### SOURCE OF FIRE UNDER INVESTIGATION

Charlea Estes

A Cassville attorney's office burned in the early morning hours of Friday, December 9. The fire at J. Michael Riehn's Law Office, which was reported at 2:35 a.m., burned down most of the building with the west side suffering the most damage.

The Cassville Fire Department was on the scene at the office at 301 W. 8th Street until around 12:30 p.m. Crews from Exeter and Butterfield Fire Departments assisted at the scene, as well as the Cassville Police Department.

Riehn's law practice is still open, despite the fire. "We're in a temporary location until we can rebuild, but we are still open," said office manager Shelly Riehn.

She added they plan to rebuild in the same location.

According to Barry County E9-1-1 director Mike Phillips, the 9-1-1 call came in at 2:35 a.m. and Cassville Police were on the scene by 2:39 a.m. Cassville Fire was on scene at 2:49 a.m. and stayed until the blaze was under control a little after noon.

The Missouri State Fire Marshall was also there Friday until noon, and the fire is currently under investigation, according to Cassville Fire Chief Millard Andrews.

Shelly Riehn stated, "All of the fire departments, Cassville, Exeter and Butterfield, were so wonderful. They were just awesome."

The Law Office of J. Michael Riehn will be at Dr. Chip Kammerlohr's veterinary clinic until further notice. The clinic is located at 3200 County Farm Road Suite A in Cassville.

The law Office of J. Michael Riehn, located at 301 West 8th Street in Cassville, caught fire sometime before 2 a.m. on Friday, December 9. Cassville Fire, along with Exeter and Butterfield Fire Departments, battled to extinguish the blaze until 12:30 p.m.

## Seligman Police Department arrests two for alleged meth dealing

### VERBAL ALTERCATION CALL LEADS TO VEHICLE SEARCH

Charlea Estes

The Seligman Police Department arrested two people at a residence on Highway 37 on Friday, December 2, after being called for a verbal altercation at the property. When officers arrived, Seligman Police Chief Terry Burgess detained three people and ended up arresting two of them. Vanessa Marie Ramos, 28, of Washburn, and Dustin Ray Oxford, 32, of Seligman, were arrested and held in the Barry County Jail. Barry County Prosecuting Attorney Amy Boxx charged Ramos and Oxford with distribution of a controlled substance.

According to the affidavit of probable cause, Chief Burgess detained Ramos on a warrant out of Benton County, Ark., for burglary. When Burgess requested permission to search Ramos' vehicle, she denied him, saying the car was her mother's. However, Ramos' mother provided written consent to search the vehicle.

Officers from Benton County, Ark., had a narcotics dog on the scene, that indicated the presence of drugs on the driver's side door. When officers searched, they discovered clear plastic baggies with white residue on the floor between the driver and passenger seats. The baggies tested positive for the presence of methamphetamine.

Continuing to search the vehicle, officers located of a backpack in the rear passenger compartment that had a black container inside. The container had 11 unused baggies, a glass smoking pipe, a spoon with residue and \$280 in U.S. currency. There was also a digital scale with white powder residue inside the backpack.

Ramos posted bond and was released from the Barry County Jail last week. Oxford is still being held in the jail in lieu of a \$45,000 bond.

## Retirement party slated for Sheriff

Charlea Estes

A retirement party is planned for late December to thank Barry County Sheriff Mick Epperly for his years of service to the county.

The party is scheduled for Wednesday, December 28, from 2 p.m. to 4 p.m. at the Barry County Judicial Center. The event will give the people of Barry County the opportunity to wish Epperly well and thank him for his years leading the Sheriff's Department.

Epperly has served as Sheriff for 20 years. He made the announcement to his deputies and staff that he would not be seeking reelection for a sixth term in early February. At that time, Epperly said that while the decision was a hard one for him to make, it was time for him to move on.

During his meeting he told his staff, "I think we made Barry County a better place to live." He continued, "It's been quite a ride."

