

Wildcats dominate Cubs in Barry County Brawl

Lee Stubblefield

The Cassville Wildcats demolished the Monett Cubs 21-0 at Wildcat Stadium. Shannon Haney and DJ White hooked up for two long touchdown passes and the Wildcat defense stifled the Cubs as Lance Parnell's team improved to 4-2 on the season.

Last year, Monett came from behind to claim the brawling trophy, 21-20, at Burl Fowler Stadium, then claimed a 35-21 playoff win over the young Wildcats. But on Friday night, the roles were reversed as Cassville answered the bell. The 21-0 score doesn't begin to tell the domination that the Wildcats enjoyed in this game.

Wildcat miscues kept the game scoreless until late

in the first quarter. Shannon Haney was sacked by the Monett defense to kill Cassville's first possession. Then, after forcing a three-and-out punt from Monett, a Wildcat defender inadvertently touched the ball and the Cubs recovered at the Cassville 34-yard line.

Monett drove into the red zone, but Caleb Hilton's 35-yard field goal attempt sailed wide right.

On the second play of this drive, Haney rifled a slant to DJ White on the left hash. White never broke stride, outrunning the Monett secondary for an 80-yard touchdown. Drake Reese pounded the PAT through the uprights, and Cassville claimed a 7-0 lead with 2:29 on the clock.

The Wildcats hoist their trophy after their victory in the Barry County Brawl. The traveling trophy will stay in Cassville after their shutout over the Monett Cubs on Friday night. Photo courtesy of Heidi Lowe Photography.

Cassville's FEMA flood damage money delayed

FEMA SAYS HURRICANE RELIEF TAKES PRIORITY

Charlea Estes-Jones

The money Cassville requested from FEMA for repairs related to the April 28 flooding has been delayed due to Hurricane Harvey and Irma. Steve Walensky, city administrator, made the announcement that the time frame for the city to receive that money is unknown while FEMA works out details of more severe dam-

age in Texas and Florida.

According to Walensky, the City of Cassville reported approximately \$45,000 in damage related to the flooding on April 28 that took several days to subside.

Walensky said the damage sustained included the park system, the Greenway Trail, as well as drainage issues on Gravel Street and other basic street repairs. The

Cassville Police Department also lost a police cruiser to the flooding, which was replaced through an insurance claim.

Walensky said, "When you look at the park system and Greenway, those are some of the most obvious recovery issues that you can see. Since some of our sewer crossings got washed out, those are some of the things

High speed chase ends in two arrests

CAMPERS FIND GUN ALLEGEDLY THROWN FROM VEHICLE

Charlea Estes-Jones

Two have been charged and another is wanted for questioning in a home invasion and assault in Washburn on Saturday. Darrell Glen Delong, 34, of Troy, and Amber Dawn Bullock, 31, of Springfield, are both charged in connection with the crime and are being held in the Barry County Jail.

According to the affidavits of probable cause, Deputy Chris Hutson, with the Barry County Sheriff's Department, was dispatched for a burglary and assault on Saturday, September 23, in Washburn. Hutson went to the residence where the victim said Delong and Bullock broke into his home and Delong assaulted him. Delong allegedly had a handgun at the time of the assault.

Bullock then drove the two men present away from the scene in an SUV which was later found on Berry Avenue in Seligman.

When officers found the SUV, they engaged in a pursuit, which went through Roaring River State Park.

According to Major Leonard Collins, Chief

Deputy, "When Deputy Hutson attempted to stop the vehicle, they fled. He chased them and went throughout Roaring River to the back of the hatchery where they turned around and then drove at officer Hutson and left the park."

Collins continued, "They ditched the weapon and the pursuit continued. They turned up Highway 112 and turned onto Farm Road 2218 where they ditched the car and fled on foot. During the pursuit, the only reason Deputy Hutson lost them is he blew a tire."

The affidavit explained that Delong was located and apprehended on State Highway 37 near the road side park north of Purdy.

Bullock, who also fled, was found near State Highway 37 and State Highway 76/86.

After the pursuit, the gun which was allegedly thrown from the vehicle was found by campers at Roaring River.

