Cassville Schools decide on \$4M bond projects

Charlea Mills

The Cassville School District is preparing for changes coming in the summer months and into the beginning of the new school year as projects are decided and decisions are made regarding the \$4 million bond issue that was passed by district voters in the April 8 election.

Of the \$4 million bond issue, around \$950,000 qualified for Qualified Zone Academy Bonds (QZAB) as zero-percent interest through the Department of Education. The remaining funds have been marketed and will be sold with local parties having the first opportunity. Superintendent Richard Asbill stated, “In the past, we’ve been fortunate to have local investors like Security Bank, Commerce Bank and Freedom Bank do lease purchases for the school. We won’t know who purchases the bonds because that is a private transaction, but local investors always have the first opportunity.”

So far, the School Board has decided on \$3.147 million of the bond allocations to go for projects bid by CTS. The company will be mak-

ing a variety of changes and updates within the schools as part of the issues that the School District educated the community on for the bond issue. CTS will be doing bathroom renovations in the Middle and Elementary Schools, including new flooring, new toilets with automatic flushers, new sinks with timed faucets and more. The company will also be completing electrical upgrades, putting in new HVAC units, including a unit in the game gym and competing new paving projects for students safety.

Another element of improvements and projects this summer will include the game gym and the District offices. Office staff have been temporarily displaced while repairs are made from when a water line burst in January causing extensive damage. The Board room, gym floor and offices will all receive repairs. Most of the gym and office will be covered under insurance claims, but some projects are included with the bond issue, including new bleachers and changes to the windows. As-

Viney Creek reopens under Missouri State Parks

State Rep. Scott Fitzpatrick today announced that the Viney Creek Recreation Area near Golden opened for Memorial Day weekend beginning Friday, May 23, at noon. The U.S. Army Corps of Engineers had originally targeted the campground for full closure, but Fitzpatrick said outdoor enthusiasts can now make plans to utilize the area’s many attractions.

“As a member of the House committee responsible for oversight of the Department Natural Resources and the Division of State Parks, and as State Representative for the Golden area, I am pleased that the Division of State Parks has stepped up to the plate to ensure camping and lake enthusiasts will continue to have access to Viney Creek Public Use Area,” said Fitzpatrick, R-Shell Knob.

Fitzpatrick noted that the recreation area, which is located on Table Rock Lake, offers several picnic sites as well as campgrounds, water access, a playground, and a boat ramp.

Campsites will be available on a first come, first serve basis through June 30. Starting June 1, visitors will be able to make reservations for July 1 arrival online at mostateparks.com or by calling 1-877-ICampMo.

“This is an example of state government working well, and state and federal authorities cooperating. I would like to thank Jim Sandberg and Greg Oller with the Corps of Engineers Table Rock Project Office and State Parks Director Bill Bryan for their work to ensure this public use area that so many enjoy, myself included, will remain open for the 2014 season. I am optimistic that this partnership between state and federal agencies will be able to continue beyond the initial one year trial lease period,” added Fitzpatrick.

Fitzpatrick encouraged anyone interested in learning more about Viney Creek or any other Missouri state park to visit mostateparks.com.

Cassville pool opens for summer

The Cassville Aquatic Center is open for the summer. This year, the pool will be open Sunday through Friday from 1 p.m. to 6 p.m. and Saturday 1 p.m. to 8 p.m. Lap swim will be Monday through Friday 12 p.m. to 1 p.m. and Monday through Thursday 6 p.m. to 7 p.m. (Lanes must be reserved.) Free swimming day will be July 4.

Rickard retires from Extension office

Charlea Mills

After 32 years in the area, Tony Rickard is saying goodbye to the University of Missouri Extension Office. Rickard has served in the Barry County Office for 25 years as a dairy specialist and director of the southwest region, and he will be missed by those in the office and also the community.

Rickard stated, “I’m going to miss it. Who would’ve imagined in 1982 that I’d end up staying all of these years. There are wonderful people in this county and I’ll miss them all.”

As one of only three dairy specialists in the state, Rickard worked with a lot of people from across Missouri dealing with dairy issues and answering questions. However, his job here never pertained just to dairy cows, but rather anything that he could find the answers to or help with. He said, “The Extension is all about meeting the needs of the people. We have such a network of experts that if I don’t know, I can find someone who does. At first, it might have been hard dealing with the questions that I wasn’t familiar with, but over time, you start to know all of those things that you’d never have guessed at the begin-

ning.”

Rickard’s last day in the office will be tomorrow, May 29. As far as retirement, his greatest challenge will be slowing down. He said, “It’s going to be a challenge to maintain and find a purpose. This has been my entire career. I’ve had requests to be a consultant in and out of state, so I might do some of that.”

