Governor Mike Parson's office announced that he officially selected longtime Barry County Collector Janice Varner's replacement on Monday, July 15. Skyler Bowman, of Cassville, will be taking the reins of the office until the next election cycle for that position. Bowman began training this week and was officially sworn in as Barry County Collector this morning, July 17, in the historical Barry County courthouse.

Bowman was recommended to the Governor's office as Varner's replacement by the Barry County Republican Central Committee.

Bowman worked at Commerce Bank for 15 years and decided to go through the process to be considered for Varner's seat after hearing about the process. Varner's official last day was June 30.

She said, "It was brought to my attention that it was open, and I became interested, so I went through the process. When the Republican Committee was to meet, anyone interested was to show up and give a three-minute presentation on why we wanted the position."

Based on her experience and presentation, the Republican Central Committee recommended Bowman be appointed for the seat in early June. Governor Parson made the ultimate decision

According to information released by the Central Crossing Fire Department, it was reported the boat was having difficulty starting, and it was a short time after that the explosion occurred. Two people on the boat suffered moderate injuries, and two people on the boat suffered minor injuries. All four were taken to Mercy Hospital in Springfield for their injuries. Felicia C. One of the occupants on the boat was flown by helicopter for injuries, according to Central Crossing Fire. They also said a fifth person on the dock sustained minor injuries from the blast but refused treatment at the scene.

None of the occupants on the boat were wearing safety devices at the time.

The explosion happened at approximately 12:35 p.m. on Saturday, July 13. Central Crossing was dispatched to the scene at 1:15 p.m. where they immediately initiated patient care. Fire attack by land followed patient care, and the crew had the fire under control in about 15 minutes. Units were cleared from the scene by

Central Crossing Fire released the following statement: "Last but not least, we wish to extend out thanks and a job well done to the awesome marina staff and members of the public for their assistance today. Many fire extinguishers were used, fuel shut offs and safeties were activated, patients were removed from harm's way and care was provided until EMS arrived."

## Lt. Gov. Mike Kehoe to visit with citizens at Roaring River July 23

Charlea Estes-Jones

The Lieutenant Governor will be making a stop in Cassville next week as part of his Passport Challenge and community flapjack feeds across the state on Tuesday, July 23. Roaring River State Park will be the next stop on Lt. Gov. Mike Kehoe's camping challenge that encourages tourism and camping in Missouri State Parks. Kehoe also uses the stops to cook pancakes to serve to locals to talk about issues.

Roaring River State Park natural resources manager Joel Topham said, "It's a free event for everybody. He'll be camping with us, and the pancake feed will be on July 23 from 7:30 a.m. to 9 a.m. in Campground 1 on site 54."

Kehoe's flapjack tour is a multi-stop

community pancake feed across the state so he can, "meet with Missourians and serve them some good ole' pancakes," according to the website where his event schedule is posted: <https://kehoetour.com/>.

Using Roaring River as the stop for his next flapjack event is no surprise given his office unveiled a camping passport challenge to encourage tourism in Missouri State Parks. Missourians who participate are encouraged to try to visit and camp at as many or more state parks than Kehoe during the contest period. Kehoe's stops are posted on his Twitter account.

The contest began May 30, 2019, and runs through October 31, 2019. Digital passports are available through the main website about the challenge, and each of

Charlea Estes-Jones

A Barry County Sheriff's Department vehicle was totaled in a crash with a tractor near Purdy on Monday, July 15. According to the Missouri State Highway Patrol crash report, the incident occurred around 10:40 p.m. on Route B about half a mile west of Purdy.

The crash report states a 1987 John Deere Tractor, driven by a 16 year old\*, of Purdy, was headed eastbound, while Barry County Sheriff Officer Alvin D. Zabala, 46, of Pierce City, was headed westbound in a 2017 Ford Explorer patrol unit.

Major Leonard Collins, chief deputy of the Barry County Sheriff's Department, said, "[The tractor driver] was pulling a mower that was over the center line. According to Deputy Zabala, his vision was blinded by the lights on the tractor and couldn't see the mower behind the tractor."

