McDonald County detectives solve decades old case Pg. 7

Cassville Beta Club robotics team seeking sponsors for National Beta Convention

By Adriana Keeton, editor@4bca.com

The Cassville Junior High Beta Club robotics team competed at the Missouri State Beta Club Convention February 28-29 in Branson, where they placed fourth, qualifying the team for National BETA competition at the Savannah International Convention Center, in Savannah, Georgia, June 9-12, 2024.

National Beta Convention is an annual competition held each summer where individuals and teams who have qualified during their State Conventions and Leadership Summits join to compete for a national title.

Members of the Cassville Junior High Beta Club Robotics team are

William Ray, Colton Brooks, Cooper Phillips, Kobhe Ware, Diesel Beranek and Waylon Austin.

The team is currently seeking donations to assist with travel expenses to the National Beta competition. The team has also stated they will work for donations as well. Anyone interested in donating to the team should contact Jill Ware at 417-847-2091.

National Beta has impacted schools and communities nationwide encouraging students to Lead, Serve, and Achieve. For more information regarding National Beta Convention, visit <https://www.beta-club.org/national-convention/>.

Asbill chosen as Cassville City Administrator

From City of Cassville

Dr. Richard Asbill

The Mayor and Board of Aldermen have selected Dr. Richard Asbill as the next City Administrator for the City of Cassville, replacing Steve Walensky, who has retired. Dr. Asbill will step into the role July 1, 2024, following his retirement as school superintendent for the Bolivar School District.

The Mayor and Aldermen met Thursday, March 21, and chose Asbill from the applications received. Council spent the last several meetings reviewing the resumes and qualifications of the applicants and discussing the future needs of the City of Cassville and came to the decision that Dr. Asbill's

qualifications and background made him the best choice for the City Administrator position. We are pleased to have Dr. Asbill accept the position and look forward to working with him as we continue to improve our City and serve the citizens of Cassville.

Dr. Asbill, his wife, Kari, and son, Sawyer, are certainly not strangers to Cassville, and will be returning home. "I am thankful for the opportunity to return to Cassville and work with a great team of people serving the City of Cassville," Asbill said. "I understand the responsibilities of service and working for taxpayers to ensure

our resources are used effectively and we meet the needs of our patrons, businesses, and visitors. My family is honored to return home and get to work for the friends and neighbors of Cassville."

Richard has served in the education field for over 29 years, with 23 years in an administrative position. Asbill's experience in fiscal responsibility and planning, budgeting with respect for allocating taxpayer resources, and his desire to see the community grow and succeed will serve the City well in making Cassville the place to live, work and play.

Cassville Pantry receives Urgent Need Grant from Ozarks Food Harvest

From Cassville Food Pantry

Shown above are Cassville Pantry helpers Teri Lehman, Margaret Johnston, and Pete Landstad with director, Janet Mills, launching the use of new freezer units supplied by OFH grant. Photo: Cassville Pantry

Cassville Pantry recently received an Urgent Need Grant thanks to Ozarks Food Harvest's \$1 million investment in agency infrastructure in southwest Missouri.

The grant funding has allowed us to purchase two large capacity chest freezers, which will help sustain our food distributions and feed families in Barry County.

"For families with children, individuals, and seniors facing hunger in times of financial worry and uncertainty, the grant is a significant blessing which mobilizes our ability to offer hope and

Purdy High School students attend 2024 FCCLA State Leadership Conference

From Purdy FCCLA Chapter Advisor Amy Harkey

Students from Purdy High School attended the 2024 Missouri Family, Career and Community Leaders of America (FCCLA) State Leadership Conference, March 17-19, 2024, at Margaritaville Lake Resort and Conference Center in Osage Beach. Almost 1,600 delegates from across the state represented more than 8,600 members of Missouri FCCLA.

The following Purdy FCCLA members attended the conference: Jeffrey Drake, son of Austin Drake and Robyn Drake; Deisy Gonzalez, daughter of Gabriela Ibarra and Jose Gonzalez; Jaraldie Rodriguez, daughter of Victor and Mirelya Rodriguez; Marlene Ochoa, daughter of Juan Manuel Garcia Salas and Graciela Cordero; Savannah Bricker, daughter of Wesley and Edna Bricker; Pablo Alvarez,

son of Pablo Alvarez and Maria Hernandez; JJ Aguilar son of Silvestre Aguilar and Rocio Guadalupe Aguilar; Makenna Willis, daughter of Ryan and Melissa Willis; Loyda Juarez, daughter of Edgar Juarez and Blanca Solis; Naydlin Elias, daughter of Sindy Gomez and Jose Elias; and Violet Wolf, daughter of Virginia Wolfe. Local chapter adviser Amy Harkey also attended, as well as Kaylynn Harris as a chaperone.

