Demolition Derby crashes records with huge crowd

Charlea Mills

Saturday night marked the continuation of the smash-and-crash event that draws a huge crowd to the Bill Hailey Arena in Cassville each year: the Rotary Club's Demolition Derby. The crowd was the largest turnout in recent memory.

Derby chairman Chad

Yarnall said, “We had the largest attendance and the most participants that we’ve ever had.” This was the 13th year for the annual event.

This year’s event featured three different events: semi-modifieds, compacts and modifieds. Hometown favorite Rusty Newman, of Cassville, took second place in both the semi-modified category, where he placed behind Washburn’s Chris Stidam, and compact category, as well as battling his way into fourth place in the modified division. His brother, Ryan Newman, took second place in the compacts division and third in modifieds, just ahead of Rusty.

As an added excitement, the youngest driver of the night, Zack Blair, 15, of Washburn, snagged the fourth place title in the compacts division. This was Blair’s first competition.

Oklahoma native Bobby Arms took first in both compacts and modifieds. Arms placed in previous years’ events, as well.

Cassville native Rusty Newman makes a hard hit, pushing a car into the side of Red Blair, of Washburn, at Saturday night's Demolition Derby.

Rebel Recycling had two drivers this year, Rick Forest and Justin Diple, who took third and fourth place respectively in the semi-modified division.

The event was so busy, that the Rotary Club actually ran out of food at the concession stand and began offering al-

ternative parking options before the derby even started at 7 p.m.

Rotary Club members directed parking, sold tickets, ran the concession and also hosted a raffle for a gun. The winner of the raffle this year was Bob Bochmler, of Bentonville, Ark.

Cassville Firefighters and South Barry County Ambulance District EMS personnel were on site to deal with any emergencies during the event. Their presence ended up being useful when an electric meter on a power pole shorted out

Two BC families awarded Century Farm status

Two families in Barry County were awarded the Century Farm status award by the University of Missouri Extension Office this year. Charles Whisman and family were given the award for 49 qualifying acres acquired in 1912 by his grandparents, Joel and Sarah Whisman. Kenneth Saloga and family had 80 qualifying acres from 1914, which he inherited from his grandfather, George W. Schad.

The Whisman family is pictured above with representatives from the University of Missouri Extension Office. From left to right: Jason Hudson, council chairman; Reagan Bluel, dairy specialist; Charles Whisman; Sharon Whisman; Logan Whisman; and Jamie Whisman. In the front: Jolie Whisman.

The Saloga family was not available for a picture.

Fatal Hwy. 37 wreck claims Cassville man

Charlea Mills

A Cassville man's life was taken in a single-car crash on Thursday morning. Aaron J. Haston, 41, was pronounced dead at the scene.

According to the Missouri State Highway Patrol crash report, Haston was driving southbound on Highway 37,

three miles north of Cassville around 8 a.m. when he ran off the roadway, struck a culvert and overturned.

Haston was ejected from his 2004 Chevrolet Monte Carlo and was pronounced dead by Deputy Coroner Charles McManus at 8:53 a.m.

Haston was not wearing a seat belt at the time of the crash, and the Monte Carlo was totalled. Haston was taken to Fohn Funeral Home, in Cassville.

This was Missouri State Highway Patrol Troop D's 86th fatality for 2015.

Two shot in chase for burglary suspects

Hamm

Cox

Charlea Mills

After a 20-minute car chase, two suspects are in custody for two Barry County burglaries as well as at least three more in other counties last week. David Cox, 53, of Kansas City, Kan., and Marie Hamm, 32, of Kansas City, were taken into custody by Green County Sheriff's deputies. The chase ended on South Scenic Avenue in Springfield when the truck Cox was driving was disabled, and he tried to steal a pickup after shooting the driver in the shoulder. Deputies shot Cox and took him into custody.

According to Sheriff Mick Epperly, two separate Barry County burglar-

ies on September 8, one in Leann and one in Golden, were solved by Cox and Hamm's arrests. Epperly said, “They’re clearing up a lot of cases that these two were involved in now.” He said that two other burglaries include one in Stone County and one in Carroll County, Ark.

Epperly also said that Cox's car chase went from Springfield to Republic then back up into Springfield before his car was disabled by a spike strip around 6:40 a.m.

According to the affidavit of probable cause by Barry County Detective Robert Evenson, Hamm and Cox broke into a home

Cassville man arrested for threatening officers

Charlea Mills

On Wednesday, a Cassville man was arrested on charges of terroristic threats, a class C felony. John Herald Kisling, 47, of Cassville, was being arrested at 7:34 a.m. on Wednesday, September 9, for domestic assault in the third degree. While on the way out of the residence on 8th Street in Cassville, Kisling yelled that he was going to shoot all of the officers, according to the affidavit of probable cause.

Then, Kisling allegedly tried to kick Cassville Officer Colt Beck and Deputy Ruark while being put into a patrol unit. Once in the Barry County Jail, Kisling continued to make threats toward the correctional officers.

Kisling threatened 38 officers, claiming he was going to shoot all of them when he got out of jail, ac-

Kisling

cording to Officer Beck's affidavit.

Kisling was charged with terroristic threats and was given a \$15,000 cash-only bond by Judge Robert Foulke. Kisling has also charged with domestic assault in the City of Cassville. He is still in the Barry County Jail as of the time of press.