Those wanting to attend Epperly's retirement may RSVP to Kathy Emo at (417) 847-6556 or administration@barrycountysheriff.com. Judicial Center rules will apply at the celebration: no bags, purses or cell phones will be allowed, but cameras will be.

**BETTY PEARL MCCRACKEN**

Betty Pearl McCracken, 87, went to be with her heavenly Father on Wednesday, December 7, 2016, at 11:52 p.m.

Betty was the oldest daughter in a family of six children. She was born in Reydon, Okla, on April 7, 1929, to Fred and Grace Moeller.

Betty married her best friend, Bill McCracken, on August 23, 1947, in Exeter. The two celebrated almost forty-eight years of marriage before Bill went home to Heaven. Betty is also preceded in death by her beloved son, Carl “Spud” McCracken; her parents, Fred and Grace Moeller; and two of her brothers, John and Wayne Moeller.

Undoubtedly a hard worker, Betty dedicated many years of her life to Jumping Jack Shoe Factory and to Justin Boots. She also worked alongside her son, Dale, and his wife, Janice, many years.

Betty leaves behind many family members, all of whom are elated to know that she is now resting in the arms of Jesus. Included are her son, Dale “Gizmo” McCracken and his wife, Janice; her daughter, Dottie Tallon, and her husband, Gerald; daughter-in-law, Janell McCracken Brattin; six grandchildren, Sjana, Donnie, Staci, Scotty, Mandy and Cassie; nine great-grandchildren, Presley, Steven, Cody, Cade, Jaylen, Carson, Bronc, Brimley and Raeley; sister, Lois Madison and husband, Jack; and two brothers, Glen Moeller and wife, Geneva, and Fred Moeller and wife, Carroll.

Betty was an amazing mother, proud grandmother

and a kind-hearted friend. She lived a life of honor and led by example a life of hard work and love. Betty was a perfect combination of strength and tenderness. Her signature smile and witty humor will be greatly missed by all that knew and loved her.

The homecoming celebration was held at 11:00 a.m., Monday, December 12, 2016, at Wheaton First Baptist Church in Wheaton. Interment was at Muncie Chapel Cemetery.

The Family received friends from 6:00 to 8:00 p.m., Sunday, December 11, 2016, at McQueen Funeral Home in Wheaton.

Contributions may be made to Power of Pink Walk in memory of Betty.

## Highway Patrol urges driving caution with weather change

Missouri’s weather forecast changes regularly, especially when winter is approaching. Depending on where you live in Missouri, the weather may be sunny, foggy, or include rain, hail, sleet, ice, or snow! The Missouri State Highway Patrol encourages motorists to plan ahead and drive safely or not at all during inclement weather. Winter weather will affect driving conditions and traffic patterns. Please remember to buckle up, stay alert, be courteous, and obey all traffic laws.

Section 304.012 RSMo. directs motorists to exercise the highest degree of care while driving on Missouri’s roadways. When inclement weather hits, please adjust how you drive, so that you continue to “exercise the highest degree of care.” For instance: Stopping quickly in the winter on snow-covered or icy roads is next to impossible. Use care by increasing your following distance as you drive. Ask yourself if the speed you’re traveling is safe for the weather conditions. Slow down when driving in snow or on ice. Driving the speed limit may not be “exercising the highest degree of care” during inclement weather; driving over the speed limit never is.

Take time to make sure your vehicle is in good work-

ing condition before winter arrives and before you travel. The Missouri State Highway Patrol suggests keeping your fuel tank at least half full. Place an ice scraper, tire chains, battery booster cables, blankets, extra coats, gloves, water, non-perishable food, flashlight, and a bag of sand or cat litter in your trunk. Emergencies cannot be predicted, but planning ahead can help you if one should arise. Missouri’s Road Condition Report (1-888-275-6636) can help you plan your route--before you leave. You may also view MoDOT’s Road Condition Map by going to the Patrol’s website [www.mshp.dps.mo.gov](http://www.mshp.dps.mo.gov) and clicking on the Road Condition icon. When road conditions become slick from ice and snow the Patrol encourages motorists to refrain from driving unless absolutely necessary.

