

Recent flooding exceeds 2015 levels

LOCAL AUTHORITIES STRESS THAT COOPERATION LED TO SMOOTH MANAGEMENT

Charlea Estes

Multiple agencies came together over the weekend to preventively stage and ensure the safety of Barry County residents during a flood-inducing rain. Efforts included the City of Cassville, area fire departments, the Barry County Sheriff's Department, the Missouri State Highway Patrol and local police departments. While there were 11 water rescues that took place, there were no reported injuries in Barry County related to the flooding.

This flooding episode did, in fact, surpass the December 2015 event, with historic crests at Roaring River and Flat Creek. Roaring River crested at 9.82 feet this weekend, with the previous record of 9.6 feet in 2011. For comparison, the crest was 9.4 feet in the July 2015 flood.

Flat Creek at Jenkins crested at 25.74 feet versus 25.30 in December 2015.

David Compton, Barry County Emergency Management, confirmed the data. He also said rain was comparable to 2015 quantities.

Barry County Sheriff Gary Davis attributed the smooth management of the flooding to cooperation amongst agencies, but also to citizens. He said, "I can't thank the citizens of Barry County enough. They didn't get out. They stayed home, which prevented a lot of problems."

Cassville city administrator Steve Walensky said the coordination efforts prior to the rain included staging different vehicles and departments in varying areas that are typically hard to reach when Flat Creek floods. He said, "I really appreciate the cooperation with the businesses and the citizens, and there was outstanding coordination with our fire, police, Sheriff, Highway Patrol, conservation agents and water rescue folks, and also with Dave Compton with emergency management. There was a very well organized communication plan, well organized asset management plan and strategically placed equipment on various sides of the creek so that we would have access at points we would normally get cut off."

"To sit back as a city administrator and be a part of that and see how well the communication worked and move forward was great."

Sheriff Davis said, "We mostly did traffic direction and responding to the very few calls that 911 did take, but I think the coordination made light years difference toward making it smooth from this side of things. I did pre-stage some deputies in places you can't get to once it floods."

Walensky said that he has had citizens reach out to him to thank the city for the work the city has done on Flat Creek. While there were historic crests, the investment the city has made did impact the severity of the flooding. Walensky said, "When you go up and down Main Street and you see how Regal didn't have any water in their facility. No building on Main Street flooded as far as we have been told. Nothing has been reported, and I personally didn't observe any water entering into buildings. Restoring our carrying capacity and restoring some of the channeling work absolutely helped."

The city invested \$50,000 on removing gravel in Flat Creek in 2016, and \$27,783.75 to date in 2017. Walensky said the city will continue with the money budgeted to increase carrying capacity, but it has helped to prevent damage.

He added that the only damage the city took was in the parks and Greenway Trail, and if disaster money becomes available, they will look to apply for that to help clean up and restore the ball fields.

He said, "The city's perspective it was just exclusive to the park area. The park is the Greenway Trail and at 13th Street, there was erosion on the road itself on the part that rolls over to Rocky Edmonson Park."

Walensky added that they will be inspecting the walking bridge on the Greenway near the aquatic center to check for structural damage.

He said, "Obviously we are in a flooding environment, but if we can mitigate it and make it better, that is where we will go."

"The only negative thing I have to say is that we seem to be getting very good at this."

With recent torrential downpours over the weekend, Flat Creek flowed over its banks, flooding most of the city park and leaving debris and damage in its path. Above is flooding at the bridge on Highway 248 near the Cassville City Park.

Washburn woman killed by train

Charlea Estes

A Washburn woman was killed last week when her car was hit by a train on a Private Drive off of Farm Road 1065. According to the Missouri State Highway Patrol crash report, Sylvia M. Hayworth, 73, of Washburn, was attempting to cross the tracks when she was hit.

Hayworth was driving a 2015 Nissan Versa when she failed to yield to an Arkansas and Missouri Railroad electric diesel train. Hayworth was hit around 11:08 a.m. on Wednesday, April 26, at 24047 Private Drive.

