Kids' Fishing Day this Saturday

Charlea Estes-Jones

Spring is here and hopefully the fish will be biting on Saturday for Roaring River's Kids' Fishing Day. The spring Kids' Fishing Day is this Saturday, May 19, and the hatchery is stocking the waters with 2,000 trout for kids to catch for free.

According to Paul Spurgeon, Roaring River's hatchery manager, this year will be similar to years past. He said, "We'll be stocking the waters the night before and all day during the event, and we'll have 50 lunkers."

Kids Fishing Day happens twice a year at Missouri State Parks' trout parks. Kids age 15 and under can fish all day on Saturday for free until they catch their limit. There are also special classes for all different interests. At the end of the day, there will be prizes given away to kids and parents thanks to sponsors' donations.

He added that this year will

have bluegrass music on the stage for most of the day again. He said, "They'll be on the stage from 10 a.m. to around 3 p.m. If anyone wants to just come sit and listen, they can do that, too."

Spurgeon said they are still looking for volunteers to come help. Whether experienced anglers or not, Spurgeon said they can always use extra hands during the event. He said, "We'll need more volunteers. They can call the hatchery or just show up at the tent and say they want to help. We always need volunteers for these events."

For kids who catch their limit or who don't feel like fishing, the day will also be filled with multiple classes and activities. From archery to fly casting to snake identification to flint knapping, there will be something for everyone in attendance.

Kids can pick up their free fishing tags at the hatchery

office all day on May 18 or the day of the event in the big tent. Fishing will be from 6:30 a.m. to 8:15 p.m. on Saturday, May 19.

Prize drawings will be held at 5 p.m. Kids can win fishing equipment, sports equipment, bicycles and more as long as they attended three of the classes during the day. Parent appreciation prizes will also be given away at that time. This year's parent appreciation prizes will be a stay at the Roaring River Inn and Big Cedar Lodge.

Spurgeon added, "We've got really good prizes this year. The sponsors have come through again for us."

For questions, contact the Roaring River Hatchery at (417) 847-2430 or email paul.spurgeon@mdc.mo.gov.

The full schedule of events is below. Locations of each class will be available on Saturday on the schedule hand out.

One killed, one air lifted in US 60 wreck near Monett

Charlea Estes-Jones

A Monett woman was killed in a crash outside of Monett last week. According to the Missouri State Highway Patrol crash report, one of the vehicles failed to stop at a stop sign, causing it to be hit in the side, killing the driver.

On Friday, May 11, Jimmie P. Davidson, 79, of Cassville, was driving a 2006 Chevrolet HHR southbound on a side road about two miles west of Monett. At 9:43 a.m., Davidson failed to stop at a stop sign and was struck in the side by a second vehicle headed westbound, a 1989 Chevrolet pickup, driven by Perry C. Cantrell, 80, of Springfield.

Davidson was pronounced deceased at the scene at 10:00 a.m. by Lawrence County Coroner Scott Lakin.

Cantrell was air lifted to Cox South Hospital in Springfield for moderate injuries.

Both drivers were wearing seat belts at the time of the crash. Both vehicles were totaled. The HHR was towed by West 60 Auto, of Monett, and the pickup was towed by US Auto, of Monett.

This is the 35th fatality for Missouri State Highway Patrol Troop D in 2018. The next of kin were notified.

SHOOTING from FRONT

from the Barry County Sheriff's Department, the crime took place on May 8 on Farm Road 1157 in Aurora. Foster allegedly shot a 20 gauge shotgun at the victim, who was in a vehicle on the farm road. The victim was hit by one of the pellets from the shot gun, leaving a red mark on his stomach, according to officers.

The victim's vehicle also sustained exterior and interior damage.

When officers questioned Foster, they stated he made a spontaneous utterance admitting to shooting the victim because he was on "his property." Officers claimed Foster was intoxicated and smelled of alcohol.

Foster is currently being held in the Barry County Jail in lieu of a \$100,000 cash-only bond.

Purdy takes second in District Scholar Bowl

The Purdy High School Academic Team recently placed second in the 2018 Class 2 District Scholar Bowl, with members Mikey Schad and Hannah Reid finishing in the top five individual scorers, Schad in third and Reid in fourth. The Purdy High School Academic Team is coached by Mrs. Lisa Reid, who will be teaching in Cassville next year.

Senior PHS Academic Team member Mikey Schad noted of her coach, "Being on the Academic Team and having Mrs. Reid as a coach was one of the best parts of my four years in high school. Not only was she a great coach, but she was the best science teacher, and all her classes were my favorites. As I graduate high school, Mrs. Reid, her classes, and the fun times on the Academic Team will be a few of the things I'll miss." Senior member Jose Perez added, "We might not remember everything that Mrs. Reid taught us, but we will remember how much she cared about us and how special she made us feel."

