Barry County voters pass county sales tax

Rachael Freeman

Less than 18 percent of Barry County's registered voters made their way to the polls in Tuesdays election. With 19,990 registered voters in the county, only 3,514 ballots were cast throughout the 19 precincts.

The county's voters were asked once again to consider a sales tax increase to prevent deep and drastic cuts to the county's future budget. This time, the tax passed by less than 200 votes. Those voting in favor of the tax totaled 52.54 percent at 1,832 votes. Those voting against the tax were 47.46 percent with 1,655 votes.

With the tax increase passing, the Barry County Commission looks to give their attention to Public

Safety by reinstating officers who were let go due to budget cuts, work on updating the Sheriff's Department fleet of patrol cars and hire an assistant in the Prosecuting Attorney's office.

In the Barry County Health Department Board of Trustees race, voters were asked to vote for three candidates. Voters elected incumbents John Starchman and Jan Thomas and newcomer Stormy Holtzman to the Board of Trustees. Starchman lead the way receiving 30.5 percent of the votes, followed by Holtzman with 26 percent, Jan Thomas with 25 percent and Paul Bingham with 17.9 percent.

Complete election results are available on page A-6.

Freedom Bank to purchase Community Bank in Shell Knob

Freedom Bank of Southern Missouri and Community Bank of Shell Knob and Golden have mutually entered into an agreement wherein the assets and deposits of Community bank will be purchased by Freedom Bank.

This transfer is scheduled to take place at the close of business on Friday, April 5, 2013. Both Shell Knob and Golden locations will reopen on Monday, April 8, 2013 as Freedom Bank of Southern Missouri. Freedom Bank of Southern Missouri is a locally owned bank founded in 1999.

Freedom Bank will now have five locations in Cassville, Seligman, Golden, Shell Knob and Willard. Freedom Bank offers a wide variety of products and services with competitive rates on both loans and deposits.

Stan Kelly, CEO of Freedom Bank, is pleased to announce that Rusty Newman will be coming to Shell Knob and will be the

President of the Shell Knob and Golden locations. Rusty is a Barry County native graduating from Cassville High School in 2000.

Rusty has been with Freedom Bank for seven years working both on the loan and operations side of the bank and will become an active part of the Shell Knob and Golden communities. Freedom Bank is very excited to have locations in Shell Knob and Golden.

Freedom Bank will be able to serve the current Community Bank and Freedom Bank customers better with five locations and extended hours.

The Freedom Bank team is looking forward to meeting each of you and believes you will be very pleased with the personalized customer services and the wide array of products that Freedom Bank can provide. Please stop by and visit any of the five Freedom Bank locations or view online at www.freedombk.com.

Vacant business in Purdy catches fire

Local fire departments responded to a fire at the former bar, Tres Amigos, on Highway 37 in Purdy just before 5:00 a.m. Tuesday morning. What was once an airport hanger has seen many businesses in and out throughout the decade. At the time of the fire, the building was vacant. Reports indicate that there was no electricity running at the time of the fire.

A Purdy firefighter is pictured above tending the fire nearly seven hours after it first started Tuesday morning.

Incumbents win in Cassville's elections

Rachael Freeman

Tuesday's election results favored incumbents in Cassville's municipal races. Bill Shiveley will continue his role as the mayor of Cassville after soundly defeating opponent Tracy Lannum.

Shiveley took over as Mayor a year ago after the resignation of Bill Hill. Shiveley received 85 percent of the votes cast by Cassville residents.

The Cassville R-IV

School District Board of Education races were much closer. Voters had the opportunity to vote for two candidates. Voters selected to continue with tradition, voting in incumbents Greg Allen and Hal Smith.

Allen took favor with the majority of voters at nearly 39 percent. The race between Smith and Wade Hermansen was much closer with Smith coming out on time with 31 percent of the

votes next to Hermansen's 29 percent. That race was decided by only 63 votes.

Allen has served a total of six terms (18 years) on Cassville's Board of Education. His terms have not been served consecutively. Smith has served a total of two consecutive terms (six years) on the Board.

Complete election results are available on page A-6.

New website of Barry County Circuit Clerk

Craig Williams, Barry County Circuit Clerk/Recorder of Deeds, advises of a new technology now in operation in the Recorder's Office. This new technology not only allows for a more streamlined process for recording documents in the office, but also enables the general public to search real property records online.