Take the time to make sure the windows are completely cleared to ensure visibility. Clear your driveway so that your vehicle enters the roadway safely. Allow extra driving time for you to reach your destination at a slow, safe

speed. Remember: Missouri law states if you’re using your windshield wipers, your headlights must be turned on. It takes only a second to turn on your vehicle’s headlights. That second could make you more visible to other drivers and prevent a traffic crash.

If you have a cell phone, make sure it’s fully charged and with you when you travel. Please do not use your cell phone when you are driving; park your vehicle well off the roadway or in a parking lot before placing a call. The Missouri State Highway Patrol emergency number is 1-800-525-5555 (or \*55 on a cellular phone). These numbers ring at the nearest troop headquarters.

The only 100 percent survivable traffic crash is the one that never happens. Make sure everyone in the vehicle is properly restrained in a seat belt or child restraint. Every day as we travel on Missouri’s roadways, we trust that every driver on the road is going to obey the speed limit, pay attention, and drive sober. “Don’t Violate The Trust.”

## Cassville PD: Drive sober or get pulled over

Local police will be out in full force as part of the annual statewide Holiday DWI “Drive Sober or Get Pulled Over” substance-impaired driving campaign. The campaign, which will include high-visibility enforcement throughout Cassville MO, will run from December 15, 2016 – January 1, 2017.

The effective nationwide substance-impaired driving campaign will include high-visibility enforcement and will be supported by national paid advertising, creating a comprehensive campaign to curb substance-impaired driving over the Holiday DWI “Drive Sober or Get Pulled Over” campaign period from December 15, 2016 – January 1, 2017.

Cassville Police Department said its officers will be aggressively looking for substance-impaired drivers during the crackdown and will arrest anyone caught driving impaired.

Although it is illegal in all 50 States, the District of Columbia and Puerto Rico to drive impaired (having a blood alcohol concentration of .08 or higher), far too many people across the nation get behind the wheel

after consuming too much alcohol. The latest statistics from the National Highway Traffic Safety Administration underscore the serious nature of the nation’s continuing drunk driving epidemic.

“Every year, about one third of all motor vehicle traffic deaths involve one or more substance-impaired drivers or motorcycle operators,” said Chief Dana Kammerlohr. “Data indicates in 2015, 197 people were killed on Missouri’s roadways in crashes that involved at least one substance-impaired driver.” That works out to approximately one substance-impaired driver involved fatality every 1-3/4 days.

Chief Kammerlohr added the Christmas and New Year’s Eve Weekend is particularly dangerous. During the Holiday DWI “Drive Sober or Get Pulled Over” campaign December

18, 2015 – January 3, 2016, eleven (11) people were killed and twenty-five (25) seriously injured involving at least one substance-impaired driver.

“Research has shown that high-visibility enforcement like the ‘Drive Sober or Get Pulled Over’ campaign reduces substance-impaired driving fatalities by as much as 20 percent. By joining this nationwide effort, we will make Cassville’s roadways safer for everyone throughout the holiday,” said Chief Kammerlohr.

“We want to remind everyone that getting behind the wheel impaired is a terrible idea. Unfortunately, not only does being under the influence impair your ability to operate a vehicle safely, it also impairs your judgment and good sense about whether you can, or should drive. If you have any doubt about your sobriety, do not get behind the wheel. If you

# Tranquil Transformation massage is a whole body experience

*Charlea Estes*

Going in for a massage is a relaxing experience. It calms the body and the mind and can alleviate aches and pains that plague us from daily life. However, at Tranquil Transformations in Purdy, massage goes far beyond a 60-minute session. Massage therapist Wendy Cairus wants to help people on a holistic level.

