Homicide investigation underway in Barry County

Dylan Rixon Williams

Sheila Harris

According to Barry County Sheriff Danny Boyd, a call to Barry County 911 was received Friday, May 28, at 6:02 p.m. about a person lying in a field near the road at the

intersection of Farm Roads 1078 and 2140, southwest of George's Feed Mill.

Responders arrived at the scene to find 25 year-old Daylon Michael Anderson, of Monett, deceased from an apparent gunshot wound. It was determined that a possible homicide had occurred.

According to a probable cause statement filed by Detective Doug Henry of the Barry County Sheriff's Office, a description of suspects was obtained and leads revealed that 21-year-old Dylan Rixon Williams, of Pierce City, allegedly shot Anderson, and a warrant was issued for his arrest.

Not long after the call about the deceased body of

Anderson, a call was received at the Monett City Fire Department to report a vehicle fire - which turned out to be Anderson's - on Farm Road 1090, near Angus Branch.

"Whoever attempted to burn his car wasn't very successful," Fire Chief Tom Jones said.

According to Detective Henry's probable cause statement, Williams was arrested in connection with the incident at a residence in Monett. The firearm used to allegedly shoot Anderson was also found at the residence. Shell casings matched those found at the crime scene, Henry's statement said.

The deceased body of Daylan Michael Anderson, of Monett, was discovered near Farm Roads 2140 and 1078 (intersection shown above) about 6:02 p.m. Friday, May 28. The case is being investigated as a homicide. Dylan Rixon Williams, of Pierce City, has been charged in connection with the death and is being held without bond, according to the Barry County Sheriff's Office. Photos by Sheila Harris.

A Cassville Area Chamber of Commerce ribbon-cutting ceremony and open house were held at the new W.I.L.D. Academy on the Cassville R-IV campus Friday, May 28. The ceremony marked the

long-awaited formal completion of the academy, which was the result of the passage of a bond issue in the spring of 2019.

With funds from "Vision 150" (as the bond was called), \$4.5 million was al-

located toward the project, as well as toward the construction of an Early Childhood Development Center, which was completed last year.

W.I.L.D. Academy, which will provide space for a college-level biology class, Fifth

Grade science classes, and K - 12 gifted programs, is the result of the repurposing of former middle school space which had been unused for years, other than for storage.

Crowder welcomes new English teacher

Kayla Branstetter

Ezra DeVore

Crowder Quill-published-writer, Kayla Branstetter, has accepted a position at Crowder College as their promising new English teacher. With a decade of teaching English at Purdy

High School behind her, as well as a number of published personal works, she expressed excitement for the position.

"This is a dream job for me," Branstetter said. "My mom was a teen mom and a high school drop-out. She graduated from Crowder with her Associate's and moved on to get her Bachelor's, so I know the potential this school has."

Aware that a few of her students will also be parents working full-time jobs, she said that regardless of how old we are, we still need that one person in our corner who's going to support us.

"It's my responsibility to offer that support," she said.

Raised in both Barry County and Denver, Colorado, where she earned a Mas-

ters of Arts in Liberal Studies, she understands both the importance of Barry County, the culture outside of it, and how they flow as one.

As an adviser to the National English Society at Purdy, she chaperoned two trips to New York City, where she took her students to Broadway shows. With the support of the Purdy community, she derived great pleasure in being able to expose students to culture outside of Barry County. Teaching students the cultural context in which literature was written, she says, is a vital part of her teaching style and enables students to have a comprehensive look at the piece.

Visitor policy change for Mother and Baby units

As COVID-19 levels continue to remain low locally, CoxHealth is making a change to its visitor policy for patients on Mother and Baby units.

Effective immediately, patients on Labor and Delivery and Postpartum units may have two visitors per day. One support person may remain with the patient 24/7 while they are in the hospital. The second visitor may also be present during the baby's birth, but will fall under the health system's current visiting hours between 7 a.m. and 8 p.m. after the mother transitions to postpartum status. These visitors must be the same two people for the duration of the hospitalization.