The system allows the user to search and review Grantor/Grantee (Seller/Buyers) indexes. If the user desired to view or print documents, they may purchase either a one-day use or a monthly subscription from the site, which will allow them to print documents at the cost

of \$1.00 per page. This service can be accessed online through the Barry County Circuit Clerk/Recorder website at www.barrycountycrd.com.

Also available is a free service called "Property Check." This service allows Barry County property owners to receive notification, either by e-mail or text, when a document with their name is recorded in the Barry County Recorder's Office. Please visit the Barry County Recorder website and follow the "Property Check" link for more details and to register for this free service.

These new services are made available by the

Recorder's Office in partnership with Cott Systems Information Management Solutions. Cott Systems, headquartered in Columbus, Ohio, serves 246 land and court customers across 19 states and has been an innovator in public records management for over 124 years. Cott's products and services deliver to its customers: improved office efficiency; superior constituent service; and protection and preservation of official records.

The Recorder's Office is very pleased to be able to provide these new services to the residents of Barry County.

Arvest Bank joins Cassville Chamber

Arvest Bank in Cassville held a grand opening and ribbon cutting event on Tuesday, April 2nd at their location on Main Street. The bank greeted the community with refreshments during the event. Employees of Arvest Bank are pictured above with Cassville Area of Commerce Chamber members during the ribbon cutting.

Cassville PD to headline Chamber luncheon

The Cassville Area Chamber of Commerce has partnered with the City of Cassville Police Department for the second chamber quarterly luncheon of 2013. Cassville Police Department staff will serve as guest speakers and will discuss how to detect counterfeit money.

“We would like to present this program to our business community to make them more aware of items to look for on paper currency to detect counterfeit bills. We have been advised by Secret Service the marker pen is not a reliable source for detecting counterfeit bills,” said Chief of Police Dana Kammerlohr.

Those that would like to attend the luncheon should RSVP to Mindi Arther-ton, Chamber Director, at 417.847.2814 or chamber@cassville.com. Deadline to RSVP is Friday, April 5. Lunch is \$8 per person.

Lowe special speaker at Rotary

On Wednesday, February 27, CHS student Skylar Lowe, Chapter President and State Vice President of FCCLA (Family Careet & Community Leaders of America), spoke to the Cassville Rotary Club. Skylar stated that the FCCLA goal is: To help young people become better family members, employees and citizens in order to become strong citizens and leaders.

Large crowd attends Easter buffet

Over 250 people gathered Easter Sunday to eat at the annual Easter Buffet at the Roaring River Restaurant at the Emory Melton Inn and Conference Center.

The price of the buffet was lowered this year from \$16 to \$12.95 with many people taking advantage of the discount.

Last year, it was reported that 114 attended the buffet.

Local retired military resident starts kid camp for fallen warriors kids

Kids of Our Heroes-Adventure Camp (KOOH-AC) is located in Jenkins. This project was started by husband and wife team Darrell and Michele Hovland, both retired from the US Army and combat veterans.

In 2013, they plan on running three (3) camps during the summer months. Each camp is a 6-day event for kids of fallen or severely wounded warriors from Iraq or Afghanistan. The KOOH-AC goal in this endeavor is to provide opportunities for positive adventure engagements while learning coping skills necessary to help process the grief and find encouragement in a safe and supportive environment.

This camp is open to all military kids from Active, Guard or Reserve forces, between the ages of 11- 17

who have either lost a parent in combat or have a severely wounded parent as a result of combat.

All KOOH-AC staff are retired, wounded and/or disabled combat veterans except one civilian who is a license professional counselor (LPC). Additionally, the camp director, COL (RET) Michele Hovland is a wounded combat veteran, a provisional license professional counselor (PLPC) and currently a readjustment counselor therapist with the VA Vets Center. All KOOH-AC Board of Directors are veterans.

The outdoor camp is designed around an adventure, paired with a counseling theme that is merged into the daily activities. Nightly campfire groups will reinforce the counseling theme and provide an array of coping techniques that campers can use to guide them through their awareness, struggles and ultimately towards comfort and relief.

The KOOH-AC camp site is primitive with campers sleeping in tents, on cots and utilizing an outdoor shower trailer. Meals will be cooked campfire style, breakfast and dinner meals will begin with respects rendered while raising or lowering The Flag of the United States of America, a prayer, and a sit-down meal will be shared in an open-air dining facility. The sleeping area is accessible by crossing a 100 ft. suspended foot bridge.

