Barry County office filings close for Aug. 2 Election

Contested races for Sheriff, Public Administrator, Southern Commissioner

Charlea Estes

Tuesday, March 29, marked the close of filings for Barry County office positions with terms beginning in 2017. Contested races are on the books for Sheriff, Southern Commissioner and Public Administrator. The positions of Assessor, Coroner and Northern Commissioner are unopposed with incumbents, and no one filed for the Surveyor office.

The Barry County Sheriff position drew the most candidates. After Barry County Sheriff Mick Epperly announced that he was not seeking reelection after a long stint in the position, six Republicans and one Democrat filed for the position.

Travis Hilburn, R-Cassville, filed for the position first. Hilburn is a former Missouri State Highway Patrol Trooper. Danny Boyd, R-Monett, James Smith, R-Aurora, and Justin Fohn, R-Cassville, all filed and are currently officers with the Cassville Police Department. Terry Meek, R-Washburn, is also running as a current officer with the Barry County Sheriff's Department, and Gary Davis, R-Cassville, is a former FBI agent.

The Republican candi-

date will be determined by the August 2 Primary Election and will face the sole Democrat candidate, Justin Ruark, D-Cassville, a current Barry County Sheriff's Department officer, in November.

In the Southern Commissioner race, incumbent Wayne Hendrix, D-Cassville, will get the nomination on the Democrat ticket, but will be facing an opponent in the November election. Hendrix will face the sole Republican candidate, Matt Cupps, R-Shell Knob.

For Public Administrator, four Republicans filed for the nomination, but one has dropped out. When filings closed, Andy Reavis, R-Cassville, Rodney Hughes, R-Cassville, and Keith Daniels, R-Exeter, all filed their declarations of candidacy. Cindy Carr, R-Cassville, dropped out of the race after filing earlier. The August 2 Primary will determine the officer holder as there is no Democrat opponent.

Incumbents who are running unopposed in both the Primary and the November election are Assessor Sherry Sears, R-Cassville, Coroner Jim Fohn, R-Cassville, and Northern Commissioner Gary Schad, R-Purdy.

Shell Knob man killed in one-vehicle wreck on YY

Charlea Estes

A Shell Knob man was killed in a single-vehicle crash on Route YY near Shell Knob Wednesday, March 23, afternoon.

According to the Missouri State Highway Patrol crash report, Roger A. Patterson, 68, was driving eastbound about one mile southeast of Shell Knob when the crash occurred. Around 2 p.m., Patterson's 2012 Ford F150 traveled off the side of the roadway and

struck several trees. Patterson was killed. It is unknown as to whether he was wearing a seat belt at the time of the crash.

Patterson was pronounced dead by Barry County Deputy Coroner Charles McManus at 2:30 p.m. His body was taken to Fohn Funeral Home in Cassville.

This is Missouri State Highway Patrol Troop D's 26th fatality for the year.

Chamber holds Breakfast and Ballot Issues

Cassville R-IV School Board candidates answered questions during the Cassville Chamber of Commerce's Breakfast and Ballot Issues event on Tuesday morning. Pictured above, from left to right: Jeremy Marple, Chad Yarnall and Gamon Sparkman. Candidate Damon Brown was unable to attend.

The Cassville Area Chamber of Commerce hosted their Breakfast and Ballot Issues event on Tuesday, March 29, at 7:30 a.m. at the United Methodist Church in Cassville. During the breakfast, chamber members were invited to listen to various candidates and representatives for other

ballot issues on the April 5 General Municipal Election ballot speak.

The Chamber Board selected questions for Barry-Lawrence Library director Gina Milburn regarding the library's proposed 7-cent property tax levy increase as well as the Cassville R-IV School Board candidates about their positions. Cass-

Voters to consider library tax levy increase

Charlea Estes

Barry County and Lawrence County voters will have the opportunity to vote on a increase in the current library tax levy that funds the Barry-Lawrence Regional Libraries. The issue will be up for a vote on the April 5 General Municipal Election ballots in both counties.

Currently, the library system is funded by a 15-cent property tax levy to run the ten different branches. If the property tax-levy increases, the change will be an additional 7-cents, bringing it up to 22-cents per \$1,000 assessed valuation. The change would be an additional \$600,000 in funding annually for the libraries, according to information provided by the Barry-Lawrence Regional Library.

Part of the reasoning for the Barry-Lawrence Library Board seeking additional funding was the loss of 2-cents on the property tax levy after 2008. The tax levy used to be 17-cents, but due to the Hancock Amendment, the library had to roll back their property tax to last

voter-approved levy, which dated back to 1973. The library gets approximately 85 percent of their funding from taxes. The loss of the funding equated to around \$250,000 between the two counties, according to library director Gina Milburn.

Due to decreases in tax revenue, some of the library system's ten branches have had to scale back hours and staff. With approval of the levy, the library plans to increase staff and services.

For homeowners, the increase for the levy would mean an increase of around \$13.30 per year on a \$100,000 home or \$19.95 for a \$200,000 home. For vehicles, the increase would mean approximately \$2.33 per year on a \$10,000 vehicle and \$4.67 for a \$20,000 vehicle.

Opponents of the levy increase have raised questions about why the library is increasing the levy by 7-cents when their loss was only 2-cents per \$1,000 of assessed valuation. In response, the library board released information stating that the Missouri State Library as well as

ville Mayor Bill Shiveley also briefly detailed the Cassville city issue about the continuation of the use tax on out of state vehicle purchases.

There are four candidates for the Cassville R-IV School Board positions. Current school board members Greg Allan and Hal Smith

See CHAMBER on 3A

Missouri State Statutes say a library needs at least 20-cents in property tax levy to provide "adequate" service.