Hayworth's Nissan was hit and totaled, and she as pronounced deceased by Dr. Joe Himes at Mercy Hospital in Cassville at 11:49 a.m. Hayworth was wearing a seat belt at the time of the crash. The Nissan was towed from the scene by Wilson's Towing, of Washburn.

The train had no reported damage, and was driven by David N. Garvin, 49, of Springdale, Ark.

This was Missouri State Highway Patrol Troop D's 31st fatality of 2017.

Exeter man arrested for alleged counterfeiting

Charlea Estes

An Exeter man was arrested last week when officers found counterfeit bills and counterfeiting equipment in his home. Carl Wayne Lincoln, 30, of Exeter, is charged with forgery and possession of a forging instrument.

On April 20, 2017, Detective Danny Boyd with the Cassville Police Department executed a search warrant at 6208 Farm Road 2200 in Exeter. During the search, Det. Boyd confiscated a suitcase inside a chicken house that had 33 counterfeit \$20 bills inside, as well as two folders with papers in them that were used as templates for the counterfeit bills.

While searching another outbuilding, Boyd found Lincoln hiding along with a printer used for making the bills and a bowl with food coloring and water used to dye the paper. There was also a laptop and a note explaining how to make counterfeit money, according to the report.

During an interview, Lincoln allegedly admitted to making the counterfeit bills.

Lincoln is being held in the Barry County Jail in lieu of a \$20,000 cash-only bond.

Man arrested for Taco Bell burglary

Charlea Estes

A late night taco run resulted in criminal charges for a Monett man. According to an affidavit of probable cause, Kevin Oved Sanchez, 19, of Monett, pulled up to the Taco Bell drive through window in Monett, wanting to place an order, and when he was told they were closed, he stole \$100 from the cash register.

The report by the Monett Police Department stated the shift manager told a hispanic male in a white Ford F150 that they were closed, and then walked away on April 22. He then reported that he and co-workers heard the alarm for the drive through window, and

saw a \$50 bill laying on the counter.

Once the shift manager looked at the security footage, they reported a hispanic male climbed through the window, took money, and left. The amount missing was \$100.

On Thursday, April 27, officers located the white Ford F-150 that resembled the truck in the video. When questioned, Sanchez admitted to officers that he had stolen the money from the register.

Sanchez is charged with burglary in the first degree and stealing of less than \$500 in value. He is currently being held in the Barry County Jail in lieu of a \$30,000 cash or corp surety bond. Sanchez is also facing DWI charges from an incident in early April.

Correction:

In an article published in last week's issue, information was published from a Missouri State Highway Patrol crash report that ended up not being accurate. Trooper Coffey, with the Missouri State Highway Patrol, provided correct information that was not in the crash report. In the vehicle crash at Farm Road 1100 and US 60, half a mile east of Monett, it stated that Charles P. Horner, 50, of Purdy, was partially at fault. That was not correct. Horner was attempting to turn left in a 2004 Toyota Tundra, when a 2000 Pontiac Grand Am, driven by Chance T. Nelson, 21, of Marionville, hit him from behind, spinning the Toyota into the opposite lane. Horner was then hit by a 1998 Chevrolet Silverado, driven by Terry D. Willis, of Gravette, Ark.

Surviving are very special friends with whom she lived, Jack and Ruth Cain, of Seligman and their children, Whitney Farrer, Katy Dutton, Nataly Burkett and Tristen, Hunter and Tanner Cain; other friends, Brittney and Brandon Robinson and their son, Breez, of Fayetteville,

Ark., and Beverly Willis, of Seligman.

Libby grew up and received her education in Ohio. She had served in the United States Air Force. For several years, she resided in California where she was employed in maintenance for Hewlett-Packard. Over twenty-five years ago, she moved to this area to make her home and had lived at her current address for one and a half years. Some of her favorite pastimes were raising horses and gardening, and she loved animals. She also enjoyed visiting people, including people in rest homes, and attending Bible study at the home of Beverly Willis.