The patrol unit was totaled as a result of the crash, and Zabala suffered minor injuries. He was transported to Mercy Hospital in Cassville for his injuries.

The minor driving the tractor had no reported injuries at the time of the crash.

Zabala was wearing a seatbelt at the time of the crash. The minor was not wearing any kind of safety device.

Collins said, "He had some minor injuries and was treated and released." He added that Zabala is expected to make a full recovery.

The patrol unit was towed from the scene by Brice's Towing, of Cassville. The tractor sustained minor damage and was driven from the scene.

HANDLE WITH CARE

Some jobs require a long-handled tool to reach the work effectively. But remember a long handle also requires that you work cautiously to avoid contact with power lines. When using any tools or machinery with a long reach, be sure to pay attention to both ends so you don't expose yourself or others to the risk of electric shock.

Stones Prairie Picnic slated for July 19

Purdy Festival this Saturday, July 20

A large quilt will be auctioned off at the annual Stones Prairie Picnic on July 19. The large quilt for auction was pieced by Nancy Kielblock and quilted by the quilting ladies of St. John's Lutheran Church Stone's Prairie, in Purdy, Lutheran Women's Missionary League (LWML). The queen size quilt (88 inches by 100 inches) features florals and paisley prints of cream, maroon, pinks and sages. There will also be an afghan for auction made by Margaret Rupp. The baby quilt (not pictured) was pieced by Lillian Schad and quilted by the quilting ladies of St. John's LWML. The baby quilt features animals in its design. The quilts featured will be up for auction this year at the St. John's Lutheran Church Stone's Prairie Picnic in Purdy on the evening of July 19. There will also be many other quilts and items for sale. Pictured, from left to right: Lillian Schad, Betty Meier, Mary Schad, and Helen Rupp with the large quilt and afghan for auction.

This Saturday marks the eighth annual Purdy Festival, a family-friendly event that features day-long fun and free entertainment for all ages in the area. The festival will once again include free rides, a livestock show, a veterans appreciation event, car show and more. This year's festival will be on Saturday, July 20, at the Purdy park and the Purdy School.

The Purdy Festival began in 2011 after a group of teachers and community members came up with the idea of an event that would be family-friendly and for everyone.

This year's event kicks off with registration to the car show at 8 a.m. The Thunder in the Park Car, Truck and Motorcycle Show will be held in the Veterans Park during the festival. Registration for the event begins at 8 a.m. and awards will be handed out at 3:30 p.m. Classes for the show will be: 1986 to current, 1960 to 1985, 1959 and before, truck and bike. Following awards, entrants

are invited to a cruise in at Fred dy's in Joplin. For information about the car show, contact Austin Drake at (417) 737-0392.

Free rides at the Purdy Festival will run from 10 a.m. to 4 p.m. Each year, the free rides are possible through community sponsorship of the event.

Other events throughout the day include pony rides, a craft show, food vendors, a petting zoo, 4-H exhibits, a veterans appreciation lunch and a co-ed softball tournament.

The location of the softball tournament will be off site in Monett this year due to renovation of the Purdy ball field. The tournament begins at 8 a.m. Contact Micheal Morris for more information regarding the tournament (417) 489-0993.

From 11 a.m. to 1 p.m., there will be a veterans appreciation luncheon in the high school gym. The craft fair will also be held in the Purdy High School gym this year.

The 4-H exhibits will be in the Purdy School commons area for visitors to

cool off and check out the kids' hard work.

The bathtub races will be at 3 p.m.

At 1 p.m., there will be a group of traditional Latin dancers performing. Folklore San Jose will perform at the pavilion.

The Purdy FFA is in charge of the bathtub races with a junior bracket and a senior bracket this year. Teams will man a bathtub equipped with steering wheels in three-man teams.

Food at the Purdy Festival will include street tacos, ice cream, sno cones, traditional fair foods and more. Some booths may have free food for event goers, but most food will be available for a cost.

At the end of the event, the Purdy Fire Department will spray down those wanting to cool off during the Purdy Fire Cool-Off. Firefighters will make a fountain with hoses around 3:30 p.m. on Highway C for kids to play in.