This change is a shift from the former policy of one visitor for the duration of a patient's stay, which has been in place since the onset of the COVID-19 pandemic in March 2020.

"This is an exciting moment, and one we celebrate alongside our patients," says Karen Kramer, Chief Hospital Officer and Incident Commander for COVID-19 response at CoxHealth. "We have not enjoyed the restrictions over the past months,

but believe they were necessary to help limit the potential spread of COVID-19. Having a baby is a significant milestone, and it makes us very glad to be at this moment where it is safe to have more visitors with these patients at this pivotal time."

The change affects CoxHealth's maternity hospitals in Springfield, Branson and Monett. Visitors must be at least 18 years old, remain masked at all times while on campus, pass a temperature and symptom screening when entering the facility, and limit their movement to the patient's room and the public restrooms.

"We will continue to monitor the COVID-19 pandemic, and make further changes to our visitor policy depending on how the disease prevalence evolves in our communities," says Kramer.

Please note that this change does not apply to the hospital's Perinatal Care Unit, which follows the health system's guidelines of one visitor per day.

For more information about CoxHealth's visitor policy, click here.

BRANSTETTER from FRONT

in high school and conveyed enthusiasm for continuing the practice at Crowder.

"I've had students whose work has been published in magazines and newspapers," she said. "Witnessing that growth in my students is a wonderful feeling."

When offered the job at Crowder, Branstetter felt elation tinged with grief. Clearing out her desk at Purdy for the final time, she unearthed old gifts from students. With artifacts of the previous decade in hand, she sailed a memory's sea, eager to greet adventures for future memories.

Her term at Purdy ended May 21. In August, she'll begin her new Crowder career.

Pool Opening Postponed Due to Rain

Ezra DeVore

Originally set to open May 29, the YMCA pool opening has been postponed to Saturday, June 5. Due to weather circumstances, production on the pool's resurfacing project has been delayed. According to the Cassville YMCA's Facebook page, nearing the Cassville Aquatic Center's twentieth anniversary, the pool is "getting a major face lift."

The basin is being cov-

ered in a new protective epoxy surface designed to have extended durability, and will be "easy on bare feet." New waterline tile and skimmer boxes are also being implemented, and the play features are being renovated. The remaining work in the deep end of the pool requires several hours of dry weather, yet Public Works Director David Brock remains hopeful for the June 5 opening date.

According to Mike Clifton, owner of Mike's Auto Care, eight vehicles were broken into at his place of business, located at the corner of Farm Road 2160 and Highway 37, north of Cassville, Friday night, May 28.

Security camera footage showed a figure in a blue hoodie and black pants coming across Highway 37 toward his business from the Crowder College area. The individual then rummaged

through unlocked cars with a flashlight from about 10:10 - 10:34 p.m. No damage was done to the vehicles, and the items stolen remain largely unknown, Clifton said.

Clifton was alerted to the theft when a client sent Clifton a picture of the inside of their car Saturday morning, saying "it looked ransacked."

Clifton plans to place more cameras and a security light onto the property.

Car wreck results in mass power outage

Ezra DeVore

Evening dimmed early on May 25 as power went out across the Purdy, Monett, and Pierce City area from 3:40 - 7:30 p.m. One mile

south of Monett, a Ford F150 went off the left side of Farm Road 1190 and struck a utility pole, causing the near-four hour power outage. While the driver was unharmed, the

passenger was transported by ambulance to Cox South Hospital in Springfield with minor injuries.

Liberty Utilities reported that 1,287 Barry and Law-

rence County customers had lost their power at the outage's peak around 4 p.m.

Treasurer Fitzpatrick Joins Coalition of 15 State Treasurers

Missouri State Treasurer Scott Fitzpatrick today announced he has joined a coalition of 15 State Treasurers to speak out against apparent attempts by the Biden Administration to pressure banks and other large financial institutions to divest from coal, oil, and natural gas companies.

