Area students get creative for 2024 Great North American Solar Eclipse

By Adriana Keeton, editor@4bca.com

Mrs. Stephanie Crumpler's fourth grade students, at Exeter Elementary, learned about the different phases of the eclipse and used Oreo cookies to demonstrate the phases before enjoying the solar eclipse on Monday. Photo courtesy of Exeter School.

Wheaton Elementary students created masks for their solar eclipse glasses. Photo courtesy of Wheaton School.

Purdy FCCLA Hosts Eye-Opening Mock Crash for High School Students

From Amy Harkey, Purdy FCCLA Advisor

Area first responders assisted the Purdy FCCLA with a mock crash for Purdy HS students last week.

On Friday, April 5, Purdy Family, Career, and Community Leaders of America (FCCLA) chapter orchestrated a powerful demonstration aimed at educating high school students about the consequences of reckless driving. The mock crash event, organized in collaboration with various local agencies, offered a sobering glimpse into the potential aftermath of a serious car accident.

The event, held at Purdy High School, saw active participation from students in grades 9 through 12, including Jeffrey Drake, Hunter Lee, Julia McDonald, Bryce Ozbun, and Makenna Willis. These brave individuals took on roles as crash victims, experiencing firsthand the harrowing consequences of unsafe driving practices.

The mock crash scenario was made as realistic as possible, thanks to the collaborative efforts of several agencies. Cox Injury Prevention, Cox Air Care, Purdy Police, Purdy EMS, Barry County 911 Dispatch, Missouri Highway Patrol, Barry Lawrence County Ambulance, and Barry County Coroner all played pivotal roles in ensuring the authenticity and impact of the demonstration.

Throughout the event, students witnessed emergency responders in action, demonstrating the coordinated efforts required to handle such tragic situations. From the arrival of law enforcement and medi-

Reboot your New Year's resolution with a spring hike

By Adriana Keeton, editor@4bca.com

If you're like me, at the beginning of this year, you probably made a resolution to focus more on your physical and/or mental health.

According to author Dr. Graham A Colditz, who is affiliated with Harvard University, as well as Siteman Cancer Center and Washington University School of Medicine, both in St. Louis, Missouri has the nation's 12th highest death rate due to cancer, and the 11th highest due to heart disease, and around 23% of U.S. adults have some level of poor mental health. Physical activity can improve mental health symptoms, such as stress, depression, and anxiety.

Me being in my mid-40's I take those statistics to heart. Spring is about the time most fall off the resolution bandwagon and revert back to old ways. If this sounds like you, and you would like a change of scenery to

get you back in the groove, I have the perfect getaway in southwest Missouri to get you back on track and your heart pumping again.

Roaring River State Park boasts seven hiking trails and is nestled in a deep, narrow valley with rugged landscape, located seven miles south of Cassville, on Hwy. 112. Trails range from 1/4 mile to 4.5 miles, and can take anywhere from 20 minutes to four hours to complete.

I'm only going to focus on one of those trails, which is the most scenic, as it ascends to one of the highest points in the state park.

Eagle's Nest Trail is a rugged 2.7 mile loop trail with a 465 foot elevation gain. It is a definite lung and thigh burner. You will need to bring plenty of water. I recommend hiking boots and you may want your hiking sticks.

The trail head to Eagle's Nest is located at the east end of campground two and parking is available at the trailhead. The estimated hiking time is just over 2 1/2 hours. It took me a bit longer with several water and photography breaks, but more advanced hikers have completed the hike in less than 2 hours.

The beginning of the

Haven of the Ozarks: Pet of the Week

Weekends are made for Michelob. Well, every day is made for this Michelob! Michelob is a gorgeous brown and white mixed breed dog. He was abandoned on a dirt road with two other dogs. He was very scared when he arrived at the shelter, but he has warmed up to humans and wants to find a family he can call his own. His estimated DOB is 8/18/2022. He weighs 42 pounds and

is a medium sized dog. All of our pets are fixed, up to date on their vaccinations, and microchipped. The Haven of the Ozarks is open from 9am-4pm, seven days a week. For more information, please email us at havenozarksanctuary@gmail.com, or give us a call at 417-835-3647. You can also visit us online at www.havenoftheozarks.org. No appointments needed for adopters.

