Cassville man admits to murdering his girlfriend in 2011

Kathee Baird

A man from Cassville has pleaded guilty to his involvement in the 2011 death of his girlfriend.

Jimmy Joe Nelson, 40, was originally charged with second-degree murder and armed criminal action for the August 2011 death of his girlfriend, 43 year-old Vicki Leigh Clark.

In a negotiated plea agreement, Nelson plead

guilty to involuntary manslaughter and armed criminal action on Monday, June 24.

Prosecutor Johnnie Cox says Nelson, who is clinically blind, slit the throat of his lover during a domestic disturbance and then called her employer to say she had committed suicide.

According to the probable cause statement, Nelson called Clark's boss and told them Clark killed herself

about 2 a.m. - Clark's boss then notified authorities when the woman did not show up for work 11:00 a.m.

Neighbors told investigators that the couple fought on a regular basis and Nelson would lock his girlfriend out of the apartment....sometimes when it was freezing outside.

Investigators say Clark had "defensive cut wounds" on her hands and arm and

"two distinctive slice wounds to the neck." A folding lock blade knife was found lying on Clark's neck when she was found by authorities.

Dr. Keith Norton, with Southwest Missouri Forensics, says Clark, who bled to death, had bruising on her face and skull from a beating prior to death.

"It was a fair result. It will mean that Mr. Nelson will be incarcerated for

a lengthy time and off the streets of Cassville and Barry County. A lot of factors went into the decision for the plea agreement, including the fact that he is legally blind."

Nelson was sentenced to 15 years for involuntary manslaughter and 3 years for armed criminal action. Those sentences will be served concurrently.

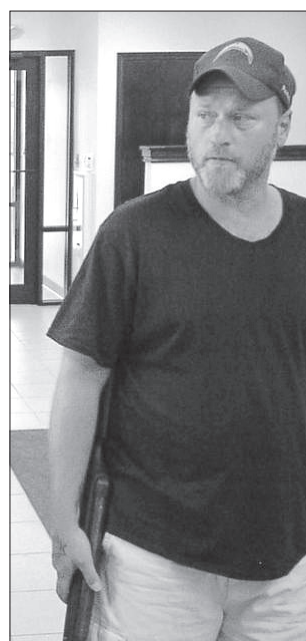

Feds seeking help in search for Monett man

Kathee Baird

Federal authorities are asking for help from the public in locating a Monett man who is facing bank robbery charges.

Law enforcers say Joseph K. Meierotto, 49, initially went into Great Southern Bank at 507 E. Kearney in Springfield about 5 p.m. on June 14th to conduct bank business. He returned a short time later with a gun and demanded cash from a teller. Meierotto reportedly used a stolen vehicle out of Barry County in the robbery. That vehicle has since been recovered.

Authorities say Meierotto should be considered

armed and dangerous and are asking anyone with information on his whereabouts to call the FBI at 417-882-3303.

Sheriff's deputies receive Life Saving Award

Pictured above, left to right, are: Deputy Dave Ruark, Sheriff Mick Epperly, and Sgt. Robert Evenson.

Rachael Freeman

On Monday, Barry County Sheriff Mick Epperly presented Deputy Dave

Ruark and Sgt. Robert Evenson with the Life Saving award for outstanding police performance in the saving of a human life, and the display of conspicuous initiative, capability and attention to duty, thereby earning respect and admiration for himself and the department.

The two were dispatched to a scene on Thursday, June 20th, after 911 received a call from a woman saying she needed help. The deputies thought they were going to come upon a domestic dispute but when they arrived, a man was on the floor, turning blue and unresponsive as a 10-year-old boy was trying to give him CPR.

"Our training kicked right in without any hesitation," stated Deputy Ruark.

The deputies did CPR until an ambulance arrived at the scene. The two were able

to revive the man and get a pulse on him.

"The man was basically deceased when the deputies arrived at the scene. I am very proud of them."

"Our officers do a lot more than just writing tickets and making arrests," stated Sheriff Epperly.

"These officers do a lot of positive things for this county."

The man, who had been waiting for a pacemaker to be put in, was taken to the hospital. Unfortunately, Sheriff Epperly stated he had just received word on Monday that man had passed away.

"We send our condolences to the family. If we were able to give the family a couple of extra days with their loved one, then it was all worth it," said Sgt. Evenson.

The Cassville Rotary Club hosted the annual Cassville Rodeo at Bill Hailey Arena last Friday and Saturday. The Cassville rodeo is in it's 71st year and has become a time honored tradition for many Barry County residents.

