## Suspect arrested for Aug. 20 Monett shooting

Charlea Estes-Jones

The man wanted for questioning in the shooting of a Monett man last month is now in jail. Kyle Huse, 31, of Aurora, was identified as a person of interest by the Monett Police Department after a 50 year old man was shot on August 20. Huse was taken into custody by the Lawrence County Sheriff's Department on Sunday, September 8. Huse was arrested for unlawful possession of a firearm from the August 20 shooting as well as other unrelated charges.

The Monett Police Department investigated the

## Purdy craft show brings community together for fun

On Saturday, September 7, The Gathering Place in Purdy hosted the 5th Annual Craft and Vendor show. Attendees were treated to over 60 booths featuring various crafts and activities, including food trucks and woodworking. Above, Purdy native Robyn Nance (left) shops one of the wood working booths while Katie Roberts (right) shows off her recent purchase.

The Purdy Craft and Vendor Show featured a face-painting booth on Saturday where attendees were able to get various designs hand-painted by local artists. Pictured above, Emma Morris, 5, of Purdy, walks away a satisfied customer with her sparkling rainbow design.

## Cassville Chamber to host Big Vision Day seminar

Vinnie Roberts

Small town business is the lifeblood of any community the size of Cassville. From small town pharmacies on the square to floral shops and a variety of family-owned restaurants, Cassville lives and breathes small business. In order to assist those businesses in keeping their fire and passion for their industries alive, the Cassville Chamber of Commerce has contracted with Higher Vision, of Joplin, to hold a seminar.

Higher Vision is a company from Joplin aiding businesses by looking at their overall layout, business plans and in-store

arrangements and creating comprehensive growth strategies for clients.

On Thursday, September 26, Higher Vision, in conjunction with the Cassville Chamber of Commerce, will hold a seminar called Big Vision Day.

According to Chamber of Commerce director Rachael Selby, the seminar is a different type of event for the chamber, geared more toward the idea of business improvement and growth rather than promotion.

"The chamber is usually very event-driven, but we also know that there is a need to bring resources in for our small businesses,

business owners and people looking to start a business," said Selby. "We wanted to do some different type of thing for some of our members that would be beneficial to them."

Selby went on to explain that the event will feature a variety of speakers with various areas of expertise in business growth as well as an opportunity for the business owners of Cassville and the surrounding areas to meet and communicate.

"They're going to have different, high-energy speakers come in and talk," Selby explained. "It's also a great networking opportunity. The point is to try and

## Eagle Rock man in jail after allegedly shooting at, grazing victim

Charlea Estes-Jones

An Eagle Rock man is in custody after allegedly shooting at another man and grazing his arm. The incident was reported to have taken place in the Eagle Rock Post Office parking lot late Wednesday night last week. Michael S. Corsby, Jr., 41, of Eagle Rock, is facing five charges from the incident.

According to the affidavits of probable cause by Barry County Sheriff's deputy Kayla Strahley, she was dispatched to the Eagle Rock Post Office on State Highway 86 around 9:20 p.m. on Wednesday, September 4. The initial call came in from an uninvolved party who lived across from the post office and claimed they heard gun shots and two vehicles drive off.

Another call came in reporting a man had been shot in the incident and was at the Roaring

River Baptist Church.

According to the victims in the case, they were sitting in a truck at the post office when Crosby drove up and started a fight. The victims reported hearing Crosby tell another person to "grab me the gun." When the victim shifted his vehicle into drive to leave the parking lot, he heard gun shots as he was driving away northbound on Highway 86. The driver had a laceration on his left arm from a bullet grazing him.

The report states Crosby used a .40 caliber Glock 23 to fire four rounds at the victims.

Crosby is currently being held in the Barry County Jail in lieu of a \$100,000 cash-only bond. He is charged with two counts of assault in the first degree, two counts of armed criminal action and one count of unlawful use of a weapon.

# Shakin’ in the Shell to bring a good time this weekend

Shell Knob will hold “the biggest little fall festival in the Ozarks” on Friday, September 13 and Saturday, September 14. The popular event will provide family fun and entertainment starting on Friday after-

noon at 5:00 p.m. at Chamber Park just off Highway 39 in downtown Shell Knob. Parking and admission to the fairgrounds is free. Friday evening’s lineup includes several food booths and a beer and wine

garden. Stroll the grounds to visit a variety of retail booths and a boat, motorcycle, kayak and outdoors show. The night will be capped off with a free concert by the popular Earl and Them.

