Iconic Christmas lights honor couple who started them over 50 years ago

Charlea Mills

Driving the stretch of Highway 76 east of Shell Knob brings a familiar, awe-inspiring sight every year: a huge Christmas light display on a house on the north side. People from the area look forward to the display each year, but few know the story behind them.

Ricky and Lanetta Ray are the current masterminds behind the Christmas display, but it didn't start with them. It was Ricky's father who started the tradition 57 years ago, when electricity was first powered on in the area.

Lanetta said, "My father-in-law loved Christmas, and he bought his first string of Christmas lights when there was first electricity in the area. He wanted his little boy to have lights."

Over the years, Loya and his wife, Dora, kept adding to their display. Sometimes that meant making decorations, sometimes that meant buying them.

Now, Lanetta and Ricky,

The Ray family's Christmas lights are a sight that many look forward to each year. Coming up over the hill on Highway 76, the glow can be seen from afar before you can appreciate all of the work that goes into their display.

along with their son, Rick, his wife, Rachel, and their grandsons, Ryan, 14, and Roman, 12, spend a month each fall putting up the lights and decor, adding to them as they go along.

Lanetta said, "We have

our grandsons that help now, and we like keeping this tradition alive." The Rays have two other sons, Joshua and Brian, and their wives, Telisha and Tanja, as well as five other grandchildren, Andrew, Tiana, Nymeria, Brooke and Conner.

It isn't just their family that they are keeping the traditional live for, though. A big part of this is in memory of Loya and Dora, but the community looks forward to it, too.

"We see the smiles on people's faces in the commu-

nity, and people really look forward to it. People start coming up to us in the fall, 'Are you doing the lights?' 'When are you turning them on?' We have to continue it,"

Wreck near Monett injures four, including pedestrian

Charlea Mills

Four people were injured last week when a car was rear-ended on MO 37 two miles south of Monett. Three people were injured in the crash and, after, the wreck, a fire tanker was not put in park and rolled into a pedestrian.

According to the Missouri State Highway Patrol crash reports, Devin L. Fischer, 36, of Verona, was driving a 2007 Dodge Ram 3500 and was stopped to make a left turn and was rear-ended. The second driver, Jerod R. Black, 19, of Seligman, was driving a 1997 Ford Escort that was totalled in the wreck.

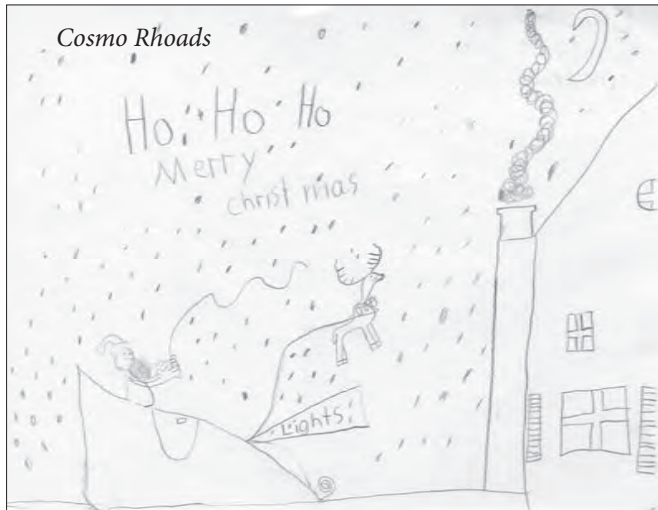

Black, though wearing a seat belt, received serious injuries and had to be transported to Cox South Hos-

pital in Springfield. Fischer and his passenger, an 11-year-old boy, were taken to Cox Hospital in Monett. Fischer received moderate injuries while the boy's injuries were minor. Neither were wearing a seat belt at the time of the crash.

An additional injury occurred when a fire tanker on the scene rolled into the Ford Escort and a pedestrian. The tanker was not put into park and it rolled forward, causing moderate injuries to the pedestrian, Zona M. Williams, 43, of Monett. Williams was taken to Cox Hospital in Monett.

Letter to the Editor

Dear Editor:

As a 1947 graduate of CHS, here are my thoughts on the sidewalk/monument issue. The obvious thing is that MoDOT is going to do something in regard to the project, so let us make the best of that reality. I applaud the school administration for already having a committee in place to deal with it.

I personally think that to put a new walkway beside an aging, existing walkway would make the old one look very inferior. I also know some of the names on the existing walkway are almost illegible. One of my older sisters name is one of them. I think it is a good idea to have the names of graduates, spanning fifty years, in closer proximity and easily accessible.

I would estimate we are talking in the neighborhood of three thousand names. A nice monument would be great to commemorate that many people over a period of five decades. I look forward to that event, and when plans are made available, I will contribute to the project.

ERGM Fire Department earns safer rating

Charlea Mills

For residents in the Eagle Rock-Golden-Mano (ERGM) Fire District, a new safety classification could mean lowered homeowners' insurance rates.

