

Kids’ Fishing Day nears, volunteers needed

Charlea Estes

As Roaring River State Park gears up for the fall Kids’ Fishing Day on August 20, hatchery manager Paul Spurgeon said they are still looking for volunteers to help run the event.

Spurgeon said they anticipate between 800 and 900 tags to be handed out at their annual fall event, and it takes around 75 volunteers to assist with the operations. That is on top of seven staff members from the hatchery as well as at least two or three additional people from other Missouri Conservation Department offices pitching in their efforts.

Spurgeon said it’s been a challenge in recent years to get volunteers for some of the more basic positions.

He said, “We need some people to just help run the BB gun target shoot, hand out tags and a couple of other classes. That is where I’m lacking.”

They usually aren’t short on volunteers to actually help kids fish the banks. According to Spurgeon, that is one of the more popular volunteer positions. He said, “Most of our volunteers come down to be with the kids out on the bank. We have quite a few of those, but we need more people for hands-on stuff under the tent.”

Kids’ Fishing Day will be held on Saturday, August 20, from 7 a.m. to 8 p.m. To volunteer to help with the event, contact the Roaring River Hatchery at (417) 847-2430.

Marionville driver seriously injured after hitting trees

Charlea Estes

A Marionville driver was seriously injured after running off the road on a Farm Road outside of Purdy. According to the Missouri State Highway Patrol crash report, Jason S. Wilson, 36, of Marionville, had to be transported for serious injuries.

On Monday, August 8, Wilson was driving a 2002 Mitsubishi Galant on Farm Road 1168 eight miles east of Purdy when he travelled off the left side of the road. The Galant then struck two trees before coming to rest. The crash happened around 11 a.m.

Wilson was seriously injured and was transported by ambulance to Cox South Hospital in Springfield. The Galant was totalled and was towed from the scene by Brice’s Towing of Cassville.

Wilson was wearing a seatbelt at the time of the crash.

Seligman PD to participate in Drive Sober campaign

Local police will be out in full force as part of the annual nationwide August/Labor Day Crackdown weekend “Drive Sober or Get Pulled Over” substance-impaired driving crackdown. The crackdown, which will include high-visibility enforcement throughout Seligman, will run from August 19 through September 7, 2016.

The effective nationwide substance-impaired driving crackdown will include high-visibility enforcement, high-profile events, and will be supported by national paid advertising, creating a comprehensive campaign to curb substance-impaired driving over the August/Labor Day weekend holiday.

Seligman Police Department said its officers will be aggressively looking for substance-impaired drivers during the crackdown and will arrest anyone caught driving impaired.

Although it is illegal in all 50 States, the District of Columbia and Puerto Rico to drive impaired (having a blood alcohol concentration of .08 or higher), far too many people across the nation get behind the wheel after consuming too much alcohol. The latest statistics from the National Highway Traffic Safety Administration underscore the serious nature of the nation’s continuing drunk driving epidemic.

“Every year, about one third of all motor vehicle traffic deaths involve one or more substance-impaired drivers or motorcycle operators,” said Chief Terry Burgess. “Preliminary data indicates in 2015, 196 people were killed and 663 seriously injured on Missouri’s roadways in crashes that involved at least one substance-impaired driver.” That works out to approximately one substance-impaired driver involved fatality every 1-3/4 days and one substance-impaired driving serious injury every ½ day.

Chief Burgess added the August/Labor Day Week-

City of Cassville improves parks for citizens

Julie Pruitt

The Cassville City Park is a busy, fun place, and the city has completed several projects to get the park and Aquatic Center geared up the many community events, including beginning the process to attaining an easement to make entry to the park easier.

The basketball and tennis courts have been resurfaced and there have been two pickleball courts were added. The pool has been repainted and the slide has new fiberglass at the Aquatic Center.

The City of Cassville wants to improve access to the city park by gaining an easement off Highway 248 between Jim Bryant Supplies and the park entrance. The road from Jim Bryant Supplies is very rough with potholes and broken asphalt, while the part of the road owned by the City is smooth and in good shape. The improvements to Highway 248 have also created more problems, too. The City wants to make the entire entrance road smooth and maintain it. Jim Bryant’s son has been approached with this idea, and he has agreed. Once the agreement has been finalized. the City Council will name the easement Jim Bryant Street or Road.