Cairus has been a massage therapist for 13 years. She went to school in Davenport, Iowa, at the Institute of Therapeutic Massage and Wellness to learn specific techniques to help a variety of issues in her clients. While she went to school for her trade, massage is something that she has naturally always done.

She stated, "I've done this since I was a child. I would

be massaging feet and shoulders during the holidays and at birthday parties. It made sense for me to go into it."

Working from home allows Cairus to help her clients on their own timetable. She says it gives her the ability to work more closely with people and focus on their individual needs. "I want to give extra attention if they need it, and I like to be able to work with people on a sliding scale if they need it."

A home office allows Cairus to be client-focused, which is her style of massage therapy. She said, "It can be more about numbers, not the people. I am a people person, and that is why I do this."

That also allows her to be flexible and offer sliding scale payments. "I want it to be about the individual person.

See how you can truly impact a person's life and health is worth it. So all prices are subject to the person's ability to pay." Typically, an hour-long session is \$50. She also offers different session lengths depending on what someone needs.

Being able to cater a session to an individual is especially helpful for Cairus' holistic approach. In each session, she talks about supplements like magnesium, nutrition and hydration to ensure she is effective. She said, "I've even offered to take people grocery shopping to show them how they can eat organic for what they pay now. It can be done."

She also said, "What I do isn't going to impact you the same way if you're not taking care of yourself."

Massage therapist and owner of Tranquil Transformations Wendy Cairus is pictured above.

She added that roughly 90 percent of people are dehydrated and a lot are deficient in magnesium. "Magnesium is an all natural muscle relaxer," she explained.

Her techniques have also offered her opportunities through sub-contracting. She said, "I sub-contract for someone out of New York, and I've massaged a lot of people because of that." As concert circuits go through, it isn't uncommon for Cairus to be called to work on singers, musicians or their dancers. She said she has worked on Eric Church in the past. She has also worked on backups for Kenny Chesney, Carrie Underwood and others. She goes on site to their venue and offers her services, which is an exciting opportunity.

To take her care to another level, Cairus is also studying to be a naturopath. While she was in massage therapy school, she learned a lot of techniques that typical massage therapy schools don't necessarily offer, including reflexology, aromatherapy, shiatsu, kinesiology, acupuncture and pregnancy techniques.

Cairus said she wants to learn as much as she can to help people as much as she can. "I've seen such a turnaround in some people who really put in the effort. That is why I'm going back to school to be a naturopath."

She continued, "There is so much that goes into being a human. It's nutrition and spiritual, just so much that goes into who you are."

For more information, you can reach Tranquil Transformations at (417) 669-3424. Cairus's home is located off HH Highway, outside of Purdy.

Sgt. Donald Privett noted that being arrested for driving under the influence of any substance brings a wide range of negative consequences into one's life. Substance-impaired drivers face jail time, loss of their driver licenses, and steep financial consequences such as higher insurance rates, attorney fees, court costs, lost time at work, and the potential loss of job. When family, friends and co-workers find out, violators also often face tremendous personal embarrassment.

"Driving while impaired is simply not worth the risk. So don't take the chance. Remember, we will be out in force and we will be watching, so 'Drive Sober or Get Pulled Over,'" said Sgt. Privett.

# Brattin Insurance closes, sells to Security

Charlea Estes

After 42 years, family-owned and operated Brattin Insurance is closing its doors and is selling to Security Insurance. The switch will take place on January 1, 2017.

Brattin Insurance co-owner Jan (Brattin) Massey said the switch is due to her mother's declining health. She said, "I need to retire in order to take care of my mother."

Brattin Insurance opened its doors in 1974. When original owners the late Leroy and Sue Brattin retired in 1998, the company carried on under the ownership of Stan Brattin and Massey and Rhonda Savage. Stan retired in 2003 due to medical reasons, and Rhonda and Jan operated the business on until now.

Rhonda will be taking a position at Security Insurance to continue serving their customers.

Massey began working for her parents in 1988, and she said she will miss the business. "I'll miss visiting with my friends I've made

Pictured above, from left to right, are: Rhonda Savage, Jeanette Barber and Jan Massey.

over the 29 years I've been here."

