

Cassville native challenges Billy Long, has eye on D.C.

Charlea Estes

A Cassville native has his mind set on Washington, and he's challenging Congressional representative Billy Long to get there. Christopher Batsche, a 2000 Cassville High School graduate, decided to run last year after spending years contemplating getting involved.

Batsche said he decided to be more involved in politics after his son, Austin, was born almost four years ago. He said, "I started thinking about him and what I was leaving him. It was typical, who is he going to be, is he going to follow in my footsteps? I got kind of mad."

"I told my wife [Tasha] I needed to get involved."

Since then, he's been waiting for his opportunity. He said, "We've prayed about it a lot, and last year, it seemed like the right time."

In January 2015, he decided he was going to challenge Senator Roy Blunt, but after receiving support from others to run against Long, he switched to seeking the 7th District Congressional seat.

He said, "In 2010, when Billy Long ran, we heard 'I'm fed up with Washington,' and I think it was a breath of fresh air for a lot of us. He gets there and fast-forward five years, and we're worse off now than we were four years ago."

Batsche wants to focus his efforts on making changes that impact Americans, like changing how credit report-

Batsche

ing is done.

He added, "I'm sick of these guys in Washington pass these laws that they don't have to live by or affect them in any way, and they make millions. And you and I are sitting here and scratching the door just to make ends meet."

Batsche has worked for a number of years in large scale management and owned his own business, which he feels will prepare him for the challenges in Washington.

For more information, see his website at www.chrisbatsche.com.

Batsche faces incumbent Long and Matthew Evans, of Springfield; Lyndle Spender, of Ozark; Nathan Clay Bradham, of Rolla; Matt Canovi, of Brighton; James Nelson, of Springfield; and Mary Byrne, of Springfield. The Primary for the republican nominee for the 7th District is on August 2.

Edgewood celebrates June dairy month with open house

Julie Pruitt

The dairy industry is a vital part of the American economy, providing 21 billion gallons of milk annually.

Edgewood Dairy is actively involved in promoting Missouri's role in this industry. They have hosted several farmers, FFA students, and politicians including Governor Jay Nixon, Jason Kander, and Claire McCaskill, and given farm tours to ensure proper funding is made available to dairy farmers. The Missouri Dairy Revitalization Act was even signed here.

Edgewood Dairy supports National Dairy Month with Farm Days at their dairy. The creamery is open to browse fresh dairy items, there is live music, farm tours given by Charles Fletcher and a concession stand with fried cheese curds and grilled cheese sandwiches. This is a fun filled event hosted by the

Edgewood Creamery in Purdy held an open house on Saturday, June 18, in celebration of June being National Dairy Month. People from the community tried samples, shopped and listened to music by local musicians.

Fletcher family.

Edgewood Dairy and creamery, owned by Charles and Melissa Fletcher, provides high quality dairy products including hand crafted cheese made with

milk by their own grass fed cows.

In 1997, Charles Fletcher attended a grazing class and came home with polymer wire and a plan. Ever since, the Fletchers have used a

rotational grazing system which allows cattle to move to fresh five acre paddocks every 12 hours. This allows the grass to replenish and the cows produce a rich, high quality milk. Their dairy business began to flourish and they went from 140 dairy cows to 320 grazing on fescue in the morning and alfalfa at night. They began crossbreeding Holsteins with Jersey, Swedish Red, and Friesian because the smaller animal is more suitable for the rotational grazing.

The Fletchers also built the creamery where you can watch cheese being made and buy a variety of dairy products, jams and jellies

Cole hired as new Shell Knob postmaster

Charlea Estes

The Shell Knob Post Office has a new postmaster, and he's a Barry County native. Todd Cole, a 2002 Southwest graduate, took the position on June 11, ten years after he started with the United States Postal Service.

Cole grew up in Barry County and is from Washburn. In 2005, he graduated with an associates degree in business administration from Crowder College. From there, he worked for five years as a clerk at the Cassville Post Office, three years as a city carrier and two years as a supervisor.

Cole said, "I look forward to providing good customer service and making the postal experience better for Shell Knob residents and Golden residents."

Cole is in charge of both the Shell Knob and the Golden Post Offices as part of his title of postmaster. No changes are planned for either office.

Cole is married to his wife, Jamie, and they have two children, Riley and Layten.

The Shell Knob Post Office is open Monday through Friday from 8:30 a.m. to 1 p.m. and 2 p.m. to 4 p.m. and Saturday from

Cole

9 a.m. to 10:30 a.m. The Golden Post Office is open Monday through Friday from 8:45 a.m. to 12:15 p.m. and Saturday from 10 a.m. to 11:30 a.m.

Letter to the Editor

I am writing in regards to the article in the paper about changing the hours of the library.

First of all, I have been going to the library in Cassville since I was five years old and I am now a grandmother and have been taking my grandbabies to the Cassville library nearly every Saturday. I am trying to give them memories of how great the library is and how wonderful books are. They are three and five and ask me no matter if it is in the evening when they are at my house or Sunday, if we can go to the library. They will NOT understand that the library will no longer be open on Saturdays, our day to go there and enjoy it.

The idea of the libraries being closed on Saturdays is so disappointing as many parents and grandparents work, and Saturdays are the only day they can get to the library. My idea is that they close on Mondays and open on Saturday, or open a half day on Saturday instead of all day? I am writing about the Cassville Library regarding these changes. The woman at the Monett branch said there were more people Monday through Friday at the library. I don't think this is the point...You aren't making money on how many people come to the library, but you are leaving out LOTS of people that DO GO to the library on Saturdays. When we are at the Cassville Library on Saturday, it is pretty packed!

I voted for the increase and will do so again, but to know this subject of library hours

has already been brought to the board by someone else and they were dismissive towards her is very, very discouraging to me. I understand the library board meetings are during the mornings, once again eliminating anyone who works from attending them. Now, I have found out the next board meeting, after today, isn't until August. I was also told this change in hours is a "trial" period August through December. Don't they realize that changing hours like that and then trying to reopen on Saturdays will NOT help the attendance? People are so easily conditioned they will just go, "Oh, well, we will just go do something else." Then the day will come and the library will only be open two days a week due to the "attendance" then one, then perhaps none. When this tax levy comes up again in April, let's all get out and vote "YES" to save our libraries.

Thank you,
Jan Anthony, Cassville

Monett man receives three counts for alleged rape

Charlea Estes

A Monett man is in jail on charges related to a rape. Randall Miller, 54, of Monett, is being held in lieu of a \$75,000 bond on charges of rape, sodomy and domestic assault in the second degree as a prior offender.

According to the affidavit of probable cause by the Monett Police Department, on April 8, a victim was found walking up to a residence on Scott Street in Monett wearing nothing but men's undershorts. She was then taken to Cox Hospital in Monett to be treated.

When officers interviewed her, she claimed that Miller, whom she had been in a sexual relationship with

in the past, had attacked her, raped her and injected her with methamphetamine without her knowledge.

According to the report, Miller allegedly grabbed the victim by her throat, choked her and then punched her in the stomach before sitting on her legs to prevent her from getting up and leaving.

Then, the victim claims Miller "shot" her with meth twice without her permission and proceeded to rape her. She told officers she pretended to be dead, hoping he would lose interest. Eventually, the victim said he passed out and when she woke up, she snuck out the back door to get away, which is when officers made contact with her.

When Miller was interviewed, he admitted to having sexual intercourse with the victim, but said she injected herself with methamphetamine and that they were having "rough sex."

Based on the interviews and evidence, Barry County Prosecuting Attorney Amy

Boxx charged Miller with the three counts after the affidavit was filed on June 17.

Whitley’s remodel makes for more lunch options

Whitley’s new counter for their lunch service is aesthetically pleasing, but also makes it easier for food prep and service.

Julie Pruitt

Whitley Pharmacy has been an historic icon since 1861. Mordecai Wyrick was the postmaster, then opened the pharmacy, and it contin-

ued to grow and improve. In 1971, Gene Taggart bought the pharmacy and named it Taggart’s Medicine Shop. He had a pharmacy and gift shop, but the main attraction

was the soda fountain. Emory Melton told him he remembered coming to New Year’s Eve parties on the square and everyone crowding into the drug store which would stay open until midnight. When Blake Whitley graduated pharmacy school in 1986, and he bought the pharmacy from Taggart, who is Blake’s uncle, in 1986. He continued the traditions of medicine, gifts and the soda fountain until there was a fire which destroyed the pharmacy. Gene Taggart built it back and they acquired two more buildings adjacent to the pharmacy and opened it

up to create more space for growth.

