One arrested for pharmacy armed robbery

Henson

Charlea Mills

One man is being held in the Barry County Jail after allegedly committing an armed robbery of the pharmacy in Shell Knob. Chance Henson, 18, of Cassville, was arrested Monday morning shortly after the robbery.

On Monday, October 6, around 10:30 a.m. Henson entered the Shell Knob

Pharmacy on State Highway 39 in the plaza with a pistol, according to an affidavit of probable cause. He demanded narcotics at the pharmacist's counter. Henson got away with an unknown quantity of medications.

According to Chief Deputy Major Leonard Collins, Henson walked into the pharmacy wearing a jacket, sunglasses, a knit cap and a bandana covering his face. Officers with the Barry County Sheriff's Department apprehended Henson when he returned to the pharmacy around 30 minutes later with others to pick up prescriptions. Collins stated, "We found him in front of the pharmacy. He's left and then come back. I guess he didn't think he would be recognized."

Deputies found the cap and jacket that Henson had been wearing at the time of the time in the vehicle he rode back to the pharmacy

in.

Collins said that the Sheriff's Department has not located the pistol that Henson was carrying. He stated, "He claimed that it wasn't a real gun, but we don't know for sure." The pharmacist will be running an inventory check to see how many and what kinds of medications Henson got away with for the investigation.

Henson has a criminal history and had just been released from unsupervised probation prior to this arrest. He pled guilty to excessive blood alcohol content, a misdemeanor, and DWI-Alcohol, a felony, in March of this year from charges stemming from 2012 and 2013.

Henson is charged with Robbery in the first degree and armed criminal action and is being held in the Barry County Jail in lieu of a \$75,000 cash-only bond.

Area churches plan 2nd Kindness in Action Day

Charlea Mills

For the second year, area churches are coming together to do good in the community in the name of Jesus. Congregations of at least six area churches will be working together to do community betterment projects this Sunday.

This year's event will take place on Sunday, October 12, with people meeting between 11 a.m. and 1 p.m. to be assigned their projects. Everyone will work until they get back together between 4:30 and 5 p.m. at Emmanuel Baptist in Cassville.

The idea for Kindness in Action Day was inspired by Pastor James Weaver's, of First Baptist of Cassville, experiences in Oklahoma where they did something similar. When he approached the Cassville Ministerial Alliance with the idea to try it here, most churches were enthusiastic about participating.

Last year, around 400 church goers got together to do projects around the community. This year, the churches hope for about the same. Pastor James Weaver, of First Baptist Church of Cassville, stated, "For our church, we use the theme, 'the church has left the building'."

This year's projects will have a lot of focus on getting the downtown area ready for the Chili Cook-Off later this month. Weaver said, "We are really focusing on trying to get the City ready for the Chili Cook-Off. We want to spruce up the downtown area by raking gravel and edging the sidewalks and cleaning up. We've got company coming to Cassville, and we want to make sure we look our best."

Other projects will include painting curbs and fire hydrants for the city, painting bleachers at the soccer fields, doing yard work for individuals who need help, and hosting a free car wash at Arvest Bank. This year, some members will even be helping people get their cars ready for winter by testing antifreeze and other things. Weaver said, "If people need to get their cars ready for winter, we will do that." The winterization area will be in the 500 block between West and Townsend.

"We want to get out there and show that Christianity is others-oriented," he said.

Weaver went on to explain the importance of events like Kindness in Action Day. "We do this type of event for two reasons. One, is that we want to demon-

strate that Christians can cooperate and work together across denominational lines even when a natural disaster isn't involved."

Weaver went on, "Two, we are demonstrating the love of Jesus Christ in practical ways for free with no strings attached."

First Christian Church Pastor Tom Thomas noted, "What I like about the day is that it is taking the church out of the building to come out and represent Christ through action which is what we are called to do anyway. We are called to represent Christ in a positive, physical way. Instead of people coming out in a judgmental way, we are doing things positively and I think that's a great thing."

Weaver noted that members of the community should know that anyone participating in Kindness in Action Day will be doing work free of charge. Weaver said, "If someone shows up on Sunday wanting to do work and charge you, it is not us. We are not charging one cent for anything we do."

After the event, church members will gather at the Emmanuel Baptist Church to have a cook-out, praise service and share testimonials of the day.

Cassville's 2014 Homecoming King and Queen

Cassville's 2014 Homecoming King and Queen were crowned in an assembly on Friday. Homecoming King Chase Jackson is the son of Dale and Emily Jackson, of Cassville. Chase is involved in football, baseball, FCA and NHS. Homecoming Queen Kelsey Roney is the daughter of Steve and Tracy Roney, of Cassville. Kelsey is involved in volleyball, FCA, FBLA and NHS.

Wildcats dominate Mt. Vernon in Homecoming game

Cassville quarterback Gabe Kirk hands off the ball to Leigh Cox in Friday night's homecoming game. For the complete story on Cassville's take down of Mt. Vernon, see the article on page 15A.

Crowder staff take pies in the face

For the second year, Student Support Services (SSS) at Crowder College of Cassville hosted their annual Pie in the Face Contest. Instructors and staff volunteer to be in the running for this honor as a way to raise funds for SSS. For a couple weeks, jars are set out with the names of the instructors and staff that volunteered. Students, staff, instructors and members of the community then make donations in the jar of the person they most want to see take a pie in the face.

All of the money raised each year goes to purchase t-shirts for the SSS members at the Crowder campus in Cassville. This year, pie honors went to Carl Tilly, math instructor; Jerri Hudson, SSS academic advisor; and Dr. Larry Quinalty, English instructor. Each are pictured above in order from left to right.

New Dollar General coming to Wheaton

Steve Chapman

A new business will soon be coming to Wheaton. Work on a new Dollar General store began two weeks ago just south of the town on Highway 86. The store is slated to open at the end of January 2015.

Jaclyn Dees, communication specialist for Dollar General, said the company chose to build a store in Wheaton because the store will meet the needs of many of the people living there. "We go into small towns where it's convenient for our customers to shop with us," she said. "We try to serve our customers within a three -to-five mile radius

or a ten-minute drive."

That is welcome news to Dorothy Minnier, owner of Mom's Backdoor Quilts, who said the new Dollar General's location would be good for Wheaton residents. "Anytime we don't have to go to Cassville or Monett to get what we need, it's a good deal," she said.

When completed, the store will employ about six to ten people in a combination of full and part-time jobs, Dees said. She was uncertain as to what the store's hours would be, but speculated the store could be open from 7 a.m. to 10 p.m.

Special gifts will be waiting for early-bird shoppers

when the new Dollar General opens its doors. "When we have our grand-opening," Dees said, "the doors will open at 8 a.m., and the first 50 adult shoppers will receive a \$10 gift card to Dollar General. In addition to that, the first 200 shoppers will receive a free Dollar General tote bag."

Gail Robbins, owner of Gail's Beauty Supply, agreed. "I'm tickled to death," she said. "I've been here 45 years, and all new business is appreciated."

60 Year Anniversary

Paul Yarnall and Jane (Thomas) Yarnall, of Cassville, will be celebrating 60 years of marriage as of October 10, 2014. The couple was married on October 10, 1954 at Antioch Baptist Church. Pastor Paul Watson officiated. The Maid of Honor was Roberta Henbest, and the Best Man was Carl Henbest.

The Yarnall's were blessed with three children, son Jerry Yarnall, married to wife, Debbie, of Cassville, daughter Deborah Ramser, married to husband, Mike, of Mt. Vernon, and son, Jeff Yarnall, married to wife, Michelle, of Joplin. Paul and Jane are also proud grandparents and great grandparents of eight grandchildren, Chad Yarnall and wife, Kristi, Jill Ware and husband, Curtis, Juli Senters and husband, Dale, Jacob Yarnall, Josh Yarnall, Nathan Ramser, Hannah Bechtel and husband, Chris, Johnna Freund and husband, Andrew, and 9

great grandchildren, Chantly, Taylor, Abbi, Kobhe, Grey-cynn, Ava, Mikelle, August and Stella.

Paul retired from Monett schools in 1989 and retired from ministry in 2010 after pastoring Roaring River Baptist for 20 years. Paul taught school in Cassville, Monett, Purdy and Wheaton. In 1959 he started teaching in Cross Hollow School near Jenkins. Paul preached at Butterfield, Rocky Comfort, Van Buren, Eagle Rock and Golden Baptist Churches. Jane retired from Fasco in 1989.

The Anniversary will be celebrated with a private family reception October 12, 2:00 p.m. at College View Manor, Joplin. Cake and punch will be served.

Friends and Family are welcome to send cards to: College View Manor, 3828 College View Drive, Room 314, Joplin, Missouri, 64801.

Society

Edie retires from Advertiser

Johnnie Edie, the ad design manager for the Barry County Advertiser for 25 years, retired this month. Johnnie had been with the paper through many changes over the years, and she will be missed. Word is that she will be spending a lot of time keeping up with her grand-

daughters' volleyball games. All of the staff at the Advertiser want to wish her a happy retirement.

Johnnie was presented with a clock to commemorate her time with the paper. She is pictured above with publisher Emory Melton.

Patton's 98th birthday

"The 13th of October I'll sleep late. I don't have a date. I'll be 98." -Leo Patton, Jenkins.

