Sales tax revenue looks steady starting off in 2016

Charlea Mills

After an impressive year for sales tax revenue in 2015, the start of 2016 started slow but appears to be gaining momentum.

For both Barry County and the City of Cassville, 2015 was a big year for sales tax revenue. Cassville brought in \$865,652.72 for their general one-cent tax, which was almost \$50,000 more than 2014. Barry County's revenue for their general 1/2-cent sales tax brought in \$2,031,442.27 in 2015, which was almost \$90,000 more than 2014. So, both the county and Cassville ended up with more revenue than they anticipated for the year.

In 2016, Cassville and Barry County have each received two sales tax revenue payments. In January, revenue was down 5.75 percent for the county and 3.3 percent for the city. However, both recovered in February with a positive jump of 6.3 percent over last year's revenue for Cassville and 4.66 percent for Barry County. So far for the year, Cassville

is up 1.0 percent over 2015's revenue, but the county is down 0.96 percent overall. With 2015's revenue totals being impressive, that is a good sign for 2016 that totals are similar.

So far, Cassville has collected \$144,250.07, almost spot on for the total up to this point in 2015, which was more than previous years. Barry County has collected \$297,739.08 for the year, only around \$3,000 shy of the same time frame from 2015.

For Cassville, the other big question in sales tax revenue is the 3/8-cent transportation sales tax that is to go to repair roads in disrepair in the city. The first full year that the tax was collected was 2015, and in all, the city received \$332,460.99. So far, this year \$53,736.27 has been added to that amount. The city already went through a process to grade roads and determine where work needs to begin to utilize the funds coming in, which will take a long time to deal with all of the issues in the city's streets.

Golden man airlifted after MO86 wreck

Charlea Mills

A Golden man had to be air lifted for injuries sustained in a wreck on MO 86 yesterday, February 16, around 4:30 p.m.

According to the Missouri State Highway Patrol crash report, Larissa D. Harlan, 43, of Golden, was driving a 1993 Ford Ranger with passenger James L. Denney, 50, also of Golden. While traveling eastbound on MO

86, about two miles west of Golden, Harlan drove off of the roadway, struck a driveway, overturned on the driver's side and then came back to rest on it's wheels.

Denney was air lifted to Mercy Hospital in Springfield for serious injuries. Harlan had no reported injuries at the time of the crash. Neither Denney nor Harlan were wearing seat belts at the time of the crash.

Cassville Education Fund to host annual trivia night to support teachers, students

Charlea Mills

It is the time of year for the Cassville Education Fund's annual trivia night. Each year, the Cassville Education Fund (CEF) Board hosts a trivia night for community teams to raise money to add to their endowment fund that provides grants for Cassville teachers for various programs.

The CEF was established in 2009 when members of the community handed together to accept a fundraising challenge from Harry Cooper Supply Company. The group was charged with raising \$20,000, and if that goal was met, Harry Cooper Supply would give a \$10,000 matching grant. That year, the board started the fund with even more than they anticipated. The first year,

\$35,000 was put into the fund, and it has grown each year since then. Today, the CEF has over \$50,000 in the account which is overseen by the Cassville Community Foundation (CCF).

When the Board began fundraising seven years ago, they sought donations from area businesses and individuals, as well as alumni who helped get the fund established. On average, donations of \$20 to \$120 keep the fund going. Some of those donations are made in memory of CHS alumni, as well. Mary Cupps, board member for the CEF and CCF, said that area businesses have reliably supported the fund since its inception.

Fundraisers that the board has hosted in the past to help raise money included a poker run, an alumni class challenge, a Homecoming luncheon and a golf tournament. Cupps said that the school also supports the fund with a dress down day and a potato bake.

However, arguably the most anticipated fundraiser each year is trivia night. Trivia night provides the opportunity for the fund to raise money but also for the community to come together for a night of fun. Cupps said, "Trivia Night has been our main fundraiser; it's fun for everyone, not too much work for committee members and fits in with the education theme."

Teams of up to eight people compete in trivia

rounds, as well as games for points to be crowned the trivia champion each year. Teams are supported by a variety of groups and businesses, including local banks, businesses, Crowder College, book club teams, librarians and more. By charging teams to participate, as well as offering food during the event, the board is able to raise money for the endowment.

Cupps said that the Board is also looking at a new opportunity for fundraising this year, as well. The CCF is a part of the larger Community Foundation of the Ozarks. The CEF is one of 20 non-profits that has been selected to participate in a 1:1 match of up to \$5,000 through the Cause Momentum fundraising initiative. Cupps said, "Each year, we can fund only a few of the grant applications that we receive because we can only give out money from the income of the fund. As the fund grows, we can award more grants." More details about that fundraising effort will be available at a later date.

Each year in March or April, every Cassville R-IV teacher receives a grant application from the CEF. Teachers can apply for grants individually or in a group as long as the program they are requesting support for is an academic program that enhances stu-

Cassville man charged with child abuse of five week old infant

Charlea Mills

Cassville man Robert O. LeCompte, 22, was arrested last week for alleged child abuse. LeCompte has been charged with child abuse, a class C felony.

LeCompte was attempting to get his five week old daughter to stop crying, according to the affidavit of probable cause by Cassville Police Department Detective Danny Boyd. Det. Boyd wrote that LeCompte covered the infant's mouth and nose with his hand to stop her from crying on February 9 at an apartment on Gravel Street in Cassville.

The baby sustained injuries from being smothered by LeCompte's hand, including bruising, contusions

LeCompte

and broken blood vessels in both of her eyes.

LeCompte is being held in the Barry Count Jail in lieu of a \$30,000 cash-only bond, issued by Barry County Judge Robert Foulke on February 10.

Barry County combines three voting districts

Due to the ever increasing cost of holding elections, Barry County is combining polling places in three different locations around Barry County.

The Ash Precinct will be combining with the Washburn Precinct. The Ash Precinct will now be voting at the Washburn First Baptist Church Activity Center in Washburn.

