## Campbell Point still open after storm damage

Charlea Mills

Significant damage was done to seven boats and two piers at Campbell Point Marina on Table Rock Lake last Thursday, June 5. Contractors began clean-up of the storm damage last week, but it could be six months before the docks are repaired or replaced.

According to Gene Stimble, owner of Campbell Point Marina leased through the U.S. Army Corps of Engineers, the storm only lasted five to ten minutes, but the damaged to the two piers that contained houseboats was significant. Stimble said, “The one dock was completely annihilated and thrown into the other dock which didn’t experience the same extent of damage. That second pier still has the under structure intact, but we are going to pull it all out to rebuild it.”

Despite the damage to the marina, the other four piers at Campbell Point were unscathed and the campgrounds and facilities were not damaged. According to Greg Oller, Table Rock Lake manager, “We had the two docks destroyed, but the campground was fine. We did have several trees, maybe 20 to 25, that were twisted and destroyed, but a contractor came out on Friday and already has that all cleaned up. We don’t want this to stop anyone from coming down and using the facilities. We are still open and only the two docks were affected.”

Stimble added, “Our gas dock, store and rental boats are all fine. We definitely want people to know that we are still open for business.”

Since the two piers that received the brunt of the storm were the houseboat docks, the number of slips

Storms that hit an isolated area on Table Rock Lake on Thursday, June 5, did significant damage to two piers at Campbell Point Marina.

on each one is limited comparatively. Stimble said that the one pier, of the 24 slips, only ten were affected by the storm. The other pier has 30-40 slips. He said, “Thankfully, no boats sank; they

were just pushed around and scratched up.”

Campbell Point Marina isn’t responsible for any repairs on the seven boats that were damaged. Stimble said, “With an act of God like that, it’ll be on the owners and their insurance to cover any damages since it wasn’t negligence on our part.”

The campground part of Campbell Point is managed by the U.S. Army Corps of Engineers. While there were many campers on site during

the storm, no injuries were reported from the storm.

Clean up of the marina is expected to begin on Thursday and last seven to ten days. Stimble stated, “We already had the insurance adjuster come down and take a look at everything. They are in the process of getting bids and we expect the work to be completed within six months.” At this time, there has not been an official damage estimate provided by the insurance company.

## Man dead after officer-involved shooting

Charlea Mills

A man is dead after being shot by a Cassville Police Officer following an assault Tuesday morning.

According to Cassville Chief of Police Dana Kammerlohr, Cpl. Donald Privett, a longtime veteran of the department, was dispatched around 7:30 a.m. on a 911 call about a disturbance in progress. The officer arrived at apartments at 600 Old Exeter Road in

Cassville where an altercation began between the suspect and officer.

The suspect, identified as Jonathan Thomas, 25, of Cassville, then assaulted Privett with a pipe before he discharged his firearm, striking Thomas. Both Privett and Thomas were transported to hospitals for their injuries. Thomas died en route via EMS to a Springfield hospital from the injuries he received.

Privett was treated for his injuries from the assault at Mercy Hospital in Cassville. He was released from the hospital the same day.

A formal investigation is being conducted by the Missouri State Highway Patrol and the Barry County Sheriff’s Office. The officer has been placed on routine administrative leave pending the findings of that investigation.

## Barry County Fair under new management

Charlea Mills

This year will mark the first year of the long-running Barry County Fair under new management.

Melvin and Terri Priest of Rockin’ P Ranch, Todd and Karen Mitchell, and Jerry and Sherry Sanders are taking over the fair in hopes of giving the event a fresh start. Sherry Sanders stated, “We’re just really trying to make the fair a great atmosphere for the kids of Barry County and surrounding counties. We want them to come to be able to show their animals and have a great time.”

Sanders said this is the third year that the fair will be held at the Rockin’ P Ranch in Wheaton. While the fair has been a long-running event in the county, the location has changed over the years, as has the format of the animal showings.

This year, the deadline is today. However, Sanders said that they will be taking late entries. She stated, “If they haven’t turned in their registration, we will still take them, no problem.”