Cox Monett recognized for newborn efforts

Cox Monett Hospital is one of three CoxHealth hospitals recognized for eliminating elective inductions and Cesarean deliveries performed before 39 completed weeks of pregnancy. The March of Dimes says this will give more babies a healthy start in life. Babies delivered before full-term are at increased risk of serious health problems and death in their first year of life.

"We're proud of our expert team of physicians and nurses who saw this opportunity to improve care in our community and put in place

policies to avoid scheduling elective inductions or cesarean deliveries before 39 weeks of pregnancy, except when medically necessary," said Cox Monett Hospital Executive Director Darren Bass.

"We know that the last weeks of pregnancy are vitally important in a baby's development," said Heather Hood, RN, nurse manager of Labor and Delivery. "At Cox Monett, we eliminated early elective inductions and Cesarean deliveries in the best interest of the babies we

FREE - MEDICARE HELP
CENTRAL CROSSING SENIOR CENTER SHELL KNOB, MO

Independent and totally unbiased counseling by qualified & trained Medicare Counselors.

Enrollment for 2015 has numerous critical changes you need to be aware of. Do you know what they are? Do you know your choices?

We take care of the hassle - You receive the help you need to make wise, money-saving choices.

None of our trained counselors are paid - Their only interest is in helping you make an informed health care decision. Medicare Parts "A", "B" and "D" and the available Advantage Plans can be confusing. The wrong choice could prove very costly to you both in terms of money and aggravation!

"Medicare Review" and Advantage Program - Part D Enrollment is Oct 15th through Dec 7th

Since the inception of this program at Central Crossing Senior Center, we've helped nearly 800 seniors save almost \$175,000. In 2013, the average savings to seniors who received this FREE service was \$432.35 - It is worth your time to come in and be informed. Don't leave your health care to Chance!

- The counseling and the review of your current plan are both FREE
- Do Not Delay - Act NOW - the schedule gets crowded quickly - we have a limited number of counselors - all volunteers

Call 417-858-3456 anytime, day or night - 7 days a week. If no one answers, leave a message and we will contact you ASAP to set up an appointment.

Funded by Barry and Stone County Senior Services Tax Board & Southwest Missouri Office on Aging.

Obituaries

LEONARD HENDERSON PATTERSON

Leonard Henderson Patterson, 75, of Pea Ridge, died Friday, October 3 at Bradford House Nursing Center in Bentonville.

He was born May 1, 1939 in Jacket, Missouri to Hamilton Patterson and Opal Gladys Arnold Patterson. He was a press operator for Ken-

nametal for forty three years. He loved fishing, camping, hunting, gardening, Nascar races and being with family. He is preceded in death by his parents; his first wife of forty three years, Margie Faye Patterson; a son, Kenneth Allan Patterson; two granddaughters, Tanisha and Tristen; a sister, Lula Mae Palmer.

He is survived by his wife, of eight years, Iva Mae Patterson; a son, Clifford Patterson and wife, Cindy, of Jacket, Missouri; two daughters, Patricia Bashaw and husband, Marlin, of Clifty, Arkansas, and Stacy Pendergraft and husband, James, of Exeter, Missouri; two sisters, Laura Clampitt and partner, Steve Clampitt, of Bentonville and Mae Etta Hickman of Pea Ridge; fourteen grandchildren; twenty great-grand-

children and one great-great grandchild.

Services were 11:00 a.m. Tuesday, October 7 at Sisco Funeral Home Chapel in Pea Ridge with Brother Perry Morgan officiating. Burial was in Antioch Cemetery. Arrangements were by Sisco Funeral Home in Pea Ridge. Visitation was Monday October 6 from 6-8p.m at the funeral home.

Online condolences may be made at siscofuneralshome.net.

DONNIE T. ZELLERS

Donnie T. Zellers, 77, of Purdy, Missouri, passed away on Wednesday, October 1, 2014, at the Roaring River Health & Rehab Center in Cassville. Mr. Zellers, son of William and Dessie (Terry) Zellers, was born on March 7, 1937, in Purdy, Missouri.

Graveside services were held at Mt. Pleasant Cemetery, Butterfield, on Monday, October 6, 2014, at 11:00 a.m. with Pastor Jerry Nickle officiating.

deliver and are honored to be recognized by the March of Dimes for this effort."

This achievement was recognized through a banner from the March of Dimes and Missouri Hospital Association (MHA). The banner, which was recently presented to Cox Monett's Labor and Delivery Department, is displayed on the hospital's first floor.

Cox Medical Center South in Springfield and Cox Medical Center Branson have also both been honored for their efforts to reduce the number of early elective inductions and Cesarean deliveries. Across the CoxHealth system, the number of early elective deliveries is 0%.

A total of 68 birthing hospitals in Missouri were eligible to apply for the honor, according to Trina Ragain, state director of program services, advocacy and government affairs, March of Dimes Missouri Chapter. Ragain said 25 hospitals applied and met the criteria and out of those 25, 19 had an early elective delivery rate of 0%. CoxHealth is the only hospital system in the state to be recognized at all of its birthing hospitals.

CoxHealth has approximately 4,900 births each year at its facilities in Springfield, Branson and Monett.

Babies born just a few weeks early have higher rates of hospitalization and illness

than full-term infants. Recent research by the March of Dimes, the National Institutes of Health and the U.S. Food and Drug Administration found that although the overall threat is small, the risk of death more than doubles for infants born at 37 weeks of pregnancy when compared to babies born at 40 weeks, for all races and ethnicities.

"The last weeks of pregnancy are extremely important. Babies aren't just putting on weight. They are undergoing important development of the brain, lungs and other vital organs," Ragain said. "The March of Dimes commends Cox Monett Hospital for being a champion for babies with their quality improvement effort"

Additionally, of the 46 hospitals, 87 percent now have a "hard stop" policy in place which establishes strict medical guidelines for when a physician may schedule a delivery. Only 35 percent had a hard stop policy in place before the MHA/March of Dimes collaboration began. The policy prohibits doctors from scheduling a delivery – either by induction or cesarean section – before the baby is at a confirmed 39 weeks gestation. The policy applies to non-medically indicated (elective) deliveries only. More information is available at marchofdimes.org/39weeks.

The family of Thelma House would like to thank friends and family for prayers, food, cards, flowers, visits, phone calls and memorial gifts given in her honor. We especially thank Bro. James Weaver, Sharon Sater and Fohn Funeral Home for the beautiful service. We are also grateful to Peachwood Manor for providing a loving home for mother during the past eight years.

Southwest students enjoy RRR celebration day

Southwest Students had a special RRR Celebration on Friday, October 3, at the Middle School. Students are regarded for exhibiting the three Rs: respectful, responsible, and ready and safe. Students who have no missing assignments for the first quarter (responsible) may attend a number of fun activities planned by the staff such as Bingo, computer games, a movie, basketball and more. Students who do have missing assignments must attend a responsibility room until all the missing work is completed. Students who have no office referrals (respectful) and/or perfect attendance (ready and safe) may receive a free item from the concession stand.

Students pictured above are playing bingo during the RRR celebration. In the front row, from left to right: Kamryn Jones, Jacey Ball and Carley Black. In the back row: Nathan Wallace, Cameron Corter and Jacob McManus.

OPENING from 3A

of Wheaton and owner of Wheaton Automotive, is cautiously optimistic. He said he believes the Dollar General store will be good for Wheaton, but

also hopes that it won't take customers from the businesses already there. "We welcome any business coming into town," he said.

"I hope they will continue to support the local businesses. Wheaton's a small town. We all need to stick together."

Mithing A Tooth?

Missing a tooth is **NO** laughing matter. Thankfully there is an easy fix. Dental Implants provide a strong, secure solution to missing teeth. They can replace a single tooth, several teeth, or secure a partial or denture. Most of all, Dental Implants restore more than just missing teeth- they restore confidence.

Barry County 4H groups celebrate 4H Week

More than 6 million young people across the country today will celebrate National 4-H Week, an annual celebration of 4-H during the first full week of October. Barry County 4-H will leverage National 4-H Week this year to showcase the great things that 4-H offers young people and highlights the incredible 4-H youth in the community who work each day to make a positive impact on the community.

Barry County 4-H will be celebrating National 4-H Week by showcasing member achievement, wearing 4-H green, and showing support for their 4-H program at Tractor Supply.

“The 4-H program holds endless possibilities for youth, and teaches kids how to be successful, productive members of their community, said Anna Klem, 4-H Youth Program Assistant.

The 4-H program in Barry County has a wide range of

projects and opportunities available to youth. Sewing, rabbits, outdoor adventures, photography, and entrepreneurship are popular projects among current Barry County 4-H members. With three clubs currently active in the county and interest pouring in, it is suspected that 4-H will see great growth in Barry County in the future.

Research has proven that participation in 4-H has a significant positive impact on young people. Recent findings from the Tufts University 4-H Study of Positive Youth Development indicate that, when compared to their peers, young people in 4-H are:

- Nearly four times more likely to contribute to their communities,
- Two times more likely to pursue healthy behaviors like, and
- Two times more likely to engage in Science, Technology, Engineering and Math

(STEM) programs in the out-of-school time.

In Barry County, more than 50 4-H youth and 30 volunteers from the community are involved in 4 H.

Also during National 4-H Week, hundreds of thousands of youth from all around the nation will complete a single, innovative experiment on 4-H National Youth Science Day, which will be held on Wednesday, Oct. 8, 2014. The 2014 National Science Experiment Rockets to the Rescue, will task youth to design and build an aerodynamic food transportation device that can deliver a payload of nutritious food to fictitious disaster victims. Youth will learn engineering concepts, develop math skills, learn about nutrition and help solve a relevant, global issue. To learn more about National Youth Science Day, please visit <http://www.4-h.org/nysd/>.