When the Hovlands decided to do this endeavor, they had no idea their camp was going to be so unique, if not a “one-of-its-kind” camp. Where KOOH-AC differentiates from other camps afforded to fallen or wounded warrior kids is that KOOH-AC camp is 6-day event, parent or guardian does not accompany the camper, and the camp’s underpinning is counseling, whereby coping skills are incorporated into a daily thrilling adventure.

Accident report

A few crashes were reported in Barry County this past week according to Missouri State Highway Patrol.

On March 26th at 5:20 p.m., a minor injury crash was reported by Sergeant Gary Horton. Jamie Britton, age 21, from Aurora, ran off the roadway and struck a sign and culvert. She wasn’t wearing a safety device and sustained minor injuries. Britton was taken to Mercy Hospital in Cassville by ambulance. Her 1996 Pontiac Grand AM was totaled.

Another crash took place earlier in the week on March 23rd. According to Missouri

State Highway Patrol, Lt. John Lueckenhoff came to a crash on Highway 39 three miles south of Aurora at 8:45 p.m. Travis Amos, age 35, of Aurora, driver, Anya Amos age 32, occupant, and Derrick Brown, age 27, from Ozark, were involved in the crash. Amos attempted to overtake Brown as he turned left into the path of Amos, striking his vehicle in the rear. Both drivers were uninjured while passenger Anya Amos was taken to Mercy Hospital of Springfield by the Barry Lawrence ambulance. Both cars involved received little damage.

The Barry County Advertiser reaches over 12,000 homes each week—more than ALL other area publications combined.

Sports Boats USA Hosts Chamber event

Paula Andersen

Sport Boats USA was the site of the Shell Knob Chamber of Commerce's fourth "Meet and Greet." Manager Ken McCann and his staff put together a spread of pulled pork sandwiches and snacks to satisfy the appetite of the almost 50 guests that attended.

Sport Boats USA has been in business in the Shell Knob area for over 20 years and is located on the west side of Highway 39 on the south side of the Central Crossing Bridge.

Karen Elsey, Shell Knob Chamber of Commerce Director, thanked Ken McCann for his efforts and introduced

him to the group.

Ken McCann introduced his staff and welcomed the Chamber group. He told them to enjoy climbing in the boats, sitting, and asking questions. "We sell four lines of boats: Cobalt, Bennington, Skeeter, and Lowe. We can service and supply parts for most boats. I have a great staff that is young, motivated and eager to sell and serve the customer. Josh Munday is our sales manager. Most will remember Josh from his job as a manager at the local Country Fresh Market. He has always favored boating and has gone from "bread to boats" with no problem.

Our service manager is Jonathan Gray, another local guy with a background in boat service. He is a well-known volunteer in the Shell Knob community and is planning this year's Easter Egg Hunt at the CCC/Park. Our roots are deep in the Shell Knob Community."

Ken's wife is Sherry McCann and he has a son, Cole, that is a Senior at Cassville High School. As a door prize, Ken gave away a gift of a pair of floating water seats. Paula Andersen was the surprised winner.

CMS students compete in photography contest

The Cassville Middle School students competed in a photography contest in March. Students submitted photos in the following categories: portraiture, nature and action.

The participants had the opportunity to submit a photo in each category. Photos could be black and white or color, but could not be

manipulated in a photo editing software such as Photo-shop.

The winners were: Cole Jackson, 1st place nature photography with a picture of an icy day; Mary Hen-nigan, 1st place portraiture; and Kaylee Liley, 1st place Aawinners received a \$10.00 Sonic gift card.

Seligman Chamber of Commerce holds annual banquet

Samantha Barberio

Seligman Greater Area Chamber of Commerce held their annual membership banquet Saturday, March 30th.

President David Van Petty opened the evening by welcoming everyone and introducing the chamber board, directors and public officers. The event started with dinner catered by Sue Traush and helpers.

While everyone enjoyed the meal, entertainment was provided by Crazy Mule musicians, Boyd and Jake Stogdill from Washburn. David Van Petty and Cleta Stanley presented the appreciation awards made by Sports World in Cassville.

Those receiving plaques from the Chamber were: City of Seligman, Freedom Bank, Seligman Fire Department, Jerry Watley, Able 2 Products, Benny and Diana Vigil, Norman Bryant Foundation, Seligman Lions Club, Wayne

and Jackie Hendrix Sportsman Corner, Charlie Williams Music Group, Loretta Burgess and David and Angie Van Petty.

The event was coordinated by Seligman Freedom Bank employees. They sent out invitations, set up, decorated and helped serve dinner. The director of the board and chairperson for this event is Donna Johnson.