The fair is open to anyone five years of age up through the summer after their graduating year of high school. Kids do not have to be FFA or 4-H members to participate. Sander said, “As long as they can control and show their own animal, they are welcome to come participate.”

This year, the fair will take place on a single day instead of over two days. Sanders said, “We’re going to have it all on one day due to the fewer entries in the last few years so that people don’t have to drive back and forth.” This year, the fair is on Saturday, June 21.

Events to watch for in-

clude a biscuits and gravy breakfast for \$4, a premium sale dinner of smoked chicken and sides for \$5 at 5:30 p.m. and the Premium Sale at 7 p.m. Sanders said, “We had someone donate a heifer for the Premium Sale, so we are hoping that people come out to see what we have.” Shows will include dairy, beef cattle, hogs, goats, sheep poultry and rabbits.

Booths are still available at the event for \$25 each. Vendors must provide their own table. Vendors are not required to preregister for the fair to set up.

Fair books are available at Holmes Farm Supply in Wheaton, Tractor Supply in Cassville and Eagan’s in Washburn. For more information, contact (479) 903-2683. Rockin’ P Ranch is located at 1361 Farm Road 2117 near Wheaton.

## SWEPCO route 109 halted and given rehearing

State Rep. Scott Fitzpatrick applauded a decision this week by the Arkansas PSC to halt a project that would run a massive power line through southern Barry County. The PSC made the decision that the Southwestern Power Company (SWEPCO) must show additional evidence on the need for, and the potential environmental impact of, the proposed 345 kV project before proceeding.

Fitzpatrick said the ruling will allow opponents valuable time to continue their efforts to permanently stop a project that would provide no additional electricity to Missouri homes and businesses but would threaten the property rights of many Missouri residents.

“These massive power lines would cut a path through our part of the state and would force land owners to sell portions of their property with absolutely no benefit to any Missouri resident. It makes no sense to allow this project to move forward in Missouri when you consider how strongly

the negatives outweigh the positives,” said Fitzpatrick, R-Shell Knob. “I am glad to see the Arkansas PSC is now moving to put the brakes on this plan. I am hopeful that SWEPCO and the Arkansas PSC have received the message that we are not going to lie down and accept this project in Missouri without a fight.”

Fitzpatrick and Sen. David Sater sponsored legislation during the 2014 legislative session to protect land owners from the project had it moved forward. Fitzpatrick’s bill (HB 1774) and Sater’s bill (SB 839) would have prohibited SWEPCO from using the power of eminent domain to forcibly take the land necessary for the towers and power lines.

“The fight may not be completely over, but the battle is won,” said Fitzpatrick. “SWEPCO will likely continue to seek approval to build this line, but I am optimistic that, after seeing the opposition mounted by Missourians, they will elect to steer clear of the Show Me State.”

## Investigation launched on TRL drowning death

Kathee Baird

A joint investigation by state agencies has been launched into the death of a woman who drowned last week in Barry County.

Sheriff Mick Epperly says the Missouri Water Patrol and the Highway Patrol launched an investigation into the drowning death of

Linglong Li "because it's suspicious in nature."

Epperly says 25 year-old Li, who lived in Carthage and was an inexperienced swimmer, was a newlywed who had immigrated to the United States in the last year.

Li, her husband and two other relatives had been camping near the Viola Ma-

rina for a few days before the woman died. "He [her husband] was teaching her to swim that day," Epperly said. The man said that he left his wife alone to snorkel while he cooked at the campsite, according to Epperly.

"It took them awhile to report her death," the Sheriff said.

VARL L. BALL

God called Varl L. Ball, age 82, of Eagle Rock, Missouri, home to Heaven, Wednesday, June 4, 2014. Varl passed away in his home.

He was born October 31, 1931, in Eagle Rock, the son of Ethel and Edith (Carter) Ball. He accepted Christ as Savior at the age of nine and was baptized in the membership of Roaring River Baptist Church in Eagle Rock, Missouri. His parents were very active in the work of the church and he was taught the importance of loyalty to the church and the Christian life.