Brattin Insurance already mailed letters to their customers letting them know the switch would be taking place. Since, many have stopped by to tell the Brattin staff their goodbyes.

She continued, "We've had a lot of people calling and coming by and thanking us for advising them and teaching them a little

about insurance."

Jeanette Barber, who manages Security Insurance, said service for customers should be seamless. She said, "What we do best is customer service. We take care of our customers and go above and beyond."

Massey said, "Everything should transfer smoothly. They had a lot of the same companies we had, and the policies will just transfer from Brattin to Security."

Barber said, "We will be getting their companies with the purchase, so it will just roll over to us. Their policies will remain the same."

She added, "We have a lot of different companies and even more now that we

are getting Brattin. If someone has a rate increase, we will check all of our companies and make sure they are getting the lowest rate, just as before. We have always done that."

Brattin Insurance policies will transfer to Security Insurance on January 1. Security Insurance is located at 1310 Old Highway 37. They are open Monday through Friday from 8:30 a.m. to 4:30 p.m. They can be reached at (417) 847-8384.

Security will hold an open house on December 30 from 1 p.m. to 3 p.m. to meet new customers and congratulate Jan on her retirement.

# Purdy's Wolf participates in Concordia concerts

Emily Wolf, of Purdy, participated in four Christmas at Concordia concerts.

Emily was part of the Christmas at Concordia weekend Dec. 2 through 4, 2016, which included three events as part of Concordia University, Nebraska's annual Christmas celebration: Christmas at Concordia concerts, a community open house and Christmas tree lighting, and the Scholarship Parade of Homes.

Four Christmas at Concordia concerts brought more than 3,000 Concordia students, faculty and staff, alumni and community members to St. John Lutheran Church near campus. The concerts featured the Women's Chorale, Male Chorus, Concordia Handbell Choir, University Brass Ensemble, University A Cappella Choir and University Symphonic Band.

Scripture readings, original music from Concordia faculty and traditional hymns that invited congregation participation were part of the celebration. Songs included "Hark! The Herald Angels Sing," "Angels We Have Heard on High," "O Savior of Our Fallen Race," and "A Stable Lamp is Lighted," among others.

annual community Christmas open house, made possible through the generous support of Cattle National Bank & Trust Co., on Dec. 4 in the Cattle Conference Room of the Janzow Campus Center. The reception included Christmas music and decorations and holiday-inspired refreshments.

The open house also included the traditional Christmas tree lighting near the university's Holthus Family Plaza just north of the Janzow Campus Center. The lighting of the tree was sponsored by Concordia University, Nebraska, and Cattle National Bank & Trust Company. Community members are invited to visit the Christmas tree in the plaza at any time.

The 22nd annual Scholarship Parade of Homes featured homes owned by Marlin and Marge Burkey, Jay and Tami Ferris, Rob and Julie Hermann, Tim and Rita Hughes and Nathan and Heather Myers. All homes have unique structural and design elements and are decorated in celebration of Christmas. The Scholarship Parade of Homes has raised more than \$65,000 in cumulative scholarship funds since it began in 1995.

## Walnut Grove trips Purdy girls

Lee Stubblefield

The Walnut Grove Lady Tigers won a tough road contest at Purdy on Thursday night, downing the Lady Eagles, 61-58.

Purdy lost despite a 21-point performance by junior Layne Skiles. Sami House also reached double figures for the Lady Eagles, scoring 15. Nine of House's points came from beyond the arc.

A 19-19 first quarter showed just how evenly matched these two teams were. The Grove pulled ahead at halftime by 5, and squeezed a 14-13 third quarter for a 49-43 lead at the final break. A 15-12 fourth quarter wasn't enough for the Lady Eagles.

Purdy pulled within two points and had possession with eleven seconds remaining, but could not finish the comeback.