Those in public office that attended the banquet were: Senator David Sater, County Commissioner Cherry Warren, County Road commissioner Wayne Hendrix and wife Jackie, Sugar Creek Road commissioner Connie Lloyd and wife Retha, Public administrator Pam Modlin and husband Jackie, County Clerk Gary Youngblood and wife Susan, Kerry Mattingly

with Barry Electric and husband Rod.

Freedom Bank employees had a drawing towards the end of the event to give away the donated center pieces by various businesses. Dan Van Petty thanked everyone for coming and the Chamber appreciated everyone there.

Cassville Police Department seat belt enforcement results

The Cassville Police Department participated in the statewide youth seat belt mobilization conducted March 15th-31st, 2013. During the enforcement effort, officers issued a total of 11 traffic tickets including 4 seatbelt and 7 speeding. The

enforcement was worked one hour each morning before school and two hours each afternoon after school and resulted in 28 traffic stops.

“Seatbelts are your single best defense in a crash,” stated Cpl. Donald Privett. “Law enforcement will

continue to encourage drivers to make a simple, smart choice to buckle up and Arrive Alive.”

Despite evidence proving the benefits of wearing a seat belt, 33% of teens do not buckle up. Eight out of ten Missouri teens killed in

traffic crashes are unbuckled.

Buckle Up and Arrive Alive. For more information on Missouri seatbelt usage, visit www.saveMOLives.com.

Members of Shell Knob Coast Guard Auxiliary flotilla rings in Spring

Picture above, left to right: Jerry Domann, Phil Bailey, Jerry Thomovsky, Cindy Thomovsky, Jim McCarthy.

by Jerry Thomovsky

Six members of Coast Guard Auxiliary Flotilla 55 of Shell Knob "rang in the spring" by cleaning .7 of a mile of Hwy. 39 in Barry County. On March 25, members braced themselves for the cooler temperatures and worked up a "sweat" filling 50 bags with assorted trash. The Hwy. 39 portion they are

responsible for is the southern entrance into Shell Knob and beautiful Table Rock Lake. It was tough on their backs and legs---but the payoff was a cleaner highway leading into the community and a feeling of satisfaction with being active members of their community.

The United States Coast

Guard Auxiliary is the uniformed volunteer Component of the United States Coast Guard created by an Act of Congress in 1939. The Auxiliary, America's Volunteer Guardians, supports the Coast Guard in nearly all of the service's missions. For information on the Auxiliary, contact Phil Bailey at 417-271-9116

Robertson selected for 2013 Missouri Scholars 100

High school senior Briana Robertson of Cassville R-IV High School has been selected for the 2013 Missouri Scholars 100, a statewide program that honors 100 of Missouri's top academic students in the graduating class of 2013. The announcement was made by Chris Redmon, principal at Cassville R-IV High School. Students will be recognized at a luncheon at the Holiday Inn Executive Center in Columbia on Sunday, April 28th, 2013. Missouri Scholars 100 is a program sponsored by the Missouri Association of Secondary School Principals. Schools across Missouri were invited to nominate candidates for this state wide recognition. The selection is based primarily on a formula using the student's grade point average

and ACT or SAT score. Each student nominated had to first meet criteria of an "Academic Decathlon," which included ten "events" designed to assure the academic strength of the student. To meet the decathlon requirements, the student must have a minimum GPA of 3.750, a minimum ACT score of 29 or a minimum SAT score of 1,900, be ranked in the upper ten percent of the class, and have taken upper level courses in mathematics, science, English, and foreign language. The student must also have excellent attendance, be an exemplary school citizen, and be involved in the school activity program. Jim L. King, Executive Director of the principals' association, said, "Students who are selected to this program have taken a rigorous course of

study and have maintained the highest academic standards. The Missouri Association of Secondary School Principals wants to celebrate the achievement and success of these students and their schools." For additional information, contact MASSP, 573-445-5071.

Snow, rain, then Easter Eggs

by Laura Lee Gregory

While it was snowing, Friends of the Library group stuffed plastic eggs with small candies.

While it was raining, the group met again, to stuff those multi-colored eggs.

March 23rd, Saturday, AFUMC (All Faith United Methodist Church in Eagle Rock) youth group, along with Jr. Fire Dept. volunteers, hid 2500 eggs for the children.

Children and parents began to gather in the E.R.C.A. (Eagle Rock Community Center) barn, next to the library. The Easter Bunny was sitting on the couch, ready to have his picture taken with the kids. The annual Easter Egg Hunt began around 11 a.m. Afterward, the ones who found the golden eggs won Easter baskets.