The team is pictured above, from left to right: Jose Perez, Elizabeth Hoffman, Bayleigh Schad, Mikey Schad, Hannah Reid, Connie Lee, Sean Thomas, Drew Graham, Randy Schad and coach Lisa Reid.

OACAC hosts open house for National Community Action Month

Charlea Estes-Jones

In honor of May being National Community Action Month, the Ozarks Area Community Action Corporation (OACAC) Neighborhood Center in Cassville is hosting an open house and inviting the community to learn more about what they do. The open house will be on Wednesday, May 23, from 11 a.m. to 1 p.m. Gail Reed, supervisor for the Neighborhood Center, said they are hoping to make the community more aware of everything they do for families in Barry County. She said, "I think people would be really surprised to know how many people, working families, we serve every day."

OACAC offers a number of programs in Barry County, including housing assistance, emergency shelter assistance, utility assistance, a school readiness fair, Head Start preschool, and life skills classes that teach a variety of topics. They also work with area schools to put on programs like REALL and VOICE, which exposes school-aged children to different careers and how different choices can impact their lives long-term.

Reed said, "We want families to be more self-sufficient and that is what we try to do with our programs. We serve a lot of families where both parents are working and, if they work for minimum wage now, they can't make it sometimes. Whether they need help

with utilities, or we do clothing giveaways or school supplies for their kids, it can mean the difference between making their rent or not."

Reed said that is a common misconception people have about programs through OACAC. She said most of the families who utilize services are working families, and that they also have a lot of senior citizens who are helped, as well.

She shared, "We serve a lot of elderly and disabled families. I think people have a misconception that we don't serve as many elderly people and disabled that come here for services for different things we have. We have quite a few who come to the life skills classes to learn about different topics like on nutrition and budgeting."

Reed said all of the programs are geared toward providing aid to people in the community in need, whether that is long term or short term.

On average, Reed said they have around 20 families utilizing services, however, special

programs can draw a lot more than that. One of the more well-known large scale events is the annual school readiness fair.

Each fall, families who qualify can take their kids to the fair to get their school supplies, as well as participate in fun and games and get a free meal. Reed said they offer the program to over 400 kids each year.

She said, "When we started the school fair so long ago, I literally went to three or four business people in town and got \$200 and bought basic supplies, no backpacks, and nothing else. In my heart, I knew what a difference it would make even for those 15 or 20 kids who could walk into the school with new crayons and paper."

From there, the school readiness fair eventually formed, getting kids all supplies on their list, new backpacks, shoes and more. She said, "We want the kids to start out on an even keel with everybody else, and that's one of the

ways that happens.

"A lot of the time, people don't have that much money to get all the supplies, which are expensive."

For some families, a little bit of help can make a big difference during trying times. Reed explained, "I have literally seen families that come here and say that if they can't get help with their electric bill, they can't buy groceries or pay their rent. These are working people. But a little help with one bill means the difference between making rent or having to find a new place to live. We serve a lot of working families."

Of the family assistance program, OACAC also offers weatherization programs that help make homes more energy efficient, emergency help for shelter, clothing drives and housing assistance.

Reed said, "We do a clothing giveaway every quarter. I

appreciate being able to do that through a consignment shop here in town. That's exciting to do. They come and get clothes for their families."

There is also the Head Start preschool program for kids from low income and at risk families.

Reed said she hopes the community comes in during the open house to learn all about what they do and why they do it. She said, "For me personally, being able to make a difference in people's lives is why we are important. That sounds cliched, but it really is. I feel like we make a difference every day in people's lives. Whatever we do, whether it's one-on-one help through utilities or weatherization, or it's the REALL experience or VOICE where you give a kid something to think about for their future. We're just trying to promote self sufficiency and

help people out."

The OACAC Barry County Neighborhood Center is located at 700 East Highway 240 in Cassville. The open house will be from 11 a.m. to 1 p.m. on Wednesday, May 23, and they will serve lunch and have giveaways at the drop-in event. You can reach the Neighborhood Center at (417) 847-2140.

Cassville motel incident leads to domestic assault charge

Charlea Estes-Jones
Jason M. McGinnis, 39, of Monett, was arrested and charged with an assault from May 1. According to the affidavits of probable cause by the Cassville Police Department, McGinnis attacked his girlfriend after she refused to have sexual relations. The report states that the assault took place at America’s Best Value Inn on Highway 37 in Cassville. McGinnis allegedly went into the bathroom where the victim was taking a shower in an attempt to have sexual relations. When the victim turned him

down, the police reported McGinnis began strangling the victim, causing stitches from a recent surgery to pop open. The victim reported being unable to breathe and losing her balance, falling in the tub. The officer reported seeing red marks on the victim’s upper arms as well as her neck. McGinnis was charged with domestic assault in the second degree. He was booked into the Barry County Jail on May 14 and is currently being held in lieu of a \$25,000 cash only bond.