For more information about the event, go to [www.purdyfestival.com](http://www.purdyfestival.com).

The first place winners at the Central Crossing Senior Center Car Show are pictured above. From left to right are Ron and Judy Bass and Karin Stanley with their trophy for their 1930 Ford Model A.

The second place winners at the Central Crossing Senior Center Car Show were Dennis and Karin Stanley for their 1935 Hupmobile. The Stanleys are pictured above.

A Washburn man was lifelighted after two boats collided by Eagle Rock Marina over the weekend. According to the Missouri State Water Patrol boating incident report, one boat struck another in the left rear, leaving two with injuries.

On Saturday, July 13, a 2000 Stratos, driven by Rebecca J. Burt, 60, of Eureka Springs, Ark., was southbound on Table Rock Lake by Eagle Rock Marina. The Stratos struck a second vessel, a 2000 Javelin, driven by Daryl D. Ickes, 47, of Washburn, also headed south around 9 p.m.

Two people on the 2000 Javelin suffered injuries in the collision. Joseph A. Crain, 27, of Washburn, sustained serious injuries and was transported by helicopter to Mercy Hospital in Springfield. Ickes suffered moderate injuries and was taken by ambulance to Mercy Hospital in Springfield, as well.

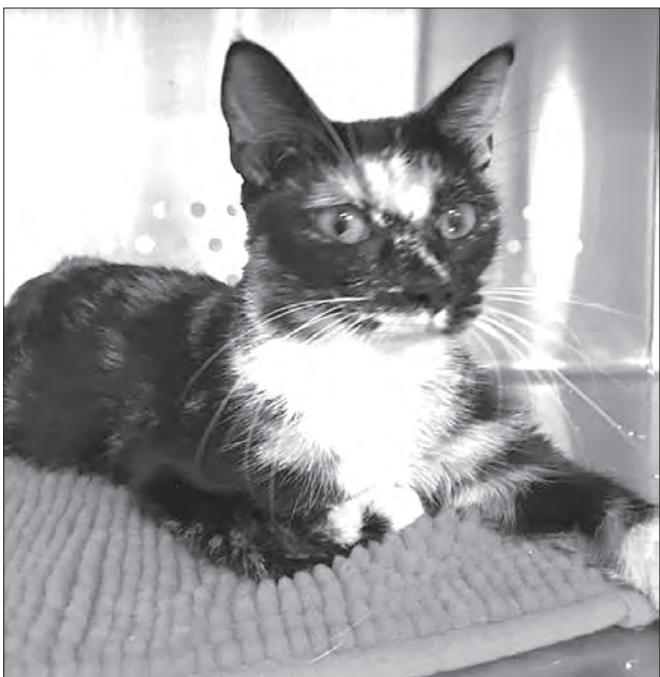

There were no reported injuries on the other boat.

It is unknown if any of the parties on the boats were wearing safety devices at the time of the crash.

The Javelin sustained moderate damage, and the Stratos sustained mi-

nor damage. Both boats were removed by the owners following the crash.

According to additional information released by the Eagle Rock Golden Mano Fire Department, they responded with a fire engine, a medical unit and two first responders went directly to the scene. Mutual aid and assistance was provided by Mercy EMS, Mercy Lifeline, the Barry County Sheriff's Department, the Missouri State Highway Patrol, the Missouri State Water Patrol, the Missouri Park Rangers and coordination by Barry County E9-1-1

Meet Naomi, the Haven of the Ozarks Pet of the Week. If you love kittens and want a friend who will look like one forever, Naomi is your girl. She weighs in at just seven pounds and, at a year old, shouldn't get much bigger. She's very friendly, confident, social and outgoing. Naomi is also a playful girl, so she's looking for a home with lots of space to play. Naomi loves other cats and prefers a home with a feline companion. She will make a great addition to an active home.

At the Exeter City Council meeting on Wednesday, July 10, one of the major items on the agenda was filling the vacant role of chief of police.

