

## Fatal wreck on Sunday east of Wheaton

*Charlea Estes*

A Wheaton man was killed in a single-vehicle crash over the weekend when the car he was driving flipped. According to the Missouri State Highway Patrol, Phoula Phomdouangsy, 32, of Wheaton, wrecked around 1:55 a.m. on Sunday, September 4.

Phomdouangsy was driving a 2003 Honda Accord northbound on Farm Road 1035, five miles east of Wheaton, when he wrecked. According to the

crash report, the car ran off the roadway, struck a culvert, overturned and struck a tree. He was not wearing a seatbelt at the time of the crash.

Phomdouangsy was pronounced dead at 2:12 a.m. by Barry County Coroner Jim Fohn. The Accord was totaled and towed from the scene by U.S. Auto of Cassville.

This is Missouri State Highway Patrol Troop D's 77th fatality for 2016.

## Two Barry County Century Farm Families recognized

*Julie Pruitt*

Since 1976, more than 8000 century farms have been recognized as a result of the Missouri Committee of Agriculture co-chaired by James B. Boilot, director of Missouri Department of Agriculture, and Elmer R. Kiehl, Dean of the College of Agriculture University of Missouri. The committee wanted to organize a celebration of the American Revolution Bicentennial and one activity was the Centennial Farm project, which awarded certificates to persons owning farms that had been in the same family at least 100 years. The College of Agriculture, Food and Natural Resources and the University of Missouri Extension planned a 10 year update in 1986 called Century Farm Program. This

program has been sustained as a yearly event with over 100 farms recognized each year.

This year, two Barry County farms were recognized: Shoal Creek Farms, owned by Deanna Burch, and Stumpff Farms, owned by Charlene Phillips. These farms met the requirements eligibility for recognition of Century Farms by having a minimum of 40 acres of the original farm that has been in the same family for at least 100 years and are still functioning as active farms.

A recognition celebration was given on September 1 at Edmonson Park hosted by the Barry County Extension representatives of the University of Missouri Extension including: Shon Bishop, a horticulturist from Lincoln

## Driver in officer-involved shooting dies from injuries

*Charlea Estes*

An Aurora man who was shot by an Aurora Police Officer last Wednesday succumbed to his injuries yesterday, Tuesday, September 6, while in the hospital.

According to a Missouri State Highway Patrol release, Thomas E. Sekscinski, 38, of Aurora, was being pursued by an Aurora Police officer in the early hours of Wednesday, August 31, which continued

into Barry County. Sekscinski then allegedly turned down a private lane along Barry County Road 1156 near McDowell.

When the officer stopped and exited his vehicle, Sekscinski then turned around and drove toward the officer. The officer then discharged his weapon at Sekscinski, hitting him. The officer took him into custody and began administering first aid until medical

personnel arrived, according to the Highway Patrol press release.

Sekscinski was transported to Cox South Hospital in Springfield following the incident. He remained there until he passed away yesterday.

The investigation is ongoing by the Missouri State Highway Patrol Division of Drug and Crime Control.

procedure, such as stitches or a pelvic exam, it'll cost an additional \$25, bringing that total up to \$100.

Dr. Roark said, “We will also have our discounted in-house labs, like \$2 strep test, \$1 pregnancy test and \$1 urinalysis for UTIs. The flu test are a little bit more, \$17, which is still way cheaper than a trip to the E.R.”

The urgent care hours are reserved for people needing sick treatment, not for people with chronic medical conditions, like hypertension or diabetes, etc.

Dr. Roark added, "It's just for sick visits. It's for those people who say, 'I'm sick, and I can't get in with my doctor.'"

## URGENT CARE from FRONT

So for cough, congestion, lacerations and more minor injuries, the clinic will allow for people to get into the clinic without an appointment. While the clinic won't offer insurance billing, you can request reimbursement from your insurance company for services.

Dr. Roark stated, "We realize that we need this in our community. It's one more thing we can offer to our members, which will still help with their health-care, but we are opening that to non-members, too."

Roark Family Health hopes to extend urgent care hours after January after they add a physician's assistant to their staff.

For more information, call the clinic at (417) 847-4111. Roark Family Health is located at 1011 N. Main Street in Cassville, and their website is [www.roarkfamily-health.com](http://www.roarkfamily-health.com).