This past spring there were baseball and softball games for girls and boys ages 4 to 16, sand volleyball teams and, of course, the pool opened for the summer giving hours of entertainment. This fall, the community can look forward to soccer, flag football and Mighty Mites, which will be hosted by the YMCA with practice at the Aquatic Center. The YMCA is also hosting adult flag football and adult slo-pitch softball at the park. There is also an independent sand volleyball league that meets on Thursday nights. After Labor Day the Hmong host a huge festival with 500 plus people, many of them coming all the way from Minnesota. There will be a big tent, sports and lots of food.

The city park is, indeed, a busy place for many activities.

Crowder sets schedule for Adult Ed. classes

Adult Education and Literacy (AEL) Classes are set to begin in Cassville, Monett and Seligman. AEL classes include instruction for all or any of these areas: academic skills including math, language, social studies, science, and reading; high school equivalency prep; college placement prep; WorkKeys prep for the National Career Readiness Certificate (NCRC); ASVAB prep; college and career transitions.

The Missouri High School Equivalency (HSE) certificate is obtained after passing the HiSET test (formerly the G.E.D. test).

During orientation students need to take pretests in order to determine academic areas of strength and weakness and post-test after receiving instruction in order to determine the student's educational improvements. The pace of learning and length of attendance is dependent on each individual student. Instructors and staff counsel students and develop individualized learning plans. However, all students are required to attend a minimum of 40 seat hours and have a post-test before leaving.

Adult Education & Literacy instruction is designed to expand the educational opportunities for adults and to establish programs that will enable adults to acquire basic skills necessary to function in society and allow them to secure training that will enable them to become more employable, productive and responsible citizens as well as allowing them to continue their education to at least the level of completion of secondary school and transitioned to a job or college.

Crowder College AEL has added Brad Dorris as an AEL Transition Specialist to the program staff to individually

assist students on the step following high school equivalency. Whether it be college, job, or job training the student will have access to the support of the Transition Specialist during this period.

SOBER from FRONT

end holiday is particularly dangerous. During the August/Labor Day weekend holiday August 21 through September 7, 2015, five (5) people were killed and fifty three (53) seriously injured involving at least one substance-impaired driver.

“Research has shown that high-visibility enforcement like the ‘Drive Sober or Get Pulled Over’ campaign reduces substance-impaired driving fatalities by as much as 20 percent. By joining this nationwide effort, we will make Seligman’s roadways safer for everyone throughout the holiday,” said Chief Burgess.

“We want to remind everyone that getting behind the wheel impaired is a terrible idea. Unfortunately, not only does being under the influence impair your ability to operate a vehicle safely, it also impairs your judgment and good sense about whether you can, or should, drive. If you have any doubt

about your sobriety, do not get behind the wheel. If you do chose to drive impaired, you will be arrested. No warnings. No excuses,” Chief Burgess said.

Chief Burgess noted that being arrested for driving under the influence of any substance brings a wide range of negative consequences into one’s life. Substance-impaired drivers face jail time, loss of their driver licenses, and steep financial consequences such as higher insurance rates, attorney fees, court costs, lost time at work, and the potential loss of job. When family, friends and co-workers find out, violators also often face tremendous personal embarrassment.

“Driving while impaired is simply not worth the risk. So don’t take the chance. Remember, we will be out in force and we will be watching, so ‘Drive Sober or Get Pulled Over,” said Chief Burgess.

HELEN E. CHENOWETH

Helen E. Chenoweth, 100, of Cassville, passed away on Thursday, August 4, 2016, at Roaring River Health and Rehab in Cassville. Mrs. Chenoweth, daughter of David and Della (Custer) Keister, was born on June 4, 1916, in Montgomery County, Va. On December 31, 1963, she was united in marriage to James Carroll Chenoweth in Carroll County, Ark.; he preceded her in death on February 8, 1988. Mrs. Chenoweth enjoyed making jellies, jams and pickles and selling them at local farmers’ markets. She loved all animals, especially her dogs. Mrs. Chenoweth had been a member of the First Baptist Church in Cassville since 1958.

Survivors include two nieces, June (Dillon) Hollingsworth and her husband, Paul, and Gladys Vaughan and her husband, Ralph, all of Virginia; her niece in-law,

Linda Rice, of Vinton, Va.; and a special friend, Donna Hayes Mallams, of Cassville.

In addition to her parents and husband, she was preceded in death by her daughter, Linda Hurd; one grandson, Leslee Hurd; four sisters, Montana Rice, Mary Akers, Ora May Poff, and Hazel Vaughn; one brother; Sky Keister; and one nephew, Maynard Rice.

