Wildcats dominate Aurora in season opener

Lee Stubblefield

The Cassville Wildcats made a strong statement with their 36-12 destruction of Aurora on Friday, August 22. Opening the 2014 season on the road, Lance Parnell's troops won the battle with a dominant defensive effort and a punishing, clock-devouring running game.

The Wildcats strangled Aurora's offense in the first half. The Houns reached their own 38-yard line twice, but never crossed their own 40, much less the midfield stripe. The second half was no kinder to the Aurora offense, but the home team did mount a drive against Cassville's depth-chart reserves on its final possession of the game. The 70-yard drive ended with a three-yard Tanner Schnelle touchdown run - Aurora's only offensive score of the night.

The hype leading up to the game concentrated on

Aurora's big line and the expected aerial arsenal from quarterback Payton Evans, a sophomore with a big-time arm. But Evans, who endured three sacks and a lot of hits, spent much of the night running from the Cassville front seven. His stat line showed four completions in fourteen attempts, for a net of only 12 yards, and two interceptions.

The Wildcats punished the Aurora defense with a classic power running game. Senior tailback Chase Jackson led the charge, scoring two touchdowns while gaining 115 yards on 25 carries. Gabe Kirk, the senior signal-caller, added a score while posting 91 yards on 15 carries. Sophomore Tyler Arndt also scored on the ground for the 'Cats.

Cassville rolled up 270 yards of total offense on the night, leading to a lopsided

Wildcat senior wide-receiver Cade Pendergraft is pictured above as he breaks away from his defender during Friday night's game against Aurora.

31:11 to 16:49 advantage in time of possession.

On a night when many games pushed their kickoffs to a later time to avoid the

miserable and dangerous heat conditions, Cassville and Aurora teed it up at 7 p.m. as usual. The officials did stop play regularly for needed water breaks, but

that was the only concession to the weather.

Superhero theme announced for Chamber's Chili Cook Off

Charlea Mills

The Cassville Area Chamber of Commerce announced the theme of this year's Chili and Salsa Cook Off to be superheroes last week. The Chili Cook-Off is slated for Saturday, October 25, in conjunction with the annual Fall Show.

Mindi Artherton, Chamber Director, stated, "Everywhere you look you see superheroes: in the movies, on tv, clothing items and much more. We thought it would be something fun our cooks could get behind and be creative. I think the kids will also think our theme is very fun." The theme is decided on each year by a planning committee comprised on Chamber of Commerce members. Last year's theme was hillbillies.

Booths at the event each year decorate for the year's theme to add to the festive spirit, but also hoping to vie for the community selection of most spirited booth and best decorate booth, each nets \$50 cash for the winner. Other community-chosen awards will be People's Choice Chili - \$50 and People's Choice Salsa - \$50. Judges will determine the top three salsa and chili cooks with cash prizes being \$150 for first, \$100 for second and \$75 for third.

The event schedule this year has some old favorites, but also a new feature or two

to keep attendees on their toes. The Fall Show returns this year on Oct. 23, 25 and 26. The Show once again features HomeTown Sound and the RedHots. Thursday and Saturday night shows are at 7:30 p.m. with the Sunday Show at 2 p.m.

The Cassville Fire Protection District pancake breakfast will be served from 6:30 a.m. until 10 a.m. at the First Baptist Fellowships Hall. Pancakes are all you can eat for a donation.

The Cassville YMCA will also host the Chili Runs 5K and one-mile fun run beginning at 8 a.m. from the Family Life Center parking lot. For more information on the run, call Dove at (417) 846-1535.

Throughout the day there will be live music and entertainment, a pet parade, food and craft vendors and more with the booths opening at 8 a.m. and chili judging beginning at noon. Awards will be presented around 2 p.m.

New to the cook-off this year will be a pumpkin decorating and painting contest. Artherton said, "We will open the contest to 12 individuals, six will paint and six will carve. Contestants will have one hour to complete their pumpkin." The winner will receive \$50 in Cassville cash and tickets to The Show. The event emcee, Lane Truman, will auction the pumpkins off with

the proceeds going to benefit the Christmas lighting project.

Events like the Chili Cook-Off are a great way to support the community and the local Chamber. Kelly Mills, Chamber President,

stated, "We feel that periodic Chamber events, such as the Chili Cook-Off, are important to the community because it promotes togetherness and fellowship within the community. These events are also important because

they offer local businesses and potential customers the chance to interact. The Chili Cook-Off is an icon of traditional Americana, and it definitely exhibits the local

Ice bucket challenge heats up in Cassville

The viral sensation ice bucket challenge was accepted by staff and residents of Red Rose Health and Rehab when a big group had ice water poured on their heads in the name of raising funds for ALS (also known as Lou Gehrig's Disease). The group raised \$70 so far to donate for ALS research and will continue to get funds until Friday. After the challenge, Melissa Inman, nutrition director, stated, "Now we challenge the other nursing home." She called Cassville Healthcare and Rehab to let them know.

In the front row, left to right: Ashley Jackson; Bridget Donovan; Russ Newby, administrator; Melissa Inman, nutrition director; Shana Daniels; Ashley Henderson; and Janine Donnell. Dumping buckets in the back row: Cheryl Jepsen, Dwane Chasteen, Michael Perkins, director of nursing; Carl Eschbach; and Tracie Lakey.

American Legion Post 118 to expand local vet services

Pictured above are the DAV van drivers, from left to right: Brian Gipson, Darrell Hovland, Pete Landstad, Bob Callahan, Dustin Gregory and Ron Watson.

Disabled veterans and other veterans needing a ride to their VA Hospital now have a free means of making their appointments thanks to the American Legion Post 118 in Cassville. The Post has teamed up with Disabled American Veterans Chapter 68 in Branson and, starting on Oct. 1, veterans in the Cassville and Monett area will be able to sched-

ule a ride through the DAV Branson Transportation Office and depart from and return to the Cassville area.

All veterans need to do to schedule their rides through the Branson office is calling (417) 243-2326. Please schedule your VA appointments to start between 90 a.m. and 12 p.m. for the VA Clinics in Branson and Mt. Vernon, in Missouri, or the

VA Clinic in Jay, Okla. The same hours apply to the Fayetteville VA Hospital. Little Rock VA Hospital runs require appointments to be scheduled between 10 a.m. and 12 p.m. The van is available Monday through Thursday, but please schedule at least 72 hours in advance to allow us to get a volunteer driver on board.

