey on the opening day in McDonald County. The turkey also had a 10 inch beard.

30 years ago

Gail McGruder was crowned 1984 Miss Cassville as a senior during their annual contest. In the talent portion of the contest, Gail performed a saxophone solo.

Purdy Elementary hired a new principal, Nola Bowman. Bowman, a 1973 graduate of Southwest High School in Washburn, completed her Bachelor of Science Degree in Elementary Education from Northeast Oklahoma State University. She also received her Masters of Science Degree in Education from Southwest Missouri State University in Springfield.

Barry County and Southwest Missouri FFA teams participated at the State FFA Convention held in Columbia. In 11 contest areas at State competition, seven of the first place teams were in the Southwest District with four of the 11 from Barry County.

20 years ago

Ozark Festival Orchestra was preparing for its spring concert in Monett. It was held in the Monett City Hall Auditorium. Three works were on the program under the baton of music director David Goza. The orchestra played the Piano Concerto in A Minor by Edvard Grieg. Other works that were on the program included English Folk Song Suite by Ralph Vaughn Williams and a fanfare introduction called Jubilee by Ron Nelson.

The City of Cassville paired with the National Rural Water Association to celebrate Water Week. Water Week was established as an opportunity for water system customers to learn more about water issues and their water system operations.

10 years ago

Roaring River State Park released tentative figures for 2003, showing an increase in both Missouri and out-of-state vehicles. This number exceeded the number calculated for 2002. The parks department stated that during this week in history, 41,396 Missouri cars were tabulated in 2002 and 43,936 in 2003.

Dustin Brooks, of Cassville High School, signed his letter of intent to play football for Tabor College starting in the fall of 2004.

Sixteen members of Cassville's girls track team competed in a junior varsity meet at Carl Junction. Cricket Miller received the lone medal, bronze in 300 meter hurdles.

Cassville PD drug take back April 26

On April 26, 2014, from 10 a.m. to 2 p.m., the Cassville police Department and the Drug Enforcement Administration (DEA) will give the public its seventh opportunity in three years to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused and unwanted prescription drugs. Bring your medications for disposal to Cassville City hall, Council Chamber/Municipal Court Room, at 300 Main Street. (Entrance is in the back.) The service is free and anonymous, no questions asked.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses to do with these drugs.

We want to encourage people to take the time to clean out their medicine drawers and cabinets and properly dispose of their unused medicine. They will accept over-the-counter medications, as well.

Illegal drugs, inhalers or sharp objects (syringes) will not be accepted.

Martinez accepted into Missouri Fine Arts Academy

Martinez

Purdy High School sophomore Ulyssa Martinez recently auditioned for and was accepted into the 2014

Missouri Fine Arts Academy, which will be held on the Missouri State University campus June 8-28. Martinez recalls, "I was in band class when I was notified of my acceptance. I screamed!"

According to its website, www.missouristate.edu/mfaa, "The Missouri Fine Arts Academy (MFAA) is a three-week summer residential program for highly motivated student artists in visual arts, theatre, dance, creative writing, and music. The Academy offers an intensive schedule of classes in interdisciplinary and discipline-

specific arts, and a wide range of co-curricular activities. MFAA is conducted with the support and cooperation of Missouri State University, and is funded through program fees, grants, endowments, scholarships, and private donations."

Martinez, who performs under the direction of Purdy High School Vocal Music Director Lauren Lee, joins the ranks of former Missouri Fine Arts Academy participants from Purdy, including last year's attendees Kather-

ine Wise and Dana Cunningham. Martinez notes, "I talked to them a lot about their experiences last year. They inspired me to audition."

Martinez completed a grueling, three-part application process, including a video audition, essay and student evaluation. "It was

very nerve-wracking."

Martinez, who plans to pursue a degree in music, hopes the Fine Arts Academy will broaden her musical and social horizons, while honing her passion for singing. "I want to be true with my music. I don't want to be just another singer."

Wreck at Jump Stop slows Main Street traffic

Three different cars were involved in a collision on Main Street this morning. No injuries were reported, but traffic was disrupted while crews worked the scene.

Charlea Mills

Early morning school traffic was slowed this morning when three cars were involved in a collision on Main Street in Cassville near Jump Stop.