According to Exeter City Clerk Myrna Eisenbraun, Lindsey Dooley, who had been serving the city as interim police chief since September 2018, was initially offered the job but turned it down.

Needing a chief of police, the council opted to offer the job to officer Willie Stephens, who has been working for the city as an officer since September 2018.

According to alderman and mayor pro tem Rhonda Scott during the meeting, she and Exeter mayor Lance Eaton approached Stephens with the idea sometime in between the June and July council meetings.

Stephens agreed to accept the role. He is currently on vacation and will not be able to take on the role until his expected return to duty on Monday, July 22.

During the meeting, Eaton and Scott revealed that Stephens would be hired on to the job on a 90-day probationary basis. After that period, the council will review his work and make a final decision as to whether or not to keep him on as chief on a permanent basis.

Council members also stated during the meeting that Stephens would be expected to expand his patrol hours within the city to beyond its most crucial patrol times. Stephens will still be expected to work 40 hours per week, but the city will require that the times in which he patrols have more variation outside of critical periods, such as after school and other high traffic times.

According to Eisbenbraun, Stephens will not receive an increase in pay until after his 90-day probationary period has ended.

For more information on this or other city council decisions, contact Exeter City Hall at (417) 835-2823.

The 41 Missouri State Parks listed on the passport will have a unique stamp to mark passport's with.

For additional information about Lt. Gov. Kehoe's Passport Challenge, go to <https://ltgov.mo.gov/passport-challenge/>.

Those who meet or exceed Kehoe's totals will receive a free t-shirt, and three winners will be chosen for a grand prize, second place prize and third place prize. Winners will be announced on November 6.

## Exeter City Council moves forward with lawn, trailer ordinance changes

Vinnie Roberts

At the Exeter City Council meeting on Wednesday, July 10, two pieces of legislation were viewed by the council. The council opted to make minor changes to both city ordinances for the sake of easing burdens on the council and updating the laws to be more modern.

The first of these is an

ordinance regarding trailer homes. Currently, all new mobile homes in Exeter must be presented to and voted on by the council before they can be moved into the city limits.

According to the ordinance, the owner of the trailer also had to pay a \$15 fee in order to obtain a permit to move their trailer into the city. Additionally,

the ordinance required city council to notify all adjacent property owners of the possibility of the trailer moving onto a nearby lot.

The council voted unanimously to amend this ordinance, striking both the \$15 fee and the council's obligation to inform neighbors of the impending move. The council is expected to vote on this amendment during the August meeting.

Over the next month, the amendment will be written. It will be read at the next city council meeting for final approval.

Another ordinance reviewed by the council on July 10 pertained to lawn

care. Under the current ordinance, the city is allowed to enact a penalty against citizens who fail to maintain a certain standard of care for their lawns, mainly relating to the height of grass and weeds in the lawn.

Under the current version of the ordinance, the city's municipal court has the power to fine charges of anywhere from 1 to 25 dollars on citizens violating the ordinance.

With the proposed revisions to the ordinance, the fine will be adjusted to \$25 to \$500.

The council also voted on what to do with the previous city hall building. Since the city moved locations in May, the previous

building remained vacant though still under city ownership.

No longer wanting to be responsible for the costs of ownership of the building, such as insurance and maintenance, the council made the decision to sell the facility.

The city is currently accepting bids for the building. There is no minimum bid on the building, but the city reserves the right to refuse any and all bids.

For more information on the changing ordinances or to inquire about placing bids on the previous city hall building, located in the shopping center on Front Street, contact Exeter City Hall at (417) 835-2823.

COLLECTOR from  
FRONT

and appointed her on July 15.

Bowman will serve as appointed collector until the next election in November 2022. At that point, the seat will be up for election with Bowman or the new collector sworn in January 2023.

Varner was reelected for her position in the November 2018 General Election and re-sworn into office in January 2019. Varner was the Barry County Collector since January 2003.

Varner resigned her duties as of June 30, asking Gov. Parson to appoint her replacement. A retirement celebration was held for Varner on June 21 where she received a special award for her service in government by Government Parson. Varner stepped down to devote more time to her family.