The Capps Creek Precinct will be combining with the Monett Rural Precinct and will now be voting at the Church of the Nazarene in Monett adjacent to the Farm Pro Feed store across from Herds Gas station.

Finally, the Crane Creek Precinct will be combining with the Ozark Precinct and will now be voting at Madry Christian Union Building on Highway 39.

For any voters who, because of physical issues, feel they will not be able to vote at the new voting locations,

the Clerk's office has absentee voting available. Contact the Clerk's office at (417) 847-2762 for more information.

The next election in Barry County will be Tuesday, March 15, 2016, the Presidential Preference Primary.

Purdy man charged in sex case involving 13 year old girl

Charlea Mills

A Purdy man has been charged with statutory sodomy for allegedly having sexual intercourse with a 13-year-old girl over the past year. Teddy McIntire, 56, is charged with statutory sodomy in the first degree and is currently being held in the Barry County jail in lieu of a \$40,000 cash-only bond.

According to the affidavit of probable cause, Barry County Sheriff's Department Detective Robert Evenson interviewed a 14 year old girl at the Children's Center in Monett. The girl said that McIntire had sexual intercourse with her five or six times over the last year, beginning when she was 13. The acts occurred in multiple locations, including hotel rooms and a truck at the Purdy Wastewater Lagoons where McIntire is an employee.

On February 12, Det. Evenson and Cassville Police Detective Danny Boyd interviewed McIntire at the Cassville Police Station.

McIntire

McIntire admitted to having sexual contact with the victim over the past year, but he claimed he never had sexual intercourse with her. By McIntire's own admissions, charges were made for statutory sodomy on the girl.

McIntire is schedule for a disposition hearing on Tuesday, February 23, with Judge Robert Foulke.

Correction: Last week, the names in a photo from Cassville Intermediate's Laura Ingall's Wilder Day were incorrect. The names should have read Emma Berndt and Cadence Lyons.

Soroptimist Potato Bake slated for March 17

The ladies of Soroptimist Club of Barry County will host a St. Patrick's Day potato bake on Thursday, March 17, from 11 a.m.-1 p.m. at the Cassville United Methodist Church.

Luncheon attendees will enjoy a baked potato, chili, broccoli and cheese soup and a dessert for \$7. All proceeds from the luncheon will benefit the Soroptimist Club of Barry County.

The Soroptimist Club of Barry County is committed to improving the lives

of women and children in Southwest Missouri. The ladies of Soroptimist provide scholarships for women as well as funding to not-for-profit organizations through their Dreams in Action program.

Ramey's Supermarket will provide the baked potatoes. Dine in or carry out options will be available to all attendees.

THANK YOU

I would like to commend all the Barry County Fire and Sheriff's Department for all of their professionalism and hard work on fighting the fire at my shop last Monday. The officer's did an amazing job directing traffic through the heavy smoke, and the multiple fire departments did an outstanding job making sure the fire didn't spread to my neighbors to cause further tragedy. It takes a lot of heart to do what they do, day in and day out no matter the weather conditions. I couldn't have asked for a better group of men and women to help in my time of need.

Thank you to all for your service, John Holloway

Purdy crowns 2016 Homecoming King, Queen

Purdy High School siblings Ashton Young and Joby Young were crowned 2016 Homecoming Queen and Mr. Tip-Off in front of a standing-room only crowd on Friday, February 12. The Purdy Homecoming court is pictured above from left to right: freshmen Isbell Ibarra and Colby Boyd; sophomores Zoe Brown and Mr. Tip-Off Joby Young; juniors Saima Akhtar and Matthew Wilson; and seniors Queen Ashton Young and Sydney Birge.

Purdy High School siblings Ashton Young and Joby Young were crowned 2016 Homecoming Queen and Mr. Tip-Off in front of a standing-room only crowd on Friday, February 12. Prior to the coronation ceremony, Purdy High School Athletic Director Jennifer Schallert Cornelius welcomed two new members into the PHS Athletic Hall of Fame. Joining existing members Becky (Fly) Woods, Earl Miller and Norman "Gabby" Gibbons were former PHS softball pitcher Megan Leonard and beloved longtime coach and retired teacher Mike Payne.

The induction ceremony featured special guests for each of the new members. Joining Leonard on the floor were her parents, David and Vicki Leonard, and her sister, Whitney Leonard, as well as former coaches Lori Videm-schek and Jeff Swadley and former teammates Chelsea (Swadley) Powers, Michelle (Aldridge) Daniels, Randi (Jurgensen) Leithoff, Teara

(Brown) Neidert and Lavonda Brown.

The district kicked off Payne's portion of the induction by welcoming to the floor several members of the first junior high boys' basketball teams Payne coached at Purdy in 1978. The crowd erupted in applause when the team's coach, mentor and friend was introduced. Accompanying Payne to the floor were his wife, Barbara and their two daughters, Mandy (Payne) Henry and Jessie (Payne) Clawson, and their families. After introducing Payne's most recent team, the 2016 Purdy Lady Eagles, for which he serves as assistant coach, Ken Terry, the Voice of the Eagles, welcomed home to Purdy High School Caren (Corbett) Giannini, a member of the state basketball championship team from 1982, who traveled from New Mexico to honor Mike Payne. To conclude the ceremony, Terry asked all attendees who were coached, taught or influenced by Mike

Payne to stand. A large portion of the audience rose to their feet.

The commons area featured memorabilia displays honoring both inductees' careers, as well as video tributes from students, family, fans and friends. The giant flat screen television showed the 1978 junior high team in action on the court. This game

footage, converted from 8 mm reel, was provided by team member Kevin Roller.

The Purdy R-2 School District inducts up to two new Hall of Fame members per year. For more information on the selection process or to access a nomination form, visit www.purdyk12.com.

Master Gardeners training to begin in March

If you enjoy the challenges and rewards of gardening, consider becoming a Master Gardener. This organization is a volunteer arm of the University of Missouri Extension whose mission is to provide education and beautification to their communities. The Barry County Master Gardeners are a young organization which is facilitated by Reagan Bluel, the extension agent for Barry County.

