Newest Habitat House keys turned over to new owner

Charlea Mills

The fifth Habitat for Humanity House in Cassville finally has a new owner after the original applicant selected passed away. The keys were turned over to the new owner, Bobbie Dowling, just in time for Christmas at a ceremony on Friday, December 17.

According to Habitat for Humanity of Cassville board member Sharon Schact, Dowling was selected out of approximately ten applicants at the board's October meeting. This home was a special one for the board as it was built in memory of Louis Metz, a longtime supporter of the local group, who passed away.

"He was very active in Habitat and he was someone who was always there when we needed him for anything with Habitat. So when he passed away, we wanted to do something in his memory," Schact said.

The house, which is located at 3rd and Mountain Streets in Cassville, is a three-bedroom, one and

a half bath partial berm home, which the group hoped would help to make it more energy efficient for the new owner. Much of the materials for the home are donated, including an appliance from Whirlpool. Some professional services and materials are purchased by the local Habitat for Humanity, but the remaining labor and materials are donated.

To qualify for a Habitat home, applicants must be Barry County residents currently living in substandard housing conditions, have steady income and must participate in education classes, as well as investing sweat equity hours to build the home. Since this home was previously completed, Dowling will help with the next Habitat home instead. She will also have family or friends complete 150 hours.

Schact said, "We really try to get the right home for the right person, and I think she is perfect for the home. She is really a sweet girl, and we're happy."

built for minimal cost, applicants still must purchase the homes. The loans are no-interest, and they only pay what was spent on the home, so there is no prof-

it. The minimal payments make the program beneficial in helping people with a hand-up, not a hand-out.

The Habitat for Humanity of Cassville is a Chris-

tian-based organization that uses community partnership to help local people. To make a donation, contact the ReStore at 301 Main Street in Cassville.

Two arrested in major meth bust Families get in holiday spirit on Christmas train

Charlea Mills

Two people were arrested and charged in connection with a large methamphetamine bust by the Ozarks Drug Enforcement Team near Crane last week. Kenneth Stacy Reavis, 47, of Crane, and Melissa Ann Hoyt, 38, of Crane, were arrested and each charged with three felonies. Reavis is charged with distribution

of a controlled substance, unlawful possession of a weapon and tampering with physical evidence. Hoyt is charged with distribution of a controlled substance, unlawful possession of an illegal weapon and unlawful possession of a firearm.

In an affidavit of probable cause, officers with the Ozark Drug Enforcement Team were serving a nar-

cotics search warrant at a residence located at 22996 Farm Road 2040 in Crane. When they entered the residence, Reavis was found flushing methamphetamine down the toilet to destroy evidence. Officers found approximately 20 grams of methamphetamine still in the residence, multiple

Saturday marked an occasion for families from all around to get into the holiday spirit on a special train ride. An annual tradition, the Christmas train ride, took children and their families from Seligman to Exeter and back again at three different times.

Each Christmas season,

the Seligman Chamber of Commerce partners with the Arkansas and Missouri Railway to take children on a short train ride filled with hot chocolate, cookies and Christmas carols. There is even a special visit from Santa and goodie bags handed out.

Three Cassville Middle School students made the choice to make recycling a priority at Cassville Schools.

Ashton Sell, Lane Nance and Ethan Nape (pictured from left to right) organized a recycling program for the primary, intermediate and middle school buildings at Cassville R-IV.

The students collect items on a weekly basis, however, at the end of the semester, the students have arranged for All Points Recycling to park a trailer on campus, and the three students will collect paper, plastic and cardboard to be recycled.

Through this project, over 17,000 pounds of recyclable material was collected last year.

Exeter man arrested for threatening to kill girlfriend

Charlea Mills

An Exeter man was arrested after allegedly pointing a loaded gun at his girlfriend and threatening to kill her. Aaron Lee Stewart, 37, was charged with domestic assault in the first degree as a first offense, felonious restraint and unlawful use of a weapon. Stewart was being held in the Barry County Jail until he was released on a \$25,000 cash-only bond.

According to an affidavit of probable cause by Barry County Deputy Alvin Zabala, Stewart threatened his girlfriend on December 17 at a residence on Farm Road 1017 in Exeter. In the report, it states that Stewart held her in her home, not allowing her to leave, pointed the loaded gun at her saying he was going to kill her and then used a knife to cut off her clothes.