The Extension is already looking for a replacement. Rickard said, “I hope they find someone quickly, when I took this job in ‘82, it had been open for a year, but I think they have the ball rolling now.”

Rickard and his wife, Carol, plan to travel after Thursday. He said, “I’m going to take off for two and a half months. My wife is from Connecticut and we are going to spend time in the northeast with family and friends. Then I’ll spend some time with my father in Kentucky. I’ll go back to the family farm with all of those fence rows and get around to doing all of those things that my dad couldn’t and the boys weren’t around to do over the years.”

Rickard said he is very lucky to have always had a career that he enjoyed. He said, “It’s been a wonderful

Rickard

career. I’ve never had a job. I always tell my sons, never take a job, a job is something that you have to do everyday. A career is something that you look forward to doing. I took my responsibilities very seriously, but I loved what I did.”

He continued, “It’s not about the money. If that’s your goal, you can be really miserable. Find something you love to do.”

Rickard’s job was to help grow the dairy industry in this part of the state and help farmers with anything they needed to ensure they have productive and healthy farms. He said, “The county has been very supportive of us. The cooperative is an

Cassville City Clerk passes away following illness

Charlea Mills

Cassville City Clerk Karen Jennings passed away last week in her home following an illness. City employees released the following statement: "The staff in the front office at City Hall were deeply saddened by the loss of Karen. She was a kind and generous manager and will be deeply missed."

Jennings had worked for the City of Cassville since April 1, 2013, until her death on May 21. The flags at City Hall were lowered in her honor.

Jennings was a well-respected and enjoyable person at City Hall that many enjoyed dealing with on a daily basis. She will be remembered as a helpful, responsible member of the Cassville

family. Police Chief Dana Kammerlohr said, "Karen was very efficient in the work she did for the City of Cassville. She gave 100 percent and was always there to help in any area that she was needed. She was very ethical and honest."

Kammerlohr went on, "We will miss Karen. She always put others first even while she was sick. Always had a smile on her face and shared her positive outlook with her fellow employees."

There will be a celebration of Jennings' life at a later date to be announced.

The Cassville City Clerk position has been filled, as appointed by the Cassville City Council, by Darelyn Cooper.

No drunk driving arrests in City

The Cassville Police Department didn't make any DWI arrest during the recent May 1 - 12 drunk driving crackdown.

Officers did issue the following traffic citations: two driving while suspended. There were a total of 10 vehicles stopped during the crackdown, which the Cassville Police Department participated in.

Missouri law enforcement participated in the crackdown on underage drinking to ensure Missouri youth celebrate safe and sober so they could Arrive Alive at prom and graduation.

It is illegal for someone under the age of 21 to possess or consume alcohol in Missouri, yet youth make up

a significant proportion of drunk drivers causing traffic crashes on Missouri roadways. Missouri has a Zero Tolerance Law. If you are under 21, your license will be suspended if you're caught driving with even a trace of alcohol in your system.

The sobering fact is that impaired driving contributes to 28% of all Missouri traffic fatalities. Between 2011 and 2013, 85 people were killed and 318 seriously injured in Missouri roadway crashes involving an impaired driver under the age of 21.

RICKARD from front

important part of the county. The people always speak up for what we do for them. We have such great County Commissioners, they've always seen the importance of this office and what we do. Even when cuts had to be made, and I went to Jasper County for awhile, they always did their best. It's important to look at things and change and adapt. We have to reevaluate what we're doing, and there is almost always a better way to do things in the future. Thanks to that, we've had a really successful dairy program here in the county."

Rickard said, "The people of Barry County have met the challenge and the dairies are profitable here. We have a very vibrant dairy industry that I'm proud of. In one of my slide shows, I have a quote that says, 'Progress begins at the end of your comfort zone.' If you're always okay with how things are, your operation is never going to grow. Here, people have always understood that."

Rickard said that he wouldn't change the path he chose. He got to spend his entire career in the field that he loved and made connections with people. He concluded, "If I had it to do all over again, I wouldn't change my career, but maybe some of the ways I did things. But then again, who wouldn't?"

Letter to the Editor

I'd like to address some concerns voiced by County Republican Officials that Tea Party Members are attempting to take over the Barry County Republican Party Central Committee by filing for candidacy as Central Committeemen and Committeewomen of their precincts.

This is incorrect. The Tea Party is not a political party; it is a group of Patriotic, conservative citizens who believe they have been Taxed Enough Already. It is safe to say that the Tea Party is wholly composed of reliable, Republican voters.