The Department issued a press release this week, stating that their Insurance Services Operations (ISO) rating went from a level 7 Protection Class

to a level 6 Protection Class. ISO classes are used to determine how accessible residents are to fire protection services in the event of an emergency. Fire Chief Mark Pierson stated that many insurance companies offer a discount on their rates if the class designation improves. Pierson stated, "Eagle Rock, Golden and Mano

residents, with the exception of our extreme Golden eastern districts, should contact their homeowners insurance carriers. There are certain insurance carriers who may lower your premiums, making it beneficial for you to communicate this change of protection class code to your insurance carriers."

ISO ratings are determined by a variety of factors. According to Assistant Chief Pam Stilwell, those ratings relate to water resources, the equipment on the trucks and the number of training hours they complete.

Some of the effort that went into improving that ISO rating included the addition

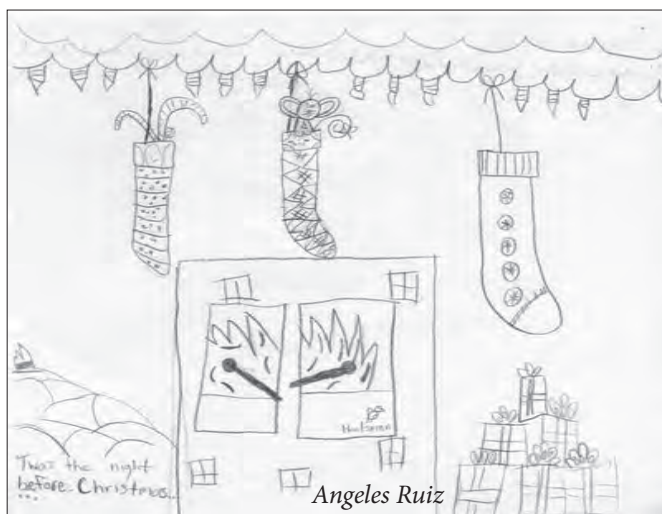

of a new fire station. Stilwell said, "We built a new station on Farm Road 1195 which covered a bunch of people. We chose that spot in particular because the saturation of people outside of a five-mile radius of a fire station. The population was the greatest there for the impact." Stilwell said that many of the people in that area went from a Class 10 rating to a Class 6. Others went from a Class 7 to a 6, which she said is still a huge improvement.

In addition to the station, the department worked on other aspects to improve that rating, as well. "We were able to accumulate some impressive training hours, as well. There are other aspects, like

testing our hoses every two years, and all of that plays into the ratings," she said.

Water access was a huge factor. "We have several accesses to water availability so that we can keep our tankers full. We also got a grant a couple years and ago, and we were able to equip our other trucks to draft water to our tankers, which means we can keep water on the fire continuously."

The Eagle Rock-Golden-Mano Fire Department has two full-time and one part-time firefighter as well as 24 volunteers. Station 1 is open Monday through Friday from 8 a.m. to 5 p.m.

LIGHTS from FRONT

Lanetta said. The Rays do the display each year just because they want to. They don't take any sponsorships or donations to keep it running. Although, they do accept lights if people want to give them some. And the dreaded question about the electric bill? Lanetta said, "We take care of the electricity. It's not cheap, but we love doing it."

Lanetta and Ricky keep an eye out for people selling Christmas lights and decor, but they also have to search flea markets for some of the replacement parts and bulbs on occasion due to the age of the lights. It's a group effort and a lot of time and energy, but it is worth it to the family to keep the memory of Ricky's parents alive.

Loya passed away five years ago, and Dora followed three years ago, but both of them continued their part as long as they were able. Lanetta said, "Up until my father-in-law died, he was still out there on his scooter, doing what he could, and my mother-in-law, too."

People coming both from the east and the west see the glow of the lights before they can see the house, which is the original house Loya and Dora owned when he bought those lights 57 years ago. People know when they're on and keep their eyes out for it, with plenty stopping to look around and take pictures.

Lanetta and Ray rent the home out to a family, who are understanding and welcoming to the traffic. She said, "This is still a family home, it's the Ray family homestead, and they know people are looking for the lights."

So 57-years-and-count-

ing, with no end in sight, the community can rest assured that the grand display of lights out on Highway 76 will continue.

Holiday memories are a big part of family traditions, whether it is putting up a tree together, reading "Twas the Night Before Christmas" or baking cookies. For the Rays, this is the way they celebrate and hold the memory of Loya and Dora in their hearts. Lanetta said, "We keep the true meaning of Christmas, Jesus, but we do the fun stuff, too."

Lanetta said, "We have got to keep doing it; it would be dishonoring them if we didn't."

And that original string of lights that Loya bought 57 years ago? They still have a place on the house every year.

Pictured above are Loya and Dora Ray.

Barry County Health Department November Food Service Report

The Health Department divides food service code violations into two categories: Priority and Core items.

Priority items are more likely than other violations to contribute to food contamination or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or injury.