According to Milburn, funds from the property tax levy will be used for a number of projects, including: more DVDs, audiobooks and books for patrons, new e-books and e-audiobooks as well as e-readers for customers to check out, streaming music and movies for checkout, digital downloadable magazines for checkout, provide Pop Up Library mobile services to underserved communities in both counties, extended branch hours at most locations based on customer needs, a wider variety of databases and job skills training, and provide upgrades and improvements to library facilities.

The Barry-Lawrence Regional Library is made up ten branches: Aurora, Cassville, Eagle Rock, Marionville, Miller, Mt. Vernon, Monett, Purdy, Pierce City and Shell Knob. For more information on the tax levy, the Monett Branch Library can be reached at (417) 235-6466.

are not seeking reelection. Candidates who filed for the positions are Chad Yarnall, Jeremy Marple, Gamon Sparkman and Damon Brown, all parents of students in the district. Yarnall, Marple and Sparkman were at the breakfast, but Brown was unable to attend.

The first question the candidates were asked was why they felt their position was as a school board member. All three agreed that the children were the most important part of the district. Marple said, "I feel like the primary role is to work with the board and to get things accomplished and the main objective is to have successful kids. You have to have a successful board to get things headed in the right direction to keep your teachers happy to have successful children. The children are the most important thing."

Yarnall said, "Well, I personally believe that my primary role as a school board member is not to micromanage but to make sure we've got the best people working to develop our children. As long as we have that going, we'll have successful children and happy children. That way they'll go on to be somebody and come home and grow our community."

Sparkman said, "We need to do what we need to do as a school, not only to make this the best school in the area, but in the district of southwest Missouri. I'm very proud of the area and the school."

He added, "We need to give the faculty and the staff whatever they need to be the best school in the region."

They were asked about what improvements need to be made. Yarnall said, "I feel like by getting the children to respect their teachers and to respect the authorities and to treat our school system with respect, then all we're going to do is grow."

Sparkman said, "As far

as overall improvements, I don't know that I have any improvements that need to be made. Cassville School is on the right path. I just think we need to make sure we help in any way possible."

He added, "If that means hiring a coach or adding a new program, we need to do whatever we can to get those kids involved and get them to be proud of the school and the community."

Marple said, "I think you have to have good teachers and you have to have teachers who have been in the classroom a little while. As a board, we have to figure out how to keep teachers in the district, the good teachers in the district. When you have good teachers that are motivated properly, those teachers will help your children."

They also were asked about their two goals for their Cassville School District. Sparkman said, "Two goals and basically end on the same thing, and that is to make Cassville Schools the best they can possibly be. I would absolutely like to provide those children with the best education they can possibly get and give them as much hands-on experience as they can possibly get."

He added, "The second thing would be pride. I want them to have pride in their community and pride in their school. I want them to think fondly back about going to school here as I did."

Yarnall said, "We want to make our school one of the best in the state. We need to have students who have respect and also pride in their community."

Marple stated, "If I was elected to school board, I'm going to do what I can to make Cassville Schools a destination. I want people

to want to move to the community and to be a part of the Cassville School system. I want it to be a destination for teachers that want to come to Cassville School because they hear, 'Man, that is a great district to work for, I've got to go to Cassville.' You've got to have good people."

"Another would be to do what we can to make sure everyone graduates," he added.

They were also asked about how to assist students in understanding the perils of social media and bullying and what they will base their decisions on as a board member.

The Cassville School Board candidates will be decided on the April 5 General Municipal Election ballot.

Master Gardener classes beginning April 4

Calling anyone passionate about plants and plant growth. Reagan Bluel, Barry Co. Program Director for the University of Missouri - Extension office, is proud to announce the offering of another Master Gardening core curriculum training session.

The 10 session training event is taught by experts in the field. The training series will meet twice weekly, on Monday and Wednesdays, at Cassville Public Library beginning April 4 from 10 a.m. to 1 p.m.

The Master Gardening curriculum for 2016 includes information on: plant growth, soil nutrition, composting, pollinators, home fruit production, vegetable production, plant pathology, plant propagation, landscape trees, integrated insect/pest management and landscape

design.

An orientation session has been scheduled for March 31, 2016, at 10 a.m. at the Barry County Library, 301 W. 17th Street, Cassville, MO 65625. This orientation will serve as a helpful resource to provide general information about the Master Gardening program. A minimum participation is required for this program to run, so please contact your local MU Extension office if you are unable to attend orientation at (417) 847-3161.

The mission of the Missouri Master Gardener Program is to train volunteers to educate others about safe, effective and sustainable horti-

culture practices. In addition to core curriculum training University of Missouri - Master Gardener graduates are required to give back to their community by volunteering a minimum of 30 hours assistance to the horticulture programming efforts in Barry County.

A minimum enrollment is required to proceed with the course. If you are interested in enrolling or receiving additional information about the Master Gardening program, please contact the Extension office at 847-3161, or BluelRJ@missouri.edu

Create a budget-friendly home landscape

Homeowners understandably envy the award-worthy photo spreads in lawn and garden magazines, wanting to emulate those same looks on their own properties. Scores of designers and landscape architects are involved in the process of creating those amazing lush lawns and perfectly placed plantings. Although not every homeowner has the budget to create lavish landscape designs, it's still possible for homeowners to create lawns they can be proud of.

- Establish your budget. The first step in any project is to determine how much money you can devote to the job. Once you have established the budget, all other factors can be built around it.