Whitley remembers the pharmacy as a place to get sundry items like toothpaste and shampoo and school supplies, but bigger businesses have taken over this market. Whitley knows, “I have to keep doing something different to maintain the community’s interest.” That’s why you can still get an old fashioned milkshake at the soda fountain, but it has also expanded to a deli and there is also a clothing line along with an array of gifts. The community is very supportive of the local square businesses and continues having the chili cook-off, car shows and other events which keeps the square active and alive.

Today, it is harder and harder to be a small business owner. The government charges fees to keep the pharmacy accredited to provide services for Medicare and Medicaid, but Whitley’s Pharmacy is still going strong and Whitley’s son, Logan, is now a pharmacist and continues the family business. The city of Cassville is fortunate to have one of the top five oldest pharmacies in the same building, and we look forward to watching Whitley’s Pharmacy continue the legacy.

Purdy PD matches DNA to Country Corner theft

A suspect involved in the burglary of the Country Corner Convenience Store in Purdy on July 12, 2015, has been identified and charged.

DNA evidence submitted to the Missouri State Highway Patrol crime lab in Springfield has identified the suspect as Eric Anthony Rousseau, age 28, of Springfield.

On Sunday, July 12, 2015, sometime between the hours of 12:30 a.m. and 6 p.m., Rousseau allegedly threw a concrete block through the front glass door of the store, causing \$2,180 in property damage.

He then entered into the

building and stole several items totaling \$9,100 from the store.

Blood evidence was found throughout the store, which was collected, and then sent to the crime lab for DNA testing.

A DNA profile was created from the blood samples, which was then entered into the Combined DNA Index System (CODIS) which came back with a match to Rosseau.

Rousseau has been charged with second degree burglary and stealing. He is currently in the custody of the Missouri Department of Corrections on other, unrelated charges.

Cassville’s Allison graduates from C of O

Amanda Allison, of Cassville, graduated from College of the Ozarks - Point Lookout during the 2016 commencement exercised on May 8, 2016. Allison received a Bachelors of Science in elementary education. Allison is a Cassville R-IV High School graduate.

Two Cassville men airlifted after three-vehicle wreck

Charlea Estes

Two Cassville men were seriously injured and had to be airlifted last week after a three-car wreck on Route W near Butterfield. Caleb J. Roller, 20, of Cassville, and Mason K. Roller, 18, of Cassville were both seriously injured and transported to Cox South Hospital in Springfield via air ambulance for their injuries.

According to the Missouri State Highway Patrol crash report, Mason Roller was driing 2000 Dodge pickup eastbound at Highway 37 adn Route W around 6:28 a.m. on Wednesday, June 21. Roller pulled into the path of a 2010 Jeep Wrangler driven by John C. Pugh, 24, of Granby, headed north, which caused the Jeep to hit another pickup. The third pickup was

a 2013 GMC driven by Steven A. Mattingly, 30, of Exeter.

The only reported injuries were Mason and Caleb Roller, who were not wearing seatbelts at the time of the crash. The other two drivers were wearing seatbelts.

The Dodge pickup was totalled, the Jeep had extensive damage and the GMC had moderate damage. All three vehicles were towed from the scene.

Use Cassville’s Masonic Lodge, 18th & Main St. for your next meeting or event.

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights that among them are life, liberty and the pursuit of happiness.” Preamble to the Constitution.

By the time the next edition of the Advertiser arrives we will have celebrated our nations beginning. Monday is the 4th of July, Independence Day. The day we recognize the beginning of the revolution that would give birth of the USA. The greatest nation on earth. A nation built upon God’s will as set forth in the New Testament. All men are created equal: “Of a truth I perceive that God is no respecter of persons.” Acts 10:34.

Liberty: “If the son therefore shall make you free, ye shall be free indeed.” John 8:36. Happiness: “I am come that they might have life, and that they might have it more abundantly.” John 10:10.

Our greatness as a nation comes from our godly traits. We are the world’s Doctor, financier, scientist, farmer, benefactor, political example and protector. All traits set forth in the New Testament. The USA is great because we have used our blessings to benefit others. It is my prayer that our nation continues to follow God’s principles. That we remain true to the words of the Star-Spangled Banner; “O” er the land of the free and the home of the brave.”

The family at The Mill Street Church of Christ invites you to join us as we exercise the most precious of our freedoms, the freedom to worship God in spirit and in truth.

GOD BLESS AMERICA

RUDOLPH "RUDY" SCHULTZ
Rudolph "Rudy" Schultz, age 89, of Cassville, passed away on Friday, June 24, 2016, at the Communities of Wildwood Ranch in Joplin. Mr. Schultz, son of Morris and Beatrice (Kritzman) Schultz, was born on April 20, 1927, in Vineland New Jersey. He graduated high school at the New Town High School in New York. On February 14, 1956, he was united in marriage to Alice Carty in Greenwich, Connecticut; she preceded him in death on September 24, 1993. Mr. Schultz worked for American Airlines and retired after forty years of service. Bowling was one of his favorite pastimes, where he earned many awards and medals. He enjoyed watching westerns, traveling, and collecting memorabilia from his son Patrick's travels. Mr. Schultz was of the Jewish faith. He was a very special friend to many and will be greatly missed.

Survivors include two sons, Patrick Rooney and

his wife, Elaine, of Garland, Texas, and Brian Schultz, of Joplin; four grandchildren, Tyler Rooney, Logan Rooney, Kendall Rooney, and Meghan Rooney; four great-grandchildren; his four-legged companion, Polly; and special friends, Ann and Jerry Crow and Norma Reed.

In addition to his parents and wife, he was preceded in death by two brothers, Meyer Schultz and Carl Schultz; and one sister, Lillian Carroll.

Funeral services were held on Tuesday, June 28, 2016, at the White Funeral Home and Crematory, with Pastor Jamie Smith officiating.

A private family burial will be held today, Wednesday, June 29, 2016, at the Ozark Memorial Park in Joplin.

Memorial contributions may be made to Guide Dogs for the Blind and entrusted to the White Funeral Home and Crematory, P.O. Box 890, Cassville, MO 65625.

He was born January 27, 1953, in Seminole, Oklahoma, the son of Ray Eugene and Mary Estelle (Mosley) Wilcox, who preceded him in death.

LEONARD WAYNE WILCOX

Leonard Wayne Wilcox, age 63, of Seligman, passed away Monday, June 20, 2016, in his home.

He was born January 27, 1953, in Seminole, Oklahoma, the son of Ray Eugene and Mary Estelle (Mosley) Wilcox, who preceded him in death.

Obituaries

Surviving are two sons, Steven Wilcox of Bakersfield, Calif., and Greg Wilcox and his wife, Brenda, of Seligman; two daughters, Andrea Moore and her husband, Eddie, of Rogers, Arkansas, and Rebecca Perez and her husband, Eric, of Brigham City, Utah; four half-brothers, Mike Wilcox, Jimmy Robbins, Timmy Robbins and Michael Robbins; a half-sister, Patsy Robbins; twelve grandchildren; and one great grandchild.

Leonard received his education in Arvin, California. For several years, he was an oil well puller for Ace Well Service. During the Vietnam War, Leonard served in the United States Marine Corp. Twenty years ago, he moved from Bakersfield, California, to Missouri to make his home. Some of his favorite pastimes were tinkering with cars, he loved his lawn mower, and especially enjoyed spending time with his grandkids.

No services are scheduled at this time. Cremation arrangements are under direction of Fohn Funeral Home, Cassville.

Visit fohnfuneralhome.com for online obituaries, guestbook and private condolences.

FOHN FUNERAL HOME SHELL KNOB, MO. 417-858-3151

JARRETT EUGENE "BUD" THOMAS

Jarrett Eugene "Bud" Thomas, age 70, of Purdy, passed away Sunday, June 26, 2016, in Mercy Hospital, Joplin.

He was born November 27, 1945, in Wheaton, the son of Earl and Velma P. (Ridenour) Thomas. On April 17, 1965, he was united in marriage to Barbara S. Lowery, who survives. Also surviving are two sons, Jerry Thomas and his wife, Rhonda, of Purdy and Johnny Thomas and his wife, Becky, of Purdy; one brother, Russell Thomas of Ridgley; one sister, Earlene Dunn of Monett; five grandchildren; and five great-grandchildren.

Preceding him in death were his parents and one daughter, Novetta Thomas.

Bud grew up and received

his education at Wheaton where he graduated from high school. Most of his life was spent in southwest Missouri except for a few years when he lived in Oklahoma. For many years, he was employed as a mechanic for Cecil Brattin in Wheaton and Chevrolet and Ford in Monett.