American Legion Post

118 already has five volunteer drivers approved by the VA. If you would like to volunteer to drive, please call the number listed above. Volunteers do not need to be veterans. This new service by American Legion Post 118 for our local veterans is a much-needed service to those who gave so much to our country.

County Land Tax Sale revenue up by \$91K

At Barry County's annual Land Tax Sale held on Monday, August 25, property sales were up significantly over last year, according to County Collector Janice Varner.

This year's sale had 50 bidders with the sale lasting a little over an hour. This year, 66 properties sold for \$150,441.38, up by \$91,015.92 over the total sold in 2013. The County offered 173 properties, of those, 41 were being listed for their third and final time, Varner said.

According to State Statute 140.250, whenever any lands have been offered for sale for delinquent taxes, interest, penalty and costs by the collector of the county for any two successive years and no person has bid

on them the county collector shall, at the next regular tax sale of lands, sell the same to the highest bidder, and there shall be a 90-day period of redemption from such sales as specified by law. If the land is still not sold, the county collector does not need to sale or advertise that property again more often than every five years after the third offering.

Land Tax Sales are held the fourth Monday of every August for any property that has delinquent fees against it.

Of the 41 properties that didn't sell, Varner said virtually all of them are lots located in the dozens of subdivisions surrounding Table Rock Lake.

Three injured in area wrecks

Charlea Mills

Three people were injured last week in area wrecks, including one where the car caught fire, according to the Missouri State Highway Patrol Crash Reports.

On Wednesday, Aug. 20, after three cars collided when one car was rear-ended when stopped to make a left-hand turn on Missouri 37 in Purdy. A 1996 Honda Accord, driven by Mynor E. Lopez, 30, of Purdy, was stopped to turn left when a 2010 Kia Sportage, driven by Michelle N. Schrivner, 21, of Mt. Vernon, rear ended her. The collision then pushed the Ac-

cord into the path of a 2010 Chevrolet Equinox driven by Allison M. Johnson, 24, of Cassville.

Schrivner and Johnson were each transported by ambulance to Cox Hospital in Monett with moderate injuries. All drivers were wearing seatbelts at the time of the crash.

On Saturday, Aug. 23, a single car accident resulted

in a fire that totalled the SUV. Allison D. Stuart, 31, of Springfield, was driving eastbound on Highway 248 east of Cassville when she ran off the roadway in her 2003 Ford Explorer. Stuart struck a

culvert and overturned. The vehicle burned. Stuart was transported to Ozark Community Hospital in Springfield. She was wearing a seatbelt at the time of the crash.

BUFORD DENCIL BALL

Buford Dencil Ball, 91, of Eagle Rock, Missouri, passed away Thursday, August 21, 2014, at the home of his son, Gary Ball, in Exeter, Missouri.

He was born November 13, 1922, at home in Eagle Rock, Missouri, the son of Eldon and Eva (Prier) Ball. On June 12, 1944, in Berryville, Arkansas, he was united in marriage to Marzelle Jackson, who preceded him in death on May 15, 2000. Also preceding him in death were his parents and two sisters, Novetta and Ruby.

Surviving are three sons, Dencil "Denny" Ball and his wife, Linda, of Eagle Rock, Missouri, Larry Ball of Purdy, Missouri, and Gary Ball and his wife, Rose, of Exeter, Missouri; two daughters, Winona Ball, of Cassville, Missouri, and Lavon Essary,

and her husband, Dwayne, of Marionville, Missouri; one sister, Wilma Swanson, of Republic, Missouri; eleven grandchildren; twelve great grandchildren and two great-great grandchildren.

Buford was a life-long resident of Eagle Rock. He attended school at Munsey and graduated from Cassville High School. During World War II, Buford joined the United States Navy, serving from September 4, 1944, until April 2, 1946. He was a farmer his entire life and was a self-employed carpenter. He was a member of Roaring River Baptist Church and was saved at Mano.

Funeral services were held Monday, August 25, 2014, in Fohn Funeral Home, Cassville. Pastor Tony Ball and Pastor Richard Jones conducted the services. Burial with military honors were in Munsey Cemetery at Eagle Rock.

MARY J. KRALLMAN

Mary J. Krallman, 70, of Cassville, Missouri, passed away Saturday, August 23, 2014, at Lacoba Nursing Home in Monett, Missouri.

She was born May 29, 1944, in Elkland, Missouri, the daughter of Gordon E. and Dorothy (Phillips) Pinkley. On December 3, 1965, in Aurora, Missouri, she was united in marriage to Martin Eugene "Buck" Krallman, who preceded her in death on September 13, 2000. Also preceding her in death were her parents.

Surviving are two sons, Martin Krallman, II and his wife, Aundrea, of Cassville, Missouri and Michael Krallman and his wife, Janice, of McKinnie, Texas; one brother, Jerry Pinkley, and his wife, Ruth, of Verona, Missouri; one sister, Doris Rodgers, of St. Louis, Missouri and three grandchildren, Chelsea, Ashley and Brooklyn.

Mary was a graduate of Verona High School and attended a year of college in Springfield. For several years, she was the owner and

operator of a motel in Cassville called Oakhill Court. She was a member of Cassville First Baptist Church. Some of her favorite pastimes were gardening, raising flowers, quilting and crafts, and she was known to be a hard worker.

Funeral services were held today (Wednesday) at 2:00 p.m., in Fohn Funeral Home, Cassville. Pastor Doyle Russell conducted the services. Burial will be in Oak Hill Cemetery, Cassville.

**BRANDY LEE
DAVIS/SCATES**

Brandy Lee Davis/Scates was born on October 13, 1975, in Shawnee, Oklahoma to Kelly Gene Davis and Alice Gail Davis. She passed from this life on Wednesday August 13, 2014, in Cassville, Missouri, after fighting a courageous Battle For Life with a heartless foe. She was a young, 38 years old.