Zabala also stated that Stewart has a criminal history.

TRAIN from FRONT

Three different train rides set out throughout the day on Saturday. The first left the station at 9 a.m., while the other two departed at 11 a.m. and 1 p.m. Each ride had the cars filled with eager children peering out the windows enjoying the scenery while singing tunes to go with the season.

As kids belted out "Santa Claus is Coming to Town," the train rocked over the tracks as the cars barreled toward Exeter. Once arrived, kids got a special visit from the big man from the North Pole himself, Santa, who was all smiles as kids said hello and got pictures as he made his way from car to car.

After Santa got off the train, families sped off again, back toward Seligman with a bag of goodies and fond memories of the day.

Christmas is a time of joy for kids, and experiences like the Christmas train give this time of year an added bit of magic and whimsy. What could be more special for the season than to ride in an antique train car, fill up on the best snacks of the season and get a visit from Santa?

MSHP announces New Years driving saturation

The Missouri State Highway Patrol encourages everyone to make good decisions regarding their New Year's celebration. A traffic crash would be an unfortunate way to begin 2016.

This year's 102-hour counting period will be from 6 p.m. on Thursday, December 31, 2015, to 11:59 p.m. on Sunday, January 3, 2016. Last year over the New Year's 102-hour holiday counting period, there were 78 traffic crashes, which injured 31 people. There were two fatalities during the 2015 New Year's holiday counting period.

Many Missourians plan special gatherings to bring in the New Year. If you're driving to a New Year's gathering, remember to buckle up and obey all traffic laws. As you make your way to the party, be a courteous driver. When in doubt, yield the right-of-way. Pay attention and use your turn signal to communicate your intentions to other drivers. The posted speed limit is not

a suggestion and reflects the roadway's classification. There's no reason to speed—the party starts after you arrive safely.

Be aware of the weather forecast. If inclement weather is expected, allow extra time for traveling or be flexible with your plans. The Road Condition Report number is 1-888-275-6636. Depending on the weather, staying home might be your best option. If you do travel over the New Year's holiday, remember to take the time to clean snow and ice completely from your vehicle. Making sure the windows are completely cleared increases visibility. Remember: Missouri law states if you're using your windshield wipers, your headlights must be turned on. It takes only a second to turn on your vehicle's headlights. That second could make you more visible to other drivers and prevent a traffic crash.

If your plans include alcohol, remember that nothing

Cassville students duct tape principal for reward

Fifth grade students at Cassville Intermediate School had the best overall attendance for the intermediate building for second quarter. As a fun reward, students and staff duck-taped Principal Eric White to the wall.

Pictured above are, in the back row, from left to right: Hunter Annecharico, Abby Pate, Caydence Harden, Ashlyn Bryan, Kayla Cheek and Lane Smith. Front row: Lexi Stubblefield, Treva Samuel and Lexy Robar. Stuck to the wall: Mr. White.

Cassville Ag. presents wreath making

Cassville High School Agriculture instructors Mr. Jordan Ellis and Mr. Jimmy Hinson presented an adult agriculture education class on Monday, December 14. Participants had the opportunity to create their own Christmas wreath or swag made out of live cedar. There were 54 community members who attended the event and created beautiful Christmas decor.

NEW YEARS from 5A

ruins a party like a DWI arrest or a drinking-related traffic crash on your way home. Designate a sober driver before the party starts. The roadway is no place for a driver who has been drinking. If you cause a traffic crash, your New Year might begin with being arrested, facing legal fees and medical bills, and perhaps jail time! You could lose your license and will have to face your family and friends. If you kill or injure someone, you'll pay the price for the rest of your life. No one wants to begin 2016 in jail. Be smart! Designate a sober driver

or take a taxi.

Approximately 63 percent of Missouri fatal crash victims who are required to be restrained are NOT at the time of the traffic crash. The Patrol urges motorists to protect themselves and their passengers by making sure everyone in the vehicle is properly restrained in a seat belt or child restraint. OACAC seeks donations for Head State dental program

The Ozarks Area Community Action Corporation (OACAC) Head Start Holiday Smiles campaign is underway. Each year, giving people across the Ozarks donate to the OACAC Head Start Holiday Smiles campaign, giving children in Southwest Missouri bright, healthy smiles! 100% of these gifts are used to provide exams, preventative care, and critically needed dental work. To reduce expenses, OACAC makes use of cost saving methods such as on-site exams, fluoride treatments, and dental education to families.

