Cassville man arrested for purse snatching, drugs

Charlea Estes

A Cassville man was arrested for a purse theft after answering the victim's stolen cell phone. Larry W. Delano, 55, of Cassville, is charged with two counts of possession of a controlled substance, escape from police custody while under arrest for a felony, unlawful use of drug paraphernalia with prior drug offenses and stealing of less than \$150.

According to the affidavit of probable cause by Cassville Police Officer Colt Beck, on Tuesday, June 6, a woman reported a man stole her purse out of her car. The man was described as being about 50 years old and wearing plaid shorts. Officers knew the man to be Delano based on the description. The purse contained a cell phone, \$64 in cash as well as personal belongings, identification and credit and debit cards.

When officers arrived at Delano's apartment on 9th Street, they called the stolen cell phone. When Delano answered and officers asked who it was, he responded, "Larry M----- F----- Delano," according to officers. At that point, officers told him they were law enforcement and to come to the door.

When officers approached, another resident in the apartment gave them consent to search the apartment and Delano was taken into custody. While searching the apartment, Delano was found to have drug paraphernalia, 10 Tramadol Hydrochloride pills, crystal methamphetamine, syringes, and a marijuana smoking pipe.

While law enforcement was searching the apartment, Delano had fled from the front of the building and was running, still hand cuffed, north bound. Delano was located at the bottom of a creek bed just north of the apartment building. When taken into custody and successfully transported to the Barry County Jail, Delano then allegedly threatened another officer, telling Barry County Officer Dave Ruark that he would put a contract out on his life. The jail incident was on video.

Delano also has two other cases with pending charges from this year. On February 7, Delano was arrested for drug offenses when officers were investigating a suspicious person complaint on Harold Street in Cassville. Delano allegedly had Oxycodone, Clonazepam, as well as a metal pipe for marijuana and another metal pipe. Officers reported that Delano tried to get rid of a pipe while talking to officers.

The other incident was on January 3. Officers investigated a drug offense on State Highway 112 and arrested multiple people, including Delano, for different drugs, including Alprazolam, Hydrocodone and methamphetamine.

Delano is being held in the Barry County Jail in lieu of a \$30,000 cash-only bond.

The earlier incidents not pertaining to purse theft have Delano facing two counts of possession of a controlled substance, endangering the welfare of a child, two counts of unlawful use of drug paraphernalia, and three counts of delivery of a controlled substance.

Seligman chief resigns, current officer takes his place

Charlea Estes

Seligman's Chief of Police for the last three years, Terry Burgess, stepped down from his position at the city's June council meeting. Burgess also recommended Seligman's current Detective Sergeant Matt Phillips to take his place at the same time. The city accepted both the resignation and recommendation on Monday, June 12.

Burgess said that it was time for him to step down and turn the job over to someone else. He said, "After a combined 19 years between the military and law enforcement, it was time to focus solely on my business. I truly felt like I did my part and contribute.d" Burgess owns 37 Pawn and Gun in Seligman.

Phillips said he hopes to continue on with Burgess' goals for the city and thinks he has a firm grasp on the position after working in the city for the last two years. He said, "I'm hoping to see the city grow. Terry and I have some of the same views, and I hope to carry that on."

Phillips was hired by the Seligman Police Department as a reserve in August 2015. By November, he had been hired as the city's part-time officer. Then, in October 2016, Phillips was promoted to Detective Sergeant after completing Crime Scene Investigation classes, earning his certification in CSI.

Burgess said, "In my resignation letter, I also made

Burgess

it a recommendation letter. Matt has been more than dedicated to this city for two years. Some of the things he brought to the table did nothing but improve the city, and it seemed fitting to me to have Matt pick up where I'm leaving off.

"Matt knows the city. Matt has come to know a lot of the people. He understands the department. His willingness to do the hard things and put in the legwork will make him a good chief."