## Serious injury reported in Golden crash

*Charlea Estes*

A Berryville, Ark., man was seriously injured after being rear-ended on his scooter and then run over by a trailer near Golden over the weekend. According to the Missouri State Highway Patrol crash report, three vehicles were involved in the crash.

The Patrol reported that a 2006 Chrysler 300, driven by Jessica R. Easley, 29, of Eagle Rock, struck a Jonway 150 CC Scooter, driven by Ryan T. Donnerstag, 45, of Berryville, Ark.

It was that point where a third vehicle, a 2012 Toyota Sequoia pulling a trailer,

driven by Dustin R. Gregory, 34, of Cassville, hit the scooter and the trailer ran over Donnerstag.

Donnerstag was wearing a helmet at the time of the crash, and the other two drivers were wearing seatbelts. However, Donnerstag had to be transported by air ambulance to Mercy Hospital in Springfield for serious injuries in the wreck.

No other injuries were

reported at the time of the crash.

*Correction: In the article in last week's issue regarding the reduction of the South Barry County Ambulance District's property tax levy, the levy reduction was incorrect. The levy was reduced to 0.0331 from 0.081, not 0.331. We apologize for the error.*

“I can do all things through Christ which strengtheneth me.” Philippians 4:13. A little boy was in his backyard struggling with a large rock. His father noticed him and came outside.  
“Son, what are you doing?”  
“Hi daddy, I’m trying to move this rock, but it’s stuck.”  
“Have you tried everything?”  
“Yes sir, I dug, I used a stick to pry it loose, it’s impossible.”  
“Are you sure you have tried everything?”  
“What else is there?” “You could ask me to help you.”  
Together, they easily moved the rock.  
How many time have we been like the little boy? Challenges and trials come into our lives and we try everything “we” can think of, or that “we” can do. All the while God is standing by pleading with us; “Ask me to help you.” Before every significant event in his life, Jesus prayed for guidance and or strength. Good advice.  
“What shall we then say to these things? If God be for us, who can be against us?” Romans 8:31.  
Please join us as we use God’s strength and guidance to walk this life in preparation for eternal life.

Thank you!

I would like to take this opportunity to thank you for the prayers, the many, many phone calls the food and flowers at the passing of my son Tim Wilson July 4, 2016. My heart was not broken in two, it was in many pieces. Tim had many brothers and sisters from other mothers. He loved each one. You know who you are. God Bless each one, as we go on without Tim.

## A photograph of two women standing outdoors in front of trees, holding a large white sign. The woman on the left is wearing a yellow shirt and a name tag that says "Kathleen". The woman on the right is wearing a black shirt and a name tag that says "Deanna". The sign they are holding has a black top section with the text "Missouri Century Farm" in yellow. Below this, on a white background, is the text "Shoal Creek Farm", "James D. Wooten", and "Family Farm Established 1875". At the bottom of the sign, it says "A program of University of Missouri Extension, College of Agriculture, Food and Natural Resources, Missouri Farm Bureau" and includes the University of Missouri logo and the Missouri Farm Bureau logo.

# Women in Dairy meeting Sept. 12

Schedule the opportunity “Women in Dairy.” The to share lunch with other University of Missouri Ex-

tension’s “Women in Dairy” program scheduled to be held from 10 a.m. to 1 p.m. on September 12 at Gunter’s Dairy located at 1148 State Highway WW, Conway. The Gunters have offered to host this social farm tour and presentation of how agritourism has impacted their operation. “According to the survey, ladies have sought more information on how to go about safely and effectively implementing tourism on their farms,” explained Bluel. Additionally, we plan to discuss future farm plans of pack barn construction and

succession planning successes and challenges. Typically, the Women in Dairy program content is repeated on the “East” and “Westside” to prevent a far drive for most ladies. The Conway farm tour will unite the two Women in Dairy groups as one large group for a social picnic and program. The University of Missouri Extension’s Women in Dairy program is nearing completion of the program’s debut year. “The highlight of the program thus far has been getting the ladies together

each month” said Bluel. “One of the primary goals of this program is simply to get these gals off the farm to enjoy a nice lunch with other like-minded ladies and share ideas.” This event will have no cover charge, however please RSVP by calling the Barry Co. Extension office at (417) 847-3161 by Friday, September 9, to ensure enough picnic supplies. For more information, contact Reagan Bluel (417) 847-3161 or Ted Probert (417) 547-7545.