Saturday opens with the 31st annual Classic and Custom Car Show from 9:30 a.m. to 3:30 p.m. Activities and events for the whole family run from 10:00 a.m. to 8:30 p.m. The beer and wine garden, festival food booths and a farmer’s market will be on-site all day, along with retail booths and the outdoors show. Children can enjoy carnival rides, bungee jump, bubble soccer, face painting, rock wall climbing and camel rides. There is a charge for some of these activities.

Axe throwing from 4:00 to 6:00 and tethered hot air balloon rides from 5:00 to 7:00 are scheduled for the more adventurous. On-stage performances will occur throughout the day including local school bands, Dickerson Park Zoo animals (including, among many others, a red-tailed boa, Peregrine falcon, bearded dragon and great horned owl) and a Veteran’s Salute with a live eagle. Cool off at the misting tent or enjoy the “man cave.” Try your hand at the horseshoe pitching tournament with

Pete Ploss, 2019 Missouri State Champion or enter the Talent Contest, open to all ages with acts judged on Originality, Showmanship, Overall Performance and Stage Presence. Both of these contests have significant cash prizes.

Enjoy the Little Miss/Mr. Shell Knob contest and be sure to check out the elaborately decorated facilities of the Porta Potty Contest. Our canine friends are always welcome to participate in the Bark in the Park contest with ribbons and prizes. Dogs can win in categories of Ugliest Dog, Best Trick, Looks Most Like Owner, Smallest Dog, Largest Dog, Best Costume and King and Queen. Janice Swofford will demonstrate how to show a dog and there will be a dog training

demonstration by T’s dogs. More information on the competitions is available at [www.shakinfest.com](http://www.shakinfest.com).

The day winds up with a free concert featuring Switch It Up! from 6:00 pm to 8:30 pm. Bring your lawn chair and enjoy an early fall evening under the stars. No coolers, please. Be sure to get your one-of-a-kind Shakin’ T-shirt and once-in-a-lifetime Shell Knopoly game at the Chamber booth.

Shell Knob’s exciting Shakin’ in the Shell Festival is planned by the Shell Knob Chamber of Commerce. This year’s event is made possible by the generous sponsorship of many area businesses: diamond sponsor Area71; platinum sponsor Harter House; and gold sponsors MariCorp U.S., The Harbor, Jug N

Plug and SS Dockside Cafe and Pub. Along with many other festival sponsors, Shell Knob invites you to join in the fun and activities at the biggest little fall festival in the Ozarks on September 13 and 14 in beautiful downtown Shell Knob, Missouri on Table Rock Lake. See the full lineup of events and activities at [www.shakinfest.com](http://www.shakinfest.com) or on Facebook at ShakinFest. For more information call 417-858-3300 or visit [www.shellknob.com](http://www.shellknob.com).

## Haven of the Ozarks' Pet of the Week: Pepper Thomas

Meet Pepper Thomas, the Haven of the Ozarks Pet of the Week. Pepper came to the Haven back in April when her owners had to move to an assisted living facility. Pepper loves getting brushed, going for walks, getting treats, and getting lots of attention. She has only lived outside, but when she was in our indoor kennels, she didn't have any accidents at all. Haven staff would love to see this sweet senior find an inside home with a real family to spoil her rotten for the rest of her life. She deserves it.

Haven of the Ozarks is open 9 a.m. to 4 p.m. each day of the week or call (417) 835-3647 for more information. Haven of the Ozarks Animal Sanctuary is located at 9617 Farm Road 2190 in Washburn. Visit them online at [www.havenoftheo-zarks.org](http://www.havenoftheo-zarks.org).

Community comes together to support Bailey family

Vinnie Roberts

Small towns have a reputation for taking care of their own. In times of tragedy, many communities will crowd around a single individual or family to insulate them from the horrible curve balls thrown their way. The town of Cassville is no exception.