Local students attend Electric Youth Tour in Washington D.C.

Eighty-seven high school juniors participated in Missouri's 50th annual Missouri Electric Youth Tour to Washington, D.C., June 14-20. Local delegates were (from left): Tyler Greenlee, Exeter, and Tristen Cain, Seligman. They were sponsored by Barry Electric Cooperative, Cassville.

The seven-day tour provides an action-filled week for high school students, offering them opportunities to learn firsthand what it is like to be involved in politics, community service and today's pressing issues.

Highlights included the young people visiting with representatives from their congressional districts and touring famous monuments, the Smithsonian Institution's museums and Arlington National Cemetery. The group also took a sightseeing and dance cruise on the Potomac River one evening with delegates from other states.

Other events of the week

included participation in the Electric Youth Day, during which a special program coordinated by the National Rural Electric Cooperative Association brought together more than 1,600 Youth Tour delegates from across the United States. The delegates enjoyed featured speeches by government leaders and motivational speakers, such as Mike Schlappi, an inspiring four-time Paralympic medalist and two-time world wheelchair basketball champion.

Since 1964, the nation's cooperative electric utilities have sponsored more than 50,000 high school juniors and seniors for visits to their U.S. congressional delegations, energy and grassroots government education sessions and sightseeing in Washington. For more information about the AMEC Youth Tour program, please go to www.amec.org/content/youth-programs.

Mercy Hospital co-worker of the month

Frank Smith, Maintenance Tech, was recently named Mercy Hospital Co-Worker of the Month for June. Frank has worked in the Maintenance and Security Departments at the hospital for almost 3 years. He resides in Cassville with his wife, Rebecca. They have 4 daughters, 16 grandchildren and 1 great-granddaughter. He enjoys his family, his church, outreach ministry, fishing and old cars. Frank decided to come to work at Mercy because he wanted to

work where his efforts would make a difference helping others. He enjoys the sense of family that is shared at Mercy, the teamwork and the reason co-workers are all here—they are blessed with the opportunity to do what God created us for. "It is rare that one is able to serve the Lord in the very job that sustains us," said Frank.

Pictured are Doug Stroemel, Mercy Hospital Cassville President, and Smith.

Barry County native publishes humours novel

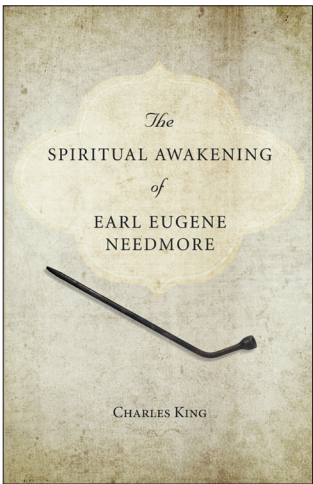

Charles King, a third generation native of Barry County, recently authored the book, “The Spiritual Awakening of Earl Eugene Needmore.”

The humorous novel is a tale of good old redneck boy from the Ozarks, Earl Eugene Needmore.

His problems begin when, inebriated, he agrees, for five hundred dollars, to kill someone he has never seen. The attempted assassination is a total disaster and Earl winds up in the hospital, a victim of his own ineptness.

Needmore is convinced God spoke to him in the hospital after he is mistakenly given a huge dose of morphine. Determined to please his maker and mend his sinful ways, he is absolutely certain the Lord wants him to go to Yellowstone National Park to seek out and destroy evil personified. He’s just not sure what evil is. With his nephew, Bayless, and a trio of hillbilly musicians, he begins his odyssey in an old, converted school bus.

Fate throws Reverend

J.J. Bradshaw, a corrupt television evangelist from Branson, and his entire entourage into the mix. Along the way, they interact with several interesting and colorful characters. Though temptation is strong and he has his problems, in the end, right prevails and Earl and his compatriots do indeed destroy an evil empire.

Order The Spiritual Awakening from King, who now resides in Springfield, by emailing him at cking-help@att.net or contact (417)-883-7020.

King’s book was printed by Litho Printers & Bindery in Cassville.