A report for each establishment that is inspected shows the number of priority items, along with a short statement as to the nature of the violations. The report also shows the number of core items, but doesn't list the nature of those violations.

Purdy Lady Eagles win Diamond Invitational

On Saturday, December 12, the Wildcat Takedown Club attended the first wrestling tournament of the season at Seneca.

It is the WTC coaches' dedication to the sport and to our youth in this community that makes it possible.

The head coach for the WTC is Coach David Hopper and along with the other WTC coaches, Grant Roark, Chad Butler, Steve Runnels, Troy Thompson, Griff Roark and Casey Ganoung, they led the WTC wrestlers to victory.

WTC wrestlers are pictured above. Back row, from left to right, are: Jaeron Ganoung, Div. 2, 4th; Christian Tidwell, Div. 3, 2nd; Maddock Roark, Div. 2, 3rd; Justin Lupica, Div. 3, 1st; Connor Annecharico, Div. 3, 2nd; Wyatt Hawks, Div. 3, 4th; Akhilleus Arguelles, Div. 3, 3rd; and Tristan Thompson Div. 2, 1st. Front row: Hunter Stephens, Div. 2, 2nd; Colton Roark, Div. 2, 2nd; Eli Roark, Div. 1, 3rd; Drew Davis, Div. 2, 2nd; Camden Runnels, Div. 1, 4th; Keaton Fare, Div. 1, 3rd; Jayce Graham-Magula, Div. 1, 1st; and Evan Butler, Div. 3, 1st.

Lady Wildcats reach 4-2 with win over Sarcoxie

Lee Stubblefield

Fresh off their second-place finish at the Blue Eye Invitational, the Cassville Lady Wildcats recorded wins over Pierce City and then Sarcoxie to run their season record to 4-2. Cassville dispatched Pierce City on the road Monday by a 47-42 count, before dropping Sarcoxie in a 55-43 home game on Tuesday.

The Lady Wildcats played solid in every phase against Sarcoxie. Nine Cassville girls scored in the contest, led by Devyn Callahan's 16 points. Madi Stokes also hit double figures, pouring in 15. Stokes, the 6-3 sophomore center, owned the paint and the boards in this one, raking in 18 rebounds and blocking a half dozen shots.

Sarcoxie's Carson Chan-

dlar led all scorers with 22, but no other Lady Bear reached double figures against the tenacious Cassville defense.

Chandler led Sarcoxie to a 16-12 lead to end the first quarter, but then Cassville took over. A 12-6 second quarter saw the Ladycats take a 24-22 halftime lead, and then a 22-8 third quarter gave Chris Shore's girls a 46-

30 lead at the final break.

Cassville shot 50 percent from the field and 58 percent from the line, while limiting Sarcoxie to just 30% shooting.

Cassville scoring: Davyn Callahan, 16; Madi Stokes, 15; Kandace Wallace, 8; Macey Parsons, 4; Kaleigh Gorski, 4; Hallie Long, 2; Ashlynn Howe, 2; Makenzy Durossette, 2; and Audra Brooks, 2.

Sarcoxie scoring: Carson Chandler, 22; Madison Thurman, 6; Heidi Lopez, 5; Ashley Bittick, 5; Kierston Dodson, 4; and Giselle Lopez, 1.

Miller runs past Purdy girls, 61-40

Lee Stubblefield

The Purdy Eagles put their 5-0 unbeaten streak on the line at Miller against the 1-3 Cardinals on Monday night, and suffered a 61-40 loss. The Lady Eagles, the favorites of the Ozark 7 Conference and champions of the Diamond Invitational, simply could not contain Miller's high-octane offense.

The Lady Cardinals raced to a 38-10 halftime lead and then flirted with a running clock throughout the second half enroute to a 61-40 victory. Miller's dynamic duo of guards, Abby Gann and Lynna Hadlock, led the Lady Cardinals with 19 and 17 points, respectively. Sami House scored 14 to lead Purdy.

Miller torched Purdy in a 25-4 first quarter, and kept up the pressure to reach halftime with a 38-10 lead.

Gann and Hadlock scored from inside and downtown for a 43-11 lead early in the third quarter to fire up the running clock. But Purdy came alive with an 8-0 run. Rion Boyd popped in a trey from the top of the key. Then Layne Skiles scored in the paint, and followed that with a rainmaker three-ball that barely eluded Miller's 6-1 center, Jessica Estes, and cut the lead to 43-19.

That was as close as Purdy would get until the final 30

seconds of the fourth quarter. Miller claimed another running clock at 57-27 when Hadlock poured in another trey with 4:14 left in the game. Seconds later, Hadlock collected her fifth foul and went to the one place she could not score from: the bench.

Meanwhile, House, Desirie Ennes, and Boyd scored in quick succession to regain a standard clock at 57-33 with 1:40 to play. Then in the final half minute, Ennes nailed a trey and House scored the game's final basket of the 61-40 game.