The reason citizens of Barry County like myself have become candidates for Barry County Republican Committee is simple. We are all loyal and faithful Republicans concerned for the future of our Party. The Republican Party has lost two concurrent national elections. The Missouri Republican Party has lost two gubernatorial elections and an important senatorial election in 2012. We cannot afford to lose another statewide election. We can no longer afford the luxury of defeat. The Missouri Republican Party and the Barry County Grand Old Party need Central Committee Members who will not merely be office-holders, but who can and will actively work for the part in their precincts and wards.

In order for Republicans to win elections, we need to increase voter turnout. Just because Barry County is solidly Republican does not mean that

the overall voter turnout is not declining. We must restore the faith of Barry County voters in the ballot box, by regularly canvassing our precincts and representing our constituents views to the elected officials who hold state and national offices, as well as encouraging young people and ethnic minorities to register to vote and join the Republicans. We can do this by promoting the dynamic conservatism of Ronald Reagan that has always had a universal appeal and will be the basis or future Republican victories throughout our county, state and nation.

If my fellow Republicans will consult their party history, they will see that the office of Precinct-Committeeman and Committeewoman is not honorary. The County Republican Committee is the vital link Republican voters and their elected officials.

I would urge Barry County Republicans to find out if their Precincts are represented by a Precinct Committeeman and Committeewoman. Many precinct in Barry County and three wards in Monett are currently unrepresented. If your precinct has no representation on the County Committee, contact our chairman, and offer to serve in this position to aid in getting out the vote in your precinct or ward.

Maximized voter turnout is the secret to winning elections. The local voting precinct is the basis of the American political system and the key to Republi-

can victory in 2014 and 2016.

-Paul Bigham, Chairman, Ozark Property Rights Alliance, Candidate for Precinct Committeeman for Washburn

Summer Reading begins at libraries

Purdy Middle School's Students of the Month

The Barry-Lawrence Regional Library will once again present its annual summer reading club and programs. This summer (June and July) customers of all ages from tots to adults will have the opportunity to participate in science-themed activities and programs at all of the branch locations. The reading program is designed to encourage everyone to read, especially as a family. To motivate readers, they are offering wonderful incentives and prizes to all participants, and, just like last year, they will give out Kindle Fire HD tablets to six lucky grand prize winners.

Customers can register now for the summer reading club at their local branch library or online at <http://tlc.library.net/bll/>. They are excited to offer an online registration component this year to address customers who said they couldn't participate because they couldn't make it to the library or because they work. Additional information about the summer

reading club and programs is available at each branch location or online at <http://tlc.library.net/bll/>.

- Fizz, Boom, Read!—Summer Reading Club for Tots ages 0-3 and Children ages 3-12.
- Spark a Reaction—Summer Reading Club for Teens ages 13-18.
- Literary Elements—Summer Reading Club for Adults ages 18 and up.

This year in addition to all the programs that are planned throughout the library system in June and July, they library is offering three major program events :

- To kick off the Summer Reading Club, “Dickerson Park Zoo—Animal Myth Busters” will be June 3 through 5. The zoo will be at the Miller, Mt. Vernon, Aurora and Marionville branches June 3; the Pierce City, Purdy and Monett branches June 4; and the Eagle Rock, Shell Knob and Cassville branches June 5.
- Mid-way through the summer, the Discovery Cen-

ter will present fun programs that explore experiments with the various states of matter July 1 through 3. July 1 they will present “Matter Matters” at the Miller, Mt. Vernon, Aurora and Marionville branches; July 2 they will present “Astronomy Abounds” at the Pierce City, Purdy and Monett branches; and July 3 they will present “Goopy Slimy Bubbly Stuff” at the Eagle Rock, Shell Knob and Cassville branches.

To wrap up the summer, the Mad Science Lab will present “Spin, POP, Boom!” July 29 through 31. They will be at the Mt. Vernon, Aurora and Marionville Branches July 29th; the Pierce City and Monett branches July 30; and the Shell Knob and Cassville branches July 3.

The 2014 Summer Reading Club and programs are made possible with generous support from the local communities, the Walmart Foundation, Friends of the Libraries, a grant from the Institute of Museum and Libraries Services, and library patrons.

Pictured above are the April Students of the Month at Purdy Middle School. From left to right are: Cailyn Spears, Emma Harkey, Jose Gonzalez and Jaci Moore.

Purdy Middle School Principal Janet Boys announced the April Students of the Month. Each month the middle school core class teachers nominate one student from each grade level, fifth through eighth.

The fifth grade Student of the Month for April is Jaci Moore. Fifth grade teacher Cheryl Ulmer noted, “Jaci Moore is a model student. She not only does her own work carefully and on time, she also helps other students when needed. While she is soft spoken, she makes her opinions known and speaks up when necessary. Jaci is a very kind person and is a joy to have in class.”

