Council approves purchases in June meeting

Rachael Freeman

In Monday's meeting, the Cassville City Council approved the purchase of a 2014 Ford Explorer Police Interceptor, a lease purchase of a Case 580 Super N Wide track backhoe and entered into an enterprise agreement with MDC Technology for \$2,100 each month.

The Cassville Police Department will purchase the 2014 Ford Explorer from Cassville's Les Jacobs Ford for \$26,260, a purchase approved in the 2013 budget. Police Chief Dana Kammerlohr recommended an all-wheel-drive SUV largely because of the area's terrain.

“An Explorer is more serviceable to our department,” stated Chief Kammerlohr.

“It is easier to get around in the snow and ice in the winter and during the flooding in the spring. An SUV is easier to transport equipment and evidence. It also has a better resale value than a sedan,” the Chief stated.

The City had budgeted \$30,000 towards a new patrol vehicle for 2013.

During the May council meeting, Public Works Director Steve Walensky informed the Board of Aldermen that the Public Works backhoe was broken and not worth repair and created an emergency purchase situation for the department.

After obtaining bids, Walensky recommended a lease purchase from Potter Equipment Company for the Case backhoe for \$78,026. The lease purchase term is for four years with a clause that continuation of the lease purchase is contingent upon annual appropriation of funds for the agreement.

Walensky stated that Public Works will forgo the purchase of a meter truck as previously planned in the 2013 budget.

Finally, the Council agreed to enter into an

enterprise agreement with MDC Technology in Monett to provide service for all of the City's computer, internet, email, website and telephone needs.

As an “al a carte” service, the City of Cassville would be paying \$2,673.92 per month for technology related expenses including telephone, internet and email. According to MDC President Dan Crouch, the City is currently using the most insecure way to send emails and files.

Under the new enterprise agreement with MDC, the telephone system will be set up to run through the internet, eliminating long distance expenses. MDC will also take over the City's website that is currently offline. Before the enterprise agreement, the City was paying \$89 per hour for any changes to the website. The agreement will include unlimited help with the City's website.

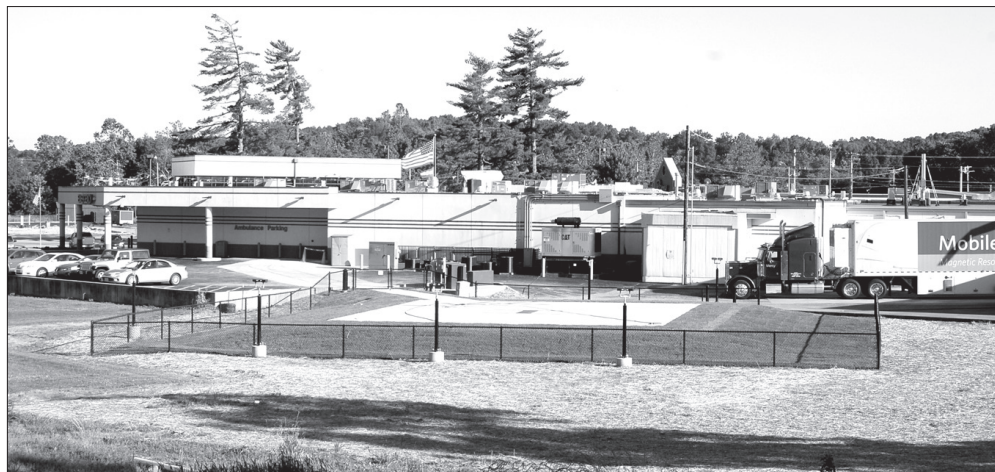

Once the website is resurrected, residents will soon be able to pay their water bills online.

MDC will also set up exchange emails for staff where departments will be able to virtually share calendars with each other as well as operate on a much more secure system.

By taking over all of the City of Cassville's technology needs, the City will be paying a reduced price of \$2,100 per month for MDC's complete service. The City was already paying MDC \$1,285 per month just for computer maintenance, a fee that will be eliminated under the new enterprise agreement.

The City will not make the switch to internet based telephones until their current contract ends at the end of 2013. They will have to make a one-time purchase for updated telephone equipment at an estimated \$5,820.

Mercy Hospital Cassville's new helipad ready for landing

Rachael Freeman

The new helicopter landing pad at Mercy Hospital Cassville is complete after nearly four months of construction.

The helipad is easier for hospital personnel to access as opposed to the previous

helipad that was located across the street at the top of the hill across from the back of hospital. That helipad was installed 25 years ago.

Hospital president Doug Stroemel stated, “We believe this is a good investment for the community. It represents

our continued focus in patient safety which is our utmost concern.”

A ribbon cutting will be held Thursday, June 13, at 3:00 p.m. to celebrate the helipad's completion.

Barry County's food insecurity rate shows slight decrease

Rachael Freeman

Feeding America, the nation's largest network of food banks, recently released the results from a 2011 nationwide study that rates food insecurity all the way down to the state and county levels.

Missouri has one of the highest food insecurity rates in the United States at 17.1 percent, which is above the national average of 16.4 percent.

Food insecurity refers to the USDA's measure of lack

of access, at times, to enough food for an active, healthy life for all household members and limited or uncertain availability to nutritionally adequate foods.

Food insecure households are not necessarily food insecure all of the time. Food insecurity may reflect a household's need to make trade-offs between important basic needs, such as housing or medical bills, and purchasing nutritionally adequate foods.

The study showed that

nearly 1,029,030 Missourians qualified as food insecure.

The food insecurity rate for Barry County was listed at 14.1 percent, 5,030 people. Of those 5,030 people, 2,190 of them are children.

Barry County's overall food insecurity rate is lower than both Lawrence and McDonald counties and lower than Barry County's 2010 rate of 15.3 percent.

The study also showed that the average cost of a meal in Barry County is \$2.55 per person, below the national average cost of \$2.67.