Seligman man injured in Washburn crash

Charlea Estes-Jones
A driver from Seligman was injured while riding his motorcycle in Washburn on Monday afternoon. According to the Missouri State Highway Patrol crash report, a car pulled out in front of the motorcycle, causing the bike

to crash on Highway 37. The report states Tommy G. Bottoms, 54, of Seligman, was riding a 2005 Harley Davidson motorcycle north-bound when a 2004 Dodge Neon pulled out in front of him. Bottoms then hit the Neon, driven by Jackie R. Cargile, 70, of Washburn. Bottoms was transported to Mercy Hospital in Rogers, Ark., for moderate injuries. Cargile had no reported injuries. The motorcycle sustained moderate damage and was removed from the scene by

Wilson’s Towing, of Washburn. The Neon was driven from the scene with minor damage. Bottoms was wearing a helmet at the time of the crash, and Cargile was wearing a seatbelt.

“A place of Hope”

Jeremiah 29:11

Pastor James Stewart and the Members of Faith Family Church would like to invite you to our Church. If you do not have a Church that you regularly attend, we would like to have you at the Family Church. We are small in size but large in the Spirit of God. We sing a blend of both traditional and contemporary songs in our praise and worship service that starts at 10:00 am each Sunday. Service is normally over by 11:30 am. On Wednesday evenings, we have Bible study at 6:00 pm, normally out by 7:00 pm. We have frequent carry in meals and time for fellowship. The Bible is our curriculum. This Church is not affiliated with any denomination. We believe the Bible to be the inspired word of God our creator and sent His son Jesus Christ as the supreme sacrifice and Savior of the world by calling upon Jesus to save us from sin and will come back to take those who have, to live with him forever.

What Does It Cost Me?

There is an old saying; “nothing ventured, nothing gained.” You place value on something depending on what it cost. What did it cost Paul and the others who turned the city of Thessalonica “upside down”? 2nd Corinthians 11:23-27. Concerning his cost, Paul wrote of beatings, stoning, shipwrecks, perils and weariness, all for the sake of Christ. Paul wrote to Rome that we rise from the waters of baptism to walk; “a new life.” That will require, at times, a willingness to “sacrifice” on behalf of the gospel. It most definitely will require a change in all or portions of our old lifestyles. The church, on an individual basis and thereby collectively, will grow when we place sacrificial value on our membership in God’s kingdom through his son Jesus Christ.

Royal Family Kids Camp gives foster kids memories of a lifetime

Charlea Estes-Jones

Each year, a local camp offers a special opportunity to kids who've faced tough challenges in their lives. The Royal Family Kids Camp, a foster-kids-only Christian outreach, hosts kids for a week of fun and games in the outdoors each summer.

Emily and Max Akers are the directors of the local Royal Family Kids Camp and started the week-long camps 11 years ago. Emily shared that she felt God led her and her husband to reach out to foster kids. She said, "God really gave me a heart for kids. Then, he focused it on foster kids and we became foster parents and have adopted as well."

Now, the Akers run the camp each summer, usually in June, for kids from Barry, Stone and Lawrence Counties, and sometimes other outlying counties, as well.

Akers said, "We usually work with DFS (Department of Family Services) and through counselors involved with foster kids, but mainly it's through DFS."

Once kids are referred to them for the camp, Akers said that they typically take between 20 and 30 children. She said, "We are only limited by finances, volunteers

and the availability of kids." Since the camp is run purely through donations, the Akers' rely on help from the community for it to become a reality each year. They also have to have an adequate number of volunteers to make sure the campers are entertained and safe.

Akers said, "We usually have 35 to 40 volunteers each year, and they have to have special training since they are foster kids."

The training ensures all volunteers are familiar with the appropriate way to deal with issues that may arise, special considerations for children who have experienced abuse or neglect, and are equipped to act as mentors for the kids at the camp, according to the official Royal Family Kids Camp website.

The Akers' themselves had to undergo training to be directors of the camp, as well. She said, "My husband and I started helping build a camp facility specifically for this ministry many years ago. In the process of that, we did training for Royal Family and then started directing."

She added, "We had other people we were building the facility with help, but this was mainly God calling my

husband and I into being directors."

The stipulations for directors, volunteers and the camp itself are fairly strict to be sure the campers have a fun, safe time at the camp, which runs for five days.