Graveside services were held at 11:00 a.m. on Tuesday, August 9, 2016, at Muncie Chapel in Wheaton, with Pastor Jason Mackey officiating. The family received friends from 9:00 a.m. to 10:30 a.m. on Tuesday, August 9, 2016, at the White Funeral Home and Crematory in Cassville.

Memorial contributions may be made to the Haven of the Ozarks and entrusted to the White Funeral Home and Crematory, P.O. Box 890, Cassville, MO 65625.

JEWELL “JUDY” VANZANDT

Jewell “Judy” VanZandt, 95, of Cassville, passed away Saturday, August 6, 2016, in Roaring River Health and Rehabilitation Center, Cassville. She was born August 25, 1920, in Greenland, Ark., the daughter of David Lee and

Banash, of Overland Park, Kan., Jennifer Leeper Sevart, of Kansas City, Ryan Leeper, of Kansas City, Brandon VanZandt, of Wichita, Kan., and Austin VanZandt, of Wichita, Kan.; and six great-grandchildren, Kyle, Katy, Andy and Alex Banash, Georgia and Estelle Leeper and Henry and Leon Sevart.

Judy grew up in Arkansas where she received her education and graduated from Business College in Fayetteville, Ark. She was a homemaker and a member of Cassville United Methodist Church.

Funeral services will be held at 2:00 p.m. Thursday, August 11, 2016, in Cassville United Methodist Church under direction of Fohn Funeral Home, Cassville. Reverend Dick Cathell, son-in-law, will conduct the services. Burial will be in Corinth Cemetery, Cassville.

Contributions may be made to Cassville Senior Center in memory of Judy.

Notice of Public Hearing

A hearing will be held at 6:30 P.M., August 11, 2016, at the Southwest R-V High School Library. At this time, citizens may be heard on the property tax rates proposed to be set by Southwest R-V, a school district located in Barry and McDonald counties. The tax rates are set to produce the revenues, which the budget for the fiscal year beginning July 1, 2016 shows to be required from the property tax. Each tax rate is determined by dividing the amount of revenue needed by the current assessed valuation. The result is multiplied by 100 so the tax rate will be expressed in cents per \$100 valuation.

Assessed Valuation (by categories)	Year 2015-2016	Year 2016-2017
Real Estate	\$26,873,004	\$27,005,956
Personal Property	\$9,144,354	\$9,817,693
Total	\$36,017,358	\$36,823,649

The following Tax rates are proposed:

Assessed Valuation: \$36,823,649

Fund	Amount of Property Tax Revenue Budgeted	Proposed Tax Rate Per \$100
Incidental	\$1,012,649	\$2.75
Teachers	\$0	\$0.00
Debt Service	\$313,001	\$0.85
Total	\$1,325,650	\$3.60

New Construction (Total)

\$214,974

New Revenue from New Construction and Improvements:

\$ 7,739

Percentage of total revenue from New Construction

MILL STREET CHURCH of CHRIST

Several years ago I had a dog named Herbie. He was a little dog with a big attitude. He weighed about 10-12 pounds but thought he weighed 150-200. He was out in the yard one day strutting around when a mother hen and her chicks came under the fence. “O Boy, someone to chase.” The hen thought differently. He barked, she ruffled her feathers, squawked and the chase was on. Herbie took off with the hen right behind him. I squatted down and said, “come here, Herbie”. He leaped into my arms at full speed and almost knocked me over. He got what he wanted; the hen gave up the chase and returned to her chicks, and Herbie was safe.

I was reminded of this story when I read Psalms 91:4, “He will cover you with His feathers, and under His wings you will find refuge;” (NIV).

If Satan has shaken our confidence and we are on the run; remember, Jesus Christ is our protector, if we will seek refuge under His wings. Psalms 91 goes onto talk of the certainty of God’s protection, verses 5-9.

The New Testament confirms Psalms 91 in 1st Corinthians 10:13 and James 4:7. How do we utilize God’s protection? Matthew 23:37. Know and apply God’s word in our lives. How did Jesus resist? “It is written.” The family at The Mill Street Church of Christ invites you to worship with us as we praise God for His guidance and protection

LEONARD CARL COONES

Leonard Carl Coones, 81, of Springfield, formerly of Cassville, passed away at Cox South Hospital in Springfield, with his wife and son by his side. Mr. Coones, son of Leonard and Louisa (Foster) Coones, was born on July 14, 1935, in Barry County. He was a 1953 Cassville High school graduate. On August 12, 1964, he was united in marriage to May Lynn Holloway in Las Vegas, Nevada. Carl and his family owned and operated the Wholesale Center in Aurora, as well as A&R Accounts and Reliable Tax Service. Mr. Coones was a member of the Pipe Fitters Local 33 Union in Kansas City. He was a member of the Charity Baptist Church in Springfield, where he enjoyed his duties as a deacon, trustee, treasurer, greeter and usher. Mr. Coones was a devoted Christian who loved reading his Bible daily.