Seligman mayor resigns, library shut down

Shania Stumpff

The mayor of Seligman Jerry Montgomery announced at Monday's City Council meeting that he is resigning due to health problems. Montgomery has served almost three years during his current term, and previously he served two years.

At Monday's City Council meeting, Montgomery announced his resignation. "Due to my health, I am going to retire. I'm going to turn it over to these young fellas, I'm just not doing real spiffy," said Mont-

gomery.

Brian Nichols, Seligman city clerk, said, "Jerry's resignation was kind of expected, yet I was still surprised. He really liked his job."

In December, the city will start accepting candidates for the election in April. Until then, they are going to have to find a recommended person to sit in as mayor.

Before the meeting Monday night, a public hearing was held regarding the City Library. The council made the decision to

shut down the city library.

Last month, the library only had one book checked out, and in July, only two DVD's. "The numbers speak for themselves," said Nichols.

There will be a day set where people from the community can come to the library and take home items they would like out of the inventory. The city will donate or recycle any remaining library materials.

After all the library materials are gone, the city will utilize the building for court dates and council meetings.

CLARENCE “DALE” MYERS

Clarence “Dale” Myers, 82, of Wheaton, passed away Saturday, September 12, 2015, in his home.

He was born July 19, 1933, in Powell, the son of Irvin and Wanda (Cooper) Myers. On December 28, 1959, in Hardtner, Kan., he was united in marriage to Pearl Wolgamott, who survives. Also surviving are two sons, Matthew Bryan Myers, of Webb City, and Bradley Lynn Myers, of Kansas City; one daughter, Dana Jo Wallace and her husband, David, of Webb City; four grandchildren, Ian and Katarina Wallace and Ella and Ava Myers; a brother-in-law, David Wolgamott and his wife, Carol; and several cousins, nieces and nephews.

Preceding him in death were his parents.

Dale received his education in Pineville, graduating with the Class of 1951. He received his Master’s degree in education from Pittsburg State University in Pittsburg,

Kan. For thirty-six years he was an educator, retiring as assistant director, AVTS from the Kansas City, Kan., school district. In 1999, he returned to Missouri to reside in Wheaton. He attended Wheaton United Methodist Church and was a member of Cosmos Masonic Lodge in Kiowa, Kan., the Scottish Rite over fifty-five years, Eastern Star, a life member and a charter member of The Fire Wagons of the Abdallah Shrine Temple in Kansas City, Kan. Some of his favorite pastimes were working on automobiles, building things and working on his 1929 Model A.

Graveside services were held at 10:00 a.m. today, Wednesday, September 16, 2015, in Union Cemetery, Stella, under direction of McQueen Funeral Home, Wheaton. Reverend Roger McKee conducted the services.

The family received friends from 6:00 until 8:00 p.m. Tuesday, in McQueen Funeral Home, Wheaton.

Contributions may be made to Zero Prostate Cancer Run 2015 in memory of Dale.

At Rainbow's End

Like a shimmering rainbow appearing briefly after a storm, we are reminded that life too, in all its glory is also fleeting, and it is only in memory that beautiful moments can remain in our grasp.

We conduct every funeral service as to be a source of comfort and inspiration to the living as well as a worthy and memorable tribute to the departed.

**EVELYN
PEARL NICHOLS**

Evelyn Pearl Nichols, 91, of Pineville, died September 8, 2015, at her home.

She was born September 26, 1923, in Kansas City, to Howard Laverne Van Cleave and Ida Mabel Akehurst Van Cleave. She married Leonard Leroy Nichols March 11, 1945. They raised their family in Raytown and Pineville, then retired to the lake in Golden. After Leonard's death in 1997, she moved back to the farm in Pineville to make her home. She was a proud homemaker, loved sewing, cooking from scratch and vegetable gardening. She was saved at eleven years old and was a member of Pleasant Hill Baptist Church in Washburn, where she was the church pianist. She is preceded in death by her parents; her husband; a son, Jerry Nichols; three brothers, Lee, Jack and Richard Van Cleave.

Survivors are three sons, David Nichols and wife, Sue, of Blue Springs, Bill Nichols and wife, Frances, of Pineville, Don Nichols and wife, Crissy, of Alexander, Ark.; two daughters, Beverly Jones and husband, Richard, of Blue Springs, Barbara Clark and husband, Michael, of Pineville; a daughter-in-law, Peggi Nichols, of Oak Grove; nineteen grandchildren; thirty-nine great-grandchildren; and two great-great-grandchildren.

Graveside services were held at 10:00 a.m. Friday, September 11, at Simsberry Cemetery on Hwy. E north of Pea Ridge, Ark. with Pastor Ron Gray officiating. Arrangements were by Sisco Funeral Home in Pea Ridge, Ark. Visitation was from 6:00 to 8:00 p.m. Thursday at the funeral home.

Online condolences may be made at siscofuneralhome.net.

JOY ROMULUS PETTY

Joy Romulus Petty entered this world September 5, 1922, on a flint rock farm in Barry County and entered into eternal rest August 25, 2015, at the Idaho Veterans hospital in Boise, Idaho.

He was the eighth of nine children born to Elsie and Isaac Petty and has three siblings from his father's second marriage.

Joy served in WWII and was stationed on an island Air Base in Guam for the final bombing assaults on Japan. After the war, Joy returned to Ukiah, Calif., and married Alma Myers.