In this spirit, two events have been planned to benefit the family of Tonya Bailey, a former Eagle Rock resident and Freedom Bank employee. Bailey was diagnosed with brain and lung cancer at the beginning of this year, and passed away earlier this month. Bailey is survived by her husband, John, and her two children. The first of these events event to benefit the Bailey family will be on Saturday, September 14. Barry County Law Enforcement, EMS and Fire and Rescue will host a team softball game, with all proceeds going to help the Bailey family.

Law Enforcement, EMS and Fire will all have their own teams and will play against themselves and others in a double-elimination tournament. Citizens of Barry County are also welcome to assemble their own teams of at least 11 players and enter the tournament as well. Entry to the tournament costs \$5 per player.

Food will be served dur-

ing the tournament. For \$2 a plate, attendees will be treated to hamburgers, hotdogs, chips and a soft drink.

This event will also include a silent auction with items donated by the community up for grabs. Auction items include: a massage, purses and jewelry, an item donation by Lowe's Construction of Monett, a log-cabin bird feeder among others.

The game will begin at 2 p.m. on Saturday, September 14, at the baseball fields located by the Cassville Aquatic Center. To get involved or inquire about the game, contact Randy Kalbaugh at (417) 342-5618.

The second of these events is to be hosted by the 1995 graduating class of Cassville High in conjunction with the Bailey family. On Saturday, September 21, the group will host a donation breakfast as well as a 5k and one mile fun run known as "Cassville Cares 2019." The event will be hosted at the Family Life Center in Cassville, located on West 5th Street, behind Sunrise Family Diner. According to the online registration form, the course will be friendly to beginners.

The menu for the breakfast will be biscuits and gravy, scrambled eggs, juice and coffee. Breakfast will be available for the cost of a donation to assist the Bailey family.

The event will begin at 7 a.m. on September 21, which will be the earliest that participants can check-in for the race. Advanced race-packet pickup begins at 6 a.m. The race will formally begin shortly after, at 8 a.m., with the event expected to end at 10 a.m.

Registration for the race costs \$25 for pre-registration and \$20 for in-person registration the morning of the event. All pre-registered racers are guaranteed a t-shirt to commemorate the event, but supplies are limited, so the t-shirts may not be available to some participants who register that morning.

For people who would like to support the event but cannot be there in person, there is also an online "virtual race" option. With this option, racers can dedicate their own time to run the distance and have their race time entered with the other racers present on the day. Virtual Race registration costs \$30 and will guarantee the participant a t-shirt. Registration for virtual racers must be submitted by Friday, September 13.

The race will include prizes for first place male and female in each age group for the 5k run; first place overall for the 1k run; and first place time for the virtual run. Proceeds from

VISION from FRONT

revive the energy in our businesses. We want them to be able to ask themselves why they started their business and get back to the passion of it. It's also to provide ways to look at how they're running their business and give them ways to make improvements."

Selby has been in contact with representatives from chambers of commerce in the surrounding areas about Higher Vision seminars, some of which experienced great success in the wake of their events.

"This group has offered Big Vision Days to a lot of the chambers in the area. I've talked to the Neosho Chamber of Commerce, and they say that they've had a lot of success," said Selby. "These other chambers have seen success, with their attendance growing and people liking it. The business owners seem to like it and are ready to go to the next one."

In addition to joining the Cassville Chamber of Commerce, Higher Vision has also been working with businesses in town on a one-on-one basis successfully, according to Selby.

Big Vision Day will take place on Thursday, September 26. The event is slated to take place in the Fire Tower room of the Emory Melton Lodge, in Roaring River State Park. The event will begin at 8 a.m. with a social hour during which attendees are encouraged to meet with other local business owners and make lasting connections. According to Selby, attendees should bring multiple business cards to pass out during this portion of the event.

The seminar is open to anyone who is interested in either starting or growing a business. Admission to the event costs \$40 for the general public, and \$25 for members of the Cassville Chamber of Commerce. Lunch is included in the ticket and will be provided by Roaring River Restaurant.

For more information about Big Vision Day, contact the Cassville Chamber of Commerce at (417) 847-2814. For more information about the contents of the seminar or the services provided by Higher Vision, contact their offices at (417) 438-4428.

SUSPECT from FRONT

had to have surgery, according to Detective David Haskins, of the Monett Police. The victim was in stable condition after surgery.