Survivors include his loving wife of fifty-one years, May Lynn Coones, of Springfield; his son, Carl David Coones, of Springfield;

Chuck and Debbie Coones, of Victoria, Texas; one brother, Gene Coones, of Cassville; two sisters, Larene Carney, of Cassville, and Shirley Goin, of Warrensburg; his brother-in-law, Johnny Holloway, of Purdy; several nieces and nephews; and his five beloved pets, Freddie, Rudy, Napper, George, and Pretty Girl.

Mr. Coones was preceded in death by his parents.

Graveside services were held today, Wednesday, August 10, 2016, at 2:00 p.m., at the Log Cemetery in Butterfield, with Reverend Ken Gains and John Bilyeu officiating. The family received friends from 6:00 p.m. to 8:00 p.m. on Tuesday, August 9, 2016, at the White Funeral Home and Crematory in Cassville.

Memorial contributions may be made to the Charity Baptist Church and entrusted to the White Funeral Home and Crematory, P.O. Box 890, Cassville, MO 65625.

OBITUARIES

WILLA DEAN STRINGER

Willa Dean Stringer, 88, of Cassville, passed away Sunday, August 7, 2016, in her home.

She was born December 7, 1927, in Barry County, the daughter of Finis and Nadine (Wallen) Horner. On August 14, 1946, she was united in marriage to Bud Stringer, who preceded her in death on July 9, 1997. Also preceding her in death were her parents and one son, Stan Stringer.

Surviving are one daughter, Marilyn Beeson and her husband, Steve, of Columbia; five grandchildren, Kristi Bryant, of Cassville, Kandi Yockey, of Cassville, Simon Beeson, of Columbia, Jodie Coones, of Exeter, and Shawn Stringer, of Cassville; eight great-grandchildren, Kaylin Bryant, Makensie Farris, Cameron Koehler, Lexie Yockey, Stanton Stringer, Hailley Mathew, Cassidy Stringer and Rylee Stringer; and three great-great grandchildren.

Willa Dean grew up and received her education at Cassville, where she graduated from high school. For several years, she was employed at Fasco. She loved to be outdoors and enjoyed keeping her house clean and working in her yard. Her greatest joy was spending time with her grandkids. She was a member of First Baptist Church in Cassville.

Graveside services were held today, Wednesday, Au-

gust 10, 2016, at 10:30 a.m., in Horner Cemetery, Cassville under direction of Fohn Funeral Home, Cassville. Pastors Rick Cooper and Doyle Russell conducted the services.

The family received friends from 6:00 until 8:00 p.m. Tuesday in Fohn Funeral Home, Cassville.

Cassville FBLA members attend National conference

More than 9,380 of America's best and brightest high school students traveled to the Peach State to CON-NECT with top future business leaders and showcase their talents at the Future Business Leaders of America (FBLA) National Leadership Conference.

The conference was held June 29 through July 2 in Atlanta, GA. Participants from across the United States and abroad attended this exciting conference to enhance their business skills, expand their networks, and participate in more than 65 business and business-related competitive events. Six students from Cassville High School had the honor of representing our local FBLA chapter and competing in three events.

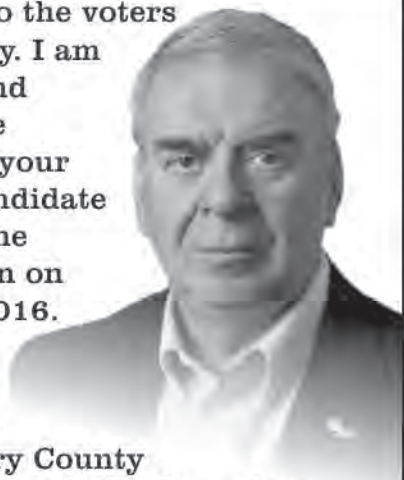

The following CHS students earned the privilege to compete at Nationals by going through several rigorous levels of district and state competition. Jessica Haney (12) and Shannon Haney (9) from Cassville competed in Public Service Announcement. The brother-sister team created a 30 second video of an original PSA, which they presented to the judges in a live presentation at competition. Kane Kellner (12) from Shell Knob, Jake Whitham (11) from Cassville, and River Phelps (11) from Shell Knob competed in Mobile Application Development. These three boys worked together to develop a mobile app (available on any smart phone) and gave a live presentation to the judges, explaining and modeling the app. Finally, Grant Davis (10) from Shell Knob competed in the testing event Introduction to Business Procedures.

