Cassville PD steps up to supplement school safety

Charlea Mills

The Cassville Police Department will be supplementing at Cassville Schools in the upcoming school year to ensure that the D.A.R.E. program continues in the middle school. To guarantee this, the Cassville Police Department will be providing an extra officer in the schools to check the buildings while their School Resource Officer (SRO) teaches.

Chief Dana Kammerlohr stated, "The school approached us because they wanted an officer to cover in the buildings when the SRO is doing the D.A.R.E. program. So we made arrangements to make those accommodations."

Cassville Police Officer Jennifer Luckey is the SRO for Cassville Schools. Her duties include walkthroughs of all of the buildings, teaching D.A.R.E to sixth graders each year, and teaching supplemental programs to other grade levels. Officer Luckey is at the school from August

through May and also does walkthroughs during the day in the summer, as well. The salary for the SRO position is determined by the City of Cassville and is split 50/50 between Cassville Schools and the City.

According to Melanie Stringer, Cassville Middle School principal, "Our primary concern was that we are very happy with our D.A.R.E. program, but we are also concerned with having a SRO officer available at all times during the day." Stringer explained that, during the eight-week D.A.R.E. course, Officer Luckey teaches students for two hours each afternoon. For the school, that was a significant enough span of time that they were not comfortable not having an officer available for checking into the safety of the buildings.

The solution offered up by the Cassville Police Department was to provide an officer during the times that Luckey is dedicated to

educating students. Kammerlohr stated, "The officer assigned will be vary dependent on scheduling. It could be me or any of the officers." While the school has made many security upgrades to the buildings and busses, there is not a substitute for having law enforcement on campus.

Stringer stated, "We are so appreciative of Chief Kammerlohr being so flexible and working with us to ensure we have what we need in our schools for the safety of our students."

Kammerlohr stated, "I'm very glad to see D.A.R.E. staying in the school. It's a very important program. It's not the only one out there, but it encourages a good liaison between the students, officers and school."

Kammerlohr added, "Students need to see the officer as a person who is there to help them in times of need."

Superintendent Richard Asbill stated, "Cassville

Officer Jennifer Luckey stands with Melissa Martinez (left) and Kennedy Parnell (right), two of the D.A.R.E. essay winners from Cassville Middle School from the 2013-2014 school year.

R-IV School District has dedicated many efforts to ensuring student safety. The opportunity and partnership with the City of Cassville for the SRO is very important to our security program. In addition, the SRO develops

good relationships with our students that enable us to not only keep students safe but build value in relationships with our local and county police officers."

Perryman sentenced to 30 years in prison

Perryman

Charlea Mills

Howard Lee Perryman, the man who pled guilty to four counts of receiving stolen property and one count of tampering, was sentenced in court yesterday to 30 years in prison for his crimes.

Perryman, 64, of Monett, was called one of the biggest thieves in southwest Missouri by Barry County Prosecuting Attorney Johnnie Cox. According to court documents, he has over 20 convictions for various offenses and also has pending charges in a variety of counties in Missouri stemming from alleged vehicle, tractor and livestock thefts.

On April 29, 2014, Perryman entered guilty pleas to all five charges related to four different tractors and a skid steer stolen in 2010. Jury selection had begun when Perryman entered his plea.

Judge Jack Goodman ac-

cepted Cox's request of at least 30 years imprisonment. Cox stated, "We'd requested at least 30 years because we wanted to make sure he spent the rest of his life in prison."

Goodman sentenced Perryman to 15 years on each of the five charges with three of those charges to run consecutively with the other two charges. According to Cox, Probation and Parole's paperwork states that Perryman will have to serve at least 80 percent of that sentence before being eligible for release.

Perryman still has two cases pending in Barry County from charges in 2013.

Cassville School Board approves \$4M bonds sale

The Board of Education of the Cassville R-IV School, District of Barry County at a regular meeting on June 12, 2014, approved the sale of \$4,000,000 General Obligation Bond Issue to its Municipal Bond Underwriter, L.J. Hart and Company of St. Louis, Missouri by establishing a final terms committee. "We appreciate the strong vote of confidence we received from local patrons at the election and want to lock in interest rates under current market conditions," stated John Sullivan, President of the Board of Education.