A celebration of life will be held at a later date. Cremation arrangements are under direction of Fohn Funeral Home in Cassville.

Two arrested for allegedly duct taping child

HOME REPORTED TO BE UNSANITARY WITH 12-15 CATS INSIDE

Charlea Estes

Two Exeter residents were taken into police custody and charged for alleged child abuse and neglect. The children's mother, Carissa K. Spicer, of Exeter, 24, allegedly allowed Dennis Wood, 25, of Exeter, to duct tape her five year old's hands behind his back. The reporting officer, Deputy Chris Hutson, also stated the house was unsanitary for children.

According to the affida-

vit of probable cause, Hutson went to the home for alleged abuse that took place between January and May, 2017. There were four minor children in the home, a one year old, three year old, five year old and seven year old.

Hutson reported that Wood duct taped the five year old's hands behind his back for more than 20 minutes at a time on more than one occasion, and that Spicer knew this

had happened and did not stop it. When Hutson questioned Wood, he stated, "You don't know how [the child] treats me."

The report also stated that Spicer and Wood allowed 12 to 15 cats to be inside the home with the children, and that three litter boxes were in the kitchen near the food preparation area, full of urine and feces. Neither Spicer or Wood had a problem with the sanitary condition of the house, according to the affidavit. Hutson also stated that the one year old had a serious medical condition that made him prone to infection while living in that kind of environment.

Spicer and Wood were both charged with four counts of child abuse/neglect each. Spicer is being held in the Barry County Jail in lieu of a \$25,000 cash-only bond. Wood's bond was set at \$75,000 cash-only.

The children were taken into Child Protective Custody and turned over to the Department of Family Services, according to the Barry County Sheriff's Department.

Fairview man
injured in hit and run

Charlea Estes

A Fairview man was injured last week in a hit and run accident on Route B outside of Purdy. According to the Missouri State Highway Patrol crash report, Larry L. Brown, 74, of Fairview, was driving westbound on Route B when he was struck by a car going the opposite direction.