In addition to competitions, students had the opportunity to participate in interactive workshops, visit an information-packed exhibit hall, and hear from motivational speakers on a broad range of business topics. The CHS students also made good use of their time in Atlanta by visiting iconic and educational landmarks such as the world-class Georgia Aquarium, and the World of Coca-Cola.

THANK YOU to the voters of Barry County. I am both humble and proud you have selected me as your Republican Candidate for Sheriff in the general election on November 8, 2016. I ask that all Republicans and concerned citizens of Barry County come together to win in November and begin on the road to create a Sheriff's Office staffed with well trained personnel and built on integrity, professionalism and a commitment to serving the citizens of Barry County. Thank you again and may God bless you, Barry County and the United States of America.

Let's Talk Furniture

With Michael Carman

Frequently Asked Questions (FAQ'S)

Q. I am watching my budget, but I want to buy a full living room suite. Should I buy inexpensive products, or buy a few quality pieces at a time?

A. You will be better off in the long-run if you buy one or two quality pieces at a time and here is why; high quality and moderately more expensive furniture is the "least expensive" over the long haul (much like owning a BMW vs. a Chevy, because it holds it's value over time). Financing is another great option for your budget. For example you should consider a popular plan in our store, which allows you to make equal monthly payments for 12, 18 or 24 months, often with little or no interest. The moral of this story is to buy quality substantial furnishings for yourself, you deserve it, and you will be happier in the long run.

Q. We know that quality bedding can be expensive, but we are simply furnishing some quest bedrooms and kid's rooms. Is it ok to purchase some more modestly priced mattress sets?

A. This is absolutely ok, but do not buy junk. For example we have some modest priced Serta, Campbell and Corsicana lines that start at only \$379 for a Queen-sized mattress and foundation. Some stores may try to sell you a set for less money, but don't do it. Our Gallery has a policy that states, do not put any mattress set on the floor, that we would not put in our own home. Come in and visit with us about your sleep needs. We even have memory and cooling gel scrunch pillows, which are specifically designed for side sleepers, back sleepers, tummy sleepers and so forth. Proper neck and spinal support are critical components to our health.

Regal announces quarterly retirees

Debbie Chappell celebrated her retirement from Regal on April 14, 2016. She had been with the company since 1999. She plans to spend time relaxing and getting caught up around home. She noted she looks forward to just doing what she wants to and not having to be any place at any particular time.

Rodney Hughes celebrated his retirement from Regal on May 18, 2016. He had been with the company since 1976. Rodney was looking for summer work back in 1976 and what a summer it has been. Rodney plans to enjoy time outdoors and of course will be attending Cardinals games every chance he gets.

Cassville grant applications Sept. 1

The Cassville Community Foundation is currently accepting grant applications for the 2016 granting cycle. Not-for-profit 501(c)-3 organizations that serve the Cassville area are encouraged to apply. The application deadline is September 1. Applications may be picked up and submitted to the Cassville Area Chamber of Commerce office, located at 504 Main Street, Cassville. Those that will receive grant funding will be contacted directly. If you would like an electronic application or have any questions, please do not hesitate to contact Brittany Farris at (417)847-2814 or via email at chamber@cassville.com.

Kornerstone 3rd Annual 5K Fundraiser

Registration is now open for Kornerstone’s third annual 5K to be held on September 17, 2016, to benefit our Teen Parent program. Registration cost is \$25 and includes a t-Shirt commemorating the event. Race will begin at 9 a.m. at the Cassville Aquatic Center and be timed by Ozark Racing Systems of Springfield. Both male and female overall winner will receive a trophy. Each age category will receive 1st, 2nd, and 3rd place medals for both male and female participants.

Register online at: www.runsignup.com/Race/MO/CASSVILLE/KORNERSTONEKARES-FORKIDSRUNWALK or at www.kornerstoneinc.org. Snow cones and face painting will be available. All proceeds will go to provide advocacy and doula services for pregnant teens living in Barry County. Kornerstone Teen Parent program has helped over 230 teens and their babies since 2006 with the goal of educating teens on a healthy

pregnancy and delivery of a full-term normal birth weight infant. Education with continued support is key in reducing the risk of child abuse and neglect in this high risk population. Registrations to participate in the race can also be picked up at: Cassville Chamber, Arvest Bank, Cassville YMCA, Monett YMCA, Shell Knob Chamber of Commerce and Fox Fitness in Shell Knob.