The organizational meeting for a new class will take place on March 31 at 9 a.m. in the lower level of the Cassville Library, with classes to follow over the next few weeks. The program consists of ten 3-hour classes, in which a variety of gardening topics will be presented by extension agents, horticulturists, etc. It is an amazing learning

opportunity!

Graduates of Master Gardener classes are encouraged to become active Master Gardeners who volunteer in their communities. The Barry County group is currently involved in the planning and development of the gardens at the Bayless House in Cassville. They have provided landscape plans and guidance to the Monett Senior Center and have agreed to do the same for the Cassville Senior Center. They have also planted and now maintain beds at the Cassville Branch Library. Individual members also work on projects at their churches, libraries, community buildings, etc. to fulfill their volunteer hours.

Please contact the Barry County Extension Office at (417) 847-3161 for more information.

DONNA N. BASSHAM

Donna N. Bassham passed away February 14, 2016, at Circle of Life Hospice in Bentonville, Ark., after a short battle with cancer.

She was born April 29, 1940, at Jacket to Waldo E. Schell and Mary N. (Pender-graft) Schell, who preceded her in death. Donna was a 1958 graduate of Southwest High in Washburn and retired from Glad Manufacturing in Rogers, Ark., after almost 30 years. She enjoyed gardening, flowers, auctions, estate sales, collecting antiques, traveling, working on the farm and the animals on the farm. She liked to refer to herself as a "workaholic" and her family would agree that was true. She will be greatly missed by her family and friends.

Survivors are her husband, William (Bill) H. Bassham, of the home; two daughters, Cynthia (VanZandt) Smith and fiancé, Robert Smutny, of Pea Ridge, Ark., Lesa (Van-Zandt) Lohman and husband, Louis Lohman, of Garland, Texas; one granddaughter, Amber Lohman, of Garland, Texas.

The family would like to thank the staff at Circle of Life, relatives and friends during Donna's last days for the comfort, concern and care that was given to her.

Memorials may be made in honor of Donna to Circle of Life Hospice, 1201 NE Legacy Parkway, Bentonville, AR 72712.

No services are planned. A celebration of her life will be held at a later date. Burial of her ashes will be at Antioch Cemetery in Jacket. Cremation arrangements are under the direction of Sisco Funeral Home in Pea Ridge.

Online condolences may be made at siscofuneralhome.net

A Limb Has Fallen From Our Family Tree

On behalf of The Everett M. Terry family, there are so many people to thank. To those who have taken a part in this transition of life, we are eternally grateful. First of all to Dr. Kyle Lea and our favorite Nurse, Shawna for helping Everett continue to stay healthy and at home as long as possible. Then proceeding to locate HOSPICE COMPASSUS of Monett where we have Joni Moore, Adm. Nurse, Beth Richardson, Supervisor, Barbara Ringstaff, Nurse and Craig Buck, Chaplain. Daily visits and warm words of love kept both Everett and myself going during this transitional time. I could not have done it without you.

Then to CASSVILLE HEALTHCARE AND REHAB where we were only there a short three months. Many thanks and blessings to a wonderful group of people who I cannot name individually; so many and someone would be forgotten. These thanks go for all the "Hi Everett's, the hugs, the changing times, the medications, the feedings and the bed changes. Special mention here to our Robert Mortell, of Hospice who is a definite angel with miraculous abilities and to all the Hospice Visitors. Love and thanks to "JJ" our resident angel who was always there with Everett especially when I was not.

To BUCHANAN FUNERAL HOME for all that we asked for and some things for which we didn't ask. Those few days were made easier by Jeremy Vanderbol and his expert assistance. The beautiful flowers, cards, calls, sentiments and memorials touch our hearts and do to this day. To those who waited in the long visitation line, thank you for your warm words and hugs. To Employers, employees, old friends and new, you made our day so much easier by your presence. Thank you. Special thanks to Pastor Bill Vincent, First Presbyterian Church and Sister Carolyn McNabb of Log Church, Butterfield for the wonderful uplifting service. To Anita Abramovitz, Accompanist and Everett's cousin. Special honorary mention to Johnny Cash and Folsom Prison Blues for adding much enjoyment to Everett's final months.

More thanks for the ALL the food and supplies. From Log Church and the Family's Dinner to the friends and neighbors' food, prepared for those first numbing days before and since. Truly we consumed works of art. THANK YOU TO ALL COOKS. More thanks for my special HOSPICE THREE, Cathy Lewis, Kathie Browne and Tom Freeman who were at my right hand right through to the end and still working.

Final thanks and admiration for my wonderful family. Words cannot express the wonderful support and encouragement I have received from THE KIDS and GRANDKIDS. Everett was certainly proud of his family and rightly so. Thanks for reading this and your part in any of our lives and this most difficult of times. May God Bless you and yours as you have been a blessing to us.

East Newton Lady Patriots clip Cassville, 50-43

Lee Stubblefield

The Cassville Lady Wildcats fought back to claim a fourth-quarter lead at Granby on Thursday night, but a late East Newton run led to a 50-43 win for the Lady Patriots.

It was senior night at East Newton, and the pep band was rocking Wilson Pickett's "Land of 1,000 Dances" as the teams took the floor. Cassville's Chris Shore watched East Newton's big center Koty Cooper closely during warmups.

"She's good," he said plainly.

With Cooper dominating the lane, the Wildcats struggled throughout the contest in the aging gym at East Newton. Cooper's interior prowess had Madi Stokes in foul trouble early. Cassville's 6-3 post spent a lot of time watching from the bench due to her foul situation.

Even without Stokes on the floor, the Cassville defense was solid. Although Cooper would tally 23 points in the game, only senior guard Kortney Cambers would join her in double figures scoring 11.

East Newton held an early 8-4 lead, but Ashlynn Howe's basket and free throw gave Cassville a 9-8 lead with just 1:07 left in the quarter. Kinsey Sorrell answered with a corner trey, and then Macey Parsons scored with an offensive board for an 11-11 tie at

the break. Stokes sat for the last 2:59 of the quarter after fouling Cooper to thwart an easy basket.