- Find an inspiration piece. Great landscapes are inspired by many things, whether it's a memorable piece of art or a landscape layout in a lawn and gardening magazine. Use photos of other gardens or neighbors' yards as inspiration and build off of them. As long as the theme is cohesive, it will look pleasing to the eye.

- Consider the space and how you want to use it. Understanding the space will help you better allocate your budget. If your yard is more of a retreat, look for ways to create privacy and a vacation feel. If you have kids and en-

tertaining friends is a main priority, focus on recreational aspects, such as a pool, play-set and some durable plants. Understanding how to allocate your budget will help you to avoid spending money frivolously.

- Think about reclaimed or repurposed materials. Brand new items can quickly eat up a budget. However, repurposing salvaged or inexpensive items can stretch that budget while adding some unique flair to a landscape. See if you can find an outdoor patio set that someone is giving away or selling for a lower price. All it takes is a coat of paint and some new cushions to make it look like new. Discarded bricks or stones can be worked into a patio space or used to create raised garden beds. Purchase inexpensive flower pots and then paint them to make them look like stone or another desired material.

- Buy native plants. Native plants, shrubs, trees, and flowers will fare better than non-native, exotic plants. That means you'll have to spend less time and money nurturing them into health, and less money having to replace plants that cannot withstand your climate.

- Consider perennial plants. Perennials may cost more at the outset, but the savings will be realized in the

Hwy 60.

years to come.

- Hire a professional. It may seem counterintuitive to spend money on a landscaping professional when you've established a strict budget, but that's one way to save money. Landscape artists or garden designers have the experience to guide you in the right direction and help you avoid potentially costly mistakes.

- Use gravel in spots where plants don't thrive. Gravel is an inexpensive landscaping material that can fill in voids where plants or ground cover simply do not flourish. Those

working on limited budgets may be happy to learn gravel is typically less expensive than concrete or pavers.

- Ask friends or family for clippings. Don't be shy about admiring the plantings of those you know. Flatter their good taste and ask if you can have some clippings to propagate yourself. These clippings can turn into lush plants in no time - with no additional spending required.

With some frugal spending, planning and budgeting, anyone can create a beautiful landscape.

Local teen chosen as pageant State Finalist

Rebelle Sturgell, 14, has been chosen as a State Finalist in the National American Miss Missouri Pageant to be held June 25, 2016, in Columbia at the Holiday Inn. The National American Miss pageants are held for girls ages 4 to 18 and have five different age divisions. The girls participate in competitions such as Interview, Formal Wear, Photogenic, Modeling, Spokes model, Actress and many others.

Rebelle will be participating in the Junior Teen age

division with many other young ladies from across the state. National American Miss promotes life-long skills and public service in young ladies. This pageant is an all-natural pageant with emphasis on poise, public speaking and self-confidence. Each year, National American Miss awards \$1.5 million in cash, scholarships and other prizes, including a Ford Mustang and a trip to Disneyland.

Rebelle's activities include hunting, fishing, baking and gardening. Rebelle is in middle school band, winter guard and does volunteer work. She is an active member of Bridgeway Assembly of God in Shell Knob.

Miss Sturgell is the daughter of Randal and Connie Sturgell of Cato, granddaughter of Dorman Sturgell, of Aurora, the late Isabella Sturgell, of Aurora, and the late Oliver and Doris Ash, of Purdy.

CLARIS KING

Claris King, 84, of Bentonville, Ark. formerly of Cassville, passed away Monday, March 21, 2016, in Bradford House Nursing and Rehabilitation.

She was born November 13, 1931, in Carr Lane, the daughter of Efton and Bes-sie (Bowl-in) McCullough. On May 15, 1950, in Ber-ryville, Ark., she was united in marriage to TJ King, who preceded her in death on June 24, 2014. Also preceding her in death were three brothers, Paul, Olen and Dayles McCullough, and one sister, Martha Standlee.

Surviving are one son, Michael King, of Benton-ville, Ark.; one granddaugh-ter, Journee Grace King; and many nieces and nephews.

Claris spent most of her life in Barry County prior

to moving to Arkansas three years ago. For several years, she was employed as a lead line operator at Fasco. She and her husband also farmed and she also worked for Jus-tin Boot for a while. She was a member of Blessing Heights Worship Center in Cassville. She was extremely proud of her son and granddaughter.

Funeral services were held at 2:00 p.m. Saturday, March 26, 2016, in Fohn Funeral Home, Cassville. Pastor Car-roll Williamson conducted the services. Burial was in Mineral Springs Cemetery, Cassville.

The family received friends from 6:00 until 8:00 p.m. Friday in Fohn Funeral Home, Cassville.

Contributions may be made to the American Cancer Society for Lymphoma Re-search in memory of Claris.

Thank you!

The family of Floyd Reed would like to thanks everyone for the flowers, food, cards, calls, donations and prayers during our loss. A special thank you to Dewayne and Irene Day for the wonderful service.

Thanks to Cheryl and Calla and the girls at C and C Country Store for helping with the dinner.

Thank you.

Rusty Reed, AJ Reed, Amber Reed and Families.

Like a shimmering rainbow appearing briefly after a storm, we are reminded that life too, in all its glory is also fleeting, and it is only in memory that beautiful moments can remain in our grasp.

We conduct every funeral service as to be a source of comfort and inspiration to the living as well as a worthy and memorable tribute to the departed.

JOHN RICHARD KEEVEN

John Richard Keeven, 82, of Cassville, passed away in his home on Thursday, March 24, 2016. Mr. Keeven, son of John Malcom and Vida Veleta (Calvin) Keeven, was born on June 1, 1933, in Clements, Kan. He served in the United States Navy during the Ko-rean Conflict. Upon returning home from service, he owned and operated Sears Monu-ment Company in Omaha, Neb., for twenty-five years.