Cassville Healthcare Craft Show

Cassville Healthcare and Rehab held a Craft Show on Saturday, October 4. The residents set up tables as well as others from the community. Pictured above are, left to right: Janice Martin, activities director; Rose Youngblood, social services director assistant; and Reba Young, resident.

BC recognizes Childhood Cancer Awareness Week

The Barry County Commissioners signed a proclamation recognizing Childhood Cancer Awareness Week, October 26 through November 1:

Whereas, the American Cancer Fund for Children and Kids Cancer Connection report cancer is the leading cause of death by disease among U.S. children between infancy and age 15. This tragic disease is detected in more than 15,000 of our country’s young people each and every year.

Whereas, one in five of our nation’s children loses his or her battle with cancer. Many infants, children and teens will suffer from long-term effects of comprehensive treatment, including secondary cancers; and

Whereas, founded over twenty years ago by Steven Firestein, a member of the philanthropic Max Factor family, the American Cancer Fund for Children, Inc. and Kids Cancer Connection, Inc. are dedicated to helping these children and

their families; and

Whereas, the American Cancer Fund for Children and Kids Cancer Connection provide a variety of vital patient psychosocial services to children undergoing cancer treatment at Children’s Mercy Hospital in Kansas City, St. Louis Children’s Hospital, as well as participating hospitals throughout the country, thereby enhancing the quality of life for these children and their families; and

Whereas, the American Cancer Fund for Children

and Kids Cancer Connection also sponsor Courageous Kid Recognition Award ceremonies, community Get Well cards and hospital celebrations in honor of a child’s determination and bravery to fight the battle against childhood cancer;

The Commission of Barry County, Missouri, issues this proclamation recognizing October 26 through November 1, 2014, as Childhood Cancer Awareness Week in Barry County.

Eagle Rock Library plans October events

The Eagle Rock Library is looking for the next Little Miss and Little Mr. Eagle Rock. It is open to all children ages 7 and under. Submit a photo to the library by October 17 at 5 p.m. No name should be on the front of the photos, but include the child's name and a way for the library to return the photo on the back.

Winners will be announced at the 5th Annual Howl-O-Ween Fest on Saturday, October 25, at 5 p.m. Winners do not need to be present to win.

The Eagle Rock Lego Club will be hosting their October meeting on October 11 at 10 a.m. at the

Eagle Rock Community Center. Ms. Kara will have some spooky ideas for the children to enjoy. All ages are encouraged to attend. For more information, contact Kara at (417) 846-3059 or the library at (417) 271-3186.

The October Home School Class will meet on October 16 from 10 a.m. to noon at the Eagle Rock Library. This month, they will learn cookie and cake decorating. Children ages six through 17 are encouraged to attend. Contact the library if your child is no registered for the program so that they have enough supplies.

Jenkins Fish Fry draws big crowd

Addilyn, 3, and Alliah, 5, were all smiles at Saturday's Fish Fry at the fire station.

Steve Chapman

Around 50 volunteers served a crowd of 300 people at the 15th Annual Jenkins Fish Fry on Saturday, October 4. The community looks forward to the fish fry each year as a popular fundraiser for the Jenkins Fire Department.

The fish fry began at 4:30 p.m. As the guests arrived, they were treated to a hayride from the parking area and were entered into a drawing for a handmade quilt by Fern Meese. Several of them also purchased tickets to enter a 50/50 drawing, all benefitting the Fire Department.

Food was dished out beginning at 5 p.m., and the guests listened to the Ripplin' Creek Bluegrass Gospel Band while they ate.

Many enjoyed the evening spent with others from the community. Aaron England, of Jenkins, said the event was well-organized. "It was very nicely put together," he said. "They thought of everything."

Levina Wolf, of Cassville, also praised the fish fry. "We always have a good time," she said. "We come every year. We enjoy the food, the music, and we enjoy helping." Noting the abundance of food, she added "If anybody leaves here hungry, there's no excuse."

As the evening went on, the winning tickets for the quilt and the 50/50 drawing were drawn. Mike Workman, of Cape Fair, won the quilt, while Denise Prisk, one of the volunteers, took home a cash prize of \$143.50 from the 50/50.

After the drawings, Parker Stumpff of Stumpff Realty and Auction Service auctioned off nearly 85 items that local businesses and indi-

viduals donated to help raise funds.

The auction also brought out some friendly rivalries and, as a result, some items went for unusually high prices. For example, Jim Fohn, Barry County coroner, purchased some pies and paid a total of \$260 for them. When asked why he paid that much, he just laughed and said, "I just like pie." The auction raised over \$2,900.00 for the department.

Sarah Parker, the secretary of the fire district, said the event raised a total of \$5,500, but also added that the district still had expenses to cover, such as the food used in the event. She was unsure how much would be left after the bills were paid. James Vincent, chief of the Jenkins Fire Department, said the funds raised would be used pay for training and equipment for the firefighters, as well as paying down the department's long-term debt.

While the Jenkins Fire Department received many generous donations in money and merchandise, many peo-

ple were also generous with their time. The volunteers who served at the fish fry gave up their Saturday to help prepare the fire station for the event by helping to set up tables, chairs and tents, preparing and cooking food, directing traffic, serving guests, and cleaning up trash. After the guests had left, many of the volunteers remained behind to clean up the station.

While most of the volunteers came from Jenkins, some came from out of the area. Danny Hodge, a firefighter with the Aurora Fire District, came with his sons Alex, 12 and Tyler, 9. Hodge helped to bread and fry catfish while his sons carried cooked food down to the fire-station.

This was Hodge's second year to volunteer with the fish fry. "I know Glenn, who puts all this on," he said. "We helped out last year, and we thought we'd come out and help out again."

Vincent expressed gratitude to everyone involved in the fish fry. "A special thank you to all the donors who have given to the auction, the volunteers who helped cook, serve and clean, and finally, the people came out and showed their support for the Jenkins Fire Department," he said.

Barry County Health Department Food Service Report

The Health Department divides food service code violations into two categories: priority and core items.

Priority items are more likely than other violations to contribute to food contamination or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or injury.

A report for each establishment that is inspected shows the number of critical violations, along with a short statement as to the nature of the violations. The report also shows the number of non-critical violations but doesn't list the nature of those violations.

NOTICE OF BID CITY OF CASSVILLE

The City of Cassville is now accepting sealed bids for mowing services until 3:00 p.m. on Friday, October 27, 2014. The bid is a three year contract with the city, to be reviewed annually. The agreement will begin in the 2015 mowing and weed-eating season. (March 15th thru November 15th).

Mowing frequency will be dictated by grass height limitations specified in the contract document. A copy of the mowing specifications can be obtained at City Hall from the Public Works Director.

All bidders are required to submit an inventory of the lawn care equipment they currently own. The year/model and size of each piece of equipment must be included.

Proof of liability insurance of \$1,000,000 and Workman’s Compensation is required to be submitted with the bids.

Please submit bid to: Public Works Director, City of Cassville 300 Main Street Cassville, MO 65625.

For detailed information contact Cassville’s Public Works Director Steve Walensky at (417) 847-4441 ext 5. The City of Cassville reserves the right to refuse any or all bids.

Phelps leads Cassville comeback in Homecoming victory

Lee Stubblefield

If a movie was made about Cassville's stirring Homecoming victory over Mt. Vernon, it would surely be titled "A River Runs Through It." Sophomore tailback River Phelps led the way with a pair of touchdowns from scrimmage, 116-yards rushing, and a score on a kickoff return as Cassville survived a scare from the one-win Mountaineers on Friday night at Wildcat Stadium.

Leigh Cox, who teamed with Phelps in the backfield, turned in a "Best Supporting Actor" performance with his 114 yards and a touchdown.

Cassville spotted Mt. Vernon an early 6-0 lead when the Mountaineers drove a short field and scored after the Wildcats fumbled in the first minute of play.

Another fumble on the first snap following that touchdown gave the Moun-

taineers the ball on Cassville's side of midfield, but the visitors coughed up a turnover on second down as the Wildcats dodged an early bullet.

It was Cassville's turn to start at midfield, and Gabe Kirk directed an eight-play drive that ended with Phelps bullying into the endzone from four yards out. Kendal Branham's conversion gave the Wildcats a 7-6 lead with 4:44 left on the first-quarter clock.

Mt. Vernon responded with an 80-yard, 15-play drive to retake the lead. A failed two-point conversion left the score at 12-7 in favor of the Mountaineers with 10:09 left in the second quarter, and that score hung on the board as the teams adjourned at halftime.

Cassville kicked off to start the second half, and then held Mt. Vernon to a

three-and-out.

After Ty Boswell's punt died at the Cassville 24-yard line, Gabe Kirk threw long for Cade Pendergraft on second down. The pass hung and fell short, but Pendergraft adjusted and made a remarkable grab for a 44-yard gain to the Mt. Vernon 29-yard line.

On second down, Phelps took a quick toss from Kirk and motored through the secondary for a 27-yard score as Cassville regained the lead at 14-12.

Late in the third quarter, the Wildcats appeared to have control when Phelps scored on a 65-yard punt return, but a piece of yellow laundry negated the play. Then on the second play of the fourth quarter, Kirk was intercepted by Mt. Vernon's Payton Oehlschlager.