Akers said making sure the campers have a good time is the main mission. "I think it's important because foster kids struggle to know how much they are loved and that they are special, and that is what this camp sets out to do for them."

"This camp sets out to tell them they are special and important, regardless of what has happened in their lives already."

While the kids are there, they do typical camp activities like swimming, fishing, games, and arts and crafts. They also have Bible study time and work with horses.

However, one of the more unique activities at Royal Family Kids Camp is the group birthday party they hold every year. Akers explained, "Everyone has a birthday. There are actually kids every year that have not had birthday parties. So, we do a great big birthday party with a birthday cake, and they get to dress up. They each get around \$50 worth

Each year, 35 to 40 volunteers are trained and take time to make Royal Family Kids Camp a possibility. Pictured above are some of the volunteers from last year's camp.

of birthday presents. Some of them have just never had that before. Then, we have a carnival afterwards."

Aside from a large garage sale fundraiser in April or May each year, Royal Family

Kids Camp relies on donations. They accept donations to run the camp as well as to buy birthday gifts for the kids who attend.

To make a donation, send it to 11506 Farm Road

2205, Cassville, MO 65625 or drop it off at the First Baptist Church in Cassville. For more information or to get involved, contact Akers at (417) 844-4280.

DON'T LOSE CROP PROFITS TO SOIL ACIDITY

Low soil ph cuts your fertilizer efficiency by 50% or more. You may be spending \$100 an acre for fertilizer and getting only \$50 worth of results. ph correction with aglime should be done whenever soil conditions threaten crop production... year in and year out, in good times and bad. There is no input more important than aglime.

Two people were injured in a single vehicle crash on Wednesday evening, May 9. The Missouri State Highway Patrol crash report states the SUV ran off the road and struck a tree, causing moderate injuries for the driver and passenger.

Valerie L. Barber, 45, of Purdy, was driving a 2008 GMC Acadia northbound on Farm Road 1012, about four miles east of Purdy when the crash occurred. At 6:55 p.m., Barber ran off the roadway

and struck a tree.

Barber suffered moderate injuries in the crash. A passenger in the vehicle, Jerry S. Tatum, 57, of Cassville, was also moderately injured. Barber and Tatum were transported to Cox South Hospital in Springfield by Barry-Lawrence County EMS.

Both were wearing seat belts at the time of the crash.

The Acadia sustained extensive damage in the crash and was towed from the scene by Thomas Towing, of Monett.

A black and white group photograph of approximately 40 children and two adults in a gymnasium. The children are arranged in several rows, with some sitting on the floor in the front and others standing behind them. They are dressed in casual clothing, including t-shirts, sweatshirts, and jeans. Two adults, likely teachers or coaches, stand on the right side of the group, each holding a trophy. The background is a plain, light-colored wall, and the floor appears to be a polished gymnasium floor. The overall mood is celebratory and organized.

Cassville Schools believes attending school is one of the most important things students can do to help achieve academic success. At Eunice Thomas Elementary, every month one class per grade level is presented with the “Best Attendance” trophy and “Most Improved Attendance” trophy.

April's Most Improved Attendance winners are pictured above. The winners were Ms. Wilson's kindergarten class, Ms. Beagle's first grade class and Mrs. Cornell's second grade class.

Exeter, MO 65647

First, the Board of Exeter Maplewood Cemetery Association extend; a sincere thanks to our past and present supporters. Your continued support is vital as savings interest rates remain at all time record low. Our only sources of revenue are plot sales, interest income and donations from you. These revenue sources are dedicated to mowing, general maintenance and repairs. Our interest income doesn't begin to cover mowing expense. We continue to tap our savings accounts to cover routine maintenance and repair expenditures. The board works very hard to invest our funds prudently and to spend the income wisely. We are making this appeal knowing that you have strong feelings for the well-being and upkeep of the cemetery. Your donations are tax deductible. Donations or inquiries may be mailed to us at the above noted address. Again, we thank you and appreciate any donations for continued support of the cemetery.

The Barry County Local Emergency Planning Committee (LEPC) is the local agency responsible for implementation of the Emergency Planning and Community Right-to-Know Act of 1986. Its

primary purpose is chemical emergency preparedness at the local level. The LEPC is comprised of representatives from participant bodies specified by law. It receives chemical inventory and hazardous material release information from select local chemical facilities and develops a community emergency response plan. The LEPC makes this plan and collected chemical information available to the public by calling 417-235-4241 ext. 8. The information may be viewed daily, by appointment, except weekends and holidays at the LEPC Office at 1901 E. Cleveland St. Monett, MO. 65708. The LEPC office is located in the Barry County Office of Emergency Management Offices located inside the Monett Justice Center. Citizens who wish to participate in LEPC activities, review the community plan, or learn more about chemicals in their community can visit the LEPC Office or call (417)235 4241 ext.8