Brandy was born a beautiful, vibrant baby, and the American Indian blood that coursed through her body accentuated that natural beauty. She was a natural athlete and therefore a stand-out soft ball player as a young girl.

Brandy was an exceptionally compassionate and giving woman. She loved to cook and excelled at it. She turned no one aside and no one left her home hungry if she had food to give. She loved her family and friends, but most importantly, her children. She loved camping on the river with her friends and family and her infectious laugh rang through the trees. She will be greatly missed by all.

Brandy is survived by her husband, Josh Scates, of Nixa, Missouri; and her children, Jonathan Miller, of Cassville, Alexis Scates, of Nixa, Missouri, and Devon Scates, of Nixa, Missouri. Also surviving are her mother, Alice Gail Russell, and husband, Jim, of Golden, Missouri; her brother, Rick Davis, and his wife, Elizabeth, of Fayetteville, North Carolina; her

sister, Tara Davis, of Springfield, Missouri; maternal grandmother, Marge Stidham, of Berryville, Arkansas; and countless aunts, uncles, nieces, nephews and friends.

Brandy was preceded in death by her maternal grandfather, Jack Roop, a cowboy of the highest order; and her paternal grandfather, Charles Davis, and extremely dignified and respected full blood American Indian.

She was the integration of the best of two separate cultures. She saw no race, no age and no gender as inferior. She saw only human beings. God Rest Her Soul.

Memorial Services were officiated by Acra Turner, at Rock Springs Baptist Church, Berryville, Arkansas, Saturday, August 16. Cremation arrangements were under direction of Fohn Funeral Home, Cassville.

DAISY JEAN HAYES

Daisy Jean Hayes Whisenant, 76, of Huntsville, Arkansas, passed away on Monday, August 18, 2014.

Cremation arrangements are under the direction of the White Funeral Home and Crematory, Cassville, Missouri.

DORENE GLADYS YEDINAK

Dorene Gladys Yedinak, 93, of Exeter, Missouri, passed away Sunday, August 24, 2014, in her home.

She was born on May 13, 1921, at Mound City, Missouri, to William Simpson and Helen Josephine (Medearis) White. On May 21, 1941, at Maryville, Missouri, she married Bill Lynch and to this union seven children were born. On October 28, 1967, in Clear Creek County, Colorado, she was united in marriage to John Yedinak, who passed away September 4, 2004. Also preceding her in death were her parents; two sons, Bill and Bob, and four brothers, Granville, John, Bill and Wayne.

Surviving are four children, Roger Lynch and his wife, Judy, of Arvada, Colorado, Ron Lynch and his wife, Linda, of Idaho Springs, Colorado, Linda Weaver and her husband, Dale, of Arvada, Colorado, and Dennis Lynch of Exeter, Missouri; ten grandchildren, Laura, Kelly, Lisa, Chris, Bill, Troy, Ryan, Windy, John, and Jason; sixteen great-grandchildren and twelve great-great grandchildren.

Dori graduated from Pickering High School in 1939, and then went to Barnes Sec-

retarial School in Kansas City, where she graduated in 1940. She was a fabulous cook and took good care of her children. She lived in Golden and Paonia, Colorado, before moving to southwest Missouri, where she eventually settled in Exeter. Dori enjoyed watching the colorful birds outside her home. She also cherished her beautiful doll collection. Dori was a vibrant person and enjoyed cheering on NasCar and Big Time Wraslin'.

Dori was a member of the Methodist Church, but the last years of her life she loved to worship at Mission Baptist Church in Washburn, Missouri.

Graveside services were held today (Wednesday) at 10:00 a.m. in Maplewood Cemetery, Exeter, under direction of Fohn Funeral Home, Cassville. Pastor Dayton Brattin conducted the services.

Health care policy continues to be at the forefront of American politics and for all the wrong reasons. We all know Obamacare passed Congress in 2010 without one Republican vote. We all know about the botched rollout of its website, repeated changes to the law without congressional approval, and the 2013 Lie of the Year, “If you like your health care plan, you can keep it” by the president. All of this adds up to a failure of leadership and a flawed approach to tackling an important problem of public policy.

This flawed approach is characterized by an overreaching federal government that thinks it can force people into one-size-fits-all health care plans and that government makes better health care decisions than the people actually paying for it. Most Americans are not interested in a government big enough or powerful enough to force you to buy health insurance or one that tramples all over our religious freedoms by forcing employers to pay for health care procedures or services that violate their religious beliefs. This approach to governing is utterly un-American and has resulted in more federal government control, less personal free-

dom and immoral, runaway deficit spending that our children and grandchildren will be stuck paying for.

Solving the problems of our health care system does not require a large government bureaucracy or talking heads in Washington, D.C., making decisions for Missouri. Most of the decisions of government should be made closest to those affected by them, where the voters can keep an eye on their government. We can make those decisions here, the Missouri way. In the recent legislative session, lawmakers came together to craft a health care bill that remains true to our principles of limited government and personal responsibility while offering solutions to some of the problems that exist in our health care system.

The Missouri way came by way of a bill I sponsored, Senate Bill 754. This bill started out as a very simple extension of Missouri Rx, a prescription assistance program for low-income seniors that was set to expire in August this year. Missouri Rx helps elderly Missourians that fall into the Medicare Part D donut hole with out-of-pocket prescription costs. This is a completely voluntary program with income limits and set at a reasonable cost to taxpayers. I included a sunset provision in the bill so the Legislature will have to reexamine the program in three years to ensure it is working as intended and not costing us more than it should. I wonder if ObamaCare would still be around if it had to be reauthorized by Congress every few years.

As SB 754 picked up steam, other legislators amended their health care bills to it. These included the “Show-Me Extension for Community Health Care Outcomes Program,” which is a partnership between the Department of Health & Senior Services and the University of Missouri to

deliver health care to underserved areas around the state. Also added was the Show-Me Healthy Babies Program which allows Missouri to cover unborn children in the state’s Children’s Health Insurance Program (CHIP). This will help women in Missouri have safe pregnancies and healthy babies at very little cost to Missouri taxpayers. Another provision allows medical school graduates to obtain a temporary assistant physician license and practice in underserved areas while being supervised by a physician. By the last week of session, SB 754 was a priority bill and passed with strong bipartisan support in both the Senate and the House. The governor signed the bill a few weeks ago and it will go into effect at the end of this month.