Jose Gonzalez received the award in sixth grade. Middle School Teacher Patty Halbmaier observed, “Jose is a considerate, cooperative student in class. He is always friendly, with a good attitude toward students and adults. He is always willing to lend a helping hand any time it's needed. It is a joy to have him in class.”

Middle School Teacher Gerry Wass explained why the teachers selected seventh grader Emma Harkey as April's Student of the Month. “Emma is a thoughtful student for me in class, in the sense of really thinking about what she is working to learn. She has also been a frequent Tuesday afternoon volunteer at community recycling, which we really appreciate.”

Cailyn Spears received the award for eighth grade. Jennifer Schallert Cornelius ex-

plained, “Cailyn is a very well rounded person. She works hard in the classroom, as well as with athletics. She is always willing to help her peers and teachers.”

April's Students of the Month received a Certificate of Accomplishment and an invitation to a pizza lunch with Mrs. Boys. The Purdy R-2 School District would like to congratulate these students for their outstanding accomplishments at Purdy Middle School.

**CARL ZOMAR ANDERSON**  
Carl Zomar Anderson, age 76, of Seligman, Missouri, passed away Friday, May 23, 2014, in his home.

He was born December 6, 1937, in Barry County, Missouri, the son of John Simpson and Minnie (Vanzandt) Anderson. On February 15, 1965, he was united in marriage to Lola Tisher, who survives. Also surviving are five sisters-in-law, Wanda Anderson of Seligman, Missouri, Gladys Anderson of Rogers, Arkansas, Shirley Thomas and her husband, Lyndol, of Washburn, Missouri, Diane Bittle and her husband, Richard, of Reeds Spring, Missouri, and Wanda Hachmeister of Seligman, Missouri; and several nieces and nephews.

Preceding him in death were his parents; four brothers, Denzil, Lamoin, Dale and Donnie; and one sister, Charlene.

Carl grew up in Barry County and received his education at Washburn, graduating from Southwest High School. He then entered the United States Army, serving from August 9, 1961, until May 21, 1963. For fifteen years he was employed with Boeing Aircraft in Wichita, Kansas, and then worked for the City of Wichita as a Road Maintainer. In 1995, he retired and moved back to Missouri, making his home at Seligman. He was a member of Washburn First Baptist Church and served on the King Cemetery Board.

Graveside services with military honors were held Tuesday, May 27, 2014, in King Cemetery, Seligman, Missouri, under direction of Fohn Funeral Home, Cassville. Reverend Glenn Erwin and Reverend Jim Erwin conducted the services.

Contributions may be made to Haven of the Ozarks or the charity of the donor’s choice in memory of Carl.

# Southwest honors seniors at graduation Middle schoolers lend a hand at park

Southwest High School's Class of 2014 listened to their valedictorian, Paj Chea Yang, give her speech during commencement on May 16.

## Samantha Barberio

Southwest High School celebrated the graduating Class of 2014 on Friday, May 16, in the school's gymnasium with hundreds of family and friends. The ceremony was opened with a welcome by Bob Walker, Superintendent of Southwest Schools.

Valedictorian Paj Chea Yang and Salutatorian Montana Hendrix gave commencement speeches that tugged on the hearts of their fellow graduates. They reminisced about their time spent together in classes and learning much more than algebra, but life lessons as well.

"Our staff has taught us an abundance of important knowledge, but we have also learned from each other. Lauren's words of wisdom were that '60 percent of the time, it works every time.' I wonder who taught that girl math. Paj Chea showed us all that falling in front of hundreds of people can still look classy. While it is impressive that Douglas didn't miss a single hour of his high school career, it is almost just as impressive that Sequoia managed to be tardy almost every day of her senior year," stated Hendrix.

The top ten ranking seniors at Southwest for the 2014 graduating class were: Sequoia Beck, Samantha Blackstone, Brandy Garcia, Montana Hendrix, Valerie McKeever, Britney Mitchell, Lauren Mitchell, Gabriel O'Steen-Mann, Douglas

Trager and Paj Chea Yang.

"What takes us back to the past are the memories. What brings us forward is our dreams" is the Class of 2014's motto.

After graduation, the school colored gowns, throwing of hats and finally receiving a diploma, many students chose to attend further education or go out into the working field. However, certain students made a commitment to their country and will serve in the armed forces.

Southwest High School had five young men make this decision. The Army National Guard will gain graduates Christian Robbins and Cyrus Nally. Both are serving their second year in the Guard and will be attending Missouri Southern University in the Show Me Gold Officer Training Program. The Show Me Gold program offers citizens of Missouri the opportunity for professional development in order to become officers in the Missouri Army National Guard.