On August 22, 1978, he was united in marriage to Mary Rhoten in Blair, Neb. Mr. Keeven later pur-chased First and Last Chance Sa-loon in Missouri

Valley, Iowa, and operated it for eighteen years before re-locating to Cassville in 1993. He was a business entrepre-neur, purchasing several busi-nesses to include Cedar Creek Golf Course in Shell Knob, Keeven's Roaring River Wa-terslide in Roaring River, and Memories Bar and Grill in Cassville.

As a proud veteran, Mr. Keeven had the privilege of flying to Washington, D.C. with Honor Flight of the Ozarks in 2013 to view the Korean Conflict and World

War II monuments. He loved sports cars, jet boats, and go-ing to car shows. He was very close to all of his sons, hold-ing a special bond with each of them.

Survivors include his wife of thirty-seven years, Mary Keeven; five sons, Shawn Keeven and Johnny Rounds, both of Cassville, Herkey Rounds and his wife, Tami, of Magnolia, Iowa, Roger Rounds, of Monett, and Ricky Keeven and his wife, Rachel, of Springfield; five grand-children, Nicholas Rounds, Alexis Rounds, Jaden Keeven Steele, Josie Keeven, and Maylea Keeven Henderson; and numerous friends.

In addition to his parents, he was preceded in death by one sister. Memorial contri-butions may be made to the Honor Flight of the Ozarks and entrusted to the White Funeral Home and Crema-tory, P.O. Box 890, Cassville, MO 65625.

Funeral services were held at 2:00 p.m. on Tuesday, March 29, 2015, at the White Funeral Home and Crema-tory, with Chaplin Clyde Mc-Clain officiating; burial fol-lowed at Oak Hill Cemetery, Cassville, with full military honors provided by the United States Navy and V.F.W. Post # 4207 of Monett. The family received friends from 6:00 p.m. to 8:00 p.m. on Monday, March 28th at the funeral home.

Coordinating traffic lights on US 60 planned for flow

Drivers along U.S. Route 60 in Monett will see changes to the way signals operate in an effort to improve traffic flow through town beginning Monday, March 28, the Missouri Department of Transportation said.

Beginning with the traffic signals on Route 60 between Kyler Street and Lowes Lane, MoDOT will re-synchronize signals to keep traffic moving with minimal delays. The re-synchronization will mean the signals will turn green in advance of traffic, allowing drivers to make it all the way through the corridor with minimal or no stopping. Traffic approaching

from a side street may experience wait times of up to one minute before getting a green light.

Previously, the signals were operating in "free operation" mode, meaning side street traffic would be detected as soon as it approached the stop bar. If no traffic was detected on Route 60, the side street light would turn green. The new signal coordination will allow for less stop-and-go for drivers traveling on Route 60.

MoDOT traffic engineers will continue to monitor the flow of traffic and make adjustments to the signal timing as needed.

Barry Electric annual meeting

Marvin Phipps, Secretary of the Barry Electric Cooperative, announced the sixty-ninth annual meeting of Barry Electric Cooperative's membership will be held at the First Baptist Church Family Life Center, 5th and West Street in Cassville, Missouri, at 1 p.m., April 14, 2016 to take action upon the following matters.

1. The report of officers, directors and committees.
2. The election of three directors of the cooperative.
3. Approval of revised By-Laws.
4. All other business that may come before the meeting or any adjournment thereof.

Registration will begin at 12:00 noon and the business session will be called to order at 1:00 p.m. Members are asked to bring the registration card that is on the outside cover of their April issue of the Rural Missouri.

This year's meeting will be sixty-ninth annual meeting of the Barry Electric Cooperative membership. Drawings for door prizes will be held during the meeting, you must be present to win.

Each member registering and voting will receive \$10.00 credit on his or her May 2016 electric bill.

All members are urged to attend.

Barry County 4-H benefit dinner slated for Apr. 1

The Barry County 4-H program will be holding a benefit dinner and auction to raise funds for scholarships for Barry County youth.

The benefit will be held on Friday, April 1, at 5:30pm at the Family Life Center 200 E. 5th Street Cassville.

Many local businesses and individuals have donated many auction items to the event. Donors include Tractor Supply Company, Westco Home Furnishings, MFA, Silver Dollar City, Missouri Botanical Gardens, and many more.

Barry County 4-H has recently found new life and has grown quite a bit in the last year. The local 4-H clubs and their members work tirelessly to make the best of their clubs and communities, and to make the best better.

These young people have

made great achievements within their county, and we would like to make it possible for these young people to experience 4-H outside of Barry County. There are countless regional, state, and national 4-H opportunities for these young people to partake in.

The proceeds from this event will be awarded to outstanding 4-H youth in Barry County in the form of scholarships to attend regional, state, and national events.

All are welcome. They ask for the community to join them on Friday night to celebrate these young people and to support their futures.

The cost is \$5 per person. You may purchase tickets at the Barry County Extension Office or pay at the door.

Letter to the Editor

Residents of Cassville,

Once again, the city council is discussing the option of flood insurance. I have to wonder who it is that stirs up the same discussion over and over again. It isn't like we haven't been there before. To start with, the option of entering the flood insurance program has some serious stipulation. As stated in this publication last week, all structures built after 1977 would have to be inspected and made somewhat flood proof or elevated on stilts in order to get them above the flood plain. Then, large retention basins would have to be built around the city in various locations in order to slow the incoming waters during heavy rains. The ironic part of this idea is the fact that the worst flooding takes place in parts of the city that was developed long before 1977. Properties that are located in this region would apparently be exempt from the insurance program.