Purdy's girls tasted defeat for the first time of the season. Losing to Miller brought back memories of those tough district losses to the Lady Cardinals and Hannah Wilkerson not that long ago. Wilkerson, the all time Missouri career scoring leader and leader of those Miller teams, was on the bench Monday night as an assistant coach for her alma mater.

The Purdy Lady Eagles dropped to 5-1 with the loss and will host Wheaton on Thursday, December 17.

Purdy scorers: Sami House, 14; Desirie Ennes, 9; Layne Skiles, 7; Rion Boyd, 6; and Zoe Brown, 4.

Miller scorers: Abby Gann, 19; Lynna Hadlock, 17; Shayne Mallory, 13; Jessica Estes, 9; and Dalyn Hadlock, 3.

Cassville falls to Neosho in home opener

Lee Stubblefield

Neosho came to Cassville on Friday night and won the battle of the Wildcats, scoring a 76-44 victory on the strength of a 23-0 run in the final period. It was a disappointing finish to Cassville's home opener and Barrett Milleson's first home game as Cassville's head coach.

Nine years ago, Jason Horn was the new coach on the block in southwest Missouri, taking over a Southwest program in disarray and slowly rebuilding the Trojans into a conference and district contender. Now, Horn is in his fourth season at Neosho and that program is gaining the same kind of momentum that his system produced at Southwest.

Cassville opened the game with a three-bucket outburst from Tyler Speakman to claim a 6-2 lead with 3:55 on the first quarter clock. Neosho grabbed the lead at 9-8 when Ethan Siler drilled a trey from the top of the key a minute later.

Even though it was early, that was the tipping point of the game. Milleson's troops would not lead again in the contest.

A Speakman free throw tied the game at 9-9, but Neosho pulled to a 13-10 lead to finish the quarter.

Both teams caught fire from the field in the second quarter. After Neosho built a 21-11 lead, Tyler Arndt

poured in three treys to lead Cassville to a 28-28 tie. But a Conner Johnson bomb helped Neosho to a 37-33 halftime advantage.

The third quarter was a scoreless affair until Devin Hames finished a Neosho fast break with a running teardrop to give the visitors a 39-33 lead with 5:36 on the clock. Noah Hadlow answered with a trey for Cassville, but Neosho's Siler and Lucas Werneke hit back-to-back threes to answer. Arndt threw in another bomb for Cassville to cut the lead to 45-39.

Neosho's Tanner Mitchell and Hadlow traded baskets, and Cassville trailed by 47-41 with less than a minute to go in the quarter.

The hometown Wildcats would not score again until the 2:36 mark of the fourth quarter as Neosho exploded

on a 23-0 run. A game that looked like it could turn Cassville's way turned into a running clock disappointment as Neosho took a 76-44 road win.

Cassville falls to 2-4 with the loss and will play at Carthage on Friday night. The next home game will be on January 5 when Cassville hosts Southwest. Neosho improves to 4-1 with the win.

Cassville scorers: Tyler Speakman, 12; Tyler Arndt, 12; Noah Hadlow, 8; Collin Pearman, 6; Chad Howerton, 3; Blake Gordon, 2; Allen Lambel, 1.

Neosho scorers: Ethan Siler, 18; Devin Hames, 16; Tanner Mitchell, 12; Lukas Werneke, 8; Connor Johnson, 6; Chris Lee, 5; Coleman Scott, 4; Tomuo Michael, 4; Jordan Sterling, 2; Brady Wise, 1.

Volunteers pack Share Your Christmas gifts

Volunteers converged on giant piles of toys on Tuesday morning at the United Methodist Church to load up bags like Christmas elves for children in the Share Your Christmas program. This year, OACAC's Share Your Christmas is giving to 138 different families with a total of 388 kids. Donations come from all over the community, and volunteers help to pack up the gifts for each child.

Pictured above, Darlene Cassity (left) and Bobbie Tucker (right) load up bags full of toys at the church.

FFA from 2B

mation on what FFA is all about," said FFA member Kobe Blisard.

The FFA hosted its annual Barnwarming for all FFA alumni and members with their families. On October 10, over 100 parents, students, and alumni members attended the event in the FEMA building. This activity was themed "Red-neck Yacht Club".

Competitions for barnwarming king and queen candidates were held. Activities included casting a washer on a fishing pole into a portable toilet, do-

nut eating off a fishing line, wheelbarrow race and tossing rings over plungers. After parents and alumni members left, from 7 p.m. to 9 p.m., FFA students had a dance party. "It was fun, and I cannot wait for the next one," said student Denny Wierman.

"We had tons of fun, and it was great for the members to see two of their officers get a whip cream pie to the face, for losing in the red-neck dressed competition for officers," quoted Kyle Cheek.

Southwest FFA goes to Silver Dollar City

The Southwest FFA took 30 students to Silver Dollar City. All of the students enjoyed the trip. Roller coasters and water rides seemed to be where the majority of students spent their time. The purpose of this trip was to promote more involvement with the FFA chapter. This trip was planned to show students that the FFA also has fun events and allow members to get to know each other. Luckily, the weather was nice which allowed members to enjoy their day at Silver Dollar City.