# Yang awarded MU scholarship

Hli Yang, of Rocky Comfort, has been awarded the Elyzabeth H. Schell Scholarship from the University of Missouri College of Agriculture, Food and Natural Resources for the 2016-2017 academic year. “Scholarships enable us to recruit and retain academically talented students to our college,” said Bryan Garton, associate dean of academic programs. Yang, a junior majoring in science and agricultural journalism, is the daughter of Toua Yang and Chao Yang.

The Elyzabeth H. Schell Scholarship was established in 1981 by the estate of Elyzabeth Schell. The Schells were in the dairy business in the Kansas City area and had a strong interest in agriculture. Scholarships are awarded to students whose parents are Missouri landowning farmers or ranchers. “As the cost of earning a college degree continues to increase, more and more students are in need of financial assistance,” Garton said. “The goal of our college over the next five years is to increase our total annual scholarships awarded from approximately \$1.3 to \$1.5 million.”

# Seen Around Town: JoAnn Tolbert

Tolbert

*Julie Pruitt*  
Stop by Southwest R-5 and you will meet a lady who keeps the school running like a well-oiled machine. Meet JoAnn Tolbert, the Southwest Middle School administrative assistant. JoAnn provides helpful advice to encourage students in the skills of responsibility and organization, and she is always willing to offer a helping hand to teachers, students or parents with a smile and positive attitude. Her office duties include enrolling and withdrawing students, interacting with parents to ensure students' safety and success, as well as meeting the needs of teachers, students and the principal, Mrs. Beverly Bonner. JoAnn has been an inte-

gral part of the school system for 15 years. She initially took the job so she could have the same hours as her kids, but now they're grown and she still loves her job and loves the kids. The kids make the job worthwhile.  
Who is JoAnn outside of school? Well, she moved here from Chicago in 1993 and fell in love with the community and has been an active member ever since. She raised two kids here, Brittany, 23, and Derick, 21, and is married to David. Together, David and JoAnn remodeled their home, flagstoned a sidewalk and continue making home improvements. JoAnn loves anything outside and she is very artsy and creative. Her most memorable moments are her first house and raising her children. She loves Washburn and the small-town down-home relationships that can be found there.  
If you haven't seen JoAnn around town, stop by Southwest and meet this amazing friendly lady who will welcome you like family.

# Work begins on Mark Twain roads near Cassville

The work on Forest Service Road 187 will involve 1.03 miles of the road beginning on the west end and then proceeding on selected portions of approximately first two miles of the road. The road work will involve removing select hazard trees along the road, reconditioning the driving surface, ditches, outlets and culverts and in applying surface aggregate.  
The road work on Forest Service Road 197 is similar in scope. It will involve 1.22 miles of the road beginning at Highway 112 and then proceeding on selected portions of approximately the first 1.5 miles of the road. The road work will involve removing select hazard trees along the road, reconditioning the driving surface, ditches, outlets and culverts and three culverts will be installed and/or replaced.  
The reconditioning done on these roads will help provide a safe and reliable transportation system for the public as well as benefiting the long term maintenance of these roads. Travelers on these roads might encounter delays and should plan accordingly. The work is scheduled to begin on Forest Service Road 187 on approximately September 7, 2016. Both projects are scheduled to be completed by late fall 2016.

# Cassville downs East Newton, 42-16

Lee Stubblefield

The Cassville Wildcats won a 42-16 battle with East Newton on Friday night, but it was not the kind of victory that they expected. The Wildcats were efficient on offense but sluggish on defense, allowing four long, time-consuming drives and a pair of touchdowns.

Cloudless skies and cool temps combined to create perfect weather for the game at Wildcat Stadium. "Fat boy weather" Steve Reid called it. It was an ideal setting for a big home victory.

But after the emotional win over Reeds Spring in week 2, it just looked like Cassville took the win over East Newton for granted. To be honest, East Newton has not been competitive with the Wildcats - or anyone else - in a very long time.