Truman Hill will be serving in the Guard and will

be leaving for Advanced Individual Training (AIT) in August. AIT is the next step after Basic Combat Training where military members receive hands on training and field instruction to ensure expertise in a specific career field.

The US Marine Corp will get two Southwest graduates. Triston Williams will be leaving July 28 to start his service. Triston hopes to study aviation mechanics during his service. David Enriquez will be leaving September 8 to start his service with the Marines. "We are really proud of these young men," stated Stacey Hopper, Professional School Counselor of Southwest High School.

On Monday, May 5, Cassville Middle School FBLA and FFA members devoted a few hours to Rocky Edmondson Park. The members began by picking up trash throughout the park. Afterwards, they planted two evergreen trees. Both organizations believe in the importance of raising environmental awareness and giving back to our local community.

Volunteers are pictured above, left to right: Kel Wilson, Devin Ruark, Alyssa Case, Abby Lasley, Somer Brooks and Dalia Phelps.

BOND from front

bill stated, “The bleachers are 48 years old, and we will be replacing and not repairing them. The under structure repair and retrofit, in terms of the expected life of the bleachers, wasn’t significant enough in savings to justify repair. The new bleachers will be automated, as well.”

Asbill continued, “We will also be upgrading the windows to double-pane tinted windows, but they won’t open. However, the windows and air conditioning will help

protect the new floor and ensure that it lasts.”

Summer staff will be doing standard summer maintenance, like removing everything from the classrooms and cleaning the rooms top to bottom, as well as additional projects with the bond improvements, insurance-covered projects and capital projects improvements. Part of that will include making the repairs to the exterior of the Rock Gym and replacing the windows to help protect

the new floating hardwood floor that was covered by the insurance company.

The remaining approximately \$750,000 in bond funds will be allocated to the FEMA project repayments. The High School FEMA building is expected to be completed in August, but the floor will need to acclimate around 30 days before being installed, making the project completed by September.

Two sentenced for child endangerment

Samantha Barberio

Barry County residents were recently charged with endangering the welfare of a child in the first degree based upon the following facts. Department of Family Services Jalainey McMahon and Lieutenant Terry Meek responded to a child abuse hotline report at the Washburn Middle School. While at the school, Lt. Meek reported that the child in question, to

be known as V, had a large black and blue bruise on her backside.

After more investigation, the child stated in a forensic interview that her parents, dad Richard and stepmother Rachel, smoked marijuana in the home while all the children were present. There are five children in the home, all under the age of eleven. The child then stated that they used a bong to smoke the marijuana and described the bong as a triangle at the bottom with a large tube. V advised that the neighbors come over to smoke as well, and the children have to stay in the bedroom.

She also stated that she has to take care of ten month old sibling while her parents smoked pot with the neighbors. Lt. Meek and McMahon were told that her stepmother beat her with a flip flop shoe because she lied to her about a letter involving her con-

duct at school. Lieutenant Meek went to the home of the abuse case and seized the shoes, a bong and pipes, and a small baggie of stems and seeds from the home. The children were taken out of the residence for their safety during the investigation.

Richard Atkins, from Seligman, was charged with endangering the welfare of a child in the second degree. He pled guilty and received a suspended imposition of sentence. This resulted in two years unsupervised probation and 20 hours of community service. Rachel Duckett, Seligman, was charged with endangering the welfare of a child in the second degree and the class C felony of abuse of a child. Duckett received a suspended imposition of sentence for two years, unsupervised probation and 40 hours of community service.

This year, the Eagle Rock homeschool art class produced over 350 pieces of art. The final project used a spatter booth, picture the throwing or blowing of paint at a

canvas with brushes, straws  
and squirt bottles.

We have had a lot of fun this year and deepened friendships. The Art Show on May 15 at the Eagle Rock Community Center was a great success. Many students would not allow their parents to view their work until the end of the year show. There were lots of "oohs" and "aahs" and a couple of offers to purchase some pieces, Elisabeth

remarked, "Not for \$10,000."

The Eagle Rock Friends of the Library purchased the paints and supplies for the art projects and the Eagle Rock Community Association allowed space for the classroom and Art Show. The Community Connection donated furniture for one of the projects, and Chris Barnes taught basket weaving for one of the sessions. The year was a huge success.

# Farmers' Market kicks off summer events and raises funds for Summer Reading Program

Garden Sass Farmers' Market Association Interim President Steven Burcham presented Eleanor Hansen with the drawing gift basket filled with jams, baked goods, fresh eggs, strawberries and more. The drawing went to benefit the Summer Reading Program through the local library branches.

## Charlea Mills

The Farmers' Market at the Cassville square was hustling and bustling on Saturday morning with the kick off event for a busy summer schedule filled with community events.