The refreshment tables had cookies and juice drinks for all. A joint community and church gathering – parents talked... children played... inside the warm, newly renovated barn.

Frequently asked tax questions

Are there any benefits to filing early? And what happens if I file after the deadline?

The main benefit of filing before April is getting your tax refund back sooner. But filing really close to the deadline could also cost you money. "If you're working with a CPA and you dump your tax stuff on them two weeks before April 15th," Vient says, "most people will charge you a premium." And doing your taxes earlier will mean that if you hit a snag like a missing form or needing to resolve a big question, you have more time to solve it.

As for filing late, you can easily ask for an automatic extension if you think you won't be able to file on time. But if you were just being absent-minded, didn't ask for an extension and filed after the April 15th deadline, you'll owe the I.R.S. fines and interest, which can be a big chunk of cash.

What's the difference between an exemption, credit and deduction?

Exemptions and deductions work the same way. They reduce your taxable income, which lowers your tax bill. For (a grossly simplified) example, if you take a \$1,000 deduction, and you're in the 20% tax bracket, you could save \$200 on your taxes. Or if you get a \$3,800 exemption, that's about \$760 less in taxes.

The difference between exemptions and deductions lies in what you get and take them for. You can take deductions for a variety of stuff: student loan interest, charitable deductions, tax-preparation fees ... the list goes on and on. But exemptions are what you get for people in your family. You get one for being you, one for a spouse, one for each child and one for any other dependents.

Credits work differently. They're a straight-up discount on your tax bill. So if you get a \$1,000 credit, you pay \$1,000 less in taxes. You get credits for things like having a low income, buying a plug-in electric car and other stuff.

Dare Program In Barry County Will Host Bass Tournament

Sheriff Mick Epperly would like to announce that the 1st annual DARE Buddy Bass Benefit Tournament will be held on April 6, 2013, at the Cape Fair Marina. The Bass Tournament will benefit the Barry County DARE program. The Cape Fair Marina will host and provide Take Off and Weight-In instructions. Entry fee will be \$40.00 per team or

boat. To obtain an application and Tournament Rules, you can pick up an entry sheet at the Barry County Sheriff's Office, Cape Fair Marina or print one off the Barry County Sheriff's Office website under the community outreach tab. We hope this tournament will provide good fun for everyone as well as earn funds to support our Barry County DARE program, says Sheriff Epperly.

Cassville Men's League

The annual Cassville Men's League kick off meeting was held Tuesday, 3/26/13, at 10:00 a.m. Dan Gipple opened the meeting with a re-cap of items discussed and voted on at last year's meeting. League will still be held on Tuesdays. One dollar will be paid each week to support golf course projects. Each project will be voted on by the men's league. All league scores will be input to the GHIN system as tournament play.

Dan then announced that Bob York and a committee of members would take over the administration of the men's league. It was then voted on by the group that Bob York, Jacques Fleischmann, Paul Ramonette, Jim Murphy, Terry Figgins, and Hal Every would run the men's league as a committee.

Bob York then opened the discussion about handicaps while playing from different tee boxes. After everyone's

input it was voted to go with a 2-2-2 plan in order to try to equal the playing field. The white tee box will receive 2 strokes from the yellow and the blue will receive 2 strokes from the white. This adjustment will be for league play only and the committee will make the adjustment when they input your score. It is imperative that you mark the score card with the tee box you are playing.

Holiday Island Play will be chaired by Jack Shoup.

There will be some black out days for league play; unfortunately, two are in April. On 4-9-13, they will be working on the course. You will be able to play 9 holes that day, but they will not be considered league play. April 30th is scheduled as a make up day for the HS tournament if needed, so that will be a non-league day. July 23rd will be the Tri State tournament and a non scheduled league day.