Bowman said the nature of the position was appealing to her based on her history in the banking industry. She said, "The job appealed to me because I'd been in banking for 15 years at Commerce. The money, the math, the numbers are all a big part of it. I thought, 'I could do that.' That's what I'd made a career out of so far, so it appealed to me."

"It was hard leaving [Commerce Bank] because I was happy there. This was just a new and exciting chapter that I didn't want to miss, but I wasn't looking to leave Commerce. Commerce Bank was very good to me."

Bowman is a Cassville High School and Crowder College graduate. She is married to Levi Bowman and lives in Cassville with their two boys, Oliver, 13, and Evan, 1.

Bowman was born and raised in Barry County and is active in the community.

She added, "I look forward to serving the people of Barry County."

"Knowing and respecting how Janice Varner has done this job for so long, I plan to follow in her footsteps and continue to work for the citizens in Barry County."

## Cassville WGA comes back swinging

Last week, the Cassville Women's Golf Association resumed play after taking a holiday break to honor the July 4th holiday. To make up for this, the association played three make up days, two of which were scored.

On July 8, the CWGA played a scramble. First place in this event went to the team of Penny Hall, Susie Jacobs, Debbie Yarnall and Jeanette Skorupski. Second place in this event went to the team of Deb York, Kay Hauptert, Becky Ryder and Barb Vesley.

On July 11, the association played a best of nine holes game on both the front and back of the course. For this game, participants were scored individually. First place on this day went to Debbie Yarnall with second going to Barb Vesley.

This week's birdies were scored by Doris Connor on holes 1 and 13. Shots closest to the pin went to Doris Connor on hole six and Deb York on hole 11. WGA member Lynne Blanke scored to lowest putts of the week.

The WGA plays every week at the Cassville Golf Club located at 20276 State Highway 112 in Cassville.

# Branson man killed in four wheeler-SUV crash on Hwy. 86

*Charlea Estes-Jones*

A Branson man died after a four-wheeler and SUV collided on Highway 86 on Wednesday, July 10.

According to the Missouri State Highway Patrol crash report, Jamie M. Merchant, 44, of Berryville, Ark., was driving a 2017 Jeep Cherokee eastbound on Highway 86 near 34312 US Highway 86 in Eagle Rock, attempting to make a turn. Dylan E. Welker, 21, of Crane, was driving a Yamaha 450R four-wheeler westbound and struck the front of the Jeep.

Welker was thrown from the four-wheeler. He was pronounced deceased at the scene by deputy coroner Gary Swearingen at 3:40 p.m. Welker was taken to Fohn Funeral Home.

Merchant had no reported injuries at the time of the crash. He was tested for alcohol as required by State Law.

Merchant was wearing a seat belt at the time of the crash. Welker was not wearing any safety device.

The Jeep sustained moderate damage in the crash, and the Yamaha was totalled. Both were towed from the scene by Table Rock Auto, of Shell Knob.

This is Missouri State Highway Patrol Troop D’s 49th fatality for 2019. Welker’s next of kin were notified.

# Herrin Animal Hospital to celebrate AAHA Day

Herrin Animal Hospital will host an event on July 22 for snacks, drawings and giveaways to celebrate AAHA Accredited Hospital Day. Attendees are welcome to stop by the hospital at 93 Smithson Drive in Cassville with or without their pets.

Herrin Animal Hospital earned AAHA accreditation, which is awarded to veterinary hospitals practicing the highest level of veterinary excellence, after a rigorous review of the hospital’s practice protocols, medical equipment, facility and client service.

The mission of AAHA-Accredited Hospital Day is to highlight the exceptional care provided by AAHA-accredited practices. Unlike human hospitals, animal hospitals are not required to be accredited, a fact that is not common knowledge to many pet owners.

Only the top small animal hospitals in the United States and Canada have achieved accreditation by the Association.

Herrin Animal Hospital, located at 93 Smithson Drive in Cassville, can be reached at (417) 847-5888 and [www.cassvillevet.com](http://www.cassvillevet.com).

*The Cassville Community Foundation provides grants to a variety of local charities and projects through endowment funds.*