It was Purdy's first loss of the season. Walnut Grove had lost previously only to Strafford. Both teams now own 4-1 records.

Purdy scorers: Layne Skiles, 21; Sami House, 15; Devyn Callahan, 9; Cailyn Spears, 6; Hallie Henderson, 3; Rion Boyd, 2; Zoe Brown, 2.

The Lady Eagles bounced back with a 59-47 win over Crane on Saturday at North Arkansas College in Harrison. Purdy raced to a 23-4 first quarter lead enroute to improving to 5-1 on the season.

## Cassville Wildcats beat Galena, 65-54

Lee Stubblefield

The Cassville Wildcats twice built big leads, and withstood a late Galena rally to earn a 65-54 home win over the Bears on Tuesday, December 6. Collin Pearman scored a game-high 23 points to lead the Wildcats.

The first real cold weather of the winter season kept attendance down, but the diehard crowd was treated to some real Cassville basketball. The Wildcats shot out to an 11-4 lead midway through the first quarter. Pearman drove to the rim to open the scoring, and his halfcourt steal and uncontested layup

gave Cassville a 7-point lead with 4:25 on the clock.

Pearman scored twice late in the period, Trey Dalton buried a long trey, and Solomon Rainey scored with an assist from Hoppes as the 'Cats claimed a 22-7 lead at the first break.

Another Pearman basket opened the second quarter, but Galena answered with a 14-4 run. Coby Sartin and Dallas Besparat hit back to back threes, and Austin Holt finished a drive with a finger roll to pull the Bears within 7 at 28-21. Cassville maintained that differential at halftime, 33-26.

Ethan Hoppes drained two bombs in the first minute of the third quarter as Cassville reclaimed a double-digit lead at 39-29. Galena fought back, and cut the lead to 43-38 with 1:22 left in the quarter when Blake Batson dropped a three from the top of the key.

But the Wildcats responded. Rainey hit one of two free throws, Pearman grabbed a defensive board and raced the length of the court to score, and then Hoppes threw in a moneyball at the buzzer to give Cassville a 49-39 lead at the final break.

Pearman scored three times in a dizzying 10-0 Cassville run and put the game away to open the fourth quarter. Even though Galena finished with a 15-4 burst, the Wildcats remained in control.

Cassville scorers: Collin Pearman, 23; Ethan Hoppes, 21; Solomon Rainey, 7; Trey Dalton, 5; Austin Wilson, 5; Skyler Wolf, 2; Luke Lowery, 2

Galena scorers: Coby Sartin, 18; Austin Holt, 9; Blake Batson, 7; Dallas Besparat, 7; Cameron Caulfield, 6; Caleb Seaman, 4; Logan Stewart, 3

## Lady Wildcats best Reeds Spring, 50-20

Lee Stubblefield

Chris Shore was a little concerned about Monday night's home game against Reeds Spring.

"They are much improved," he said, nodding toward the Lady Wolves.

But so were the Lady Wildcats.

Reeds Spring came to Cassville sporting a 3-2 record, the same record as Shore's girls. But Madi Stokes took over this game early, and led Cassville to a 50-17 lead at the end of the third quarter. With a running clock, liberal substitutions, and a smattering of non-shooting fouls, the final quarter drained with only three Reeds Spring points added to the scoreboard.

Stokes scored the first

points of the game to set the tone. Hallie Long added three first quarter baskets as the Lady Wildcats built a 16-6 lead at the break. Stokes added a pair of baskets before half and then scored 10 points in just five minutes of the third period. She finished with a game high 18 points.

The Lady Wolves could never solve the Cassville zone, and were never in the game after halftime. The entire third quarter was a dominating 23-1 Cassville run.

The Ladycats improved to 4-2 with the victory.

Cassville scorers: Madi Stokes, 18; Hallie Long, 12; Kandace Wallace, 12; Audra Brooks, 3; Ashlynn Howe, 1.