The Monett Police Department searched for Huse with no success following the shooting. They confirmed the incident was believed to have stemmed from an argument and was an isolated incident.

When a Lawrence County deputy arrested Huse, he was booked for multiple controlled substance charges as well as resisting arrest and an unlawful possession of a firearm charge from the shooting.

Huse was booked into the Lawrence County Jail on Sunday, September 8, at 11:10 a.m., according to Lawrence County Jail online records. He is currently being held with no possibility of bond. No other charges pertaining to the August 20 incident have been charged as of time of press.

# Four recognized as Barry County Century Farm Families

The University of Missouri Cassville Extension office hosted a special ceremony to award four different families the distinction of Century Farm Family on Thursday, September 5. Pictured above, siblings Rose Mills and David Renkoski are pictured with Eden Stewart, of the extension office. The Renkoski farm is 50 acres in Purdy that was purchased in 1917 and operated as dairy farm in years past.

The Foster farm is a 160-acre farm in Monett that was first established in 1901 and originally raised sheep, hogs, cattle and chickens. Pictured, J.W. and Barbara Foster are pictured with Extension representative Eden Stewart.

The Renkoski family has 180 acres in Purdy purchased in 1910, that originally raised cows, hogs and chickens. Alvin and Rosella Renkoski are pictured above with Stewart.

## Purdy man faces three counts after allegedly firing gun into home

Charlea Estes-Jones

A 25-year-old man from Purdy is facing multiple charges after allegedly firing a gun into a home in rural Purdy. Benjamin W. Paine, III, 25, of Purdy, is charged with possession of a controlled substance, unlawful use of a weapon and endangering the welfare of a child in the first degree.

According to the affidavits of probable cause by deputy Michael Stribling, the Barry County Sheriff's Department was dispatched to a residence in rural Purdy on Farm Road 1068 around 9:40 p.m. on Saturday, September 7. Paine allegedly fired a .22 long rifle into the home of a woman he was in a romantic relationship with while her four year old child was inside. The report goes on to state that Paine poked the victim in the arm with the rifle, causing an injury, as well.

When officers made contact with Paine, they also located crystal methamphetamine and a glass pipe in a baggie.

Paine is currently being held in the Barry County Jail in lieu of a \$75,000 cash-only bond.

## Free screening mammograms offered at Cox Monett

Cox Monett is once again partnering with Breast Cancer Foundation of the Ozarks to offer free screening mammograms from 2 p.m. to 4 p.m. on Thursday, September 19, inside the hospital's north patient registration entrance.

No appointment is necessary for a mammogram, which are available for underinsured and uninsured women. Participants do not need to be a CoxHealth patient to receive one.

All participants must be at least 40 years of age, unless there is a family history of breast cancer (first degree relative). After each exam, the scans will be interpreted by radiologists, and participants will be notified of the results.

Due to a limited number of times available the day of the event, vouchers may be given for women to receive a mammogram at a later date.

For more information about the free screening, please visit the Cox Monett Facebook page or call (417) 354-1138.

## Motorcycle crash injures one

*Charlea Estes-Jones*

A Monett motorcycle driver was injured after a crash outside of Monett on US 60 on Monday. According to the Missouri State Highway Patrol crash report, Jimmy Bricker, 21, of Monett, was driving westbound on US 60 when the motorcycle ran off the roadway.

The report states the crash occurred around 5:30 a.m. on Monday, September 9. Bricker was driving a 2000 Yamaha Roadstar motorcycle west-

bound when it ran off the right side of the roadway then came back on the roadway and overturned.

Bricker suffered moderate injuries in the crash. He was wearing a helmet at the time. He was transported by a private vehicle to Cox Monett Hospital for treatment of his injuries.

The motorcycle was extensively damaged in the crash. It was removed from the scene by the owner.