According to Feeding American, 57 percent of Barry County's food insecure population qualify for free school meals, 27 percent qualify for reduced price school meals and WIC, and 17 percent rely on a charitable response.

The study showed that overall, many food insecure individuals do not qualify for federal nutrition programs and must rely on charitable food assistance, suggesting that different strategies are necessary to reach food insecure individuals at different income levels.

Washburn man killed in car accident on Monday

Rachael Freeman

John Rose, 76, of Washburn, died Monday, June 10th, at 5:28 p.m. after injuries sustained in an automobile accident at 2:20 p.m. that afternoon according to the Missouri Highway Patrol reports.

Rose's wife, Betty Rose, 74, was driving their 2008 Dodge Caravan when she fell asleep and drove off the right side of the road and struck a fence and a ditch according to Patrol.

John Rose was taken by

ambulance to Mercy Hospital in Cassville and then airlifted to Freeman West in Joplin. Betty Rose was taken by ambulance to Mercy Hospital in Cassville after sustaining serious injuries in the accident.

The accident occurred on Highway 76 one mile north of Ridgely. According to the report, the couple was wearing their seat belts.

This is Missouri Highway Patrol Troop D's 44th fatality for 2013.

J&M Pallet joins Cassville Chamber

J&M Pallet Company, LLC, owned and operated by Jeff and Michelle Bolton, is the newest member of the Cassville Area Chamber of Commerce.

J&M Pallet Company offers over 15 years experience in manufacturing new and repaired custom pallets to customers primarily in a 100 mile radius of Cassville. A heat chamber is available on site for overseas shipping. J&M Pallet also offers roll-off services.

The Christian based company has eight full time employees and is located off of Highway 248 in Cassville. Turn left on Farm Road 1145 off of Highway 248 and take a left on Farm Road 2150 at the stop sign, business located on the left hand side.

"We put God first in our work and give Him all the glory for the success of our company," stated Bolton.

For more information on J&M Pallet Company, visit www.jandmpallet.com or call 417-847-1307.

Burglars targeting poultry farms

Kathee Baird

A rash of burglaries near Exeter and Wheaton are prompting some farmers to resort to measures they haven't used in the past to protect their property.

Poultry farmer Kelly Lee went to check on the progress of the renovation of six chicken houses on her property near Exeter recently and found that someone had stolen an ATV and flat bed trailer worth about \$10,000 from her farm.

"We're just being hit with a lot of burglaries right now," said Sheriff Mick Epperly. Epperly says thieves are targeting copper wiring and farm equipment.

Lee has installed a new wire gate and padlocks to protect her investment and wants to alert others about the spate of burglaries.

Epperly says if you notice any suspicious activity to call 911.

"Gas prices are high but dope's high too and people have to support their habit."

Klemp-Brattin released from liability in wrongful death suit in McCullough case

Kathee Baird

One of the defendants in the wrongful death lawsuit brought forth by the daughters of Gary McCullough has been released from liability if she testifies truthfully in the case that is scheduled to get underway next month in Stone County, where it was moved on a change of venue.

In a motion to compel hearing last week, Judge Carr Woods made the ruling releasing Jennifer Klemp-Brattin from the lawsuit.

Brattin was married to Kris Klemp at the time McCullough went missing 13 years ago.

Klemp had been having an affair with McCullough's wife, Sandra, at the time of McCullough's disappearance. Within days of her husband vanishing, Sandy McCullough moved Klemp into her home. In April of 2000, Sandy McCullough was granted a divorce from Gary McCullough after he failed to show up in court for the divorce proceeding. A month later she married Kristopher Klemp.

In 2006, McCullough's daughters filed the wrongful death lawsuit against Sandy McCullough-Klemp, Kristopher Klemp, Jennifer

Klemp-Brattin and Sandy's daughter, Liehnia "Lena" Chapin, who was reported missing in 2008.

Chapin, who allegedly helped her mother clean up the crime scene after the alleged murder of Gary McCullough, actually went missing in 2006, but her mother, who had been caring for her son for over two years, did not report her disappearance to authorities.

The case is scheduled to be heard July 15 - 19th.

Great gift ideas for Dad

Father's Day is right around the corner and that means many children, spouses and other family members will be scrambling to locate the perfect gifts for the men in their lives.

Put away those coupons for neckties and remote control caddies. There's a good chance Dad wants something a little less cliché and more in tune with his interests. If you think carefully about gift ideas, there's bound to be something that will be a perfect fit.

If Dad follows a particular team or sport, gifts inspired by his love of a favorite team are a surefire bet for success. Team jerseys, game memorabilia, tickets to the next at-home game, or an expanded satellite dish or cable TV sports programming package are some gift ideas that will coordinate with a sports theme.

Personalized gifts can show that special man in your life that you care about him in a special way. Think about giving Dad a personalized plaque that designates his work area in the garage or a pocket lighter or photo frame engraved with a special message or his name.

Some dads get revved up about automotive gifts, especially if they spend the

weekends pampering their prized cars or trucks. If he tends to have a wrench in hand and head under the hood, treat your father to some new supplies for his automotive pursuits. Quality car waxes and upholstery cleaners are always in demand.

Some dads get excited about the latest tablets or smartphones. They may keep abreast of virus-detection software or think the technological gadgets sold in those speciality magazines and mall stores are must-haves. Chances are if you spend enough time with Dad you know just what he likes to dabble in, and you can get him an electronic device he'll find invaluable.

Although it may seem difficult on the surface to find a gift for Dad that he truly will enjoy and use, all it takes is a close examination of his likes to find something appropriate

Kornerstone, Inc. gets new location

Kornerstone, Inc., formally located behind Bridge-way Plaza, has moved its office to Shell Knob School. Their phone number remains (417)-858-2887, fax number (417)-858-8867, and address is PO Box 39 Shell Knob, MO, 65747.

Kornerstone expressed their appreciation to the Shell Knob School for making this office space available to them.

“We look forward to serving our community and Barry County through our Teen Mom Program, Abstinence Education Program offered to area schools, and GED classes.”