If it weren't for the fact that it is such a senseless program in the first place, it would be almost hilarious. But, in reality, it is no more than an immense taxation on property owners in order to make the option of federal grants available to the city.

Stop and think about it. Lets say that the city enters into this plan and all of the proper-

ties built after 1977 have to be modified, as necessary, in order to comply. Now, after spending all this money to meet these requirements, the owners are told that they now have to buy flood insurance, which as the article stated, can easily cost \$700 a year or more. Even though these properties have been made "flood-proof," the insurance is still very costly. After all, the structures are now elevated, and flood damage is much less likely. With this kind of rationale, would it not be smarter for the citizens to simply fund the building of these retention basins with the same money that they would otherwise be paying out for flood insurance? It doesn't have to be done all at once, but rather through a long term plan which would approach the most serious problems as well as the least costly problems first. Funding would have to be through a bond issue of some type and complete results would not be achieved for years to come, but a least the heavy cost insurance would not become such a permanent burden for city property owners.

Another thing to consider is that insurance premiums don't go down, they go up. So what may start out as \$700 a year today could easily be \$1,500.00 in a few years. Not to mention

once you enter the program, you have no option to cancel this policy. If this is put into effect, you will be forced to comply permanently.

In my opinion, this issue has only been brought up because the city wants the grant money, but the only way to get it is to enter the flood program. No problem, let the property owners pay for it through flood insurance. Then, the city can have opportunity to get their hands on more "free money."

Last but not least, we should all take a look at how the city spends the funds they currently have. For years, I have complained to the city about the deterioration of sidewalks in this town. None of them have been replaced as far back as I can recall. No one in city government paid any attention to the state of Missouri offered to pay for it. Now, they are all for it. Then, there is the buildup of gravel in the creek east of town as well as the drainage ditch between 10th and 11th street. This has been a problem for the last 25 to 30 years, but no one is going to address it unless we can get someone else to pay for it. A year or so ago, there was an issue on the ballot to add an additional city sales tax for the paving of city streets. The tax has been in place for quite some time now, but how many streets have been re-paved or even repaired? They have not even done so much as repair the potholes throughout the town.

If you want to see a conservative transform to a liberal, put them in charge of your tax dollars.

Cassville Show Choirs earn accolades throughout season

The senior members of the Cassville Show Choirs are pictured above, from left to right. Front row: Jena Hilburn, Kiley Wolf, Ryann Stewart, Brooke Cornell, Mrs. Mary Richmiller, Jaci Evans, Madison Stephan and Cheyenne Black. Back row: Sam Paddock, Drake Thomas, Allen Lambel, Leigh Cox, Jakob Bredeson, Allen Boston and Jackson Kirk.

The 2015-2016 show choir season for Centerstage and NBA (No Boys Allowed) was a season of growth. Centerstage attended a total of five competitions this season and remained in the top four of their category or class, and NBA climbed up the ladder throughout the year.

The first competition was in Mt. Vernon on January 23, 2016, and Centerstage received second in class 3A and Best Opener. The second competition was on January 6, 2016, in Joplin. Centerstage received third in 3A at this event. The next competition was in Carthage on January 12, 2016. Centerstage accomplished getting fourth place in 3A and NBA received 5th in Class B. The fourth competition was on March 5, 2016 in Webb City. The choir achieved second place in 3A and Best Ballad and NBA placed third in Class B.

Lastly, the choir went to Quincy, IL., on March 12. They received a gold and fourth in the Artistry Division. Soloist Jeremiah Hilburn received Best Male Soloist for "Cats in the Cradle". Kiley Wolf and Hope Boston also competed in the solo competition

that evening. Kiley placed fourth and Hope placed third out of the six asked to sing again before awards. These students have worked hard and with a lot of dedication this season, and it is proven through their many accomplishments.

The NBA Dance Captain is Emily Sink. The section leaders are: Kaylee Boxley and Maddie Mason, and the student conductor is Madison Strahan. Centerstage Dance Captains are: Brooke Cornell and Jackson Kirk. The section leaders are: Ki-

ley Wolf, Cheyenne Black, Jena Hilburn, Drake Thomas, and Allen Lambel. The student conductor is Jaci Evans. The show choirs are

led and directed by Mary Richmiller and Leslie McCullough.

QUESTION:

Shall the City of Cassville continue applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer?

Approval of this measure will not result in a reduction of local revenue to provide for vital services for the City of Cassville and it will not place Missouri dealers of motor vehicles, outboard motors, boats and trailers at a competitive disadvantage to non-Missouri dealers of vehicles, outboard motors, boats and trailers.

Wolf awarded lifetime achievement award CHS Speech and Debate places at Districts

Pictured above, from left to right, are: Conner Wolf, Denny Wolf, Kiley Wolf and Missy Wolf.

Denny Wolf was presented the Music Advocacy Award during the Cassville R-IV Music in our Schools concert on Tuesday, March 15.

Wolf was unanimously chosen for this award by the Cassville R-IV Music Department staff based on his dedication to serving the department through volunteerism and advocacy.

“Mr. Wolf was an easy choice for this year’s Music Advocacy Award recipient,” said Ms. Richmiller, Cassville High School (CHS) Choral Teacher. “When our department staff sat down to discuss nominations, we were all in 100 percent agreeance that Mr. Wolf should receive the award.”

Wolf has spent countless hours volunteering to run

the sound during all music related events at Cassville R-IV.

“He understands the technology behind running the sound and always does an outstanding job for our department,” stated Richmiller.

Wolf also drives the travel trailer to every choir competition and attends all band competitions.