Applequist Award recognizes Passion and Pride of Shell Knob Senior Center

Paula Andersen

The Central Crossing Senior Center received the first Jim Applequist Award of Excellence on Friday, June 14, at a luncheon held at the center. This award comes from the Southwest Missouri Agency on Aging to honor those centers that have demonstrated excellence in these areas: community involvement, excellence in education or empowerment programs for seniors, friendliness and cooperation of staff, and excellence in meals program management. Of the 40 or so senior centers in southwest Missouri, the Central Crossing Senior Center ranked number one the first year of this prestigious award. Glenn Phillips, CFO of Shell Knob Seniors Inc., opened the program attended by over 130 individuals. He spoke about the history that he had with James Applequist in starting the Central Crossing Senior Center in early 1999. He described him as a doer, who took us by the hand

and guided us through all the steps to the achievement we have today. Without his guidance and goodwill, we would not be standing here today.” June Huff, Director of Community Services, spoke about the love Jim had for his family and his dedication to his work at SWMOA. She welcomed the Applequist family; Jim’s widow, Darlene, daughters, Stephanie Richter, Gail Whiting, and Katrina Applequist and thanked them for attending this first year of the Applequist Award. Star Kohler, Community Operations Officer, shared how Jim cared so much about the communities that he worked with in developing services for seniors. She said, “Jim, in his 29 years of experience, excelled in caring about people, helping them plan, in helping create centers for seniors, providing them leadership, and making them leaders in their varied programs. Shell Knob was one of those centers that Jim thought was outstanding. He shared with me

that Central Crossing staff members stood out for their feelings of caring for people first. Their ability to seek out the needs, seek information, plan, and create answers was exceptional.”

The list of programs, planning and completion of projects is long. Recently receiving the Silver Spoon Award, the varied computer educational programs available for seniors, the Medicare program, Tax Services, Meals for seniors, SWMOA’s own OJ Thompson, his special management skills, and his barbecue

cooking events make Central Crossing Senior Service program outstanding within the Southwest Missouri area. In addition, the center has a fitness room, a quilting room, a reading library, and is available for rental for a nominal fee evenings and weekends.

At the end of the program, there was a standing ovation for the staff members, SWMOA staff, and the Applequist family. As Jim’s favorite treat was ice cream, attendees were served homemade ice cream and cake afterwards.

CHARLENE MAY VANDERPOOL

Charlene May Vanderpool, age 79, of Washburn, Missouri, died Tuesday, June 18, 2013, due to injuries from a car accident.

She was born in Washburn, Missouri, May 24, 1934, the daughter of Charley H. and Myrtle B. (Taylor) Stinecipher. On July 30, 1949, in Exeter, Missouri, she was united in marriage to Farrell C. Vanderpool, who survives. Also surviving are one son, Richard Vanderpool and his wife, Staria, of Fulton, Missouri; two daughters, Beth Ann Vanderpool of Washburn, Missouri, and Mary Jane Walls and her husband, Chris, of Kansas City, Missouri; one brother, Carl Stinecipher and his wife, Betty, of Georgia; and one sister, Sue Wilson and her husband, Butch, of Washburn, Missouri.

Preceding her in death were her parents; one infant son, David; one sister, Pauline McClure; and two brothers, Glen Stinecipher and Henry Stinecipher.

Charlene grew up in Washburn and received her education at Southwest Schools. For nineteen

years, she was a health assistant for Mercy Home Health. Charlene was an active member of Cassville First Baptist Church where she was devoted to the children in the nursery. One of her great joys was when children would recognize her and eagerly run to her with outstretched arms at church and even places like Walmart. She always stood up for those less fortunate, having given aid and support to many needy people, animals and worthy causes over the years. Charlene was a certified Red Cross volunteer, and as a member of the Southern Baptist Disaster Relief Ministry, she worked many hours with the rescue and clean-up effort after the Joplin Tornado. She was an avid animal lover, having rescued and cared for dozens of dogs, cats and other animals over the years. As a gardener, Charlene produced bumper crops of glorious flowers, and she attributed her success as a wonderful cook to the delicious homegrown vegetables she grew each year. She was a strong advocate for higher education and helped put several friends and relatives through college after her own children had received their degrees. She embraced technology eagerly and enjoyed surfing the internet for news, recipes and to communicate with friends. It was on the Web that she loved viewing photos of her many “adopted grandchildren” from around the world. Countless babies were

warmed by her handiwork -- the beautiful blankets she patiently and lovingly crocheted. Charlene was a tireless, passionate and devoted Christian, wife, mother, homemaker, farmer, volunteer and friend, and she will be missed greatly by many.

A Celebration of Life

When we depart our earthly home for God's resting place, it is not how long or brief our stay, but how we lived our lives that counts. Though we may mourn the passing of a loved one, we should also take comfort in the memory of the many kindnesses he or she has performed.