This school year, 142 Head Start children are uninsured; 254 children require dental treatments; and 88 children are waiting for exams and preventative care. Our campaign goal is to raise \$20,000 to ensure the dental needs of all Head Start children are

met.

OACAC is one of over 1,000 community action agencies across the country working toward alleviating the causes and conditions of poverty. Head Start and Early Head Start programs provide comprehensive early childhood and family development services to children from birth to five-years-old, pregnant women and families. Head Start provides a range of individualized services in the areas of education and early childhood development; medical, dental, and mental health; nutrition; parental involvement and family support.

To make a difference in the life of a child, please visit our Cause Momentum page at <https://cause-momentum.org/projects/head-start-holiday-smiles> or the OACAC website at www.oac.ac.

Cassville District holds open house Purdy Middle School Students of the Month

The Cassville R-IV School District’s School Board, administration and central office staff held their annual Christmas Open House on Friday, December 11. The community enjoyed food served and visited with district staff and board members. Pictured above, school superintendent Richard Asbill (right) visits with school board members (from left to right) Carolyn Bowen, Jon Horner and Becky Henningson.

Purdy Principals Janet Boys (K-6) and Matt Gower (7-12) announced the November Students of the Month. Each month, the middle school core class teachers nominate one student from each grade level, fifth through eighth. November’s winners are pictured from left to right: Lisa Lee, fifth grade; Katrina Lee, sixth grade; Clay Henderson, seventh grade; and Sean Thomas, eighth grade.

MILL STREET CHURCH of CHRIST
1104 Mill Street • Cassville, MO 65625

“Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior.... Glory to God in the highest, and on earth peace, good will toward men.” Luke 2:10-11; 14.

It is very interesting to notice these words were spoken to shepherds. In the first century shepherds were ordinary common folk, like many of us.

It is both ironic and noteworthy that the birth announcement of the King of Kings and Lord of Lords was not to the religious or politically elite, but to those who were ordinary citizens. This was an indication of Christ’s appeal to all people regardless of wealth, race or importance.

The infant in the manger was indeed God’s expression of good will, which in the original language could be translated as “kindness”. Jesus Christ was God’s “gift” of kindness as seen through Christ’s death, burial and resurrection which gives us the opportunity to receive the greatest “gift” of all, eternal life.

The family at the Mill Street Church of Christ would like to remind our friends and neighbors to enjoy the good will and joy of the season celebrating the birth, while not forgetting the true “gift” of kindness was the life, guidance and sacrifice of the man, Jesus. We welcome you to join with us as we worship God’s Son in spirit and in truth.

Diamond girls top Cassville, 50-43 Roark Family Health sponsors pins

Lee Stubblefield

The Diamond Lady Wildcats eased away in the second half to earn a 50-43 non-conference home win over Cassville on Thursday, December 17. Kelsi Eden hit 10 of her 14 field goal attempts to lead Diamond with 26 points, and Kirsten Eden added 14. Devyn Callahan led Cassville with 11.

The teams played to a 9-9 tie in the first quarter, but then Diamond outscored the visiting Cassville girls in each of the final three periods. Diamond shot 46 percent from

the field and 50 percent from three-point land, while Cassville struggled to a 25 percent field goal performance, hitting only 15 of 59 shots.

It was a disappointing loss, especially after Cassville claimed a 55-33 victory at Reeds Spring just three days prior to the Diamond trip. Cassville slipped to 5-3 with the loss, while Diamond improved to 4-4.

Cassville scorers: Devyn Callahan, 11; Kandace Wallace, 8; Kaleigh Gorski, 8; Hallie Long, 7; Macey Parsons, 6; Audra Brooks, 2; and

Ashlynn Howe, 1.

Diamond scorers: Kelsi Eden, 26; Kirsten Eden, 14; Macie Seward, 5; Ashley Burkey, 3; Lauryn Macy, 2.