Freedom Patriots of SW Missouri

Dear Patriots, thanks to all of your devotion and caring on who we elect for our state, country, and communities. We are continuing to grow in numbers. We have this month and three more before the August Primary and will continue to have speakers like Eric Burlison, Jay Ashcroft, Mike Moon, Shane Schoeller, Brad Hudson, Scott Cupps, Sheriff Danny Boyd, Josh Hawley and others who care enough about all of you that they come to our meetings faithfully and as often as they can to keep all of us better informed.

Our meetings are always booked up to two to three months ahead and I have invited anyone and everyone to come and participate as we are "For the People", which is all of you, to make your own decisions on who you feel is most qualified to represent our state, country, and communities. Over the next few months, we have some exciting

new speakers that I will announce at a later date. This month, our meeting will be held on April 20 at the VFW Hall in Shell Knob at 1 p.m. Speakers will be representatives for Josh Hawley and a possibility for Josh himself to speak, Representative Eric Burlison, Senator Mike Moon, State Representative Tom Franiak, Representative Scott Cupps, Barry County Sheriff Danny Boyd and Stone County Sheriff Doug Rader, who will inform all of us about the meeting in March they attended.

Others in attendance will be Barry County Commissioners, Treasurer Greta Tripp, and others representing our state and counties.

God Bless all of you Patriots that care and come to our meetings, because you are making a difference. May Heavenly Father continue to bless each and every one of you and God Bless America. See you at our meeting on April 20, at 1 p.m.

For more information, contact Diane Painter at 417-858-2100 (no texting).

Water is still clear and running 77 CFS; this is good water flow. Dry fly fishing has been great, and the nymphing is very good. Lots of people were throwing streamers this weekend and were having pretty good results. 7X is best for drys, and 6X is good for nymphs right now. I'm using 5X or 4X on the bigger streamers. Plastic worms and the power bait grubs were great this past week. The Family Fishin eggs in the natural fish oil were good all week. In zone 3, the white power bait paste was working well.

Little crankbaits were working well. The rebel crawfish was very effective this past week. Marabou jigs were as good as ever, the very small ones fished under an indicator were good all week, but the heavier ones worked great in the middle of the days, fished slow and deep. Wooly Bugger jigs, and micros are still doing very well. Spinners were good all week, best early in the morning. Darker colors were best.

2-lb line is still your best bet for catching a lot of trout. If you only fish the first hour or so you can probably get by with 4-lb. Good luck this week.

Leave tree trimming to experts

Recent storms and spring growth have left a lot of trees in need of attention. Barry Electric Cooperative wants you to know that tree trimming is a job best left to experts, especially when they are located near power lines. In fact, the two leading causes of death while trimming trees come from falling and electrocution.

Whenever you trim trees or do other yard work, remember these tips:

- Wear safety glasses to protect your eyes from sawdust, pine needles and other debris.
- When operating a trimmer or chainsaw, you'll need ear protection, shoes with slip-resistant soles, chaps and gauntlets.
- If you use a ladder, tie it off to a secure location. Never go anywhere near a power line with a ladder, especially a metal one.
- Be aware of anyone on the ground. It's best to have a spotter watch for people who might wander into your worksite.
- Safety is our number one priority and we are trained experts in safely removing debris from around powerlines. If in doubt, call us!

There are several bluffs and rock formations on Eagle's Nest Trail. Photo courtesy of Roaring River State Park.

Shown above are just a few examples of flora at Roaring River State Park.

HIKE FROM FRONT

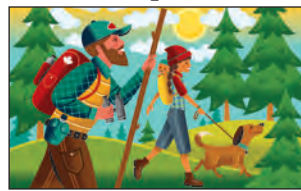

hike follows Roaring River for some distance, where you can enjoy watching fly fisherman and view the areas flora and fauna before it turns into a service road, which can be a bit unsteady and is the majority of the trail's elevation gain. The river portion is a beautiful short hike and I recommend you turn around at the end of this portion if you are not up to hiking the rugged terrain.