Burgess said that he is proud of his time as chief and all that he and his officers accomplished over his three years with the city. He said, "Seligman was my first commission. After that, I went full time with the county, and eventually came back here."

"My goal coming in was just to provide a professional police department to

the community and update the police department. I honestly feel that we went from being one of the most underdeveloped departments to one of the most technologically advanced. We were the first to put computers in the cars, the first to do mobile ticketing. We really put a lot of technological advancement into the department."

He added that he is proud of Phillips and all of the officers that have passed through Seligman during his time in charge of the department.

"I'm really proud that every officer I've had leave the department and go to

Barry County, Cassville and Newton County. They all moved up. Unfortunately, we'll always be a stepping stone department, but even this officer has succeeded me in becoming chief.

"All of the officers I've hired have gone on to bigger and better things. That's what I'm most proud of," Burgess said.

Both Phillips and Burgess agreed that the biggest changes in the department came with the equipment and technological advancements. Phillips said they've recently transitioned from laptops in their cars to Toughbooks, a military grade computer. He added

Barry County buses get passing grades

Charlea Estes

After inspections by the Missouri State Highway Patrol, Barry County's school buses got passing grades and all will remain in commission.

Each year, the Missouri State Highway Patrol inspects school buses as part of the Motor Vehicle Inspection Division's school bus inspection program. Between February 2 and May 5, Highway Patrol personnel inspected Missouri Schools' buses. This year, the statewide average approval was 90.24 percent. Barry County's average was 83.48 percent.

According to a report released by the Missouri State Highway Patrol, there are three categories buses fall into: approved, defective and out of service. Despite the name, defective does not mean buses cannot be operated until repairs are made. Out of service buses had to be repaired, re-inspected and placed back into service by the Missouri State Highway Patrol inspection personnel before transporting students again. Buses were allotted 10 days to be repaired and reinspected.

Inspection results were:

Cassville R-IV: 26 buses inspected, 26 buses approved, 100 percent approval rating.

Exeter R-VI: 5 buses inspected, 4 buses approved, 1 bus considered defective, 80 percent approval rating.

Monett R-I: 26 buses inspected, 20 buses approved, 3 buses considered defective*, 3 buses out of service*, 76.9 percent approval rating.

Shell Knob 78: 7 buses inspected, 6 buses approved, 1 bus considered defective, 85.7 percent approval rating.

Southwest R-V: 18 buses inspected, 15 buses approved, 1 bus considered defective, 2 buses out of commission, 83.3 percent approval rating.

Wheaton R-III: 8 buses, 6 approved, 2 buses defective*, 75 percent approval rating.

*Wheaton Schools has since replaced the two defective buses with new models utilizing a clean diesel grant. Monett's superintendent was unavailable to answer questions regarding any bus replacements.

“NIP IT IN THE BUD”

Whenever there was trouble in Mayberry, Barney Fife was always telling Andy”we need to nip in the bud.” Usually a large portion of the reminder of the show focused upon Barneys failure to “nip it in the bud” due to being overzealous, woefully uniformed or a combination of the two. Actually, Barney’s words are sound advice, spiritually. The Scriptures are full of examples and encouragements to not delay concerning salvation. “But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.”2nd Peter 3:10 “....now is the accepted time; behold, now is the day of salvation.” 2nd Corinthians 6:2. “ And now why tarriest thou? arise, and be baptized, wash away thy sins, calling on the name of the Lord.” Acts 22:16. “Nevertheless among the chief rulers also many believed on him; but because of the Pharisees they did not confess him, lest they should be put out of the synagogue.” John12:42. There is a twofold danger in delay; 1) Jesus may come before you respond and 2) the delay can lead to a”hardened” heart. You may lose the desire. How important is your response? Eternally important; He that believeth and is baptized shall be saved; he that believeth not shall be damned” Mark 16:16.

Please join us as we strive to serve the Lord in spirit and in truth.