A one-play drive followed. Garrett Hadlock

The Wildcat defense is pictured above as they bring down the Mt. Vernon Mountaineers. The Wildcats handed Mt. Vernon their sixth loss of the season.

threw to Clay Eldridge, and the junior receiver completed a 43-yard catch-and-run to regain the lead for Mt. Vernon at 20-14.

Jayden Buttram kicked off deep to Leigh Cox. Cox handed the ball to Phelps on the reverse, and he jetted to the endzone as the Wildcats clawed back in front, 21-20.

The Mountaineers could not sustain a drive, and Cassville answered with a 56-yard scoring drive. Cox darted off left tackle for a 15-yard score and Cassville's lead grew to 28-20. Then Mt. Vernon fumbled the ensuing kickoff, leading directly to a 23-yard touchdown run by Kirk.

The Wildcat held one more time, and then ran out the clock to preserve the 35-

20 victory.

Cassville improved to 3-4 with the win, ending a three-game losing streak. Mt. Vernon fell to 1-6 overall. The Wildcats will try to get back

to .500 when they visit the East Newton Patriots on Friday night at Granby. Kickoff is set for 7:00 p.m.

New Golden Museum addition opened

Charlea Mills

Walking into the Golden Museum, at any age, or at any time, no matter how many times you've been is exciting. As owner Wilfred Prier says it best, "If you like anything at all, you'll find something you like in here."

The existing museum located at Highway 86 and J in Golden was an impressive sight, especially for a history buff. Now, with the unveiling of the newest 2,700 square foot addition to the building, a bigger treasure chest awaits. The fifth room added to the museum was completed by Tim Kendrick, who took the temporary door off to reveal the newest room of treasures last week. Inside, you'll see collections ranging from Native American artifacts, to the world's largest collection of butter dishes, to fluorescent glassware.

One of the first exhibits when you walks into room number five is a display of bones. Upon closer inspection, you'll notice that the bones are anything but ordinary. Imbedded in each one is an arrowhead. Prier said, "The man who found these spent a lifetime walking the plains of Montana looking for them." Arrowheads struck the animals in non-lethal positions, staying there for years before the animal died.

Continuing through the exhibit, you'll find mineral collections, knives, iron trivets, hammers and more. Among the Native American artifacts that Prier recently acquired from a man in Kansas is one of the most extensive arrowhead collections known. Prier said that he hadn't counted them, but gestured to a box and estimated just the one to be around 10,000. The most recent Native collection was started by the man's grandfather from 1880 to the 1900s. His father added to it until the 1940s or 1950s before he continued the tradition after his father. Prier said, "It's just unbelievable how much they collected over the years."

Prier said the most unique display is also housed in the newest part of the museum. "Our must unusual

In the newest room of the museum, you can see bones, like the skull above, with arrowheads embedded in them from Native American hunters in Montana.

display is over 1,300 butter dishes." Prier said that he met the owner of the collection around 20 years ago. Before the men parted ways, Prier said that he would go see the butter dishes if he was ever in the area. Around eight years ago, while visiting the Kansas City area, Prier called him to see the collection. It wasn't until the man passed away in the last couple years that he bought the collection. Prier said, "He told his son that he wanted the butter dishes to go into the museum. The only requirement was that they all had to be displayed, so I told him that we were adding on

to the museum and that he could have a whole wall, and that's what we did."

Over the years, many people have parted with their treasures to make their new home the Golden Museum. While some of that is probably part due to the vast displays and uniqueness of the museum, it is also because of the energetic way Prier appreciates each and every item housed in the museum's walls. Every collection has a story, and every piece has history attached to it. Many collectors and their children have shed a tear of joy seeing their prized possessions out

Tim Kendrick, the man who built the addition to the museum, is pictured above removing the temporary door to open the display to the public permanently.

for so many people to enjoy and learn about in the he museum.

From record-breaking 1,250 pound minerals to ancient Chinese wooden vases to tin lunch boxes and more, the Golden Museum is an eclectic grouping of treasures

that anyone would enjoy. The museum is open Tuesday through Saturday from 10:30 a.m. to 4:30 p.m. Admission is free, but donations for upkeep of the museum are accepted. For more information, call (417) 271-3300.

Local Boy Scout honored for saving a boy in danger

Charlea Mills

Boy Scouts are usually known for their courage, valor and integrity, but occasionally, a boy scout stands out beyond those basic qualities to be truly selfless and brave in an extraordinary way. That is the case with 14 year-old Michael Bernsen, of Shell Knob, who was awarded Medal of Merit Saturday for his quick thinking when another scout was in danger.

Last summer, Bernsen attended Camp Arrowhead in Marshfield with many other scouts. While he was walking on July 11, he noticed another boy who looked ill. Even though he had never met the boy, he sensed something was seriously wrong. Bernsen said, "First, I wanted to know if he was really hurt. When I realized that he was in trouble, I tried to get some of the other kids to help, but when they wouldn't, I knew I had to do something." What happened next landed Bernsen a special award and a lot of gratitude from the boy's troop.

Initially, Bernsen walked with the boy up the hill to get him to help, but things went south quickly. He said, "About half way up the hill, he just hit the ground. So I picked him up and carried him the rest of the way." Bernsen put the boy on his back and trekked up the last of the steep hill to find

Pictured above is the Bernsen family at Michael's Medal of merit ceremony. From left to right are Kathy, Michael and Jerry Bernsen.

adults who could help.

Bernsen's quick response to a fellow scout in danger was crucial to the boy's health. The other scout ended up being transported to the Emergency Room for treatment for severe dehydration and respiratory distress.

When asked, Bernsen said that he did it because it was the right thing to do. "He needed help, and when no one else would listen, I just did what I could."

Bernsen was honored at a ceremony on Saturday, October 4, at Crowder Col-

lege in Cassville. Debbie Cash, the District Advancement Chair, presented Bernsen with a Medal of Merit in front of many other district scout troops and his parents. At camp, Bernsen was also awarded the Scouting Excellence Award for his quick actions.

Michael's mother, Kathy, stated, "We're extremely proud of him. I wasn't surprised about what he'd done because he's a really compassionate person. It's just in his nature to do something like that."

His father, Jerry, said

that Michael comes from a long line of scouts and that the values they instill are important to their family. "His grandfather had the highest honor that a scout can have."

Bernsen is the senior patrol leader for Troop 185 which is sponsored by the First Baptist Church of Cassville. This is Bernsen's seventh year as a boy scout, and he has no plans on leaving the scouts any time soon.

Cassville City clean-up next week

The City of Cassville's annual fall clean-up will be held October 13 through 17. Republic Services will accept additional household waste and large items on regular collection days.

The following items will be accepted at the curb: barbecue grills; patio furniture; outdoor furniture; sofas; dressers; loveseats; recliners; desks; televisions; bundled guttering; beds, including hide-a-beds, mattresses and box springs; wood pallets; waste from small remodeling or wood projects, materials must be cut into four-foot sections and stacked; sinks; toilets; cabinets; vanities; carpet that is cut into four-foot lengths and bundled; fencing that is cut into four-foot lengths; and bicycles.

Republic Services will not accept tires, yard waste, large quantities of ash, dead animals, raw sewage, waste oil, hazardous materials, wet paint containers, chemicals, flammable substances, lead or acid batteries or waste from large remodeling or construction projects.

They are again offering this year for Cassville residents who want to dis-

pose of large appliances and metal.

One option will be to take only metal or large appliances to a dumpster located at 503 Mill Street. This is across the street from the Barry County Sheriff's Office. This option is free.

The other option will be to have Cassville residents set at their curb side large appliances for Republic Services to collect. There is a \$15 fee. Residents must pay the fee to Republic Services in order to schedule the pick-up of the appliance. The following large appliances will be accepted after the \$15 fee has been paid: dishwashers; washing machines; dryers; hot water heaters; and stoves. Republic Services will also accept refrigerators, freezers and air conditioners that display a tag from a licensed technician proving that all freon has been removed from the item.

Yard waste will be accepted as normal at the yard waste facility behind the Cassville Aquatic Park.

For more information on the city clean-up, call (417) 847-4441.

Jack Henry donates to area schools' Backpack Programs

The associates of Jack Henry and Associates on the Monett campus participated in Shorts and Flip Flips Days over a three-month period and held a fundraiser breakfast to support even local public schools with their backpack programs. A total of \$8,400 was raised with \$1,200 going to each school. The schools that received funds were: Aurora, Cassville, Exeter, Purdy, Monett, Pierce City and Wheaton.

Pictured at left, receiving funds for the schools are Amy Cole, Cassville Middle School counselor (left); and Tim Jordan, Exeter Elementary Principal (right). Checks were presented by Angie Edie, JHA Human Resources (middle).

Barry County's years past

40 years ago

Dr. Morton "Chip" Kammerlohr returned to Cassville to practice veterinary medicine.

Ronal G. Ryder, of Purdy, graduated from recruit training at the Naval Training Center in Great Lakes, Ill.

Matthew A. Renkoski, Purdy, was named to "Who's Who Among Students in American Universities and Colleges."

30 years ago

Gayle Taylor was chosen FFA Sweetheart at the Wheaton High School FFA Barnwarming.

Nancy England, Cassville, received the Meritorious Service Award in Youth Education from the Missouri Association of Extension 4-H Youth Workers.

JoAnne Ellis, an English teacher at Cassville High School, was named as a finalist for Missouri Teacher of the Year.