Joy was pre-deceased by his sons, Harold Petty and Jimmy Petty; his parents; one brother and seven sisters. He is survived by one daughter, Rose, and husband, Archie Dunsing, of New Plymouth, Idaho; daughter-in-law Debra Brush, of Boise, Idaho; son,

John Petty, of Cassville; two brothers, Ike Petty, of Sacramento, Calif., and Vern Petty and wife, Lois, of Cassville; and one sister, Maxine Broan, of Fairport, N.Y.; thirteen grandchildren; eighteen great-grandchildren; and a host of nieces and nephews, all of whom feel greatly blessed to have had Joy in their lives for so many years.

As anyone who knew Joy would tell you, HE LOVED TO FISH!! but didn't particularly like to eat them. He and his brother, Vern, fished regularly at Roaring River State Park in Cassville, and he was always looking for someone to give the fish. He also loved to hunt mushrooms and was noted for finding some of the largest "chicken of the woods" ever seen in Barry County. In 2007, Joy came to live with Harold and Debra in Idaho. He was truly a bright spot in the lives of all who knew him.

God bless you, and rest in peace, we will miss you.

There will be graveside services in both Boise, Idaho, at the Idaho Veteran's Cemetery, date and time to be determined, and at Mano Cemetery, at 1:00 p.m. Saturday, September 26, 2015, under direction of Fohn Funeral Home.

DERBY from FRONT

toward the end of the night, causing a small fire that took out some of the spotlights. No one was injured during the incident, and the Cassville Firefighters were able to extinguish the fire quickly.

Other members of the community also kept the night's events running smoothly. Hutchens Construction donated a water truck for the arena while Johnnie Cox brought his skid steer and operated it to move cars after the races. Brice's Towing also provided two tow trucks. Yarnall said, "We really need all of those people to keep things moving quickly and we had many people donate their equipment and time to help out."

He continued, "It was a huge success. We are so appreciative of all of the support that the community gives us.

Following the first race, Chris Stidam (left) and Rusty Newman (right), first and second place winners respectively, stand with their cars. After the race, Newman laughed and said, "He had me pegged from the beginning, and this was his first win. It was a great time." Photo provided by Bill Shiveley.

Without them, we would just be a bunch of cars smashing

each other."

Funds raised at the Demolition Derby each year go to support a variety of programs sponsored by the Rotary Club of Cassville, including worldwide vaccination efforts, a

dictionary drive for local third grade students, the Don't Meth With Us anti-drug program for local fifth graders, local college scholarships and others.

MM Hwy. to be closed for Blazi Lowe benefit Oct. 10

Two circus shows in Cassville on Sept. 23

Charlea Mills

The circus is coming to town. For Cassville area residents, the Carson and Barnes Circus will be rolling into town on Wednesday, September 23, for two different shows and a special free elephant bath time event.

The circus will have two performances on Wednesday, one at 4:30 p.m. and the other at 7:30 p.m., at the American Legion grounds on Highway 112.

To kick off the day, a special free event for the community begins at 3 p.m. The Asian elephants featured in the Carson and Barnes circus will have a spa day from their head to their toes. Staff will be washing the elephants, exfoliating and moisturizing them and giving them pedicures. Anyone from

the public is welcome to watch the event for free on Wednesday afternoon.

Also during the free event, the community is welcome to view the exotic animals before each performance. Animals include a menagerie of animals from around the world.

The show itself will feature a variety of performances, including death-defying extreme stunt bike riders, animals, acrobats and more.

Tickets for the circus are available in advance for \$12 for adults and \$6 for children under the age of 12. Day-of prices will be \$16 for adults and \$10 for children under the age of 12. Tickets are available on their website at www.BigTop-Show.com or by calling (580) 743-7292.

Central Crossing Senior Center offers knitting class

Do you knit? Have you ever wanted to knit? Well, beginning next Thursday, September 17, from 9 a.m. to 11 a.m., Audrey Olson will kick off a Knitting, Crocheting and Tatting class. Those interested in attending should bring a size 8 or 9 and D or E hooks to class. Audrey is requesting donated needles of any size as well. Come on in; learn a new skill and have some fun!

The Central Crossing Center offers plenty of games

and activities on a weekly basis already; however, we also have lots of extra room with the completion of the Melba Eakin Addition, so we are encouraging seniors who may wish to start a favorite game – cards, backgammon, checkers, chess, etc. to call Central Crossing Senior Center at 858-6952 and speak with Karin. Karin will work with you to help you get your special activity or game going with others who may have similar interests.

SW FBLA offers Parents' Night

Brianna Roller

Join Southwest High School FBLA for our new, upcoming, monthly, event:

Parent's Night Out. This is an opportunity for parents in the Southwest area to have a night to themselves,

while our FBLA organization offers a fun-filled evening for their children.

They will have the option of viewing a movie or partaking in activities in the gym. We will also provide the children with snacks and drinks. Parent's Night Out will run from 5:30 p.m. to 9 p.m. and will occur every second Friday of the month. October will be the first month of this event and April will be the last. February and March are the only two months that Parent's Night Out will not transpire due to no school.

The Southwest High School commons will host this coming affair. Children who are ages three (and potty-trained) to 12 may attend for a reasonable payment of \$8 per child. If you have any questions, please email SWHS FBLA adviser Sharesa Rodgers at srodgers@swr5.net or call (417) 826-5413.