He was a faithful member of Mill Street Church of Christ in Cassville, where services will be held at 2:00 p.m. Thursday, June 30, 2016, under direction of Fohn Funeral Home, Cassville. Ken West will conduct the services.

Visit fohnfuneralhome.com for online obituaries, guestbook and private condolences.

MICK WAYNE OZBUN

Mick Wayne Ozbun, 58, of McDowell, went to be with the Lord in Heaven on Tuesday June 21, 2016, at his home. He was born on October 14, 1957 in Monett, the son of L. J. and Virginia (Patton) Ozbun.

He was a 1975 graduate of Purdy High School and retired from the City of Monett where he worked in the Electric Department.

Mick is survived by his parents: L. J. and Virginia of McDowell; and one sister: Julie Coltharp of Nixa.

Graveside services were held on Friday June 24, 2016, at the Bethel Cemetery in Monett.

Online condolences may be made at www.bennettwormington.com.

JOANNA RUTH SHEETS

Joanna Ruth Sheets, age 83, of Shell Knob, passed away Monday, June 27, 2016, in Mercy Hospital, Cassville.

Funeral services will be held at 11:00 a.m. Friday, July 1, 2016, in Fohn Funeral Home, Shell Knob. Pastor

Carroll Williamson will conduct the services. Burial will be in Painter Cemetery, Shell Knob.

The family will receive friends from 5:00 until 7:00 p.m. Thursday in Fohn Funeral Home, Shell Knob.

Visit fohnfuneralhome.com for online obituaries, guestbook and private condolences.

FOHN FUNERAL HOME SHELL KNOB, MO. 417-858-3151

ROGER HAROLD MYHRE

Roger Harold Myhre, age 74, of Exeter, passed away Saturday, June 25, 2016, in his home.

He was born January 13, 1942, in St. Paul, Minnesota, the son of Harold E. and Esther (Volkman) Myhre, who preceded him in death.

Surviving are one daughter, Brianna Meyer and her husband, Larry, of Exeter; two brothers, Wayne Myhre of Exeter and Dennis Myhre of Chandler, Arizona; and three grandchildren, Catherine Meyer, Mikayla Meyer and Chad Meyer.

Roger spent much of his life in Commerce City, Colorado, where he was a self-employed carpenter, building homes. He served in the United States Army and was a member of VFW. In 2009 he moved from Colorado to Exeter to make his home.

No services are scheduled at this time. Cremation arrangements are under direction of Fohn Funeral Home, Cassville.

Visit fohnfuneralhome.com for online obituaries, guestbook and private condolences.

Southwest's Odyssey team competes at World Finals

Southwest's Odyssey of the Mind team recently competed at the World Finals competition at Iowa State University in Ames, Iowa. The team met people from 23 different countries and competed against 72 teams in their division. The team is made up of six third and fourth graders and had to create a skit that incorporated different elements, including writing their own play, making their own costumes and props. Pictured above are, from left to right: Brendyn Paulsen, Kason Holder, Tehya Ross, Charlie Pippin, Natalie Sanko and Landon Bernard.

Man charged with \$55K in wire theft from Preferred Poultry

Charlea Estes

An Exeter man was charged with more than \$55,000 in theft from Preferred Poultry last week. According to the affidavit of probable cause, Preferred Poultry had multiple thefts and found the burglar with a security camera.

Over the course of time in May and June, Preferred Poultry had over \$55,000 in wire stolen from their storage building, as well as other rolls of wire, valued at \$5,100. Justin

Todd Taylor, 42, of Exeter was identified with security foot-age.

Todd allegedly sold some of the wire to Rebel Recycling after the thefts.

Taylor is charged with theft of \$25,000 or more, two counts of burglary in the second degree and stealing of \$500 to \$25,000 in value. He is currently being held in the Barry County Jail in lieu of a \$40,000 bond.

Republic woman airlifted after Hwy. TT wreck

Charlea Estes

Republic woman Regina A. Shows, 37, was airlifted for serious injuries from a three-vehicle wreck on Saturday, June 25.

According to the Missouri State Highway Patrol crash report, Shows was driving a 1999 Lincoln Continental eastbound on Hwy. TT about eight miles south of Aurora when she failed to stay in her lane and hit a 2005 Chevrolet

Silverado pulling a trailer and boat. Shows then proceeded in the wrong lane, causing a 2008 Chevrolet Trailblazer to have to hit the ditch to avoid her car.

The drivers of the Silverado and Trailblazer, Albert M. Harper, 51, of Monett, and Kelly U. Harper, 47, of Monett, were both wearing seatbelts and uninjured. Shows was not wearing a seatbelt at the time of the crash.

Dr. Hughes now serving Shell Knob community

Julie Pruitt

Shell Knob has a new doctor in town, Dr. Cindy Hughes. Dr. Hughes is originally from East Northport, NY. She graduated from O.S.U. Medical school and trained in family medicine in Jacksonville, Fla., where she practiced for a number of years. Then she and her husband, a Navy man, moved to Charleston, South Carolina, where she worked in the Health Department as head of the Tuberculo-

sis program as well as family planning. Due to being a military wife, she moved again to Ft. Smith where she practiced family medicine, and then on to Springfield Cox where she and her family were able to stay for 20 years. Finally, Dr. Hughes and her husband, Dennis, arrived in Shell Knob to put down roots. Today she practices family medicine seeing patients of all ages, including babies. Dr. Hughes proudly explains,

“We have an amazing team at our clinic that really cares about people including: Susan Connor, office manager; Trish Rapien, medical assistant; Georgeann Greissinger, nurse practitioner; and Shannon Sanborn, front

office. We like to treat our patients as family.”

Dr. Hughes and her husband, Dennis, have two children, Ryan, who is studying Bio Chemistry, and Kristin, an architect in Atlanta.

Dr. Hughes is located

at 25376 State Highway 39 and is open 8 a.m. through 5 p.m. Monday through Friday. Call (417) 858-6845 for an appointment. Dr. Hughes said, “I think God ordained my being here in this beautiful Ozarks facility, a hid-

den gem. It’s a dream come true for my husband and me.” The next time you need a doctor, see Dr. Hughes, and while you wait you will have a magnificent view of Table Rock Lake.

Turkey Mountain 3 play for Central Crossing seniors

Bluegrass and folk band Turkey Mountain 3 played at Central Crossing Senior Center on Thursday, June 2, to treat the seniors. They plan to return the first Thursday of every month. Pictured are Jay Crosthwait, Alan Top and Nathan Williams.

Road work planned for Rte. 112

Eight state roads in Barry, Taney, Christian and Lawrence counties are scheduled to be sealed with a mixture of rock and oil beginning the week of July 11, the Missouri Department of Transportation said.

The tentative work schedule of the week of July 11 is:

- Barry County - Route 112
 - Taney County - Route F, Route BB, Route MM.
- The tentative work schedule of July 18 is:
- Stone County/Christian

County - Route O

- Christian County - Route M
- Lawrence County - Route K, Route ZZ.

Weather and/or construction delays will alter the work schedule.

During the work, drivers can expect one-lane traffic with flaggers and pilot vehicles directing drivers through the work zone.

Drivers are urged to reduce their speed when traveling over sections that have recently been sealed.

A chip-seal is planned

for these roads as an economical way to maintain and preserve the roadway. The treatments keep a road from deteriorating and extends its life.

The project also includes sealing work on 26 additional state routes in the southwest Missouri area.

Project background:

- Prime Contractor: Blevins Asphalt Construction Co., Mount Vernon.
- Project Cost: \$3.3 million.
- Completion date: September 1, 2016.

Vaught assigned to Patrol's Troop D

Captain Juan Villanueva, commanding officer of Troop D, Springfield, is pleased to announce the assignment of three new troopers to Troop D. The new troopers were members of the Missouri State Highway Patrol's 102nd Recruit Class that graduated from the Patrol Academy on June 24, 2016. The new troopers report for duty on July 11, 2016.

Trooper Braiden D. Vaught, a native of Cassville, has been assigned to Zone 11, which serves the citizens of Jasper County. Trooper Vaught graduated from Cassville High School. After graduating high school, he attended Crowder College in Neosho where he earned an associate degree in criminal justice. His field training officer will be Trooper Bradley L. Crockett, and his immediate supervisor will be Sergeant Brandon D. Helms.

Local boat project continues

Local teen Loren Butts continues his apprenticeship with Dan Hennis constructing a boat to sell at the end of the summer. The project, aimed at keeping at-risk youth occupied and learning a trade during summer vacation, is funded by donations to cover the hard cost of the boat. Some local businesses have donated, with the most recent being Preferred Poultry. An account is set up at Freedom Bank for donations.