Kornerstone’s Teen Mom program, which serves all of Barry County provides many avenues of support for pregnant teens. These include transportation to doctor appointments, pre-natal education and child development, assistance connecting teen with resources as needed, free baby supplies (such as diapers, crib, clothing), doula support for labor and delivery, etc.

Kornerstone is partnering with Missouri State University to provide Abstinence Education to area schools. In 2012-2013, 7th, 8th, and 9th grade students in Monett, Cassville, and Southwest

schools attended the two week abstinence program, Choosing the Best. We plan for this program to be offered in these schools again and hope other area school will participate also.

In partnership with Crowder, GED classes will be located at the Kornerstone office. There are some significant changes being made with the GED program, so anyone considering getting their GED should call Crowder College for more information.

For more information or questions please stop by or call (417)-858-2887.

Cassville PD May Police Report

In the month of May 2013, there were a total of 36 traffic stops with a total of 12 stops leading to the issuance of summonses. Arvest Bank sees 11 percent increase in agriculture loans over previous year

Arvest Bank is one of the leading bank lenders to U.S. agriculture, according to the American Bankers Association’s (ABA) list of the top 100 farm lenders. The bank ranked 27th nationally with approximately \$462 million in agricultural loans at the end of last year according to the American Banker’s Association annual list of 100 largest farm lenders. This compares with \$415 million in total farm loans outstanding for Arvest in 2011.

“We are happy to partner with so many agriculturally-based businesses and customers in our communities. Arvest has operations in Missouri, Arkansas, Oklahoma and Kansas, so we certainly have a number of customers who make their living in the agricultural industry. Many Arvest associates also have backgrounds in agriculture, so it’s only natural that we would focus on providing farmers with loans such as SBA and FSA. We want to make sure we have the expertise that agribusiness people require to be profitable,” said Mark Davis, Arvest Bank Community President.

Traditionally, people may only think of Farm Credit or the USDA Farm Service Agency (FSA) when it comes to farm lending, but banks, like Arvest, play a large role as well. The 2012 ABA Farm Bank Performance Report stated that the U.S. banking industry is the nation’s most important supplier of credit to the agriculture industry, providing more than 50 percent (\$141 billion) of all farm loans.

Agricultural lending is an area in which Arvest continues to experience significant growth. Since 2006, total farm loans at Arvest (farm production loans plus

farmland loans) have more than doubled. The bank showed \$227 million in farm loans in 2006, and approximately \$462 million in 2012. Since 2006, total farm loans made by all banks have increased 67 percent from \$49.1 billion in 2006 to \$81.8 billion in 2012.1 6 percent of Arvest’s total loan portfolio is farm lending.

Arvest provides financing solutions and support for many specialized areas of agriculture including dairy, greenhouse/nurseries, livestock, grain, field crops and their related industries such as food processing, packing and shipping, yet unlike Farm Credit and FSA, the bank can offer complete banking services to its agri-lending clients. From a livestock loan program for 4-H and FFA members, to real estate loans and checking accounts, Arvest can provide

customers with total banking services, all with convenient locations and hours.

Arvest Bank operates more than 260 bank branches in Arkansas, Oklahoma, Missouri and Kansas through a network of 16 locally managed banks, each with its own board of directors and management team. These banks serve customers in 90 communities with 12-hour weekday banking at most locations. Arvest also provides a wide range of banking services including loans, deposits, treasury management, asset and wealth management, life insurance, credit cards, mortgage loans and mortgage servicing. Arvest operates a mortgage company, asset management company, insurance division and mortgage servicing company. Arvest is an equal housing lender and member FDIC.

RONALD S. SAPP

Ronald S. Sapp, age 65, of Turtle Creek, Pennsylvania, formerly of Eagle Rock, Missouri, passed away May 19, 2013, in his home. He was born December 12, 1947, in Pennsylvania, the son of Robert and Margaret (Miller) Sapp. In November 1972, he was united in marriage to Marie Catherine Elliott, who survives. Also surviving are three sons, Roger Carder and his wife, Joyce, Ronald Sapp, Jr. and James Sapp and his wife, Joey, all of Pennsylvania; three daughters, Marie Miller and her husband, Mike, of Eagle Rock, Missouri, and Rachel Sapp and Leeann Sapp, both of Pennsylvania; one sister, Roberta Sadatella of Pennsylvania; sixteen grandchildren, including Michael, Matthew and Marc Miller, all of Eagle Rock; and two great grandchildren, Marissa and Zayden Miller of Eagle Rock. Preceding him in death

were his parents and one brother, Bruce Sapp. Ronald grew up and received his education in Pittsburg, Pennsylvania, where he graduated from high school. He served two tours of duty in the United States Army during the Vietnam War, from May 1967 until February 1969 and then from September 1969 until June 1972. In August 2005, he and Marie moved to Eagle Rock, Missouri. For seven years, Ronald was employed with FASCO. In May 2012, they moved back to Pennsylvania to make their home. His favorite pastime was fishing. Services were held in Pittsburg, Pennsylvania, and burial was held May 23, 2013, in the Veteran's Cemetery in Bridgeville, Pennsylvania.

LOREVA MAY HOLMAN SHARP

Loreva May Holman Sharp, graduate from the Cassville High School Class of 58, passed away peacefully

Obituaries

in her home Monday, June 3rd of 2013, at 72 years of age. She is survived by her life partner, Patrick Simec; her son, Randall Holman and his wife, Karen Holman; and her two grandchildren, Zachary Holman and Mercedes Windsheimer and her husband, Shane Windsheimer. Ms. Holman is preceded in death by her parents, Gordon and Esther Sharp, and her beloved kitty, Spot. Better known to some as Lori, she had spent the last 26 years owning the store Beads Beads in Orange, CA. She spent her time traveling the world and visiting with family and friends. She was loved by many and will be greatly missed. Donations can be made in her honor to the American Cancer Society. A memorial service in her honor was held at Loma Vista Memorial Park, Fullerton, Calif., in the mortuary on Wednesday, June 12, 2013, at 10:00 a.m.