In the spotlight of the day, the Garden Sass Farmers' Market Association donated items for a gift basket drawing to benefit the Cassville Library Branch's Summer Reading Program.

The group raised \$100 to give to the branch, filling the raffle basket with baked goodies, gift certificates, jams, strawberries, vegetables and more. Winner of the basket, Eleanor Hansen, of Packwood Furniture, said, "I never win anything. I can't believe how much is in there."

Music on Saturday that opened the market for a summer concert series featuring a variety of local musicians was Dan Metlase and friends who played a collection of country and gospel. Later this year, the market will continue to hold musical performances, a pie contest, fundraisers and more to benefit locals in the community.

This Tuesday, June 3, will be the opening of the Tuesday morning market at the pavilion on Mineral Springs Road behind the ball fields. The Tuesday market runs

from 7 to 11 a.m. through the summer. The Saturday morning market runs from 8 a.m. until noon and will run through the last week of October.

The market regularly holds vendors with fruits, vegetables, baked goods, canned goods, homemade crafts and more. The Garden Sass Farmers' Market Association is the longest running market in Barry County.

# Exeter Elementary's April Character Kids

Pictured above are the Exeter Elementary Character Kids for the month of April. The kids were chosen for their perserverance. In the back row, left to right: Principal Tim Jordan, Dakota Holenda, Halie Nelson, Corey Hillburn, Angelina Miller, Destiney Martin, Siera Dunham, Amy Cunningham, Joseph Davis and Thomas Headley. Second row: Heaven Taylor, Nicholas Edie, Caleb Walker, Chelldon Jones, Dylan Hobbs, Dakota Vasey, Brady Walker and Cordelia Walker. Front row: Dakota Wolfe, Tristan Taylor, Coy Aldridge, Danial Norris, Kyera Vasey, Lacy Norris, Zach George, Emilia Hatfield, Blake Reed and Joseph Hatfield.

## Cassville Intermediate students win reading award

Students in Cassville Intermediate School can participate in the state reader's choice awards by reading at least four of the twelve Mark Twain Award Nominee chapter books during the year. Students are motivated to read as many as they can by earning tickets into a drawing for fifty dollars. Fifty students qualified for the drawing this year with the lucky winners, Bailey Hutson (left) and Sadie Reuter (right), pictured above.

## Barry County's years past

### 40 years ago

Ground-breaking ceremonies were held for Fasco Industries at the site in southeast Cassville. The 150,000 square foot building was expected to be completed by December. R.W. Gysel, Vice-President of the Motor Division of the Rochester, NY, FASCO division, said that between 400 and 500 employees were expected to be employed at the FASCO plant at the end of the first year, making it Cassville's largest industry.

The Barry County Republican Committee honored Congressman Gene Taylor and Senator Emory Melton at a dinner meeting hosted at the Rainbow Dinner House in Cassville. Congressman Taylor spoke on national affairs and Senator Melton spoke on state affairs conducted in the last session of the legislature.

The Barry County Court allocated \$50,000 in Revenue Sharing Funds to the Barry County Road Districts. Allotments to various road districts were to be made by County Engineer Leon Jackson on the basis of mileage and valuation.

### 30 years ago

The top ten graduates of the 1984 graduation class were named for Cassville High School: Angie Anglum, Kristi Bennington, James Carlock, Dean Ellis, Regina Gripka, Julia Homesley, Gala Hopkns, Gail McGruder, Randy Pettingrew and Michelle Nigh.

The second session of parental classes for expectant parents was held at the Barry County Health Unit in Cassville. The classes were instructed by Karen Vinyard R.N., and class content included fetal development, prenatal care, labor and delivery, family planning, and parenting.

The Cassville City Swimming Pool opened this weekend and, even with record low temperatures, 16 swimmers were in the water according to Supervisor Randy Casteel. Lifeguards that year were Carol Duncan, Scott Pitts, Lalani Faber and Betty Houston.

### 20 years ago

Brennan Tucker graduated magna cum laude from Drury College with a degree in Business Administration and Economics. He was named "Outstanding Senior" by the faculty. He was announced to attend Duke University Law School at Durham, North Carolina, in the fall.

Cub Scouts of Purdy Pack 312 were announced to put small U.S. flags on the graves of veterans on Memorial Day weekend. Cubs gathered at 10 a.m. Saturday morning at the Purdy Cemetery in order to place some 50 flags above the final resting places of veterans of seven different wars.

A ribbon cutting ceremony was hosted by the Cassville Chamber of Commerce welcoming new members Patty and Murray Rhoads of Burrito Express. The restaurant was on Highways 248 and 112, specializing in burritos and other Mexican food.