A mother and daughter camping at Roaring River found a handgun when they returning from a hike at the park on Saturday

evening. Laura and Arielle Drodgy, of Oakdale, Louisiana, were walking along the road between the two access points of the Devil's Kitchen Trail at the park when they saw the gun in the grass. Arielle said, "We were walking and looked down and it was just right there in the grass beside the road."

"I was really surprised, so I pointed it out to my mom."

The pair took the gun, wrapped in a bandanna, to the park office.

Laura said, "They called the park ranger, and he told us there had been a chase, and it was thrown from a car."

Delong is charged with burglary in the first degree, armed criminal action and resisting arrest. Delong is being held on a \$75,000 cash only bond in the Barry County Jail.

Bullock is charged with burglary in the first degree. Bullock is currently being held in the Barry County Jail in lieu of a \$50,000 cash-only bond.

The name of the third suspect still at large has not been released at this time.

are putting into play with this money. We need drainage repair on various storm water and streets. We'll also be correcting some of the bigger items in the park."

The way to submit FEMA claims for this flood was different than when the city applied for previous flooding incidents. Walensky said, "The government rolled out a totally new automated system that allows us to input all of the project work ourselves. Before, we had an assigned project manager to help us. But they have streamlined it and given us one person to deal with. We were responsible for all of the data input and collection and it put us on a very short time frame. Once they said go, we only had a small time frame to finish it all."

He said the city finished submitting paperwork to FEMA in early August. They were notified September 1 that the hurricane relief was taking priority over other flooding incidents.

Verona woman killed, two injured in Monett crash

Charlea Estes-Jones

A Verona woman was killed in a crash involving a box truck on Wednesday morning near Monett. According to the Missouri State Highway Patrol crash report, Beatriz Juarez, 27, was killed and two others, including a one year old baby, were injured.

On Wednesday, September 20, around 6:48 a.m., a box truck turned in front of Ford Explorer that Juarez was a passenger in. The 2017 Freightliner box truck, driven by Daniel R. Guley, 46, of Springfield, was headed west on US 60 and turning onto Farm Road 1100. He drove in front of the Explorer, driven by Marvin J. Flores-Casimiro, 24, hitting the vehicle.

Juarez and the baby* were life flighted. Juarez was taken to Cox South Hospital in Springfield where she was pronounced deceased by Dr.

Kevin Christian at 5:43 p.m. The baby suffered moderate injuries and was taken to Mercy Hospital in Springfield. Both were passengers in the Explorer and were not wearing seat belts.

Gulley, who was wearing a seat belt, took private transport to Cox Hospital in Monett for minor injuries. Flores-Casimiro, who was also wearing a seatbelt, had no reported injuries at the time of the crash.

The Explorer was totaled, and the box truck sustained moderate damage. They were both towed from the scene by Thomas Towing, of Monett.

This is the fourth fatality for the month and 80th for the year for Troop D.

**Note: It is the policy of the Barry County Advertiser not to release the names of minors involved in crashes or boating incidents, even if the names are of public record.*

Two seriously injured in Seligman crash

An altercation in a travel trailer in Monett led to charges against a Monett man on Sunday. Kyndall Phillips, 21, of Monett, allegedly attacked his girlfriend and threatened her with a gun.

The Barry County Sheriff's Department was dispatched to a residence on Private Road 1116 on Sunday, September 24.

According to the affidavit of probable cause, Phillips and the victim, who were in an intimate relationship, got into an argument which turned physical. Phillips allegedly put his hands around the victim's throat and choked her until she almost lost consciousness, leaving bruising on her neck.

Phillips also allegedly loaded a .57 Mag-

num and held it to his own head, then in the air, threatening her to “Get back in bed or else.”

Phillips also prevented the victim from leaving the trailer, holding her by the wrists and allegedly flushing her keys down the toilet and taking her phone. The victim said she was afraid to leave because of Phillips' threats with the gun.

The altercation happened while both were intoxicated. Phillips allegedly supplied the victim, a minor, with alcohol.

Phillips is charged with unlawful use of a weapon, domestic assault in the second degree, kidnapping in the third degree and supplying liquor to a minor. Phillips is currently being held in the Barry County Jail in lieu of a \$40,000 cash-only bond.