“While the pursuit of more renewable sources of energy is a noble cause, the fact is that fossil fuels remain critical to our country and the entire world,” Treasure Fitzpatrick said. “The Biden Administration’s failure to acknowledge this will result in increased costs for consumers and businesses. An energy independent America is vital for national security and strengthens our economy which impacts all Americans—especially our poorest citizens who feel rising prices at the gas pump and the checkout line most. Attempts to pressure financial institutions to cut off the fossil fuel industry amounts to nothing less than an abuse of power by the federal government and should not be tolerated by states. These backroom deals do not live up to the ideals of the American experiment and we should expect and demand more from those in Washington.”

The Treasurers, led by West Virginia State Treasurer Riley Moore, are speaking out following media reports that Special Presidential Envoy for Climate John Kerry has privately pressured banks to cut off lending for fossil fuel industries.

The coalition sent a letter to Kerry outlining their opposition to these efforts and

suggesting steps they might take to discourage financial institutions from participating in the Kerry-backed scheme.

“As a collective, we strongly oppose command-and-control economic policies that attempt to bend the free market to the political will of government officials,” the Treasurers wrote. “It is simply antithetical to our nation’s position as a democracy and a capitalist economy for the Executive Branch to bully corporations into curtailing legal activities.”

The Treasurers observed that cutting off lending to these industries, which are engaged in perfectly legal activities, would do substantial harm to states' economies, resulting in significant job losses.

“The coal, oil, and natural gas industries in our states are vital to our nation’s economy,” they wrote. “These industries provide jobs, health insurance, critical tax revenue, and quality of life to families across our country. As the Obama Administration’s War on Coal demonstrated, reckless attacks on the fossil fuel industry ultimately cut off paychecks for workers and take food off the table for hard-working middle-class families.”

The Treasurers said they will closely monitor which financial institutions bow to Administration pressure. Moreover, the Treasurers further pledged to respond in the best interests of their constituents.

“As the chief financial of-
ficers of our respective states,
we entrust banks and finan-
cial institutions with billions

of our taxpayers' dollars," they wrote. "It is only logical that we will give significant weight to the fact that an institution engaged in tactics that will harm the people whose money they are handling before entering into or extending any contract."

In addition to West Virginia Treasurer Moore, Treasurer Fitzpatrick was joined on the letter by Alabama Treasurer John McMillan, Arizona Treasurer Kimberly Yee, Arkansas Treasurer Dennis Milligan, Idaho Treasurer Julie A. Ellsworth, Kentucky Treasurer Allison Ball, Mississippi Treasurer David McRae, Nebraska Treasurer John Murante, North Dakota Treasurer Thomas Beadle, Ohio Treasurer Robert Sprague, Oklahoma Treasurer Randy McDaniel, Pennsylvania Treasurer Stacy Garrity, South Carolina Treasurer Curtis Loftis Jr., and South Dakota Treasurer Josh Haeder.

Missouri Industrial Hemp Amendments Approved

The Missouri Department of Agriculture announced federal approval of the state's amendment to the Industrial Hemp Plan. With the approval, the U.S. Department of Agriculture's Agriculture Marketing Service affirmed that Missouri's amended plan complies with federal law and regulations. The entire amended Missouri State Plan can be reviewed [here](#).

Key changes include:

- Increasing the pre-harvest window for compliance sampling from 15 to 30 days
- Allowing remediation options for eligible crops that initially test above 0.3% total THC
- Updating requirements for testing laboratories to be ISO 17025 accredited and after 12/31/2022, also regis-

tered with the Drug Enforcement Agency (DEA)

As one of the first plans approved under the new federal final rule, Missouri's producers will help launch a new era of domestic industrial hemp production.

Remaining states, tribes and territories must have plans approved by the end of the year, or defer regulatory authority to the U.S. Department of Agriculture.

Well, the water is up again folks. As I was writing this report, we were at 233 CFS (cubic feet per second). The water rate is falling and should be very good for next weekend.

As of now power bait products are really working well. Yellow, pink, fluorescent orange and white eggs have all been great. We are fishing these with at least a ¼ ounce slip-sinker. Four-lb. line is still working fine. In a few weeks, as the water clears, 2-lb. line will become much more important.