Stones Prairie Picnic planned for July 15

Members of the St. John's Lutheran Church Stones Parish of rural Purdy have announced that the annual Stones Prairie Picnic will be held on Friday evening, July 15, 2016, with serving to begin at 6 p.m. The picnic will be held on the church grounds located two and a half miles northwest of Purdy.

In case of inclement weather, the picnic will be held on Saturday, July 16. The traditional menu will consist of hamburgers, chips, hot dogs, bratwurst sandwiches, ice cream, beverages and an abundance of homemade desserts. The event will feature games, baked goods, a country store, many hand-crafted items and Bingo, a showing of Jeeps, motor-

cycles and antique farm equipment. A homemade quilt crafted by the Quilting Society, will be given to the holder of the winning ticket. Tickets for the drawing will be available at the picnic. For questions, you may call the church office at (417) 442-3836.

Washburn man held on \$150K bond for assault

Jonathan R. Singer, 38, of Washburn, is currently being held in the Barry County Jail on a \$150,000 bond after allegedly attacking a woman in his home while intoxicated, including hitting her in the face with a cast iron skillet.

According to the affidavit of probable cause, Singer was intoxicated when he began choking the victim until she lost consciousness. He then proceeded to kick and punch her. After, the report states he went outside and went back in the home with a cast iron

skillet, which he then beat her in the head and face with. Eventually, the victim crawled away and locked herself in the bathroom and called 9-1-1. Singer has a previous criminal history according to the report.

DAIRY from FRONT

and fresh bread. The Fletchers enjoy taking care of their animals, helping their neighbors and providing healthy dairy products for the industry. Charles Fletcher said, "Everything we have we owe to udders."

National Milk Month actually started as National Milk month in 1937 as a way to promote drinking milk when production was at a surplus. Missouri is actively involved in promoting the dairy industry. The Missouri Dairy Revitalization Act of 2015 has three important components. The first one gives the dairy producer a margin insurance premium assistance program which is a safety net for farmers when the economy is slow. The second component provides 80 scholarships in the amount of \$5000 each to assist eligible students and in return the students will intern 400 hours during the summer at a dairy farm in Missouri,

and the final component will provide education for dairy farmers to improve the success of the dairy industry. This bill will protect farmers, encourage young people to join the agricultural industry, and educate farmers in better farming methods. Today, it is an annual tradition celebrating the contribution the dairy industry has made to the world after the National Dairy Council stepped in to promote the cause and change the name to National Dairy Month.

Fun dairy facts

- The modern cow is descended from now extinct large horned, long haired animal called aurochs.
- Humans have been consuming cows' milk since they domesticated the aurochs about 10,000 years ago.
- The typical Holstein cow weighs 1,500 lbs. and bulls weigh 2,000 lbs.
- Holstein spots are unique, no two are alike.
- Cows have no upper teeth. They curl their teeth around the grass and pull it up and swallow it unchewed where digestion is completed in four stomachs.
- Milk contains calcium, potassium, vitamin A for healthy skin and protein for muscle tissue.
- Milk contains nine essential nutrients to manage weight, reduce risk for high blood pressure, osteoporosis and certain cancers.
- Dairy processing plants began using glass bottles in 1884 and paper in 1906.

Wheaton man charged with sexual assault

Benjamin Wade Paine, 40, is currently being held in the Barry County Jail on charges related to a sexual assault. He is charged with two counts of domestic assault in the second degree, felonious restraint and sodomy with a \$200,000 bond. According to the affidavit of probable cause by Wheaton Chief of Police Clinton

Clark, Paine held a woman against her will at an apartment on Hill Street in Wheaton. Paine allegedly refused to let her leave the apartment and forced his hand in her against her will, causing injuries. The Wheaton Police Department also found methamphetamine and marijuana during their investigation.

DREAM plan concludes, more improvements planned for downtown Cassville

Andrew Murray, with PGAV, presented the final plans for the DREAM initiative for the Cassville Main Street Association earlier this month. Members collectively determined the best choice for further improvements in the downtown area.

Charlea Estes

For the past six years, the Cassville Main Street Association has been working with PGAV to work up plans for the DREAM (Downtown Revitalization

and Economic Assistance for Missouri) initiative to improve the downtown area. Thursday evening, June 16, marked the last meeting with PGAV to establish the final stages of what is in store

for downtown Cassville and how to keep the area profitable as well as draw new businesses in. Carolyn Bishop, who is integral with the Main Street Association, said the group

decided to proceed with downtown lighting, benches and trash receptacles, which they will work with MoDOT to establish their placement with the new ADA sidewalk being put in.

Bishop said they will be starting a fundraising effort to make the improvements. Other efforts that business owners have already made include rehabbing the exterior and interior of some of the historic buildings downtown. Most recently, Blake Fields has been remodeling the building his law office will use after it is complete.

Bishop said, "We plan to work with the IDC (Industrial Development Corporation), Chamber and City to make plans that make the downtown better for the whole city."

She added, "The ADA sidewalks are a huge improvement already thanks to MoDOT coming in." She added there might be the possibility of some shrubs and self-watering planters being put in during the sidewalk project.

The Main Street Association is planning to approach local business owners personally to talk about fundraising as well as individual efforts for their buildings downtown to continue the momentum they gained with the DREAM initiative. The group should have the solidified plans after their meeting shortly from speaker Andrew Murray with PGAV.

The plans for the downtown ADA sidewalk project were also on display during the meeting, showing where new lighting could be put in as well as planters and other improvements.

Highway Patrol releases results of Table Rock BWI checkpoint

Captain Juan Villanueva, commanding officer of Troop D, Springfield, announces the results of a BWI sobriety checkpoint operation conducted in Stone County near the Missouri Highway 13 bridge on Table Rock Lake on Saturday, June 25, 2016. The enforcement location was selected based on the high number of drinking and impairment-related boating crashes. A total of 66

vessels were stopped during the operation. Members of the Missouri State Highway Patrol made the following enforcement contacts:

- 1 - Boating While Intoxicated Arrest
- 6 - Minor In Possession Of Alcohol Citations
- 1 - Supplying Alcohol To A Minor Arrest
- “Boating is a fun recreational activity, but safety must be a priority. To ensure

the safety for all people on the water, boaters should designate a sober operator for their vessel anytime their plans include alcohol”, stated Captain Villanueva.

Watercraft operators must consider the effect their actions have on others: Share the waterway and use common sense, good judgment, and courtesy to ensure the safety of all. Life jackets save lives. Wear It.

Local youth attend football camp in Carl Junction

Several local football players attended the Tri-State Air QB, TE, WR and RB camp in Carl Junction. The camp was held for fifth graders and up on June 6 through June 8. Pictured above, front row, from left to right: Corey Thomas, Cutter Hicks, Spencer Moeller, Angelo Sobrero, Zane Ganoung, Brett Cooper and Zac Coenen. Back row, from left to right: Jericho Farris, Ethan Vandal, Killian Barbee, Grayson Ewing, Haden Sink, Drake Reese and Jonny Medina.

GARY DAVIS REPUBLICAN CANDIDATE for BARRY COUNTY SHERIFF

Following in the footsteps of my ancestors, I am seeking the position of Barry County Sheriff. With forefathers who served Barry County as Prosecuting Attorney, State Representative and County Judge, I have always been instilled with the belief that citizens should give back to their community.

Born in Barry County, I am an honors graduate of Southwest High in Washburn. I will soon have been married for 50 years to Mary Jane Mitchell of Seligman. Mary Jane and I are both retired from the FBI and live on our farm outside of Cassville and are "...Barry County residents by birth and by choice." As a Christian and conservative Republican; I am a firm believer in the Constitution and what the Founding Fathers intended it to mean. I am proud to be a Barry County native.

While employed as a Fingerprint Examiner with the Federal Bureau of Investigation (FBI), I was awarded the J. Edgar Hoover Scholarship and used it to graduate (cum laude) with a Bachelors Degree in Business Administration. I then received an appointment as a Special Agent with the FBI, and for the next 23 years served my country as an FBI Agent in Washington, D.C.; Knoxville, Tennessee; New York City; Houston, Texas; El Paso, Texas; and again in Washington, D.C... During this time I investigated the attempted assassination of President Reagan, the Oklahoma City bombing, major bank failures, major drug trafficking organizations, conducted numerous classified operations, planned security for the Fortieth Anniversary of the United Nations, planned counterterrorism measures for the Rededication of the Statue of Liberty; and managed portions of the 9-11 investigation. At FBI Headquarters, I developed and managed multi-million dollar budgets, and conducted audits of field and headquarters divisions to ensure that they were efficient and effective and in compliance with all laws, regulations, FBI rules, and financial policies and procedures. I have interviewed and/or prepared documents for and briefed foreign government officials, members of Congress, Cabinet Secretaries and White House personnel. In addition I have briefed multiple law enforcement agencies, members of the intelligence community, members of Congress and civic and business leaders across the US on the issue of violence associated with drug trafficking.