Cassville will be playing in the 2nd Annual Girls Holiday Tournament at Washburn during the Christmas break, joining the host Southwest Lady Trojans, Galena, Omaha, Pea Ridge, and Wheaton. The tournament starts on Saturday, December 26 with girls games at 11 a.m., 12:30 p.m., and 2 p.m. Cassville will play Galena in the 2 p.m. contest.

Pierce City blitzes Southwest for 54-39 win

Lee Stubblefield

A 21-2 first-quarter hole was more than the Southwest Trojans could dig out of on Friday night, as they lost at Pierce City, 54-39. Avrey Freeman led the Eagles with 15 points, while Payton Clay topped Southwest scorers with 12.

Pierce City's Matt Street was honored prior to the contest for reaching the 100-win plateau as a varsity coach.

Mason Moreland threw in a trey from the right wing to give Pierce City a 3-0 lead with just 26 seconds off the game clock. Those were the first of 16 unanswered points for the Eagles. Five different Pierce City players scored before Southwest's Orion Lawyer finally opened a line in the scorebook for the visitors.

But Pierce City's Evan Burt added a bucket and a free throw, and Kevin Abramovitz scored with an offensive board with four seconds left on the clock to end the 21-2 outburst.

The Trojans, missing starting point guard Dev-

on Resz, had no offensive rhythm or continuity in the early going. Robbie Randall took over the paint in the second quarter though, scoring 6 points to lead Southwest closer. Rusty Roe's team outscored Pierce City 16-9 in that frame. After trailing by 20 early in the second quarter, the Trojans cut the lead to 30-18 at the half.

The Eagles stretched the lead again in the third quarter. Randall picked up his fourth personal foul as Pierce City challenged the big center inside. Despite three baskets by Southwest's Payton Clay, the Eagles took a 44-26 lead at the final break.

Pierce City never led by less than 13 in the final quarter, and the Eagles ran a lot

of clock enroute to the 54-39 win..

"We got ourselves in a hole early and we are just not very good at scoring the basketball right now," said Southwest's Roe after the game

Southwest falls to 2-5 with the loss. Pierce City improves to 5-3.

Southwest scorers: Payton Clay, 12; Robbie Randall, 8; Orion Lawyer, 8; Jacob Durossette, 6; Adam Ramirez, 5.

Pierce City scorers: Avrey Freeman, 15; Evan Burt, 10; Ian Burt, 9; Mason Moreland, 6; Devin Cox, 6; Kevin Abramovitz, 4; and Jordan Cruz, 4.

Southwest will host the Holiday Tournament start-

ing on December 26 at Washburn. The boys division games start at 3:30 p.m. with Pea Ridge playing Exeter, Southwest plays Cassville at 5 PM, Forsyth plays Wheaton at 6:30 p.m., and Gentry plays Galena at 8 p..

"The Holiday Tournament is stacked up top with Pea Ridge, Forsyth, and Gentry," Coach Roe observed.

Mercy's December Co-Worker of the Month

Jessica Quick, RN, recently received the Mercy Hospital Cassville Co-Worker of the Month for December. She is a nurse in the Cardiac Rehab area of the hospital. Jessica has been employed by Mercy for 10 years. She resides in Cassville. She has a boyfriend, John, and three children, Madison, Cally and Ian.

She enjoys volunteering, traveling and friends and family time. Jessica came to work at Mercy because the co-workers are absolutely wonderful and like a second family to her. She loves getting to know her patients and helping bring them joy. "I thank God for blessing me with such a great family, friends, co-workers and patients," said Jessica.

MDC releases hunting dates, regulation changes

At its meeting on Dec. 11, the Missouri Conservation Commission approved recommendations by the Missouri Department of Conservation (MDC) for the 2016-2017 deer-hunting season and the 2016 turkey-hunting seasons. The recommendations include turkey-hunting and deer-hunting season dates, changes to turkey-hunting allowed methods, and changes to the deer-hunting season structure and allowed methods.