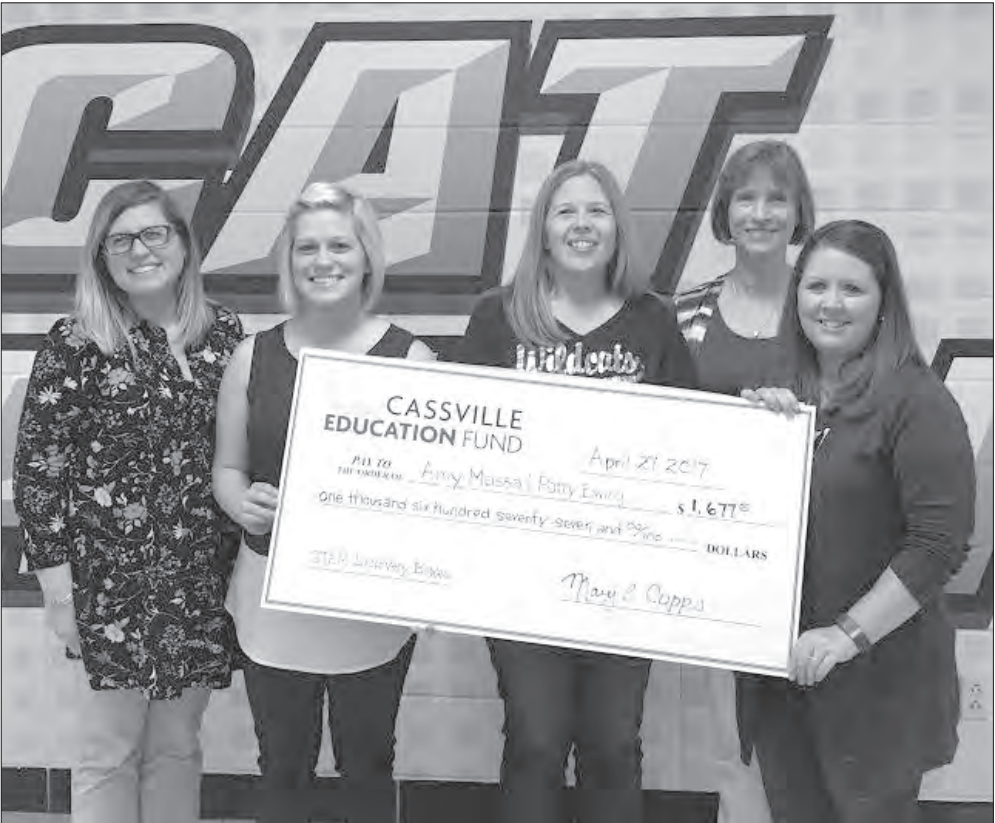

Brown was driving a 1994 Toyota truck westbound when a vehicle

headed eastbound crossed the centerline and hit him on the drivers side around 1:10 p.m. on Thursday, April 27. Brown then drove off the left side of the road, and the other vehicle continued eastbound, leaving the scene of the crash.

Brown sustained minor injuries from the crash and was transported by private vehicle to Mercy Hospital in Cassville for his injuries. The truck, which suffered moderate damage, was left at the scene by Brown's request.

No information was known about the other driver or vehicle other than it was an unknown white colored vehicle that continued eastbound on Route B following the collision.

Cassville Education Fund hands out grant

A grant of \$1,677 from the Cassville Education Fund was presented to third grade teachers Amy Massa and Patty Ewing at the annual Cassville Community Teachers Association banquet on Thursday, April 27, at the Cassville High School commons area. The grant provides funds for STEM Discovery Boxes that will allow approximately 50 students to participate in activities and experiments in the fields of science, technology, engineering and math.

Established in 2010 by community volunteers, the Cassville Education Fund is a permanent endowment fund benefiting Cassville R-IV school district academic programs.

Soroptomist donates \$700 to Cassville Education Fund

In the photo: chairman of the Cassville Education Fund Mary Cupps accepts a check from Soroptimist member Kasey Crawford.

The ladies of the Soroptomist Club of Barry County have donated the proceeds from their recent baked potato luncheon to the Cassville Education Foundation. Because of community support from the baked potato luncheon, Soroptomist was able to make a donation in the amount of \$700 to the Education Fund. Funds will be used

to qualify for the \$5,000 matching grant provided by a generous community member. The Cassville Education Fund is a charitable fund that supports academic programs at Cassville R-IV School District.

SW FFA wins the Hammons Black Walnut Harvest competition

The Southwest FFA Chapter wins the Hammons Black Walnut Harvest competition during the Missouri FFA Convention in Columbia, April 20-21, 2017. Pictured is Jay Henry. The Hammons Products Company challenged Missouri FFA Chapters to collect black walnuts. In total, 180,000 pounds of black walnuts were collected and the top five chapters were recognized. The Missouri FFA has 26,057 members representing 342 chapters. The national organization has more than 649,000 members representing 7,589 chapters in all 50 states, Puerto Rico and the U.S. Virgin Islands.

Ozark 7 teams headed to softball district semifinals

Lee Stubblefield

A trio of Ozark 7 teams earned spots in the Spring Softball District 10 semifinals this week. On Monday, the Purdy Lady Eagles improved to 22-1 on the season as they eliminated Verona 15-0 in the early game at Clever. In the nightcap, Exeter dispatched Wheaton, 19-8.

Tuesday afternoon, the

host Clever Blue Jays squandered an early 5-0 lead and saw Billings grab a 6-5 late lead. But Clever came alive offensively and raced to a 16-6 victory.