# Marionville Comets defeat Southwest, 58-37

Lee Stubblefield

The Marionville Comets, just six days removed from winning their own tournament, streaked into Washburn on Friday night and burned a 58-37 contrail into the Southwest scoreboard. The Comets never trailed, and led by as many as 34 points in the third quarter before pulling back to a clock-killing four-corner offense.

Levi Doyle led the Comets with 19 points, including a bevy of back-breaking treys. Adam Ramirez, wearing the same #23 as Doyle, scored 16 for the Trojans.

Doyle opened the game with a three-ball from the left corner, and his second bucket at the 5:10 mark gave Marionville an 8-0 early lead. Ramirez finally got Southwest on the board but the visitors pushed to an 18-7 lead at the first break.

The Comets went wild in the second quarter, outscoring the Trojans 24-6. While

Southwest's only points of the period came off treys by Ramirez and Devon Resz, Marionville's balanced attack scored at will. The Comets owned the boards and the Marionville guards keyed the fast break offense with steals. Aaron Head snagged an offensive rebound and scored at the buzzer to give the Comets a 42-13 halftime lead.

The lead ballooned to 34, but the Trojans clipped the margin to 52-24 when Paton Clay scored the final two baskets of the third quarter. Marionville's aggressive defense fouled often during that stretch, and the Trojans earned the bonus while only committing a single foul in the period.

There was no running clock, but the Comets melted time with their four-corner delay game. Southwest took advantage of some sloppy play to pull within 21 points when Resz canned a trey with 1:54 remaining. But Marionville ran out the remaining time to claim the 58-37 victory.

Southwest scorers: Adam Ramirez, 16; Paton Clay, 13; Devon Resz, 6; Landon Wright, 2.

Marionville scorers: Levi Doyle, 19; Aaron Head, 9; Josh Goodman, 7; Nick Dean, 6; Matthew Bowling, 6; Gavin Stanton, 5; Cole Brown, 4; Dominick Clevenger, 2.

ReStore giving back to community with grocery giveaway

Charlea Estes

The Cassville Habitat for Humanity ReStore is holding a grocery drawing to thank the community for the support they receive during the year. ReStore manager Sharon Schacht said the giveaway items were provided by employees and volunteers to give away around Christmas.

Schacht said, "The community has given so much to us through donations. We just wanted to give back to them."

Anyone visiting the ReStore can put their name in a drawing for the grocery giveaway. The drawing will be held on Thursday, December 22, so the winner can get their gift before Christmas.

All of the donations of items to the ReStore goes to fund the building of Habitat for Humanity homes in the Cassville area. Without community support, Schacht said it wouldn't be possible. When people donate items, they are sold in the ReStore and all proceeds benefit the Habitat for Humanity projects.

Habitat for Humanity employees and volunteers are pictured above with the grocery giveaway drawing box. From left to right: Carol Ledenham, Charlie Klepper, Sherry Uhl, Bobbi Dowling and Sharon Schacht.

The ReStore has been in operation for over ten years to fund the building of homes for area residents in need. Habitat is beginning construction on their sixth home soon on a double lot on 8th Street.

Habitat for Humanity is a Christian outreach ministry that was created to make a way for everyone in the world to have a decent place to live in with the partnership and cooperation of the communities.

If applicants meet income and employment guidelines, they are able to purchase the home with no-interest payments as long as they commit to a certain a number of labor hours to build the home.

The Cassville ReStore is open Wednesday through Friday from 9 a.m. to 5 p.m. and Saturday from 9 a.m. to 3 p.m.

To sign up for their grocery drawing, stop by the store. The drawing will be held on Thursday, December 22.

# Rural Development partners with lenders to provide homes

USDA Rural Development Missouri State Director Janie Dunning today acknowledged the importance of lender partnerships to the success of the Guaranteed Rural Housing Loan Program. In fiscal year 2016, 4,927 Missouri families purchased homes through the program, resulting in an investment of \$573,979,543 in rural communities throughout the state.