Locals start website just for Southwest Missouri moms

Charlea Mills

Two sister-in-laws started a special site just for moms in the area, and the response has been overwhelming. SouthwestMissouriMoms.com is a site created by Mindi and Kelli Artherton, two local moms with big hearts for others with little ones in the community.

SWMO Moms features a variety of useful pieces of information for moms in the area. Features range from

new recipes to interviews with local moms, kid-friendly event calendars, beauty and fashion tips and a weekly Sunday devotion. While the idea to start the website was random, according to Mindi, the reasoning shows the character of the two women. They started as a collaborative project with newmotherlode.com. Eventually, the women decided to do it on their own.

Mindi said, "We have a

heart for women in Southwest Missouri; we understand how hard it is to be a momma and a woman, and sometimes you just feel alone. SWMO Moms is a fun, informal site where moms can go to find a wealth of information and not feel so alone."

Reaching out was their way of helping others, while also being able to dedicate time to their families. Mindi and Kelly are married to brothers and each have children. Mindi and her husband, Robbie, have two children, Briley, 5, and Rhett, 1. Kelly is married to Jacob, have two children, Brooklyn, 6, Addison, 4, and one more girl on the way due in April 2016.

Mindi said, "We provide a place where moms can connect, educate themselves on health topics, not only for their kids, but for women, view a family friendly event calendar all in one place, register to win fun giveaways, a well as read an uplifting Sunday Devotion. We also feature several light-

hearted fun topics that we are al interested in, such as fashion advice, work-out tips, easy fast recipes and health and beauty advice. We update the site four to five times a week, so there is always something fresh and new for our readers, and something for everybody."

Neither of them expected to have such a positive response from so many people. They both knew this site was something on their hearts, but to know they are making a difference with other moms is priceless.

Mindi said, "We have truly appreciated our community getting behind this. We have both literally been in tears over the kind comments, heart-felt texts and encouraging Facebook messages. It made us realize how excited our readers were for this type of information. The encouragement has made us want to work that much harder to create an online hub for our fellow moms. Even 10 months later, we light up when somebody talks to us about the site."

The two sister-in-laws who stated SouthwestMissouriMoms.com are Kelli Artherton (left) and Mindi Artherton (right). Photo by Jeremy Huse.

That being said, the site is a collaborative effort. Mindi said, "We really strive to not make the site personal; it is not advice from Kelli and I. We are by no means perfect moms. We are right there with our fellow moms trying to educate ourselves and be the best we can be. However, once a month, we do write a personal blog post called "The Adventures of the A-Team." We are married to brothers and there are nine

children total in their family. As of today, we have 26 grandchildren and 11 great-grandchildren at the Artherton house. We felt like that was kind of unique, so we write about what it is like to raise your kids in a family this large."

SouthwestMissouriMoms.com will celebrate their one-year anniversary on February 21.

Barry County courts send 9 to prison in the month of November

• **Chritopher P. Amsden**, 41, of Nixa, pled guilty to resisting arrest. Amsden was sentenced to 60 days jail incarceration with credit for 60 days already served and to pay court costs.

On June 20, 2012, officers with the Monett Police Department were dispatched to the Harlin Fruit Company in Monett regarding fuel being stolen from a semi-truck. The suspects fled from the scene, but officers found their truck on 16th Street. When they approached the vehicle on foot, Amsden raced the motor of the truck, spun the tires and sped off, driving toward officers.

Amsden got stuck in a dry creek bed, knocking the diesel tank out. Officers also found methamphetamine in the truck.

• **Lee Howard Boyette**, 43, of Purdy, pled guilty to possession of a controlled substance and possession of a chemical with the intent to manufacture a controlled substance in 2010. Boyette's probation was revoked and he was sentenced to five years incarceration with the Department of Corrections of which he will serve 120 days of shock time.

In November 2008, Boyette got into a heated argument with his mother in which she threatened to call the Sheriff's Department. He told her not to because he had a methamphetamine lab

in the barn. When officers arrived, they found multiple chemicals used in the manufacture of methamphetamine as well as pill residue and drug paraphernalia.

Officers also found syringes of methamphetamine and more paraphernalia and methamphetamine precursor chemicals in his bedroom and vehicle.

• **Louis T. Briley**, 44, of Berryville, Ark., pled guilty to possession of a chemical with the intent to manufacture in 2012. His probation has since been revoked and he is to serve seven years incarceration with the Department of Corrections.

In January 2011, the Barry County Sheriff's Department was dispatched to 22394 Farm Road 2280 for a burglary in progress. When he arrived, Briley was inside the residence where he had removed a window screen. Just below the window were trash cans with materials consistent with the manufacture of methamphetamine. In Briley's bedroom of the residence was a pill grinder.