These new money Gener-

al Obligation Bonds were approved by about 65 percent of the voters at the April 8, 2014, election, for the purpose of providing funds for maintenance, repairs, upgrades, renovations, FEMA additions, and improvements including upgrading heating, ventilation and air conditioning and electrical systems at the Primary, Middle, and High schools; installing technology infrastructure and equipment enhancements; completing lighting, seating, and flooring improvements to the Middle and High school

Country star Easton Corbin to perform locally

Charlea Mills

Country music star Easton Corbin will be coming to Cassville for a special VIP performance after Country Dodge was chosen in a special drawing for all Dodge dealerships across the United States.

The concert, which will be held on July 28, will be an invitation-only event that was part of a partnership between Chrysler-Dodge and local FFAs. Details of the concert, including the

venue, have not yet been released.

Chances to win the concert were tied to an FFA fundraiser that benefitted local chapters. On Saturday, April 26, Country Dodge held a special event called The Next Crop in which for every test drive that day corporate Chrysler donated \$20 to local FFA chapters. The event raised \$2,000 with Country Dodge giving \$500 to Purdy FFA for bringing in the most test drivers.

Fish kill linked to Monett's Tyson plant

Charlea Mills

Controversy surrounding a chemical dumped into the Monett sewer system is coming to a head after the Missouri Department of Natural Resources released a report on the incident last week.

According to the report written by Sieu T. Dang of the DNS Southwest Regional Office, they were contacted after David Sims, operator of the City of Monett Municipal Water Treatment Facility, reported an issue with the facility.

After investigation, the

source of the issue was reported to be the Monett Tyson plant. According to Tyson, a truck load of ALI-MET, a liquid feed supplement, was taken from the Aurora plant to Monett where the driver told them it was filled with "animal fat." The pretreatment operator at the plant at Monett began dumping the truck before realizing that the load was not animal fat. According to information provided by Tyson, the truck was emptying for five to ten minutes before it was shut down on May 16.

The remaining ALIMET

was treated at the plant with sodium hydroxide to raise the pH as instructed by the City and their chemical supplier, WaterTech, before releasing the rest of the truck.

According to an investigation by DNR and the Missouri Department of Conservation, the chemical spill resulted in a fish kill for at least four miles of Clear Creek downstream of the Wastewater Treatment Facility to Highway 97 in Pierce City.

It is unclear as to whether

gymnasiums; repairing or replacing roofs at the Primary and Middle schools; resurfacing selected parking lots and drives; renovating the old middle school building for future use; and to the extent funds are available, prepay FEMA lease financings.

The district has already begun work on many of the commitments made to the parents, students, teachers, and patrons of the district, commented Becky Henningson. "Priorities were made and our goals to complete several projects before the start of school is important to us. Our efforts to provide excellent facilities and opportunities for our community is our responsibility we take seriously. We have a lot of work to be accomplished and are evaluating all our needs to ensure success," stated Henningson.

The Superintendent of Schools, Richard Asbill, mentioned that he was pleased efforts are going to be made to accommodate local investors. The Board of Education selected the negotiated sale of the bonds in order to capture current market conditions, to be certain that local individual investors and banks receive an opportunity to purchase

the bonds, and because the proposed interest rates will be fair based upon current conditions in the municipal bond market. Dr. Asbill stated that the District will compare proposed interest rates with the national bond indexes and other comparable Missouri issues with a similar rating quality sold at negotiated sales to be certain that rates for the District's bonds are consistent with those being paid by other issuers. The final terms committee consists of the President (John Sullivan) and Treasurer (Jon Horner) of the Board of Education, Dr. Asbill as Superintendent, and Larry J. Hart, President and CEO of L.J. Hart and Company. "By appointing this committee the District can lock in rates during the week of June 16-20, 2014, without needing to call a special meeting as long as the desired parameters are met," Dr. Asbill stated.

According to Kelly E. Liermann, Senior Analyst at L.J. Hart and Company, the serial bonds are scheduled to mature on March 1, 2025,

through March 1, 2029, with reoffered yields ranging from 2.70 percent to 3.20 percent which is consistent with the original projections. Individuals interested in buying some of the bonds are encouraged to contact L.J. Hart and Company at (800) 264-4477 or their local Edward Jones and Company account representative. The interest income from the bonds is exempt from federal and state of Missouri income taxes and the bonds are available in \$5,000 denominations.

These bonds carry a "AA+" rating from Standard and Poor's Corporation due to the District's participation in the State of Missouri Direct Deposit Program coordinated through the Missouri Health and Educational Facilities Authority.

