George's Processing is an equal opportunity employer.

**Highway Patrol seeking new troopers**

The Missouri State Highway Patrol, a premiere law enforcement agency, is testing for new troopers. The Patrol is encouraging qualified individuals of all backgrounds to apply, and will offer testing at nine different locations in Missouri. Those who successfully complete testing will be eligible to continue in the selection process for the 105th Recruit Class, scheduled to begin training on July 5, 2017. The application deadline is October 3, 2016.

To be eligible candidates must possess a minimum of 30 college credits, or two years of federal active duty military service with an honorable discharge, or two years of full-time POST certified experience as a law enforcement officer with arrest authority at the time recruit training begins.

The starting salary for trooper is \$3,430 per month while in training; \$3,516 per month after six months; and \$3,736 per month at two years of service. Other benefits include group health insurance, contributory retirement, career advance-

ment, and more.

The selection process is a multi-phase testing procedure including: written examination, a physical fitness for duty assessment, polygraph examination, background investigation, and oral interview board. After a conditional offer of employment, the applicant must successfully complete a medical examination (to include vision and hearing), psychological examination, a psychological interview,

drug screening, and final applicant review.

Interested persons can find out more about the qualifications by contacting a Patrol recruiter by calling 1-800-796-7000, or may apply online at [www.motrooper.com](http://www.motrooper.com).

The number of successful candidates being extended an offer of employment is contingent upon factors such as budget constraints and the number of vacant positions statewide.