Southwest High School FCA

Southwest High School has started up FCA, Fellowship of Christian Athletes. The club's mission is reaching out to coaches and athletes, and all whom they encounter to accept the challenge and adventure of receiving Jesus Christ as Savior and Lord, and to show Him in daily activities during school. Southwest High School started FCA this year all thanks to a few students and a Communications Art teacher named Linda Morgan. Morgan had always wanted an FCA chapter at Southwest since she went to school there. When she got the job teaching there, it seemed like a good time to start one. A few students at Southwest were willing to lead FCA, so they got started the second week of school

and now meet every Wednesday at 7:30 a.m. The middle school chapter began in October, and the 7th and 8th grade FCA students meet during lunch on Tuesdays. The students and teachers have been very welcoming with the idea and the number of members is rising. The high school currently has 44 members, and the middle school has 45. This organization helps students feel like they are not alone, it also helps them get their priorities in order. FCA reminds students that they are accountable for their actions and moral standards. The organization has had a noticeable impact on students so far says FCA Advisor Linda Morgan. "I have had several teachers come to me telling

me about the changes they are seeing in certain students. These particular students aren't acting out in class anymore. They are being respectful and taking pride in their work." FCA participates in activities over the year. They hosted a drive-up movie night where the movie was free and concessions were very cheap. It provided the students somewhere to go without having to spend money and have a fun experience that didn't involve drugs or alcohol. Southwest members attended an FCA summit at College of the Ozarks on November 17th. They also attended the Rock and worship Roadshow on Valentine's Day, and the Toby Mac Concert last semester.

FCA has also been spotted helping out around the community. They sang Christmas carols at the local nursing homes in December and hosted a dinner/show to honor our local volunteer firefighters, EMT's, Rescue Workers and their families on March 8th. These events give FCA members a chance to learn more about God, themselves and leading others. They get the opportunity to fellowship with other Christian teenagers from different areas and can worship God without feeling pressure to hold in their emotions. The Southwest FCA chapter hopes to continue growing over the years and help create a positive haven for teenagers.

Southwest Sponsors Future Spikers Youth Volleyball Camp

The Southwest Lady Trojans will sponsor a youth volleyball camp April 16-18 at the high school. The event is open to boys and girls in kindergarten through sixth grade. The cost is \$20 and all campers receive a T-shirt, certificate a free admission to a future high school game. The youngsters are taught

the fundamentals of serving, passing and spiking as well as many of the rules of the game by Coaches Steve Voyak and Tamara McNabb and members of the Lady Trojan high school volleyball team. For more information contact Coach Voyak at r5svoya@swr5.k12.mo.us or call 417 826-5413.

Ryan Newman, son of Don and Linda Newman of Cassville, graduated December 14, 2012, from Missouri State University-Springfield with a masters in Business Administration. A 2007 graduate of Cassville High School, Ryan earned an Associate's degree from Crowder College in 2009 and a Bachelor's degree in Business Administration from the University of Missouri-Columbia in 2011. Ryan plans to open his own business,

Newman's Power Equipment, in Cassville this year.

## OACAC Head Start recruitment underway

OACAC Head Start is now accepting applications for its Head Start program for enrollment beginning in September. Head Start is a high quality preschool/childcare program for young children. For your child, Head Start provides medical and dental care, meals, bus transportation (half-day centers only) and a great learning experience! Transportation assistance is available for families to attend Head Start Activities. Head Start invites children with

disabilities to participate in all aspects of the program. Full or half-day sessions are available. Families who meet income guidelines and whose children are 3 or 4 before August 1, 2013, are eligible to apply. 4-year olds receive priority along with foster children and children receiving SSI.

OACAC Head Start is located in the ten-county area including Barry, Christian, Dade, Dallas, Greene, Lawrence, Polk, Stone, Taney, and Webster Counties.

For more information on Head Start or the application process, please call the Cassville Office at 417-847-2680 or 417-847-8011 and Shell Knob at 417-858-9748.

## SLBC select Sophomore Pilgrimage representatives

Silver Leaf Benefit Club of Cassville announces the selection of two area high school sophomores to represent Cassville and Exeter High Schools at the annual Sophomore Pilgrimage in Jefferson City on April 9, 2013. Representing Cassville High School will be Grace Gouvion (left), daughter of Mark and Tammy Gouvion. Lydia Alverson, daughter of James and Teresa Alverson

(right), will represent Exeter High School. Sophomore Pilgrims are selected on the basis of their leadership, citizenship and service. The purpose of the annual pilgrimage is to increase knowledge of government, promote leadership and citizenship, and provide a view of state government in action. After a tour of the State Capitol, the students will have lunch with the top six elected officials and the Chief Justice of the Missouri Supreme Court. The officials will speak on the responsibilities of their offices. The Sophomore Pilgrimage is sponsored by the Missouri Federated Women's Clubs. Silver Leaf Benefit Club is a local member of the state organization.

## Don't raise the risk.

During any kind of project around your home or property, remember there's more overhead than buildings, trees, and sky. A ladder can easily reach high enough to cause potentially fatal contact with power lines.