Southwest Trap Team Shoots at National Championship

The Southwest Trap Team traveled to Sparta, IL and the World Shooting Complex to compete in the AIM Grand American Championships July 30 through August 2. Although the team did not bring home any hardware from the tournament this year, there were several good individual scores put up in unusually wet conditions for this time of year. Leading the Sub-Jr. squad was in-coming freshman Leland Colf with a 200 target score of 188. “Leland was very consistent for us all season. Any-

time you can average in the mid to upper 90’s you’ve put in a good days work.” Other Sub-Jr team members shooting were Heather Windes, Ty Howard, Samuel Jennings, Hunter Stanley, and Garrett Stanley. “I know some of the shooters didn’t perform as well as they would have liked, but I was pleased with their performances. There are things I look at besides the final outcome of big shoots like this and I saw some very encouraging things. One that really stood out to me as a coach was their attitudes and resil-

ience for overcoming one or two subpar rounds. In the not so distant past, we would have threw in the towel after a bad round and called it a day. I was extremely proud of how much these kids have grown as shooters in the past couple of months. They did a really good job of putting a bad round behind them and came back with some really good rounds. Seeing them grow like that really means a lot to a coach,” said Coach Mike Vining. In the Jr. Division, it was much the same story. We had some good scores, but just couldn’t get them all on the same days. On the 1st day of competition, Levi Moore, Elizabeth Wolfe, and Charlie Henderson posted a 97, 96 and 95 out of 100 targets to lead the way. On day 2, Hayden Fox shot a 98 paired with Levi’s 96 to lead the squad. Emily Snyder and River Fields rounded out a well balance team. “This was Hayden and River’s last shoot as members of the Southwest Team as they graduated back in May. As with all of our seniors we’ve lost to graduation, it’s always hard to say goodbye, but I know they have great things ahead of them and wish them nothing short of the best as they start a new chapter in their lives,” said Vining. “As a whole, we didn’t necessarily lay an egg at nationals, but when you reach the level of completion that is seen at the National level, one little hic-up is all it takes to fall down in the standings.” “Again, I was very pleased with the grit and never give in attitude these kids showed on both days. It was really refreshing to see them giving each other knuckle bumps after completing a station and picking each other up. I wouldn’t trade these kids in for a boat load of trophies. They’re so fun to be around, one can’t help but just love these kids’ attitudes and personalities.” The complete results of the competition were still unavailable at the time of this story, and with the insane number of shooters competing, I do not know yet where we ended up in the final standings. Surrounding businesses and the Trap Booster Club helped make these kids’ season a success. “We couldn’t do the things we do without their help. They are sincerely appreciated,” said Vining.

Wildcats and fans ready for some football

Wildcat football head coach Lance Parnell is pictured above as he directs his players during an early morning practice.

Lee Stubblefield

Football season is finally here. Lance Parnell's Wildcats hit the road, both literally and figuratively when Cassville opens the regular season on Friday, August 19, at Class 2 juggernaut Lamar. Week 2 brings a rematch of the playoff game that ended Cassville's season last October. On Alumni Night, the Wildcats host Reeds Spring on August 26, hoping to avenge that 20-13 loss. Weeks 3 and 4 are argu-

Wildcat football to recognize alumni from '70-'74 seasons

Cassville High School head football coach Lance Parnell is still accepting registration for this year's alumni recognition night. This year, the football team will be recognizing players from 1970 through 1974 football seasons.

Alumni night will be held on Friday, August 26 when the Wildcats host Reeds Spring.

"The community of Cassville has embraced football and Wildcat Nation has become an amazing 12th man for us over the years. That support stems from the great alumni we have here in Cassville. Alumni night is just a small way for us to show how much we appreciate the tradition that has come before us," said Coach Parnell.

Alumni festivities will begin with check-in at the north end zone between 5:45 p.m. and 6:15 p.m. The alumni will be able to watch the game and relive their glory days from the north end zone.

During the team's pre-game warm-up, members of the 1970 through 1974 football seasons are welcome to watch from the sideline. At approximately 6:35 p.m., the alumni will be recognized in front of the crowd.