Cassville to participate in drug take-back day

Cassville Police Department is again participating in the D.E.A. Prescription Take Back Day. This will be held September 26, between the hours of 10 a.m. and 2 p.m. Medications can be dropped off at Cassville City Hall at 300 Main Street. The entrance will be in the back of the building using the Council Chamber door.

The Prescription Take Back Day is to help people to properly dispose of unused medications, both prescription and over-the-counter. Proper disposal of medication helps to protect the environment and keeps the medicine from being flushed into water systems. This also helps keep the medication out of the hands of people who do not have a prescription or need for the medication but want to use it for recreation.

"We want to encourage people to take the time to clean out their medicine drawers and cabinets and properly dispose of their unused medicine," said Cassville Police Chief Dana Kammerlohr.

Inhalers, illegal drugs or sharp objects, such as syringes, will not be accepted. No medications can be accepted from medical clinics, pharmacies or veterinary clinics.

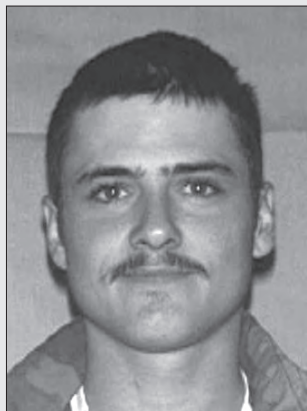

This is the 10th National Prescription Drug Take-Back day. The National Prescription Drug Take-Back addresses a vital public safety and public health issue. Many Americans are not aware that medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are at alarming rates, as are the

number of accidental poisonings and overdoses due to these drugs. Studies show that many abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, many Americans do not know how to properly dispose of their unused medicine, often flushing them down the toilet or throwing them away – both potential safety and health hazards.

In the previous nine Take-Back events nationwide from 2010-2014, 4,823,251 pounds, or 2,411 tons of drugs were collected.

Barry County Senior Resource Fair Sept. 18

Charlea Mills

This Friday marks an opportunity for Barry County senior citizens to learn about special programs and resources available within the community.

The event is being organized by Good Shepherd

Hospital community liaison Tiffina Spears. Spears stated, "This is a good event for seniors. Any senior services in the community who want a booth will have information available that day."

So far, booths from the Cassville YMCA,

the Department of Social Services, Ozarks Area Community Action Corporation (OACAC), Arc of the Ozarks, Mercy and area nursing homes have signed up to participate in the fair. Additional booth space is available and more organizations are signing up currently.

Spears said, "Everything from Hospice care to senior center information will be available for them."

The resource fair is an annual event started by OACAC four years ago. Good Shepherd has been in charge the past two years.

Spears stated, "There is a lot of information that seniors don't know. This is

to benefit them in case they need these services or if they have a family member that might want that information. These resources are just to benefit them."

She also added that a Mt. Vernon Veteran's Home representative will also be there to give veteran-specific information.

The Senior Resource Fair will be held at the Family Life Center in Cassville on Friday, September 18, from 8 a.m. to noon. The event is free and refreshments will be provided for attendees.

If you are interested in free booth space at the fair, contact Spears at (417) 569-5398.

Mercy names September Co-Worker of the Month

Mercy Hospital Cassville recognized Krista Baker, RN, as the September Co-Worker of the Month. Krista has been employed by Mercy for two and a half years. She resides in Cassville with her husband and two children.

Krista enjoys spending time with her family and any outdoor activity, like hunting, fishing and archery. She came to work for Mercy because it's a small-town friendly hospital that's close to home. She loves being a small part of someone's life at a time when they are in need.

Pictured are Baker and George Roden, Director of Human Resources and Operations.

Cassville City Council discussion continues on road work

Charlea Mills

Following the passing of a 3/8-cent transportation sales tax last year, discussion regarding how roads will be repaired and maintained in the city has continued to be a heated topic. Monday's Cassville City Council meeting brought some closure to the questions about how the city will decide where to start spending the money that's been collected since last November.

Alderman Jon Horner stated, "Citizens have seen nothing done for the last 20 years on their roads. While I'd love to see asphalt on all of the roads in town, we need to see something done that's realistic. I'd like to get as much done as possible to get the town looking better."

Phil Hutchens, owner of Hutchens Construction, spoke to the council to provide some insight on what

different road treatments typically cost and what they can expect to get done based on the revenue they have.

Thus far, the city has collected \$273,423.02 since last November. By the numbers, chip and sealing a mile of road costs just over \$23,000, assuming there are no issues that need to be fixed first. Overlaying with asphalt, on the other hand, costs over \$103,000 per mile, assuming no milling or base work has to be done first. Cassville has 72 total miles of streets.

Horner said, "If we can do as much as we can with chip and seal to get us as many miles covered as we can, it's a great plan. We need to see improvements."

The decision was made Monday night to hire someone to grade the streets inside the city, per alderman Terry Heinz's request, and

rate them so that the council can put out a bid for street work in February. The grading system is done by standards by the Missouri Asphalt Pavement Association.

The alderman came to the conclusion that repairs and maintenance should be done as a mixture between preserving the better roads and doing major work on deteriorated streets. The treatment the council opt-

ed for as a preservation method is a black sealer to protect existing roads from moisture that will break them apart. The sealer runs around \$16,000 per mile.

Public Works employees will be filling pot holes over the fall and winter months, as well as addressing cracks in the pavement. Initial overlay, chip and seal, and sealant work should begin in the spring.