Chemical Releases or Spills should be reported to the LEPC Emergency Coordinator, 24 hours a day, by calling the LEPD emergency number, (417)235-3335. All other inquiries should be made by calling the LEPC office at (417)235-4241 ext.8

Grace (Gouvion) Fierro

Graduated from Evangel University in Springfield on Friday, May 4, with a Bachelor of Business Administration (BBA) in Management and summa cum laude honors. Grace is the daughter of Mark and Tammey Gouvion, of Cassville, and is a CHS class of 2015 graduate. While at Evangel, she was an active member of their Enactus business club and received the Academic Excellence Award from her department. Following graduation, Grace plans to help open a satellite office in Cassville for Exchange Insurance Agency, a family company. Exchange Insurance is based out of St. Paul, Kansas, and was established in 1964. They are an independent agency offering coverage for home, auto, commercial, life, and health. They will be located on the back side of the Cassville square at 712 West Street and hope to be open by June 2018.

Southwest eighth grade promotion ceremony held

Southwest Middle School held their eighth grade promotion ceremony last week. Pictured above, Southwest Middle School students Elizabeth Ross (left) and Amy Reeves (right) were among the eighth graders who participated in the promotion ceremony.

Four arrested for drugs following traffic stop in Monett

Charlea Estes-Jones

Four people were arrested for drugs after being pulled over by the Monett Police Department for having the wrong license plates on the car. According to the affidavits of probable cause, all four people in the vehicle were implicated in the methamphetamine found. Rose Marie Ortwein, 37, of Friestatt, Bill Jay Gibson, 21, of Friestatt, James Michael Declue, 38,

of Aurora, and Aeryn Lynn Ross, 24, of Aurora, were each arrested and charged after the stop on May 12. Officers reported pulling the vehicle over, which was displaying the plates of another vehicle, around 9:14 p.m. on Saturday evening, May 12, on North Outer Road and Plaza Drive in Monett. Officers questioned the driver, Ortwein, and passenger Gibson, who

were wanted for questioning related to stealing from the Monett Walmart. After Gibson and Ortwein were taken into custody, officers then searched all occupants of the vehicle. Gibson allegedly had a baggie of marijuana remnants in his pocket and told officers he had a bong in the center console. Officers then searched the vehicle and found multiple baggies of methamphetamine in Ortwein's purse and around the vehicle. Officers also found multiple methamphetamine pipes and baggies around Ross and Declue, as well. Ortwein, Gibson, Ross and Declue are each charged with possession of a controlled substance and are being held in the Barry County Jail in lieu of \$10,000 bond.

Track and field state series heats up

Lee Stubblefield

There's something about those hot Saturdays in May that bring out the best in Missouri track and field athletes. It's been a few years, but I remember when Southwest senior DK Moose shook off a poor early season sprint with the prophecy, "I'll be fast when it's hot."

He set two school sprint records and led his relay team to the state meet under the blistering sun in May.

The story was much the same for area athletes in district and sectional competition on Saturday.

Class 1 Sectional 3 state qualifiers

Wheaton's Rachel Lacey won the long jump with a leap of 17-03.75, placed second in the 100 meter dash in 13.48, and third in the 200 meter dash in 27.87 to qualify for the Class 1 state track meet in Sectional action on Saturday.

Sean Lowry of Wheaton placed third in the 800 meter dash in 2:05.07 to earn a berth at the state track meet.

Lowry barely missed qualifying in the 1600, taking fifth in 4:44.26.

The Wheaton boys 4x800 meter relay team also qualified, taking fourth in 9:03.15.

Class 2 Sectional 3 state qualifiers

Layne Skiles of Purdy won the girls shot competition with a throw of 36-00.

Chandler Orwig of Purdy placed fourth in the 400 meter dash in 53.58.

The Purdy girls finished third in both sprint relays, running the 4x100 in 53.81 and the 4x200 in 1:55.01.

Class 3 District 6 sectional qualifiers

Austin Wilson of Cassville won the 400 meter dash in 50.75 and placed second in the 200 meter dash in 23.88.

Skyler Wolf, the Cassville strongman, won the shot with a throw of 49-06.25, and placed fourth in the discus with a 135-06.

Arther Reed took second in the javelin with a throw of 148-00.

Kyren Postlewait and

Audra Brooks led the Cassville girls with their 1-2 finish in the shot. Postlewait took gold with her 37-00.50, and Brooks followed with a 33-08.00.

Josie Rose qualified with her second place discus throw of 100-01, and fourth place javelin performance of 116.01.