### 10 years ago

Record high prices of gasoline were recorded by the Missouri Department of Natural Resources' Energy Center. The cost for a gallon of gasoline showed an increase of more than 12 cents. The price for regular unleaded gasoline was \$1.75 earlier in the month and the average price for the United States was \$1.84. During the spring's price check the record Missouri average high was \$1.69, a record set in mid-June 2000.

Tasha Gunkel, who attended Cassville Middle School, was announced to appear in the United States Achievement Academy Official Yearbook, which is published nationally. She had also been invited to the Duke University Talent Identification Program for her achievements.

Tanner Patton, brother Layne, and dad Brian of Purdy were hunting in Dade County when they killed a 20 pound gobbler with a 9 3/4 inch beard.

## CHS students compete at Foreign Language Field Day

Last month, several Cassville High School language students participated in the Foreign Language Field Day at Missouri Southern State University (MSSU) in Joplin.

Two CHS French students, Kathleen Hurst and Sydney Olbertz, each received first place honors in reading comprehension for their respective grades. There were several second place winners, all Spanish students, as well, including: Donald Snow, Olivia Padilla, Taylor Burch and Sarah Jones. They won in vocabulary, reading comprehension and foreign language poster competition, respectively. Third place winners from CHS included Lindsay Lawson for Level 4 Spanish vocabulary, Jerrica Russell for Level 4 French vocabulary, and Yaiza Garcia for Level 3 French vocabulary. Kathleen Hurts and Lindsay Lawson have been repeat winners in this competition.

Overall, CHS came in 10th out of at least 33 schools who competed. In the past three years, the CHS language department has consistently placed within the top third of all schools represented at the MSSU Foreign Language Field Day. The students who placed in the top three last year but were not recognized were: Alyssa Wiertzma (French), Riley Wilson (Spanish) and Matt Vermillion (Spanish).

Winners are pictured above from left to right. In the back row: Matt Vermillion, Riley Wilson, Donald Snow, Kathleen Hurst, Sydney Olbertz and Spanish teacher Kathleen Lassau. Front row: Jerrica Russell, Yaiza Garcia, Olivia Padilla, Taylor Burch and Sarah Jones.

# White's leap earns All State medal

*Lee Stubblefield*

Purdy's Lucas White shrugged off a pair of early fouls and nailed a leap of 20-07.5 in the Class 2 Boys Long Jump at the state track meet on Friday. White's leap was good for 7th place and an All State medal.

Neither Kaylynn Harkley of Purdy nor Montana Hendrix of Southwest could equal White's all-state performance. On Friday, Hendrix cleared 4-10 in the Class 2 Girls High Jump, but her misses at 5-0 cost her the chance to repeat her medal-winning performance of last year.

After a long rain delay

on Saturday, Harkey cleared 9-0 even in the Class 2 Girls Pole Vault, but her 10th place finish was two spots shy of earning a medal. Last year, Harkey finished 3rd at the state meet with a leap of 9-09.

The Cassville Lady Wildcats placed 4th in the 4x100 Meter Relay in the Class 3 Sectional 3 meet at Eldon on Saturday. The foursome of Alesha Cousins, Andrea Cousins, Grace Gouvion, and Jade Holloway posted a time of 52.97 to advance to the MSHSAA Class 3-4 State Track and Field Championships at Jefferson City this weekend.

# Cubs defeat Cats in district title game

*Lee Stubblefield*

Fresh from an amazing comeback victory over Carl Junction, the Cassville Wildcats found how hard it is to catch lightning in a bottle twice. Monett's Cameron Witt dominated the Cassville lineup from the hill, and the Wildcats failed to capitalize in crucial situations as the Cubs claimed a 9-1 victory in the Class 4 District 11 baseball championship game at Monett's North Park on Wednesday, May 21.

Witt only allowed 5 hits in a sterling complete-game performance, and helped himself with a 2RBI home run that put the game out of reach.

Monett manufactured a run in the first inning to take an early 1-0 lead. Isaac Long drew a leadoff walk from Alex Dyer, and later scored when Brett Gollhofer grounded

into a fielder's choice.

The game turned in the second inning.

After Cassville went quietly in the top half of the frame, Monett made some noise. Designated hitter Cooper Caldwell led off with a single to center. Kyle McCallister took one for the team, and the Cubs had runners at first and second. John Saunders followed with a sharp single through the box to score Caldwell, and Monett took a 2-0 lead.

Andrew Whitham took over on the mound for Cassville, and Tyler Ash greeted him with a sacrifice bunt to put McCallister and Saunders in scoring position. Then Long dribbled a wormkiller for an infield hit that loaded the bases. Hall popped out in foul territory, and Witt came to bat with two outs.