Wolf and his wife, Missy, reside in Cassville with their two children, Conner, who is a sophomore at CHS, and Kiley, who is a senior.

Cassville students competed against 22 other schools in the MSHSAA District tournament. Students placing at Districts are pictured above. From left to right: Jake Whitham, third place Humorous Interpretation; Mary Hennigan, third place Poetry; Ying Thao, 5th place Dramatic Interpretation; Valeria Perez, fifth place Original Oratory; and Jeff Crumpler, fourth place Lincoln Douglas Debate. Not pictured: Olivia Padilla, third place Lincoln Douglas Debate.

Central Crossing Senior Center offers fall workshop

Did you know that up to 30 percent of adults living in our communities fall each year? Did you know that approximately 20 percent of falls cause physical injury and that falls are a leading cause of injury and even death for older adults? Well, it’s true and so preventing falls can dramatically reduce injuries among senior adults.

Here are a few other facts about falls:

- ½ - 2/3 of falls occur around the home.
- A majority of falls occur during routine activities.
- Falls aren’t usually caused by just one issue – rather a combination of

things coming together.

- Most importantly, a large portion of falls ARE preventable.

Since falls can be so injurious and since many, if not most falls are preventable, the Central Crossing Senior Center, in conjunction with the Southwest Missouri Office on Aging is offering a workshop aimed at helping seniors prevent falls. In this workshop, participants will learn what we know about falls and the fear of falling. It will include the latest research on the subject which is specifically designed to reduce the fear of falling and increase the activity levels of

older adults who have concerns about falls. The Matter of Balance training consists of 8 two-hour classes. The classes will teach participants to view falls as controllable and set realistic goals for increasing activity by reducing risks in their environment and to promote targeted exercises to increase strength, flexibility and balance.

The classes will be highly interactive, but will also be highly instructive.

There is no cost for the workshop, but registration is required and size is limited to 12. The workshop will be held on April 5, 7, 12, 14, 19, 21, 26 and 28, beginning at 9 a.m. through 11 a.m. Please call (417) 858-6952 to sign up. Central Crossing Senior Center is located at 20801 YY 15 in Shell Knob. This workshop will fill quickly, so please don’t delay to reserve your spot. All participants will receive a workbook and light refreshments will be provided.

McDonald County Mustang Relays opens area track season

Lee Stubblefield

It's that time of year when basketball and track collide. While most of the sports-minded were inside and enjoying the spectacle of March Madness, southwest Missouri runners, throwers and jumpers huddled in the stands at McDonald County High School on Thursday for the opening meet of track season.

The Mustang Relays is a rite of passage for area track teams. The wind always blows at Anderson, and it is always cold for that first meet. With temperatures

typically hovering in the 30's, there is a bigger demand for hot chocolate than gatorade at the concession stand.

Carthage dominated this meet, but athletes from Cassville, Purdy and Southwest figured in the scoring. Cassville was strong in the sprints and field events, with both River Phelps and Brianna Hemphill collecting a pair of individual medals. Purdy's Layne Skiles also earned a pair of individual medals.

Results for area athletes included:

Girls 100 Meter Hurdles: Trinity Ewing, Cassville

High School, 5th - 18.30.

Girls 3200 Meter Run: Jordan Campbell, Cassville High School, 6th - 13:54.50.

Girls 4x100 Meter Relay: Cassville High School, 3rd - 55.20.

Purdy High School, 5th - 56.37.

Girls 4x200 Meter Relay: Cassville High School, 4th - 1:56.20.

Girls Discus: Layne Skiles, Purdy High School, 5th - 81-06.00.

Girls High Jump: Brianna Hemphill, Cassville High School, 3rd - 4-08.00.

Girls Javelin: Josi Rose, Cassville High School, 1st - 87-02.00.

Girls Shot: Layne Skiles, Purdy High School, 5th - 29-10.00.

Girls Triple Jump: Brianna Hemphill, Cassville High School, 4th - 31-02.50.

Boys 100 Meter Dash: River Phelps, Cassville High School, 4th - 12.10.

Boys 200 meter Dash: River Phelps, Cassville High School, 5th - 24.40.

Boys 400 Meter Dash: Austin Wilson, Cassville High School, 3rd - 53.80.

Boys 4x100 Relay: Cassville High School, 3rd - 46.80.

Southwest (Washburn) High School, 6th - 50.90.

Boys 4x800 Relay: Southwest (Washburn) High School, 5th - 10:03.00.

Cassville High School, 6th - 10:11.00.

Boys Javelin: Arthur Reed, Cassville High School, 3rd - 117-09.00.

Boys Pole Vault: Austin Periman, Cassville High School, 5th - 9-00.00.

Boys Shot: Satchel Hill, Cassville High School, 2nd - 47-01.00.

Southwest Trap Team brings home Winter Game medals

Pictured left to right are Hayden Fox, Elizabeth Wolfe, Emily Snyder and Levi Moore

The Southwest Trap Team recently travelled to Branson, shooting in the Winter Games. In the high school division, junior Levi Moore outdistanced all shooters to bring home the gold medal. Senior Hayden Fox won bronze. In the ladies divi-

sion, junior Elizabeth Wolfe finished tied for the gold but lost in a scorecard decision to come home with silver. Sophomore Emily Snyder won bronze.

Coach Mike Vining said "The team shot well in very windy conditions. Bringing

home four medals is very encouraging leading up to the State Championships at the end of April."

The team is working hard in practice, and will be ready to make another run at a State Title.