The bonds do contain optional redemption (call) provisions on March 1, 2019, at no penalty that will facilitate the reduction of future interest expense in the event of prepayment or a future refunding to lower rates if

market conditions make it economically feasible. The financing proceeds are expected to be available to the District by July 15, 2014, and will be promptly reinvested by the District to earn additional interest for use in the completion of the projects. The legal documents to complete the issuance of the bonds will be prepared by John W. Brickler, Esq. of Spencer Fane Britt and Browne LLP in its role as bond counsel for the District.

SWEPCO rehearing good news for Barry County

The Arkansas Public Service Commission's (APSC) ruling to grant a rehearing on a massive power line through southern Barry County to serve their Arkansas customer base could mean good news for residents concerned about the power line's impact on their property.

Initially, the APSC approved Southwestern Power Company's (SWEPCO) plan for Route 109 which would have used eminent domain

to take over properties along the southern border of the county. Now that a rehearing has been granted, SWEPCO will have to provide additional evidence on the need for and potential environmental impact of the 345 kV project before they can proceed.

Should the plan progress, SWEPCO will be required to inform property owners of the plans which they have yet to do.

Sales tax down for County, City in May

Charlea Mills

Both Barry County and the City of Cassville experienced a decrease in revenue generated by local sales tax for the month of May according to the figures released by County treasurer Lois Lowe and City Clerk Darelyn Cooper.

For May, the County received \$164,464.51 in sales tax revenue, a \$8,497.56 decrease from 2013 equating to a loss of 4.39 percent. Even with the decrease for the month, the County is still up 8.71 percent over last year's totals partially due to a state-wide audit that netted the County a 46.55 percent increase for the month of April.

Sofar, the County's revenue stands at \$887,975.08 for the general half-cent tax, \$71,181.09 ahead of last year's to-date figures.

The City of Cassville had comparable losses with a 5.7 percent decrease over May of 2013. This year, May brought \$142,499.56, down from 2013's \$151,130.11. The City is still up 3.0 percent also partially from the state-wide audit last month where April had a 27.7 percent increase over last year.

So far, the City has collected \$813,066.27 in the total of all three City taxes that total two cents. Comparatively, in May of 2013, the City had collected \$789,547.11.

PATRICIA "PATTI" ESKILDSEN
Patricia "Patti" Eskildsen, age 73, of Cassville, Missouri, passed away peacefully at her home on Wednesday, June 11, 2014. Mrs. Eskildsen, daughter of Elmer and Catherine (Clow) Wagner, was born on March 1, 1941, in Maywood, Illinois. She grew up and attended school in Maywood, and graduated from Proviso High School. On October 10, 1959, she was united in marriage to James Eskildsen; he survives. Patti and her husband moved to Barry County in 1973, where they owned and operated Ackin' Back Resort in Shell Knob for 17 years. After moving to Cassville in 1988, and her family being raised, she returned to school and earned a degree in Dietary Management from

the University of Georgia. Subsequently she worked as the Certified Dietary Manager at Mercy Hospital in Cassville for 17 years. She was a member of the Women's Central Crossing Auxiliary in Shell Knob, and the Compassionate Friends Network through the hospital in Cassville. She was a member of the First Baptist Church in Cassville. Mrs. Eskildsen loved her family, she never missed a chance to go and watch her grandsons play sports.
Survivors include her husband of 54 years James, of Cassville; two daughters, Suzie Smith and Shari Rhea and her husband, Darren, all of Cassville; and three grandchildren, Kyle and Kristopher Rhea, and Joey Smith; one brother, Robert Wagner and his wife, Cathy, of Peoria, Arizona; one brother-in-law, Henry Eskildsen, of Rockford, Illinois; and life-long friends Tom and Pat Kurowski, of Montgomery, Texas.
In addition to her parents, she was preceded in death by her son, Scott Eskildsen, and one brother, Wayne Wagner and his wife, Anne, of Chicago, Illinois.