We conduct every funeral service as to be a source of comfort and inspiration to the living as well as a worthy and memorable tribute to the departed.

New business joins Shell Knob Chamber

Paula Andersen

Jacks Maps, LLC is a new business in Shell Knob. Jack Healey, sole proprietor, and his office manager, Renee Arthur, joined the Shell Knob Chamber of Commerce last week. Their business ribbon cutting took place during the board meeting in Saw Tooth Mill on Wednesday.

Jack Healey has 15 years experience in the sales of custom designed maps. Renee Arthur has worked

for herself as the owner of a paint and decorating center in Cassville for five years and has always helped her husband, Jim, in his business as a CPA.

Jacks Maps, LLC will be the producer of this year’s Shell Knob Chamber map that will be provided free to visitors at the office. It will also be available to those businesses that purchase an ad in the map. Each business that has placed an ad

will have it’s location noted on the finished map. Jack promises that this year’s map will provide much more detail and be easier to read. The first printing will be 10,000 maps.

If you are interested in learning more about this business, please contact Jack Healey or Renee Arthur at 1-417-321-2306 or email jhmaps67@gmail.com or babyyorks@gmail.com

E-911 Board Meeting recently held

Samantha Barberio

The 69th E-911 board meeting was held on Monday, June 24th, at 6:30 p.m.

The financial report given by Jon Horner showed the finances were on track. The 2013-2014 budget was also discussed by Mike Phillips. There were no major changes. However, there was a price increase on training this year: 2013-2014’s total was \$15,000 from 2012-2013’s \$7,777.57. This was explained to be the cause of an increase of staff members, and with the extra finances, the E-911 center is able to send employees to more conferences.

An upgrade was also budgeted in for the dispatch Computer Aided Dispatch (CAD) in an amount not to exceed \$24,000. The current system is five years old and is used for recording all incidents and records, so it is important to keep up to date.

The savings account for the E-911 Center has approximately \$460,000 and is currently earmarked for contingency on the outcome of the Monett litigation lawsuit. Once the outcome has become final, the center will earmark this fund for future costs and capital improvement plans.

The total expense for the 2013-2014 year was \$1,214,715.73, and the revenue over expense was \$13,884.27. This does include the Wells Fargo Loan Payment and is a decrease of 3.65% from the 2012-2013 budget, keeping in mind that the E-911 Center has not been collecting the 3/8 tax rate the whole year, only ten months. The tax rate for fiscal year 2013-2014 was also voted upon in the meeting all agreeing on the 3/8 rate.

House Bill 653 enables legislation allowing counties to put a question on the ballot for

voters asking how to fund 9-1-1. It would also place a tax on prepaid wireless devices that would go towards making a grant fund available to those areas needing assistance providing E-911 services.

The E-911 Center also received a high score for quality control over all EMD calls for the quarter. The score was 95% or higher The Barry County E-911 Center is looking at purchasing a new security system. Reasoning for this is because the current security system no

longer has any United States vendors.

The Butterfield city limits addressing is hoped to be completed by the end of the summer. Aurora Rural Fire Department is making improvements on their radio coverage. The fire department hopes to receive calls directly from the caller instead of having to go through a middle man.

The time was set for the next meeting on September 23rd, at 6:30 p.m.

Kings River Ladies Golf League

It was Wild, Wild West day at old Kings River Golf Course. There were cowboys roaming around dealing cards, providing faux horses for pictures, offering drinks from the tee box bars, and lots of Cow Girls enjoying themselves. There were also not-so-well-hidden gold balls available for panning. Yes, it was the Ladies League Guest Day. We had ladies from several courses around the area visiting us and playing a 4-Lady Scramble. Much fun was had by everyone, good eats for breakfast, western food for lunch and lots of prizes. Some prizes were fools' gold (awarded for panning the most gold balls) but fun none-the-less. Many were real gold (or at least the equivalent) and some were of the liquid wine variety. Each hole had an activity along with the normal hitting of drives, chipping of balls to the greens and putting balls into the holes. Those normal golf things allowed all the ladies to utilize their golf skills to help their team get the best score. The extracurricular activities were designed to provide additional fun and included picking cards with hopes of getting a good poker hand, dressing up as cowgirls and riding hay horses in preparation for a team picture, driving golf balls at targets, looking for gold balls, and drinking a shot now and then. Prizes were awarded for the actual team golf scores but also for coming closest to the targets with a drive, aiming for a hole in one, and having the best poker hand. Teams were made up of women from each club so that there were new friends made and a lot of laughs. All in all, it was a great day enhanced by Mother Nature's warm sun and coolish breezes.