In addition to my degree, I am an FBI Certified Police Instructor and a graduate of the FBI Executive Development Institute. I have also received training in: Equal Employment Opportunity for Managers – Interrogation & Interviewing – Interpersonal Communication – Creating World Class Organizations – Business Area Analysis – Management Training for Supervisors – Basic Organized Crime – Labor Racketeering – Racketeering Enterprise Investigations – High Intensity Drug Trafficking – Espionage Interrogation & Interviewing – Espionage – Criminal Intelligence – Organized Crime – Drug Trafficking – International Terrorism and Counterintelligence – Department of Defense Joint Task Force Six Threat Assessment School – Fingerprint Examiner–Inspector Training – Security Officer Training and Security Seminars.

The management of multi-million dollar budgets and my ability to work with various government agencies and the public over the course of my career has uniquely prepared me for the position of Sheriff. I am an analytical and pro-active leader capable of managing programs, developing plans, and synthesizing data to make the best decisions. I plan to use Inspection training and experience to look at the operations of the Sheriff’s Office and make sure that all aspects of it are run in the most efficient, effective and economical manner possible.

The job of the Sheriff is the safety and security of the citizens of Barry County. We must have a well-trained, well equipped Sheriff’s Department, with officers who are paid a living wage. If we are not secure in our homes and places of business none of the other county services matter.

I am the only candidate whose background includes strong management and leadership positions — I have established and supervised several law enforcement infrastructures including a Criminal/Drug Intelligence Squad and other analytical centers to combat terrorism. Led critical law enforcement task forces and missions, developed standard operating policy and procedures, prepared job descriptions, assessed personnel requirements, selected personnel, developed training programs, supervised up to 39 direct reports, wrote grants, developed and managed budgets, and acted as a liaison to multiple state and federal law enforcement and other agencies. I will use this experience gained from my FBI career to work closely with other law enforcement agencies, other public officials and agencies, and the citizens of Barry County to improve public safety and to provide the citizens of Barry County with a modern and effective Sheriff’s Office that is based on the values of integrity, service and professionalism.

With your support, I can win this election and we can get to work making the place we all love and call home even better.

I ask for your vote in the primary election on August 2nd.

PAID FOR BY DAVIS FOR SHERIFF, GARY STILES TREAS.

Cassville’s Taran Holt member of CPFL championship team

Lee Stubblefield

The 4-State Fusion claimed the 2016 Central Plains Football League championship with a 47-34 win over Metro Militia on Saturday night in Joplin. Trailing 27-20 at half, the Fusion took their first lead of the game on the opening play of the fourth quarter. The Militia pulled within a single score late in the game, but Cassville's Taran Holt recovered a desperation onside kick to set up a decisive late touchdown. The Fusion won their third consecutive CPFL title with the victory, and ran their consecutive win streak to 39 games. The CPFL was formed in 2006 with just four teams playing a developmental schedule. The league has grown to 12 franchises since then, with locations from Omaha, Neb., to Branson and many points in between. The league plays 8-man football, with a style all its own. Think "arena football without the arena". Played outdoors on a 50-yard field with those skinny arena-football trademark goalposts, the CPFL product has found a niche in the football-crazy midwest. The players are all amateurs and receive no compensation. In fact, they pay to play. "We pay \$200 at the start of the year to cover our health insurance and other expenses," explained Holt. The Fusion benefits from an entrepreneurial ownership team. With a number of sponsors, the Joplin team boasts distinctive green and black uniforms that rival the Oregon Ducks collection. The team has a home field based at the Joplin Sports Complex north of Schifferdecker Park. Fusion game night provides

an electric atmosphere for an enthusiastic fan base. For those thinking that this is a football version of industrial league softball, the sight of Fusion's mammoth center, AJ Eaves of Lamar, is enough to realize that this is real football. The hitting is ferocious. Both starting quarterbacks were knocked out of this game, although Aaron Frost of Joplin returned in the second half to lead the Fusion comeback. Just because the CPFL plays 8-man doesn't mean it is a sandlot passing exercise. The Militia built their early lead with a power running game and opportunistic defense. The Fusion answered in the second half, turning to their workhorse tailback, Bryant Venson. The turning point of the game wasn't a long bomb or a scintillating kick return, although there were several of those. The Militia took the opening kickoff of the second half, and Ariez Henderson raced

Master Gardeners improve Barry County, one plant at a time

Julie Pruitt

The Master Gardener program is part of the MU Extension and Barry County now has their own program to provide educational classes in horticulture, gardening, small scale food production and consumer environmental issues.

Education is required to become a Master Gardener. There are three hour classes offered by the MU Extension with a curriculum covering Master Gardener Orientation, Plant Propagation, Insects/Integrated Pest Management, and several others. Upon completing all the classes, a student will graduate as a Master Gardener Trainee with a certificate and two books: Grounds for Gardening and Core Manual. Over the next year, the graduates must complete 20 hours of community service to actually become a Master

Gardener.

Master Gardeners must complete 20 yours of community service along with six hours of continuing education. Front Porch Conversations are part of this and inform the public about a variety of topics including Lasagna Gardening, starting beds and a Monsanto Chemist.

Last year’s community services included planting bulbs and a memorial tree at the Cassville Library and cleaning and maintaining the Bayless House along with beautifying the place.

One project for this year is beautifying the Monett Senior Center. MU students came down for a weekend to help the Master Gardeners develop a landscape plan. Other projects include the Eagle Rock Library and Community Center, Com-

munity Connections, the Golden Community Center and Golden Post Office.

This year, they hosted the second annual plant sale at the Farmers Market in conjunction with the Dogwood Car Show as a fundraiser. They are also available at the Cassville and Shell Knob Farmers Market to answer any landscaping, gardening or plant questions. Master Gardeners sometimes open their homes and give tours to provide ideas for members.

Master Gardeners not only work on group projects, they are also involved in individual projects such as helping neighbors with gardening projects, community projects or organizing presentations.

Anyone is welcome to join the Master Gardener program. Meetings are the second Thursday monthly at 6 p.m. with a Front Porch

Above, some of the master gardeners from Barry County work on the landscaping in front of the Bayless House in Cassville.

Mt. Vernon man airlifted after Hwy. 60 wreck

Charlea Estes

A Mt. Vernon man was seriously injured when he was hit on his motorcycle near Monett. Kevin T. Mandarine, 23, of Mt. Vernon, was transported via air ambulance to Cox South Hospital in Springfield for serious injuries.

According to the Missouri State Highway Patrol crash report, Mandarine was driving on Hwy. 60 when a 2007 Ford Ranger, driven by Mitchell Modglin, 27, of Mt. Vernon, failed to yield while turning left and hit him.

Mandarine’s 1997 Honda Shadow motorcycle had extensive damage, while the Ranger had minor damage. Mandarine was wearing a helmet at the time of the crash.

Man injured after car wrecks on front porch

Charlea Estes

Don B. Miller, 51, of Amsterdam, Mo., was injured last week when he ran through two fences before coming to a stop on a residence’s front porch. According to the Missouri State Highway Patrol crash report, Miller was headed east of County Road NW 2001 on MO 18 when he crashed on Saturday, June 25.

Miller was driving a 1996 Plymouth Voyager when he crossed the center line, traveled off the left side of the road and struck a fence, kept going through a field through another fence and eventually stopped on a front porch.

Miller was transported to Bates County Memorial with moderate injuries. He was not wearing a seat belt at the time of the crash.

HAVE a SAFE & HAPPY 4th of July!

Stilwell honored for service to Eagle Rock community

Julie Pruitt

John D. Stilwell has always loved the Eagle Rock area, and began visiting with his parents when they would vacation in Branson and stay at the Rock Village Court in Cassville. As an adult, John was the Claim Superintendent for State Farm in Wichita for 33 years, but he never lost his interest in this area.

He made a commercial for State Farm that was shown nationwide and for one Sunday of work on this commercial he made \$35,000. He bought a Corvette and property in Eagle Rock then built a house in 1998. He lost his vision in May of 2001 and retired here permanently.