Twenty wins in twelve years. Eight of those wins came in the only winning season in that span, leaving just a dozen wins for the other eleven years. The Patriots went 0-10 in both 2011 and 2012. The victory over McDonald County in week 6 of 2013 prevented a third consecutive winless season and ended a 32-game losing streak. A stirring overtime win over Diamond staved off another potential "ohfer" season in 2014, but then the Pats went 0-10 in 2015.

But even though the Patriots have started the 2016 season 0-3 against Lighthouse Christian, Lamar, and Cassville, there is an obvious difference between this team and its immediate predecessors. Head Coach Jamie LaSalle has East Newton pointed in the right direction. Physically stronger, mentally tougher, and intent on winning, these Patriots are primed to climb out of the cellar.

The Patriots could have folded early when Kyle Ruark blocked Jason Schriever's punt on the game's opening possession. The Wildcats scored in just five plays following the miscue, with River Phelps ducking behind Ruark for a 10-yard touchdown run. Cassville led 7-0 with 6:15 on the clock.

East Newton drove the field, moving the chains twice while advancing from their own 24 to the Cassville 30-yard line. But Chance Liveoak slipped down on a 4th and 3 carry to end the potential tying drive.

The Wildcats answered with a 67-yard scoring drive. On the fourth snap of the possession, Shannon Haney rifled a pass to Phelps, who surged down the field for a 29-yard gain to the East Newton 25-yard line. Phelps dove into the endzone from just inches away as the second quarter opened, and Cassville held a 14-0 lead.

A sense of urgency  
There comes a point in every game when the coach of the losing team has to recognize that, in order for his team to have a chance to win, the entire field becomes four-down territory. Reeds Spring did not have that sense of urgency in the loss to Cassville. East Newton had it in spades on Friday night.

Trailing by two scores on the road in the second quarter, East Newton ground out a long game-changing scoring drive against the Wildcats. 70 yards. 14 plays. 7 minutes and 5 seconds off the clock. TWO fourth-down conversions. These Patriots looked like New Englanders on a very impressive possession.

Brandon Jordan scored from two yards out with 4:17 on the clock, and then

Liveoak kept for the 2-point conversion to cut the lead to 14-8.

But Cassville regained control in a heartbeat. River Phelps cut back to avoid a traffic jam on a power sweep to the East Newton sideline, and won the sprint to the pylon to finish a 61-yard touchdown run. He added his third PAT of the night to boost the Cassville lead to 21-8 with 3:23 left in the half.

The Patriots sputtered on a three-and-out possession, and Phelps returned Schri-

ever's punt down to the East Newton 36-yard line. The Wildcats gained just four yards in three plays, and faced a 4th and 6 situation with the clock running out.

Haney took a three-step drop and threw a rope to Troy Rose between defenders on a skinny post route. Rose motored into the end zone with 22 seconds left on the clock to give Cassville a 28-8 halftime advantage. Then the Wildcats scored again to open the second half. Phelps ran the kickoff down to the

East Newton 35-yard line. Then the 'Cats navigated the short field in six plays, with

big Anthony Tolbert shedding tacklers to reach the end zone from three yards out.

FOOTBALL from 13A

Another Phelps PAT pushed the lead to 35-8. But East Newton would not go away. The Patriots drove 73 yards against the Cassville defense. They converted two fourth downs along the way, and the 32-yard touchdown pass from Liveoak to Jordan came on a 4th and 14 play. East Newton went to a trick spread formation for the PAT and Liveoak ran in untouched to create a 35-16 score with 2:13 remaining on the third quarter clock. The Wildcats finally put the game away with a drive that finished the third quarter and consumed a third of the fourth quarter clock. An onside kick attempt failed to cover the required 10 yards, and Cassville started at the East Newton 49-yard line. A 51-yard drive, aided by a fourth down pass interference call in the red zone, ended with Ruark barreling into the end zone from two yards out. Another Phelps PAT created the final score of 42-16.

Lance Parnell was gracious in victory, praising the job that LaSalle is doing at East Newton.

"That is a much improved football team," he told the Wildcat huddle after the game. "We can't take anyone for granted. We must step on the field ready to play."

The Wildcats improved to 2-1 with the victory, and go on the road Friday night to play McDonald County at Anderson. Kickoff is set for 7 PM.