Cooper and Stokes resumed their war in the paint in the second quarter, trading baskets early. But Cooper drew a second foul from Stokes, and Cassville's center sat out the last 6:11 of the half. But the Lady Wildcats shook off an 18-15 deficit and finished the half with a 6-2 run for a 21-20 lead. Devyn Callahan drilled consecutive jumpers to put Cassville out in front.

East Newton stormed out of the locker room and regained the lead with an 11-2 run. Cambers hit a pair of bombs, and Cooper rebounded a missed free throw and scored as the Lady Patriots grabbed a 31-23 lead at the 4:20 mark.

Both Howe and Kandace Wallace canned treys as Cassville fought to stay in the game, and the East Newton lead stood at 37-32 at the final break.

The fourth quarter began with Emily Sorrell scoring off her own miss to push the lead to 39-32 for the Lady Patriots. But Cassville stormed back. A Howe threeball, a pair of baskets by Wallace, and a slick give and go basket by Callahan off a Stokes assist put the Lady Wildcats ahead by 41-39 at the 4:13 mark.

Wheaton Lady Bulldogs shock Southwest, 57-43

Lee Stubblefield

With only a single win to their credit going into their Ozark 7 Conference matchup with Southwest, the Wheaton Lady Bulldogs pulled the upset, downing the visiting Lady Trojans on Monday, February 8. The 57-43 shocker was a testament to the hard work that Coach Jessica Lombard's girls have continued to display throughout a rebuilding season.

For Southwest, it was a frustrating trap game, a game falling just three days after a disappointing loss to rival Purdy. These two teams played each other less than a month ago on January 15, and Southwest won that one handily, 71-51. But this night would belong to Wheaton.

All five Wheaton starters scored in double digits in the game, led by Tori Goostree with 15.

The Lady Trojans played without the inside presence of Dara Smith, allowing Wheaton to focus more on defending Jaime Shrum on the perimeter. Even through Shrum led all scorers with 16, she did not convert a single shot from behind the arc.

The Lady Bulldogs jumped to an early lead, paced by Rachel Lacey's 8 first-quarter points. But Brianna Learned scored 7 for Southwest in that same quarter, and the Lady Trojans held a 14-13 edge as the second

quarter began. The scant lead stretched to 24-20 at the half.

But then Wheaton came to life, surging with 24 points in a third-quarter revolution to take a 44-32 lead at the final break. Jera Prewitt hit twice from long range, scoring 8 of her 12 points in the quarter.

Southwest was forced to the foul and hope strategy in the last eight minutes, but Wheaton's shooters were up to the challenge. The Lady Bulldogs sank 9 of 10 attempts in the quarter enroute to claiming the 57-43 victory.

Jessica Lombard was justifiably proud of her team after the win.

"We started the year off pretty rough, but we are a young team and we are growing and learning daily," she said. "This is a great group of girls, and I'm very proud of how far they've come individually and as a team. We are not the same team we were at the beginning of the season, and we are just going to continue to get better."

Wheaton scorers: Tori Goostree, 15; Jera Prewitt, 12; Rachel Lacey, 10; Hallie Mitchell, 10; and Crystal Alvaredo, 10.

Southwest scorers: Jaime Shrum, 16; Brianna Learned, 10; Presley Tomlinson, 6; Emily Snyder, 4; Allison Serano, 3; Taylor Swindle, 2; and Kaitlyn Bernard, 2.

McAuley nips Purdy at wire on Homecoming night

Lee Stubblefield

In a matchup of league leaders, McAuley invaded Purdy Friday night and escaped with a 74-73 win.

The two teams battled to a 22-22 tie to end the first quarter, but then the Warriors pulled away to a 45-36 halftime lead. Purdy lit up the nets in the third quarter, scoring 26 points to take a 62-55 lead.

But McAuley came back and forged ahead late in the fourth quarter, 72-70. Purdy's Tyler Keeler tied the game at 72-72 with 1:55 to play, but McAuley would score the go-ahead basket and then come up with a big strip in the closing seconds to preserve the win.

Keeler scored a game-high 26 points for Purdy. Collin Lowry led McAuley with 23.

Purdy slipped to 14-8 overall and sits at 3-1 in the Ozark 7 Conference.

Southwest downs Wheaton

The Southwest Trojans earned a 36-25 win at Wheaton on Friday night in an ugly game. After Southwest posted 17 points in the first quarter, both teams lapsed into prolonged offensive droughts. Neither squad scored in double digits for any of the final three quarters of play.

With neither team operating efficiently on offense, the game came down to free throws. The Bulldogs shot a painful 1 for 9 from the line to compound their offensive woes. The Trojans hit 6 of their 8 freebies.

Paton Clay led Southwest with 11 points and was the only double-digit scorer in

Purdy High School held the their second Hall of Fame induction ceremony Friday night. The school honored longtime coach and mentor Mike Payne and softball standout Megan Leonard.

the ballgame. Hilsden Moseley led Wheaton with 8.

East Newton tops Cassville, 77-57

The East Newton Patriots

claimed a 20-point win over Cassville on Friday night.

The Patriots opened the game with a 16-2 run and led 21-9 after one quarter. The

lead grew as East Newton doubled up Cassville at half-time, 46-23. Despite a Cassville run to open the third quarter, East Newton held a

61-41 lead at the final break and maintained the margin for a 77-57 victory.

Hall of Fame inductees Megan Leonard and Mike Payne were joined by their families, former coaches and teammates while they were recognized for their efforts and accomplishments with Purdy Schools.

CASSVILLE from 8A

A final East Newton surge proved to be too much for Cassville to answer. The Lady Patriots owned an 11-2 run in the waning minutes, and they held on for a 50-43 win.

East Newton improved to 14-9 with the victory, while Cassville skidded to 12-10.

East Newton scorers: Koty Cooper, 23; Kortney Cambers, 11; Emily Sorrell, 7; Kinsey Sorrell, 6; and Brynne Smith, 3.