Local author’s book to benefit Central Crossing Senior Center

Back in 1998, a small group of men gathered together and discussed what, back then, was only a shared dream for Shell Knob, a dream of forming, financing and managing a senior center with senior housing in the rural, unincorporated village of Shell Knob. It seemed, at first, it could only remain a dream. After all, how could such a grandiose plan be done when it would require so many volunteers and with such limited funding? The small group was motivated by the desire to build a better community. Recognizing it was worth a shot, albeit a long shot, they each chipped in \$10 (for a total of \$50) and decided to give it a go. To have any hope of becoming reality, though, would require a community of volunteers who had faith and dedication in this shared dream. The beautiful facility we know today as Central Crossing Senior Center

didn’t just appear. It started with this dream of building a better community through the dedicated efforts of like-minded volunteers. Turning the dream into a reality was fraught with many problems from the beginning, but through hard work, determination and prayer, this little unincorporated village has developed a first class Senior Center enjoyed by the entire community.

One of the original officers of Shell Knob Seniors Inc. (SKSI) and co-founder of the Central Crossing Senior Center, Glenn Phillips, decided to write the story of the shared journey in a book entitled “\$50 And A Dream”.

“\$50 And A Dream” documents the story of SKSI and Central Cross-

Phillips

ing Senior Center from its inception to the regional class senior center it is today. The book is a story which shares the humor and frustrations shared by the founders along the journey. In the end, though, it illustrates how a community can dream the impossible dream, and with a lot

of work, grit and determination, make that dream a reality. The book covers the period from the initial dream in 1998 to the present. It highlights the honor due the many volunteers who made it all possible. It is a living history and testament to how prayer and “doing God’s work” can overcome many adversities.

“\$50 And A Dream” is a beautiful story and a must read for anyone living in the community, any regular visitor to the area, and for anyone interested in starting a Senior Center is a rural area. You can get your copy at Central Crossing Senior Center. Phillips has generously directed all proceeds to be used for the betterment of the Senior Center. Stop by or call the Center at (417) 858-6952 to get your copy today.

Lamar claims 38-6 victory over Cassville

Lee Stubblefield

Missing 14 starters from last year's team, the Lamar Tigers had a lot of questions going into the 2015 football season. After improving to 4-0 with wins over both Monett and Cassville, Scott Bailey's team showed it found the answers.

The Class 2 Tigers won this game in every key category: controlling the line of scrimmage on both sides of the ball; winning the field position battle; and scoring on offense, defense, and special teams. Lamar's only blemish for the night was in the penalty department, where the Tigers were flagged ten times.

The Cassville defense hung in against Lamar's power running game, but the Wildcats found themselves in a 24-0 hole at halftime. With his team trailing by only 3-0 late in the first quarter, River Phelps punted away from the Cassville 26-yard line. Lamar's Luke Hardman gathered in the kick and raced 54 yards for a touchdown.

Then, on Cassville's first offensive snap after the score, Lamar's Todd Morrow picked off a Leigh Cox swing pass out in the flat and raced in from the 15-yard line for another Tiger tally with 2:14 remaining in the first quarter.

The Wildcats finally earned a first down on the following series. A lack of first down efficiency consistently put the Wildcats in second and long situations

Cassville's Leigh Cox is pictured above as he runs the ball for the Wildcats Friday night.

early in this game. Without big fullback Kyle Ruark for the night, the Cassville running game relied mostly on scatbacks River Phelps and Garrett Knight, and yards were hard to come by against the tough Tiger defensive front. Even finally moving the chains was accomplished via a Lamar penalty. But the opportunity faded, and Phelps punted away on the second play of the second quarter.

Lamar scored in just six plays, with Hardman skipping the final 28 yards on a quarterback draw.

Trailing 24-0, the Wildcats finally mounted a drive as the clock dwindled, and the scoring hopes failed when Cox was trapped for a loss on 3rd and 8 at the

Lamar 38-yard line. Phelps punted with less than a minute left on the clock, and Lamar was content to run out the final seconds before halftime.

The Tigers opened the third quarter with a 12-play, 89-yard, clock-consuming drive that effectively ended any comeback hopes. Danny Embry bolted off right tackle to score from the 12-yard line at the 7:06 point of the quarter. Morrow, Lamar's senior all-conference kicker, drilled another PAT to push the lead to 31-0.

The Wildcat Nation got a taste of Murphy's Law on the next possession when Lamar recovered a fumble at the Cassville 16-yard line. Matt Whyman was tackled just short of the goal line on first down, then sneaked in on the next play as the 38-0 score invoked the running clock.

The Wildcats finally scored late in the final quarter when Steven Hunter barreled into the end zone from 10 yards out to create the 38-6 final score.

The Hunter score ended a streak of 12 scoreless quarters for the Wildcats against the Tigers.

"You can't make mis-

takes against a good football team," Coach Lance Parnell said after the game. "Those mistakes get magnified, good football teams take advantage of mistakes."

Parnell didn't waste time dwelling on the might-have-beens after the game, He was already planning for next week's Barry County Brawl against Highway 37 rival Monett in just the second home game of the season for the Wildcats.

"I'm not sure I remember what our stadium looks like," Parnell deadpanned. "There's no better way to come home than to play your arch rival."

Cassville hosts Monett on Friday night at Wildcat Stadium. Kickoff is set for 7 p.m.

Southwest Spikers record two wins

The Southwest volleyball team rallied for non-conference wins at Galena and Diamond last week.

