VOLUME 53 NUMBER 36 CASSVILLE, MISSOURI 65625-0488 WEDNESDAY, JUNE 9, 2021

Two more arrested in connection with Butterfield death

Sheila Harris
Jonathan Renteria-Marquez (20) and Carlos Manuel Gutierrez (19), both of Carthage, were arrested June 7 in connection with the alleged May 28 murder of Daylon Michael Anderson (25), of Monett, near the intersection of Farm Roads 2140 and 1078 southwest of Butterfield.

According to probable cause statements written by Detective Doug Henry of the Barry County Sheriff's Office, a witness told Henry that Renteria-Marquez and Gutierrez were in the vehicle with Anderson and Dillon Williams on May 28 when the alleged murder took place.

The witness reported picking the trio up after they allegedly attempted to burn Anderson's car on Farm Road 1090, just south of Monett.

According to the probable cause statement, all four then went to Dollar General in Monett, where they got into a white Toyota Prius and went to Pack & Go in Monett to buy gas.

Detective Henry stated that the Pack & Go security video was retrieved for that date and time, and the witness's story was confirmed. The video allegedly showed Williams in the drivers' seat, the witness in the passenger seat, and Renteria-Marquez emerging from the rear door on the driver's side.

The witness further stated that Gutierrez had crouched in the floorboard and was making a phone call to his girlfriend, who was in jail.

According to Detective Henry's statement, phone records were retrieved in which Gutierrez told his girlfriend he couldn't tell her what happened, because the line was being recorded and he might go to prison.

Former 39th Circuit Judge passes away

Sheila Harris
Robert (Bob) Wiley, former 39th District Circuit Judge and long-time friend of the late Missouri Senator Emory Melton, died Thursday, June 3, at age 78.

Marty Jenkins, publisher of The Barry County Advertiser - owned by Melton Publications - recalls how Senator Melton and Judge Wiley always worked weekends and were each aware of the other's proclivity for doing so.

"They often got together for a few minutes on those working weekends," Jenkins said, "to talk about things attorneys talk about."

Wiley, a native of Hurley, grew up swimming and fishing in Spring Creek and roaming the woods in Stone County. After graduating as Valedictorian from Hurley High School, he attended Missouri State University (then SMSU) on a scholarship, where he majored in Political Science. He also participated in ROTC, which resulted in a commission as Second Lieutenant in the U.S.

Army.

According to Wiley's daughter, Elizabeth Exley, of Crane, after graduating from MSU, Wiley's dream of becoming an attorney (from watching Perry Mason as a child) began to materialize with a full scholarship to law school at Washington University.

"His studies were interrupted by the Vietnam War, though," Exley said.

The hiatus from school proved to have a far-reaching impact for Wiley. While

Speaking of CS Bank's unique community awareness, Cross stated that "we're a very strong agricultural business lender. I think our role here is to fill the niche of a community bank, and provide that service level and experience where you can come in and get an answer from somebody that knows you and knows your business."

Opening first in 1912 in Eureka Springs, Arkansas, the bank celebrated its 109th birthday on May 4. In this past century, they've expanded to six locations

across Northwest Arkansas, with their seventh now in at 95 State Highway 37, Cassville, across from the Les Jacobs Ford. This location is a temporary location, however, and a bigger and more permanent facility is in the design phase. It will be in the adjacent lot of the current building.

Hannah Stone, Marketing Director for CS Bank, said the following about the opening: "We are so excited to finally have the doors open at our

COVID-19 numbers on the rise

Sheila Harris
 According to statistics released June 2 by the Barry County Health Department, COVID-19 cases in the county have increased.
 For the one-week period from May 27 through June 2, 24 new positive cases were reported. The week's positivity rate rose to 6.28 percent, and increase of over four percent from the week prior. Only nine new cases of COVID were reported that week.
 Six additional deaths from complications of COVID-19 were reported in Barry County on May 27, the result of a lag in data-processing time on the part of the Department of Health and Se-

nior Services, according to a DHSS press release.
 The total number of deaths due to COVID complications currently stands at 59 in Barry County.
 According to the health department, 30 percent of Barry County residents had been vaccinated as of June 2, compared to 41.4 percent state-wide.
 Reflecting the trend in rising COVID-19 numbers, CoxHealth reports a dramatic rise in the number of COVID patients across their service area.
 "In recent weeks, we were encouraged by declining COVID hospitalizations, which had trended downward to less than 20 patients

for all of our hospitals, said CoxHealth spokesperson, Kaitlyn McConnell. "However, that has risen back up to nearly 50 as of Tuesday afternoon.
 "The rise is likely caused by a combination of factors including the new Delta variant, the end of masking ordinances, and increased gatherings due to things like graduation. We are also seeing younger populations more severely affected than previously, and we are seeing numerous people in their teens, 20s and 30s hospitalized because of the virus.
 "We continue to ask our communities to be vaccinated against COVID-19," McConnell added. "This is the