Cassville scorers: Ashlynn Howe, 12; Kandace Wallace,

9; Devyn Callahan, 8; Macey Parsons, 8; Makenzy Durossette, 2; Hallie Long, 2; and Madi Stokes, 2.

Neosho man arrested for assaulting ex-wife in Wheaton

Charlea Mills

A Nesho man was arrested on Friday after an altercation with his ex-wife in Wheaton. Shawn Lucas Vickrey, 37, was charged with domestic assault in the second degree, felonious restraint and property damage in the second degree.

According to the affidavit of probable cause by Wheaton Police Officer Taylor Lombard, he was dispatched to an apartment on Hill Street. After speaking with the victim, Lombard discerned that Vickrey repeatedly punched and kicked the victim in the head and chest as well as struck her in the head with a pair of fencing pliers.

Vickrey allegedly would not let the victim leave her apartment and covered her mouth with his hand so that she could not get help.

Vickrey

Eventually, she escaped to a neighboring apartment and Vickrey fled into a field.

During the altercation, two tables were broken, valued at around \$260 each.

Vickrey is being held in the Barry County Jail in lieu of a \$30,000 cash-only bond.

Chamber preps for Opening Day

The Cassville Area Chamber of Commerce will offer complimentary coffee and coffee mugs to anglers along the riverbanks at Roaring River State Park during Opening Day of Trout Season, Tuesday, March 1. Coffee, donated by Wal-Mart, will be served by chamber volunteers beginning at 5:00 a.m. until the whistle blows at 6:30 a.m. Coffee will be served and brewed under the Les Jacobs Ford Tent.

The following businesses sponsored the mugs: Barry County Abstract and Title, Barry Electric Cooperative/goBec, Cassville Democrat, Country Dodge Chrysler Jeep, Terri Lynn DeGraffenreid Brattin with Shelter Insurance, Four Seasons Real Estate, Freedom Bank, Les Jacobs Ford, MariCorp U.S., Mo Parks, Inc., Oak Hill Court and RV Park, Paradise Valley Camping Club, Rock Village

Court and RV Park, Subway, and Tim's Fly Shop.

Long-sleeved commemorative shirts will be available at the chamber office. Sizes are limited and will be sold on a first come first serve basis. Small through XL sizes will be priced at \$10 and 2XL – 5XL will be priced at \$12. Those interested in purchasing a shirt should contact the chamber office.

The following businesses sponsored the long sleeve shirts: Barry Electric Cooperative/goBec, Bear Crossing Cabin, Crowder College, Les Jacobs Ford, Mari Corp U.S., Mo Parks, Inc., Tim's Fly Shop, Commerce Bank, and Barry County Advertiser/Litho Printers.

If you would like more information, please call the chamber office at (417) 847-2814.

dent learning and development. The CEF committee reviews the grants and makes suggestions to the CCF, that makes the final decision about who receives the grant funds each year.

In the past, the fund has supported a Smart Board interactive reading and math software for first grade, various books and games, Fitnessgram software for the Physical Education program, Handwriting without Tears for first graders and math programs. Teachers from each of the buildings have earned grants for the programs. Grants are announced each year in May at the teachers' meeting.

To date, the CEF has given out over \$8,000 in grants to Cassville teachers. With the CEF's help, teachers are able to fund programs that the school district would otherwise not be able to include in the budget. Cupps said, "The need is especially great considering the effect of the national economic crisis on public school funding."

When asked why she volunteers with the CEF, Cupps said, "Because education is opportunity, because

Cassville students deserve as good of an education as any other students in the state, because our teachers deserve support for their efforts."

The Cassville Education Fund is operated by a volunteer board that includes anyone interested in the initiative. This year's board is comprised of Mary Cupps, Mindi Artherton, Lisa Reid, Dove Haney, Skyler Beebe, Carolyn Bishop, Carolyn Bowen, Landon Fletcher, Donna Hayes Mallams and Joe Cavness.

This year's trivia night will be held on Friday, March 4, at 7 p.m. in the Cassville High School commons area. The event will be a team competition of four rounds of trivia questions with bonus points contests in between. Pizza, desserts and refreshments will be available the night of the event.

Teams can register or individuals can join at team the night of the event. The entry fee is \$15 per person with a spectator fee of \$5 per person. To preregister, contact the Cassville Chamber of Commerce at 504 Main Street or (417) 847-2814.

Front Porch garden group to meet March 10

This monthly gathering of gardeners will resume on March 10 at 7 p.m. in the lower level of the Cassville Library. March's topic will be "Preparing Your Garden" with a presentation by two members of the Barry County Master Gardeners.

Front Porch Conversations will meet on the second Thursday of the month from March through October focusing on a different gardening topic each

month. The Cassville Friends of the Library are providing financial support and the Barry County Master Gardeners are planning the meetings.

Whether you are an experienced gardener or a newbie, you will find useful information in the presentations, and there will always be a group of Master Gardeners available to help answer questions or provide guidance.

MDC offers February tree care tips

Francis Skalicky, Missouri Department of Conservation

February is known for the celebration of Valentine's Day – a special time to share your love with those you care about. But February is also the perfect time to show affection for your trees. February provides good conditions to do many tree care activities.

Mulching your tree can be done anytime of the year, but this slow season allows plenty of time to get it done and have your tree prepared for spring. A shallow layer of mulch extending to at least the drip line of small trees or several feet out on large trees provides many benefits to the tree. It moderates the soil temperature, which helps the tree roots do better, helps hold moisture around the tree for it by reducing evaporation and competition from grass and other plants, and adds organic matter to the soil by which helps return nutrients from the tree for use.

The best time to prune trees is during the winter months. Fungus, bacteria and insects that are attracted to and can infect a fresh pruning wound are not active. This allows the wound to dry and become less attractive to these pests. In

most cases, pruning is done primarily for aesthetic reasons, which means it's done mostly for us. When pruning a small tree, concentrate on maintaining a central stem in the tree which reduces the likelihood of failure in the future. Do this slowly over time, removing lower branches to allow clearance under the tree. Raising the crown should be done gradually over a number of years. Removing too many branches at one time can put the tree into shock. Larger trees usually only need dead, broken or diseased branches removed.