The debate over health care centers on two very different approaches. There are those who believe we should give more power to the federal government to administer health care and force health care decisions on us. The other approach is to empower individuals and families in their health care decisions and provide incentives for innovation and experimentation to expand coverage and deliver quality care. This is the Missouri way, and is consistent with what we accomplished with SB 754.

As always, I welcome your ideas, questions and concerns about Missouri government. You may contact me at the State Capitol as follows: (573) 751-1480, david.sater@senate.mo.gov or by writing to Sen. David Sater, Missouri State Capitol, Room 433, Jefferson City, MO 65101.

It has certainly seemed like a long month thus far. In the midst of the primary election, in which the voters made some very important decisions regarding the future of our state, Missouri has been at the center of national attention with the events occurring in Ferguson, and our country is on the brink of becoming more heavily involved with the crisis in Iraq following the beheading of an American Journalist by the despicable terrorist organization, ISIS.

I first want to thank everyone who supported me in the primary election, despite the lack of opposition. I wish the voter turnout would have been higher given the importance of some of the other decisions that were made in the voting booth. The voters that did get out and vote made a few things very clear:

1. Missourians support further protections to the rights that have been guaranteed by the 2nd amendment.

2. Missourians expect the protections provided by the 4th amendment to the US Constitution to extend to their right to privacy and security in their electronic data and communications.

3. Missourians do not support raising the sales tax to pay for transportation infrastructure.

4. Missourians, particularly the citizens of Barry County, do not want governmental agencies to regulate them out of the farming business.

It is now time for the legis-

lature to move on, with these questions now decided, and go to work for you in the veto session on September 10th. The governor has vetoed 34 bills this year, and has vetoed or restricted 116 line items in the state budget. Veto session promises to be interesting this year, as we consider the governors objections to these bills. One bill I am adamantly determined to override is the bill sponsored by Senator Sater that would extend the waiting period prior to receiving an abortion from 24 hours to 72 hours. Senator Sater worked very hard to get this through the Senate prior to the governor deciding to veto it, and I do not want that work to go to waste. This is the most important piece of life-saving legislation to be passed in Missouri since I was elected to the General Assembly and likely much longer than that. There are other bills that we will consider of varying impact, but none in my opinion, are as important as that one.

The shooting of Michael Brown in Ferguson by a police officer is a horrible situation. As you well know, It has resulted in riots, looting, other deaths, and a media circus unlike anything I can recall in our state during my lifetime. I am disappointed in the national media for fueling the fire of racial tension, and finger pointing by pub-

lic officials. I sincerely believe that had certain outlets not camped out and begun hosting their nationally televised nighttime shows from the streets of Ferguson, that tons of instances of property damage, economic loss from businesses closing, and growing hatred between citizens would have been avoided.

I am absolutely sickened by certain outlets hosting guests who blame the shooting of Michael Brown on the fact that the officer was white and that he doesn't care about black lives and I am angered by elected officials demanding that the officer be prosecuted before any facts have been released. What has occurred is that there are certain groups of people who WANT the officer to have done the WRONG thing, so it will vindicate their argument that the shooting was race based, and if the grand jury chooses not to indict the officer based on the facts, then these groups will blame the lack of charges on the prosecutor and the grand jury as being racist. We absolutely have to overcome this kind of dialogue.

I want to make a couple of points. First, the increase in incidences of excessive use of force by police, and the over militarization of police has become alarming over the years. There have been many examples of excessive

use of force in the electronic age where many things are caught on video. That being said, the US Constitution guarantees every citizen the right to a trial by a jury of one's peers, and that they are innocent until proven guilty beyond any reasonable doubt. To try to impact the fate of a man's life and have him prosecuted for murder before any details are available surrounding the incident in which he is involved is not American, and public officials like Congressman Lacy Clay who have demanded that this be prosecuted as a civil rights violation before any information, such as the fact that the officer suffered an orbital blowout fracture as a result of the confrontation with Michael Brown, has been released, is wrong.

I hope that you will join me in praying for the citizens of Ferguson, the members of the law enforcement community who have put their lives on the line every night, and the business owners and employees who have lost income and wages due to the riots and protests that have occurred over the last couple of weeks. I also hope you will join me in praying for comfort, forgiveness, and understanding for the family of Michael Brown.

Thank you for the opportunity to serve you in the legislature. Please contact me by phone at (573) 751-1488 or email at scott.fitzpatrick@house.mo.gov.

Duck race, BBQ raises for Wheaton Fire Dept. Shakin' in the Shell sponsor: King's Marina

The annual Wheaton BBQ was held on Saturday to raise funds for the Wheaton Fire Department. It was a very successful event with the community coming together to enjoy barbecue, free rides, craft booths and more.

The duck race winners this year were: 1st - Kelly Brattin, Wheaton, \$500; 2nd - Taylor Prie, Neosho, \$250; 3rd - Riley Cooper, Wheaton, \$125; 4th - Johnnie Hilery, Washburn, \$75; and 5th - Mickey Mitchell, Wheaton, \$50. Mitchell donated the \$50 back to the fire department.

Arvest of Shell Knob to collect food for needy families

Arvest Bank, Shell Knob, will be partnering with The Alliance of Churches Food Pantry for the 1 Million Meals initiative, a two-month, bank-wide effort to provide one million meals or more to those in need.

The Alliance of Churches Food Pantry will receive nonperishable food and monetary donations made at Arvest in Shell Knob from Sept. 3 through Nov. 1. The Alliance of Churches Food Pantry helps the public with a food pantry, help to school children and assistance with community religious needs.

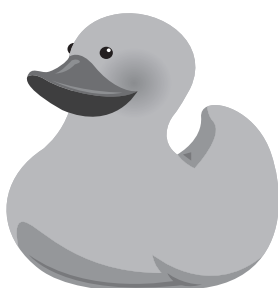

"We are so happy to be chosen as a recipient of Arvest Bank's initiative in our area. The funds and meals raised as part of this campaign will go towards helping so many families in Shell Knob, and just in time for the busy holiday season," James Atkinson of The Alliance of Churches Food Pantry, said.