Varl was drafted into the United States Marines and served from 1952 until 1954 in Barstow, California. This is where God opened his vision to the greater needs of

the world. On June 27, 1954, he married Ilene Comstock in Barstow, California, and then they came back to Eagle Rock, Missouri, to farm. Ilene was a faithful companion, partner and a great singer. After a few years, they both felt God was calling them into the Gospel ministry and enrolled in Southwest Baptist College in Bolivar, Missouri, in 1956. He then attended Baylor University in Waco, Texas. He went on to Golden Gate Baptist Seminary in California. Before Varl went to Golden Gate in California, his home church, Roaring River Baptist Church, wanted to honor him by ordaining him. This was uncommon to do this before having a pastorate and it meant a lot to Varl and Ilene. He attended Sacramento State College to obtain a teaching certificate and taught at Valley View Elementary for three years, a small county school outside of Auburn, California.

Together, he and Ilene were married forty-nine years and had four children, Tony, Carol, Artie and Kyle. Ilene went home to heaven on January 9, 2004. Varl stated that, "I wanted my life to

reflect God’s love and grace and that the journey along life’s ministry has been interesting, challenging and encouraging." He wanted his service to give glory to God and not to himself.

He was privileged to pastor the following churches: Rock Creek Baptist Church in Auburn, California, First Baptist Church in Carrizozo, New Mexico, First Baptist Church in Hermitage, Missouri, Roaring River Baptist Church in Eagle Rock, Missouri, (this was his home church where he attended growing up and he told the Lord that he would never pastor in his home church but he did), Myrtle Avenue Baptist Church in Eureka, California, Olive Point in Urbana, Missouri, First Baptist Church in Crocker, Missouri, Rock Springs Baptist Church in Eureka Springs, Arkansas, where his grandpa Carter pastored and preached at the turn of the century, and was assistant Pastor at Roaring River Baptist Church in Eagle Rock, Missouri.

Surviving are his children, Tony Ball and his wife, Glenda, of Wheaton, Missouri, Carol Harvick and her husband,

Carlton, of Crowley, Texas, Artie Pearson and her husband, Rick, of Hermitage, Missouri, and Kyle Altic and her husband, Andy, of Brighton, Missouri; two sisters, Geneva Indermuehle of Holts Summits, Missouri, and Patsy Pettigrew and her husband, George, of Dixon Springs, Tennessee; one brother, Jim Ball and his wife, Marge, of Seneca, Missouri; 11 grandchildren; and 15 great-grandchildren.

Preceding Varl in death was his father, Ethel Ball, mother, Edith Ball, sister, Eldora Redenz and wife, Ilene Comstock Ball.

He is honored and lovingly remembered by many friends and family.

Funeral services were held Monday, June 9, 2014, in Roaring River Baptist Church, Eagle Rock, Missouri, under direction of Fohn Funeral Home, Cassville, Missouri. Burial with military honors was in Munsey Cemetery, Eagle Rock, Missouri.

PHILIPPIANS 2:5-- Let this mind be in you, which was also in Christ Jesus:

1 CORINTHIANS 2:14-- But the natural man receiveth not the things of the Spirit of God; for they are foolishness unto him: neither can he know them, because they are spiritually discerned.

ROMANS 8:6-- For to be carnally minded is death; but to be spiritually minded is life and peace.

JOHN 3:7-- Marvel not that I said unto thee, Ye must be born again.

MATTHEW 10:34-- Think not that I am come to send peace on earth: I came not to send peace, but a sword.

(35)-- For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in-law against her mother in-law.

(36)-- And a man’s foes shall be they of his own household.

MARK 3:25-- And if a house be divided against itself, that house cannot stand.

ISAIAH 26:3-- Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee.