The service road leads to an old homestead, where lilac bushes and yucca plants are still growing along the ridge. You can go either clockwise or counterclockwise at the loop marker, which is visible from the service road. If you decide to go counterclockwise, this portion of the trail is mostly under the tree canopy, unlike the remaining service road portion. If you are into bird watching and nature photography, this is a good time to enjoy the several birds that call Roaring River home, including the Pileated Woodpecker and wood Warblers, like the Northern Parula and Black and White Warbler (Belted Kingfishers and Louisiana Waterthrush can be seen along the river). Roaring River State Park interpreters have stated hikers have also seen Midland Water Snakes on the trail. This is a natural trail so you will experience occasional small water streams,

downed trees and huge rock formations along the way. Near the end of this portion there is a set of thigh killer switchbacks that get you back to the service road portion which is all downhill from this point, so make sure to watch your step and be extra cautious if there has been recent rain.

After your hike, there are several activities you may want to enjoy while at the state park. The nature center, which is located near campground three, does host nature programs that may be of interest. You can also travel up to the mouth of Roaring River and visit the trout hatchery and the Roaring River Cave Spring, which is currently one of the deepest cave springs in the nation at 472 feet. With a Missouri Fishing License and the daily required trout tag, which can be purchased at the Roaring River Park Store, you can enjoy an afternoon of trout fishing or a picnic in the day use areas.

For more information on activities and amenities at Roaring River State Park, visit their website at <https://mostateparks.com/park/roaring-river-state-park>.

It has been my privilege and honor to serve this community on the Barry Electric Cooperative Board for the past three years. It is now time for re-election and I am asking for your consideration as our annual meeting is approaching. Your co-op has been a stable supplier of power in these uncertain times. Wise leadership, cautious stewardship and consistency have been the keys to this. I look forward to being a part of our continued success.

- *I grew up in Nebraska where my father served on our local cooperative's board for 50 years.
- *I attended the National Youth Tour as a high school student and then continued working with the National Rural Electric Cooperative as a tour Staff member.
- *I worked for the Nebraska Rural Electric Cooperative statewide office through college.
- *Our family moved to Cassville in 2005 and this is our home. We have raised our children here and I practiced medicine here for nearly 20 years. In an effort to give more back to this community that has given so much to us, I ran for election to the Barry Electric Cooperative Board in 2021. Even with my previous experience within the co-op world, this has given me an in-depth exposure to our local team. I am committed to serving you and our employees through my next term.

Please join us on **April 18, 2024** at the **Family Life Center** for our annual meeting and voting. Voting begins at 12, meeting begins at 1pm. Or, you may vote early at the **Barry Electric Cooperative Office, April 11-17, 7:30-4:30.**

THANK YOU FOR YOUR SUPPORT---SEE YOU AT THE MEETING!

**ROBERT ALLAN
"BOB" SLANE**

Robert Allan "Bob" Slane, age 83, of Exeter, passed away Thursday, April 4, 2024, at his home.

He was born December 31, 1940, in Cleveland, Ohio the son of Cecil and Bessie (Bourke) Slane. On October 17, 1971, in Fremont, Ohio, he was united in marriage to Sharon Ickes, who survives. Also surviving are three sons, Danny Ickes and his wife, Mary, of Fremont, Ohio, Daryl Ickes and his wife, Shelly, of Washburn, and Brian Slane, of Cassville; two daughters, Shelley Jones, of Exeter, and Bessie Storch and her husband, Daniel, of Napoleon, Ohio; one brother, Scott Slane and his wife, Stephanie, of Clyde, Ohio; two sisters, Cecilia Slane, of Fremont, Ohio, and Nancy Bartlett and her husband, Bob, of Fremont, Ohio; 12 grandchildren; and 23 great-grandchildren.

Preceding him in death were his parents; two sons, Randy Slane and Joseph Slane; and two sisters, Beverly Stull and Joyce Goodwin.