Lady Cat Hoops Club has successful season *Lady Eagle softball wins Mt. Vernon tourney*

Pictured above, left to right, are: Hoops director Desiree Corn, Lexie Sanders, Ella Perman, Security Bank President Jon Horner, Makayla Hollingsworth and Leslie Turner.

The 2015 Lady Cats Hoops Club recently completed another successful year for the program.

This program promotes youth basketball skills for girls in third through sixth

grade.

The are coached by the middle school basketball staff and players. Once again, Security Bank of Cassville donated shirts to each participant in the program. Each

team was able to have different colored shirts. The coaching staff and players were gracious to Security Bank for contributing to another successful year for the program.

Dear NCAA: A Sports Editorial

Lee Stubblefield

The following is a letter I composed in response to the NCAA television contract that assigned the broadcast rights of the NCAA men's basketball tournament to CBS and a number of cable/satellite providers. In case you haven't guessed, I am not happy.

Dear NCAA,

I am writing to express my extreme displeasure with the coverage of the NCAA basketball tournament. While there have been some good games so far, the real "March Madness" is the travesty of moving so many games to cable-only stations like TNT, truTV and TBS.

Seems like I wrote this same letter about ABC and ESPN back during the NCAA football bowl season. Any game worth seeing was only shown on the various ESPN channels.

I am a bonafide cord cutter. I have not had cable or satellite television in years. We survive on the free network broadcasts, a minimum of movie/dvd rentals and the wonderful collection of movies and series available for free checkout at the Cassville library. Cheap doesn't begin to describe my approach to television viewing.

For several years, we had a membership to the Mercy Fitness Center, where we often timed our workouts to coincide with specific sports events only available on cable. More than once, we went to the center JUST to watch a game and barely pretended to use the exercise equipment. A pastor friend of mine uses this as an example when giving financial counselling to young couples. I am flattered.

I think the powers-that-be who control the sports programming and are responsible for hiding it on cable to try to force us into subscribing don't realize that once people cut the cord, they become wonderfully free and almost never return to the cable/satellite lifestyle. Games that once dwarfed other entertainment choices are relegated to just a box score in the newspaper or on the internet. Hours of watching are condensed to a few minutes of highlights on youtube.

The slippery slope of daring customers to cut the cord

is a dangerous move for the networks and the cable companies. They just don't seem to realize just how prevalent cord-cutting is.

Or maybe they do. Not a week goes by that I don't receive a solicitation in the mail offering me a huge discount on my television costs. I just laugh and toss them because they can't discount my costs unless they pay me to watch. It's hard to beat free.

I am still enough of a sports fan that I have found internet options for viewing selected games and events. With a little study and ingenuity, the average fan can obtain the equivalent of pay-per-view for just a few bucks. I can justify shelling out pocket change to watch my favorite college team in a bowl game or championship bracket. But that is not going to happen for a regular season game.

This is all just part of the conflict between the custom-

ers who want a true buffet of choices with a cable/satellite package. I don't know anyone who wants all those infomercial channels or the dozens of music channels that somehow never get any play. Just like politics, the television programming arena is about to get very interesting.

NCAA, I hope the broadcast of the tournament games on TBS, TNT, and truTV is a ratings disaster. I'll probably watch the Final Four games... for free...somewhere.

Go Syracuse.

Lady Eagle spring softball members, are: Abby Parsons, Zoe Brown, Andrea Humphrey, Sami House, Morgan Schilly, Ashton Young, Breanna Keeler, Rion Boyd, Skylar Lakey, Michey Schad, Casey Ellison and Hallie Henderson. The team is coached by Lori Videmschek and Jennifer Cornelius.

The Purdy Lady Eagles softball team recently won the Mt. Vernon softball tournament and left no doubt in their opponents eyes that they mean business this season.

They made that statement known at the plate, where they scored 59 runs in the four-game tournament.

In the championship game of the tournament, the Lady Eagles faced Mountain Home, Ark., a 6A team.

Purdy never flinched at the size of the school, soundly defeating them with a 17-2 victory for the first place trophy.

The Lady Eagles aren't slowing any of their offensive momentum. On Monday, the lady Eagles smashed Marionville in four innings, 16-1.

On Tuesday, the Lady Eagles took on Southwest. Purdy held the Lady Trojan scoreless with an 8-0 victory. Lady Eagle Rion Boyd belted a 2-run homerun in the game.

The Lady Eagles will take their bats to Verona on Thursday. First pitch is set for 5 pm.

Thank You

for taking the time to share our anniversary with us and for the many cards, best wishes and gifts!

A special thank you to our sons, daughters-in-law and grandchildren for giving us more lasting memories with such a wonderful celebration!

Southwest Little Theatre students have evening award ceremony

Pictured are SLT performers receiving top awards with Miss Missouri the host for the SLT Angel Awards: (left to right) Hailey Foster, Best Actress; Bethany McMurry, Best Supporting Actress; Alex Jimenez, Best Actor; McKenzie Garber, Miss Missouri; Orion Lawyer, Best Supporting Actor; Savana Leonhardt, Best Student Director; Zoe Albertson, Best Cameo Actress; and Hayden Fox, Best Cameo Actor.

The Southwest Little Theatre, under the direction of Mr. Wyatt Hester, presented its 16th Annual Angel Awards in a Dramatic Monologue format hosted by Miss Missouri on March 19, 2016. The theme was What a Wonderful World and every SLT student presented a monologue that corresponded to the theme.

The Best Play was awarded to the cast of Antigone 1865 and Best Student Directed Scene was awarded to Karate Instructor.

Students awarded Mrs. Karen Hester with a plaque for continually volunteering her time to make costumes for the productions. She was also given a desk chair as a gift from the SLT actors because she had given her desk chair to a new teacher and did not have one.