Shell Knob residents can help support The Alliance of Churches Food Pantry during the initiative by dropping off nonperishable food items or purchasing a 1 Million Meals paper can for \$1 at the Arvest branch in Shell Knob

or calling (866) 952-9523 to contribute. Every dollar raised through 1 Million Meals provides the equivalent of five meals for local, hungry families.

In its fourth year, Arvest Bank's 1 Million Meals campaign challenges bank associates and customers alike to participate in fundraising efforts and make donations to fight hunger in the 120 communities the bank serves. Last year, Arvest banks, associates and customers raised 1.8 million meals. This year's effort benefits 59 different organizations in the four states, Arkansas, Kansas, Missouri and Oklahoma, Arvest serves.

In 2012, one in six American households reported food hardship, or not having adequate funds to provide enough food for their family. And, out of the 50 states, Missouri ranks seventh in food hardship.

King's River Marina is a Silver Sponsor of this year's Shakin' in the Shell Festival and Car Show.

Owned by Dwayne and Vonda Boggs since May of 2012, Dwayne describes their original intent in moving into this area as looking for a house, but when their realtor advised them there was a marina for sale, they looked at the numbers and ended up buying it. Dwayne commented they never intended to buy a marina, but that it has been a good decision. "This is a good

place to live. We really enjoy Shell Knob and are glad to be back to small town living after having been away for almost 35 years."

Dwayne grew up in El Dorado Springs and Vonda in Springfield. Dwayne advised 2014 has been a good year for King's River Marina due, at least in part, to an improving economy.

In addition to increasing their marketing efforts, Dwayne advises they have increased their product mix, including more wake boards,

surfboards and paddle boards, as well as high end clothing. They are also partnering with Table Rock Water Sports to sell boats, both the Landau and Hampton Bay.

Why support this year's Shakin' Festival? Dwayne said, "Anything you do for your local community is going to be worthwhile. It is a pretty big event for Shell Knob. If it does well, the community does well. If the community does well, businesses do well. It's trickle down."

FOOTBALL from FRONT

Cassville kicked off to start the contest, an interesting theme in its own right. After years of stellar kicking/special teams play, this edition of the Wildcats entered the season with a lot of concerns about the kicking game. Kendal Branham, a junior with a soccer pedigree, handled the kickoff and placement chores for Cassville against Aurora, while senior quarterback Gabe Kirk took over the punting duties.

It was Branham's first appearance in a Cassville Wildcat football uniform.

Aurora's first possession saw the Houn Dawgs gain one first down, courtesy of a roughing penalty after the Wildcat defense had forced a 4th and 12 situation. But Aurora fared no better with the new set of downs, and Evans punted to the Cassville 49-yard line.

Cassville answered with a 51-yard scoring drive, capped by Jackson's one-yard plunge into the end zone. The Wildcats chewed up the Aurora d-line and the clock, taking 6:21 off the official timepiece. Cassville was flagged three times on the drive, twice for holding and once for an illegal block. But the Wildcats shrugged off the lost yardage and methodically "matriculated" down the field to score, with Jackson plunging into the end zone.

It sounded better when Hank Stram said it.

Branham calmly split the uprights with his first varsity conversion, and Cassville took a 7-0 lead.

The first quarter ended with no further scoring. Aurora stubbornly stuck to the ground game, a tactic that led to more punts from Evans than passes. Penalties continued to plague the Cassville offense, leading Parnell to comment later, "Our offense has some messes to clean up."

Following a short punt, Cassville took possession at the Aurora 48-yard line with 8:09 showing on the second-quarter clock. Kirk excelled on the nine-play scoring drive, carrying four times for 29 yards, including the six-yard quarterback blast up the middle to score. Branham's PAT attempt hammered the left upright, but the Wildcats still led by a 13-0 count with 3:42 left in the half.

The Houns gained two yards on two runs following the kickoff, and faced a third-and-8 at their own 24-yard line. Evans dropped straight back and threw the short out to the left sideline. Brett Nickle jumped the route and intercepted the pass in full stride at the twenty. The Aurora crowd watched in disbelief as Nickle raced into the end zone to up the score to 19-0.

Branham nailed the PAT

for a 20-0 Cassville lead with 3:02 on the clock.

Then another three-and-out for Aurora gave Cassville the ball at its own 34-yard line with 1:46 left.

After an interception by Aurora's Friggle, Aurora pulled within 20-6 as the half waned. Although Dylan Castro's PAT attempt failed, the defensive score gave Aurora hope for a second half that would start with the Wildcats kicking off.

The Cassville defense had no intention of allowing a fairy-tale ending for the home team. The Houns could not move the chains to open the third quarter, and a high but short punt from Evans gave Cassville possession at the Aurora 45-yard line.

Kirk broke outside for 15 yards on first down, but was dinged on the play. Leigh Cox entered the game at quarterback for Cassville.

Chase Jackson took over the drive and the game. The senior back sliced the line twice for gains of 4 and 1 yards, then broke off right tackle for a 19-yard sprint to set up a first-and-goal situation.

"First down and goal to go for the Wildcats at the Aurora six-yard line. Cox still at quarterback. He takes the snap, hands to Jackson, he breaks off right tackle and he scores! Touchdown Cassville!"

On his fourth consecutive carry, Jackson bulled through and over Aurora tacklers for the score. Branham's third successful PAT of the night created a 27-6 lead with 8:55

left in the third quarter.

Skylar Cahill returned Branham's kickoff to the 19-yard line, where the Cassville defense held Aurora to another three and out. Evans threw incomplete on first down, then was sacked by Andrew Shepard on the following play. Moses Martinez gained 6 yards on a reverse, but the Houns still were 9 yards shy of a first down. Evans punted away to the Cassville 49-yard line with 7:40 left in the quarter.

Senior running back Chase Jackson is pictured above as he muscle's his Kirk returned to way past the Aurora defense.

Junior Colton Dilbeck is pictured above stopping yardage for Aurora as he makes and impressive tackle for the Wildcats.

lead the Cassville offense on a 14-play drive that ended with a 23-yard field goal. Besides boosting the lead to 30-6, the possession consumed over seven minutes of the quarter. Only 38 ticks remained after Branham's true offering.