After losing the first set in both matches, the Lady Trojans stormed back for victories, improving their record to 7-2-1.

"It's never easy to win on the road, and it's more difficult when you are behind," said Coach Steve Voyak. "The girls really responded in a difficult situation, twice."

Against Diamond, Southwest fell behind early in the first set, and the Wildcats cruised to a 25-18 win.

"They had a large, loud crowd and their girls were pumped up," said Coach Voyak. "We stress trying to involve all the hitters and the setters did a nice job mixing it up, and then going to the hot hand."

Senior Savana Leonhardt finished with 11 kills, includ-

ing 9 in the final two sets. Senior Jaime Shrum added 15 kills, 6 coming on tips, and junior Sydney Leroy was 10 for 10 serving with 2 aces and 16 digs. Shrum served the first eight points of the deciding set and the Wildcats never recovered.

Against Galena, Southwest dropped the first set 25-23, but won the second in convincing fashion at 25-13.

Junior Rebekah McKeever led the way against the Bears with 10 digs and 2 kills.

"Rebekah was a calm and steadying influence when we got behind," Coach Voyak said. "We like to use her as a hitter, but she is also a nice passer and made multiple tough digs that led to attacks. Digging the ball out of the front row can be difficult, but she remained focused and helped get the lead and we never looked back."

Leroy and Shrum also

went 21 for 21 serving and added 3 aces. Through 10 games, Leroy is 61 for 61 serving with 12 aces.

"Syd does all the little things," Voyak said. "She's fundamental, makes smart decisions and has a high volleyball IQ. Serving at 100 percent this far into the season is unbelievable, but she served at 98 for about half of last season. She's capable."

In junior varsity action, the Lady Trojans also swept games with Galena and Diamond. Freshman Maggie Robbins had 12 aces in the two games and has 41 for the season. Sophomore Kristen Hendrix had a huge game against Diamond going 10 for 10 serving with 2 aces and adding 9 digs and a kill.

Southwest has a busy schedule this week with road games at Blue Eye and Verona and a home game with Cassville. On Saturday, the girls will play in the Greenfield Tournament with pool play games against Exeter, Golden City, Sarcoxie and Greenfield.

Freshmen win thriller at Lamar

In a game that started much like any other game, but ended so differently than most, Cassville's freshmen football team claimed an exciting victory at Lamar on Monday. Cassville scored on their first drive of the game to take a 7-0 lead.

Lamar answered with back to back touchdowns to jump in front 14-7. Just before halftime, the 'Cats pounded into to the end zone again to close the gap to 14-13 at intermission.

A routine, ordinary first half of football turned into a thrilling, heart pounding second half of action.

Lamar scored the first points of the second half to claim a 22-13 lead. Cassville responded with a touchdown, bringing the score to 22-19. Once again, Lamar scored to extend their lead to 30-19.

Again, the Wildcats answered with a touchdown and 2 point conversion reception by Trevor Morgan to get within 3 points at 30-27. After a defensive stop by the

Wildcats, the offense took over midway through the 4th quarter.

Reaching deeply into the playbook, the Cassville drive gained many yards and lots of momentum on a reverse pass from Ethan Hoppes to Shannon Haney.

A few plays later, on 4th down, Haney reciprocated by throwing a strike to Hoppes in the back left corner of the end zone. The extra point gave the Wildcats a 34-30 lead with two minutes left in the contest.

After converting on a huge 4th down play, Lamar put another touchdown on the scoreboard to take a 36-34 with less than a minute remaining on the clock.

After the Lamar kickoff, Cassville took over near mid-field, out of timeouts, and trailing by 2 points.

A Haney to Hoppes pass connection moved the Cassville offense deep into the Tiger territory and renewed the Wildcats hopes for a victory. Those hopes become reality when Haney once

again tossed a touchdown to Hoppes in the back corner of the end zone with 12 seconds remaining in the game, giving the Wildcats a 41-36 come-from-behind victory.

Anthony Tolbert and Haney each contributed two rushing touchdowns for the 'Cats, while Hoppes hauled in two touchdown passes.

In addition to Morgan's 2 point conversion catch, Andrew Berndt added three extra point kicks to contribute to the Cassville scoring total.

Both Coach Artherton and Coach Rogers were pleased with the resiliency and determination exhibited by the young Wildcats.

Rogers said, "Had we played better throughout the game, we probably wouldn't have needed this comeback to win."

"However, it was great to see the kids never give up, execute in pressure situations, and find a way to win. This was a very exciting game to be part of, but I may be getting too old for many more of these."

Pictured above is Southwest junior Sydney Leroy who has made 61 serves in a row.

Cassville volleyball fall to McDonald County

Lee Stubblefield

The Cassville Lady Wildcats found McDonald County as tough as a warped wall on Monday night, dropping a straight set volleyball match to the visiting Lady Mustangs, 20-25 and 21-25. Cassville entered the match with a 2-2 record but could not scale the .500 mountain against McDonald County.

The Lady Mustangs jumped out to an 8-2 lead behind a strong service run by Destiny Arnall. The lead stretched to 15-8 before Brianna Hemphill became the first Cassville server to shake the one-and-done curse.

With Mac leading 16-10, Chelsey Small scored with a block at the net to pull the Ladycats within 5 points. But Arnall fashioned another service run for a 22-15 advantage, and the Lady Mustangs won the first set, 20-25.