SLT Angel Scholarships were awarded: The Hutchens Construction Scholarship - Savana Leonhardt and Jaime Shrum; The John and Bobby Jo Dye Scholarship - Mikaela Black; The John and Linda Dye Scholarship - Hayden Fox and MaHolla Crowe; The LaVer Sexton Scholarship - Skylar Maleki; The Bob and Sally Walker Scholarship - Sydney Delossantos and Baylea Ford; The Freedom Bank Scholarship - Jerica Lawrence; and The Wyatt and Karen Hester Scholarship - Hailey Foster and Samantha Robbins.

There was a recap of the Ozark - 7 One - Act Awards: Skylor Rausa, Best Actor; Samantha Robbins, Best Actress; Tanner Leonhardt, Best Supporting Actor; and Bethany McMurry, Best Supporting Actress. Antigone 1865 was the Best Play.

The evening also included awards for the SLT Junior High Actors: Matthew Robbins, Best Actor; Rachel Jimenez, Best Actress; Austin Moreton, Best Supporting Actor; Shelby Blevins, Best Supporting Actress; and Anne Frank was best scene.

Purdy alumni take the stage for special choir concert

Former Purdy R-2 School District vocal music instructors Shiela Young and Sharon Vaughn joined current instructor Lauren Lee in conducting the district's first annual Alumni and Community Choir event on Saturday, March 19. Seventeen Purdy High

School alumni and community members gathered in the elementary gym to reminisce, rehearse and perform five musical numbers for delighted attendees of the evening's concert.

Musical selections included We're the Choir, directed by Young; Rise Up with Music, Old Joe Clark and You Raise Me Up, di-

rected by Vaughn and Bonse Aba, directed by Lee. Members of the current Purdy High School choir joined the group on two songs.

Comprising the PHS alumni section of the choir were Cindy Burnside, Class of 1985; Kaitlyn Carpenter, Class of 2013; Dana Cunningham, Class of 2014; Cindy (Schallert) Kadlec, Class of 1988; Lacey Nelson, Class of 2006; Madison (Vice) Willey, Class of 2013; Katherine Wise, Class of 2015; Shelli (Young) Wiseman, Class of 1985 and Chandler Young, Class of 1992.

Community members lending their voices to the choir included Debbie Carpenter, Janie Cunningham, Marcia Deems, Elizabeth Grissom, Morgan Grissom, Dianna Laswell and Renae Neill.

Shiela Young inspired

Mrs. Sheila Young returns to the Purdy stage to the delight of all.

music in Purdy students from 1979 until her retirement in 1992. Sharon Vaughn brought students' melodies to life from 2002 to 2012. Lee is in her twelfth

year of musical direction at Purdy.

Lee noted of the inaugural event, "As people started showing up, there were lots of mini reunions; classmate-to-classmate, student-to-teacher, colleague-to-colleague, but mostly, friend-to-friend, which was heart-warming to watch, but then when we began rehearsals and they sang their first note, I knew it was going to be a good day. It was a day of music-making, catching-up, and lots of smiles."

Plans are already underway for next year's concert.

Mercy's March Co-Worker of the Month

Stan Small, maintenance technician, is the March Mercy Co-Worker of the Month. Stan has worked for Mercy for a year and resides in Cassville with his wife. He also has four children and two grandchildren.

Stan enjoys sports, antique shopping and garage sales. His wife works at Mercy and through her, he met a lot of people and decided to join the team. As a maintenance tech, Stan is everywhere in the hospital and gets to help several patients, visitors and co-workers. "Mercy is a great place to work and was a great move for me," he said.

Pictured are George Roden (left), Director of Operations/ Human Resources, and Small (right).

Commerce Bank donates to P.A.C.E.

Commerce Bank of Cassville made a donation to the Cassville Community Foundation (P.A.C.E.) as part of their initiative to help the community by supporting area non-profits that make positive impacts on the lives of Barry County citizens. Commerce Bank and Commerce Bancshares Foundation donated \$1,000 to Barry County Museum to help the Cassville Education Fund and other non-profit organizations through P.A.C.E.

Pictured above are, from left to right: Mike McCracken, Commerce Bank president; Angela Seymour, P.A.C.E.; Dan Angel, P.A.C.E.; and Debra Mitchell, Commerce Bank vice-president.

Nominations for Silver-Haired Legislature open

Would you like to be active in promoting and advocating for legislation in the interests of your senior community? Now is your opportunity. The Southwest Missouri Office on Aging is seeking candidates 60 years of age or older for the Silver Haired Legislature (SHL).

Nominations are being accepted for the following two-year house terms: District 4: Barry, Christian, Dade, Dallas, Lawrence, Polk and Stone Counties (two positions).

Senatorial Districts: (two year term): West District:

Barry, Christian, Dade, Dallas, Lawrence, Polk, and Stone Counties (one position)

If you are interested in running, please obtain a "Declaration of Candidacy" from your local senior center, Cassville Senior Center, 1111 Fair St., Cassville. Declarations must be filed by April 1, 2016, and elections will be conducted on Tuesday, May 9, 2016. Polling places have been established at the local senior centers, which will be open during regular center hours. Any interested individual who is age 60 years of

age or older is eligible to vote.

SHL delegates are hosted in Jefferson City each fall for a model legislative session. During that time delegates debate and vote on five "priority proposals" or concepts for presentation to the Missouri General Assembly for the upcoming year.

All 120 representatives and 30 senators elected from the 10 Area Agencies on Aging (AAA) serve voluntarily, without pay. Each AAA elects three senators, 12 representatives and three to six alternates.