There was no turbo clock

in the final quarter, but the game was never in doubt. Cole York and the JV offense drove 51 yards midway through the period on a drive that saw Tyler Arndt score from a yard out. Tyler Flowers was wide with his PAT attempt, and Cassville held a 36-6 lead.

Aurora did score late against the Wildcat reserves to create the 36-12 final.

This was a satisfying start for the Wildcats, a team that struggled out of the gate a year ago. In 2013, Cassville started 1-4 before knocking off then undefeated and state-ranked Monett to start a five-game winning streak. But as Parnell cautioned his team in the post-game huddle, "This is one football game."

The Wildcats will host the Mountain Grove Panthers in their home opener on Friday, August 29. Kickoff is at 7:00 p.m. at Wildcat Stadium.

Lady Cat softball take first place in Reeds Spring Tournament

Softball photos courtesy of Priscilla Craig

Rachael Freeman

The Cassville Lady Cat softball team is young. With one lone senior, JayCe Fink, and three juniors, the team is dominated by underclassmen with six sophomores and seven freshmen. Some might see the inexperienced players as a disadvantage for the Lady Cats, but their opponents should see them as a threat.

The Lady Cats proved themselves to be a force over the weekend when they took home the first place trophy in the Reeds Spring Tournament.

Head Coach Ben Abramovitz stated, "The girls did an outstanding job considering the heat conditions. Our youngest to our oldest, along with the girls coming off the bench, made this weekend a success."

The Lady Cats went undefeated beating Ava 9-4, Reed Springs 8-3, and Hollister 12-0.

"The kids are working hard in the summer and off season and its paying off for them," stated Coach Abramovitz.

Cassville's pitchers combined for 20 strikeouts over the three game-tournament, Fink with 11, freshman Josie Lone with five and sophomore Ashley Ray with four.

"We are fortunate to have

three pitchers that are all able to contribute at the varsity level and that helps any night, but especially at tournaments," Coach Abramovitz added.

Sophomores Tori Cole and Davyn Callahan, along with freshman Hallie Long led the way offensively with four hits each in the tournament.

"I was happy with the way we put the ball in to play and base running continues to improve, which will win us more games on down the road," Coach Abramovitz said.

The 2014-2015 CHS softball roster includes: Fink, Lone, Ray, Cole, Callahan, Long, Alesha Cousins, Lindsey Halterman, Raegan Brock, Sky Dill, Kassie Graves, Debbie Davis, Audra Brooks, Andrea Cousins, Kaylee Coursey, Trinity Ewing and Kaylee Reibert.

Sophomore Ashley Ray is pictured above on the mound against Hollister. Ray faced 10 batters, threw four strikeouts in three innings. The Lady Cats defeated Hollister 12-0.

Freshman Josie Lone is pictured above as she makes contact at the plate. Lone had two hits in the weekend tournament.

Wildcats to recognize football alumni for classes 1961-1965

Rachael Freeman

The Cassville Wildcats are eager to play in front in front of their home crowd and will get to do so this Friday night. In conjunction with home-opener, the Wildcats will also be hosting Cassville Football Alumni Night.

“The community of Cassville has embraced football and Wildcat Nation has become an amazing 12th-man for us over the years. That support stems from the great alumni we have here in Cassville,” head coach Lance Parnell stated.

Parnell continued, “Friday night is just a small way for us to show how much we appreciate the tradition that has come before us.”

The Cassville Wildcat Football Program will honor

football alumni who played the 1960-1964 football seasons (graduating classes 1961-1965) Friday evening.

Alumni festivities will begin with check-in at the north end zone between 5:45 p.m. to 6:15 p.m.

The north end zone will be available for the honorees to watch the game from. Food and drinks will be available as well.

During pre-game warm up, the honored alumni are welcome to visit the Wildcat’s sideline to get a close-up of the team.

At approximately 6:35 p.m., the alumni will be recognized in front of the Wildcat Nation crowd.

Kick-off is set for 7:00 p.m.

Kornerstone Kare for Kids 5K Run/Walk

Kornerstone, Inc. is hosting its first annual 5K Run/Walk on September 13. All proceeds will benefit Kornerstone’s Teen Mom program to advocate for teen mothers in Barry County.

Race begins at 9:00 a.m. at the Cassville Aquatic Center. Early registrations are \$25 before August 25 including a t-shirt.

Registrations after August 25 are \$25 with no shirt. Race will be timed by Ozarks Racing Systems of Springfield.

To register, visit www.kornerstoneinc.org to print out a registration form or call (417)-858-2887 and leave a message for a registration form.

Area teams participate in Southwest 5-5 volleyball jamboree

Rachael Freeman

The Cassville Lady Cat volleyball team along with Purdy and Southwest volleyball teams participated in the volleyball jamboree at Southwest High School last week. Each team played three games in the jamboree. Also participating was Hurley High School.

The Lady Cats opened their season on Tuesday, August 26, against Blue Eye. Cassville fell to Blue Eye in three matches. The Lady Cats won their first set 25-21 but dropped the second and third sets 21-25 and 19-25.

Cassville will play next Thursday at Marionville.

The Purdy Lady Eagles also opened their season Tuesday night against East Newton.

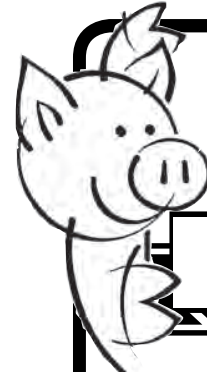

The Lady Eagles were defeated by the Patriots in two sets losing 18-25 and 12-15.

Stat leaders for Purdy were Courtney White with six digs and Morgan Schilly with three assists.

Purdy will travel to Blue Eye on Thursday.

Lady Cat Britani Long is pictured above as she plays the net during last week’s volleyball jamboree.

Southwest FCA to hold 5K and fun run

Southwest High School Future Christian Athletes is hosting a 5K and one-mile fun run on Saturday, September 27, beginning at 8 a.m. by the ball fields. All proceeds from the race will go to sponsor Haiti missions

The fun run will include a costume contest with prizes for the kids, and the 5K

will medal the top two in each different age division. The one mile fun run will stay within the school parking lots, and the 5K will run through some of the streets in Washburn. The cost of the 5K is \$20 and \$15 for the fun run. This includes a shirt and a goody bag for anyone who preregisters.