HAZEL "LENORA" (WADE) SANDERS

Hazel "Lenora" (Wade) Sanders, age 72, of Cassville, Missouri, passed away Wednesday, June 5, 2013, in her home. She was born August 27, 1940, in Platte County, Missouri, the daughter of Albert L. and Mary Elizabeth (Robertson) Wade. She married Robert St. John and to this union two children were born, Rhonda Sue and Bruce Calvert. On May 25, 1966, in Miami, Oklahoma, she was united in marriage to

Edward "Ed" Sanders, who survives. Also surviving are one daughter, Rhonda (St. John) Hamborsky and her husband, Doug, of Grosse Pointe, Michigan; one son, Vance Sanders and his wife, Lian Zhang, of Centennial, Colorado; one sister, Jo Ann Hillyer of Eagle Rock, Missouri; one brother, Walter Wade and his wife, Bennea, of Lincoln, Missouri; five grandchildren, Lucas Sanders, Nicole and Sean Hamborsky, Tara Stevens and Trista Stevens and her husband Jared and three great grandchildren, Colter, Josie and Lyla. Preceding her in death were her parents; one son, Bruce St. John and daughter-in-law, Lori St. John.

"Lenora", the name she chose to be known by, grew up in Platte County, Missouri, and attended Platte City schools. In high school, she acted in the school plays, took available art classes and produced some beautiful drawings.

In July of 1966, the four member family relocated to Cassville and in March of 1967, there was another child, Vance Jeffery. Lenora and Ed left Cassville, moving to Noel in 1976. She began taking a course in quilting at Crowder College, volunteered and drove the school bus for the special needs children. She took an H&R Block Tax Preparation class, joining Ed full time in his tax business, returning to Cassville in 1986.

After losing her son, Bruce, and his wife, Lori, she began her Grief Support ministry. Her poems and other inspirational writings were printed in the Newsletters of the local chapter of The Compassionate Friends, a National Association of grief ministries. In 2001, she was attending Chapel of Grace in Monett and opened a new Grief Support Group, known as "Loving Hands" and held a Holiday Candlelight Service

each year in December. Lenora spent several years constructing and delivering "care baskets" to those who had lost a beloved son or daughter. Each contained personal message, mementos and a special passenger – a bear. Her writings were part of the special ministry God provided through her. In May 2012, when she was diagnosed with cancer, she retired from the tax business. During her treatments and illness, she was able to spend time with many friends and family. The family would like to thank so many people for so much. First and foremost, thank you for all the prayers for Lenora. So many warriors and they never gave up or gave in. Thank you. Others ministered in other ways. Lenora received dozens of cards and notes, all of which she kept in a basket. These really helped her through. Thank you to all the neighbors and friends who called or came by and to the many that brought food by the house in the last weeks. Memorial services will be held at 2:00 P.M. Saturday, July 27, 2013, at Community Faith Chapel, Cassville, Missouri, under direction of Fohn Funeral Home, Cassville. Karty Burbridge will conduct the services. Burial will be in Union Cemetery at Stella. Contributions may be made to the Library Fund for any of the following churches: OK Assembly of God, Community Faith Chapel or Chapel of Grace. Visit fohnfuneralhome.com for online obituaries, guestbook and private condolences.

BETTY LOUISE SEELY
Betty Louise Seely, age 80, of Cassville, Missouri, passed away Monday, June 10, 2013, in her home.

She was born January 4, 1933, in Barry County, Missouri, the daughter of John C. and Gladys (Beck) Baker. On September 16, 1955, she was united in marriage to John Seely, who survives. Also surviving are one son, Dan Seely and his wife, Jennifer, of Tulsa, Oklahoma, and three grandchildren, John, Olivia and Andrew Seely.

Preceding her in death were her parents and one son, John Charles Seely, Jr.

Betty grew up and received her education in Cassville, where she graduated from high school. She received her Bachelor's Degree in Music from Missouri University in Columbia. For thirty-three years, Betty and John owned and operated Baker-Seely Grocery Store, retiring in 1991. She was an active member of Cassville First Baptist Church and enjoyed teaching Sunday School and singing in the choir. Betty also enjoyed playing golf at the Cassville Golf Club with family and friends.

Funeral services will be held at 10:00 A.M. Thursday, June 13, 2013, in Cassville First Baptist Church, under direction of Fohn Funeral Home, Cassville. Pastor James Weaver will conduct the services. Burial will be in Oak Hill Cemetery, Cassville.

The family will receive friends from 9:00 A.M. until service time Thursday in Cassville First Baptist Church.

Visit fohnfuneralhome.com for online obituaries, guestbook and private condolences.

BOBBY HUGH DOSS
Bobby Hugh Doss, a resident of Eagle Rock, Missouri, was born June 15, 1944, in Marietta Georgia, the son of Walter and Ethel (Quarels) Doss. He departed this life May 20, 2013 in Springfield at the age of 68.

Bobby was a very kind and honest man who treated others with respect and love. He enjoyed spending as much time as he could with his family. He was a self employed roofer for over fifty years.

He was united in marriage to Jackie Dunn and to that union they had two sons; Steve and Chris Doss of Kennesaw, Ga. He was later united in marriage to Patsy Sue Muir and to that union they had one daughter, Nicki Doss of Eagle Rock. Other survivors include three sisters, Linda Harkins, Joyce Tackett, and Patsy Doss, all of Georgia; four grandchildren, Jolie Reann Richardson,

Obituaries

Cody Lee Booth, Christopher James Doss, and Destiny Nichole Doss; several nieces and nephews and a host of other family and friends.

He was preceded in death by his parents, Walter and Ethel Doss and one brother, Eddie Doss.