Southwest topped Marionville, 6-1, to close out the opening round of district play. The Lady Trojans spotted the Lady Comets an early run, but played shut-out ball the rest of the way.

Southwest scored four runs in the bottom of the first, courtesy of RBI hits from Kendra Hayworth and Alyssa Walker. Walker scored the fifth run in the fourth inning on a sac fly by Taylor Swindle.

Marionville brought the tying run to the plate in the top of the fifth inning. With the bases loaded and no outs, Southwest's Maggie Robbins coaxed a weak fly ball to second base for one out, and then struck out the next two batters to protect the lead.

"Maggie Robbins and

Emily Snyder were warriors tonight," said Southwest's Tony Eagleburger. "Both my pitcher and catcher were banged up but they hung in there and got it done."

Southwest earned a semifinal spot opposite second-seeded Clever.

"We'll worry about Clever tomorrow," said Eagleburger. "I'm just glad to survive the potential trap game."

Purdy and Exeter square off in the other semifinal. The district championship is scheduled for Thursday night at Clever.

Cassville Cruisers present April Eddie Award

The Cassville Cruisers car club held its first cruise-in of the year on April 4. The club members presented Carmine Androsiglio, of Cassville, with the Eddie Award. His recently restored 1940 Ford was voted the "Best of the Bunch" from the 1900-1940 models at the cruise-in. Mark your calendar for the next cruise-in on May 13. Cruise-ins are held April through November at the Barry County Museum, 5 p.m. to dusk on the second Saturday of the month.

Cassville City-Wide Clean Up May 8-12

The City of Cassville's annual spring clean-up will be held May 8 through May 12. Republic Services will accept additional household waste and large items on regular collection days.

The following items will be accepted at the curb: barbecue grills; patio furniture; outdoor furniture; sofas; dressers; loveseats; recliners; desks; televisions; bundled guttering; and beds, including hide-a-beds, mattresses and box springs.

They will also collect: wood pallets; waste from small remodeling or wood projects, materials must be cut into four-foot sections and stacked; sinks; toilets; cabinets; vanities; carpet that is cut into four-foot lengths and bundled; fencing that is cut into four-foot lengths; and bicycles.

Republic Services will not accept tires, yard waste, large quantities of ash, dead animals, raw sewage, waste oil, hazardous materials, wet paint containers, chemicals, flammable sub-

stances, lead or acid batteries or waste from large remodeling or construction projects.

They are also offering an avenue to dispose of large appliances for Cassville residents.

One option will be to take only metal or large appliances to a dumpster located at 503 Mill Street. This is across the street from the Barry County Sheriff's Office. This option is free.

The other option will be to have Cassville residents set at their curb side large appliances for Republic Services to collect. There is a \$15 fee. Residents must pay the fee at the Cassville City Hall by May 3 in order to schedule a pick-up for a large appliance. The follow-

ing large appliances will be accepted after the \$15 fee has been paid: dishwashers, washing machines, dryers, hot water heaters and stoves. Republic Services will also accept refrigerators, freezers and air conditioners that display a tag from a licensed technician proving that all freon has been removed from the item.

Yard waste will be accepted as normal at the Yard Waste facility behind the Cassville Aquatic Park.

All Points Recycling now accepts electronics. Please contact them at (417) 847-4258 for details.

For more information on the city clean-up, call (417) 847-4441.

It appears those in my generation were daredevils and didn't realize it. Evidently we stared death in the face and won. How so? We drank out of rubber garden hoses all summer, if we didn't drink directly from the creek. We rode our bikes without chain guards or helmets. The list could go on.

While chain guards and helmets are a good idea and I certainly recommend them, some ideas to keep us safe are a little "over the top."

This is not a new problem. Trying to keep the people "safe" from sin during the Law of Moses crossed the limits of reason. The 10 commandments were "improved" to the point of becoming a burden rather than a blessing. All this was done to "protect" the people from their faith.