# County shocked with grief by Court Recorders’s death

Charlea Mills

Barry County residents were shocked and saddened by the sudden death of long-time Court Recorder Lori Cantwell, 45, last week. Cantwell, in the Recorder’s position since July 1994, died on Sunday of an apparent heart attack, leaving a void for both courthouse and Judicial Center employees. Cantwell ran the Recorder’s Office with her assistant Cathy Arnold.

County Circuit Clerk Craig Williams stated, “Lori was a good Christian woman who really had her priorities straight. She put God first and family second in her life. She will be sorely and greatly missed by my office.” Other county employees will remember Cantwell for her faith and strength of character that she exhibited over the many years with the County.

Cantwell’s visitation was last Wednesday evening and funeral was Thursday at the Family Life Center in Cassville with pastors Scott Mitchell and Donnie Spears. Cantwell was bur-

Cantwell

ied in the Washburn Prairie Cemetery.

The Recorder’s office was closed on Monday and Thursday last week out of respect for Cantwell’s passing. The Courthouse was also closed for the funeral from 10 a.m. until 1 p.m. on Monday. Cantwell was survived by her husband, Kevin, and two sons, Chase and Cody.

Cantwell was a life-long Barry County resident and graduated from Exeter High School in 1987. She was a member of the Solid Rock Baptist Church of Wheaton.

**THE CLEAR ALTERNATIVE TO BRACES**

**The low-down**  
You no longer have to straighten your teeth the old-fashioned way, with metal braces. The Invisalign Teen™ system lets you do it the modern, hygienic way. Your new smile is created with the most innovative technology – a series of clear aligners that are custom-fit to your teeth.

**The Aligners. . .**

- snap on your teeth easily.
- are comfortable and practically invisible.
- allow for your growing permanent teeth.
- gently and continuously move your teeth in small increments.
- are worn for about two weeks. Then you swap them for a new pair.
- have a Blue Dot Wear Indicator, designed to show an estimation of wear-time. The dot is designed to fade to clear over a two-week period if you wear (20 to 22 hours everyday) your aligners properly.
- can be removed for eating, brushing, and flossing, or going to a special event.

# Crowder to host Cassville Chamber luncheon

Crowder College, Cassville Campus, along with the Crowder Foundation, will host the second quarter Cassville Area Chamber of Commerce Quarterly Luncheon on Tuesday, June 24, at 12 noon at Crowder College.

Those in attendance will have the opportunity to meet Dr. Jennifer Methvin. Dr. Methvin was named the new Crowder College Presi-

dent in February of this year.

During the luncheon, Crowder staff will recap the last 15 years in Cassville and discuss future plans.

"I would like to thank Crowder College in advance for hosting this quarter's luncheon. Crowder College has been an integral part in the growth and stability of Cassville and Barry County the last fifteen years, and I'm sure they will continue to be

instrumental in that growth for years to come. Crowder provides an educational service to this community that otherwise would not be available, and that in itself is reason to appreciate Crowder College. Personally, I'm looking forward to the upcoming luncheon, and I speak for the Chamber when I say we are all looking forward to their presentation. Anybody who attends this luncheon will benefit from it," stated Kelly Mills,

Chamber President.

Attendees will enjoy lunch catered by BBQ Station at no expense thanks to Crowder's generosity. Those interested in attending must RSVP to chamber@cassville.com or (417) 847-2814 by Friday, June 20.

## Nixon says education cuts from lost casino revenue

*Courtney Rasmussen*

On Tuesday, May 20, Governor Jay Nixon stated an extra \$35 million is being cut from educational funds. Public schools and universities are concerned about decreasing state revenues from casino taxes, as well as lottery sales.

The most recent spending cuts have not yet affected classrooms due to the end of the school year. "It's going to force a lot of school boards and superintendents to do some scrambling here toward the end of the fiscal year to make some budget adjustments," Nixon said. In April Nixon had announced another educational restriction of \$22 million, also an effect of casino taxes and lottery sales declining.

In the most recent round of cuts, Missouri's K-12 funding formula will lose \$24.6 million. This year, the total decrease in funds is over \$40 million. Universities will be impacted by a loss of \$10.5 million, as well.