tool that can help keep people safe. We see that firsthand, as very few COVID patients in our hospitals have been vaccinated, and the ones who have been are generally immuno-compromised, with severe co-morbidities which contributed to their hospitalization."
 Anyone age 12 or older and who lives or works in Missouri may schedule a free vaccine with CoxHealth by calling 417-269-INFO.
 The Barry County Health Department will host a first-dose Pfizer vaccine clinic in Cassville, Saturday, June 26, 8 a.m. - 12 p.m. Appointments may be scheduled by calling 417-847-2114.

New Deputy Coroner Appointed

Todd McCoy

Sheila Harris
 Todd McCoy was appointed to the position of deputy coroner by the Barry County Commission during its June 3 meeting.
 McCoy, who was recently

employed by Fohn Funeral Home in Cassville, brings 33 years of experience in the funeral business to the deputy coroner position.
 McCoy has worked for funeral homes in Lamar, Carthage and Neosho, as well as in Mountain Home, Arkansas. He served as deputy coroner for Baxter and Marion Counties in Arkansas, and for Barton County in Missouri.
 McCoy and his wife, Bethany, are making their home in Cassville after a move from Neosho.
 They have two adult children (Kyle and Emily) and two granddaughters, Mia Grace and Oaklynn Jewel.

See WILEY from FRONT

attending basic training in Fort Gordon, Georgia (after voluntarily enrolling in the army as a member of the military police), he met his bride-to-be, Jeanelle. The couple married in 1966, just prior to Wiley's tour in Vietnam.
 Unknown to even his family until just a few years ago, while in Vietnam, Wiley earned a prestigious Bronze Star for his exemplary work.
 "Humility was as deeply ingrained into Dad's soul, as were the waters of Spring Creek," his daughter Elizabeth said.
 After Wiley returned from Vietnam, he completed his law degree with honors and he and Jeanelle moved to Crane, where Wiley opened a law office and was, said his

daughter, the Ozarkian Andy Griffith of attorneys.
 "His wisdom, generosity and gentle demeanor - often delivered with a joke - won everyone over," Exley said. "He loved helping people and put in countless (often unpaid) hours to do so. He was known far and wide for his integrity."
 Wiley retired in 2018, due to health issues, after service as Stone County Prosecuting Attorney, Circuit Judge and Crane City Attorney.
 "He would like to have worked until his death," Exley said, "because he loved his work."
 According to Elizabeth Exley, Wiley was a man of many talents.
 "He wrote a book and curated a museum based on his hero, Dewey Short," she said. "He loved history, politics, writing and baseball - especially the Cleveland Indians. He wrote both serious and silly poetry and music and was a student of philosophy and the Bible; he taught others what he learned through

Sunday School classes and lay sermons.
 His interest in the Bible, Exley said, stemmed from a lifelong commitment to God, which began when Wiley was a child at Hurley Methodist Church, where he and his father walked down the aisle together.
 According to Exley, Wiley's devotion to God and family was unchanging and unshakable, even though his life was anything but easy.

"He gave God the glory for everything," she said. "His last coherent words were, 'I thank God for every day.'
 Exley says Wiley is epitomized by Micah 6:8, which asks a question, then gives the answer: "And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God."
 Wiley leaves behind his wife, Jeanelle; his daughter, Elizabeth, and four grand-

children. He was preceded in death one month ago by his son, John Dale Wiley.
 A visitation for Wiley will be held on June 17, from 5 - 7 p.m., at Westrip Funeral Home in Crane, with a private service to be held at a later time. In lieu of flow-

ers, donations can be sent to Reavisville Baptist Church, Jacob's Ladder (end of life hospice care in Springfield where Bob passed peacefully because of their phenomenal care) or the Veteran's and Military Coalition of the Ozarks.

Wreck claims life of Monett resident

Ezra DeVore

Linda Gunter (74), of Monett, died in a Highway 37 wreck Tuesday morning at 11:47 a.m., one mile south of Butterfield. According to a Missouri State Highway Patrol report, a 2009 Freightliner UPS van was being driven south by John Maddux (47), of Springfield, when Maddux turned in front of Gunter's southbound 2015 Ford Taurus. The Ford then struck the Freightliner's rear, pushing the Freightliner into 59-year-old Geoffrey Timper's northbound 2015 Chevrolet Silverado.