Bob grew up and attended school in Fremont, Ohio. He and Sharon moved to this area in 1976. Bob owned and operated R & S Tree Service for over 30 years from

where he retired. He enjoyed working, and spending time with his family especially his grandchildren and great-grandchildren.

Graveside services were held Monday, April 8, 2024, at Maplewood Cemetery in Exeter under direction of Fohn Funeral Home in Cassville. Brother Dayton Brattin conducted the services.

RANDY H. TERRY

Randy H. Terry, 67, of Monett, passed away on Wednesday, March 13, 2024, while at the Ozark Methodist Manor in Marionville.

Randy was born on May 28, 1956, in Purdy, the son of Rollie and Betty (Lasley) Terry. Randy grew up in Purdy and received his education here. He worked for many years in the shipping department at Bass Equipment, Monett. He was a member of New Site Baptist Church where he attended until his health worsened. Randy enjoyed mowing, fishing, driving his truck and listening to the Bee Gees, and spending time with his family.

Randy is survived by his son, Chris (Ian) Terry, of Plano, Texas; his mother, Bet-

OBITUARIES

ty Embrey, of Purdy; two brothers, Steve (Mary) Terry, of Purdy, and Jeff (Lisa) Terry, of Verona; one sister, Debbie Terry Taylor, of Purdy; four nephews, Andy, Austin, Jason, and Kevin Terry; his uncle, Gary (Judy) Lasley, of The Villages, Florida; as well as a host of extended family and friends.

Randy was preceded in death by his father, Rollie Terry; his grandparents, Wayne and Hazel Lasley and Manford and Dorothy Terry, all of Purdy; his uncle, Jerry Lasley; and his aunt, Norma Whitson.

Graveside services for Mr. Terry were held Saturday, March 16, 2024, at Purdy Cemetery with Rev. Aaron Weibel officiating.

Memorial contributions may be made to the Purdy Cemetery. Arrangements were under the direction of Buchanan Funeral Home, Monett.

**PAUL "RED"
RICHARD THOMAS**

Paul "Red" Richard Thomas, 97, of Purdy, was called to his Heavenly home to be with his wife on Saturday,

April 6, 2024, while at the Missouri Veteran's Home in Mt. Vernon. He was born at the family home in Verona on April 28, 1926, the son of the late Daniel Webster and Reta (Inmon) Thomas. He was united in marriage to the love of his life, Juanita Swadley, in Butterfield on March 22, 1947; she preceded him in death on March 13, 2013. To this union three children were born, Jim, Pauletta, and Patti.

He lived his whole life in Purdy. He had to leave school when he in the 8th grade to work on the family farm after his father has passed away. He was 18 years old when he joined the United States Army and was stationed in Belfore, Virginia, before going to California and then Osaka, Japan. When he returned from his service, he married the love of his life, Juanita, and started his family.

He was also a well-known musician in the area for over 60 years. During 1941-1942, he started playing with Paul McNabb, Ermol Stephens, Hollis Harper, Gerald Preddy, Loren Henbest and Jess Chapel. In 1950 and 1952, he played at KRMO Radio Station with James Elliot, Jim Witt, and Charlie Velton. From 1963-1965, he played at Hillbilly Land USA for Jack Johnson. After

that, from 1968-1969, he played with Homer, Delores, Randy and Sandy Davis. He also had the opportunity in his life to play with Al and Tom Brumley and Clarence Pippin. He spent many years playing at the Stella Senior Center with Phil Greer, Charlie Brattin, J.R. and Jean Had-dock, Harold Jenkins and Bob Vaught. He was fortunate enough to see many country music stars in his lifetime. He was retired from Justin Boots in Cassville and attended Chapel of Grace Church in Monett.

Paul is survived by his three children: Jim Thomas and wife, Ruthie, of Cassville, Pauletta Lowe, of Cassville, and Patti Brooks, of Rocky Comfort; seven grandchildren; eleven great-grandchildren; nine great-great-grandchildren and one great-great grandchild on the way.

He was preceded in death by his parents, Webster and Reta; wife, Juanita; three brothers; one sister; one nephew; and one son-in-law.