If you've been considering planting a new tree, now is the time to pick the type of tree for the desired site. Not all trees should be planted in all places. Some will become too big, others are not suited to the soil or weather conditions. While it is cold, you can determine the desired benefits of the tree, the site conditions of space, soil, moisture available, lots of sun or shade and more and select a tree (or group of trees) that will work well in that site.

Jon Skinner is a community forester at the Missouri Department of Conservation's Joplin Office. He can be reached at (417) 629-3423.

SOUTHWEST SCHOOL BOARD MEETING HIGHLIGHTS

As part of continued efforts in keeping patrons informed, the Southwest R-V School Administration provides monthly information concerning board meetings.

A recap of the February 11 regular meeting is as follows:

The Board convened for its meeting at 6:30 p.m., holding a hearing on the 2016-2017 school calendar. Superintendent Bob Walker provided a proposal that would set August 11 as the first day of school. The proposed last day of school would be May 15. Similar to this year, staff professional development will take place during eight full days throughout the year. Following Superintendent Walker's presentation, the Board entertained any public comments.

The consent agenda was approved, including the addition of Eric Roller as high school principal for the 2016-2017 school year and Jennifer Pendergraft to the district substitute teachers' list. Resignations accepted were from high school Social Studies teacher/athletics coach Jeff Atchison, custodian David Griffin and paraprofessionals Tiffany King and Brian Watson. Anna Lowry was reassigned to the vacant custodian position, while substitute teachers Carol Griffin and Eric Thieman were reassigned to the vacant positions of visually impaired para and special education para, respectively.

Under Old Business, the Board approved May 12 and May 13 as the dates for 8th grade Promotion and High School Graduation, respectively. In addition, this spring's senior trip was discussed.

Concerning New Business, the Board approved the proposed 2016-2017 calendar that was presented during the hearing.

Under administrative and program evaluations, reports from the Fine Arts teachers were reviewed: Mary Ellen Conrad (Choir), Glenda Dalton (Band), Wyatt Hester (Drama), and Nancy Givens (Art), as well as a Speech and Debate report from Karen Huffman. In addition, the monthly Maintenance and Administrative reports were also reviewed. Superintendent Walker presented transportation director Keith Hendrix's preferred plan for upgrading the district's bus fleet. Also discussed was the next phase of district's 1:1 initiative, which entails equipping 4th grade classrooms with Chromebooks next year. Walker also reported that approximately half of the district's bus drivers volunteered to attend CPR training.

The Board was in Executive Session for approximately one hour and ten minutes, discussing various personnel items.

The next regular meeting is scheduled for March 17 at 7 p.m. in the high school library.

Ozark Festival Orchestra to perform Feb. 21 in Monett

The Ozark Festival Orchestra will continue its 36th season with its annual pops concert at 3 p.m. on Sunday, Feb. 21, at the Monett High School Performing Arts Center.

Theme for the concert will be "Broadway Hit Parade: Music from Wicked, Les Miserables, West Side Story, Chicago, Fiddler on the Roof, My Fair Lady and Phantom of the Opera." Music director Todd Borgmann will lead the or-

chestra in eight extended selections, including a vocal offering from "Les Miserables" by soprano Robin Braun.

The pops concert will also include the orchestra's annual silent auction fundraiser for art lovers. Held in a different format this year, the auction will again offer food baskets, art prints, decorating pieces, classical music recordings and books as well as tickets to a show at the Hammons Hall

for the Performing Arts in Springfield. There will be some specially made pies available for auction only on the bidding tables in the lobby of the Performing Arts Center. The hall will be open a half hour before the concert for bidding and during intermission.

Admission to the concert will be \$10 for adults, \$5 for senior citizens and free to students high school age and younger. The Monett High School Performing Arts Center is

located at 1 David Sippy Drive in Monett, off of East Cleveland Avenue by the Ramey Supermarket.

The OFO is a community orchestra composed of players from southwest Missouri and nearby towns, focusing primarily on classical music. Rehearsals are held weekly in Monett. The orchestra is supported by memberships, local foundations, ads in the orchestra program book and funds managed by the Monett Community Foundation.

Cassville United Methodist offers new ladies' bible study

A new spring ladies' bible study will be offered at Cassville United Methodist Church.

It will begin on February 29 and is a 12-session study entitled "What the Bible Is All About," led by Jennifer Duncan.

The class will emphasize the themes that give seamless flow to the Bible. Jennifer will touch on every Bible book, showing how God's desire to reach out is seen throughout.

Sessions will be from 6:30 p.m. to 8 p.m. for 12 consecutive Mondays beginning on February 29 in the Cassville United Methodist Church Fellowship Hall.

Jennifer's late husband, John, was a pastor in the area for many years, and Jennifer has served locally as a Bible study teacher and lay counselor.

Jennifer's university degree is in education, and she received a Master's in Religious Education from Midwestern Seminary.

Duncan

If you've ever wondered "What's in the Bible and how does it all fit together?" join for this informative study. A study notebook will be provided for a nominal fee.

Cassville United Methodist Church is located at 601 Gravel St. Cassville. If you are interested in attending the class, please call the church office at (417) 847-2328 to sign up. If you make a last minute decision to attend, you are also welcome to just drop in on the class.

Cassville FBLA wins at District competition, prepares for State

Cassville FBLA students continued their winning tradition at the District 5 Competition on Thursday, February 11, with 32 students winning over 40 events at DLC. This year, students' success was a tribute to a long-standing custom that Cassville prides itself in having strong business teachers to prepare these students for competition. Former advisers Shelly Henderson and Chelsea Powers passed the reigns on this year to Melanie Grossman and Brandon McCullough, both former CHS grads who have worked hard to step into their roles.