Three Exeter music students were chosen to sing in the All District Chorus. They were: Laura Brown, Missy Reed and Becky Sherman.

20 years ago

Cassville High School Seniors Charlie Tabor and Courtney Henbest were crowned Barnwarming King and Queen at the Cassville Annual Barnwarming.

Howard Hill and Jodie Stringer were crowned Cassville High School Homecoming King and Queen.

Charles Brattin, a carrier for the Cassville Post Office, was honored for 30 years of service with the United States Postal Service.

Exeter JV Volleyball placed first in the McAuley JV Tournament. The team members were: Mandy Lee, Tammy Davis, Stephanie Davis, Haley Pyles, Kellie Stephens, Alicia Navarre, Tina Bateman, Stacy Rowde and Coach Chris Shore.

10 years ago

Dr. Al Boswell joined the staff of the Herrin Animal Hospital.

Jim Davey, Cassville, won a gas grill in a raffle drawing at the Jenkins Rural Fire Department Fish Fry.

The Cassville senior softball players were honored. They were: Rachael Selby, Megan Phillips, Brittany Howerton and Jemi Barber.

SKITS bringing new play

Shell Knob In The Spotlight (SKITS) has its cast together and is rehearsing for their fall play "You Can't Get There From Here."

The play is Nov. 6 through 9 at the United Methodist Church in Shell Knob.

The last play SKITS presented was "Dogsbreath De-veraux, the Dastardly Doctor," a melodrama and presented the audience with the opportunities to interact with actors. This play is just as entertaining in a twisted rib tickler way. The actors navigate through many "twists" and turns until the mysteries are revealed in the ending scene. The play has humorous scenes that make even the rehearsals a lively and fun place to be.

The cast is: Lori Reaves as Liz, Karin Stanley as Myrtle, Sue Ramonette as Ann, Jim Robinson as Arthur, Barb Van Dusen as Queenie, Kathy Vice as Dolores and Rob Holmberg as Horace. Sherri Lewis is directing. Some actors you will recognize from past shows and some are making their debuts.

Tickets will be on sale soon at outlets in Shell Knob. They can also be purchased at the door.

SKITS is still seeking help back stage. For more information, call (417) 499-4551 or email shellknobspotlight.com.

Shumaker inducted into MO Tire Industry Hall of Fame

Keith Shumaker, founder of Shumaker Tire Co., Golden, was inducted in to the Missouri Tire Industry Association Hall of Fame. The ceremony was held on September 20, 2014, at The Stone Castle Hotel and Conference Center, in Branson. Also inducted that evening in to the MTIA was Don Isbell of Friend Tire Co., Monett.

Pictured with Mr. Shumaker presenting him with his award was Matt Jost with MTIA.

Barry County absentee Nov. 3 voting information

Absentee voting continues for the November 4, 2014, General Election through Monday, November 3, 2014, at the Barry County Clerk's Office in Cassville from 8:00 a.m. to 4:00 p.m.

• If unable to vote absentee in person, you may request an absentee ballot to be mailed to you. You can pick up an absentee ballot request form at the Monett Chamber of Commerce or the Shell Knob Chamber of Commerce or you may send a written request to the office of: Gary Youngblood, Barry County Clerk, 700 Main St. Suite 2, Cassville, MO 65625 or by fax at (417) 847-5311. If you are request-

ing an absentee ballot by mail we will need: date of election, name of voter, physical address, mailing address, date of birth, last four (4) digits of social security number, phone number, reason for voting absentee (absent from your voting location on election day or physical disability) and signature.

• The last day to request an absentee ballot to be mailed is Wednesday, October 29, 2014, for the General Election.

• For additional information, call Barry County Clerk, Gary Youngblood at (417) 847-2762 or email barrycountyclerk@centurytel.net.

Southwest holds Fall Festival

A group of students at Southwest shows off the fun they were having at the fall festival. Kids could jump on inflatables, get their faces painted, enjoy snow cones and cotton candy as well as play games. A few older students even got doused in the dunk tank outside.

Sam Lawrence, 2nd grader at Southwest, gets his face painted by junior Caley Murray, at the Art table's booth at the fall festival.

Commerce donates \$500 to Crowder

Commerce Bank, of Cassville donated \$500 to Crowder College in support of their Festival of Wreaths which supports scholarships for students. Each year, Commerce Bank contributes to organizations that make positive impacts on the lives of Barry County residents.

Pictured above, left to right, are: Mike McCracken, Commerce Bank President; Haley Rear-don, Crowder College; Angela Seymour, Crowder College; and Debra Mitchell, Commerce Bank Vice President.

Purdy presents students with Character Education medals

Purdy Elementary Principal Janet Boys announced character education medal winners for the months of August and September. In partnership with elementary counselor Gary Jurgensen, Purdy's kindergarten through fourth grade teachers present a different character trait each month. At the end of the month each teacher nominates one student who best exemplifies the trait presented. These students receive character medals from Mrs. Boys at a special assembly.

As they returned to school in August, students focused on friendship. August medal winners are fourth graders Ryan Mitchell, Anna Marie Schad and Torrie Graessle; third graders Hilary Yang and

Raeley Henderson; second graders Eryn Schlessman, Nathan Harris and Keele Allen-Thorpe; first graders Weston Roden, Randy Rueda and Elias Rivas; and kindergartners Dusty Ash, Sherlyn Paxtor and Emily Maddocks.

In September, students turned their attention to teamwork. September medal winners are fourth graders Esdras Juarez, Makayla Mazza and Naomi Salazar; third graders Jaraldie Rodriguez and Jimmy Felipe; second graders Levi Deditius, Kelsee Merritt and Dayten Farris; first graders Jenna Adams, Audree Hert and Aldo Perez; and kindergartners Kierstn Postlewait, Logan Clow and Hunter Wormington.

The students recognized in August for their friendship are pictured above. In the front row, from left to right: Gary Jurgensen, counselor; Weston Roden; Eryn Schlessman; Raeley Henderson; Echo the Eagle; Elias Rivas; Sherlyn Paxtor; Dusty Ash and Janet Boys, Elementary Principal. In the back row: Randy Rueda; Emily Maddocks; Nathan Harris; Keele Allen-Thorpe; Torrie Graessle; Ryan Mitchell and Anna Marie Schad.

The students recognized in September for their teamwork are pictured above. In the front row, from left to right: Gary Jurgensen, counselor; Logan Clow; Jenna Adams; Hunter Wormington; Echo the Eagle; Dayten Farris; Jaraldie Rodriguez; Audree Hert; Janet Boys, Elementary Principal; and Kierstn Postlewait. In the back row: Kelsee Merritt; Naomi Salazar; Makayla Mazza; Aldo Perez; Levi Deditius; Jimmy Felipe and Esdras Juarez.

Delicious, all-natural cooking found at Nonna's Nummies

Steve Chapman

Nonna's Nummies is found on top of a hill in a cheerful yellow building that could almost resemble the gingerbread house from "Hansel and Gretel." Here, Kelly Prohaska whips up deliciously different meals for customers seeking an extraordinary eating experience. She takes pride in the fact that almost all of the food she serves is homemade.

Prohaska, 25, who owns Nonna's Nummies along with her mother, Donna Lombreglia, started her restaurant in March 2012 after graduating from college with a degree in special education. Lombreglia had retired to Shell Knob, so Prohaska decided to follow her. However, according to Prohaska, there was little need for her degree in the area, so they decided to start the restaurant together.

The decision to open a restaurant was not one made lightly. Lombreglia at one time had owned her own gift shop, and Prohaska grew up helping her with it, an experience she said she enjoyed. "I remember working with her from the time I was little and loving it," Prohaska said.

Additionally, Prohaska had a background in running a business from when she had her own baby sit-

Almost all of the goodies featured at Nonna's Nummies are prepared in-house from scratch and without preservatives.

ting service and also held a number of jobs that trained her in leadership. "I've held a lot of management positions in places that I've worked," she said.

So why is the restaurant called Nonna's Nummies? Prohaska says the name is a tribute to her mother. "She always had the nickname *Nonna*, which is Italian for 'grandmother.' And my brother and I, when we were younger, couldn't say 'yummies,' we said 'num-

mies.'"

Prohaska and Lombreglia are a team, with Prohaska handling the cooking while Lombreglia bakes a variety of cakes, cookie cakes and other treats. "I'm a great cook," Prohaska said, "but I'm a terrible baker, and she's a phenomenal baker."

For lunch, the restaurant has a variety of hot and cold sandwiches, burgers, pizzas, soups, chili and salads. For dessert, there are ice cream, smoothies, baked goods

and sundaes. They also have a special take on the banana split called "The Banana Boat." This decadent treat includes hot fudge, caramel, butterscotch, Butterfingers, Oreos, M&Ms, peanuts, strawberry topping and sprinkles.

On Friday and Saturday evenings, Nonna's Nummies has entrees, which Prohaska says changes each week. "We feature different dinner entrees every weekend. Our specialty is our traditional Italian, however, we do mix it up with Mexican and Americana cuisines that are just as delicious." Prohaska announces what her weekend entrees will be each week, usually by Thursday, via Facebook. The restaurant also serves breakfast on Sunday mornings.

While Prohaska and Lombreglia strive to create tasty food, they also try to make it as healthy as possible. For instance, they only use unprocessed meat in their food, and Lombreglia doesn't use shortening or margarine in her baked goods, only butter. Also, they make their own ice cream using milk, cream and fresh fruits that contain

no preservatives. Said Prohaska, "We're a more all-natural approach."