Power bait worms are also working well. The pink, cheese-yellow and the orange worked best in the high water. As long as the water stays murky, I expect these colors to work well.

Spinners work well in the murky water; fish them with extra weight, and fish them very slowly across the bottom of the river. Black, brown, olive, fluorescent orange, and pink spinners did very well this past week.

Trout

brown razor-craw, also.

In certain areas, you can still find a few trout rising to tricos, blue wing olives, and caddis, but you have to be in the right place when the hatch is taking place.

As the water rate falls this week, the dry fly-fishing should get a lot better. Just before this last increase in water rate, we were just starting to catch a bunch of fish on ants and beetles.

This should happen again
as the water rate falls

When the water hits 150 CFS, the dry fly-fishing starts getting good; anything under 100 CFS is usually very good.

Pheasant-tails have been good, as have sow bugs and burlaps. Black wooly-buggers caught some nice trout the past few days; olive buggers were pretty good also.

When the water is murky, small jigs, glo-balls and Y2K-bugs work very well, fished two to three feet under an indicator.

Crackle-backs will be good this week also if the water continues to clear.

With the bigger flies, I'm using 5X or 4X leaders; when fishing the smaller flies, I'm using 6X leaders, and when fishing small dries, I'm using 16's and smaller. I'm usually using a 9' 7X leader.

Good luck on the river this week!

HOMICIDE from FRONT

When interrogated by Detective Henry and at the Monett Police Department, Williams allegedly confessed to shooting Anderson at the intersection of Farm Roads 1078 and 2140 with the alleged intention of stealing drugs and money from him.

According to court reports, Williams, a prior offender with charges of resisting arrest and probation violation, had a current warrant out for his arrest prior to his alleged murder of Anderson.

Williams is charged with Murder 1st Degree, Armed Criminal Action, and Unlawful Possession of A Firearm.

He is being held in Barry County Jail on a \$500,000 cash-only bond. A hearing with Judge Robert Foulke is scheduled for 9 a.m., Thursday, June 3.

Anyone with information related to this case is asked to call the Barry County Sheriff's Office at 417-847-3121.

DON'T GO RETRO.

An old-school fusebox might still function adequately, but it lacks the safety features that are built into modern circuit breakers. If your home or other building still has one of these antique devices, it's time for an update.

Consult a qualified electrician for a complete review of your electrical wires and fixtures, and replace any outdated equipment that no longer meets safety specifications. Your electric cooperative can also provide guidance and assistance.

Fuel adjustment changes for Liberty Electric customers

Electric customers of The Empire District Electric Company d/b/a Liberty will see a change in the fuel adjustment charge (FAC) on their electric bills effective June 1, 2021.

The change reflects energy costs incurred by Liberty during the six-month period of September 2020 through February 2021, less an adjustment to what the company stated were "extraordinary costs" associated with the February 2021 cold weather event. Liberty seeks to defer those costs.

For a residential customer using 1,000 kWh (1,000 kilowatt-hours) of electricity a month, the current FAC is a bill credit of approximately \$1.90 a month. With this change, the new FAC will be approximately \$0.00.

Liberty serves approximately 155,400 electric customers in the Missouri counties of Barry, Barton, Cedar, Christian, Dade, Dallas, Greene, Hickory, Jasper, Lawrence, McDonald, Newton, Polk, St. Clair, Stone and Taney.

New Head Men's Soccer Coach

Pictured left is Crowder College's new men's soccer coach, Coach Matthew Wolf.

Crowder College is pleased to announce the hiring of Matthew Wolf as the Men's Soccer Coach. Wolf most recently served as Assistant Coach/Recruiting Coordinator at Indiana University East in Richmond, Indiana. His Coach experience began almost ten years ago at NCAA DIII Whitworth University. His extensive experience in recruiting and coaching made him a valuable candidate for Crowder's program. "I am incredibly excited to be the next Head Men's Soccer Coach at Crowder College. Over the last few years I have learned more and more about Crowder while on the recruiting trail. After speaking with Coach Sisemore and the search committee, I soon realized Crowder would be an excellent place to continue my career. I am confident we will be able to provide a first-class academic and athletic experience for our student-athletes and provide opportunities for first-generation college students to pursue and achieve their goals and dreams," stated Wolf.