Family flowers: Designs By Debbie taken over by second generation

Charlea Estes

For 34 years, Designs By Debbie has been serving the community through beautiful bouquets and arrangements. As of this year, owner Debbie Gatley stepped down and her daughter, Kristin Houston, took their reins. One thing that isn't changing is the service they have been offering their customers for over three decades.

Debbie said, "We want to continue to take care of our people just like we have." Debbie said that while her daughter is taking over, she will still be in the shop here

and there.

Kristin and Debbie both have told their customers that they are still offering the same customer service and keeping the same family values. Kristin said, "It's still the same family-run business and the same priorities."

When asked why she decided to let Kristin take over, she said, "It's time. I've been doing this a long time, and I've always enjoyed it."

Kristin grew up in the shop with her mom. From the time she was eight years old, she was helping and learning. Kristin said, "I grew

up in it."

Designs By Debbie does arrangements and flowers for weddings, funerals, birthdays, get wells, home and holiday decorating and much more. Not only do they offer fresh bouquets, but they also offer silk arrangements, gift baskets, balloons and more. They also offer tuxedo rentals.

Kristin really takes pride in making new creations and meeting or exceeding customers' expectations. She said, "I like getting to do something different every day and with every order."

Over the years, they've done quite a few unique arrangements for people, and they always look forward to new challenges and designs.

Kristin said, "If someone brings in a picture of what they want, we can do it. Even if you have an idea, we can make it happen."

Kristin is moving forward with Designs By Debbie and Debbie will continue to be around the shop. Debbie said, "I really appreciate all of my loyal customers over the years and we want to continue to serve you in the future as we have for the last

34 years."

She added, "I really want to thank everyone for making us so successful. I've enjoyed serving everyone."

Designs By Debbie is located at 300 5th Street in Cassville and is open Monday through Friday from 8:30 a.m. to 5 p.m. and Saturday from 8:30 a.m. to

noon. Phones are answered 24 hours a day at (417) 847-4500. They are also on Facebook and have a website www.cassvilledesignsbydebbie.com. Kristin and Debbie recommend placing orders by phone for better deals.

Designs By Debbie's makes deliveries in the Cassville and surrounding areas.

Purdy Elementary awards courage medals, honors Patton

Linda Patton and former Purdy Elementary Principal Nola Nichols share a warm embrace. Nichols first hired Patton as a teacher in 1985.

Purdy's courageous kids are pictured above, from left to right. Front row: Marley Jackson; Violet Wolf; Emanuel Paxtor; Ashley Paxtor; and Sherlyn Paxtor. Back row: Joshua Hughes, as "Joshie;" Cristian Villa; Alondra Canales; Keele Allen-Thorpe; Mrs. Linda Patton; JJ Aguilar; Zoe Anderson; Haley Juarez Solis; and Christina Harmon, as "Chrissie."

Purdy Elementary announced the character education medal winners for the month of May. In partner-

ship with elementary counselor Gary Jurgensen, Purdy's kindergarten through fourth grade teachers present a dif-

ferent character trait each month. At the end of the month, each teacher nominates one student who best exemplifies the trait presented. In May, students focused on courage. Assembly hosts Joshua Hughes, playing ornery second grade student "Joshie," and Christina Harmon, portraying his sidekick "Chrissy," introduced an honored guest and famil-

lar face to help them define courage. Third grade teacher Linda Patton is retiring after 31 years of service to the Purdy R-II School District.

Linda Patton began her teaching career at Purdy in 1985 as an elementary science teacher. She assumed the helm of her first grade level class in 1986, as a fifth grade teacher. Throughout her 31-year tenure, she cou-

rageously faced professional changes, including shifting grade and room assignments and rapidly advancing technology, but Patton's courage shone especially bright in the fall of 2002 when she was diagnosed with breast cancer. Patton took a leave of absence for the remainder of the year to fight and ultimately defeat her foe, setting an example of strength, grace and determination for her students and co-workers.