Spring turkey hunting dates:

Spring Youth Portion: April 9 and 10, 2016

Spring Turkey Season: April 18 through May 8, 2016

Fall deer and turkey hunting dates:

Archery Deer and Turkey: Sept. 15 through Nov. 11, 2016, and Nov. 23, 2016, through Jan. 15, 2017

Firearms Turkey: Oct. 1 through 31, 2016

Firearms Deer Early Youth Portion: Oct. 29 through 30, 2016

Firearms Deer November Portion: Nov. 12 through 22, 2016

Firearms Deer Antlerless Portion: Dec. 2 through 4, 2016

Firearms Deer Alternative Methods Portion: Dec. 24, 2016, through Jan. 3, 2017

Firearms Deer Late Youth Portion: Nov. 25 through 27, 2016

Deer and turkey hunting regulation changes

The Commission approved the following regulations regarding deer and turkey hunting:

Expand the deer-hunting late youth portion to three (3) days beginning the first Friday after Thanksgiving.

Reduce the length of the deer-hunting antlerless portion from 12 to three (3) days and begin it on the first Friday in December.

Eliminate the urban-zones portion of the firearms deer season.

Allow crossbows as a legal method during archery deer and turkey seasons.

Allow the use of crossbows during the fall firearms turkey season.

Remove the hunting method exemption requirement related to crossbows.

Reduce the limit of antlered deer from three (3) to two (2) during the combined archery and firearms deer hunting season, with no more than one (1) antlered deer taken during the firearms deer hunting season.

Set the 2016 spring turkey season from April 18 through May 8 with a limit of two (2) bearded turkeys during the season, provided only one (1) turkey may be taken during the first seven (7) days of the season.

Set the 2016 youth spring season April 9 and 10.

Set the 2016 fall turkey hunting season from Oct. 1 through 31 with a limit of two (2) turkeys of either sex during the season.

The regulation changes will become effective March 2016.

The Commission initially approved the deer-hunting recommendations at its August 2015 public meeting followed by a public-comment period.

Changes to the deer-hunting season structure and methods come after Department efforts over the past 18 months to gather public input. That public input included hunter and landowner surveys, numerous public open houses around the state, community presentations, media communications, information in various MDC publications, discussions with conservation partner organizations, and other efforts.

The Department will also continue to gather public input through surveys and the MDC website

in early 2016 on a variety of deer-hunting-related topics, including nonresident permits and prices.

The approved recommendations were also based on the Department's use of deer population simulations, biological data, and harvest information.

"The goal of the Conservation Department's deer management program is to use research-based wildlife management combined with public input to maintain deer population levels throughout the state that provide quality recreational opportunities while minimizing human-deer conflicts," said MDC Deer Biologist Jason Sumners. "As deer populations in Missouri have changed over the last 75 years, so have our management strategies. In modifying the hunting-season structure, our aim is to achieve a deer population that is biologically and socially acceptable while also promoting hunter participation, recruitment, and retention."

Deer hunting in Missouri

Missouri offers some of the best deer hunting in the country, and deer hunting is an important part of many Missourians' lives and family traditions. Deer hunting is also an important economic driver in Missouri and gives a \$1 billion annual boost to the state and local economies.

According to MDC, more than 90 percent of land in Missouri is privately owned so landowners are essential to creating and maintaining wildlife habitat on private land. The Department works with more than 25,000 landowners in Missouri to help them manage their land for wildlife, such as deer and turkey.

For more information on deer and turkey hunting, visit mdc.mo.gov and click on Hunting/Trapping on the MDC homepage.

Purdy delegates attend leadership conference

Five delegates from the Purdy Future Business Leaders of America (FBLA) chapter attended the National Fall Leadership Conference (NFLC) in Omaha, Nebraska, on November 5-7. The group was accompanied by FBLA Adviser Kay Wright.

The NFLC is a two-day, national conference. Delegates from all 50 states attend general and special interest sessions, seminars, workshops, tours

and other leadership development activities.

The Purdy delegation stopped on their way to Omaha to tour the Sporting KC Major League Soccer Stadium in Kansas City. After a barbecue lunch at Joe's Kansas City, they continued their journey to Omaha. Upon arrival, the group dined at the Pizza Machine, where the delegates enjoyed a buffet dinner and played arcade games, rode go-

carts and bowled.

Before attending the NFLC opening session on November 6, the group toured the Henry Doorly Omaha Zoo and Aquarium. The next day they attended NFLC sessions and spent time in the Old Market Business District. The delegates enjoyed a closing session that evening, followed by a dance, after which the group returned to Purdy.