and lots of extended family and friends.
Preceding him in death were his grandmother, Carol Gerster, and an uncle, Jerry Gerster.
Johnathon grew up and received his education at Cassville. Some of his favorite pastimes were studying history, kickboxing, weightlifting and spending time with friends.
John was a friend to all who gave him time. Never did his face hold anything but a smile for all to see. He lived in a world that did not understand him yet he did his best to make all those around him feel loved. In times of need he gave all that he had. He was truly the best friend that a person could have. So caring, and sincere, he never spoke ill to anyone. He wanted very little and asked even less, yet would not hold back of feelings he expressed. His strength and his courage were beyond comparison. Truly loved and cherished in his life spreading nothing but smiles. Never could there ever be a better friend or a better pal. He would not want any of us to be sad for him. That was his one true strength, to make sure all others were happy before him. Although he has passed he will never be forgotten. In loving memory of Johnathon Gerster-Thomas. May he soar with the angels for I know he was but a living angel misplaced. Always loved in life and in death. Never will his memory fade.
Memorial services will be held from 3:00 until 5:00 p.m. Sunday, June 22, 2014,

in Johnathon's apartment. Cremation arrangements are under direction of Fohn Funeral Home, Cassville. Visit fohnfuneralhome.com for online obituaries, guestbook and private condolences.

Seligman hires additional officer

Arnold

Charlea Mills

Additional changes are being made within the Seligman Police Department after new

Police Chief Terry Burgess took over for former Chief Garry Thornton last month. Burgess hired reserve officer Joseph Arnold as the a part-time officer.

Arnold will be working 10-hour shifts three times per week, switching between days and nights. He had been working as a reserve officer one shift a week for the department since September 2013. Arnold said, "I went though the academy in 2012, and a friend got a job down here, so that's how I knew about the area."

Being from a small town,

Arnold was prepared for police life in a smaller town. He lived and attended school in Rosebud, a small town of around 550 people in central Arkansas.

Officer Ray Earnest is still working with Arnold to complete his training before he is turned out on his own. Arnold said, "It's a great place and the people who work here are good at what they do. Officer Earnest has been training me and he has been doing a great job."

Chief Burgess stated, "I believe Officer Arnold will bring a positive vibe to the department. He has experience in Seligman, and he will complement the department well."

Joseph Arnold graduated from Missouri Southern University with an Associates in law enforcement and a bachelors in criminal justice administration. Arnold and his wife of six years, Shea, live in Bentonville.

FISH KILL from front

the fish kill was from the sole untreated chemical dump on May 16, or subsequent releases after the ALIMET was treated to raise the pH later on. However, water samples were found to be above the accepted daily maximum for ammonia as nitrogen at the treatment facility from

the dates of May 19 through May 29.

DNR found there to be multiple violations to the Missouri Clean Water Law that were cited. Letters were sent to both Tyson in Monett and the City of Monett regarding the report's findings and further actions pending

in the matter.

According to the letter mailed to Tyson by DNR, "Due to violations resulting in a fish kill, we are referring this matter to the department's Water Pollution Control Branch, Compliance and Enforcement Section in Jefferson City, for review and enforcement action as deemed appropriate."

Barry County crashes result in injuries

Charlea Mills

• One man sustained moderate injuries in a one-vehicle wreck north of Golden on Saturday, June 14, around 5:45 p.m.

According to the Missouri State Highway Patrol, Brian J. Dehaven, 44, of Golden, was travelling northbound four miles north of Golden on Route RA when his 1976 Jeep J10 ran off the right side of the road, overturned and struck a fence. Dehaven was

transported via ambulance to Cox South in Springfield. He was wearing a seat belt at the time of the accident.

• Two people were injured last Friday in a wreck that happened northwest of Butterfield around 2:20 p.m.

Heather M. Greer, 24, of Purdy, was driving a 2005 Jeep Liberty northbound on County Road 1072 four miles northwest of Butterfield when she side swiped another vehicle, according to

the Missouri State Highway Patrol.

The other vehicle was a 1968 Chevrolet 1/2 ton truck driven by John E. Newman, 69, of Exeter. Greer then over-corrected, struck a fence and overturned. Greer and an infant less than one

year old were transported via ambulance to Cox South in Springfield. The baby was in a carseat, but Greer was not wearing a safety belt. The baby sustained minor injuries while Greer's injuries were considered moderate.