Two seriously injured in Seligman crash

On Thursday, September 21, James B. Hopkins, 52, of Norman, Okla., was driving a 2016 Harley Davidson Road-glide eastbound on MO-112 about 4.5 miles east of Seligman. He ran off the road and both he and his passenger, Christina R. Tomlin, 40, of Norman, Okla., were ejected.

Both were taken by ambulance for serious injuries, but to different hospitals. Hopkins was taken to Washington Medical Center in Fayetteville, Ark., and Tomlin was taken to Mercy Hospital in Rogers, Ark.

Both were wearing helmets
at the time of the crash.

The motorcycle was totaled and towed from the scene by Brice's Towing, of Cassville.

Phillip Daniel Meshell, Jr., 39, of Cassville, is charged with statutory rape in the second degree, statutory sodomy in the second degree, endangering the welfare of a child in the first degree as a first offense with sexual contact and child molestation in the second degree.

According to the affidavits of probable cause, the victim was interviewed at the Child Advocacy Center on September 18 after an officer received reports that the Meshell had been having sexual intercourse with the child. Man charged in former Cassville resident's murder

A Bourbon man has been charged with the murder of a former Cassville resident last year. According to the affidavit of probable cause by the Crawford County prosecuting attorney, Deacon J. Zelch, of Bourbon, shot Edward Hillhouse, formerly of Cassville, on April 27 of last year.

According to the affidavit, a confidential informant led officers to Zelch's property as being where Hillhouse was shot. The informant allegedly told officers that they were at Zelch's house on April 27 shortly after Hillhouse had disappeared and Hillhouse had been shot and his body was on Zelch's couch.

The informant also said that Zelch admitted to shooting Hillhouse with a .22 in the head and used a backhoe to bury the couch and evidence of the murder.

Officers with the Crawford County Sheriff's Department received consent to search the property on September 20 and discovered a body with the couch. The body was identified as Hillhouse. A medical examiner determined the cause of death was a single gunshot wound to the head.

Barry County courts incarcerate 14 in August

• **Zachery Daniel Blay** pled guilty to non-support with the total arrears in excess of 12 monthly payments. He was on probation after pleading guilty to three charges in February 2016. Those charges were tampering with a motor vehicle in the first degree and two counts of possession of a controlled substance. Blay’s probation was revoked and he is to serve 120 days of shock time as part of his initial seven year incarceration sentence. On the non-support charge, Blay received a suspended imposition of sentencing and is to serve five years unsupervised probation.

On February 23, 2015, Blay was in a vehicle as a passenger when the driver went to check on a sick friend. While the driver checked on the friend, deciding to take him to the hospital. Blay took the vehicle without permission and left while the driver was attempting to get the sick individual to the car. When asked, Blay said he had “more important things to do.”

On February 27, 2015, Blay was a passenger in a car that pulled over while driving just after midnight on Farm Road 1095 that had been reported to have

been involved in suspicious activity. In the seat where Blay was sitting, officers found two baggies with methamphetamine residue in them. On December 25, 2015, officers with the Cassville Police Department found Blay hiding in the back seat of a vehicle. When officers approached the car, they saw a loaded syringe above the visor, which Blay admitted was his.

Finally, Blay was in arrears on child support for \$23,565. He was over 12 months in arrears on child support for one child.

• **Dylan Bowlin**, of Purdy, pled guilty to unlawful use of drug paraphernalia for methamphetamine and distribution of not more than five grams of marijuana in February 2015. His probation has since been revoked, and he is to serve four years incarceration from his original sentencing.

On August 27, 2014, the Barry County Sheriff’s officers found a bag on the northwest side of the jail that contained marijuana and tobacco. When officers replaced the contraband with duplicate packages and set up a game camera, they identified Bowlin as one of the men involved in the delivery.

2nd Kings 5:10-12 is a portion of the events surrounding the cleansing of Naaman of leprosy. He was told to go wash in he Jordan seven times. Rather than obeying the command, he was wroth and went away; verse 11. He gave his reasoning; “I expected some great feat on my part. Besides that, we have rivers much more suitable for cleansing”; verses 11-12. God’s idea of faith didn’t fit his. Sound familiar? We want to be “impressive.” God’s plan was not to impress; he sent a carpenter, a few fishermen and some others. The church that Jesus built appeals to all people. Not by being impressive, it reaches out by beckoning mankind to serve the Lord with the simplicity and truth of the words of Jesus Christ.