A Gathering of Remembrance with family and friends was held Saturday, May 25, 2013 at the Office Pub & Steakhouse in Eagle Rock. Cremation arrangements were made with Nelson Funeral Service. Memorial donations may be sent to the Eagle Rock Fire Department, PO Box 154, Eagle Rock, MO 65641. Online condolences may be sent to the family at nelsonfuneral.com.

LOUIE KENT COPE
Louie Kent Cope, 65, went home to be with his Lord on June 7, 2013, surrounded by his family. Kent was born on January 7, 1948 in Cassville, to his parents Claude Roscoe "Bud" Cope and Mabel (Sanders) Cope, who formerly owned the store now operated by Ball and Prier in Golden, who preceded him in death. He was a faithful loving husband to Darcia (Rhea) Cope for 44 years. They have two daughters, Anissa (Bryan) Ingram of Nashville, Tenn., and Jenny Cope of Springfield. Papa to Austyn Cope and Colin Williams. Brother to Max (Carolyn) Cope of St. Louis. Uncle to many nieces and nephews.

Kent lived in Springfield, graduated from Central High School, and was a member of

Second Baptist Church where he served in the bus ministry. He enjoyed being a friend and handyman to family and so many others.

Services were held on Monday, June 10, 2013, at Greenlawn Funeral Home East in Springfield.

CHRISTINE EDNA BROWN
Christine Edna Brown, Purdy, daughter of Glen V. and Dorothea J. (Johnson) Miller, was born on November 8, 1945, in Long Beach, Calif., and departed this life on June 3, 2013, in Cox South Hospital, Springfield, at the age of 67.

Christine was a retired motor builder at FASCO who had lived in Purdy for the last nineteen years, coming from Monett. She was of the Christian faith.

Christine was preceded in death by her parents; husband, Alfred C. Brown; and one sister, Marian Millican.

Survivors include: three sons, Gregory Lewis and wife, Susan, of Hoyt, Kan., Bryan Lewis and wife, Cari, of Siloam Springs, Ark., and Steven Lewis and wife, Rhonda, of Springdale, Ark.; one daughter, Cynthia Byers

FOR IT IS WRITTEN

MARK 9:23 -- Jesus said unto him, If thou canst believe, all things are possible to him that believeth.

HEBREWS 13:8 -- Jesus Christ the same yesterday, and to day, and for ever.

TITUS 1:16 -- They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate.

JOB 42:2 -- I know that thou canst do everything, and that no thought can be withholden from thee.

MALACHI 4:2 -- but unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall.

White River Watershed National Blueway raises concerns

Rachael Freeman

The 700-plus-mile White River and its watershed, which includes two national forests and flows through Arkansas and Missouri, was named the second National Blueway river system in the U.S. in January.

This has raised concern with many property owners in Barry County stating as land owners, they were never consulted.

Bill Gracy, of Cassville, gave a presentation last Thursday over the issue.

The White River Watershed affects 21 counties in Missouri including Barry and Stone counties.

According the United States Forest Service. The National Blueways System

is part of the America's Great Outdoors initiative to establish a community-driven conservation and recreation agenda for the 21st century.

A National Blueways System will help coordinate federal, state, and local partners to promote best practices, share information and resources, and encourage active and collaborative stewardship of rivers and their watersheds across the country.

Some Barry Countians believe this is an infringement upon their rights as property owners and want the phrase "community-driven" to be defined since they were never consulted about their land.

Some say that this

National Blueway could take away landowners ability to make a living off the land.

A resolution will be presented to the Barry County Commissioners on Thursday at 9:00 a.m.

Commissioners will be asked to adopt the resolution stating that Barry County expresses opposition to the Blueway stating citizens did not receive proper notification or invitation and did not seek approval of any kind from local landowners.

The resolution also states that Barry County residents will continue to present conservation practices as is mandated by law with historic and balanced provisions of the Missouri Constitution but will not recognize, cooperate, participate or partner with the Blueway design of any type due to violation of federal law.

Fasco/Regal present scholarships

Fasco/Regal Beloit recently awarded two local graduates financial scholarships for their continued education.

Purdy High School Graduate: Jacey Staponski (below right), daughter of Rick and Cindy Staponski. Cassville High School Graduate: Chantel Martin (above right), daughter of Jerry and Angie Varner & Eddie and Roma Martin.

This scholarship opportunity is available to graduating seniors whose parent/s is an associate of Regal Beloit America, parent company of FASCO Industries.

Associates must submit an application for their child to be considered. Students are selected based on their demonstration of outstanding performance in the classroom, participation in extracurricular activities and involvement in the community.

Macedonia Baptist Church honors Sunday School teachers for a combined 300 years of service

Macedonia Free Will Baptist Church recognized our impressive Sunday School Teachers on Sunday, June 2, 2013, during the morning worship service. Our current group of faithful dedicated teachers have taught a combined total of nearly 300 years.

Maggie Helen Wormington was surprised with a floral bouquet for teaching over 60 years. Maggie Helen has taught the Junior Class, her favorite age group of 4th thru 6th graders for 43 continuous years. Maggie Helen begin her career teaching Sunday School at Easyville Fundamental Methodist Church when she was 16 years old. Among her first students were her current fellow Macedonia FWB Church members Pastor Lee Neill, Katherine Wormington, and Bonnie Williams. She continued teaching while her husband was serving in the Air Force in Japan, while holding her first son. Maggie Helen concentrated on having her 4 children for a few years and then resumed teaching at Macedonia FWB Church in 1966 when her youngest son started Nursery Class. She moved through the classes as her son did

until stopping in the Junior Class. Maggie Helen is still teaching the Junior Class at the young age of 81.

Johnny Williams was recognized for teaching over 50 years, also beginning his teaching career at Easyville Fundamental Methodist Church. Johnny also taught at Purdy First Free Will Baptist Church before joining Macedonia Church and teaching an Adult Class.

Pastor Lee Neill began teaching at Macedonia FWB Church in 1969 with a new group called the Young Married Class. Lee has continued for 44 years to teach this class, who still consider themselves as "Young Married" as they begin to reach retirement age. 3 more "Young Adult Classes" have since been formed.