Post 118 downs Mac County in legion play

Lee Stubblefield

Cassville's Irwin-Easley Post 118 club roared to a 10-2 lead, then hung on to win 11-6 over McDonald County Post 392 in a AAA American Legion contest at Wildcat Field on Thursday, June 12. Christian Melcher pitched 4 and 2/3 innings and collected the win for Post 118. Marcus Weatherman's homer in the bottom of the second inning with Alex Dyer on second base gave the Cassville club a 7-2 lead and turned out to be

the game-winner. Mac's Post 392 took an early 1-0 lead. Dalton scored in the top of the first on a sac fly with the bases loaded. Melcher pitched out of the jam with no further damage, coaxing three consecutive fly ball outs from the middle of the Mac County lineup. Post 118 plated 5 runs in the home half of the first inning, taking full advantage of 3 hits, a walk, and a throwing error on a double steal. Dyer, Noah Hadlow, Weatherman,

Melcher, and Keenan Roller all scored in the frame. Mac's big first baseman, Burnett, led off the top of the second with a double, and later scored on a fielder's choice. Cassville answered with Weatherman's 2RBI dinger over the left field fence to make it a 7-2 score after two innings. The score remained 7-2 until the bottom of the fourth inning. The Cassville crew hung 3 more runs on Mac's starting pitcher, Hanke, and chased him from the hill with two outs and a 10-2 score. Lefty Dillon Lance came on in relief of Hanke, and retired Dyer on a fly ball to left

to end the inning. The visitors came alive in the top of the fifth, scoring 2 runs and triggering Melcher's exit from the mound. Noah Hadlow took the hill in relief, and immediately surrendered a 2RBI double to right fielder Hendrix. Lance then grounded into a 1-3 out, and Cassville's lead was cut to 10-6. Post 118 added an insurance run in the bottom of the fifth, and that did it for the scoring. Cassville won in convincing fashion, 11-6, and then took the five-inning nightcap as well, 6-5.

Registration underway for Swadley 5K

The 2nd annual Angie Swadley Memorial Scholarship 5K Race will be held Saturday, July 19th, as part of the Purdy Festival. Proceeds from the race provide a \$1,000 scholarship to a Purdy graduate each Spring. The cost is \$25 for adults and children race free, but pay \$5 for a t-shirt. To ensure a free t-shirt for adult runners, pre-registration forms must be postmarked by June 20th; registration will also be open the morning of the race. For registration forms and other information, call (417)235-9939 or email cpowers@cassville.k12.mo.us.

MariCorp hands out scholarships

MariCorp U.S. is pleased to announce the recipient of the 2014 MariCorp U.S. Scholarship: Mikala Deffenbaugh. The MariCorp US scholarship is awarded annually to a student from Cassville High School (CHS). The selection committee is made up of MariCorp employee volunteers who review, discuss, then vote on the applications of potential recipients. Criteria for the scholarship include outstanding academic performance, involvement in school extracurricular activities and community involvement including but not limited to church, community service, political involvement, and employment experience.

Mikala is daughter to Mr. and Mrs. Bob and Lisa Deffenbaugh. She plans to attend Oklahoma Christian University in Edmond Okla., to study nursing. Mikala is active in her church, and she she was a member of the Missouri All State Honor Choir. She actively serves her community by volunteering to provide disaster relief, help to children's organizations and helping with blood drives. Mikala is employed with Freedom Bank of Southern Missouri. She is ranked third in her class at CHS.

The MariCorp U.S. scholarship is awarded annually to a student entering college. The Scholarship was established by State Representative Scott Fitzpatrick, owner and founder of MariCorp U.S. Scott was a CHS student when he founded MariCorp in 2003. He graduated CHS class of 2006. MariCorp U.S. is a marina manufacturing and construction company in Shell Knob, employing 40-45 people.

Pictured above are, left to right: Steve Weeks, Kyle Wilkerson, Mikala Deffenbaugh and Scott Fitzpatrick.

Purdy Choir receives accolades

First row, from left to right: Tatum Burt, Grace Gardner, Faith Coscia, Savannah McGuirk, Jasmine Peterson, Montana Fly and Drew Graham. Second row: Heather Greenway, Mackenzie Fuller, Jaden Morgan, Aubree Bennett, M'Kena Propps, Jesus Aldava and Angel Perez. Third row: Avalon Rivers, Kelly Boling, Payton Crumpler, Jasmine Horn, Annamarie Pippin, Lara Temple and Levi Maddocks. Pittsburg Farm Show slated for July 18-20

For 39 years, the Four State Farm Show has brought agricultural producers and agribusinesses together, and the 40th Show aims to do it again.

Those interested in agricultural technology and agribusiness should make plans to visit the area's premier agricultural event on July 18, 19 and 20.