Registration forms can be found at the YMCA in Cassville, or they can be obtained by emailing or calling Linda Morgan at limorgan@swr5.k12.mo.us or (417)-826-5413. Registration is also available online at <https://runsignup.com/Race/MO/Washburn/TrojanRun-forHaiti>.

FFA Officers attend Leadership Institute

Billie House, Area 11 FFA Reporter from the Purdy FFA Chapter, attended the Area FFA Officer Institute June 13 and 14, 2014, at Camp Rising Sun. The Institute, sponsored by the Missouri FFA Association, was held at Camp Rising Sun located within the Lake of the Ozarks State Park. The Institute provided leadership training for over 150 area FFA officers from across Missouri. Area FFA Officers attended leadership development sessions led by past National and State FFA officers to learn time management techniques, how to present workshops, and develop their communication and personal

nutrition and management. I managed the Ohio State herd as if it were my own which enabled me to bring an appreciation of daily dairy chores and management requirements for success."

She added that her favorite part about agriculture is learning about dairy cattle nutrition and nutrition's impact on health.

Bluel doesn't currently have plans for any major changes in the office, but she did add, "I have a broad goal to minimize the decline of dairy farms within the region." She said that she hopes to have a better understanding of what changes she

hopes to make after talking to constituents and producers in the region.

Currently, Bluel, her husband, Neal, and their two daughters, Ada and Lily, live in Monett. Neal teaches at Monett High School and coaches boys soccer. They moved to southwest Missouri in July after living in Columbus, Ohio, for seven years while she managed the dairy herd. Bluel is originally from Sedalia.

Washburn duo opens new restaurant

Steve Chapman

A new restaurant has opened in Washburn. Country Cooking, located at 26131 Highway 37 (next to Country Package), recently opened for business and will celebrate its grand opening on August 29.

The diner was started by business partners Gautam Maharjan and Roy Fair. Maharjan, who also owns Country Package, said the decision to open the restaurant was influenced by a wish to fill a void in the community. "I wanted to create a place for local people to eat at," he said.

Maharjan said he started talking to Fair, whom he has known for about three years, about a restaurant in March 2014. "Roy was here, we were talking about a restaurant, and we said 'Okay, let's go together.'" They converted an open space in the gas station to a diner, and Country Cooking was born.

Country Cooking is open on Monday through Thursday, from 6 a.m. to 2 p.m., Fridays and Saturdays, 6 a.m.

to 9 p.m., and on Sundays, 8 a.m. to 5 p.m. Breakfast is served until 10:30 a.m. and features traditional breakfast items such as omelets, biscuits and gravy, pancakes, french toast, oatmeal, bacon, sausage and hashbrowns.

For lunch and dinner, the restaurant offers sandwiches such as hamburgers, BLTs, grilled cheese and hot dogs. The sandwiches come with a choice of fries, onion rings, tater tots, home-style potatoes or chips. The restaurant also serves dinner items such as fried chicken, ham steak, pork chops, and chicken fried steak, all of which come with mashed potatoes and gravy, a vegetable and a small salad.

Country Cooking also has free wi-fi for dine-in customers. Customers who wish to carry-out their meals can call the restaurant at (417) 826-5385 to order ahead.

The name Country Cooking, according to Maharjan, was chosen to reflect the tastes of those who live in the area. "The people here like country cooking," he said.

"We wanted to focus on local people and what they want."

Maharjan and Fair plan to offer discounts on food during the diner's grand opening celebration, which runs from Friday, August 29, until Sunday, August 31. During this time, anyone purchasing a meal can also have coffee, tea or soda for free. Those with children can also purchase a child's meal at half-price with every regularly priced entree.

Additionally, they are offering their Big Country Breakfast, which includes a whole bone-in ham steak, three eggs, hashbrowns and choice of toast or biscuits and gravy for only \$5.49, a dollar off from the regular price of \$6.49. Fair is also offering a special dinner featuring smoked ribs he is having catered in. He described the ribs as being "so tender, you don't have to chew them."

The dinner will consist of three ribs, two side items, and a choice of bread for \$8.95. Fair said if the ribs prove popular, they'll become part of the regular menu. "We will be trying new things to see what satisfies our customers," he said.

Maharjan said he believes patrons who eat at Country Cooking will enjoy the experience. "Come down and try our food," he said. "We will give you our best."

Emerson Electric picnic Sept. 7

EXETER SCHOOL BOARD MEETING HIGHLIGHTS

The Exeter School Board held their monthly meeting on August 13, 2014. Board President Eric O'Neill called the meeting to order at 7:02 p.m. with seven board members in attendance.

Dr. Raney requested that another item be added to communications, superintendent's report and closed session. A motion was made and carried to approve the amended agenda.

The Tax Rate Hearing was held and a motion was made and carried to approve the proposed tax rate of .0069 and the level total of 4.1313.

Mrs. Autumn Palmer, Mrs. Mandy Mattingly and Mrs. Sarah Ulmer presented a pick up/drop off plan. The plan was approved and teachers will begin getting the information out to the parents.

Jay Allen gave the Activities Report and presented the Athletic Handbook. Numbers are good for baseball and volleyball. Coach Allen presented a bid for a new sound system for the gym of \$869.95. A motion was made and carried to approve the purchase of the sound system.

Coach Allen stated that there is a need for Junior High and 5th and 6th grade basketball uniforms. The board gave permission for Coach Allen to proceed with the ordering of uniforms for the Junior High.

A motion was made and carried to approve the Activity/Athletic Handbook.

Shakin' in the Shell sponsor: Green Mountain Realty

Pictured above, left to right: Pat Mrstik, Realtor; Roger Pinnell Broker/Owner; and Cortney Kirkpatrick, Realtor.

Green Mountain Realty is a silver sponsor of Shell Knob's 9th Annual Shakin' in the Shell Festival and Car Show which will take place Saturday, September 20, 2014. When asked how his business has been this year, owner Roger Pinnell commented, "The first six months of this year were as good as all of last year, and last year was good. Business has picked up. The economy seems to be improving. This is a great time to buy a house or real estate."