Wilsons takes gold at Monett Invitational, Wildcats win boys team title

Lee Stubblefield
 Just 10 days apart, the Monett and East Newton cross country invitational meets could not provide a greater contrast. Monett, the first meet of the season for many runners, offers one of the more brutal, hilly courses in the state. The East Newton course is flat and fats, a venue where many record their season and career bests.

Monett results
 Cassville's Brylee Wilson, a freshman, raced to first place in the large schools varsity girls division of the Monett Invitational on Tuesday, September 12. Wilson hit the finish line in 21:56 on one of the hilliest and toughest courses in the state.

Teammate Zoey Brookes finished 4th in 22:19. The Lady Wildcats did not field a complete team in the varsity race.

A powerful Nixa squad won the team title, as the Lady Eagles posted a score of 22.

Grace Bishop of College Heights was the individual champion in the small schools division, and Lamar claimed first place with a score of 47.

Brylee Wilson battled the Nixa girls early before asserting herself in the final stages. "Those hills!" she said. Every year, the finishing hill seems to become a little bit longer. Plus, the hills in the middle of the course were hard, and I wasn't sure if I was going to be able to make it up them."

Local runners
 Makenna Orwig, of Purdy, finished 8th in 23:36; Joy Grace, of Purdy, was 19th in 24:49; Brittany King, of Wheaton, was 21st in 25:05; Zolanna Simpson, of Wheaton, placed 25th in 25:28; Maggie Robbins, of Southwest, took 29th in 26:00; Allison Corwin, of Southwest, finished 36th in 27:41; Farrah Loftis, of Wheaton, placed 43rd in 30:36; and Giovanna Hinojosa, of Wheaton, was 53rd in 34:59.

In the boys races, the Cassville Wildcats edged Nixa 31-35 for the team title. Austin Wilson, Cassville senior, won the gold medal with his 18:17 performance. Devon Brookes and Isaac Dodson placed 3rd and 4th, clocking 18:27 and 18:36 respectively. Then, Derek Christy, Quinn Cook, and Pace Evans sealed the win with their 11-12-13 finish. Cole Jackson finished 16th for Cassville.

Lamar also won the small schools boys race, scoring 21. The Tigers were paced by champ Mark Venable's 17:00

run.
 Purdy was 5th with 150, Wheaton finished 6th with 153, and Southwest placed 8th with 196.

Local runners
 Sean Lowry, of Wheaton, led area runners with his 14th place finish in 18:56. Teammate Marek Smith ran 19:12 for 16th.

Alberto Haros led Purdy, placing 22nd in 19:46.

Trevor Sneed was Southwest's top runner with his 20:14 for 27th place.

Southwest boys win MS team title

The talented Southwest boys won the middle school team title, edging Nixa, 48-50. Southwest's tight pack running placed five runners in the top 14 spots. Tristan Nelson led the Trojans with his 5th place finish.

East Newton results
 The Lamar Tigers swept the top three positions to win the east Newton Invitational at Granby on Saturday. Rodney Baldrige's team cruised to the win with just 31 points. East Newton was second with 59.

The Cassville boys team placed 4th with 151, led by Austin Wilson's 6th-place finish in 17:22.

Wheaton's Sean Lowry showed he is the man to beat in the Ozark 7 Conference, placing 9th in 17:32.

Lee Stubblefield
 The Cassville Lady Wildcats hit their stride on Saturday, winning the championship of the annual Southwest Volleyfest at Washburn. The Lady Wildcats defeated Southwest and Wheaton, and lost to Berryville in pool play. Then, the Cassville girls swept through Huntsville, Decatur and Berryville to win the tournament.

The Ladycats improved to 14-4-2 for the season. A week earlier, Cassville struggled at the Lamar tournament when key players were missing from the lineup. But Briana Kleine's girls regained their momentum with big wins over Forsyth and Monett during the week, and then stormed through the field in their Volleyfest gig.

Cassville hosts Purdy in a rematch of their Lamar tournament game on Thursday night. The Lady Eagles won that first contest, 25-15 and 25-23.

BRAWL from FRONT

The Wildcats held on defense, but missed a golden scoring opportunity in the second quarter when JR Cavasoz intercepted a Haney pass at the Monett 2-yard line.