Wolf's experience continues outside the college arena with soccer club coaching in Montana and Livermore, California, as well as working at the Idaho Olympic Development program as an assistant coach provides him with a wealth of knowledge. Wolf has also proven to be a coach concerned about his student athletes with scholar team and student-athletes throughout his years of coaching. His coaching skills have also put his team in postseason play in all but one year as well as multiple national rankings across the NCAA and NAIA levels and an appearance in the 2012 NCAA national tournament. "Crowder Athletics is excited to have the opportunity to work with Coach Wolf who brings in a wealth of knowledge and experience from coast to coast! He has built a great reputation in the soccer community and is well respected from his peers! We are extremely excited to see coach Wolf mentor and lead our soccer program and its young men in the future. We know great things are coming and he has already hit the ground running putting in countless hours and dedication to insure the program's success, stated John Sisemore, Athletic Director and Softball Coach." Crowder College began the men's soccer program in 2008. The college participates in Division 1 of National Junior College Athletic Association programs.

Crowder College Baseball wins Districts

Cassville school district hosts first outdoor jazz night

Above, Micah Boise presents the Music Advocacy Award to this years recipient, Amy Stephenson.

Ezra DeVore

With an audience of over one-hundred fifty people, the Cassville School Jazz Bands played the outdoor concert they’ve always wanted to. The Cassville Seventh Grade, Eighth Grade, and High School bands performed in front of the front doors of the high school from 6 - 7:30 p.m on April 30.

The decision to perform in front of the high school, in fact, was made by the students. Micah Boise, the CHS Music Director, then got the idea approved by the high school administration. The outdoor concert took the

place of the more formal annual February fundraiser, which was cancelled due to COVID-19 precautions.

Micah Boise just finished his first year as Cassville’s music director. He praised the concert as a “big success for my overall goal to have greater community presence.”

“This will become a new annual event at CHS, in addition to the February fundraiser show,” Boise said.

Whereas, in the gymnasium, a white wall encompasses and the audience surrounds the musicians, during the April 30 performance, all attendants faced the performers. Due to the orientation of the event, the raised spectator seating on the sloping lawn offered an “amphitheater quality” to the evening, said Boise.

He added, “It’s nice to face the musicians.”

This, alongside the open environment, gave the concert a sense of personal connectivity, according to members of the audience. They enjoyed sitting in the setting sun as their children played in the grass and cool twilight air.

Boyd expressed excitement that citizens of Cassville were able to hear “the great music coming out of Cassville’s schools,” and that the bands were eager to perform it.

The performance also held warm reverence. Mrs. Amy Stephenson, a loyal sponsor of the Jazz band for the past five years, was decorated with the Music Advocacy Award.

“Normally, the award is granted in March as part of the Music in Our Schools event,” Boise said. “However, due to Stephenson’s support of the Jazz band, she was given the award at this Jazz concert.”

On the left, the Cassville middle school music director, Erica Gorman, conducts the 7th Grade Jazz Band.

“If you have to ask what jazz is, you’ll never know.”

FREDALENE HORNER
Fredalene Horner, age 87, of Cassville, passed away on Thursday, May 27, 2021, at Cox Hospital in Branson. Mrs. Horner, daughter of William Elmer and Frances Elizabeth (Ball) Cooper, was born on December 23, 1933, in Shell Knob. Graduating from Cassville high School in 1951, Fredalene was a lifelong resident of Barry County. On September 15, 1954, she was united in marriage to Wayne Horner in Cassville; he preceded her in death on August 11, 2007.

Fredalene was a loving mother who always put her children first and was very involved with everything

OBITUARIES

they did. She volunteered any time the chance was given to be involved in the community; some of her interests were helping with 4-H, teaching sewing classes, being a Sunday school teacher, and helping at the Barry County Museum. Some of her favorite pastimes were collecting antique furniture and art, and restoring oil paintings. Fredalene also enjoyed researching genealogy information, compiling "A Horner Legacy," a family history book, as well as books for five other families. She was interviewed by the staff of Barry County Museum and was featured in Volume 7 of the "Lifetimes of Memories, Voices of Barry County" series published by the museum. She was baptized as a young child in November of 1945 at the old Eagle Rock Dam; she was a member of the First Baptist Church in Cassville.