## Letter to the Editor: Cassville's dog problem

*On Monday, September 16, at 5:30 p.m., the city council of Cassville will once again address the issue of dogs running loose. I have very little hope of any action being taken, it will be hashed and rehashed and then kicked down the road. I addressed this issue ten to twelve years ago.*

*Since the vicious attack on my daughter, I have been stopped on the street many times by people telling horror stories.*

*Just this morning, I had a large dog come under a fence coming at me. It did not appear vicious. It came toward me several times as two girls tried to catch it. As I neared home, a large dog came barreling off the porch barking and snarling. Because it stayed in the yard, I did not report it.*

*Does someone have to be killed by a dog or dogs before we can get some action?*

*See you at the city council meeting.*

*Nadean Davis*

## Work begins on new Cox Monett Hospital

On Thursday, Sept. 6, crews worked on the concrete grade beams that will be the foundation for the new Cox Health Monett Hospital clinic portion of the building. This was the first official day of pouring concrete to construct the new hospital located on E. Hwy. 60 in Monett. The estimated completion date is spring 2021.

# Wildcats roll luckless Irish, 49-21

*Lee Stubblefield*

Trailing 14-7 on the road to an inspired Springfield Catholic team, the Cassville Wildcats responded with 42 points to down the Fighting Irish, 49-21. Both Bowen Preddy and Zach Coenen topped the century mark in rushing as Cassssville's offensive line took over the game late in the first quarter.

But it was an ugly first few minutes for Cassville. After claiming a 7-0 lead on a 10-yard, Bowen Preddy run and a Drake Reese PAT, the Wildcats fumbled on back-to-back possessions. The fired up Irish took full advantage of the gifts. Matthew Schmittling scored from 5 yards out, and Will Squibb tossed a 28-yard touchdown pass to Zach Gebhard to give Springfield Catholic a 14-7 lead.

In sports and in life, your true character is best revealed in adversity. Lance Parnell's troops regrouped on the sideline and took over the game from that point. Cassville scored touchdowns on their next six possessions to turn the luck of the Irish into a lock for the Wildcats.

Deven Bates completed a 72-yard drive with a 21-yard scoring pass to DJ White to tie the score at 14-14 with 7:18 left in the second quarter.

Then, a disastrous fourth down saw Springfield Catholic's punter flushed by the Cassville rush, then throw an incomplete pass, giving Cassville the ball at the SC 24-yard line. Four plays later, Preddy burst off tackle for a

16-yard score, and Cassville regained the lead at 21-14 at the 2:46 mark.

Another three and out for the Irish gave the Wildcats the ball at the SC 37-yard line with just 1:38 remaining in the half. A 21-yard run by White was negated by a penalty, but Preddy broke loose for 10 yards, and then White turned a bubble screen into a 15-yard gain to the 22-yard line. Then Bates tossed to Preddy for another 14 yards.

With the clock running down, the 'Cats hurried to the line but instead of spiking the ball, Bates took a knee in the confusion. Parnell used his last time out to preserve the waning seconds.

On the ensuing play, Bates drilled a quick out to White at the 2-yard line, and he muscled into the end zone for another score. Reese remained perfect on conversions as Cassville built a 28-14 halftime lead.

The scoring avalanche continued in the third quarter. White intercepted a Squibb pass and returned it to the Catholic 35-yard line on the second play of scrim-

mage. The Wildcats navigated the short field in just five plays, with Preddy blasting through the line for a short touchdown run. Reese drilled his fifth PAT for a 35-14 Cassville lead with exactly 9:00 on the clock at Swisshelm Field.

Catholic's hopes hung by a thread as they started their next possession after Reese boomed another touchback kickoff. Three running plays netted nine yards, and the Irish faced a 4th-and-1 situation at their own 29-yard line.

Every game has one of those turning point moments, when everything has to go right for a team to have a chance for victory. Trailing by three scores midway through the third quarter, the Irish would have to convert on this fourth down to keep any hope alive for a comeback.

Instead, they punted, and the Wildcats took over at their own 39-yard line.

Zach Coenen's ferocious runs led Cassville on a 61-yard scoring drive. Coenen led off the drive

with a 31-yard burst, and followed that with runs of 13 and 9 yards. Preddy creased the line for 6 yards to set up 1st and goal, and Coenen plowed into the endzone as the Wildcats extended the lead to 42-14 at the 4:56 mark of the third quarter.

Schmittling ran a short kickoff all the way back to the Cassville 45-yard line, but the Irish quickly faced 4th and 12 against the dominating Wildcat defense. After punting on 4th and 1, Catholic went for 4th and 12, but Squibb's pass was intercepted by Jericho Farris and returned to the SC 30-yard line.