Nonna's Nummies is in its third season, and Prohaska still loves it. "I take a lot of pride in what I do here," she said. "I'm always so excited to share my cooking with whomever is willing to stop on by. I think it's time for people to taste the difference that homemade makes."

Nonna's Nummies is lo-

cated in Shell Knob at the corner of Highway 39 and Lake Road 39.5, on the west side of the highway. Currently, the restaurant's hours are Thursday through Saturday, 11 a.m. to 9 p.m. and 9 a.m. to 2 p.m. on Sundays.

Nonna's takes special orders for baking and catering. The restaurant is also available for private parties. Call (417) 858-8000 for more information.

Barry County Courts send 11 to prison in September

• Keith A. Antle, of Washburn, had his probation revoked for seven different charges ranging from 2007 to 2014. He was charged with possession of a chemical with the intent to manufacture a controlled substance in 2007, operating a motor vehicle while his license was revoked in 2011, resisting arrest for a felony in 2012, theft/stealing of \$500 to \$25,000 in 2012, assault in the 2nd degree in 2012, burglary in the 1st degree in 2014, and tampering with a motor vehicle in the 1st degree in 2014. He was sentenced to five years incarceration with the Department of Corrections.

Antle's original possession charge stemmed from December 2010 when he was found purchasing Drano, coffee filters, lithium batteries and heat packs at the Walmart in Cassville. He was then found driving with his license suspended in January 2011.

While officers with the Barry County Sheriff's Department were investigating a crime in Washburn, Antle gave his brother's name to try to conceal his identity. Then he fought with deputies and had to be physically restrained to be taken into custody.

On June 6, 2012, Antle was confronted while at Walmart in Cassville when he tried to leave the store with a TV and several DVDs without paying for them. After a struggle, he released the TV but left with 15 DVDs. Officers tracked down the license plate number of the car. He pled guilty to all of the aforementioned charges in November 2012, and he was placed on probation.

On October 23, 2012, Antle attacked another inmate while in the Barry County Jail, breaking the victim's jaw where he needed corrective surgery. The attack was unprovoked. Antle pled guilty to that crime in June 2013.

In January 2013, Antle entered into a building in Washburn to steal car keys to a 2009 Honda that did not belong to him. Antle pled guilty to that crime on September 16, 2014.

• Maria L. Barrientos, Monett, pled guilty to possession of a controlled substance. She was given a suspended imposition of sentencing and is to serve 100 hours of community service by September 15, 2016, and will serve five years supervised probation.

During a narcotics investigation on November 21, 2013, officers with the Monett Police Department went to Barrientos' residence on North Kyler regarding possible drugs on the premises. During the search, officers found a digital scale, glass pipes, methamphetamine and hydrocodone in her home where she lived with three children.

Barrientos will serve probation until September 15, 2019.

• Robert Charles Boyd, III, Cassville, pled guilty to DWI-Alcohol as a persistent offender. He was given a suspended execution of a three year sentence and is to serve 480 hours of community service on or before September 14, 2017, and supervised probation for five years.

On March 29, 2014, officers with the Cassville Police Department pulled Boyd over for suspicion of driving while intoxicated. When Boyd exited the car, he fell to the ground. He refused to take a field sobriety test, but consented to a breathalyzer test. Boyd's blood alcohol level was 0.200 percent. He also had three prior DWIs in 2012 and 2013 as well as multiple traffic violations.

Boyd is to serve probation until September 15, 2019.

• Douglas Wayne Brattin, Cassville, pled guilty to unlawful use of a weapon. He was given a suspended execution of a four year incarceration

sentence and supervised probation for five years.

Brattin was originally arrested on May 2, 2011, when officers with the Barry County Sheriff's Department were dispatched to Purdy for a drunk driver with a gun. Brattin told the victim that he was going to kill him and aimed a .22 caliber rifle out of his vehicle. Brattin had a blood alcohol content of 0.138 percent when officers arrived.

Brattin is to serve probation until September 15, 2019.

• Ronald Wayne Breland II, of Lowell, Ark., made an Alford plea to assault in the 2nd degree. Breland was given a suspended imposition of sentence, 100 hours of community service to be completed before September 15, 2015, and three years supervised probation.

Breland admitted to having sexual intercourse with a 16 year-old girl twice when he was 22 years-old.

Breland is to serve probation until September 15, 2017.

• Dakotah Gene Crown, Springfield, pled guilty to sexual assault. He was given a

suspended execution of a seven year incarceration sentence with five years supervised probation and he must comply with all standards and conditions for sexual offenders.

Crown is to serve supervised probation until September 29, 2019.

• Jeremy Michael Danzer, Cassville, pled guilty to one count of theft/stealing of \$500 to \$25,000 and made an Alford plea to a separate theft/stealing of \$500 to \$25,000 charge. Danzer was originally sentenced to probation on each charge in 2013 and 2014 respectively. His probation has since been revoked. He is to serve three years incarceration with the Department of Corrections.

Danzer's original theft charge stemmed from a chain saw stolen from the Monett Police Department. Officers with Monett were investigating the incident when they found the chain saw in the car Danzer was riding in with three other people. They had stolen it as a group.

On December 27, 2013, officers were investigating ste-

52-1

reo equipment stolen from a storage area on Cleveland in Monett. Officers found the stereo equipment at a residence on Woodland Ridge. Danzer traded the stereo for a 1989 Nissan truck.

• Stoney Wayne Fair, Seligman, pled guilty to possession of a controlled substance and possession of a chemical with the intent to manufacture a controlled substance. He received a suspended imposition of a sentence, 100 hours of community service by September 15, 2015, and five years supervised probation.

On April 7, 2014, Fair was found to have a plastic syringe, spoon, and many small baggies that field-tested positive for methamphetamine. He also had lithium batteries, a coffee filter and aluminum foil.

• Davie A. Gallion, Harrison, Ark., pled guilty in 2011 to a sexual assault charge from 2007. He is to serve supervised probation until September 24, 2019.

• Larry S. Gilbert, Monett, pled guilty to possession of a controlled substance in 2013. His probation has since been revoked and he is to serve 120 days shock incarceration.

Gilbert was originally arrested when he was found to be in possession of Fentanyl patches and syringes on December 21, 2010. He admitted to cutting the patches with apple juice and injecting them.

• Jason Henry, Berryville, Ark., pled guilty to possession of a chemical with the intent to manufacture a controlled substance. He received two years incarceration.

On July 28, 2014, Henry and others were in a vehicle at Walmart in Cassville engaging

in suspicious behavior. Henry walked into a field where officers lost sight of him. They found a bag of lithium batteries near Henry in the field. The other people in the vehicle had pseudoephedrine and other precursors for manufacturing methamphetamine.

• Ashley Hilburn, Pierce City, pled guilty to theft/stealing of \$500 or 25,000, and possession of a controlled substance. She was given a suspended imposition of sentence, 100 hours of community service, restitution, and supervised probation for five years.

Hilburn forged multiple checks on bank accounts in October and November 2013. Then, on February 2, 2014, it was reported that personal checks, cash, jewelry and a credit card were missing from the victim's home in Exeter. One of his checks was found in Hilburn's vehicle along with pills and a Fentanyl patch.

She is to serve probation until September 15, 2019.

• Troy Lynn Hinkle, Cassville, made an Alford plea for shooting a firearm from a motor vehicle as a 1st offense. He received a suspended execution of a six year incarceration sentence and he is to serve supervised probation for five

years.

On August 26, 2013, Hinkle was in a vehicle in Monett with three other men. He fired a handgun from the car at children playing in their backyard and then at a jogger on the road. Hinkle was found to have a blood alcohol level of 0.15 percent.

Hinkle is to serve probation until September 15, 2019.

• Lonny J. Hopkins, Exeter, pled guilty to three counts of theft/stealing of \$500 to \$25,000. He received a suspended imposition of sentencing, 100 hours of community service by September 15, 2015, restitution of \$265 and supervised probation for five years.

On December 16, 2013, Hopkins stole a two piece wedding ring set from his step grandparents' residence. The rings were valued at \$750.

Hopkins is to serve probation until September 15, 2019.

• Steven Bradley Hunter, Cassville, pled guilty to assault in the 2nd degree. He was given a suspended execution of a three year incarceration sentence, five years supervised probation and was ordered to pay restitution.

On July 4, 2013, Hunter and two other men stopped someone at the Washburn Prairie Cemetery. The vic-

tim was punched, kicked and stomped before blacking out.

Hunter is to serve probation until September 15, 2019.

• John Frederick Johnson, Springfield, pled guilty to possession of a controlled substance and was give a suspended imposition of sentencing with 100 hours of community service by September 14, 2016, and supervised probation for five years.

On February 11, 2014, Washburn Officer Terry Burgess stopped a vehicle on Highway 37. Johnson was taken into custody for having a warrant out of Polk County. Johnson had two baggies of methamphetamine in his shirt pocket.

Johnson is to serve probation until September 15, 2019.

• Samantha Ray Johnson, Monett, pled guilty to resisting arrest for a felony and possession of a controlled substance. Johnson was sentence to three years incarceration.

On June 24, 1014, Johnson was found acting suspiciously near Bond and 2nd Street in Monett. When asked, Johnson gave a fake name. When officers located her in the records system, she was found to have several active warrants for her arrest. Johnson ran from offi-

cers. When she was arrested, she had three syringes as well as methamphetamine.