Pinnell acquired Green Mountain Realty from Wanda Donaldson a year ago and noted that over the 26 years she owned this business, "She invested a lot in the community. She supported almost all the community activities. She was always supporting them or donating to them and I'm trying to continue that tradition," Pinnell concluded.

Pinnell commented that both Pat Mrstik, who has been a realtor for 23 years, and Cortney Kirkpatrick, who recently obtained her real estate license provide the benefit to anyone who contacts his office of being able

to offer plenty of help when someone calls or comes in because of their real estate knowledge and hopes to eventually add another realtor to his staff.

The value Pinnell sees in supporting the Shakin' in the Shell Festival and Car Show is, "It's an activity that the whole community can get involved in, something everybody in town can do, plus it puts Shell Knob on the map. If you don't do these kinds of things you become a name on the map that they don't even recognize as a town."

Pinnell added "The main reason I support the Shakin' in the Shell this year and every year is that I like Shell Knob, and I want people to know about it."

Shakin' in the Shell Sponsor: Campbell Pt. Marina

Pictured above, from left to right: Brenda Johnson, store manager; Mattie Stimble; and owners Gene and Nancy Stimble.

Campbell Point Marina is partnering with The Harbor Boat Sales to be a Silver Sponsor of this year's Shakin' in the Shell Festival and Car Show, scheduled for Saturday, September 20.

Nancy and Gene Stimble have owned Campbell Point Marina since 1995 and have plans underway to build a new store this winter, as well as rebuild two new docks that were destroyed by a storm June 5, and possibly add a third dock. Their plans include doubling the size of the current store, adding an upstairs level and hopefully getting a bathroom on the dock and eliminating the port a potties in the parking lot.

Nancy and Gene expressed special appreciation of their customers patronage over the years, espe-

cially "through the storms we have had, they just keep coming back." The Stimble's goal is to "try to provide a good service to their customers so they do come back and hope they will enjoy the new improvements."

While the Stimble's recognize winter weather conditions can affect the construction schedule, Nancy commented she hopes they can have an open house next spring that celebrates project completion as well as their 20th anniversary of Campbell Point Marina ownership. The Stimbles are also excited about The Harbor Boat Sales establishing a sales office at Campbell Point. Nancy stated they are a "huge asset to our business as well as to Shell Knob with their great line of boats: Cobalt, Chap-

arral and Yamaha. Having them right on the water is so handy."

Why support the Shakin' in the Shell? Gene sees the value as "getting all the support for the Community," supporting their customers that come in from Wichita and supporting their many local customers. Nancy added, "When people retire, we want them to think of Shell Knob." Gene also commented "the community itself, having a grocery store and a school and all that here in town, that is important, that is why we like to support the school, we buy all our groceries at the grocery store, we try to shop at Shell Knob. This is really a big plus not just for the community but for our business."

MO Highway Patrol warns against ATV dangers

In rural Missouri, there are many activities that seem to be more prevalent than in the metropolitan areas of the state and the use of all-terrain or off-road utility vehicles seem to be one of them. There is no doubt these types of vehicles are used in metropolitan areas, however, in rural areas they are used more predominately and in a broader variety of situations. Obviously, in rural Missouri, these vehicles are used for agricultural purposes, hunting, and in other recreational off-road settings. Popularity of these vehicles has immensely increased and a person doesn't have to drive far in rural Missouri to see ATV's being ridden on and off the roadway by a variety of age groups. In past articles, the Patrol has provided information concerning the legality of the use of these vehicles on and off the roadway, but the purpose of this article is to stress the safe operation of such vehicles.

In the past few years, traffic crash data has shown more individuals are being injured or killed using all-terrain vehicles, which has no doubt increased with

their popularity. Missouri 2013 traffic crash data indicates 29 people were killed and 329 were injured while riding all-terrain vehicles. The data reveals most ATV crashes occur on public roads; however, many occur on private property. Data involving private property ATV crashes is likely not as accurate as it should be due to the fact that many private property or off-road ATV crashes are not reported unless there are very serious injuries or a fatality. In 2013, six individuals who were killed and 120 who were injured in Missouri ATV crashes were 18 years of age and younger. The main factors of ATV crashes would include inattention and operation in a careless or negligent manner.

Many individuals who acquire ATV's or off-road utility vehicles seem to have a mind-set that they are "toys or just something fun to ride," or a harmless way for their child to pass the time rather than a piece of machinery that can be extremely dangerous if not operated correctly. As far as children operating ATV's, even though there is

no age requirement to drive an ATV, this does not mean a child can always safely operate one. As with any piece of machinery, motor vehicle, or motorcycle it is important that all operators first be instructed by someone qualified on the proper and safe way to operate them. Many ATV crashes are caused by riders who are not familiar with controls or lack necessary experience. ATV's are made in many sizes so it is important to match the size of the rider with the ATV. Riding around obstacles, on steep inclines, and at high speeds are all dangerous and can lead to very serious crashes. In off-road situations, it is very important to know the terrain and never "over-drive" your capabilities or the capabilities of your vehicle. Of course, always wearing a helmet, boots and other protective clothing cannot be stressed enough.

All riders should have a high degree of respect for their ATV and realize although they can be ridden for enjoyment purposes, "off-roading" or careless operation can bring about disastrous results. As adults and parents, we need to

make sure any child riding an ATV is very closely supervised at all times. Missouri law states, "No person under the age of 16 shall operate an ATV in Missouri unless he or she is accompanied by or under the direct supervision of a parent or guardian, or is accompanied by an adult who is authorized by the parent or guardian." This law does not apply on private property owned by the parent or guardian of such person operating the all-terrain vehicle.

ATV's and off-road utility vehicles have many valuable uses and can be ridden for pleasure, but we have to respect them, be properly trained on their use, and operate them responsibly. If you allow your child to operate one of these vehicles, please closely supervise the activity. As with any piece of machinery, a multitude of situations can occur that can have serious consequences.

An informative brochure about ATV's can be viewed by going to the Missouri State Highway Patrol website (www.mshp.dps.missouri.gov) and clicking on the "brochures" icon.