• **Anthony Dale Buck**, 46, of Purdy, pled guilty to possession of a controlled substance. Buck was sentenced to three years incarceration with the Department of Corrections of which he will serve 120 days shock time.

In September 2014, Buck pulled out in front of a tractor and trailer on MO 37, nearly

causing a collision. Buck then swerved onto the shoulder to allow the tractor to pass. Buck did not have a drivers' license because it had been suspended for alcohol. At the time, Buck was on probation for methamphetamine, and a baggie of methamphetamine and syringes were found in his vehicle.

• **TJ Eric Carter**, 27, of Shell Knob, pled guilty to burglary in the second degree. Carter was granted a suspended imposition of sentencing and three years supervised probation.

In February 2015, Carter broke into the Pizza Hut in Shell Knob. Carter said that he was unable to open the register and only gained \$10 from the drawer. He also got into the floor safe, which was unlocked, but it was empty. Carter was a Pizza Hut employee at the time.

Carter is to serve probation until November 18, 2018.

• **Chad Colba**, of Carthage, pled guilty to stealing leased or rented property. Colba was given a suspended imposition of sentencing and five years supervised probation.

In December 2014, Colba purchased two laptops, two Xbox Ones and a Playstation 4 from Payless Rental and Sales in Monett. Colba stopped paying for the merchandise and attempts to reach him when unanswered.

Colba is to serve probation until November 16, 2020.

• **Derek James Cole**, of Deltona, Fla., pled guilty to two counts of assault in the second degree - operating a motor vehicle while intoxicated resulting in an injury. In 2011. His probation has since been revoked and he is to serve 120 shock time of his 5 years incarceration sentence with the Department of Corrections.

Cole was initially arrested for an incident in 2009 when he crossed the center line on MO 39 south and caused a crash that injured two people who had to be transported by ambulance from the scene. Cole was intoxicated and was transported from the scene by air ambulance. Cole was driving while his license was revoked for a previous DWI in Florida.

• **Curtis Alan Collins**, 29, of Aurora, pled guilty to possession of a controlled substance in May 2015. His probation has since been revoked and he is to serve 120 days of shock time as part of his seven year incarceration sentence with the Department of Corrections.

In December 2015, the Missouri State Highway Patrol pulled over a vehicle in which Collins was a passenger for not having a rear bumper. Collins was in possession of methamphetamine when he was searched.

• **Harley Ray Davis**, 22, of Pierce City, entered an Alford plea for burglary in the second degree. Davis was given a suspended execution of a seven year incarceration sentence and five years supervised probation.

In January 2013, the Monett Police Department responded to a burglary at Monett Laundry. The surveillance showed Davis entered the laundry mat, attempt to break into a quarter game machine and then going into the restroom. He left the restroom with something in his arms. Marks on the wall indicated that Davis climbed the wall into the back room and stole \$400 worth of change.

Davis is to serve probation until November 16, 2020.

• **Justin T. Dumas**, 24, of Carthage, pled guilty to unlawful use of a weapon. Dumas received a suspend-

ed imposition of sentencing with three years supervised probation.

In June 2014, Dumas unlawfully entered the Rowdy Beaver in Cassville to engage in a fight with a man inside. Dumas jammed his finger in the victim's eye and pulled a knife, attempting to stab him. Dumas then threw a woman's phone before shoving her against walls, causing a cut on her arm.

Dumas is to serve probation until November 19, 2018.

• **Dakota Ray Dunham**, 22, of Union, pled guilty to sexual misconduct involving a child under the age of 15 as a first offense. Dunham was granted a suspended execution of a four year incarceration sentence and four years supervised probation.

In early 2015, Dunham took pictures of his genitals and sent them to a thirteen-year old girl on his cell phone.

Dunham is to serve probation until November 24, 2109.

• **Jessica M. George**, 26, of Seligman, pled guilty to two counts of possession of a controlled substance. George was granted a suspended execution of a five years incarceration sentence and will

serve five years supervised probation.

George's charges come from two separate incidents, one in September 2014 and the other in March 2015. In 2014, the Cassville Police Department was dispatched to Dollar General for a theft in progress. When officers searched the vehicle that George was riding in, they found a used syringe, a used Fentanyl patch and a spoon.

Then, in March, the Southwest Missouri Drug Task Force served a search warrant at a residence on Old Wire Road in Washburn. George was one of five suspects in the residence where they found multiple precursors to methamphetamine production, shake and bake meth labs and methamphetamine.

George is to serve probation until November 18,

2020.

• **Erica L. Gibson**, 29, of Aurora, pled guilty to theft/stealing any controlled substance. Gibson was sentenced to seven years incarceration with the execution of that sentence suspended in favor of five years supervised probation.

Gibson's case originated in Lawrence County and was moved to Barry County on a change of venue. Gibson's charges originated from December 2014 when the Aurora Police Department received a complaint that a bottle of Tramadol was stolen. The victim asked Gibson to pick up his prescription, but she never took them to him. When officers questioned her, Gibson said she tried to deliver the pills and the victim's sister got angry with her and asked her to leave, so she threw the bottle

in the yard and left. Gibson had three prior theft and stealing convictions.