Survivors include three daughters, Teresa Telehany and her husband, John, of Painted Post, New York, Sheree Brock and her husband, Russell, of Branson, and Kelly Barnes and her husband, Kent, of Cassville; her daughter-in-law, Joni Womack, of Bentonville, Arkansas; eight grandchildren, Matt Brock, Shian Brock, David Barnes, Garrett Barnes, Shelby Horner, and Hannah Horner; three great-grandchildren; one brother, Charles Cooper and his wife, Freda, of Cassville; three sisters, Lucille Holman, of Raytown, Norma Swindell and her husband, Warren, of McKinney, Texas, and Faedola Hilton and her husband, Carl, of Republic; and several nieces and nephews.

In addition to her parents and husband, Fredalene was preceded in death by her son, Rex Horner; her granddaughter, Tori Beth Brock; two sisters, Edna Edie Moore and her first husband, Don, and Dorothy Curry Peterson and her first husband, Paul; and three brothers-in-law, Don Peterson, Bill Moore and Billy Holman.

Funeral services were held Tuesday, June 1, 2021, at the White Funeral Home and Crematory, Cassville, with words of comfort spoken by the family; burial followed at the Horner Cemetery in Cassville.

Memorial contributions may be made to the Barry County Museum and entrusted to the White Funeral Home and Crematory, P.O. Box 890, Cassville, MO 65625.

Funeral arrangements are under the direction of the White Funeral Home and Crematory, Cassville.

KATHLEEN AMYE MARBUT

Kathleen Amye Marbut passed from this life Wednesday, May 26, 2021, at her home.

She was the daughter of Morris and Amy Dyer, born on May 17, 1923, McDowell. Graduating from Verona High School and Draughons Business College, she began a short working career in Springfield. Kathleen and Eysel “Bill” Marbut were married in Rogers, Arkansas, December 26, 1944, beginning a sixty-two year marriage.

The Marbuts lived in Tampa, Florida, Jamaica and Valencia, Spain, before buying and moving to the family’s William Marbut farm, north of McDowell. Kathleen was active in the McDowell Church and was a homemaker. The Marbuts then moved to Sabetha, Kan., for a few years. After returning home, Kathleen worked at Schreiber Foods, Monett, retiring in 1988.

Kathleen was preceded in death by her husband and parents.

Kathleen is survived by two daughters, Felicia Tudor (Doug), McDowell, and Concha Marbut, Springfield; one grandson, Christopher Matteson (Kandice); two great-granddaughters, Ostara and Freya, also of Springfield; three step-grandsons, Derek Tudor (Jennifer), of Pierce City, Darrin Tudor (Durrel), of Monett, and Dustin Tudor (Chelsea), of Mt. Vernon; and thirteen great-step-grandchildren.

A sincere heartfelt thank you to Mary Martin, Mae Cable, Jenni Johnson and Hospice Compassus for all their loving care.

Private graveside services were held May 28, 2021, at

JOSEPH “JOE” WILLIAM MCALLISTER

Joseph “Joe” William McAllister, age 67, of Seligman, passed away on Friday, May 28, 2021, at Mercy Hospital in Rogers, Arkansas. Mr. McAllister, son of Ralph and Hazel (Neel) McAllister, was born on August 19, 1953, in Kansas City, and grew up in Oakview, a small village nearby. Joe was baptized at the Englewood Baptist Church in Kansas City. He was a 1971 Oak Park High School graduate and subsequently enrolled in University of Missouri where he obtained his degree in Forestry graduating in 1976. While in college, Joe worked for the

Kansas City Forestry Department during the summer. Joe owned and operated his own business doing forestry management and tree stand improvement; Joe loved the outdoors and could identify any tree.