“Partnerships with local lenders are essential to our ability to help Missourians achieve their homeownership dreams,” said Dunning. “These lenders have made a valuable contribution to the development of rural areas. Without their willingness to participate in the GRH Program, many people may have

not been able to purchase a home. We appreciate the many lenders utilizing our Guaranteed Loans across all programs.”

USDA Rural Development partners with local lenders to extend 100% financing opportunities to rural individuals and families. The federal government agrees to “guarantee” the loan, therefore reducing lender risk when making mortgage loans. The end result is more buyers achieving the dream of homeownership with affordable and attractive terms with assistance from Rural Development.

Over 70 lenders participate in the Guaranteed Rural Housing Loan Program in Missouri. These lenders work closely with applicants in rural communities to purchase homes to shelter their families. To celebrate the hard work of our lender partners, we recognize those lenders closing over 100 loans during the fiscal year. Lenders reaching this milestone during the fiscal year include:

These lenders closed 1,638 loans in Missouri with total loan amounts exceeding \$192 million, making up 33% of total guaranteed loans for the year. Their efforts, along with all our partner lenders, are recognized for helping foster rural homeownership in the state.

Further information on rural programs is available by visiting the USDA Missouri Rural Development web site at <http://www.rd.usda.gov/mo> or by contacting your local Rural Development office.

President Obama’s historic investments in rural America have made our rural communities stronger. Under his leadership, these investments in housing, community facilities, businesses and infrastructure have empowered rural America to continue leading the way – strengthening America’s economy, small towns and rural communities.

USDA, through its Rural Development mission area, has an active portfolio of more than \$214 billion in loans and loan guarantees. These programs are designed to improve the economic stability of rural communities, businesses, residents, farmers and ranchers and improve the quality of life in rural America.

## Ozark Festival Orchestra performance Dec. 18 in Monett

The Ozark Festival Orchestra will continue its 37th season with a Christmas concert at 3 p.m. on Sunday, Dec. 18, at the Monett High School Performing Arts Center.

Director Todd Borgmann announced that this will be a concert of seasonal favorites, featuring two vocal soloists from last year's "Messiah" concert, soprano Robin Braun and tenor Andrew Jones.

The concert will include a medley of holiday favorites offered in a sing-along. Andrew Jones will sing "Believe" from the film "Polar Express" and "O Holy Night." Robin Braun will sing a medley of Christmas favorites, and Schubert's "Ave Maria." The orchestra, under Borgmann's direction, will play a suite of music from the film "Polar Express," Leroy Anderson's "Christmas Festival," featuring favorite carols and tunes of the season, an arrangement by St. Louis Pops director Richard Hayman of "Carol of the Bells" and Leroy Anderson's timeless "Sleigh Ride." Admission to the concert will be \$10 for adults, \$5 for senior citizens

and free to students high school age and younger. The Monett High School Performing Arts Center is located at 1 David Sippy Drive in Monett, off of East Cleveland Avenue by the Ramey Supermarket.

The OFO is a community orchestra composed of players from southwest Missouri and nearby towns, focusing primarily on classical music. Rehearsals are held weekly in Monett. The orchestra is supported by memberships, local foundations, ads in the orchestra program book and funds managed by the Monett Community Foundation.

"But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men; and being found in fashion as a man, he humbled himself, and became obedient unto death, even the death, even the death of the cross." Philippians 2:7-8. I was standing in line at the grocery store last week with about three items. The man in front of me, with just a few items himself, said; "You can go in front of me. That's okay, I'm in no hurry. Neither am I. "He then picked his items up off the counter and stepped behind me. "Thank you." the little conveyor belt ran the items up to the cashier. As she scanned them the man stepped forward; "I'm paying for those. That's not necessary. I do this every year; Merry Christmas. Thank you, and Merry Christmas."

It was about six dollars, but it made a million dollar impression on me. This man chose generosity with no wish for a return benefit. What an impressive life lesson upon the traits of Jesus Christ,who came to bless all those who would respond to his word in faith and obedience.