Junior middle Myka Cook had 7 kills, 6 digs and 5 aces and made all 19 of her serves as Southwest traveled to Arkansas and beat Pea Ridge 25-11, 25-18, 21-25, 25-21. Senior setter Brianna Learned added 6 kills and 4 assists, while junior middle Hailey Benninger contributed 6 digs and 4 kills. Senior Bekah McKeever also made 13 of 14 serves with 7 aces.

"We changed the line-up almost completely, and the girls responded and competed," said Coach Steve Voyak. "Myka really stepped up and played smart and efficient volleyball. I still think she has another gear or two, but the recent improvement is encouraging."

Southwest opened the Ozark 7 Conference season in Joplin against Thomas Jefferson. Benninger led the way with 6 kills as the Lady Trojans won the first set easily 25-16. TJ led 19-15 in the second set, when Cook and Learned sparked a comeback for a 25-21 victory. Cook had a key block and Learned ended the game with tip for the final point.

"We're not close to where we want to be, but we made

significant strides this week," Voyak said. "The next step is being consistent from point to point and eliminating stretches of poor play."

Southwest opens its home schedule with games against Galena and Diamond.

# Barry County Health Department August Food Service Report

The Health Department divides food service code violations into two categories: Priority and Core items.

Priority items are more likely than other violations to contribute to food contamination or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or injury.

A report for each establishment that is inspected shows the number of priority items, along with a short statement as to the nature of the violations. The report also shows the number of core items but doesn't list the nature of those violations.

Purdy School awards character medals

Purdy Elementary Principal Janet Boys announced the character education medal winners for the month of August. In partnership with elementary counselor Gary Jurgensen, Purdy’s kindergarten through fourth grade teachers present a different character trait each month. At the end of the month, each teacher nominates one student who best exemplifies the trait presented. These students receive character medals from Mrs. Boys at a special assembly that features a comedy skit starring Coach Joshua Hughes, as “Joshie,” Second Grade Teacher Charlotte McGuirk, as “Charlie” and Music Teacher Christina Harmon, as “Chrissy.” The stars stick around after the show for a special photo shoot with the medal winners.

In August, students focused on Friendship. August medal winners are fourth graders Gracie Patton, Karma Kessinger and Teagan Manwarren; third graders Linh Mai, Jazmin Howarth and Rose Wilson; second graders Jackson Lee and Cali Whitcomb; first graders Erynn Cunningham, Ellie Nunez and Alyssa Gamble; and kindergartners Jonatan Rodas, Karson Rosewicz and Whitney Haworth.

Bottom row, from left to right: Cali Whitcomb; Erynn Cunningham; and Ellie Nunez. Second row: Alyssa Gamble; Rose Wilson; Karson Rosewicz; and Jackson Lee. Third row: Linh Mai; Charlotte McGuirk as “Charlie,” Gracie Patton; Christina Harmon as “Chrissy,” and Jazmin Howarth. Top row: Karma Kessinger; Josh Hughes as “Joshie,” and Teagan Manwarren. Unavailable for photo: Whitney Haworth and Jonatan Rodas.

Highway Patrol seeking new troopers

The Missouri State Highway Patrol, a premiere law enforcement agency, is testing for new troopers. The Patrol is encouraging qualified individuals of all backgrounds to apply, and will offer testing at nine different locations in Missouri. Those who successfully complete testing will be eligible to continue in the selection process for the 105th Recruit Class, scheduled to begin training on July 5, 2017. The application deadline is October 3, 2016.

To be eligible candidates must possess a minimum of 30 college credits, or two years of federal active duty military service with an honorable discharge, or two years of full-time POST certified experience as a law enforcement officer with arrest authority at the time recruit training begins.

The starting salary for trooper is \$3,430 per month while in training; \$3,516 per month after six months; and \$3,736 per month at two years of service. Other benefits include group health insurance, contributory retirement, career advancement, and more.

The selection process is a multi-phase testing procedure including: written examination, a physical fitness for duty assessment, polygraph examination, background investigation, and oral interview board. After a conditional offer of employment, the applicant must successfully complete a medical examination (to include vision and hearing), psychological examination, a psychological interview, drug screening, and final applicant review.

Interested persons can find out more about the qualifications by contacting a Patrol recruiter by calling 1-800-796-7000, or may apply online at www.motrooper.com.

The number of successful candidates being extended an offer of employment is contingent upon factors such as budget constraints and the number of vacant positions statewide.