He met Ronnie Tollison, a volunteer fire fighter, who encouraged him to join the fire department which he did. Then, he and his former wife, Pam, bought a store and taught stained glass classes there and became more and more

involved in the community. Eventually, they sold the store and John continued volunteering. Today, John is a well known and loved face in Eagle Rock.

John is a pillar of the Eagle Rock community. Whatever the event, John will be there working. Eagle Rock Daze is a huge event in October and John is there from beginning to end building the haunted house, organizing events and vendors and helping everyone with whatever needs to be done.

When you travel through the haunted house, you will be sure to run into John in a scary costume. Then, in November he will be at All Faith United Methodist Church working in the kitchen for the annual Veterans Day fish fry and in the kitchen at the Eagle Rock Community Association cooking and organizing the community Fall Harvest Dinner. After the Fall Harvest

dinner, it is time for Christmas where John MC's the event including the Dirty Santa gift exchange. John is involved in more than holiday events. He helped build the playground and pavilion which provides endless entertainment for family reunions, birthdays, church events, etc., and he was the long time referee for the dodge ball games and he volunteers at the Community Connection Thrift Store every Wednesday.

Ronnie Tollison, who is on the E.R.C.A. Board of Directors, is a close friend of John's and decided to honor John for his long time selfless service to the community.

During the E.R.C.A. potlucks and meetings, Ronnie began planning with his fellow members. They didn't want John to know, so they would wait until he left the room to hurriedly whisper out the plan to dedicate the pavilion to him with a plaque and ceremony.

John Stilwell is pictured above with his daughter and grandson. From left to right are: John Stilwell, Dylan Dredge and Krystal Dredge.

They were able to keep this a secret for a whole year, then Bryndon Cochran presented the plaque to John at the May potluck and pleasantly surprised him.

John said, "I was honored, flattered and deeply touched. If you want to look good, surround yourself with hard working people."

John has certainly done that because Eagle Rock is full of dedicated citizens who work hard to make this a great place to live. John will continue to serve the community he loves and his dedication will long be preserved at the Eagle Rock pavilion.

Missouri State spring 2016 graduates

Missouri State, in Springfield, announced their spring 2016 graduates. Local graduates were:

- Charlea Estes, of Cassville, bachelors of science.
- Jennifer Pendergraft, of Cassville, Masters of Education

Women in Dairy conference set for July 11
Schedule the opportunity to lunch and learn with other “Women in Dairy”. The University of Missouri Extension’s “Women in Dairy” program is scheduled to be held from 10 a.m. to 1 p.m. on July 11 at the Southwest Research Center, 14548 Hwy. H, Mt. Vernon, MO 65712.
“Record Keeping: Are we Making Ground?” will be presented by Wesley Tucker, MU Extension Ag Business Specialist. “Understanding financial benchmarks helps producers better understand their competitiveness in the industry,” explained Tucker. “During this time of low milk price, identifying opportunities is more important than ever.”
MU Extension’s Women in Dairy program is on its debut year. “It’s such a delight to spend mid-day with a great group of like-minded ladies,” said Reagan Bluel, MU Extension dairy specialist.
Meetings are scheduled on the second Monday of every month, in alternating locations between Mt. Vernon and Mt. Grove. “There’s always something to do on a farm - by scheduling the same day every month, my hope is for ladies to be able to pencil us in this meeting and ones in the future,” explained Bluel.
Please RSVP by calling the Barry Co. Extension office at (417) 847-3161. The \$10.00 registration fee for this lunch and learn opportunity can be paid the day of at the door.
For more information, contact Reagan Bluel (417) 847-3161 or Ted Probert (417) 547-7545.

Barry County Ennes earns Land Tax MFA Sale Aug. 22 scholarship
The office of Barry County Collector Janice Varner is preparing for the annual Barry County Real Estate Delinquent Tax Sale. Missouri law requires that land with three years of delinquent taxes sell on the fourth Monday of August each year.
The first publication of this sale will appear in the Cassville Democrat the week of July 20, 2016, at which time copies will be available in the collector’s office. The tax sale listing can be viewed at barrycountycollector.com which will be updated as parcels are paid.
Sherry Sears, Barry County Assessor, will once again have available for sale a booklet containing parcels that will be offered on the land sale. If you are interested in purchasing one of these booklets, please contact the Assessor’s office at (417) 847-4589 or pick one up at the Collector or Assessor’s office in the Barry County Courthouse.

Ennes
Kendra Desirie Ennes, a graduating senior from Purdy R-II High School, won a \$2,000 MFA Foundation scholarship and will use the scholarship at Evangel University in Springfield.
The scholarship was sponsored by MFA Oil and Propane of Purdy and is one of approximately 340 scholarships presented this year by MFA Inc., MFA Oil Company and their affiliates.
Kendra is the daughter of Nidia Ennes and Hoyt Ennes.

Exeter's National Honor inductees

Exeter R-6 High School held their National Honor Society Induction on April 18, 2016. Members, new inductees and their families met for an evening meal and ceremony. Mrs. Lucretia Brattin, Chapter advisor, presented the Seniors with their honor cords for graduation. During the ceremony it was announced that the chapter is being renamed as the Exeter R-6 Susan Doty Chapter of National Honor Society in honor of long-time advisor, Mrs. Susan Doty, who passed away last fall.

Members pictured in the bottom row are, from left to right: Renz Kho, Kameran Newman, Kelsey String, Amy Alverson, Sydney Carpenter, Will Nolte, Allison Burnette, Tori Dean, Austin Tripp and Lindsey Henson.

New inductees are pictured in the top row, from left to right: Trevor Nelson, Mystree McMahon, Madelyn Cole, Casey Oxford, Chloe Carpenter and Ethan Caddell.

Upcoming Cassville Library events

- Back to Nature is the theme of preschool story time on Thursday, June 30, starting at 10 a.m. Come for singing, stories, and more for ages up to 5.
- Get Ready, Get Set-Read! summer programming continues with Mike Anderson, The Dulcimer Guy. He entertains on Thursday, June 30, at 3:30 p.m. in the library's lower level. All ages are invited to attend.
- All branches of the Barry-Lawrence Regional

- Library will be closed on Independence Day, July 4, 2016.
- Judy Domeny Bowen shares music and heritage of the Ozarks, with special emphasis on the life of Laura Ingalls Wilder in a summer program scheduled for Thursday, July 7, at 3:30 p.m. Everyone is invited.
 - A special Tuesday summer program will be held on July 12 at 3:30 p.m. The Fishin' Magicians present "Catch the Magic-Read!" in the library's lower level.

- Crochet classes are held each Friday at 10:30 a.m. All levels of crocheters are urged to attend and materials are supplied or you can bring your own.

SOUTHWEST SCHOOL BOARD MEETING HIGHLIGHTS

As part of continued efforts in keeping patrons informed, the Southwest R-V School Administration provides monthly information concerning board meetings.

A recap of the June 16, 2016, regular meeting is as follows:

The board convened for its meeting at 7 p.m.

The board approved the consent items, including accepting the resignation of Title I Reading teacher Sally Walker. Second grade teacher Alice Via will be reassigned to replace Walker with newly hired Blair Bachman replacing Via. Other new hires include Title I teacher Heather Ayer, 6th grade teacher Jason Duncan and middle school Science teacher Byron Stephens.

In respect to old business items, the board approved amending the 2015-2016 budget, contingent on June revenue and expenditures. Also approved were the purchase of Chromebooks and storage/charging carts for second and third grades, as well as adding 30 of these devices in the middle school. The Board also approved recent policy and procedure updates as proposed by the Missouri School Board Association.

Under New Business, the Board approved the amended 2015-2016 Budget as the Preliminary 2016-2017 Budget. It was also decided to remain with Peoples Community Bank in respect to the district's 2016-2017 banking services. District salary schedules were approved for next year, as were the pay rates for substitute teachers, cooks, custodians, and bus drivers, along with district facility rental fees and school breakfast/lunch prices.

Under Administrative and Program Evaluations, the Board reviewed the monthly Maintenance and Administrative reports. Discussed were the recent summer school session, elementary kitchen renovation, bus purchases, and the condition of the high school parking lot.

The Board was in closed session for approximately one hour, discussing personnel items and adjourned at 8:45 p.m.

The next regular meeting is scheduled for July 18 in the high school library at 7 p.m.

Don't raise the risk.

During any kind of project around your home or property, remember there's more overhead than buildings, trees, and sky. A ladder can easily reach high enough to cause potentially fatal contact with power lines.

Always look up before raising or moving a ladder, to make sure it's at least 10 feet from any electrical lines. Keep your eye on power lines and your mind on working safely.