Cassville's Hannah Hacker placed fourth in the girls 100 meter dash in 13.85, while Parker Marple took fourth in the 200 in 28.01.

Jordyn Stafford stood tall for Cassville's distance contingent, placing second in the 3200 in 13:20.23, and third in the 1600 in 5:53.35.

Kennedy Parnell was third in the 100 meter hurdles in 17.48, and third in the 300 meter hurdles in 51.34.

Brianna Hemphill took third in the high jump, clearing 4-10.

The Cassville girls placed second in both the 4x100 and 4x200 meter relays, running 51.99 and 1:50.79 respectively.

Purdy Eagles earn district baseball title

Lee Stubblefield

The Purdy Eagles shook off an early 4-1 deficit, battled back to push the Class 2 District 12 championship into extra innings, and claimed a 6-5 victory over the host Pierce City Eagles on Tuesday night.

Playing on back-to-back nights, both teams were a little depleted in pitching, and there were a lot of runners on the basepaths. But getting those runners home proved to be a daunting task.

Purdy stranded a baker's dozen on the bases in regulation, and then had two runners thrown out at the plate in the seventh inning as Josh Hughes forced the issue after taking a one-run lead.

Pierce City erupted for three runs in the bottom of the first inning, despite hitting into a double play.

Purdy scratched out a run in the top of the third inning, taking advantage of a leadoff walk by Jose Sanchez. Carl Hughlett chopped a fielder's choice to plate Sanchez, and Purdy trimmed the lead to 3-1.

But Pierce City's Hunter Tindell crushed the first pitch he saw in the fourth inning, killing weeds beyond the left field fence to give the

green team a 4-1 lead.

Purdy finally wore down Pierce City starter Hunter Hatfield in the fifth inning. With one out, Mason Schallert and Andrew Martinez delivered consecutive singles. Then Hunter Cook tapped a dying chopper in the grass for an infield hit. Two runs scored on the play on a wild throw, and Purdy pulled within 4-3.

Pierce City answered with another run in the bottom of the fifth, and led 5-3 with just two innings remaining in regulation.

But in the sixth inning, Pierce City's game and season came unraveled. Reliever Bill Ashley thumped Sanchez with his first pitch, then walked Kyler Propps and Schallert to fill the bases. Andrew Martinez received the fourth free pass of the inning and Sanchez scored run number 4 for Purdy.

Ashley surrendered the mound to Donnell Kliebicker, and he gave up an RBI line drive out to Cook to tie the game at 5-5.

Purdy had the lead run at second base in the top of the seventh inning with two outs, but Schallert's routine fly ball ended Purdy's scoring bid.

Pierce City loaded the bases in the bottom of the seventh, but Purdy reliever Zane Brown pitched out of the jam, striking out Aric Zabala to send the game to extra innings.

Purdy wasted no time in taking the lead. Martinez led off and reached on an error. Cook was hit by a pitch. Then Adam Humphrey delivered an RBI single to plate Martinez and give the black and gold Eagles a 6-5 lead.

It appeared that Purdy would extend that lead, but Pierce City's left fielder Gage Brown cut down runners at the plate on consecutive plays to end the inning.

Brown returned to the mound for Purdy to protect the slight lead. Logan Kluck struck out on four pitches. Dallas Kleibocker did the same as Brown rang up the second out of the inning. Then Brown froze Aaron Garner with a 2-2 slider to strike out the side and preserve the victory.

Purdy improved to 20-6 with the victory and will play a sectional game on Monday, May 21 against the winner of the New Covenant and Crane matchup in the Class 2 District 11 championship.

Liberal comeback dooms Purdy in softball quarterfinals

Lee Stubblefield

Kaylee Daniels drove an 0-2 pitch over the left field fence to open the seventh inning and lead the Liberal Lady Bulldogs to a 3-2 victory over Purdy in a state quarterfinal game at Liberal on Thursday.

The Daniels home run overshadowed a historic game by Casey Ellison. Purdy's senior catcher crushed two solo shots and played a magnificent game behind the plate. But Mighty Casey's bid to rewrite the Mudville Nine narrative was erased by the stirring Liberal comeback.

With Hallie Henderson matching Delanie Freeze in an anticipated pitching duel, Ellison's dingers in the second and fourth innings accounted for all of the game's scoring through five innings. Purdy only had three hits from everyone not named Ellison, and Liberal only had two hits total in that span.

Lori Videmschek played

it safe on defense, giving intentional passes to Freeze, Liberal's dangerous cleanup hitter, on all four of her plate appearances.

Just six outs away from a trip to the state semifinals, Purdy's season came unravelled in the sixth inning. After Henderson struck out Mallory Gazaway and directed Freeze to first base, Jaci Coleman laced a single to put runners at the corners. Then Ellison made a spectacular diving one-hand stab of a pop foul to retire Callie Cornell.