• Preston Levi Kovanda, Exeter, pled guilty to burglary in the 1st degree and theft/stealing of \$500 to \$25,000. He was sentenced to eights years incarceration on those charges. He was also charged with five counts of forgery for which he was sentenced to seven years incarceration.

On February 2, 2014, Kovanda and Megan Homewood forced entry into a home on Farm Road 1085 in Exeter. They stole several items from the garage including food and tools. The two left the home

when the homeowner drew a gun on them. On February 18, the residence of Homewood and Kovanda was searched and the items from the victim's home were found.

On February 15, 2014, Kovanda and Homewood passed three stolen checks at Walmart in Monett and another written to Kovanda. The checks had been drawn on Homewood's mother who was incapacitated and undergoing cancer treatments at the time.

Felony court cases will be continued in next week's issue of the Advertiser.

25 FT
PRUNING ZONE

Trees growing too close to power lines are potential hazards and can cause power outages. Careful planning and selection of trees before planting provides a well-balanced landscape and reduces the need for right-of-way maintenance.

Give your electric cooperative a call with any questions you may have about which trees are right for your yard.

Barry Electric Cooperative

4015 Main St. • Cassville, MO 65625-1624 • (417) 847-2131 • barryelectric.com 52c

**Haven of the Ozarks Pet of the Week**

This week's featured pet is Emmylou! She's a very gentle-natured 2 yr old black & tan girl with perhaps a sight hound breed in the mix. Slender and leggy like a fashion model, Emmylou is housetrained, likes children, and gets along well with both dogs and cats. Only 45 lbs, she will integrate easily into almost any household type. If interested in Emmylou or another Haven pet, please call 417-835-3647 or just come on over - we're open every day! All Haven adoptees are welcome back if things don't work out, but we're here to answer questions after adoption to help them stay put, too.

If you are interested in adopting a dog or cat please call
417-835-3647 or visit thehaven.petfinder.com.

PETS

TWO BORDER COLLIE
mixes available. Puppy is
12 weeks and has a \$20
adoption fee to ensure
she goes to a safe home.
Mamma is about 1 year
and must go to a farm
family. She needs room
to run and lots of love.
Both very sweet and
great with kids.

Red Rose Healthcare changes ownership, name

Steve Chapman

Red Rose Healthcare and
Rehab Services of Cassville
is under new ownership. As
of October 1, the 30-year old
facility officially came un-
der the ownership of Health
Mark Services of Van Buren,
Ark., and is now Roaring
River Healthcare and Rehab
(RRHR).

According to Russ Newby,
the facility's administrator,
the new ownership will mean
a lot of positive changes for
residents. "It's a new begin-
ning," he said. "There will
be more staff, the building
will be remodeled, and there
will be new landscaping out
front."

Melissa Inman, dietary
manager, says residents will
also see a change in the meal
choices available to them, in-
cluding a menu service that
will be geared more to indi-
vidual tastes. "This is their
home," she said, "and when
you are at home, you eat what
you want."

RRHR will continue to
provide rehab to home ser-
vices, where an individual
receiving therapy stays at the
facility temporarily, then re-
turns home after the therapy
is complete. "We do a lot of
physical therapy, speech
therapy and occupational
therapy," said Newby.

One feature of the facil-
ity that will not change is the
activities it sponsors. Newby
said that RRHR will contin-
ue to hold the activities that
were hosted by Red Rose, in-
cluding the Easter Egg Hunt,
the Pig Kissing Contest, and
the upcoming Trail of Treats
at Halloween. "It's a tradition
for us," he said.

Erin Newton, activities
director, added that residents
will continue to participate
in activities outside of the
building. "We're going to the
corn maze this month," she
said.

Newby also mentioned
that RRHR will continue to
provide all the services pre-
viously offered by Red Rose.
"We are still a skilled nursing
facility," he said.

The staff of Roaring River Healthcare and Rehab are pictured above, left to right: Russ Newby, administrator; Martha Berry, office manager; Joy Ball, retiring office manager; Erin Newton, activities director; Melissa Inman, dietary manager; Carl Eschbach, human resources; Heather Brown, director of rehab; and Terri DesRochers, social services.

RRHR has also recently
hired a new medical director
to help oversee the residents
care. Dr. Christopher Billings
began work at the facility on
October 3.

Proposed Amendments to the Constitution of Missouri
To be submitted to the qualified voters of the State of Missouri at the
General Election to be held on Tuesday, the 4th day of November, 2014.

CONSTITUTIONAL
AMENDMENT NO. 2

[Proposed by the 97th General Assembly (First Regular Session) SCS HJR No. 16]

OFFICIAL BALLOT TITLE:

Shall the Missouri Constitution be amended so that it will be permissible to allow relevant evidence of prior criminal acts to be admissible in prosecutions for crimes of a sexual nature involving a victim under eighteen years of age?
If more resources are needed to defend increased prosecutions additional costs to governmental entities could be at least \$1.4 million annually, otherwise the fiscal impact is expected to be limited.

Submitting to the qualified voters of Missouri an amendment to article I of the Constitution of Missouri, and adopting one new section relating to admissibility of evidence.

Be it resolved by the House of Representatives, the Senate concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2014, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to article I of the Constitution of the state of Missouri:

Section A. Article I. Constitution of Missouri, is amended by adding one new section, to be known as section 18(c), to read as follows:

Section 18(c). Notwithstanding the provisions of sections 17 and 18(a) of this article to the contrary, in prosecutions for crimes of a sexual nature involving a victim under eighteen years of age, relevant evidence of prior criminal acts, whether charged or uncharged, is admissible for the purpose of corroborating the victim's testimony or demonstrating the defendant's propensity to commit the crime with which he or she is presently charged. The court may exclude relevant evidence of prior criminal acts if the probative value of the evidence is substantially outweighed by the danger of unfair prejudice.

Section B. The official ballot title for section A of this act shall read as follows:

"Shall the Missouri Constitution be amended so that it will be permissible to allow relevant evidence of prior criminal acts to be admissible in prosecutions for crimes of a sexual nature involving a victim under eighteen years of age?"

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language.

STATE OF MISSOURI } ss
Secretary of State

I, Jason Kander, Secretary of State of the State of Missouri, hereby certify that the foregoing is a full, true and complete copy of Constitutional Amendment No. 2, to be submitted to the qualified voters of the State of Missouri at the General Election to be held on the fourth day of November, 2014.

In TESTIMONY WHEREOF, I hereunto set my hand and affix the Great Seal of the State of Missouri, done at the City of Jefferson, this 25th day of August 2014.

CONSTITUTIONAL
AMENDMENT NO. 3

[Proposed by Initiative Petition]

OFFICIAL BALLOT TITLE:

Shall the Missouri Constitution be amended to:

- require teachers to be evaluated by a standards based performance evaluation system for which each local school district must receive state approval to continue receiving state and local funding;
- require teachers to be dismissed, retained, demoted, promoted and paid primarily using quantifiable student performance data as part of the evaluation system;
- require teachers to enter into contracts of three years or fewer with public school districts; and
- prohibit teachers from organizing or collectively bargaining regarding the design and implementation of the teacher evaluation system?

Decisions by school districts regarding provisions allowed or required by this proposal and their implementation will influence the potential costs or savings impacting each district. Significant potential costs may be incurred by the state and/or the districts if new/additional evaluation instruments must be developed to satisfy the proposal's performance evaluation requirements.

Be it resolved by the people of the state of Missouri that the Constitution be amended:

Article IX is amended by adopting six new sections to be known as Article IX, Sections 3(d), 3(e), 3(f), 3(g), 3(h), and 3(i), to read as follows:

Section 3(d). All certificated staff shall be at will employees unless a contract is entered into between a school district and certificated staff (1) prior to the effective date of this section; or (2) pursuant to the provisions of section 3(e), 3(f), and 3(h) of this article. "Certificated staff," as used in this article, shall mean employees of a school district who hold a valid certificate to teach in the State of Missouri.

Section 3(e). No school district receiving any state funding or local tax revenue funding shall enter into new contracts having a term or duration in excess of three years with certificated staff.

Section 3(f). Effective beginning July 1, 2015, and notwithstanding any provisions of this constitution, any school district receiving any state funding or local tax revenue shall develop and implement a standards based performance evaluation system approved by the Missouri Department of Elementary and Secondary Education. The majority of such evaluation system shall be based upon quantifiable student performance data as measured by objective criteria and such evaluation system shall be used in (1) retaining, promoting, demoting, dismissing, removing, discharging and setting compensation for certificated staff; (2) modifying or terminating any contracts with certificated staff; and (3) placing on leave of absence any certificated staff because of a decrease in pupil enrollment, school district reorganization or the financial condition of the school district.

Section 3(g). Nothing in section 3(f) shall prevent a school district from demoting, removing, discharging, or terminating a contract with certificated staff for one or more of the following causes: (1) physical or mental condition unfitting him to instruct or associate with children; (2) immoral conduct; (3) incompetency, inefficiency or insubordination in line of duty; (4) willful or persistent violation of, or failure to obey, state laws or regulations; (5) excessive or unreasonable absence from performance of duties; or (6) conviction of a felony or a crime involving moral turpitude.

Section 3(h). In any suit to challenge a school district's decision regarding retention, promotion, demotion, dismissal, removal, discharge, modification or termination of contracts, or setting compensation of certificated staff, except for decisions made for any of the causes

listed in Section 3(g) of this Article, the person bringing such suit must establish that the school district failed to properly utilize the standards based performance evaluation system as referenced in Section 3(f) of this Article.