Deacon Kenneth Dodson has taught the now Senior Adult Class at Macedonia FWB Church for 40 + years. Kenneth is a favorite teacher of several age groups of students as they meet in the sanctuary of the church for their Sunday School Class. A bonus of arriving

early for the 11:00 am worship service is listening to Kenneth teach.

Roberta Brittenham also began teaching as her youngest daughter started out in the Nursery Class. Roberta has taught in the Nursery Class for 28 years, watching all her "church children" grow up, learn about the Lord and begin to serve him.

Rita Hightower, a retired Cassville School teacher, has taught the High Teen Class at Macedonia FWB Church for 23 years. Some of Rita's students are now teachers in the Church and at least 3 are Preachers. Rita also teaches an English class for Spanish speaking adults on Monday and Wednesday nights at the Church.

Cindy Burnside, a teacher at Purdy Elementary School, has taught in the Nursery Class for 21 years. Cindy (Henderson) Burnside's family has been in the

Macedonia FWB Church for 6 generations.

Other current teachers at Macedonia FWB Church are: Michael Brittenham in the Young Adult Class for 13 years, Ashley Anderson in the Primary Class for 7 years, Jessica Hudson in the Teen Class for 5 years, and Leslea Clifton in the Beginner Class for 3 years. The teaching staff is being joined this year by new teacher Chad Wormington. Chad is

starting up a new Class of High School graduates and College age young people.

If you are in the Purdy area on Sunday mornings, you are invited to stop by and join us for Sunday School at 10:00 am and the 11:00 am Worship Services. Macedonia FWB Church is located at the intersection of Farm Roads 2060 and 1100.

For more information, contact Pastor Lee Neill at

417-442-3840.

Pictured above, front row, left to right, are: Chad Wormington, Michael Brittenham, Leslie Clifton, Maggie Helen Wormington, Jessica Hudson, Lee Neill, Kenneth Dodson, Johnny Williams.

Back row: Roberta Brittenham, Cindy Burnside, Ashley Anderson and Rita Hightower.

Results from Cassville PD Click It or Ticket SUV has run-in with several vehicles in Monett

The Cassville Police Department participated in the national Click it or Ticket mobilization conducted May 20th-June 2nd, 2013. During the enforcement effort, CPD Officers issued a total of 16 traffic tickets including: 0 seat belt tickets, 1 speeding ticket, 2 driving while intoxicated arrests, and 13 other traffic tickets. 1 felony arrest was made for possession of a controlled substance as a result of the crackdown.

“Seat belts are your single best defense in a crash,” stated Chief of Police Dana Kammerlohr. “Law enforcement will continue to encourage drivers to make a simple, smart choice to Buckle Up and Arrive Alive.”

Seven out of ten people killed in Missouri traffic crashes are unbuckled. Missouri’s seat belt use has remained relatively unchanged

in the last six years. Missouri has 79% seat belt use, which is well below the national average of 85%. Teens and pick-up truck drivers are among those least likely to buckle up at 66% and 63%.

Buckle up and Arrive Alive. For more information on Missouri’s seat belt use, visit www.saveMOLives.com.

Several vehicles were damaged in downtown Monett on Monday when a Ford Expedition lost it’s entire wheel assembly and struck the above vehicle causing it hit the store front at Mitzi’s. Firefighters, police and ambulance personnel responded to the incident.

Plans underway for Purdy Festival

The Purdy community is gearing up for their 2nd Annual Purdy Festival! Mark your calendars now for Saturday, July 20th, 2013.

The Purdy Festival committee has put together a schedule full of fun activities for everyone in the community and surrounding area.

For the kids, the festival will have free carnival rides, water activities, petting zoo and many different types of booths set up by the local school clubs and churches.

For those older kids and adults, the festival will have a Bathtub Race and Classic/Antique Car Show.

The air conditioned north gym will be open for a

farmer’s market and arts and crafts booths.

For the sports enthusiast, we will have a 5k run, slow-pitch softball tournament and a sand volleyball tournament.

To honor our Veterans, there will be a Veteran Reception.

For your entertainment,

there will be bands playing throughout the day to listen to while you enjoy the chicken BBQ dinner cooked by the Purdy Fire Department or food from many vendors. Those attending can even help judge the BBQ cook-off contest.

For the livestock enthusiast, the annual Purdy Livestock Show will also be held for the first time in the air conditioning of the south gym.

The day will be capped off with a concert in the park.

Participation in this event is open and anyone wishing to compete or exhibit is encouraged to contact the committee by email at purdyfestival@yahoo.com or call Laura Hensley at 417-442-3216 ext. 277.

Phone and Internet Discounts Available to CenturyLink Customers

The Missouri Public Service Commission designated CenturyLink as an Eligible Telecommunications Carrier within its service area for universal service purposes. CenturyLink’s basic local service rates for residential voice lines are \$8.96-\$19.00 per month and business services are \$17.92-\$24.20 per month. Specific rates will be provided upon request.

CenturyLink participates in a government benefit program (Lifeline) to make residential telephone service more affordable to eligible low-income individuals and families. Eligible customers are those that meet eligibility standards as defined by the FCC and state commissions. Residents who live on federally recognized Tribal Lands may qualify for additional Tribal benefits if they participate in certain additional federal eligibility programs. The Lifeline discount is available for only one telephone per household, which can be either a wireline or wireless telephone. A household is defined for the purposes of the Lifeline program as any individual or group of individuals who live together at the same address and share income and expenses. Lifeline service is not transferable, and only eligible consumers may enroll in the program. Consumers who willfully make false statements in order to obtain Lifeline telephone service can be punished by fine or imprisonment and can be barred from the program.

Lifeline eligible subscribers may also qualify for reliable home high-speed Internet service up to 1.5Mbps for \$9.95* per month for the first 12 months of service. Further details are available at centurylink.com/internetbasics.