Bates capped off a 6-play drive, scoring off right tackle out of the wishbone set to establish a 49-14 lead with just 51 seconds left in the third quarter.

The Irish would post one more score in the abbreviated fourth quarter, with Squibb finding Liam O'Riley with a 35-yard scoring toss to create the 49-21 final score.

Just two weeks into the season, the Big 8 puzzle is quickly coming together.

Cassville looks very deserving of their Top 10 state ranking after demolishing Aurora and Springfield Catholic. The Irish received a lot of love from the Springfield media after their comeback win over Seneca, but Cassville exposed Catholic's weakness on the line of scrimmage.

Except for the two fumbles, Cassville dominated this game in every phase.

Deven Bates finished 5-for-8 for 73 yards, and 2 TDs in another stellar passing performance.

Bowen Preddy had 20 carries for 132 yards and 3 TDs.

Zach Coenen had 12 carries for 103 yards and a score. DJ White's stock continued to rise with his 4 catches for 63 yards and 2 TDs.

As a team, Cassville rushed 39 times for 275 yards and added 73 yards in the passing game. The Wild-

cats amassed 20 first downs while dominating the line of scrimmage.

Cassville improves to 2-0 with the victory and returns home to face forever rival Monett in the Barry County Brawl in week 3. The Cubs enter this game 1-1 after losing a 22-21 heartbreaker to Mt. Vernon in week 1 and then posting a 49-20 victory at Marshfield.

Kickoff at Wildcat Stadium is set for 7 PM.

# Wildcats open cross country season with win at Aurora

Lee Stubblefield

The Cassville Wildcats christened the 2019 cross country season with a first place finish at the Aurora Hot Dawg Invitational on Thursday, September 5. Devon Brookes paced the Wildcats, as Chris Shore's

boys packed five runners in the top 11 places.

**Cassville varsity boys finishers:**

Devon Brookes, 5th 19:16  
Pace Evans, 6th 20:19  
Steven Collinwood, 7th 20:20

Kel Wilson, 10th 20:55  
Quinn Cook, 11th 21:06  
Caleb Leach claimed first place in the JV boys race, and Kyler Hayward won the middle school girls race in her first ever cross country meet.  
All Stater Jordyn Stafford

will likely miss the entire season with an injury, a devastating blow to the girls side of the program.  
Cassville runners return to action on Thursday at Seneca, and then head to Monett on Tuesday, September 17.

Two Cassville junior varsity runners took the top two spots in their race at the Aurora meet. Pictured above, Jacob Martinez, 2nd place and Caleb Leach, 1st place.

Middle school runner Kyler Hayward took first place in her first-ever meet with the cross country team, seizing the top spot in the middle school girls race.

# Purdy Golfer swings into top 10

During the Seymour Invitational Golf Tournament at Whispering Springs Golf Course in Marshfield, Purdy senior Shelby Haskins landed in the top ten, scoring an all-time personal best score on the green.

## Cassville WGA guesses scores in favorable weather

It was another solid couple of weeks for the ladies of the Cassville Women's Golf association. Reporting favorable weather for the game, the association met for a game of "Guess your score" wherein the golfer's scores were taken by another player, and the winner was the member who guessed closest to their actual score.  
First place in this game went to Ann Loeppke who was

only off by one stroke on her real score. On this day, Lynn Blanke and Jeanette Skorupski tied each other for lowest putts. There were no birdies, chip-ins or closest to the hole winners.  
On September 5, the association met again to play a round of lowest grossing score. First place in this game went to Janie Watson, second went to Leta Higgs and third went to Karry Lewis.

Lowest net scores were also recorded, with the winners of this portion of the event recognized. First place went to Debbie Yarnall, second went to Cheryl Ludwig and third went to Barb Vesley.  
Closest to the pin was Janie Watson on hole 11. Lowest total putts went to Debbie Yarnall. Birdies were scored by Leta Higgs and a chip-in was scored by Ann Loeppke.

# Barry County Health Department releases August 2019 Food Service Report

The Barry County Health Department divides food service code violations into two categories: Priority and Core items.

Priority items are more likely than other violations to contribute to food contamination or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or injury.

A report for each establishment that is inspected shows the number of priority items along with a short statement as to the nature of the violations. The report also shows the number of core items but doesn't list the nature of those violations.