McDonald County was impressive at the net, and even more so from the ser-

vice line. Cassville's defense was sorely tested by an array of hard and accurate serves. Even though the Lady Mustangs only recorded three aces, their service game led to a number of unforced errors.

After a tentative 3-3 start to the second set, Cassville stretched to an 8-3 lead behind another strong service run by Hemphill. Mac reclaimed the serve on a smash by Brittney Stone, and then Stone ripped off five straight serves to give the visitors a 10-8 lead. Alexis Cieslinski

staunched the bleeding with her kill shot, but Bailey Tyson nailed a pair of aces in a service run that propelled the Lady Mustangs to an 18-9 advantage.

The Ladycats scrapped back to within 22-18, and then to 24-21 when Tyson hit long on Cieslinski's serve. But Mac won out on an errant serve, 25-21.

Cassville goes on the road against Barry County neighbor Southwest for a nonconference match on Thursday night at Washburn.

Sales tax revenue up for fourth month in a row

Charlea Mills

For the fourth month in a row, sales tax in Barry County and the City of Cassville was up over last year's revenue.

Sales tax collected in August and received by the county and city governments in September showed a 9.43 percent increase for Barry County and 6.8 percent for Cassville. Barry County's revenue for August

was \$237,314.31, which was \$20,553.25 over last year for the general 1/2-cent sales tax. Cassville's revenue for the general one-cent sales tax was \$90,458.63, which was \$5,764.36 over last year's revenue.

For Cassville, September marked the largest total of revenue collected for the new 3/8-cent transportation tax with the total received being \$33,863.82. So far for

the year, Cassville's transportation tax has brought in \$249,399.78 for 2015. Last year, November and December brought in a combined \$24,023.24.

For the year, Cassville's revenue is up 10.1 percent over 2014. By the numbers, Cassville has received \$707,713.02 in sales tax revenue for the year, \$65,035.99 more than 2014.

Barry County's revenue is up 5.25 percent for the year. Thus far, the county has received \$1,522,605.74 for the year, which is \$75,989.53 more than last year's revenue for the general 1/2-cent sales tax.

If trends continue, the sales tax revenue could surpass revenue collected annually for each of the last six years.

Five injured in wreck near Purdy

Charlea Mills

Five people were injured in a wreck on Route C Thursday evening. A 2000 Dodge Dakota turned into the path of a 2005 Ford F350 while executing a left turn, according to the Missouri State Highway Patrol crash report.

Around 6:10 p.m., Shawn A. Hughey, 37, of Verona, was headed westbound on Route C six miles east of Purdy. While attempting a left turn, his Dakota was struck by the Ford truck driven by Edward A. Cooper, 69, of Granby.

Hughey received minor

injuries and was transported by private vehicle to Mercy Hospital in Springfield along with two 14-year-old passengers, also with minor injuries. Two 12-year-old passengers received moderate injuries and were transported via ambulance to Mercy Hospital in Springfield.

Hughey and two of the minor passengers were not wearing seat belts at the time of the crash. The other two passengers were. Cooper, who was wearing a seat belt, had no reported injuries at the time of the crash.

Two injured in MO 37 wreck

Charlea Mills

Two women were injured in a wreck on MO 37 three

miles north of Washburn on Wednesday night.

Sarena J. Tucker, 28, of Cassville, was driving a 1991 Honda Accord and pulled into the path of another vehicle. The other car, a 2006 Acura TSX, driven by Lauren M. Dilley, 25, of Fayetteville, Ark., was struck in the side, injuring both drivers. Dilley was wearing a seatbelt, but Tucker was not. Both women received moderate injuries and were transported to Mercy Hospital in Cassville.

CHASE from FRONT

on State Highway 39 in Leann near Aurora. Then the home's owner, Carol Walker, arrived home, she said there was a black sport car in her driveway. When she went in the house, Cox and Hamm were inside, carrying out items that belonged to Walker.

At that point, Cox allegedly pointed Walker's own .30-30 rifle at her and told her to get out of the house before shoving her as he walked past. Cox and Hamm both threatened to kill the her multiple times.

Walker left the home to go back to where her four-year-old granddaughter was in the car and left.

Charges were filed on that case on September 10 after Hamm was identified by her car. Epperly said that she has a sister living in Golden which tied her to the area. Cox and Hamm were each charged with burglary in the first degree, assault in the first degree and stealing for the Leann burglary. Judge Johnnie Cox set their bonds for \$50,000 cash-only each.

Within an estimated two-hour window of the Leann burglary, Hamm and Cox allegedly also robbed a home on Farm Road 1210 in Golden. According to the affidavit of probable cause, they stole four antique lamps, three boxes of jewelry and an antique mirror and brush, worth around \$190.

When interviewed in jail by Barry County detectives, Hamm admitted that she and Cox had burglarized the home. Hamm threw the property out of the car window while being chased by Greene County deputies.

Cox and Hamm were each charged with burglary in the second degree and stealing. Judge Robert Foulke gave each of them \$25,000 cash-only bonds.

Hamm is currently being held in the Barry County Jail while Cox was released back to the Greene County Jail after being treated for his injuries. A Greene County judged denied a bond for Cox.

Epperly confirmed that Cox was recently released from prison for other crimes. He said, "He just served 22 years, but I guess he wanted to go back."