If you live in a CenturyLink service area, please call 1-888-833-9522 or visit centurylink.com/lifeline with questions or to request an application for the Lifeline program.

*CenturyLink Internet Basics Program – Residential customers only who qualify based on meeting income level or program participation eligibility requirements, and requires remaining eligible for the entire offer period. First bill will include charges for the first full month of service billed in advance, prorated charges for service from the date of installation to bill date, and one-time charges and fees described above. Qualifying customers may keep this program for a maximum of 60 months after service activation provided customer still qualifies during that time. Listed High-Speed Internet rate of \$9.95/mo. applies for first 12 months of service (after which the rate reverts to \$14.95/mo. for the next 48 months of service), and requires a 12-month term agreement. Customer must either lease a modem/router from CenturyLink for an additional monthly charge or independently purchase a modem/router, and a one-time High-Speed Internet activation fee applies. A one-time professional installation charge (if selected by customer) and a one-time shipping and handling fee applies to customer’s modem/router. **General** – Services not available everywhere. CenturyLink may change or cancel services or substitute similar services at its sole discretion without notice. Offer, plans, and stated rates are subject to change and may vary by service area. Deposit may be required. Additional restrictions apply. **Terms and Conditions** – All products and services listed are governed by tariffs, terms of service, or terms and conditions posted at centurylink.com. **Taxes, Fees, and Surcharges** – Applicable taxes, fees, and surcharges include a carrier Universal Service charge, carrier cost recovery surcharges, state and local fees that vary by area and certain in-state surcharges. Cost recovery fees are not taxes or government-required charges for use. Taxes, fees, and surcharges apply based on standard monthly, not promotional, rates.

NOTICE TO BIDDERS:

SEALED PROPOSALS will be received by the Shell Knob School District at the Shell Knob School, 24400 State Highway 39, Shell Knob, Mo., until **11:00 a.m., Wednesday, June 26, 2013** for furnishing all labor, equipment and material relative to the Shell Knob Bus Driver's Lounge Renovation. The Scope of work will include Demo, Framing, Drywall, Acoustical Ceilings, EFIS, Cabinetry, Interior Doors, Plumbing and Electrical.

A mandatory Pre-Bid and Walk-through meeting is scheduled for **11:00 a.m. Wednesday, June 19, 2013**, at the Job Site.

Bids that are mailed shall be received 24 hours before the bid date & time. Mailed bids that are late will not be considered and will not be the responsibility of Shell Knob School District or Nabholz Construction.

Bids will be publicly opened and read aloud at the above mentioned location following closing time state Above. Upon receipt of an acceptable bid, the contract will be awarded within five (5) days after the opening of bids and the written contract executed within five (5) days thereafter. Constructing to begin immediately.

The drawings may be obtained at Nabholz Construction, 2223 W. Sunset, Springfield, MO or picked up at the Pre-Bed meeting.

Payment and Performance Bonds are required on all bids equal to or greater than \$20,000. All successful bidders will be required to present evidence of Liability, Automobile and Workers Compensation insurance.

Bid Security in the form of a cashier's check, certified check, or surety bond in the amount of five percent (5%) of the bid shall accompany the sealed proposal of each bidder whose proposal exceeds \$20,000. Checks or Surety Bonds will be returned to unsuccessful bidders. The district reserves the right to waive any informality, or to reject any or all bids.

CWGA

"Fields and Greens" was the name of the game that the Cassville Women's League played on Thursday, June 6, 2013. Each person played their own ball. After each hole, the score was calculated by combining the lowest field score (strokes to get onto green), and the lowest number of putts for the team score. Before play, the ladies held their monthly meeting. After play, Cheryl Ludwig led a pre-planning session to discuss the CWGA Ladies Invitational that will be on August 22, 2013.

Team Winners: 1st Place: Lynne Blanke, Cheryl Ludwig. 2nd Place: Janie Watson, Pam Graham, Mary Ann Blankenship, Kay Hauptert. 3rd Place: Penny Lewis, Karry Lewis, Pam Gipple, Annie Field. Chip Ins: Mary Lee Meyerkord Hole #16 and Hole #17. Low Putts: Sandy Flieschmann with a 29.

Cassville Men's Tuesday Golf League

The morning wasn't too hot or cold, nice golf weather. Thirty nine golfers started play at 9:00 a.m. Taking first place was Alan Staats with a net 60. Allen's becoming a regular, nice round Allen; second place was shared by Charles Chappell and Jacques Fleischmann with a net 61; third place went to Ed Sanders, Art Nolan, Dave Martinkewiz with a net 62 and fourth place went to Paul Ramonette, Larry Lewis, Ron Walker with a net 63. The closest to the pins #6 and #8

Cassville Middle School Basketball Camp

Front row: Lauren Turner, Rhiannan Johnson, Avery Brown, Yesenia Aguinaga, Hailey Matthew, Amber Large, Callie Beagle. Back row: Ashlynn Howe, Brianna Hemphill, Josie Lone, Hallie Long, Audra Brooks, Hayley Nape, Kaylee Reibert.

The camp was conducted by Coach Chris Kell and Assistant Coach Treslyn Pollreis. The campers worked on fundamentals and basic defensive and offensive skills and concepts. Shirts were provided by Freedom Bank.

USDA offers loans to socially disadvantaged

Barry County USDA Farm Service Agency (FSA) Farm Loan Manager Russell D. Neill reminds producers that FSA offers specially-targeted farm ownership and farm operating loans to Socially Disadvantaged (SDA) applicants. "FSA targets a portion of its loan funds each year to socially disadvantaged farmers and ranchers," said Neill. "Farming and ranching is a capital intensive business and FSA is committed to helping producers start and maintain their agricultural operations.

"In fiscal year 2012, Missouri FSA obligated \$12.8 million in direct and guaranteed loans to socially disadvantaged producers. USDA defines socially disadvantaged applicants as a group whose members have been subjected to racial, ethnic, or gender prejudice because of their identity as members of the group without regard to their individual qualities.