Joe was a remarkable athlete, especially in baseball. He started playing at the young age of eight in Little League, playing with the American Legion League, and continued his passion all the way through high school. Joe lived his life enjoying his eighty acres in southern Missouri. He loved his family dearly, was a friend to many, and will be greatly missed.

Survivors include his three brothers, Ed McAllister, of Hannibal, Mike McAllister and his wife, Patricia, of Kansas City North, and Kenton McAllister, of Columbia; two sisters, Rita Scarlett, of Berryville, Arkansas, and Zenda Hauck, of Washburn; one niece, Kelly McAllister, of Tama, Iowa; and one nephew, Jeff McAllister, of Gladstone.

The family would like to thank the doctors, nurses, and staff from Mercy Hospitals in Cassville and in Rogers, Arkansas, and the Cassville Healthcare and Rehab, who had cared for Joe since last October.

The family will receive friends from noon until 1:30 p.m. at the White Funeral Home and Crematory in Cassville, on Saturday, June 5, 2021, prior to graveside services at 2:00 p.m. at Hickman Cemetery in Washburn, with Pastor Glenn Erwin officiating.

Missouri Department of Agriculture announces
new Nutrition Program

Competitive Bidding Pushes
Land Prices Higher

Missouri Senior Farmers' Market Nutrition Program (SFMNP) is up and running for the summer. Funded by the U.S. Department of Agriculture's Food and Nutrition Services, the SFMNP assists low-income seniors in obtaining fresh, Missouri Grown produce and generates more than \$200,000 for the farmers' market community. Through the program, more than 4,100 households may benefit.

"We have focused on addressing food insecurity in creative ways and this is just one example of that work," said Director of Agriculture Chris Chinn. "By partnering with the state's Area Agencies on Aging, we will unlock potential for Missouri agriculture. Our farmers' markets

offer a unique opportunity to not only benefit farmers, but also to support the local economy."

Low-income seniors in the Kansas City, St. Louis, Springfield and Mid-Missouri regions can apply to receive vouchers that will allow them to purchase eligible foods from an authorized farmer at a Missouri farmers' market. A total of up to 10 vouchers worth \$5 each may be issued to each qualifying Missouri household. To identify the regions that contained the highest number of eligible citizens, the Department of Agriculture worked with the Missouri Department of Social Services.

Seniors are encouraged to consider using a proxy to both apply for vouchers and

purchase eligible foods at a farmers' market. Each senior may designate one proxy on their behalf. The senior and the proxy must both sign the program application in order to receive the vouchers.

Seniors may apply for vouchers at the following locations:

- Springfield – SeniorAge Area Agency on Aging, (417) 862-0762
- Louis County and St. Louis City – Aging Ahead, (636) 207-0847
- Kansas City – University of Missouri Extension, (816) 380-8460
- Columbia – Aging Best, (573) 443-5823

The Department's Missouri Grown team has trained and authorized nearly 200 farmer to participate in the program. Authorized

farmers will be identified by a sign that states the booth is proudly participating in the Senior Farmers' Market Nutrition Program. Benefit vouchers may be used to purchase fresh, raw, unprepared foods grown in Missouri and sold at a farmers' market. Eligible foods include fruits, vegetables, fresh cut cooking herbs and honey.

Vouchers will be available through Sept. 30 and must be redeemed by Oct. 31. Farmers interested in learning more about eligibility and participation should email the Department of Agriculture at FarmersMarket@mda.mo.gov.

MDC invites public to free canoe and kayak clinics

Whether you enjoy fishing area streams or you like to relax by spending a day paddling a local waterway, kayaks and canoes are great ways to connect with the outdoors.

People can learn more about these popular watercrafts at the Missouri Department of Conservation (MDC) clinic "Introduction

to Canoe and Kayak" on June 8 Kellogg Lake in Carthage. This program is for ages 7 and up and will be taught at two time slots:

People who want to sign up for the 5:30-6:30 p.m. program can register at: <https://mdc-event-web.s3licensing.com/Event/EventDetails/177580>

The same program will

be offered again from 7-8 p.m. and people can register at: <https://mdc-event-web.s3licensing.com/Event/EventDetails/177585>

Kayaks, paddles, and life jackets will be provided. This program is designed for novice canoe and kayak users and will focus on the basics of operating these watercrafts. Discussion topics will include the basic equipment and techniques people need to know to float Missouri streams and lakes safely.