Always look up before raising or moving a ladder, to make sure it's at least 10 feet from any electrical lines. Keep your eye on power lines and your mind on working safely.

## CASSVILLE DENTAL CARE

# CONSCIOUS SEDATION

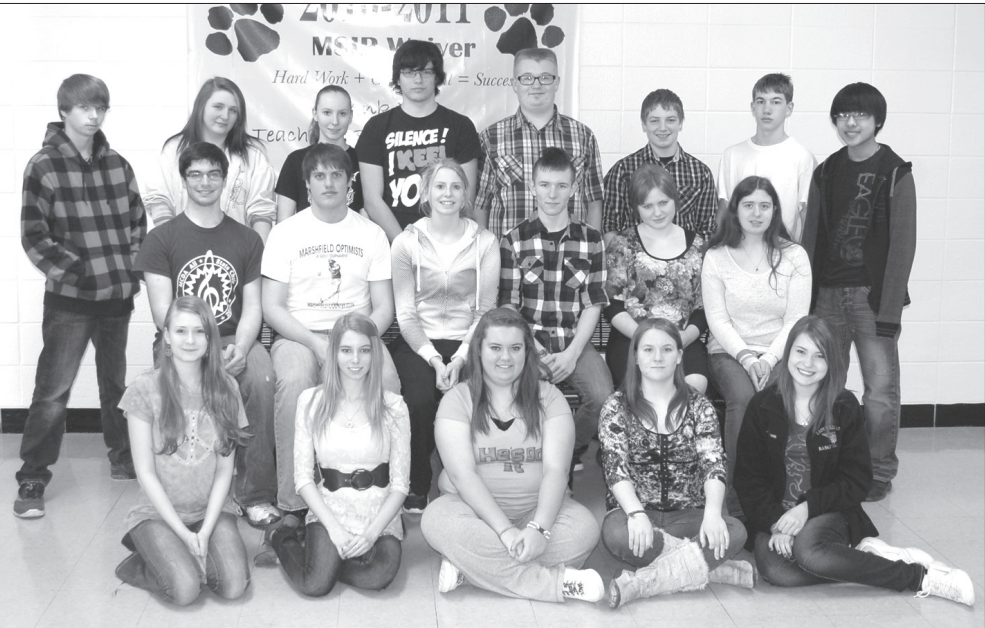

- It Really Works! You really can relax through your dental appointment.
- You will have little or no memory of the experience.
- Complex dental treatments that often require six to eight appointments, can be done in as little as one or two!
- People who have difficulty getting numb will find that sedation dentistry eliminates this problem.

# CHS band solos and ensembles receive superior ratings

CHS band members competed in District Solo and Small Ensemble contest in Joplin. The contest was March 1 and these students are the ones who received Is and IIs. Pictured above, front row, left to right, are: Lindsay Lawson, Krissy Albert, Annie Dodson, Shannon Reidlinger and Amanda Jackson. Middle row: Caleb Roller, Parker Dunker, Katie Sewell, Ethen Reidlinger, Kathleen Hurst and Taylor Burch. Back row: Curtis Williamson, Samantha Groth, Staci Lunn, Anthony Harris, Stussy Stephenson, Dakota Townsend, Triston Taylor and Xamuyee Thao.

# Barry County Courthouse: 100 Years...

In the closing days of December 1912, the county court reversed itself in some measure by appointing J.H. Ottarman of Monett as superintendent for the erection of the courthouse. His duties were to prepare and submit to the county court plans and specifications of the building as well as to superintend the erection of the building. For several weeks, there was a feeling coming from the people of Cassville and the county over that the plans and specifications did not call for a fireproof, up to date, substantial building. After an investigation was made on the part of some of the citizens of Cassville, a temporary injunction was prepared to enjoin the county court from further proceedings in the matter but apparently was never filed.

The court, after consideration of its earlier

action, rescinded that action in contracting with the C.E. Hair & Co. for plans and specifications. Contractors who had examined the plans and specifications seemed to differ on the kind of building that the plans and specifications called for. Some of the contractors said that the plans were incomplete, indefinite and do not call for a fireproof, substantial building. Others state that the plans and specifications are complete, definite and would erect a substantial and fireproof courthouse.

That opinion coincides with Mr. Ottarmans position that the plans are sufficient.

Disagreements continued up into the spring of 1913 when the court appointed a new superintendent who selected another architect Henry H. Hohenschild. Hambly & Hansen of St. Louis contracted to build the reinforced concrete stone veneer structure for \$45,720. The completed plans for the courthouse, and those plans were carried to completion later in 1913 and early 1914, called for

the exterior of the building to be faced in Barry County stone and is designated in the modern classic and will be of a dignified monumental type.