Gibson is to serve probation until November 19, 2020.

• **Melissa Kay Holmes**, 33, of Aurora, pled guilty to burglary in the second degree and two counts of theft/stealing. Holmes was sentenced to four years incarceration with the Department of Corrections with the execution of that sentence suspended in

favor of four years of supervised probation.

Holmes charges come from two separate incidents, one in March 2015 and one in July 2015. In March, Holmes forced entry into a home and a storage building on State Highway C in Purdy and stole a laptop, Xbox 260, DVDs, clothing, a television cable box, tools and a tablet. Purdy Police Chief Jackie

**CONSCIOUS
SEDATION**

- It Really Works! You really can relax through your dental appointment.
- You will have little or no memory of the experience.
- Complex dental treatments that often require six to eight appointments, can be done in as little as one or two!
- People who have difficulty getting numb will find that sedation dentistry eliminates this problem.

Rep. Fitzpatrick endorses Rubio's presidential campaign

State Representative Scott Fitzpatrick (R-Cassville) has announced his endorsement of Marco Rubio's campaign for president. Rubio has received

the endorsement of 19 Missouri state legislators and U.S. Congressman Jason Smith (R-MO-8), the most endorsements of any Republican presi-

dential campaign in the state.

"The last seven years have seen a steady increase in the size and role of government, which have eroded personal freedom and placed the American Dream out of arms' reach for many people. The next president must be someone who has new, conservative ideas for solving our country's problems. Whether it is combatting ISIS terrorism, reforming the tax code to help working families, or making achieving a higher education more affordable, Marco Rubio has demonstrated he is the best candidate who has

conservative ideas to guide us into a new American century," Fitzpatrick said.

Speaker Todd Richardson, chairman of Rubio's campaign in Missouri, stated, "I am excited to have Representative Fitzpatrick join Team Marco in Missouri, and I look forward to working with him to build this effort in Missouri."

Fitzpatrick is serving his second term in the Missouri House of Representatives, where he serves as vice chairman of the House Select Committee on Budget.

FELONIES from 9B

Lowe found Holmes and another person carrying the items away from the home.

In July, Holmes filled a blue tote with items at the Monett Walmart and then walked out without paying for them. The value of the items was over \$500.

Holmes is to serve probation until November 24, 2019.

• **Michael Payne Huston**, 37, of Garfield, Ark., pled guilty to theft/stealing and possession of a controlled substance. Huston was granted a suspended imposition of sentencing and five years supervised probation.

In June 2013, Huston stole several radiators from vehicles on a property on Farm Road 2300 in Seligman. When arrested, Huston was in possession of a glass pipe in his truck that tested positive for methamphetamine.

Huston will serve probation until November 16, 2020.

• **Chelsey D. Kinkead**, 19, of Aurora, pled guilty to possession of a controlled substance and three counts of endangering the welfare of a child in the first degree. Kinkead was granted a suspended imposition of sentencing and five years supervised probation.

On June 8, 2015, Kinkead was found to be in possession of marijuana and a syringe of methamphetamine by the Wheaton Police Department. The drugs were in her home with three children under the age of 17.

Kinkead is to serve probation until November 25, 2020.

• **Anthony M. R. Merritt**, 26, of Cassville, pled guilty to burglary in the second degree. Merritt was already on probation from guilty pleas in 2012 to three counts of property damage in the first degree and two counts of burglary in the second degree. Merritt's initial charges varied for four to six years incarceration on each charge. He was sentenced to two years incarceration with the Department of Corrections on the most recent burglary charge.

On March 21, 2012, Merritt was questioned about a burglary at Lucky Strike earlier that month. Merritt admitted to cutting the wires of a security camera and the phone wires. Merritt could not pry open the doors at

Lucky Strike, but admitted to breaking into Thorco, as well. Merritt also broke into an RV parked inside Ken's Collision Center where he stole clothing and other items as well as causing damage.

Then on September 28, 2015, Merritt broke into Barry County Ready-Mix by breaking in a window. He stole a flashlight and charger as well as an air-chuck. Officers with the Cassville Police Department matched Merritt's shoes with a print left on the desk as well as bicycle tire tracks that matched his bicycle.

• **Cody Lane Oplinger**, 25, of Seligman, pled guilty to two counts of possession of a controlled substance. Oplinger was sentenced to four years incarceration with the Department of Corrections.

In September 2014, the Missouri State Highway Patrol found Oplinger's car parked on the Big Sugar Creek bridge illegally. Oplinger and his passenger were found hiding in brush in the woods. When officers searched the car, there were two baggies of methamphetamine in an empty cigarette box in the front seat.

Then, in October 2015, Oplinger was fleeing from law enforcement when he hit a tree near Wheaton. Oplinger fled on foot before being taken into custody after he was found hiding in a barn. Oplinger had a glass meth pipe in his car.