Visitation for Paul is being held Thursday, April 11, 2024, from 6:00 p.m. to 8:00 p.m. at the Bennett-Wormington Funeral Home in Monett. Funeral ser-

VICES are being held on Friday, April 12, 2024, at 2:00 p.m. at the Bennett-Wormington Funeral Home in Monett with Steve Spillman officiating. Burial next to his wife, Juanita, will follow services at the Purdy Cemetery in Purdy.

Memorial donations for Paul may be made to the Missouri Veteran's Home in Mt. Vernon.

Online condolences may be made at www.bennettwormington.com.

Arrangements have been entrusted to the care of the Bennett-Wormington Funeral Home in Monett.

GRACE MARTINEZ

Grace Martinez, 72, of rural Mt. Vernon, passed away Friday, March 29, 2024. Arrangements are under the direction of Buchanan Funeral Home, Monett.

Barry County Health Department March Food Service Report

From Barry County Health Department

The Health Department divides food service code violations into two categories: Priority and Core items.

Priority items are more likely than other violations to contribute to food contamination, or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or injury.

A report for each establishment inspected shows the number of priority items, along with a short statement as to the nature of the violations. The report also shows the number of core items, but does not list the nature of those violations.

*Corrected on spot
Cubs Café

Monett

Southwest Elementary March Students of the Month

From Southwest Schools

During the month of March, students were chosen to be Students of the Month. These students exhibited the character trait of Leadership.

Southwest Elementary's March Leadership Students front row, left to right, are Morgan King, Mallorie Brooks, Blakelynn Barnett, Taylor Hanss, Maxlee Forgey, and Jace Seabolt; middle row, left to right, are Esther Sung, Athena Gibson, Rilee Pendergraft, Hazel Roe, and Jayden Ruffin; back row, left to right, are Shyleah Wilson, Remi Walton, Titus Cotton, Robert Lian, Lyla Jennings, and Lealand Selee.

PURDY FCCLA FROM FRONT

cal personnel to the extrication of injured individuals and even the solemn duties of the coroner, every aspect of the aftermath was portrayed with meticulous attention to detail.

The goal of the mock crash was not only to shock and educate but also to instill a sense of responsibility and awareness among young drivers. By witnessing the devastating consequences of unsafe driving behaviors, students were encouraged to make safer choices behind the wheel and to recognize the importance of being vigilant and cautious on the road.

"We believe that events like this can have a profound impact on young drivers," stated Purdy FCCLA Advisor, Amy Harkey. "Our hope is that by experiencing the realities of a mock crash, students will think twice before engaging in risky behaviors while driving."

The collaborative effort between Purdy FCCLA and local agencies underscores the commitment of the community to prioritize the safety and well-being of its youth. By coming together to deliver this powerful message, they have taken proactive steps to prevent future tragedies on the roads.

As the event concluded, students were left with a newfound appreciation for the importance of responsible driving and a deeper understanding of the potentially devastating consequences of reckless behavior behind the wheel. Through initiatives like the mock crash, Purdy FCCLA and its partners continue to make strides in promoting road safety and saving lives.

The impact of the mock crash is expected to resonate with students long after the event, serving as a poignant reminder of the critical role each individual plays in ensuring the safety of themselves and others on the roadways.

Southwest NHS Adds 14 New Members at Induction Ceremony

From Steve Voyak, Southwest School

Shown above are the new officers for the 2024-2025 Southwest High School Chapter of National Honor Society: President Riley Flippo, VP Addison Keates, Secretary Abbie Clark, and Treasurer Montana Skelton.

The Southwest High School Chapter of the National Honor Society added 14 new members at its annual induction ceremony recently: Jack Cornell, Marissa Freeman, Cecilia Goines, Cheyenne Holt, Rylee Hobbs, Emma Outhouse, Emma Outhouse, Addison Pendergraft, Jaretsi Quintanilla, Andrew Russell, Tobias Smith, Victor Tellez, Katie Tenorio, and Lyndon Vanzandt.

President Lyric Bernard presided over the event with fellow officers Charlie Pippin, Kameron Kelley, and Juliauna Sierra. The new officers for 2024-2025 are President Riley Flippo, VP Addison Keates, Secretary Abbie Clark, and Treasurer Montana Skelton.