The entrance to Kellogg Lake is located at the intersection of Highway 96 and

Jasper County Highway V (also known as Old 66 Boulevard). People should dress for the weather and wear shoes and other clothing items that can get wet.

People wanting more information about this event can contact MDC Conservation Educator Andy Rhodes at 417-629-3243 or by emailing Andrew.Rhodes@mdc.mo.gov.

Staff at MDC facilities across the state are holding in-person and virtual programs. A listing of these programs can be found at mdc.mo.gov/events.

PSC To Hold Virtual Local Public Hearing In Sanitation Sewer Rate Case

The Missouri Public Service Commission will hold a virtual local public hearing (via WebEx) starting at 6:00 p.m. on June 3, 2021, to receive customer comment in a sewer rate case filed by Mid MO Sanitation LLC. The local public hearing will be streamed on the Commission's website at www.psc.mo.gov. Because of the limitations imposed on public gatherings in response to COVID-19, the notice submitted to the Commission by the company proposed the Commission conduct a virtual public hearing and collect written comments. Those who wish to participate in the question and answer session and/or provide comments on the record during the local public hearing have until 5:00 p.m. on June 2, 2021 to register. To facilitate an orderly

presentation that can be preserved for the record, members of the public who wish to participate in the hearing should register by sending their first and last name, and whether connection will be via internet or by phone to watersewercomments@psc.mo.gov, or by calling 1-800-392-4211 no later than 5:00 p.m. the day before the hearing (June 2, 2021). Details to access the hearing will be provided upon confirmation of registration. Any person who requires any accommodations to participate in the hearing should contact the Public Service Commission at 1-800-392-4211 (voice) or Relay Missouri at 711 before the hearing. A live audio web stream at the Commission's website (www.psc.mo.gov) will provide audio of the hearing. Those who do not intend

to participate in the hearing should listen via the web stream. Comments may also be submitted to the Commission in writing. Please reference File No. SR-2021-0372 when submitting comments. Those comments can be sent by mail to the Missouri Public Service Commission, P.O. Box 360, Jefferson City, Missouri 65102. Comments can also be sent electronically using the Commission's electronic filing system at https://psc.mo.gov/General/Submit_Comments or email to watersewercomments@psc.mo.gov. In addition, you may also contact the Office of the Public Counsel, P.O. Box 2230, Jefferson City, Missouri 65102, telephone (866) 922-2959 email opcservice@opc.mo.gov or the Missouri Public Service Commission Staff, P.O. Box 360, Jefferson City, Missouri 65102, telephone 1-800-392-4211, email pscinfo@psc.mo.gov with any questions or comments during the pendency of the case. The Office of the Public Counsel is a separate

state agency that represents the general public in matters before the Commission.

On April 23, 2021, Mid MO Sanitation LLC filed a sewer rate case with the Public Service Commission seeking to increase annual sewer operating revenues by approximately \$22,000.

According to the filing, Mid MO Sanitation LLC proposes to increase the residential monthly sewer rate from the current monthly rate of \$64.66 to \$115.59 a month.

Flyin Buzzards perform live at the Roaring River Shelter

In the left photo, a special original recitation was given by John Bartlette, of Rock Village Court, Of Cassville, called "Mom Said". Bartlette wrote it at 200 oclock in the morning a few years ago in honor of his mother. The Flyin Buzzards will return next Friday night with another live show at the pavilion at the Roaring River park across from the Roaring River Store.

Amanda Gilmore, of Monett, MO, worship leader from Monet Church of the Nazarene., performed Traveling Soldier by The Chicks, with the band.

Marshall Allen Creed, age ww4, of Seligman, MO, joined in with the Flyin' Buzzards Saturday night at Roaring River State Park and tested his abilities on the harmonica. It was a fun night for all.