• **Joshua Lee Quick**, 28, of Stroud, Okla., pled guilty to possession of a controlled substance. Quick was granted a suspended imposition of sentencing and four years supervised probation.

Quick's charges originated in November 2014. Officers with the Cassville Police Department found a car parked with the passenger slumped over in the seat. Quick then drove off before officers pulled him over. Drug paraphernalia was seen in the vehicle and Quick admitted to

using it to take Diladid.

Quick is to serve probation until November 16, 2019.

• **Clay A. Richardson**, 44, of Aurora, pled guilty to DWI-Alcohol and driving while revoked or suspended. Richardson was sentenced to three years incarceration with the Department of Corrections with the execution of that sentence suspended and four years supervised probation.

Richardson was found passed out behind the wheel of a crashed pickup on Farm Road 2020 in Aurora. Richardson was heavily intoxicated at the scene and also admitted to smoking marijuana. Richardson's drivers' license had been revoked for a ten-year minimum denial. The damage to the fence he hit included 28 fence posts before he stopped. His blood alcohol content was .306 percent. He was also found to be in possession of marijuana.

Richardson is to serve probation until November 25, 2019.

• **Devin Wade Rust**, 25, pled guilty to possession of a controlled substance, distribution of marijuana and delivery of a controlled substance to a jail. Rust was granted a suspended imposition of sentencing, must enter CRISP and will serve supervised probation for five years.

In August 2014, Barry County jailers discovered four bundles of marijuana behind the jail. Officers confiscated the drugs, created decoys and set up a camera to find the suspects. When Detective Henry served a search warrant on Rust, he was found to be in possession of marijuana, glass methamphetamine pipes and part of the wrapping from the decoys at the jail. The car also matched the one on the game camera.

Rust is to serve probation until November 19, 2020.

• **Donna M. Shelley**, 33, of Monett, pled guilty to theft/

stealing. Shelley was granted a suspended imposition of sentencing and two years unsupervised probation.

In June 2013, Shelley used someone else's debit card at Casey's General Store in Monett. Shelley did not have the card owner's permission and signed someone else's name to the receipt.

Shelley is to serve probation until November 16, 2017.

• **Jared Lee Sheridan**, 24, of Aurora, pled guilty to assault in the second degree – operating a motor heavily while intoxicated resulting in an injury. Sheridan received a five year incarceration sentence of which he will serve 120 days of shock time.

On April 2, 2013, Sheridan hit another vehicle head-on, causing serious injuries to the other driver. The crash occurred in Lawrence County on Business 60 and was moved to Barry County on a change of venue. According to a witness, he believed Sheridan to be driving over 100 miles per hour. Sheridan was on hydrocodone at the time of the crash.

• **Moises Felipe Stratton**, of Crane, pled guilty to possession of a controlled substance. Stratton was granted a suspended imposition of sentencing and will serve four years supervised probation.

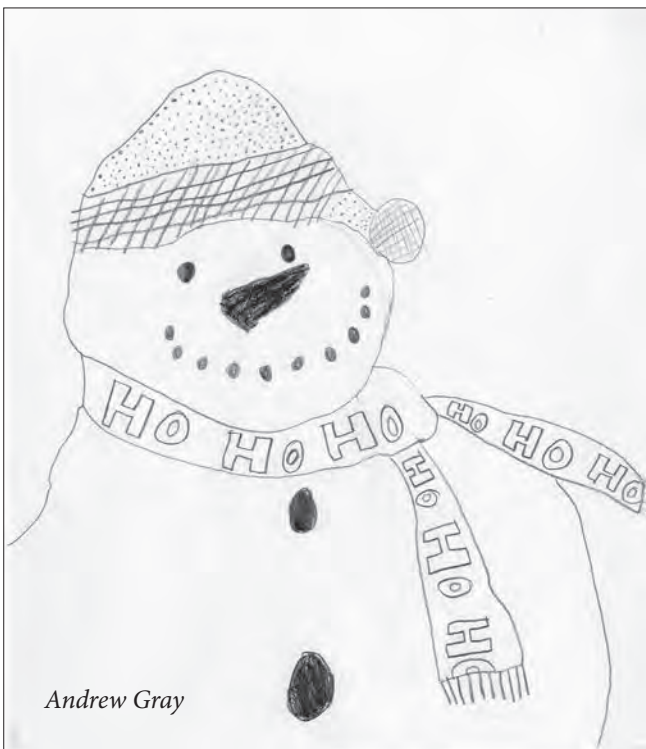

On March 17, 2015, Stratton was the passenger during

a traffic stop. Stratton was in possession of a marijuana pipe, a methamphetamine pipe and vicodin.

He will serve probation until November 16, 2019.

• **Mark A. Voiers**, of Lyndon, Kan., pled guilty to pos-

session of a controlled substance. Voiers was sentenced to four years incarceration with the Department of Corrections.