Section 3(i). Certificated staff shall retain the right to organize and to bargain collectively as provided in article I, section 29 of this Constitution, except with respect to the design and implementation of the performance based evaluation system established in this article, and as otherwise referenced in this article.

STATE OF MISSOURI } ss
Secretary of State

I, Jason Kander, Secretary of State of the State of Missouri, hereby certify that the foregoing is a full, true and complete copy of Constitutional Amendment No. 3, to be submitted to the qualified voters of the State of Missouri at the General Election to be held on the fourth day of November, 2014.

In TESTIMONY WHEREOF, I hereunto set my hand and affix the Great Seal of the State of Missouri, done at the City of Jefferson, this 25th day of August 2014.

CONSTITUTIONAL
AMENDMENT NO. 6

[Proposed by the 97th General Assembly (Second Regular Session) SS SCS HCS HJR No. 90]

OFFICIAL BALLOT TITLE:

Shall the Missouri Constitution be amended to permit voting in person or by mail for a period of six business days prior to and including the Wednesday before the election day in general elections, but only if the legislature and the governor appropriate and disburse funds to pay for the increased costs of such voting?

State governmental entities estimated startup costs of about \$2 million and costs to reimburse local election authorities of at least \$100,000 per election. Local election authorities estimated higher reimbursable costs per election. Those costs will depend on the compensation, staffing, and, planning decisions of election authorities with the total costs being unknown.

Submitting to the qualified voters of Missouri an amendment to article VIII of the Constitution of Missouri, by adding thereto one new section relating to early voting.

Be it resolved by the House of Representatives, the Senate concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2014, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to article VIII of the Constitution of the state of Missouri:

Section A. Article VIII, Constitution of Missouri, is amended by adding thereto one new section, to be known as section 11, to read as follows:

Section 11. 1. Qualified voters of the state shall be entitled to vote in person or by mail in advance of the day of the general election, but only under the following subdivisions:

(1) Qualified voters casting ballots under this section shall have been registered to vote, unless otherwise provided by law, on or be-

fore the fourth Wednesday prior to the day of the election;

(2) No qualified voter shall be required to state any reason, excuse, or explanation for casting a ballot under this section;

(3) Ballots shall be cast in person or by mail only during the six business days, not to include Saturday or Sunday, immediately prior to and including the last Wednesday prior to the election day. In-person ballots shall be cast at the local election authority during its regular business hours;

(4) Each local election authority shall appoint at least one election judge from each major political party to serve at the site of the local election authority. Procedures for appointing judges, casting ballots, and tabulating ballots shall be the same as provided by general election laws.

2. No local election authority or other public official shall, in advance of the day of the election, disclose the identity of any qualified voter who, in advance of the day of the election, has cast or has not cast a ballot, unless the qualified voter has authorized the disclosure. A qualified voter's authorization must be in writing, signed by the qualified voter, dated, and delivered to the secretary of state no later than the sixth Wednesday prior to the day of the election. An authorization is effective only for one general election.

3. If any local election authority is required by any provision of law or of this constitution to produce, in advance of the day of the election, a list of qualified voters who have already cast ballots, such list shall designate those qualified voters who have not filed a valid written authorization under subsection 2 of this section by using a random designation that does not identify those qualified voters or provide residential or other personal information from which their identities might be determined. If any such list is required to be delivered promptly after a request, the list shall be deemed to have been promptly delivered if it is delivered no later than 5:00 p.m. on the Monday before the election day. In addition to the restrictions in this section on the provision of identifying information, any such list shall include only qualified voter information authorized to be disclosed pursuant to general election laws.

4. The secretary of state and local election authorities shall provide qualified voters mail-in ballots under this section only by mail, and only upon the written, signed, and dated request of a qualified voter. Such request shall be valid for only one general election. No qualified voter shall receive more than one mail-in ballot.

5. No local election authority or other public office shall conduct any activity or incur any expense for the purpose of allowing voting in person or by mail in advance of the general election day unless a state appropriation is made and disbursed to pay the local election authority or other public office for the increased cost or expense of the activity.

6. The provisions of this section shall be self-executing. Any law that conflicts with this section shall not be valid or enforceable. If any provision of this section is found by a court of competent jurisdiction to be unconstitutional or unconstitutionally enacted, the remaining provisions of this section shall be and remain valid. Nothing in this section shall be deemed to repeal or invalidate section 7 of article VIII of this constitution or to repeal or invalidate general laws permitting certain qualified voters to cast absentee ballots. This section shall not be repealed or invalidated by constitutional amendment, in whole or in part, unless the text of the amending provision expressly references this section or the parts thereof that are to be repealed, and no part of this section shall be repealed by implication.

Section B. Pursuant to chapter 116 and other applicable constitutional provisions and laws of this state allowing the general assembly to adopt ballot language for the submission of this joint resolution to the voters of this state, the official summary statement of this resolution shall be as follows:

"Shall the Missouri Constitution be amended to permit voting in person or by mail for a period of six business days prior to and including the Wednesday before the election day in all general elections?"

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in the

above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language.

I, Jason Kander, Secretary of State of the State of Missouri, hereby certify that the foregoing is a full, true and complete copy of Constitutional Amendment No. 6, to be submitted to the qualified voters of the State of Missouri at the General Election to be held on the fourth day of November, 2014.

In TESTIMONY WHEREOF, I hereunto set my hand and affix the Great Seal of the State of Missouri, done at the City of Jefferson, this 25th day of August 2014.

CONSTITUTIONAL
AMENDMENT NO. 10

[Proposed by the 97th General Assembly (Second Regular Session) HJR No. 72]

OFFICIAL BALLOT TITLE:

Shall the Missouri Constitution be amended to require the governor to pay the public debt, to prohibit the governor from relying on revenue from legislation not yet passed when proposing a budget, and to provide a legislative check on the governor's decisions to restrict funding for education and other state services?

State governmental entities expect no direct costs or savings. Local governmental entities expect an unknown fiscal impact.

Submitting to the qualified voters of Missouri an amendment repealing sections 24 and 27 of article IV of the Constitution of Missouri, and adopting two new sections in lieu thereof relating to the governor's budgetary authority.

Be it resolved by the House of Representatives, the Senate concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2014, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to article IV of the Constitution of the state of Missouri:

Section A. Sections 24 and 27, article IV, Constitution of Missouri, are repealed and two new sections adopted in lieu thereof, to be known as sections 24 and 27, to read as follows:

Section 24. The governor shall, within thirty days after it convenes in each regular session, submit to the general assembly a budget for the ensuing appropriation period, containing the estimated available revenues of the state and a complete and itemized plan of proposed expenditures of the state and all its agencies[, together with his recommendations of any laws necessary to provide revenues sufficient to meet the expenditures]. The governor shall not determine estimated available revenues of the state using any projection of new revenues to be created from proposed legislation that has not been passed into law by the general assembly. Estimates of any unspent fund balances, without regard to actual or estimated revenues but accounting for all existing appropriations, that will constitute a surplus during the fiscal year immediately preceding the fiscal year or years for which the governor is recommending a budget, may be included in the estimated revenue available for expenditure during the fiscal year or years for which the governor is recommending a budget. As used in this section, new revenues shall not include existing provisions of law subject to expiration during the ensuing appropriation period.

Section 27. 1. The governor may control the rate at which any appropriation is expended during the period of the appropriation by allotment [or other means,] and may reduce the expenditures of the state or any

of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based. The governor shall not reduce any appropriation for the payment of principal and interest on the public debt.

2. The governor shall notify the general assembly by proclamation whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation. Any rate of expenditure for any appropriation which is not equal quarterly allotments shall stand reconsidered in the chamber in which the bill that contained the appropriation originated. Such reconsideration shall be in the manner that a bill is reconsidered under article III, section 32. Either the general assembly that receives the proclamation or the next general assembly may reconsider the rate of expenditure. If the general assembly successfully reconsiders the rate of expenditure for the appropriation in question, the rate shall be assumed to be equal quarterly allotments. Such reconsideration may be at any time the general assembly is in session including sessions pursuant to article III, sections 20, 20(b), and 32 and article IV, section 9. Either the general assembly that receives the proclamation or the next general assembly may reconsider such allotment allocation change. Such reconsideration may be at any time the general assembly is in session including sessions pursuant to article III, sections 20, 20(b), and 32 and article IV, section 9.

3. The governor shall notify the general assembly by proclamation when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based. Each item or portions of items of appropriation of money shall stand reconsidered in the chamber in which the bill that contained the appropriation originated. Such reconsideration shall be in the manner that a bill is reconsidered under article III, section 32. Either the general assembly that receives the proclamation or the next general assembly may reconsider such reduction. Such reconsideration may be at any time the general assembly is in session including sessions pursuant to article III, sections 20, 20(b), and 32 and article IV, section 9.

Section B. Pursuant to Chapter 116, RSMo, and other applicable constitutional provisions and laws of this state allowing the General Assembly to adopt ballot language for the submission of a joint resolution to the voters of this state, the official ballot title of the amendment proposed in Section A shall be as follows:

"Shall the Missouri Constitution be amended to require the governor to pay the public debt, to prohibit the governor from relying on revenue from legislation not yet passed when proposing a budget, and to provide a legislative check on the governor's decisions to restrict funding for education and other state services?"

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language.