Please RSVP to cassvillewildcats@gmail.com with the year graduated, positions played and jersey number as soon as possible.

ably the softest part of the schedule. Cassville hosts East Newton and then travels to McDonald County. East Newton will need more than the 1961 Boston Patriots logo on their helmets to upset the Wildcats. Tom Brady will not play.

Ditto for McDonald County.

St. James makes the 180 mile trip to Cassville in week 5. The Tigers only won two games last season, and recorded three victories each in 2014 and 2015. Cassville and St. James have no standing common opponents for comparison, so no one is taking the new addition to the schedule for granted.

Weeks 6 through 9 pose the heart of the Big 8 schedule for the Wildcats. At Monett. Seneca at home. At Aurora. Then Cassville finishes at home with a Senior Night game against Mt. Vernon on October 14.

After finishing with a 5-6 season in 2015, the Wildcats are ready to climb back up in both the win column and the conference standings. With Carl Junction gone, Lamar and Monett seem to be consensus picks for the top two spots. The Wildcats, with a year of experience for their talented but young roster, could move into that third spot or even higher.

32nd annual Hillbilly Industrial Golf Tournament held

The 32nd Annual Hillbilly Industrial Golf Tournament was held August 4 and 5 at the Cassville Golf Club.

First place: Matt McCullah, Ed Hankel, Jerry Hayden and Jamie Morgan (top right).

Second place: Mike Riehn, Angie Edie, Mark Shumaker and Jeromy Williams (middle right).

Third place: Bob Allen, Ryan Stockton, Billy Tapp, Butch VonDrehle (bottom right.)

Tournament sponsors were: Able 2, Arning Companies, Inc., ARVEST Bank, Commerce Bank, Dry Gulch Manufacturing, Fastrup, First State Bank, goBEC, Hutchens Construction, Justin Brands, Les Jacob Ford, MariCorp, Regal, Security Bank and Sonic.

Purdy Schools welcomes new teachers for 2016-17 year

The Purdy R-2 School District welcomes eight new staff members as they begin the 2016-2017 school year. New staff members are pictured from left to right. Front row: Deborah Lay, foreign languages; Melissa Horn, fourth grade; Lacey Nelson, secondary mathematics; Heather Bishop, special education. Back row: Freda Wolf, K-6 art; Chelsea Crites, secondary science; Christina Harmon, K-6 vocal music; and Elizabeth Becker, special education.

The district is also welcoming back agriculture education instructor and FFA adviser Jordan Ellis, who is not pictured.

Missouri to start solar roadway pilot project

Visitors to the Historic Route 66 Welcome Center at Conway will see the installation of solar panels in late September. The Missouri Department of Transportation has partnered with Solar Roadways of Sandpoint, Idaho, to install and help test the company’s solar panels on a 12-foot-by-20-foot area of the main sidewalk at the west-bound Welcome Center.

The pilot project will allow MoDOT to test how the hexagon-shaped panels fare in Missouri’s weather, and are particularly interested to see how effective the panels will be at melting snow and ice during the winter months. The pilot project will test the LED lights in the panels, to see if there is potential for them to take the place of traditional pavement stripes. Officials will also be monitoring the amount of energy produced, and looking at how that can be used to help power the Welcome Center and offset running costs.

The project is part of MoDOT’s Road to Tomorrow Initiative, which aims to develop public-private partnerships to look a new and innovative ways to fund Missouri’s transportation infrastructure. The sidewalk project with Solar Roadways will cost \$102,000, which comes from federal funds earmarked for such research. If the pilot project is successful, MoDOT will consider the potential of crowdfunding to expand the project into the parking lot, or onto the entrance ramps to the interstate, to test how the panels hold up under traffic.

Laurel McKean, MoDOT Assistant District Engineer, says, “This is a really exciting project to be able to take the spirit of Route 66 combined with innovations in transportation to carry that spirit into the future.”

You can follow the pilot project on Facebook at www.facebook.com/Route66Solar or on Twitter @SolarRoute66 or on the MoDOT website at www.modot.org/road2tomorrow.

Barry County Health Department July Food Service Report

The Barry County Health Department divides food service code violations into two categories: Priority and Core items.

Priority items are more likely than other violations to contribute to food contamination or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or injury.

A report for each establishment that is inspected shows the number of priority items, along with a short statement as to the nature of the violations. The report also shows the number of core items but doesn't list the nature of those violations.