Stranded deep in their own end of the field, the Cubs could not sustain a drive. On 4th and 9 from the Monett 15, Bailey Austin's worm-killer punt bounced only out to the 34-yard line, giving the Wildcats excellent field position. Cassville drove the short field in just 5 plays, with Logan Carlin plowing into the end zone from a yard out. Reese connected again to give the Wildcats a 14-0 lead with 3:24 left in the half.

Cassville's defense held again, and the Wildcats took over at their own 43-yard line with less than a minute and a half left before intermission.

Carlin was held to no gain on first down, but then Haney popped through the line for a 22-yard gain.

"Haney calls signals from the Monett 35-yard line. He drops back, throws a rainbow deep down the left sideline for White. He's got it! TOUCHDOWN CASSVILLE!"

DJ White hauled in his second long touchdown reception and Reese nailed his third PAT of the night to give the Wildcats a 21-0 half-time lead.

The second half saw the Wildcats burning the clock with a conservative running game, while the Cassville defense stymied the Cubs comeback hopes. The Wild-

cats wasted another scoring opportunity late in the fourth quarter when Anthony Tolbert bobbled a Haney option pitch in the red zone and Monett recovered.

Except for the turnovers, the Wildcats played a solid game in posting a shutout over their Highway 37 rivals.

"It was not pretty, but it's a win," observed Lance Parnell after the game.

The Wildcats, now 4-2 on the season, hit the road Friday night to play the undefeated Seneca Indians. Kick-off is set for 7 PM.

Lab screenings offered in Shell Knob Oct. 17

Are you at risk of having diabetes, heart disease or other chronic conditions? It may be time to “Know Your Numbers,” the focus of a health fair at the Central Crossing Senior Center.

The public is invited to attend the Oct. 17 event. Participants can expect free blood sugar screenings if not receiving a comprehensive health lab panel. There will also be physical and occupational therapy screenings, information about Body Mass Index (BMI), diabetes education, and nutrition information.

The following reduced-cost lab screenings will be offered:

Comprehensive health panel (complete metabolic profile, lipid profile, complete blood count) - \$15

PSA Test (prostate cancer screening) - \$10

Hgb A1c (average blood glucose) - \$5

EKG (heart screen) - \$10

PFT (lung screen) - \$10

TSH (thyroid test) - \$5

The health fair on Tuesday, Oct. 17, will run from 7 a.m. to 10 a.m. at the Central Crossing Senior Center, located at 20801 YY 15, in Shell Knob. No registration is required; participants will be screened on a first-come, first-served basis. Also remember to fast for 12 hours prior to having your blood drawn. Healthy refreshments will be provided.

The health fair is a partnership with Mercy, which has been offering physical therapy services at the center since 2015. The Mercy addition is staffed three days a week and includes a private room and exercise equipment for physical therapy, evaluations and treatment. In order to utilize the services, patients first need to consult a doctor.

To learn more about the health fair, or services offered by Mercy at the Central Crossing Senior Center, call (417) 858-6952.

Mercy Springfield Communities is comprised of Mercy Hospital Springfield, an 866-bed referral center; an orthopedic hospital; a rehab hospital; a children’s hospital; five regional hospitals in Lebanon, Aurora, Cassville, Mountain View, Missouri and Berryville, Arkansas; and Mercy Clinic, a physician clinic with nearly 700 doctors and locations throughout the region. It is part of Mercy, named one of the top five large U.S. health systems in 2017 by Truven, an IBM Watson Health company. Mercy serves millions annually and includes 44 acute care and specialty (heart, children’s, orthopedic and rehab) hospitals, more than 700 physician practices and outpatient facilities, 40,000 co-workers and more than 2,000 Mercy Clinic physicians in Arkansas, Kansas, Missouri and Oklahoma. The Central Crossing Senior Center revisited the 1950's and went retro on Tuesday, September 19. The cafeteria was converted to "Jon's Diner" and included specials like cheeseburgers, chili dogs, onion rings and even root beer floats.

It was a great time with 50's rockabilly music playing from the juke box and some vintage cars in the parking lot. Those who dressed the part competed for prizes with the first place winner getting a \$10 Subway gift certificate and the second and third place winners won free lunches at the center.