"People keep coming back because companies always have something new each year," says Ted Gum, Four State Farm Show coordinator and Farm Talk Newspaper publisher. "The Four State Farm Show is the place to see virtually anything new in agriculture."

A new feature at this year's Show will be a water

well drilling demonstrations given by Double J Energy LLC.

"The drilling rig will be located east of the hay demonstration field," Gum says. "We will have a tour trailer to take people back there at 10 a.m., 12 p.m. and after the hay demonstrations."

Other Show features include hay demonstrations at

1 p.m. each day and a lawn mower test driving range where interested buyers can actually operate new mowers.

"It allows people to see equipment at work," Gum explains. "It's a hands-on experience. Also at the show, you get to see some equipment you wouldn't see at a dealership."

In addition to the hands-on element of the Show and great deals offered by exhibitors, visitors also can enter to win the Four State Farm Show Shopping Spree.

"We'll give away \$1,000 a day at the Farm Talk booth and \$500 each day at the hay demonstrations," he explains. "You must be present at the hay demonstration to win."

These Farm Show Dollars must be used for purchases with Four State Farm Show exhibitors.

The Show has become a "Mall of Agriculture." It has grown over the past 40 years to nearly 700 booths that cover over 25 acres.

According to Gum, businesses interested in exhibiting at the Four State Farm Show should contact Farm Talk Newspaper. The event is expected to sell out soon.

"At this point, all our electric booths are reserved," Gum says. "We have a handful of non-electric booths still available."

"We're about to have a full house again for 2014," he adds.

Mark your calendars, the 2014 Four State Farm Show will be held Friday, Saturday and Sunday, July 18, 19 and 20. As always, parking and admission are free.

Show hours are 7:30 a.m. to 3 p.m. on Friday and Saturday and 8 a.m. to 3 p.m. on Sunday.

The Four State Farm Show grounds are located south of Pittsburg, Kan., to the junction of Highways 400, 69 and K-171, then 112 mile east.

The Four State Farm Show is sponsored by Farm Talk Newspaper. For more information, call (620) 421-9450.

Rockin P holds #2 Buckle Series

After a week's worth of rain, Rockin P Ranch and Arena held Ranch Rodeo #2 of the Buckle Series at Wheaton on Friday, June 13.

The evening started out with a different twist with our announcer, Gene Robbins, on horse back. Gene announced each team, said a cowboy prayer and then the National Anthem, with the flag carried by Joel Gray, who is a team member of this year's Rafter G team.

Once the opening ceremony was over, the rodeo went into full swing, with 16 teams competing for the top spots in each event.

The events for this rodeo were steer mugging, chute loading, calf branding, pasture team-roping and calf sorting.

The team that placed first in points in two of the five events and went home with first place was B and S Ranch (Tyler White, Dusty Tubbs, Josh Ball and Nigel Schoon). Second place honors went to

Williams Woods holds commencement

William Woods University in Fulton held commencement ceremonies May 10. Seth Thompson, of Cassville, graduated with a Bachelor of Science degree.

Amber Cox, a William Woods University alumna who has risen through the women's basketball ranks to a prestigious position as associate commissioner for women's basketball for the Big East Conference, returned to her alma mater as the undergraduate commencement speaker.

Holbrook graduates from UCM

Caitlin M. Holbrook, of Monett, graduated in the spring commencement ceremonies with a Bachelors of Science in Education.

the Bailey Ranch (Josh Ball, Tyler White, Dusty Tubbs and Jimmy Evans). Third Place was the SW Cattle Co team (GW Lyons, LD Lyons, Jarrod Todd and Shelby Hollingsworth). Fourth place went to Draggin S Ranch (James Frazier, Clifton Reese, Tim Scott and Jorge Zapata).

Clifton Reese, who competed on two teams, Two

Tens Cattle Company and Draggin S Ranch, was awarded the Twisted X Boot Gift Certificate.

The next Rockin P Ranch Rodeo is scheduled for Wednesday, July 9, at 7 p.m., at the Crowder College Arena in Neosho for the Newton County Fair.

Why should you care about electrical safety?

because they depend on you to know

Electrical safety is a serious issue. Most don't fully appreciate the value until an accident or close call happens to them or someone they love.

Power yourself with knowledge and teach those who depend on you how to stay safe. Contact your electric cooperative to learn more.