According to the Cassville Police Department, Mary Christy, 72, of Cassville, pulled across Main Street in her Ford Focus when she was struck by a second vehicle, a Honda

Civic. The Civic was driven by Tilana Hinson, 39, of Cassville.

The impact of the wreck caused the Focus to hit a third vehicle, a Ford Mustang driven by Jeremy

Agans, 20, of Neosho.

No injuries were reported but crews had to work until mid morning to get the road cleared and return traffic flow.

Cassville PD cracks down on youth drunk driving

With prom and graduation season here, Missouri law enforcement want to make sure Missouri youth are celebrating safe and sober. The Cassville Police Department will join other Missouri law enforcement agencies to crack down on drunk driving May 1 through 12, 2014.

It is illegal for someone under 21 to possess or consume alcohol in Missouri, yet youth make up a significant proportion of drunk drivers causing traffic crashes on Missouri roadways. Missouri has a Zero Tolerance Law. If you are under 21, your license will be suspended if you're caught driving with even a trace of alcohol in your system.

Consequences of drunk driving include: jail time, loss of their driver license, or be-

ing sentenced to use ignition interlocks, insurance rates go up and other financial hits include attorney fees, court costs, lost time at work, and the potential loss of job or job prospects. When family, friends and co-workers find out, violators can also face tremendous personal embarrassment and humiliation.

"Driving drunk is simply not worth all the consequences," stated Chief Dana Kammerlohr. "Zero Tolerance means zero chances: Drive Sober or Get Pulled Over."

Between 2011 and 2013, 85 people were killed and 318 seriously injured in Missouri roadway crashes involving an impaired driver under the age of 21.

For more information, visit www.saveMOLives.com.

Serious injury reported in US 60 crash

One Marionville man was seriously injured in a wreck outside of Monett on Monday morning.

According to the Missouri State Highway Patrol crash report, Weylin Click, 20, was eastbound on US 60 two miles east of Monett when his Pathfinder left the

roadway, overturned and struck a fence. The vehicle sustained extensive damage and Click was transported to Mercy Hospital in Springfield by ambulance for serious injuries.

Click was not wearing a seatbelt according to the report.

Cassville District changes health insurance policy

Charlea Mills

With many area businesses and organizations experiencing rising health insurance rates, the Cassville School District is offering an incentive to help save their District some of those rising costs in the coming year.

Employees of the Cassville R-IV School District are provided health insurance as part of their benefits package. Employees can also add their families at their own cost. However, in the upcoming year, the District will provide 75 percent, \$320.72 per month per member, of the base cost of a health insurance plan for their employees unless they opt to participate in a new wellness incentive plan.

To qualify for the District to pay for the remaining 25 percent, equivalent of \$106.90 per month, employees can participate in the Bona-fide Wellness Incentive, an option that will require them to undergo two Health Risk Assessment (HRA)

screenings in September and March at no cost, or have them done by their primary care physician at their own cost. Superintendent Richard Asbill stated, "We hope to have more people sign up for the Health Risk Assessments and take personal responsibility for their health." The move allows the District to get lower insurance rates for employees with positive HRAs.

Asbill stressed, "The District doesn't receive the results of the assessments. That's just for the employees to be aware of their health and where they can make positive changes."

To cover the health insurance for the 250 employees of the District, while not all have the school's insurance, it cost \$1,132,586 for the last 12-month period. Asbill stated that those rates could rise. The proactive move to protect the District against those costs by encouraging a healthier staff has a multifaceted benefit.

Kings River Ladies Golf League Update

Katherine Wheat

To say it was a blustery day is an understatement. For such a day we still had a good turnout for League day. Four groups of ladies played the front nine Wednesday in spite of the chill and dramatic wind gusts. I envied those with windshields and covers on their carts.

I made a note to myself to put a stocking cap in my golf bag for just such occasions.

We played a new team game called Shamble, which everyone seemed to like. The winners of this round were the team of Cheryl Staats, Linda Cantrell, Bonnie Shelton, and Lori Reaves. Linda Cantrell had a chip in on hole #2 for a par. Lori Reaves parred 4 more holes for a sizzling 41, the low gross score

for the day, to bring their team into first place with a net score of 33.