FBLA District winners and state qualifiers include: Jake Whitham, Cole York, River Phelps, Noah Hallow, Chad Howerton, Camille Holman, Garrett Knight, Shannon Haney, Jordan Campbell, Leigh Cox, Clara Hermansen, Jessica Valesquez, Avery Brown, Courteney Rasmussen, Ashley Ray, Monse Fierro, Jeremiah Pendleton, Mary Hennigan, Riley Wilson, Madison Horner, Alyssa Brewer, Grant Davis, Jessica Haney, Josie Lone, Lucas Donavon, Zach Denton, Kane Kellner, and Hunter Bailey. Absent from photo: Addison Perez, Alani Lantz, Ian Coleman and Nicole Sutphin.

State competition will be held April 25 through 27.

Highway Patrol recruiting new troopers

The Missouri State Highway Patrol, a premiere law enforcement agency, is testing for new troopers. The Patrol is encouraging qualified individuals of all backgrounds to apply, and

will offer testing at nine different locations in Missouri. Those who successfully complete testing will be eligible to continue in the selection process for the 104th Recruit Class, sched-

uled to begin training on January 2, 2017. The application deadline is March 31, 2016.

To be eligible, candidates must possess a minimum of 30 college credits, or two years of federal active duty military service with an honorable discharge, or two years of full-time POST-certified experience as a law enforcement officer with arrest authority, at the time recruit training begins.

The starting salary for trooper is \$3,356 per month while in training; \$3,440 per month after six months; and \$3,656 per month at

two years of service. Other benefits include group health insurance, contributory retirement, career advancement, and more.

The selection process is a multi-phase testing procedure including: written examination, a physical fitness for duty assessment, polygraph examination, background investigation, and oral interview board. After a conditional offer of employment, the applicant must successfully complete a medical examination (to include vision and hearing), psychological examination, a psychological interview, drug screening, and final applicant review.

Interested persons can find out more about the qualifications by contacting a Patrol recruiter at telephone number 1-800-796-7000, or may apply online at www.motrooper.com.

The number of successful candidates being extended an offer of employment is contingent upon factors such as budget constraints and the number of vacant positions statewide.

The following items were presented for discussion and information: certified contracts update review, senior sidewalk committee report, certified staff evaluation meeting and instruction and support positions planning review.

A motion was made by David Haddock to adjourn. The motion passed six yes votes to zero no votes.

Cassville Future Teachers job-shadow on campus

CHS Future Teachers of America members participated in all-day job shadowing on February 2. Thirteen FTA members shadowed teachers on all four campuses of the Cassville R-IV School District. Members wanted to get real-life experience of a day in the life of a teacher. They came back with great attitudes and a positive outlook towards their future careers.

Pictured above, from left to right, in the back row: Mrs. Hagens, Lisa Lambel, Dalton Tolbert, Mrs. Boone and Megan Richter. Second row: Hayley Nape, Jaci Evans, Mary Hayse and Sydney Larson-Brandt. Third row: Somer Brooks, Abigail Buntin and Dalia Phelps.

Tractor Supply donates to Haven of the Ozarks

The Tractor Supply Company store in Cassville donated 40 bags of pet food to feed local dogs and cats in search of forever homes.

"Tractor Supply is a partner for those working hard to connect homeless pets with loving families," said Stephen Smith, manager of the Cassville Tractor Supply store. "We are grateful to have such caring pet partners in our community, and we are looking forward to serving those

new pet families."

Tractor Supply presented the pet food donation to Haven of the Ozarks.

In addition to the pet food donation, the Cassville Tractor Supply periodically hosts pet adoption events throughout the year. Visit TSCEventPartners.com to

learn more about working with Tractor Supply for pet adoption events.

MILL STREET CHURCH of CHRIST

1104 Mill Street • Cassville, MO 65625
417-847-2374

"And if it seem evil unto you to serve the Lord, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the Lord." Joshua 24:15.

Joshua gives some important advice in the last part of the verse; "as for me and my house, we will serve the Lord."

Joshua made a choice, a choice we all will make, a choice of loyalty. Whether we want admit it or not, we all must make a spiritual choice in our lives. We have two options to choose from;

1. The things of the world
2. The things of God.

You must choose. Pilate tried to make no decision by washing his hands of Jesus Christ. While he thought this was a non-decision, he sent Jesus to the cross. Jesus demands a decision; "He that is not with me is against me: and he that gathered not with me scattereth." Luke 11:23.

You cannot be neutral, to not decide for Jesus equals deciding against Jesus. How will you decide? Eternity rests upon your answer. Please join us at The Mill Street Church of Christ as we study God's word in order to make the right choice concerning Jesus.

Campbell Point awarded \$100K grant from MDC

On Feb. 2, the Missouri Department of Conservation (MDC) presented a check to Stimble Enterprises for enhancements at Campbell Point Marina on Table Rock Lake. These dock improvements (pictured in the background) meet the requirements of the U.S. Fish & Wildlife Service's Boating Infrastructure Grant (BIG) program. Pictured, from left, are Gene Stimble of Stimble Enterprises, Laura Ruman of MDC and Melanie Ashby of MariCorp U.S.

Increasing fishing opportunity is a great way to spread messages about wise sportfish conservation. That's the philosophy behind a U.S. Fish and Wildlife Service grant program that Campbell Point Marina is utilizing.

On Feb. 2, Missouri Department of Conservation (MDC) staff presented a \$100,000 check to Gene

Stimble of Stimble Enterprises for improvements that have been made at Campbell Point Marina, which is in Stone County on the western part of Table Rock Lake. The check is for construction completed by Campbell Point Marina, in partnership with MariCorp U.S., which meets the requirements of the U.S. Fish

& Wildlife Service's Boating Infrastructure Grant (BIG) program. The primary requirements of this program are to construct, renovate and maintain boating infrastructure tie-up facilities for vessels 26 feet or more in length. This grant program is part of the U.S. Fish and Wildlife Service's Sport Fish Restoration Program.

Mercy's February Co-Worker of the Month

Michael Schmidt, emergency room tech at Mercy Hospital Cassville, received the February Co-Worker of the Month honor. Michael has worked with Mercy for one and a half years and resides in Monett. He has two children, Mitchell and Mallory.