Sydnee Hood singled to load the bases, and the pressure mounted for the Purdy defense.

Elsa Bott, Liberal's light-hitting right fielder batting in the eight spot, rapped a weak ground ball that died in the dirt halfway to third base. One run crossed the plate, and then another when Kylie Wood's hurried throw was wide of first base.

Henderson fanned Jes-

sica Roby for the third out, but Liberal had tied the game and seized the momentum.

In the bottom of the sixth, Wood led off with a single and went to second on Henderson's sac bunt. Liberal's B.J. Goodell had seen enough of Ellison's home run trot and he called for the intentional walk to give Purdy two baserunners with only one out.

Freeze met the challenge, striking out both Zoe Brown and Mikey Schad to end the inning.

Daniels completed the comeback for the host Lady Dogs with her dinger to open the seventh frame. A pair of walks - including the fourth freebie to Freeze - gave Liberal the opportunity to build on that lead. But a fielder's choice and a Henderson strikeout kept the score at 3-2.

The Lady Eagles needed at least one run in the bottom of the seventh to extend their season. Instead, Freeze struck out the side with just

Purdy Lady Eagles standout pitcher, Hallie Henderson, through her last pitch as a Lady Eagle. Henderson has signed a letter of intent to continue her softball career at Johnson County Community College in Overland Park, Kan.

twelve pitches to close out the game.

Liberal improved to 24-3 on the season and earned

a spot in the state semis in Springfield on Friday, May 18.

Purdy finished the season at 20-5. Two of those losses

were to Liberal, and another was to the defending state champions from Strafford.

Driver airlifted after Roaring River motorcycle wreck

Charlea Estes-Jones

A motorcycle wreck in Roaring River State Park injured the driver on Thursday morning, May 10. The driver ended up being airlifted for his injuries.

The Missouri State Highway Patrol crash report stated Jesse E. Holder, 62, of Seligman, was driving a 2013 Honda motorcycle westbound on Route F when he crashed around 5:35 a.m. Holder’s bike skidded across the center of the roadway, overturned and then skidded off the left side of the road. The crash happened in the state park.

Holder was air lifted for serious injuries suffered as a result of the crash and was taken to Mercy Hospital in Springfield.

Holder was wearing a helmet at the time of the crash.

The motorcycle sustained moderate damage and was towed from the scene by Wilson’s Towing, of Washburn.

Local auctioneers conduct Louisiana cast iron event

Clifton and Stephanie Wells, along with Brad and Laura Holder, of Holders Auction Service, recently attended the Griswold Cast Iron Association convention in Baton Rouge, La., where they conducted the annual auction on Friday night, April 20. “The auction was a great success, netting \$30,000 in under two hours,” Holder said. “We’ve been invited back to next year’s convention to be held in Cincinnati, Ohio, and we’re looking forward to that experience, as well.” They are pictured above at the event with Holder on the left and Wells on the right.

Barry County 4-H continues to grow program

The local Barry County 4-H youth reaped the benefit of the community’s generosity. On April 14, Barry County 4-H council held the annual scholarship banquet and auction.

Through the community’s generosity and volunteers’ help, Barry County 4-H council raised a grand total of \$3,298.20. Those funds enable local 4-H members to attend camp, regional, state and national events.

As one example of scholarship benefit, 4-H members can attend the upcoming 4-H camp at Camp Smokey in Roaring River State Park. The theme this year is “The Future.” There are four camp dates available for 4-H’ers:

- June 16-17 - Clover Kid Camp for those 5-7 years of

age

- June 10-13 - for campers ages 8-12
- June 13-16 - for campers ages 8-12
- June 17-21 - for campers ages 13 and over

Camp is a great way to get involved in 4H. If you have ever wondered about the organization, they encourage kids to attend to learn more while having fun. For all camp times, costs and registration information, visit: <http://extension.missouri.edu/barry/4h.aspx>.

Barry Co. 4H under new leadership

“I would like to announce the addition of Brittnei Ritchie to our Barry County Extension team,” said Reagan Bluel, county program director of MU Extension of Barry

County.

“Brittnei provides a strong agriculture interest to support our local 4H clubs,” Bluel continued, “while also planning to grow all aspects of the organization.”

Brittnei Ritchie began on May 14, filling the open position of Youth Program Associate previously occupied by Marrisssa Tucker. She will work closely with Barry County 4-H clubs leaders to ensure growth and success of each club.

For more information on 4-H and how to join a club, contact the University of Missouri Extension Office at (417) 847-3161 or visit the office in the courthouse on the square.