The Purdy FBLA delegates are pictured above, from left to right: Umar Akhtar, Morgan Schilly, Emily Webb, Layne Skiles and Hallie Henderson.

Cruisers donate to Barry County Museum

Kathy White, Director of the Barry County Museum in Cassville, accepted a donation from Larry Daniels (left) and Wayne Hendrix (right) on behalf of the Cassville Cruisers. The Cassville Cruisers, with a membership of 100 car enthusiasts, hold their monthly cruise in events at the museum each year on the second Saturday evening from April through November. Each month, the cruise in promotes a different theme, hosts approximately 75 to 100 vehicles, and draws numerous visitors from a large area which includes southwest Missouri and northwest Arkansas. The Boy Scouts of America Troop 185 offers the concessions at each cruise in event.

Use Cassville's Masonic Lodge,
18th & Main St. for your
next meeting or event.

invisalign®

LEARN HOW TO SMILE AGAIN.

Invisalign is **clearly**
your best choice for a better smile.

Your Invisalign treatment will consist of a series of aligners that you switch out about every two weeks. Each aligner is individually manufactured with exact calculations to gradually shift your teeth into place. And since your Invisalign system is custom-made for your teeth and your teeth only, with a plan devised by you and your dentist, you know you'll end up with a smile that truly fits.

**Invisalign has been proven effective in
dental practices worldwide**

- Invisible
- Removable
- No metal or brackets to irritate the mouth
- Able to brush and floss normally during treatment

Soils and Crops Conference to be held in Mt. Vernon Jan. 7

The 92nd annual Lawrence County Soils and Crops Conference will be held from 6 p.m. to 9 p.m., Thursday, Jan. 7, at the Southwest Research Center located at 14548 State Hwy H, southwest of Mt. Vernon.

"This long-running conference will look at researched-based solutions to address common production issues on area farms. The information will provide 'tried and true' management tools to support local farmers who feed the rest of us," said Tim Schnakenberg, an agronomy specialist with University of Missouri Extension in Galena.

The planning committee, which was made up of Lawrence County farmers, has planned topics that should be of interest to both livestock and crop producers in 2016.

Topics this year will include a discussion on trends in Missouri weather. Gene Hatch of the National Oceanic and Atmospheric Administration (NOAA) in Springfield will outline weather trends we have experienced in Missouri and

how this has impacted farm activities.

Joe Horner, state agriculture business specialist from Columbia, will address the volatility we have seen in the cattle market lately and provide some strategies to market cattle.

Tim Schnakenberg, agronomy specialist with University of Missouri Extension, will provide tips for forage establishment. This topic will be especially helpful for those who may be converting cropland back to pasture or hay land.

A meal will be provided courtesy of Mid-Missouri Bank of Mt. Vernon, Ozark Electric Cooperative, Southwest Missouri Cattlemen's Association and the Mt. Vernon Chamber of Commerce.

There is a small charge of \$5 per person to cover program costs. Attendees must pre-register before Jan. 4 by calling the Lawrence County Extension Center at (417) 466-3102 to reserve a meal. There is a \$10 fee after the deadline. Space is limited so early registration insures a meal and a seat.

Cassville Primary's November Most Improved Attendance

Cassville Primary recognized the classes with the most improved attendance for November. The winning classes were Miss Goshy's kindergarten class, Mrs. Rose's first grade class and Mrs. Cornell's second grade class.

Protect against holiday thieves with these tips

One man's trash, the saying goes, is another man's treasure.

During the holidays, your trash can provide a thief with a treasure trove of information, says John Worden, director of University of Missouri Extension's Law Enforcement Training Institute in Columbia.

Discarded boxes from electronics, a hunting gun or cell-

phone give thieves clues they can use to make their own shopping list of what to steal from your home.

- Take boxes directly to a recycling center.
- Break boxes down and turn them inside out and facing each other so that original contents cannot be identified. Tightly bundle boxes.

Put trash out right before pickup to reduce the time boxes are visible from the road. Don't give thieves a sneak peek of the content of your home.

Although this advice holds

especially true for the holidays, it's also useful any time you move into a new place or whenever you get new electronics.