Several surprise guests showed up to celebrate Patton's courage during the assembly, including several family members, includ-

ing husband Stan Patton, daughter Audrey Patton, sister and brother-in-law Barb and Rick Hemphill, brother David Lytle, father-in-law Jerry Patton, brother-in-law Steve Patton and close family friend Jane Rogers, who provides the character education medals awarded to Purdy Elementary students each month. Patton was also reunited with several familiar faces from her career. Members of her 1986 fifth grade class greeted her with smiles, tears and hugs. Those attending included Leslie (Coones) Hendrix, Misty (Kresyman) Roller, Amanda (Schlessman) Cowan, Ben Lowery, JD Lowe and Michael Brittenham. Assembly attendees also got to meet the former Purdy Elementary principal who first hired Linda Patton, Nola Nichols.

The assembly concluded with the introduction of recent students and families Patton has impacted. JD,

Tracy and Audrey Lowe presented her with flowers and a letter of gratitude for helping them through Audrey's serious illness when she was a member of Patton's third grade class. Finally, current Purdy Middle and High School students that Patton taught in elementary surrounded her on the gym

floor as a visual testimony to her impact as an educator, as Purdy superintendent Steven Chancellor paid tribute to her service.

Purdy Elementary's courage medal winners are fourth graders Keele Allen-Thorpe, Alondra Canales and Cristian Villa; third graders Zoe Anderson, JJ Aguilar and

Haley Juarez Solis; second graders Sherlyn Paxtor and Jesus Serrano; first graders Marley Jackson, Ashley Paxtor and Violet Wolf and kindergarten Emanuel Paxtor, Ariana Garcia and Kaylee Patrick. The honorees had the privilege of posing for photos with a true courageous heroine, Mrs. Linda Patton.

Pictured above, from left to right: David Lytle, Rick and Barb Hemphill, Linda Patton, Stan Patton, Audrey Patton, Steve Patton, Jerry Patton and Jane Rogers.

CHIEF from FRONT

that having new cars is also a big asset.

Burgess said, “One of my big things was update the equipment for future officers to have the right equipment to do the job. I’m really proud of that.”

Now Phillips will pursue hiring another officer to assist with the department. Currently, Phillips is the only officer now that Burgess has stepped down. Phillips said, “The coverage is the biggest issue right now, in my opinion. We’re averaging 30 hours of coverage, because we do not have a full-time officer. But we are currently seeking a full-time officer. We’re taking applications.”

Burgess said that while he isn’t going to be on the force anymore, he will always field Phillips’ questions and help when he can. He said, “I will be available to Matt when he has questions. I still own a busi-

ness here. I’m not going anywhere. I’m going to be involved in the community in different ways now. I’m going to continue to support Shop with a Cop and continue to make that successful because I know what it means to the families that it helps.”

Burgess did say he would miss parts of working for this city, but in the end, leaving is the right choice for him. “My business is evolving and growing, and as much as I love what I did for the city, it really was time for me to start growing my business. I want to create jobs,” Burgess said.

Phillips brings to Seligman Police Department a police academy degree from Missouri Southern State University, continuing education and two years of experience with the city. He also graduated from Exeter High School in 2011.

CASSVILLE RODEO IS THIS WEEKEND

Charlea Estes
The Cassville Rotary Club is changing it up this year with a new event aimed at drawing kids in to participate in the annual event. For the first time, the Cassville Rotary Club Rodeo will feature mutton busting, a six and under competition where kids will try to stay on a sheep.

This year, only 15 participants are going to be allowed to compete. Children six and under and who weigh less than 60 pounds can try their hand at the sport for cash prizes for the top three spots.

This year's top mutton buster will win \$100 while second place will take \$50, and third will take \$25.

Regularly slated events at the rodeo will be the same as previous years and will include bareback, bull riding, saddlebonc, calf roping, team roping, steer wrestling, cowgirl barrel racing and cowgirl breakaway roping. The mutton busting competition will be on Friday night only, June 16, at 6:30 p.m. The rodeo begins at 8 p.m. on both Friday and Saturday nights.