For farm loan program purposes, SDA groups are women, African Americans, American Indians and Alaskan Natives, Hispanics and Asians and Pacific Islanders. SDA producers who cannot obtain commercial credit from a bank can apply for either FSA direct loans or guaranteed loans.

Direct loans are made to applicants by FSA. Guaranteed loans are made by lending institutions who arrange for FSA to guarantee the loan. FSA can guarantee up to 95 percent of the loss of principal and interest on a loan.

The FSA guarantee

allows lenders to make agricultural credit available to producers who do not meet the lender's normal underwriting criteria. The direct and guaranteed loan program offers two types of loans: farm ownership loans and farm operating loans.

Farm ownership loan funds may be used to purchase or enlarge a farm or ranch, purchase easements or rights of way needed in the farm's operation, build or improve buildings such as a dwelling or barn, promote soil and water conservation and development and pay closing costs. Farm operating loan funds may be used to purchase livestock, poultry, farm equipment, fertilizer, and other materials necessary to operate a successful farm.

Operating loan funds can also be used for family living expenses, refinancing debts under certain conditions, paying salaries for hired farm laborers, installing or improving water systems for home, livestock, or irrigation use and other similar improvements. Repayment terms for direct operating loans depend on the collateral securing the loan and usually run from one to seven years.

Financing for direct farm ownership loans cannot exceed 40 years. Interest rates for direct loans are set periodically according to the Government's cost of borrowing. Guaranteed loan terms and interest rates are set by the lender.

For more information on FSA's farm loan programs, please contact your farm loan Service Center at 417-847-2111.

Barry County designated agricultural natural disaster due to damages from frost

The Secretary of Agriculture designated Arkansas counties as primary agricultural natural disaster areas making certain farmers and other agricultural producers in the counties eligible for low-interest emergency loans from USDA’s Farm Service Agency (FSA), provided eligibility requirements are met.

Two Missouri counties were designated as contiguous natural disaster areas due to damages and losses caused by frost and freezing temperatures which occurred April 18, 2013, thru April 22, 2013.

Producers in contiguous counties may also be eligible for programs based on this designation. The contiguous counties are: Barry and McDonald

All counties listed above were designated natural disaster areas on

June 5, 2013, making all qualified farm operators in the designated areas eligible for low interest emergency (EM) loans from USDA’s Farm Service Agency (FSA), provided eligibility requirements are met.

Farmers in eligible counties have eight months from the date of the declaration to apply for loans to help cover part of their actual losses.

FSA will consider each loan application on its own merits, taking into account the extent of losses, security available and repayment ability.

Loans for physical losses must be used to replace or repair damage to buildings, fences or to compensate the farmer for losses of basic livestock, stored crops, or supplies on hand, equipment, etc., that was lost due to the disaster.

Loans for production losses may also be used to buy feed, seed, fertilizer, livestock or to make payments on real estate or chattel debts.

Generally, loans for production losses cannot be approved until crops have completed their production cycle or have been harvested. In order to qualify, a farmer must have suffered a 30% loss in production or an actual physical loss that was essential to the successful operation of the farm.

Interested farmers may contact the Barry County FSA office at (417) 847-2111 for further information on eligibility requirements and application procedures for these and other programs or visit www.fsa.usda.gov.

NOTICE

IF YOU or a loved one used the Type-2 Diabetes drugs Byetta or Januvia between 2005 and the present, and have been diagnosed with or died due to pancreatic cancer, you may be entitled to compensation. Call Attorney Charles H. Johnson 1-800-535-5727.

How to write a classified ad that gets results

Example: COCKER SPANIEL, 1) Female 1 yr. old. 2) Blonde. 3) Good with children. 4) \$100 or best offer. 5) 000-0000 after 6:00.

1) Identify what you're selling. Abbreviations may be clear to you, but not a prospective buyer.

2) Describe the item with enough basic information to get the reader interested. Feature appealing details.

3) Don't exaggerate the item's condition or features. Make your pitch attractive, but believable. People shun claims that sound too good to be true.

4) Include price. Advertising the price draws greater response because people are interested in what they can afford. If price is negotiable, say so.

5) Be home when your ad is running or specify the hours you can be reached. People may not call back if they can't reach you at first. Don't risk missing a sale - be there when the phone rings.

To place your ad -

➔Come by our office at

904 West Street, Cassville

Monday thru Friday - 8 a.m. to 5 p.m.

➔Mail your ad (a form can be found on the classified page of this week's paper) with payment to

P.O. Box 488

Cassville, MO 65625

➔Fax: **(417)847-4523**

CHS Class of 60th Wedding Anniversary 1993 reunion

The Cassville High School Class of 1993 will hold their 20 year class reunion on June 29th at the Cassville Golf Course clubhouse. Activities will start at 5:00 p.m. with a group pot at 6:00 p.m. and a barbecue dinner at 6:30 p.m. The cost of dinner is \$15 per person and those who will be attending and staying for dinner are asked to RSVP to Jeff Duncan at jduncan@parkwaysschools.net by June 22nd or go to the Facebook page at Cassville Twenty Year Reunion for more information. All classmates are encouraged to attend.

The family of Vernon and Virginia McCracken are pleased to announce their 60th wedding anniversary. They were married June 7, 1953, in Pocohontas, Arkansas. They lived in St. Louis for nine years while Vernon was enlisted in the Army and then returned to southwest Missouri and settled in at Wheaton.

They are the loving parents of four children: Deb Miller of Cassville; Mike of Cassville; Marc of Cassville; and Brenda Kennedy of Wheaton; along with nine grandchildren and 10 great-grandchildren.

Why should you care about electrical safety?

because they depend on *you* to know

Electrical safety is a serious issue. Most don't fully appreciate the value until an accident or close call happens to them or someone they love.

Power yourself with knowledge and teach those who depend on you how to stay safe. Contact your electric cooperative to learn more.

Barry Technology Services LLC
Barry Electric Cooperative