Whitham jumped ahead

with a two-strike count, and was one pitch away from escaping the big inning. But his third offering to Witt skipped past senior catcher Marcus Weatherman and two runs scored in the ensuing melee. Witt added to the damage with an RBI single, and the Cubs held a 5-0 lead when the inning finally ended.

In the fourth inning, Witt literally beat a dead horse, crushing the leather sphere over the right field fence for two more runs and a 7-0 lead.

The Wildcats finally came to life in the fifth inning. After Alex Vanderpool and Zane Everett both grounded out, Jordan Fisher ripped a double over Long's head in center field. Alex Dyer followed with a sharp RBI single down the third base line to put Cassville on the scoreboard. Leigh Cox singled to right field and Noah Hadlow walked to load the bases.

But Weatherman got under a Witt fastball and flied out to right field as Monett did escape the big inning. In a game of inches, Monett capitalized big in the second inning; Cassville could not in the fifth.

The Wildcats went down in order in the sixth, and stranded two baserunners in the seventh as Monett went on to a 9-1 victory.

Cassville finished the season at 10-15 and earned the district runnerup distinction.

Monett improved to 17-9, and advanced into the championship bracket against Clinton on Tuesday, May 27.

## Cassville Men's Golf League Update

Robert York

The morning was good golf weather with a little wind. We always need an excuse unless your name is Figgins. Terry shot even par! What a round, with an eagle on the par 4 #3 hole. # Purdy Middle School honors academicians

Purdy Middle School Principal Janet Boys honored over 50 fifth through eighth grade students for their academic accomplishments during the 2013-14 school year at the annual Middle School Academic Awards Ceremony held on Thursday, April 24. Students who maintained

membership on the A/B honor roll throughout the year received medals, while students who remained on the A honor roll all year received trophies. Attendees enjoyed viewing Academy Awards-style short films written, directed and filmed by a team of eighth grade students, as

well as Academy Awards-themed refreshments. When addressing the crowd Mrs. Boys noted, "It has been a pleasure working with your children this year and watching them achieve academic success. They are a truly great group of students."

Fifth grade, front row, from left to right: Lauren Schallert, Audrey Lowe, Kinsley Mattingly, Macy Terry, Connie Lee, Tatum Bur and Kelly Boling. Back row: Andres Aldaba, Clay Henderson, Rylee Boyd, Zack Brewer, Elmer Rueda, Drew Graham and Lizandro Villa. Absent: Marlon Ardite.

## Purdy FFA Knowledge Team places 7th

The 2014 Purdy FFA Knowledge Team, from left to right: Megan Thomas, Morgan Schilly, Rion Boyd and Sami House.

The 2014 Purdy FFA Knowledge Team, consisting of Greenhands Morgan Schilly, Sami House, Megan Thomas and Rion Boyd, competed at State FFA Convention on April 24 in Columbia. The FFA Knowledge competition is a 100 question

test pertaining to the FFA organization.

All four competitors scored a Group 1 Rating. When asked about her experience at state Morgan Schilly remarked, "State convention was a great experience to mingle with students from

other schools, eat good food, and make memories with my teammates. Although we were short two points of making it on stage, it makes me want to work harder for next year."

**Exeter School Board update**

The Exeter School Board held their monthly meeting on May 21, 2014. Board President Eric O'Neill called the meeting to order at 7 p.m. with six board members in attendance. After the removal of two items from the agenda, the school board entered Executive Session discussing personnel issues and recommendations for hire. Open session then resumed.

The consent agenda was approved. Dr. Raney discussed the finance report, utilities report and the food service report with the Board. Letters of resignation were accepted from William Schlichter, high school communication arts/yearbook teacher, and Lauren Davis, janitor.

Mr. Jordan gave the high school report for Mr. Taylor, stating that the junior high had 100 percent of students over 90 percent attendance for the month of April and 89.4 percent over 90 percent for the high school for the month of April. The T2 incentive program took students to Six Flags on May 22 as a reward. EOC testing showed all subjects improving except Algebra 2, which is an extra class and not required. Field Day was held on May 22 and an awards assembly was held on May 23, the last day of attendance for Exeter Schools.

Mr. Jordan then gave the elementary report. The elementary reported 94.22 percent of students over 90 percent in attendance for the month of April. Summer School begins June 2 and the teachers have worked very hard to plan a fun program that the kids can be excited about. Exeter School will be participating in the Summer Food Program which allows anyone age 18 and below free breakfast and lunch during the time Summer School is in session.

Under old business, the contract with Scott Tech was approved for the 2014-2015 school year and ongoing efforts to improve APR were discussed.

Over the new business, MSBA 2014B Policy Updates were distributed for the first reading after which the meeting adjourned at 9:21 p.m.