Reanna Berry awarded first Roark Family Health scholarship

Exeter Class of 2018 graduate Reanna L. Berry was awarded the first Roark Family Health Scholarship. Berry is the daughter of Johnny Berry. She is pictured above with Dr. Lisa Roark (left), of Roark Family Health.

This is the first annual Roark Family Health Scholarship awarded in the amount of \$1,000. The clinic plans to continue this scholarship each year for an Exeter High School graduating senior going into the medical field. Dr. Roark started the scholarship for students from her alma mater who show financial need and a dedication to both school and extracurricular activities. Students can be going into the medical field in medical assisting, nursing, radiology or to become physicians.

Reanna will be attending Missouri Southern State University with a major in pre-med. She then plans to go on to KC-UMB to earn her medical doctorate. Her goal in life is to become a Doctor of Osteopathic Medicine specializing in Emergency Medicine. Her long term goal is to obtain her degree then move back to southwest Missouri to practice medicine.

Cassville’s Hannah Kelley selected for state academic honor

High school senior Hannah Kelley, of Cassville High School, has been selected as an Honorable Mention student in the 2018 Missouri Scholars 100, a statewide program that honors 100 of Missouri’s top academic students in the graduating class of 2018. The announcement was made by Jeff Swadley, principal at Cassville High School.

Missouri Scholars 100 is a program sponsored by the Missouri Association of Secondary School Principals. Schools across Missouri were invited to nominate candidates for this statewide recognition. The selection is based primarily on a formula using the

student’s grade point average and ACT or SAT score. Each student nominated has to first meet criteria of an Academic Decathlon, which included ten events designed to assure the academic strength of the students. To meet the decathlon requirements, the student must have a minimum GPA of 3.750, a minimum ACT score of 29 or a minimum SAT score of 1280, be ranked in the upper ten percent of the class, and have taken upper level courses in mathematics, science, English and foreign language. The student must also have excellent attendance, be an exemplary school citizen and

be involved in the school’s activity programs.

Phil Lewis, executive director of the principals’ association, said, “Students who are selected to this program have taken a rigorous course of study and have maintained the highest academic standards. The Missouri Association of Secondary School Principals wants to celebrate the achievement and success of these students and their schools.”

Senior Life Solutions hosting Mind-Body Connection event

Mercy Hospital Cassville Senior Life Solutions is collaborating with the Clark Center in hosting a Mind-Body Connection event on May 22 from 10 a.m. to 2 p.m. in Conference Room C located inside the Mercy Hospital Cassville. Screenings being offered: metabolic testing for the first 50 guests, blood pressure checks and emotional screenings. There will also be information as well as a door prize drawing for a gift certificate for a free massage.

Refreshments will be served.

Mental health is essential to everyone’s overall health and well-being, and mental illnesses are common and treatable. Physical activity impacts everyone mentally. It’s important to pay attention to both your physi-

cal health and your mental health which can help you achieve overall wellness and set you on a path to recovery.

This May is Mental Health Month. Mercy Hospital Cassville Senior Life Solutions program is raising awareness about the connection between physical health and mental health through the theme Fitness #4Mind4Body. The campaign is meant to educate and inform individuals about how eating healthy foods, gut health, managing stress, exercising and getting enough sleep can impact your overall health.

A healthy lifestyle can help to prevent the onset or worsening of mental health conditions like depression and anxiety, as well as heart disease, diabetes, obesity

and other chronic health problems. It can also play a big role in helping people recover from these conditions. Taking good care of your body is part of a before Stage Four approach to mental health.

Getting the appropriate amount of exercise can help control weight, improve mental health and help you live longer and healthier. Recent research is also connecting your nutrition and gut health with your mental health. Sleep also plays a critical role in all aspects of our life and overall health. Getting a good night’s sleep is important to having enough physical and mental energy to take on daily responsibilities. Stress can also have a huge impact on all aspects of our health, so it’s important to take time

to focus on stress-reducing activities like meditation or yoga.

Senior Life Solutions is an intensive outpatient group therapy program designed to meet the unique needs of older adults over the age of 65 struggling with depression and anxiety, often related to aging. Family members, physicians, or other health professionals can refer individuals to the program.

The Clark Community Mental Health Center is a Certified Community Behavioral Health Center serving residents of Barry, Lawrence and Dade Counties with their newest office located in Cassville.

Tucker named Exeter’s April Student of the Month

Caleb Tucker was recently named Exeter’s Student of the Month for April. Taylor House (left), a representative of People’s Community Bank, presented the April Student of the Month to Tucker (right), a senior from Exeter High School. The Seligman Branch of People’s Community Bank presents a \$50 scholarship in the form of a Graduate Certificate of Deposit each month. The nominees for this certificate promote good character and citizenship at the school.