The team of Kathy Wheat, Sue Steele, Sharon Glenn, and Nancy Hassler posted a net 34 for the 2nd place honors. Kathy Wheat had the low net game of the day with a 31. Coming in third with a net 35 was the team of Myrna Bruning, Carol Hefley, and Marilyn Atkinson. Marilyn Atkinson and Cindy Thomovsky tied for low putts with 17 each.

It won't stay chilly forever, and we do have a great time together. Again, I extend an invitation to any ladies who are interested in playing golf or learning, all levels of skill are welcome, to come and join us on Wednesday morning for a 10 A.M. start.

Southwest holds Youth Volleyball Camp

A total of 33 girls and boys attended the Southwest Youth Volleyball Camp last week. Campers were taught by Southwest Coaches Steve Voyak, Tamara McNabb and the Lady Trojan high school players.

Campers received t-shirts, certificates and a ticket to future volleyball game.

Those who attended included: Carly Black, Katie Catron, Abbie Clark, Macy Colf, Addison Cotton, Anna Church, Allie Fosse,

Dusty Hendrix, Harleigh Jester, Gregory Keen, Lucas Keen, Jayda Ladd, Christian Long, Jordan Long, Remi Long, Chaslyn Marney, Jolie Mattingly, Gracie Mettlach, Skyler Momtag, Breeanna Paulsen,

Shelby Pendergraph, Bonnie Robbins, Maddie Reynolds, Lily Sanders, Natalie Sanko, Bailie Saunders, Ali Shrum, Aspen Skidmore, Becca Swanepoel, Josie Taylor, Rachel Willer, Jasmine Williams and Lilli Wolf.

Microloans available for farmers

Farmers and ranchers in Missouri have an agricultural Microloan credit option. The U.S. Department of Agriculture's Farm Service Agency (FSA) offers a Microloan designed to help farmers and ranchers with credit needs of \$35,000 or less for farm operating purposes.

The loan features a streamlined application and a simplified qualification process built to fit the needs of new and smaller producers. Reduced paperwork associated with the Microloan might serve their needs perfectly.

"This innovative offering is more customer-friendly than our larger, more traditional loan programs," said Russ Neill, Barry County farm loan manager. "For those selling at Farmers' Markets or through community-supported agriculture (CSAs) operations, a Microloan might serve their needs perfectly," Neill continued.

The interest rate as of April 1, 2014, is 2.0 percent. The term can be up to seven years.

For more information on Microloans and others FSA programs, please contact your local USDA service center at 76 Main Street, Cassville or by calling (417) 847-2111

Milk Income Loss Contract Program extension

U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) Administrator Juan M. Garcia today announced the extension of the Milk Income Loss Contract (MILC) program.

The extended MILC protects dairy farmers enrolled in the program against income loss through Sept. 1, 2014, or until a new Margin Protection Program for dairy producers (MPP), established by the 2014 Farm Bill, is operational.

Contracts for eligible producers enrolled in MILC on or before Sept. 30, 2013, are automatically extended until the termination date of the MILC program. Dairy operations with approved MILC contracts will continue to receive monthly payments if a payment rate is in effect.

MILC compensates enrolled dairy producers when the Boston Class I milk price falls below \$16.94 per hundredweight (cwt), after adjustment for the cost of dairy feed rations. MILC payments are calculated each month using

the latest milk price and feed cost, just as in the 2008 Farm Bill. The payment rate for October 2013 through January 2014 marketings is zero. Payment rates during the months after January 2014 until the termination of the MILC program will be determined as the appropriate data becomes available.

Since MILC payments are limited to a maximum amount of milk production each fiscal year, dairy operations may select a production start month other than October 2013 (the start of fiscal year 2014). Producers who want to select a different production start month must visit their local FSA office between April 14, 2014, and May 30, 2014.

FSA will provide producers with information on program requirements, updates and sign-ups as the information becomes available. For more information on MILC, contact a local FSA county office or visit the visit the FSA website at www.fsa.usda.gov.

FSA rural youth loans available for ag projects

The Farm Service Agency (FSA) makes loans to rural youths to establish and operate income-producing projects of modest size in connection with their participation in 4-H clubs, FFA and similar organizations. Each project must be part of an organized and supervised program of work designed to provide practical business and education experience. The project must be planned and operated with the help of the organization adviser, produce sufficient income to repay the loan, and provide adequate collateral.