Admission is \$10 for adults and \$5 for children ages 6-12. Advance tickets are \$2 off for adults.

To register for mutton busting or ask questions, contact Fletcher at (417) 847-6623 or Justin Gates at (417) 847-4111.

Arrows fall to Ozark Generals

Lee Stubblefield

The Cassville Arrows returned home from a three-game road trip last week, owners of a 2-2 record after beating the Nevada Griffons, 8-3. But the Ozark Generals swept both the Friday night and Saturday matinee games at Wildcat Field as the Arrows dipped below .500.

The Generals pinned a 7-2 loss on the Arrows on Friday as Cassville struggled at the plate again. Coach Shawn Trent's team only scored a single run in both road losses.

On Saturday, Ozark's Sam Belisle-Springer posted six scoreless innings against Cassville to lead the Generals to a 4-2 victory. Making his first start of the year, the Canadian right-hander allowed just one hit and three walks in a masterful

performance.

Cassville starter Chance Liveoak threw three scoreless innings before yielding a run in the top of the fourth. Nate DeChaine ripped a leadoff single, went to second base on a sac bunt, and then scored courtesy of Darin Love's RBI single.

Ozark scored two more in the seventh inning with a two-out rally and held a 3-0 advantage when Joe Cayness serenaded the crowd during the seventh-inning stretch.

Then, faster than you could say "Will Clark, the Arrows jumped on Ozark reliever Trent McDougal for a pair of runs in the bottom of the seventh. Rocky Lveoak drew a leadoff walk, and scored on an infield error. Michael Brown ripped an RBI double to plate Ryan Hickman as Cassville pulled

within a run at 3-2.

But Dylan Bowers came out of the Ozark bullpen and retired the next two batters to protect the lead as Cassville stranded the tying run at second base.

The Generals touched Alex Dyer for an insurance run in the eighth to claim a two-run lead. The Arrows went down in order in both the eighth and ninth innings as they took the 4-2 loss.

The Cassville club embarks on another three-game road swing, visiting Clarinda, IA, for one game with the A's, and then Chillicothe for two games against the Mudcats before returning home on Saturday, June 17, for a game against the Midwest Nationals. First pitch is set for 2 p.m.

Wiseman makes CMU Dean’s List

Central Methodist University student Kelsey Wiseman, an athletic training major from Monett, has been named to the CMU Dean’s List for the Spring 2017 semester.

This outstanding academic achievement is awarded only to students who maintain a minimum grade point average of 3.50 or above for the semester, among other criteria, according to CMU Provost and Dean of the University Dr. Rita Gulstad.

Out of CMU’s nearly 5,000 College of Liberal Arts and Sciences (CLAS) and College of Graduate and Extended Studies (CGES) students, 964 were named to the spring semester Dean’s List.

These students study at CMU’s main campus in Fayette, at a CMU center, or through CMU’s online program.

Wiseman studies at CMU’s main campus in Fayette.

Since its founding in 1854, CMU has evolved into a university that confers master’s, bachelor’s and associate’s degrees through programming on its main campus in Fayette and through extension sites and online.

Cassville Youth Advisory Board reinstated

Cassville Chief of Police Dana Kammerlohr and Elaine Boles are reactivating the Cassville Youth Advisory Board. This is an out of school organization that gives the youth a voice to the community, government and law enforcement. They will be working with community leaders and law enforcement to help change laws and make improvements so that the City of Cassville will be a safer and better place to live.

The group has 26 students on the Cassville Youth Advisory Board at this time. There is also a waiting list of students who have applied. In order to be accepted on the board, a student must go through the application process. References and discipline issues will be checked. In order to qualify, the students must be self-motivated, have high moral standards, must abstain from alcohol-drug use and be reliable.