9th annual Home Run Against Hunger underway

From Missouri Farm Bureau

For the ninth consecutive year, Missouri Farm Bureau insurance agents and producers, customer service representatives, regional coordinators and many volunteers are accepting donations from throughout the month of April at area offices.

The 2024 Home Run Against Hunger campaign is one of several events Missouri Farm Bureau Insurance organizes annually to help those in need.

A donation of only \$25 can provide up to 100 meals to neighbors in need.

The most-needed items include: canned meat, canned fruit and vegetables, beans, rice, cereal, peanut butter,

soups and pasta. Food or fund donations can be dropped off at the office of Missouri Farm Bureau Insurance agent Chad Yarnall at 601 West St., Cassville, through April 30, 2024. Donations will be delivered to a local pantry at the end of the campaign.

Cassville High School's Multimedia Students Take on Tourism Challenge

From Cassville Area Chamber of Commerce

Shown above is the winning design created by Miller Reid that will be used on a billboard to increase local tourism.

In an effort to boost local tourism beyond the already popular Roaring River State Park, Cassville High School's Multimedia students took on a partnership with Cassville Area Chamber of Commerce. Students designed billboard signs aiming to lure visitors into the heart of Cassville, showcasing the town's charm and offerings. High School Junior Miller Reid designed the winning billboard, earning a \$100 prize and the opportunity to have the billboard displayed near Roaring River.

Shown above, left to right, are Cassville Area Chamber of Commerce Director Morgan Williams, Cassville Multimedia student Miller Reid, and Chamber Board Member and Owner of Roaring River Resort and RV Park Missy Craig.

This initiative not only provided a platform for students to showcase their talents but also reinforced the idea that when schools and communities come together, they can create powerful opportunities for learning, growth, and mutual benefit.

Cassville JAG student to compete at National Competition

By Adriana Keeton, editor@4bca.com

Shown above is Cassville High School JAG student Madison Scallorn with Missouri's First Lady Teresa Parson. Photo courtesy of Cassville JAG

Cassville High School JAG student, senior Madison Scallorn, attended the JAG-Missouri Career Development Conference at the State Capital in Jefferson City on March 25-26, where she placed first in Em-

ployability Skills. Scallorn was judged on her resume, cover letter, and in person interview.

"I am so excited and proud of her hard work throughout this entire year," said CHS JAG Specialist Kristi-

na Leach. "With this being my first year, she has been a huge help to me and I appreciate her dedication to the JAG Program."

The National JAG Career Development Conference will be held in St. Louis, April

18-20, at the Marriott St. Louis Grand, in honor of the Governor and First Lady Parson, where Scallorn will compete for the national title in Employability Skills.

Missouri Department of Agriculture Encourages Biosecurity Around Poultry

Missouri Department of Agriculture poultry.

The Missouri Department of Agriculture animal health team encourages Missourians to practice biosecurity when handling poultry. Stringent biosecurity practices are valuable for potential poultry buyers and experienced poultry owners alike.

“Spring is a popular time to buy poultry and begin or expand backyard poultry flocks,” said Missouri State Veterinarian Dr. Steve Strubberg. “There are many biosecurity practices poultry producers can implement to make a positive impact on their flock’s health, as well as their own health. Our poultry team works to help birds and bird owners remain healthy throughout the year.”

The Center for Disease Control (CDC) and the United States Department of Agriculture (USDA) have created resources for current and future poultry owners, as well as the public who may come in contact with

Before you purchase birds for the first time, consider if poultry is a good fit for your family. Find out if owning poultry is right for you here.

Backyard poultry may carry germs that can make a person sick. Humans should always wash their hands after touching or interacting with backyard poultry. Learn more on how to keep yourself and your family healthy here.

Highly pathogenic avian influenza is a

deadly virus for poultry that has impacted 48 states over the past two years. It is important to keep your flock free of the virus. For biosecurity tips regarding the prevention of highly pathogenic

avian influenza, visit agriculture.mo.gov.

For more information on the department and its programs, visit agriculture.mo.gov.