A rural youth loan is available to young persons between the ages of 10 and 20 years. The maximum loan amount is \$5,000. The current interest rate is 2.0 percent with a term of up to 7 years. Loan funds may be used to: purchase livestock, seed, equipment and supplies; buy, rent or repair needed tools and equipment; and pay operating expenses for the project.

For more information on Microloans and other FSA programs, please contact

your local USDA service center at 76 Main Street, Cassville or by calling (417) 847-2111.

Don't Go Retro.

An old-school fusebox might still function adequately, but it lacks the safety features that are built into modern circuit breakers. If your home or other building still has one of these antique devices, it's time for an update.

Consult a qualified electrician for a complete review of your electrical wires and fixtures, and replace any outdated equipment that no longer meets safety specifications. Your electric cooperative can also provide guidance and assistance.

Wheaton inducts new Honor Society members

The Bowers-Rutledge Chapter of the National Honor Society of Wheaton High School inducted ten new members into its chapter Wednesday, April 9, 2014. Members were chosen by a faculty council of four who followed the requirements for induction set by the National Association of Secondary School Principals.

Each sophomore, junior, and senior student who has maintained a 9.0 average on an 11.0 scale during their high school year is eligible for consideration for membership. The faculty council then evaluates each student in the remaining three principle areas which make up an outstanding student: character, leadership and service. Any student who can rise to the stated value in this evaluation and has spent at least one full semester in our high school may be inducted into the chapter.

New inductees are: Chase Burns, Kim Yang, Christopher Yang, Lyda Yang, Rosillie Vang, Meng Yang, Marley Sherwood, Vanessa Cook, Skyler Scates, and Brittany Harmon. Mrs. Holly Lacey is the faculty sponsor of the Bowers-Rutledge Chapter at Wheaton High School.

Purdy prepares to hold kindergarten screenings

Purdy R-II School District will hold Kindergarten screenings on Tuesday, April 29, from 3:30 p.m. to 7 p.m. in the school library. Children will be screened in the areas of language, motor, and concept skills. Screenings should last no longer than 45 minutes.

Call Susan at (417) 442-3216, ext. 1, between the hours of 8 a.m. and 3:30 p.m. to schedule an appointment. Please note that screenings will not be performed on students currently enrolled in the Purdy R-2 School District preschool program.

Saturday Night Dance

The Seligman Chamber of Commerce will host a Saturday night dance on April 26 beginning at 7 p.m. The new band Three Hits and a Miss will be performing. Admission is \$4 each. Bring a snack to share; no smoking or alcohol allowed.

CHS FBLA State results, one makes Nationals

Pictured in the front row, left to right: Colton Bowman, Jessica Haney, Emily Brewer, Ashlea Large, Alyssa Brewer and Zach Denton. In the back row: Hise Williams, Andrew Whitham, Jordan Fisher, Elisha Michael and Brittany Sanchez.

Members of the Cassville High School Future Business Leaders of America (FBLA) Chapter recently participated in the 2014 Missouri FBLA Leadership Competition. Future Business Leaders of America-Phi Beta Lambda, Inc. is a national organization that serves over 225,000 middle school, high school, college, and professional members. Missouri FBLA is

the second largest chapter in the nation. The FBLA-PBL mission is to bring business and education together in a positive working relationship through innovative leadership and career development programs.

Cassville FBLA had nineteen students qualify for the State Leadership Competition. Winning recognition in the competition was Brit-

tany Sanchez, 8th Place, Local Chapter Annual Report; Elisha Michael, 3rd Place, American Enterprise Report. The top three winners in each event qualify for the national competition. Therefore, Elisha Michael will represent Cassville High School and Cassville FBLA at the national competition in Nashville, Tennessee from June 29 through July 2.

invisalign®
LEARN HOW TO SMILE AGAIN.

Invisalign is **clearly**
your best choice for a better smile.

Your Invisalign treatment will consist of a series of aligners that you switch out about every two weeks. Each aligner is individually manufactured with exact calculations to gradually shift your teeth into place. And since your Invisalign system is custom-made for your teeth and your teeth only, with a plan devised by you and your dentist, you know you'll end up with a smile that truly fits.

Invisalign has been proven effective in dental practices worldwide

- Invisible
- Removable
- No metal or brackets to irritate the mouth
- Able to brush and floss normally during treatment