*Corrected on spot

REAL ESTATE: Old 2 story home built in 1880. 3 bedroom 1 ½ bath and could be more bedrooms if needed. Front entry step into the foyer then on into the main living room w/fireplace, ceiling fan and a wood beam ceiling, formal living room w/ceiling fan & windows, kitchen/dining combo. Kitchen features double SS sink, elect range, built in oven & dishwasher, connected by a old back porch that leads to a separate outside canning kitchen w/sink and stove, nice size pantry, nice size utility room, master bedroom, 1 full bath, 1 car attached garage then into a side office area, sewing room etc w/side entry into the home. This would be great for a business office, etc. All on the main level.

UPSTAIRS: leading upstairs old stairwell w/old banister railing, leads to (2) bedrooms and ½ bath and large room over the front porch w/vaulted ceiling. Could be more bedrooms, setting area, game room etc. Also a lg storage room.

OUTSIDE FEATURES: Covered front porch, detached shop, plus more storage, lot of trees, on 1 ac m/l. This home also has central heat and air.

NOTE: This was the Estate of Clara Matson. Mrs. Matson lived here for many years. It will be like a treasure hunt as we get ready for the auction. Many rooms stacked full of boxes. I'm sure there will be many surprises as we unpack and could be lots more collectibles. The home needs some TLC, however if your looking for a lake getaway, rental property, starter home, etc, only 8/10 mile to the lake and 1 2/10 mile to the boat launch at Shell Knob bridge. We must settle the Estate so come prepared to buy. Someone will get a deal!! Cox to host health and safety fair Aug. 20 in Monett

Cox Monett Hospital will host its fourth annual Live Well Health and Safety Fair from 7 a.m. to 1 p.m. on Saturday, August 20, at the Monett Area YMCA.

The fair will provide information about healthy living and discounted blood tests for participants. "This is a fun-filled day for the entire family and we've got something for everyone," said Shannon Hobson, RN and event coordinator. "From free bike helmets to learning how to stay healthy and active, we've got you covered. "The event will feature many safety attractions and displays, but we're most excited about offering reduced-cost lab screenings and free health screenings to our community."

Reduced-cost lab screenings include:

- Comprehensive metabolic panel, complete blood count, full lipid profile (cholesterol, LDL, HDL, triglycerides), Hemoglobin A1C (blood glucose) and TSH (thyroid) for \$30
 - PSA test for men only (prostate cancer) for \$15
- Those taking part in the blood screenings are asked to fast for 10-12 hours prior to the blood draw. Payment by cash or check only is requested. No appointments are necessary. Free health screenings include height, weight, body mass index, blood pressure, bone density,

pulse oximetry, blood sugar and EKG.

Additional education and safety checks include:

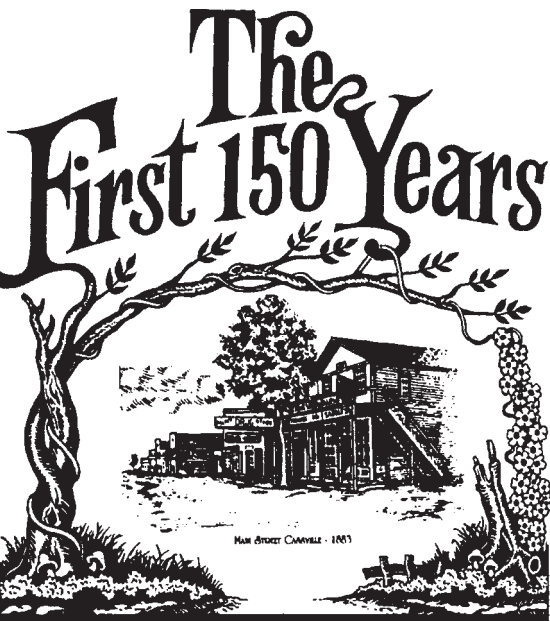

- Missouri Child Identification Program (MOCHIP) providing digital fingerprints and photographs, child information and emergency contact information, and dental bites free of charge from 10 a.m. – 1 p.m.
- Princesses and superheroes to greet children
- Car seat safety checks
- Free bike helmets for kids (after trauma education and while supplies last)
- Stroke, heart disease and trauma prevention
- Weight management
- Maternal-child and newborn education
- Prescription drug take back station

Many health-related agencies and businesses will be on hand to educate the community about local resources available and provide health and safety information. The event is free and open to the public.

The Live Well Health and Safety Fair helps healthcare professionals fulfill requirements for Level IV Time Critical Diagnosis accreditation in stroke, trauma and heart attack.

For additional information, people may call 417-354-1448 or visit www.cox-health.com.