MU Extension research on lavender finds options for Missouri growers

From MU Extension

After three years of research, University of Missouri Extension horticulture specialists are learning how to successfully grow lavender in Missouri.

"Lavender is more popular than ever," says MU Extension horticulturist Kelly McGowan, who led the study.

Today, lavender's scent is promoted in many products - detergents, body soaps, balms, perfumes, toilet tissue and much more. It is also used in cooking and medicines.

Because of Missouri's diverse climate and topography, MU re-

searchers planted test plots in four locations in the state. McGowan used the Springfield Botanical Garden for plots; horticulturists Katie Kammler and Donna Aufdenberg planted at the MU Extension Center in Ste. Genevieve; Patrick Byers planted at MU's Southwest Research Center in Mount Vernon; and Jennifer Schutter grew 22 cultivars and 120 plants over three years in northern Missouri at Kirksville.

They found that six main cultivars perform well in Missouri: Dutch Mill, Gros-

so French, Munstead English, Hidcote English, Phenomenal and Provence. Spanish varieties of lavender do not survive Missouri winters, says McGowan. High humidity also can adversely affect some varieties. As with all gardening, perform soil tests before planting and follow recommendations.

Regardless of location, this member of the mint family suffers when it receives too much water. MU researchers suggest growing it in raised rows and beds, containers or high tunnels with good drainage

and protection from excessive rainfall. Plants need to be covered in colder climates such as in northern Missouri, says Schutter. During the study, she covered some rows and left others uncovered. Uncovered plants died or suffered die back and needed severe pruning in spring. Protected plants survived, with the exception of one cultivar, Blue Spear, which is not recommended in north Missouri.

Plants grow about 1-2 feet tall. Dense hairs coat the pale green leaves to give them their trademark silvery luster. The light purple lavender flowers are tiny and

Missourians are showing increasing interest in growing lavender, which provides income opportunities for small-acreage farmers and those interested in value-added products. Photo courtesy of Jennifer Schutter.

arranged in spikes. Every part of the plant contains the oil that produces a sweet fragrance.

"Fresh lavender plants will keep a garden fragrant as well as attract a variety of

pollinators like bees, butterflies, praying mantis and others," says Schutter. "In urban settings where the population of natural pollinators, including bees and butterflies, is on a decline, lavender plants offer an invaluable attraction to these species."

In addition to drawing pollinators, lavender can keep away unwanted insects such as fleas, flies and mosquitoes.

Kammler describes this perennial as "finicky." Even within the same area, cultivars may respond differently. MU horticulturists say growers should plan for some failure - as much as 20%-25% plant loss each season.

McGowan says there is a strong demand for lavender for home gardeners and those wanting to sell value-added products such as soaps, oils and balms.

You can contact McGowan at mcgowank@missouri.edu, Kammler at kammlerk@missouri.edu, Byers at Byersp@missouri.edu, Schutter at schutterjl@missouri.edu or Aufdenberg at aufdenbergd@missouri.edu.

Real Estate: 2 could be 3 bedroom, 1 bath home on 5 acres m/l. Very conveniently located, only 1.5 miles to Cassville MO. Paved road on 2 sides, great location for a mobile home park, sell building lots or mini farm.

See next week's paper for complete Real Estate listing or go to www.stumpffauction.com

Note: Call for details on how to get preregistered or to view the property before auction day. 417-847-2507

Real Estate Terms: Qualified buyers only w/pre-approved bank letter of approval. Nonrefundable 10% paid day of auction w/balance due in cash or certified funds within 30-45 days. Buyers and sellers will be responsible for their own portion of their closing cost. Taxes will be prorated to the date of close. Sells as is where is with no warranties or guarantees. Bidders, buyers, or agent of the buyer is responsible for conducting own inspection of property prior to auction and should rely solely upon their own due diligence and inspection. This property is offered with absolutely no contingencies of any kind, no contingencies on financing, surveys, appraisals, or final walk throughs. Seller has the right to accept or reject final bid. A 10% buyer's premium will apply on Real Estate. Any announcements made day of auction supersede any and all printed material