Gunter was taken by Mercy EMS to

Springfield Mercy Hospital, and pronounced dead at 2:11 p.m. by Dr. Kenneth Larson. Her passenger, Sammie Gunter, 42, was taken to Cox Monett Hospital by EMS with serious injuries. Maddux and Timper (of Crane) were unharmed in the accident, and were wearing safety devices. Linda and Sammie Gunter were not. The Gunters' Ford Taurus and Maddux's Freightliner were extensively damaged, but damage to Timper's Chevrolet was minor.

Gunter's marks June 2021's fourth fatality, and the fiftieth of the year among the eighteen counties of Troop D patrol.

EVER

DON'T RAISE THE RISK

During any kind of project around your home or property, remember there's more overhead than buildings, trees and sky. A ladder can easily reach high enough to cause potentially fatal contact with power lines.

Always look up before raising or moving a ladder to make sure it's at least 10 feet from any electrical lines. Keep your eye on power lines and your mind on working safely.

Cassville FBLA Wins State Events, Moves on to Nationals "Virtually"

Although this school year has been pretty far from normal, one thing remained consistent with years past for the FBLA members of Cassville High. CHS FBLA members were allowed to compete and obtain great success at the Missouri State FBLA competition, which has been a long tradition for Cassville FBLA. Several students will now move on to compete in the National FBLA Leadership Conference being held virtually in June of 2021. Front row State Winner and National Qualifiers are Olivia Holman, Cole O'Neill, Zane Mebruer, Gavin Moore, and Jacob Martinez. Back row State Winners Kyah Saffold, Madison Halterman, Emerson Grossman, Dylan Berndt, Mitchell Schmidt, Evan Foulke, Hope Manning, and Jayden Bowman.

DEATH from FRONT

The witness also told Detective Henry that the three suspects attempted to burn their shoes, hoodies and the victim's wallet after the alleged murder, "most likely to destroy evidence of the crime, therefore committing the crime of tampering with evidence," according to Henry's statement.

Gutierrez and Renteria-Marquez were arrested on June 7 in a white Toyota Prius.

Dillon Williams, who was arrested May 29 at a residence in Monett, where the firearm suspected to be used in the crime was also found, allegedly confessed to shooting Anderson over "drugs and money" he believed that Anderson had.

According to the probable cause statement, another witness who was interviewed alleged that he gave Anderson, the victim, \$400 to buy marijuana with on the evening of his murder. The suspects took him out on a drive in order to attempt to rob him, Williams allegedly said.

Renteria-Marquez and Gutierrez are being held in Jasper County Jail, each with a \$350,000 cash-only bond. They are each charged with 2nd Degree Murder and Tampering With Evidence. Their hearings have not yet been scheduled.

Dillon Williams is being held in the Barry County Jail on a \$500,000 cash-only bond. He is charged with 1st Degree Murder, Armed Criminal Action and Unlawful Possession of a Firearm. A disposition hearing for Williams is scheduled for June 24.

Chamber seeking contestant applications for “River to Table Trout Cook-Off”

Sheila Harris

Plans are underway in Cassville for the Cassville Area Chamber's second annual Trout Fest, an event scheduled this year for Saturday, September 18, at the Cassville Aquatic Park and soccer fields. As it did last year, Trout Fest will provide fun for the family, with vendor booths, musicians and activities for the kids.

This year's celebration, however, will offer a fun new twist - a fish in the pan - in the form of a River to Table Trout Cook-Off hosted by the City of Cassville and the Cassville Area Chamber of Commerce.

“We started to plan for a cook-off last year,” Chamber Director Morgan Williams said, “but then COVID hit, so we had to hold off on it.”

Applications for ten se-

lected Trout Cook-Off competitors, plus three alternates, are being accepted through Wednesday, June 30. Each of the ten selected applications will represent three-person teams: one head-cook and two assistants.

In order to be considered for selection, applicants must submit a 60-second video describing their favorite Roaring River memory and the reason why they should be chosen as a competitor.

The River to Table Trout Cook-Off will take place in progressive phases, beginning at Roaring River State Park, where contestants will fish for the trout they will use

in the cook-off.

For the second phase of the cook-off, contestants will transition to Cassville's South Park for the cooking phase of the competition, where they will prepare a trout entree with the fish they caught at the river.

The third phase (or category) of the competition, involves a basket of mystery ingredients which contestants will be given to do with as they will in the preparation of a side dish to go along with their trout entrees.

First, second and third place prizes will be awarded in the three categories: “Best Catch,” “Trout Entree” and

“Mystery Basket.”

According to Williams, contestants will be judged by local celebrities whose identities will be announced at a later date, Williams said.

Applications to become a competitor in the cook-off may be submitted via a link on the TroutFest-Cassville Facebook page, no later than 11:59 p.m., Wednesday, June 30.

For more information about the contest, visit the Cassville Chamber site at cassville.com, or call 417-847-2814.