Upcoming Cassville Library events

Intersection improvement planned for Route 37 and Route 60 in Monett

• Fun @ 4:00 will be held on Thursday, September 12, in the children's story time room. The session will be "Painting" With Stickers and ages K-8 are welcome to attend.

• Crochet classes are held on Fridays at 10:30 a.m. and

Monday at 6 p.m. except for the first Monday of the month. Beginners are welcome.

• "Picking Apples" is the adult canvas painting project to be held on Tuesday, September 24. Two sessions are available: 12:30 p.m. and 6

p.m. Preregister by September 21 and a \$5 supply fee is required.

• LEGO Club is back. Kids of all ages are invited to build on Thursday, September 2, at 3:30 p.m. in the downstairs meeting room.

• Have an e-reader? Then the apps Libby and Hoopla are for you. Download books, movies, music and more. Check out the Barry-Lawrence Regional Library website or visit a local branch to learn more.

Drivers can expect lane shifts and traffic delays during work to add a southbound right turn lane at the Missouri Route 37 and U.S. Route 60 intersection in Monett beginning the week of September 16, the Missouri Department of Transportation said.

The project includes:

- Widening the Route

37 bridge over Clear Creek north of Route 60 from its current 52 feet to 60 feet

- Adding a 12-foot wide right-turn lane and a six-foot wide shoulder on southbound Route 37 between Dairy Street and Route 60

Contractor crews will conduct most of the work during daytime hours Monday through Friday. However, some work involving lane closures may be done at night.

This project is a partner-

ship between the City of Monett and MoDOT.

Weather and/or scheduling delays could alter the work schedule.

Project information

- Prime contractor: Phillips Hardy Inc., Boonville
- Total project cost: \$660,000
- Completion date: December 1, 2019

For more information, call MoDOT in Springfield at 417-895-7600 or visit [www.modot.org/southwest](http://www.modot.org/southwest).

# Barry County still in CWD Management Zone for upcoming deer season

With deer hunting opening for archery season on Sept. 15 and firearms portions in the coming months, the Missouri Department of Conservation (MDC) wants hunters, landowners and others to know key information about chronic wasting disease, or CWD. MDC is continuing its efforts this fall and winter to limit the spread of CWD in Missouri deer by finding new cases and slowing its spread to more deer or more areas.

CWD is a deadly, infectious disease in white-tailed deer and other members of the deer family that eventually kills all animals it infects. There is no vaccine or cure. CWD is spread from deer to deer and through the environment. MDC has found 116 cases of CWD in Missouri since 2012 out of more

than 100,000 deer sampled so the disease remains relatively rare in the state. Learn more at [mdc.mo.gov/cwd](http://mdc.mo.gov/cwd) under "CWD in Missouri."

There have been no reported cases of CWD infecting people, but the Centers for Disease Control and Prevention (CDC) strongly recommends having deer tested for CWD if harvested in an area known to have the disease. The CDC also recommends not eating meat from animals that test positive for CWD. For more information, visit [mdc.mo.gov/cwd](http://mdc.mo.gov/cwd) under "Human Health Risks."

**CWD Management Zone**

MDC has a CWD Management Zone of counties in or near where CWD has been found. The 29 counties of the CWD Management Zone for

this season are: Adair, Barry, Cedar, Chariton, Christian, Crawford, Franklin, Gasconade, Hickory, Howell, Jefferson, Knox, Linn, Macon, Mercer, Oregon, Ozark, Perry, Polk, Putnam, St. Charles, St. Clair, St. Francois, Ste. Genevieve, Stone, Sullivan, Taney, Warren and Washington. See the included map image on 8B. Learn more at [mdc.mo.gov/cwd](http://mdc.mo.gov/cwd).

**Voluntary CWD sampling all season statewide**

MDC is offering free voluntary CWD sampling and testing of deer harvested anywhere in Missouri throughout the entire deer hunting season (Sept. 15 through Jan. 15, 2020) at MDC regional offices during regular business hours and through participating taxidermists and meat processors within the CWD Management Zone. Get locations and more information at [mdc.mo.gov/cwd](http://mdc.mo.gov/cwd) under "Voluntary Sampling."