The Missouri Gaming As-

sociation has contributed to the decreases from the recent economic decline and harsh wintery weather. Competition arose from a new casino located in Kansas City. Kansas could also play a role in the decrease of Missouri's revenue, as could the change in ownership of the St. Louis casino. Budget Director for Nixon, Linda Luebbering, said the reason for the slumping lottery revenues "is a little bit less known" but could depend on the number of large jackpots that can spur a surge in ticket sales.

The state budget from this year acquired \$343 million from casino revenues and \$312 from lottery profits to fulfill education appropriations, which would have been a 4.2 percent growth in casino revenues and a 7.9 percent growth in lottery profits versus the previous year. The equaled decline from casino revenues is 6.0 percent and the decline from lottery profits is 4.9 percent compared to last year's revenues.

## Central Crossing seniors honor veterans

Beverly Taylor scoops out homemade ice cream at the event.

Joe Still, a former POW, embraces Melanie Mead at Friday's celebration.

Jeff Harp

In honor of our area veterans, both living and deceased, Central Crossing Senior Center put on probably its best cookout yet. On Friday, May 30, 2014, CCSC hosted on a belated Veterans' Day celebration; however, everyone showed up early to honor the service of our brave men and women who've served this country. Veterans from all

services, including the U.S. Coast Guard, were honored and veterans from several conflicts and wars were represented as well. Bill Wood, the Shell Knob area VFW Chaplin, gave the invocation. David Atkinson, VFW Post Commander, officiated the event. Dave pointed out that when a veteran signs up for service in the U.S. Military, he/she writes a blank check to the nation,

offering to give whatever he has and whatever it takes. Some gave the ultimate sacrifice with their lives. We remember them in our prayers with thankfulness. Others gave up their freedom as Prisoners of War. One such individual, Joe Still, was especially honored this day for his sacrifice during WWII, a portion of that time spent as a POW in the Pacific; forfeiting two years of his life - a true hero and so deserving of the special recognition he received today.

Steaks, burgers and hot dogs were provided courtesy of Food Harvest, Arvest Bank and Country Fresh Market. Homemade ice cream was provided by Bob

Lea. This special cookout would not have been possible were it not for their charity and love of the community. OJ Thompson and his staff, as well as a great many volunteers, gave of their time and talents to make this celebration one to remember. If you would like to be a part of the volunteering fun, stop by the Central Crossing Center and talk to OJ or any of the ladies in the front office: Karin, Rita or Sara to see how you can help.

In the meantime, be sure to thank the vets you meet for their service; it means a lot to them and the blessings of freedom we've come to expect are due in large part to their sacrifices.

## Phone and Internet Discounts Available to CenturyLink Customers

The Missouri Public Service Commission designated CenturyLink as an Eligible Telecommunications Carrier within its service area for universal service purposes. CenturyLink's basic local service rates for residential voice lines are \$8.96-\$19.00 per month and business services are \$17.92-\$24.20 per month. Specific rates will be provided upon request.

CenturyLink participates in a government benefit program (Lifeline) to make residential telephone service more affordable to eligible low-income individuals and families. Eligible customers are those that meet eligibility standards as defined by the FCC and state commissions. Residents who live on federally recognized Tribal Lands may qualify for additional Tribal benefits if they participate in certain additional federal eligibility programs. The Lifeline discount is available for only one telephone per household, which can be either a wireline or wireless telephone. A household is defined for the purposes of the Lifeline program as any individual or group of individuals who live together at the same address and share income and expenses. Lifeline service is not transferable, and only eligible consumers may enroll in the program. Consumers who willfully make false statements in order to obtain Lifeline telephone service can be punished by fine or imprisonment and can be barred from the program.

Lifeline eligible subscribers may also qualify for reliable home high-speed Internet service up to 1.5 Mbps for \$9.95\* per month for the first 12 months of service. Further details are available at [centurylink.com/internetbasics](http://centurylink.com/internetbasics).