Michael enjoys hunting deer and turkey and spending time with his children. He has always been interested in healthcare and, after a plant closure at his previous employer, it gave him the opportunity to go to school and work in the emergency room, two things which he has always wanted to do. Michael likes knowing that he is helping someone out in a way that they could never repay him, but he thinks it is so rewarding.

Pictured are Schmidt and George Roden, Director of Operations and Human Resources.

Keep safety on standby.

A standby emergency generator is convenient during a power outage, but only if it's installed and used safely. Never connect a generator directly to household wiring without the help of a licensed electrician. Voltage feedback from improper installation could electrocute co-op members or line crews.

Keep generators outdoors and install a carbon monoxide detector in nearby inclosed spaces. And always keep children away from generators. Ask your co-op for more advice on operating your generator safely.

Barry County producers urged to get risk protection before spring crop deadline

Barry County USDA Farm Service Agency (FSA) Executive Director Brain Blount reminds producers to review available USDA crop risk protection options, including federal crop insurance and Noninsured Crop Disaster Assistance Program (NAP) coverage, before the deadline of March 15. This deadline applies to forage and pasture, as well as spring-seeded crops, including most produce.

Federal crop insurance covers crop losses from natural adversities such as drought, hail and excessive moisture. NAP covers losses from natural disasters on crops for which no permanent federal crop insurance program is available, including forage and grazing crops, fruits, vegetables, mushrooms, floriculture, ornamental nursery, aquaculture, turf grass, ginseng, honey, syrup, bioenergy, and industrial crops.

“NAP policies allow producers to protect their investment by purchasing coverage for noninsurable crops,” said Blount. “Natural disasters are an unavoidable part of farming and ranching and FSA programs like NAP help producers recover when they experience a loss.”

USDA has partnered with Michigan State University and the University of Illinois to create an online tool at www.fsa.usda.gov/nap that allows producers to determine whether their crops are eligible for federal crop insurance or NAP and to explore the best of protection for their operation. NAP basic coverage is available at 55 percent of the average market price for crop losses that exceed 50 percent of their expected production at 100 percent of the average market price available, including coverage for organics and crops marketed directly to consumers. Crops intended for grazing are not eligible for additional NAP coverage.

For all coverage levels, the NAP service fee is the lesser of \$250 per crop or \$750 per producer per administrative county, not to exceed a total of \$1875 for a producer with farming interests in multiple counties. There is additional premium for additional levels of coverage. Beginning, underserved and limited resource farmers are now eligible for free catastrophic level coverage, as well as discounted premiums for additional levels of protection.

For more information on N.A.P., contact the Barry County FSA office at (417)847-2111 or visit the web at www.fsa.usda.gov/nap.

House Approves Bonding Plan for New Veterans Home

I joined my colleagues this week to support a resolution, HJR 54, which would allow Missouri voters to approve \$50 million in bonds to build a new veterans home.

Missouri currently has seven veterans homes located in Cameron, Cape Girardeau, Mexico, Mount Vernon, St. James, St. Louis, and Warrensburg. These homes provide almost over 1,000 skilled nursing beds for veterans. Unfortunately, there are almost 2,000 veterans still waiting to get into a home.

This pressing need prompted the legislature and the governor to look for solutions that will provide adequate care for the 15th largest population of veterans in the nation. The resolution passed the House 153-3 and will move to the Senate next week. I expect this decision will appear on the November general election ballot.

Eliminating Welfare Fraud

The House also acted this week to more efficiently and accurately verify whether welfare recipients are actually eligible to receive services. HB 1795 would allow the Department of Social Services to hire a private vendor to conduct verification screenings for the state's various welfare programs.

In addition to screening applicants, this private vendor would comb through welfare rolls and alert the department of possible fraud and ineligibility. The state anticipates this new verification program will save taxpayers up to \$20 million over the next three years. Other states, including neighboring Illinois, have consistently seen tens of millions in savings.

The Department of Social Services fully supports this legislation and is already accepting bids from vendors. HB 1795 passed the House 129-27 and now moves to the Senate.

Update on Legislation I've Filed

This week I presented the following bills in committee; I expect they be voted "Do Pass" and will move forward next week:

HB 1867 – allows certain s-corporation shareholders to voluntarily reject workers' compensation coverage. This bill simply brings s-corps in line with regulations for newer forms of business organizations

HB 2180 – allows for contiguous road districts within a county to voluntarily combine. HB 2180 also allows the state auditor to audit road districts as deemed necessary.

from Monett and Washburn and learn more about the projects they're pursuing this year. As our state looks to grow its economy, it's important to recognize the critical work our vocational programs do to prepare Missourians for the workforce.

I also had the privilege of being job-shadowed this week by Viki, a student at Southwest High School. If you would like to set up time to job shadow at the Capitol, please feel free to contact my office.

US Supreme Court Stays Clean Power Plan

The federal government's efforts to implement new carbon emissions standards are now on hold following a decision by the US Supreme Court. Missouri was one of 21 states that sued the EPA for exceeding its authority in issuing new, burdensome regulations on energy providers. The cost of complying with the new rules would have cost Missourians more than \$6 billion.

Following the decision, House Speaker Todd Richardson praised the Court's unprecedented decision to stay a federal rule before it is implemented. "I was pleased to see the Supreme Court put a freeze on President Obama's burdensome energy regulations," said Richardson. "We have already been dealing with the negative impacts these new rules would have on Missouri. This decision will help us keep Missouri's energy costs low, save countless dollars in implementation costs, and preserve jobs in the energy sector. The legal fight will go on, but we will continue to oppose undue burdens on our energy production." I echo the Speaker's sentiments and am relieved to see the courts recognize how detrimental this rule would have been to our economy.

I continue to be grateful for the opportunity to serve you, and hope you feel I am representing you well. Stuart and I are here to help if you need assistance with an agency of state government. I welcome your input on pending legislation if you have have an opinion you wish to share.

Feel free to contact me via phone at 573-751-1488 or by email at Scott.Fitzpatrick@house.mo.gov.