Jesus pointed out the purpose of the Law in Mark 2:27; "The Sabbath was made for man, and not man for the Sabbath."

Safeguards are fine if they actually protect rather than burden. Let's be sure to accurately "divide" God's word and properly apply it in our lives. That is all the spiritual protection we need.

Wheaton’s Yang takes first at State FFA in Dairy Foods

Lia Boa Yang

Lia Boa Yang, of the Wheaton FFA Chapter, was named top individual in the dairy foods evaluation career development event at the 89th Missouri FFA Convention. There were 171 individuals from 45 teams in the competition. Yang’s FFA advisor is David Bolton.

The participants in the competition taste-test milk samples for flavor, identify 14 different types of cheese,

and use a scoring system to test milk products according to USDA standards. The hands-on portion of the event is combined with an intensive written examination.

Sponsored by University of Missouri College of Agriculture, Food and Natural Resources, this CDE is one way the FFA prepares student members for career success. CDEs engage stu-

dents in learning and make a real connection to lifetime goals.

The Missouri FFA has 26,057 members representing 342 chapters. The national organization has more than 649,000 members representing 7,589 chapters in all 50 states,

Puerto Rico and the U.S. Virgin Islands.

The FFA makes a positive difference in the lives of students by developing

their potential for premier leadership, personal growth and career success through agricultural education.

Cassville High School FBLA members earn State medals

Cassville

Library

events

The Cassville FBLA had another successful year and took 28 State qualifiers to the 75th Missouri Leadership Conference in Springfield, April 2 through 4. Winning at the District level allows competitors to challenge themselves against the best in the state in their respected events.

This year, Cassville had several students place in the top 10 and become State medalists. Those students included: Chelsey Small and Anne Sommers, in Graphic Design; Jake Whitham, Cole York, and Richard Lauffer, in American Enterprise; Alani Lantz, Monse Fierro, and Addison Perez, in Partnership with Business; Shannon Haney, in Financial Math; Clara Hermansen, Dylan McCormack and Avery Brown, in Introduction to Business Presentation; and Camille Holman and Justin James, in E Commerce. The conference hosted over 5,000 FBLA students and was held at JQH Arena.

Pictured above are, in the front, from left to right: Alexa Perez, Jake Whitham, Cole York, Camille Holman, Kandace Wallace, Bridgette Sutter, Avery Brown, Clara Hermansen, Jordan Campbell, Hope Boston, Mary Hen-nigan, Chelsey Small, Anne Sommers, Monse Fierro, River Phelps and RJ Elliott. Back row: Addison Perez, Alani Lantz, Richard Lauffer, Sam Holman, Andrew Berndt, Dylan Garner, Dalton O'Neill, Grant Davis, Garrett Knight, Dylan McCor-mack, Reilly Nichols, Shannon Haney and Justin James.

• Tangled Before Ever After will be the featured movie on Thursday, May 4, beginning at 3:30 p.m. in the library's lower level. This Disney animated film is rated TV-Y7, and movie-goers are asked to bring their own snacks.

• The Monday Movie Matinee on May 8 will be La La Land, rated PG-13, and shown at 1:30 p.m.

• The Cassville LEGO Club will meet on Thursday, May 11, at 3:30 p.m. All ages are welcome.

• Like a little friendly competition? Come to a trivia challenge on Saturday, May 13, at 2 p.m. Join a team when you arrive or get some friends together to form your own. Snacks, prizes and fun included.

• Southwest Missouri needs your help. Be part of the Community Center of the Ozarks Blood Drive at the Cassville Branch on Mon-day, May 15, from 10:30 a.m. to 1:30 p.m. in the library's meeting room. Call (417) 847-2121 for more informa-tion.

• Crochet class is held each Friday at 10:30 a.m. and sewing and quilting sessions each Wednesday at 1 p.m. All are welcome.

• Registration for the 2017 Summer Reading Program will begin May 15. Build a Better World is this year's theme. More information coming soon.