The absence of a costly dome and steep slated roof features no longer used on modern public buildings commended itself to the judgment of every tax payer and is in evidence that the repairs on the building will be reduced to a minimum. The exterior walls will be concrete faced with stone, the floors and roof are of reinforced concrete and the interior division partitions between the rooms are of tile thus making the building absolutely fireproof and reflected credit on the judgment of the county court and superintendent in adopting a building of the type you see today, both in construction and design.

The detailed matters continued to be discussed by the county court throughout the summer of 1913 and finally the cornerstone was laid in August 1913 when construction got underway in a meaningful effort.

Last week's answer: When was the first movie theater opened in Cassville?

A building across the street from the northwest corner of the square was sold to Glen and Clarice Hall. And, in 1946, they converted the building to the Hall Theater which operated for over two decades.

➤ 1. Choose Us! The Barry County Advertiser has a
circulation of 13,200. That's more
than all other area publications
combined.

➤ 2. Our paper is operated
solely on advertisement. We
publish weekly and deliver to the
surrounding area at
NO CHARGE!!

➤ 3. To place an ad, take note of
our deadlines. The earlier ad copy
is placed, the more attention toward
detail can be applied.

➤ 4. LINE AD DEADLINE ⌚ is 12 Noon Tuesday. Cost is .50¢
per word (\$5.00 minimum) and
must be paid in advance.

➤ 5. CLASSIFIED DISPLAY
(Bordered Ad) DEADLINE ⌚ is 5 p.m. Monday. Cost is \$5.60
per column inch (1x1 bordered ads
contain approx. 15 words). This
eliminates clutter and allows room
for design to catch attention. If the
print is too small, the ad will be
hard to read and more likely to be
ignored.

- CLIP ART: \$1 per insertion.
- PHOTOGRAPHS: \$5 per insertion

➤ 7. ALWAYS REMEMBER
For an advertisement to bring swift
results, *minimize the guessing
game of abbreviations*. A complete
word costs the same amount as the
abbreviation!

➤ 8. Always supply enough
information: •What •Where
•When •Asking Price
•Telephone Number •Etc.
This will eliminate several
unnecessary phone calls.

Purdy FCCLA student shadows State Senator

Nathaniel Alden, a senior at Purdy High School, participated in the FCCLA Legislative Shadowing Project in Jefferson City on Wednesday, Feb. 20. Nathaniel shadowed

Senator David Sater from Cassville.

Nat was introduced on the senate floor by Senator Sater and spent the day observing what happens in the state's capitol. This is the 13th

year that junior and senior FCCLA members from across the state of Missouri are selected to attend the shadowing event.

Nathaniel toured the Governor's mansion and the state capitol building. At the capitol, Nathaniel visited with Cindy Schallert Kadlec, a PHS alumnus, who is the General Counsel of the Joint Committee on Administrative Rules at the capitol. She took Nat to the whispering gallery and talked about history of the building.

A banquet was held in for the 50 FCCLA members who were shadowing. The banquet was sponsored by the Missouri Bar Association and speakers were Ms. Millie Aulbur, Bar and Mrs. Chanekka Shantez Buckingham, attorney from St. Louis. Myra McGee, Purdy FCCLA chapter advisor, accompanied Nathaniel to Jeff City.

Purdy FCCLA holds Abuse Awareness Day

The Purdy Family, Career, and Community Leaders of America (FCCLA) chapter recently held an "Abuse Awareness Day." Purdy High school students were given the opportunity to learn more about the different types of abuses.

Drug abuse information was spoken about by John Lucky and Chief Dana Kammerlohr from The Cassville Police Department. Date and domestic abuse was presented by Cierra Day from the Harmony House, Springfield. Cyber

bullying and peer abuse was spoken about by Jennifer Schiffman from the Prevention Specialist, MO ICAC Task Force, St. Charles County Cyber Crime Unit. Child abuse information was presented by James Smith from the Cassville Police Department.

The students responded well and were given the opportunity to speak privately with the school consular, Katie Whitehead, or any of the given speakers. The high school English teachers gave the students an

opportunity to write about the abuse speakers and what they had gained from the experience. Several students gave donations which were taken to the Monett Children's Advocacy center. While there, members of Purdy's FCCLA chapter were able to tour the Advocacy Center and were able to see firsthand what the Advocacy Center does.