Local graduates Highway Patrol academy

Seligman Police crackdown on drunk drivers

Colonel J. Bret Johnson, superintendent of the Missouri State Highway Patrol, announces 26 troopers graduated from the Patrol's Law Enforcement Academy on Friday, June 24, 2016. The ceremony took place at 10 a.m. in the Academy gymnasium. The 102nd Recruit Class reported to the Academy on January 4, 2016. The new troopers report for duty in their assigned troops on July 11, 2016.

Governor Jay Nixon provided the keynote address during the June 24 graduation ceremony. Department of Public Safety Director Lane Roberts and Colonel J. Bret Johnson also addressed the class. The Honorable Mary Rhodes Russell, Missouri Supreme Court, administered the Oath of

Office to the new troopers. Dean Gil Kennon, vice president of College Affairs for Mineral Area College, conferred an associate of applied science degree to 10 of the new troopers.

Troop F Color Guard presented and retired the colors. A quartet consisting of Sergeant John H. Lueckenhoff, Troop D, Sergeant Andrew A. Henry, Troop H, Trooper Steven J. Force, Troop H, and Pastor Terry Beasley, of Cameron, sang the national anthem. Rev. Tim Rickman, Assemblies of God, Nixa, provided the invocation and benediction.

Four class awards were presented. The recruits accumulated points toward graduation in the categories of physical fitness, firearms, and academics throughout

their 25 weeks at the Academy. The person with the highest number of points in each category earned the respective award. Trooper Dakota K. Fletcher earned the physical fitness award. Trooper Justin C. Jenkins earned the firearms award. Trooper Matthew W. Neely earned the academics award. Trooper Sean P. Ernst accepted the Superintendent's Award, which is presented to the person with the most points overall.

A local Cassville resident was given a first assignment as a member of the 102nd Recruit Class:

- Geoffrey Beaulieu, Cassville, MO, Troop F, Montgomery County.

Local police will be out in full force as part of the annual nationwide Fourth (4th) of July Holiday "Drive Sober or Get Pulled Over" substance-impaired driving crackdown. The crackdown, which will include high-visibility enforcement throughout Seligman, will run from July 1-5, 2016.

The effective nationwide substance-impaired driving crackdown will include high-visibility enforcement, high-profile events, and will be supported by national paid advertising, creating a comprehensive campaign to curb substance-impaired driving over the Fourth (4th) of July Holiday.

Seligman Police Department said its officers will be aggressively looking for substance-impaired drivers during the crackdown and will arrest anyone caught driving impaired.

Although it is illegal in all 50 States, the District of Columbia and Puerto Rico to drive impaired (having a blood alcohol concentration of .08 or higher), far too many people across the nation get behind the wheel after consuming too much alcohol. The latest statistics from the National Highway Traffic Safety Administration underscore the serious nature of the nation's continuing drunk driving epi-

demic.

"Every year, about one third of all motor vehicle traffic deaths involve one or more substance-impaired drivers or motorcycle operators," said Chief Terry Burgess "In 2015, 192 people were killed and 644 seriously injured on Missouri's roadways in crashes that involved at least one substance-impaired driver." That works out to approximately one substance-impaired driver involved fatality every 1-3/4 days.

Chief Burgess added the Fourth of July holiday is particularly dangerous. During the Fourth of July holiday July 3-5, 2015, three people were killed and eight seriously injured involving at least one substance-impaired driver.

"Research has shown that high-visibility enforcement like the 'Drive Sober or Get Pulled Over' campaign reduces substance-impaired driving fatalities by as much as 20 percent. By joining this nationwide effort, we will make Seligman's roadways safer for everyone throughout the holiday," said Chief Burgess.

"We want to remind everyone that getting behind the wheel impaired is a terrible idea. Unfortunately, not only does being under the influence impair

your ability to operate a vehicle safely, it also impairs your judgment and good sense about whether you can or should drive. If you have any doubt about your sobriety, do not get behind the wheel. If you do chose to drive impaired, you will be arrested. No warnings. No excuses," Chief Burgess said.

Chief Burgess noted that being arrested for driving under the influence of any substance brings a wide range of negative consequences into one's life. Substance-impaired drivers face jail time, loss of their driver licenses, and steep financial consequences such as higher insurance rates, attorney fees, court costs, lost time at work, and the potential loss of job. When family, friends and co-workers find out, violators also often face tremendous personal embarrassment.

"Driving while impaired is simply not worth the risk. So don't take the chance. Remember, we will be out in force and we will be watching, so 'Drive Sober or Get Pulled Over,'" said Chief Burgess.

For more information, visit the "Drive Sober or Get Pulled Over" Campaign Headquarters at www.TrafficSafetyMarketing.gov or www.saveMOLives.com.

Knights of Columbus ladies donate to seniors

On Wednesday, June 15, the Holy Family Knights of Columbus Ladies Auxiliary Council #13974 presented a check to the Central Crossing Senior Center (CCSC) to help defray costs of operating the Center. The contribution was presented by, from left to right: Jeanne Lawrence, Sharon Riedel and Elaine Esterl. Present to receive the check on behalf of the Center is Jeff Harp (far right).

Highway Patrol: Have a safe 4th of July

Colonel J. Bret Johnson, superintendent of the Missouri State Highway Patrol, reminds Missouri's travelers of the importance of safety during the upcoming July Fourth holiday. Many people will travel somewhere to enjoy the three-day holiday. Whether your plans will take place on land or on the water, please be courteous and follow all Missouri traffic and boating laws.

In 2015, 14 people were killed and 427 injured in Missouri over the holiday in 953 traffic crashes. One person was killed or injured every 10.6 minutes. Over the 2015 July Fourth holiday, troopers arrested 127 people for driving while intoxicated.

The 2016 counting period for the July Fourth holiday will be from 6 p.m., Friday, July 1, to 11:59 p.m., Monday, July 4.

The Highway Patrol will be participating in Operation C.A.R.E. (Combined Accident Reduction Effort) over the July Fourth holiday weekend. All available troopers will be patrolling Missouri's roadways enforcing traffic laws in addition to being available to assist motorists. Please be a courteous driver and follow all traffic laws. Drive sober, obey the speed limit, pay attention, and make sure everyone is properly restrained.

Motorists who need assistance or who witness criminal activity while traveling on Missouri's roadways can contact the near-

est Highway Patrol troop headquarters by calling the Patrol Emergency Report Line at 1-800-525-5555 or *55 on a cellular phone. Motorists may call 1-888-275-6636 to check for road construction along their travel route.

The Highway Patrol also reminds the public that the Fourth of July holiday is one of the busiest boating holidays of the year. In 2015, there were seven boating crashes, which included four injuries and no fatalities. No one drowned during last year's July Fourth holiday.

Troopers will be working on the state's waters to ensure safety. Missouri's boaters are asked to do their part by remaining alert for other boats and swimmers, and being courteous on the water. With more boats on the water, it is even more important to pay attention when operating your vessel. Don't consume alcohol and operate your vessel and be responsible with your wake.

Before heading out to firework displays after dark, check your vessel's navigation lights, and be sure to have spare bulbs on board. Slow down and take your time and remember Missouri's nighttime speed limit of 30 miles per hour on the water. Nighttime crashes tend to involve

more serious injuries and damage, due to the lack of visibility.

Finally, it is illegal to discharge fireworks from a vessel, so leave them in a safe place on shore.

"Please be courteous whether operating a vehicle or a vessel. Whether you're on the water or the road, if your celebration includes alcohol, designate someone else to act as your sober chauffeur," said Colonel Johnson. "Drivers make sure your passengers wear their seat belts and boat captains should insist that everyone wear a lifejacket."

Daniels shares insight on Affordable Care Act with area seniors

Keith Daniels has done extensive research on the pros and cons of Obamacare and has presented this information to the Cassville, Seligman and Central Crossings Sr. Centers. Many American citizens are confused and unhappy with this program so the following facts will help in understanding Obamacare. The concept of Obamacare is very positive. Its goals are to provide increased quality of healthcare, better affordability of health insurance, greatly reduce the number of uninsured, reductions in healthcare costs and greater access to healthcare providers. Unfortunately, the way the bill was passed was quite controversial. Congressional Republicans and Democrats battled for two years with several highly unusual political maneuvers and closed door meetings before it was passed in 2010.

Obamacare has several perks including guaranteed coverage by insurance companies which prohibits insurers from denying coverage due to preexisting conditions, dependents are now allowed to stay on their parent's policy until the age of 26 and quality surveys are now being given to patients to give them the opportunity to rate the quality of their care. These surveys must be reported to Medicare which compiles overall scores for the hospitals. The lower rated hospitals are financially penalized.