**Mandatory CWD Sam-**

**pling November 16 and 17**

Hunters who harvest deer in any counties of the CWD Management Zone during the opening weekend of the November portion of the fall firearms deer season (Nov. 16 and 17) are required to take their harvested deer (or the head with at least six inches of neck attached) on the day of harvest to one of MDC's numerous CWD sampling stations throughout the zone. Sampling and test results are free. Hunters who harvest deer in counties no longer part of the zone are not required to participate in sampling. Learn more at [mdc.mo.gov/cwd](http://mdc.mo.gov/cwd) under "Mandatory CWD Sampling," or from MDC's "2019 Fall Deer & Turkey Hunting Regulations and Information" booklet, available where permits are sold and online at [huntfish.mdc.mo.gov/sites/default/files/downloads/2019FDT.pdf](http://huntfish.mdc.mo.gov/sites/default/files/downloads/2019FDT.pdf).

**Before having deer sampled for CWD**

Field dress and Telecheck deer before arrival at a sampling station.

Bring the carcass or just the head with at least six inches of the neck attached.

Capes may be removed in preparation for taxidermy before going to a sampling station.

The person who harvested the deer must be present.

The hunter's conservation number will be required, along with specific location of harvest.

If using a paper permit, have it detached from the deer for easy access.

If using the MO Hunting app, have permit and Telecheck information available.

Position deer in vehicles with heads and necks easily accessible.

**CWD Test results**

Get test results for CWD-sampled deer online at [mdc.mo.gov/CWDTestResults](http://mdc.mo.gov/CWDTestResults). Results are free and will be available within four weeks after the sampling date.

**Carcass disposal**

Carcasses or remains of CWD-infected deer can expose other deer to the disease. Process deer as close as possible to where harvested. Place remaining carcass parts in trash bags and properly dispose of them in the trash or a landfill. If necessary, bury or leave remains at the harvest site. Learn more at [mdc.mo.gov/cwd](http://mdc.mo.gov/cwd) under "Carcass Disposal."

New regulations on carcass movement and disposal will go into effect in 2020. Learn more at [mdc.mo.gov/newsroom/mdc-has-new-rules-deer-carcasses-ongoing-fight-against-cwd](http://mdc.mo.gov/newsroom/mdc-has-new-rules-deer-carcasses-ongoing-fight-against-cwd)

**Share the Harvest**

Missouri's Share the Harvest program helps deer hunters donate venison to those in need. To participate, take harvested deer to an approved meat processor and let the processor know how much venison is to be donated. Learn more and find participating processors at [mdc.mo.gov/share](http://mdc.mo.gov/share).

Deer harvested within the CWD Management Zone may only be donated to approved processors in the Share the Harvest CWD Testing Program located within or directly adjacent to the CWD Management Zone. Processors not participating in the Share the Harvest CWD Testing Program cannot accept deer from CWD Management Zone counties. Deer harvested outside of the CWD Management Zone

# ERGM Fire receives MDC grant

During July and August, matching funds grant checks for rural fire departments were distributed by the Missouri Department of Conservation forestry division staff. One hundred sixty-eight fire departments received checks for up to \$4,000 each to help with the purchase of personal protective gear, communications equipment and wildfire suppression equipment to help increase the fire departments' capacity to suppress wildfires safely and efficiently.

The total matching funds awarded to Missouri fire departments through the matching funds grant program this year was \$386,639.14. Fire departments are required to match 50 percent of the funds which are provided by the Missouri Department of Conservation and the US Forest Service volunteer fire assistance program. Throughout the last 30 years, over \$8 million has been distributed to rural fire departments to help them increase the safety of their firefighters and provide them with better firefighting equipment.

The Eagle Rock-Golden-Mano Fire Department received a check for \$1,644.12. Pictured are, left to right, Jerry Craig, MDC, and Mark Pierson, ERGM fire chief.

# Full Life Fellowship Church joins Cassville Chamber

The Full Life Fellowship Church in Purdy recently joined the Cassville Area Chamber of Commerce. Pastors Wilson and Judy Gauntt along with area churches spent the summer working tirelessly on renovating and updating the former Purdy Assembly of God Church located on 209 W. Jefferson Street.

The church celebrated their efforts with a community block party in August. They provided free barbecue, inflatable and music to the Purdy community. The church is now open and encourage all to come by.