MDC encourages deer hunters to Share the Wealth

Many Missouri families can't afford to put high-quality, low-fat red meat on the dinner table. Deer hunters can help by sharing their harvests through Missouri's Share the Harvest program. The venison-donation program connects deer hunters with hungry Missourians through participating meat processors and local hunger-relief agencies around the state.

In 1992, a group of bow-hunters in Missouri began the program to share the deer they harvested with those less fortunate. Since then, Missouri hunters have donated more than 3.3 million pounds of venison to the needy through Share the Harvest. Last year nearly 4,000 hunters donated more than 212,000 pounds of venison.

The program is administered by the Missouri Department of Conservation (MDC), the Conservation Federation of Missouri (CFM), and supported by numerous sponsors.

To participate, hunters simply take their harvested deer to one of more than 130 participating meat processors around the state and let the processor know how much venison they wish to donate to the program. Hunters can donate a few pounds to a whole deer. The processor will package the ground meat, which will be given to local charitable agencies for distribution to hungry Missourians.

The cost of processing is the hunter's responsibility, but funds are available to help with processing costs when a whole deer is donated. CFM reimburses processors a predetermined amount for each whole deer donated. This allows processors to reduce the processing fees to hunters. In addition, many processors have local funds available that allow deer to be processed for free or at reduced cost. Contact individual processors to determine if local funds are available.

To find participating processors pick up MDC's 2015 Fall Deer & Turkey Hunting Regulations and Information booklet at MDC offices and nature center, where hunting permits are sold, and online at mdc.mo.gov.

Haven of the Ozarks Pet of the Week

The Haven of the Ozarks Pet of the Week is...Kittens! Okay, so that is actually PETS of the week, but it was too hard to pick just one. The Haven currently has 11 beautiful and friendly kittens of all colors who will be ready to go home in less than two weeks. They will be spayed/neutered, current on shots, will have AVID microchips, and will be tested for feline leukemia before they leave us. This cutie is a little female named Jelly Bean, and she would love to meet her family. So would all of her friends, so come on out to the Haven or call 417-835-3647 for more information.
If you are interested in adopting a dog or cat please call
417-835-3647 or visit **thehaven.petfinder.com**

Monett cook named Employee of the Year

Missouri Health Care Association (MHCA) has awarded Shirley Harris with Lacoba Homes in Monett with the 2015 MHCA Employee of the Year Award.

Harris began her employment with Lacoba Homes, Inc., on July 5, 1984. She is a dedicated employee to Lacoba, a self-starter, completes tasks, never complains and always has a smile on her face. She cooks for the special functions at the facility and personally prepares the food herself. She also cooks for the District Golden Age Games in Monett and has been for the past 16 years, serving around 450 individuals.

Residents and their families are always bragging on the food at Lacoba. Harris goes beyond the call of duty to provide the food that the residents' request. When her department has call-ins, she fills in for the vacant position. She has worked countless weekends as well.

Her kitchen is spotless and her employees respect her and know what she expects of them. Shirley is a team player and works well with all depart-

ments. She is what long term care needs and wants. For the past 31 years, she has devoted her life to long term care, considering it a privilege to work at Lacoba. "She is a definite asset to our facility," says Mike Baldus, Administrator of Lacoba Homes, Inc.

Recipients of the MHCA Employee of the Year Award are selected based on length of service to the facility, teamwork and ability to help residents realize their potential. The nomination was submitted by Mike Baldus, Administrator of Lacoba Homes.

SK author publishes book on substance abuse

Shell Knob author Jo Twidwell just released "All I Ever Wanted Was to Be Normal," a motivational self-help book.

"All I Ever Wanted Was to Be Normal" is an autobiography of a 32-year-old woman who was addicted to alcohol, was living with her abusive boyfriend and was depressed and suicidal. But Jesus heard her cry for help. He led her on the extraordinary adventures of being a Christian.

"All I Ever Wanted Was to Be Normal" is about God's loving kindness and child-like faith. She believed in what she read in the Bible,

and miracles happened! Every chapter in this book describes a miracle — something only God could do, including deliverance from alcoholism and freedom from compulsive promiscuity.

Published by Tate Publishing and Enterprises, the book is available through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

Twidwell shared her experience, faith and hope with recovering alcoholics and their family members

through Sunrise Ministries in Wichita, Kan., in the mid-1980s. She was a freelance copywriter in Wichita for 12 years. In 1996, Twidwell moved to Shell Knob and married Mike Twidwell in 1997. They are members of Creative Arts of Shell Knob, where Mike sells his woodcarvings and Jo offers personalized children's storybooks. In 2011, Twidwell won first place for one of her children's books entitled "Tin Can" from the Ozark Creative Writers' 44th Annual Conference in Eureka Springs, Ark.

Cut With Care.

Electric power tools make quick work of lawn and garden chores that otherwise could take all day. But be sure you go slowly enough to pay attention to electrical safety as you work.

Keep electrical cords in good repair, and make sure they don't get in the way of cutting tools that could damage the cords and create a dangerous situation. Also, remember that electric tools and cords must never come into contact with water.

8 OUT OF 10 MISSOURIANS ARE PAPER TRAINED.

Pity the unfortunate 20 percent.

But as an advertiser, it's the 80 percent that you should be concerned about.

* The majority. The people who read a paper. They're also the people who are more highly educated and who have greater purchasing power.

That's who reads the paper. And that's where your advertising dollars should be.

Newspaper. It delivers.