There are cons of Obam-

acare which many people are aware of. Great damage to the public trust resulted from the way the Obama administration and Congress passed this legislation and there have been town hall meetings across the nation expressing their unhappiness. There were promises made by the President which clearly were not kept including keeping your doctor, plan and saving an average of \$2,500 a year on their insurance premiums. Another con is that Medicaid expansion was built into the law in exchange for huge cuts in Medicare funding, access to care is actually being reduced because there are not enough physicians to handle the increased patient load.

This affects senior citizens because huge losses are being incurred by insurance companies on Obamacare that will be shifted over to other insurance policies such as Medicare Supplementary plans. Many seniors on a fixed income are having to spend more and more of their monthly income on paying for their supplementary insurance.

The future does hold hope.

There will be more emphasis placed on wellness services which are designed to help keep people from getting sick, Urgent Care Clinics will become much more common staffed by Nurse Practitioners and Physician Assistants and there are innovative new ways of delivering healthcare. Telemedicine is now being utilized much more than in the past and Private Direct Care Clinics are also becoming popular. These are clinics where the clinic members pay a reasonable monthly fee in exchange for unlimited primary care and shorter wait times for appointments.

Daniels believes the American healthcare system will center on personal responsibility. Insurance and Medicare plans will reward people who change their health behavior by doing such things as quitting smoking, exercise, wellness checks and diet and nutrition, but there will also be higher deductible and coinsurance amounts which will have to be paid by all of us.

Area 71 General Store a happy spot to lake goers

The Area 71 crew is pictured above, from left to right: Mike Mertens, Christa Brown and Doug Brown.

Charlea Estes

Area 71 is a new business in Shell Knob. Located on YY Highway near Campbell Point, it offers everything a fisherman, camper, or laker could want. Area 71 has a special "build your own soda" fountain, frozen custard and a grill offering breakfast, lunch, dinner and freshly baked desserts. Area 71 also has a special beer, Craft, on hand and convenience store type snacks including chips and candy.

Another perk of Area 71 is ethanol free premium fuel.

Area 71 puts the community first by opening early and staying late, Monday-Thursday 6 a.m.-9 p.m., Friday and Saturday 6 a.m.-2 a.m. and Sunday 6 a.m.-9 p.m. and are willing to stay open later if necessary. According to Brown, "We have had 30-40 fisherman show up here at 2:30-3:30 a.m. and we are delighted to stay open as long as they are enjoying themselves."

Area 71 is owned by Doug and Christa Brown. Doug grew up in central Missouri and went to Miz-zou then moved back and forth between St. Louis and Kansas City finally settling in Olathe, Kan. Doug has been in the software business for over 25 years, even traveling internationally. Doug, his wife, Christa, and thee children, Cali, Xander, and Roxy, visited Shell Knob and fell in love with the lake and all Shell Knob had to offer so they bought a lake home and have been vacationing here for 15 years.

The city didn't offer the late night conveniences of a small community so they wanted a business with a happy atmosphere for people to hang out, visit, and

enjoy everything a general store has to offer including food, fuel and live bait with the luxury of late hours. Thus, Area 71 was born.

The Browns are very proud of their staff, Mike, Jeremy, Ashley, and the rest of the team who ensure their customers are happy and satisfied.

The Browns have invested hundreds of dollars to improve the environment around their business, and their next goal is to expand the RV park into a RV resort. Once the Planning and Zoning Commission approve their plan, they will build 100 standard and premium RV sites with top notch facilities, including a swimming pool, to complete the package. Brown is an authorized RV dealer in association with Camping World and Good Sam.

Brown said, "We have a beautiful view from top of the knob and we are investing in the community we love so much so the whole community can enjoy and be a part of it."

If you are spending the day, or several days, at the lake, make sure to put Area 71 as your primary source for food, fun, and fuel.

Fireworks to be allowed in Purdy limits

The City of Purdy will allow the discharge of fireworks within the city limits from Friday, July 1, through Monday, July 4, only from 10 a.m. until 11 p.m.

All children discharging fireworks must be supervised by an adult 18 years or older.

Discharging fireworks in a reckless or dangerous manner such as toward a person, residence, business, animal, or from a moving vehicle is prohibited and may result in a citation to appear in Purdy Municipal Court.

Zoo friends visit Eagle Rock Library

Pamela Price, with the Dickerson Park Zoo, brought different animals to the Eagle Rock Library as part of their summer reading program. Above, kids pet a domestic rabbit.

Julie Pruitt

Eagle Rock Library was a wild place Thursday, June 23. Dickerson Park Zoo visited as a part of the Get Ready, Get Set, Read summer reading program. Pamela Price brought several animals to demonstrate how animals move and communicate. Ocheo, a gray faced eastern screech owl, is a nocturnal animal who uses its screech to communicate with other screech owls. Ocheo left a nice surprise for Price, a pellet that was the leftover mouse

he had eaten the day before. Price also brought a domestic rabbit which is marked like the Eastern cottontail and a fire belly toad. Both of these animals use their powerful back legs to move and have unique characteristics to protect themselves from predators. There were also peacock feathers on display and posters of elephants. Peacocks spread their tail feathers and each feather has a big black spot which looks like an eye to scare away predators.

Elephants use their trunk to communicate, spank their babies, and cool off with a spray of water. An interesting fact: The dinosaur sounds used in Jurassic Park were actually elephant sounds. The children enjoyed learning cool facts, looking at interesting animals, and petting the rabbit. There are more entertaining events coming not only to the Eagle Rock Library, but to all the local libraries, so visit any of them to participate in fun activities for children, teens, and adults.

Young to retire from Sports World

Up until a couple of years ago, if you were to travel toward Roaring River on HWY 76/86 just outside of town, you were likely to see a red Chevrolet pickup parked in the then Sports World parking lot. No matter what time of day you drove by, it would always be there, 5 a.m. or 6 p.m. Most people thought it was another broken down vehicle. Truth is, it did move. Most people just weren't around late enough or early enough to see it.

It belonged to one of the hardest working people in Cassville, Jim Young. For almost 25 years, Jim has been helping the local schools, businesses, and individuals with screen printing and embroidery at Sports World. We are both happy and sad to announce that Jim is now officially retiring from his position as the graphic designer/production manager of Sports World, a position that he has held since 1993. However, in typical Jim Young fashion, he won't be

fully retired. In conjunction with Sports World, Jim will still operate AAA trophies, a business that he and his wife started many years ago. "When we purchased Sports World over 3 years ago, Jim was an important component in our success," said Ernest and Michelle Freeman, owners of Sports World "and as we are sad to see him go we are happy that we will get to take some much deserved time off, as well as spend time with his

family." Sports World will be holding a retirement celebration for Jim at the store at 709 Main Street in Cassville on Friday, July 1st. Everyone is encouraged to stop by throughout the day as we honor our dear friend and colleague. Food and drink will be served from 11-2. To our dear friend Jim, we wish you all the best, and we hope you enjoy a happy, healthy, well-deserved vacation.

Memorial garden planted in Shell Knob for Eakin

The Central Crossing Senior Center has dedicated a memorial garden in memory of Melba Sutton Eakin, May 29, 1945 to February 5, 2012. Melba Sutton Eakin was an original member of the Central Crossing Senior Center Corporation and board of directors from the beginning in 1999. She held officer positions, as Secretary - Vice President, Chief Publicity Officer and was the driving force in obtaining funding for the construction of our Senior Center in 2003. She graduated "Phi Beta Kappa" from the University of North Carolina with a Master's Degree in Business Administration. She was employed prior to retirement with Shell Oil Company, serving their offices in London and New York. Melba was a member of the Central Community United Methodist Church, where she was active in many social programs.

Melba extensive executive experience gave to our organization, leadership that was so important during our growing years. Melba was an unselfish "giver", one that knew the value of being a volunteer to help others. Her mother, Jessie Sutton, of Pineville, Louisiana, instilled in Melba the driving force to "Get the job done". That spirit was with Melba during her entire journey with the Central Crossing Senior Center and was the contributing factor in our growth and development. This addition is dedicated to Melba in honor of her contribution to our organization. The memorial garden is the culmination of many hours of work and planning by numerous volunteers and through contributions by generous donors who will be present and recognized at the dedication. In addition to those individuals, Melba's mother will be present and this event will serve to honor

Eakin

her support to the Senior Center and Memorial Garden as well. The Memorial Garden is intended to be a place of quiet solitude and prayer where one can recharge their spirits and just enjoy, meditate or reflect. The public is invited and encouraged to come and show support and appreciation for this special place on July 12, right after lunch. Lunch that day will be very special, so plan on coming for lunch and staying for the dedication.