ARNOLD-WILLIAMS-MITCHELL family Reunion held

The 19th family reunion of descendants of Kate and James “Pap” Arnold and siblings was held 11:00 am – 4:00 pm, Saturday, June 22, 2013 at the Barry County Museum in Cassville. There were 46 registered guests. They included Diana and James West, Duenweg; LeAnn Standlee and Lauren and Fred Peterson, Joplin; Marjorie and Leslie McQueen and Mary and Gary Davis, Cassville; Cheryl and Nick Gabriel, Shane Miller, and Shane Goetz, Reeds Spring; Bill Arnold and Chrissy Dyer, Kaiser; Sally and Erin Ryan and Lyla and Kory Perrodin, Kansas City; Joshua, Pia, Kaiden, and Neiko Mosby, Holts Summit; Jerry and Mary Arnold and Theron, Vanessa, and Gracie Adams, Liberty; Robert Arnold, Climax Springs; Bud and Evelyn Arnold, Reeds ; Herb and Sue Arnold, Roanoke, Virginia; Jim, Michele,

Emily, and Destiny Arnold, Bay Minette, Alabama; Sharon Mosby, Houston, Texas; Susan and Grady Mosby, Phoenix, Arizona; Shannon, Kimberly, Olivia, Jackson, and Greyson Mosby, Russellville, Arkansas; and Kelly O'Brien, Huntington, Vermont.

Visiting and viewing of old photos and taking new photos were enjoyed. Bill Arnold, President, gave the blessing preceding a potluck lunch.

Bill Arnold opened a business meeting at 2:00 pm. Bob Arnold, Treasurer, gave a report of \$122.98 after detailed expenses. A collection of \$195 was accepted leaving a new balance of \$317.98. Treasurer's report was accepted and approved.

Minutes from the 2011 reunion was read by DianaWest, secretary, and approved.

Discussion was held about

having a reunion in 2015, either on June 13 or 27. June 13 was available at the museum, so it was scheduled.

Cheryl Gabriel requested permission of the group to have the Sons of Confederate Veterans clean and decorate the grave of James Burton Arnold who was killed by bushwhackers on his way home from the Civil War. He is buried in a cemetery in Seligman. The group approved her request.

Bill Arnold entertained the group by telling about the Exeter Train Robbery, a tale that had been handed down from his father, Frank Arnold. He told how after the

bank robbery the two robbers wrecked their Model T vehicle and had to go by foot through the Arnold property where they supposedly hid the loot. However, no money was ever found.

Nine-year-old Olivia Mosby performed a song for the group.

Since it was Jerry Arnold's birthday, 'Happy Birthday' wishes were sung to him by all.

No election of offices was held since Bill Arnold agreed to continue as President, Bob Arnold as Treasurer, and Diana West as Secretary.

You might be tempted to keep plugging in devices and appliances until all the outlets in that power strip are full. But you should know that a power strip or adapter does NOT increase the capacity of the wires in the wall or the circuit. An overloaded circuit can become a fire hazard.

Be aware of how much electricity is being drawn by the combination of appliances connected to a power strip or adapter, and limit the number of items connected to avoid overloading the circuit.

Shell Knob School's Box Tops Champions

The school year has ended and for the second year in a row, Ms. Crain's third grade class earned the title of Box Top Collection Champions. Students in her classroom were responsible for \$309 of the \$1522 total amount received from General Mills, the sponsor of the program. Ms. Crain's class finished \$32 ahead of Ms. Mullis and Mr. Schuman's sixth grade homerooms which collected \$277.

Claiming third place was Mr. Holt's fourth grade which collected \$218.

Shell Knob Schools experienced their best year ever fundraising through product redemption programs. The combined

total from Box Tops, Best Choice, and Labels for education earned SKS over \$1700 in the 2012-2013 school year. A substantial increase from five years ago when only \$6 was raised.

Please continue to support these fundraisers over the summer by clipping Box Tops, Best Choice UPCs, and Labels for Education off of items you purchase. These valuable proofs of purchase may be dropped off at the school, the service desk at Country Fresh Market, Keller-Williams Tri-Lakes Realty, Holy Family Church, or Central Community United Methodist Church.