The conference centered on the student-developed theme "Missouri FCCLA: Out of this World" representing how Missouri FCCLA members are launching their leadership to new levels. The conference kicked off with the Opening General Session on Sunday evening where the 2023-2024 Missouri FCCLA State Execu-

Purdy High School FCCLA students attended the FCCLA State Leadership Conference March 17-19, at Osage Beach. Submitted Photo

tive Council presided. The keynote speaker was Dr. Laymon Hicks. On Monday, almost 800 students participated in more than 30 competitive STAR Events – Students Taking Action with Recognition. Events include Entrepreneurship, Culinary Arts, Job Interviews, Chapter Service Projects, Event Management, Early Childhood Education, Sports Nutrition, and many others. JJ Aguilar competed in Career Research bringing home a silver medal. Violet Wolf competed

in Toward New Horizons, bringing home a silver medal. Students also were able to attend workshops on leadership development, community service, career preparation, and healthy living. Exhibits from Missouri colleges, universities, and vendors were also present at the conference. Student voting delegates elected the 2024-2025 Missouri FCCLA State Executive Council and raised money for our state outreach project benefiting LOVEtheLOU.

FCCLA is unique among student organizations because projects and events--such as the State Leadership Conference--are planned and run by its student members. This prime focus of Missouri FCCLA, youth-centered leadership, helps members develop those "skills for life"—planning, goal setting, problem solving, decision-making, and interpersonal communication—necessary in the work place and in the home.

Water is running 62 CFS right now. This is great water to fish. It is clear and running well.

Still great dry fly fishing this week. Caddis, BWOs, and midges, starting to see more tricos in the morning, and with the warmer weather we are already doing well on beetles and ants.

Pheasant tail nymphs worked very well all week. Green cracklebacks did extremely well all week. Black wooly buggers and wooly worms were very effective all week also.

Pink san juan worms, and cheese yellow san jaun worms were good all last week.

Orange glo-balls were good, as were the apricot glo-balls.

Dry flies I am using 9' 7X leaders, and for nymphs I am using 9' 6X leaders.

Mega worms, mop flies, and blob flies also did well this week.

Plastic baits were great this week. The yellow Powerbait grubs were working all week, and the pink is still pretty good; the brown

works sometimes.

White eggs were very good this week, as were the natural fish oil fish eggs.

White worms, cheese worms, and mint green worms were good all week.

Spinners were good early in the morning; the black, skunk, pink, and the brown spinners were good choices this week.

2-lb line will work better than 4-lb right now. The fish are spooked by heavier line, you can get away with 4-lb for the first 30 minutes or so, just like the spinners (30-minute wonders), then you'll be better off switching to 2-lb line. Try to avoid white, blue, yellow or red lines, as these will spook the trout, and good moss green or clear line like p-line or gamma, or seagur is great also, but the Gamma mono or the Maxima ultra green line work best here when the water is this clear. Good luck this week.

Haven of the Ozarks: Pet of the Week

Please come meet this good boy who just needs a loving home with a fenced in yard! This senior guy has been at the shelter for over 288 days and deserves a home. Rupert's estimated DOB is 01/25/2010 and he's a brown and white Pit Bull Terrier/Shepherd mix. His favorite things in the world involve window gazing and playing tug of war with his person. Rupert was recently in a wonderful foster home and they discovered that he definitely picks his person! Even though it might take him some time to warm up to his person, when he falls in love with you all he wants to do is be by your side, be loved by you, and do everything you say. The person who found him had cats who he got along with, initially he would run after them but it turned out that all he wanted to do was give them kisses!

He also adores children!! He has never met a child who he doesn't like and is the most gentle, sweet loving boy when they are around.

Rupert has wonderful manners in the home, he is house-trained but it is probably best if he had a secure outdoor area to stay in when you're not home because he is the proverbial 'bull in a china shop' when he gets excited.

All of our pets are fixed, up to date on their vaccinations, and microchipped. The Haven of the Ozarks is open from 9am-4pm, seven days a week. For more information, please email us at havenozarksanctuary@gmail.com, or give us a call at 417-835-3647.

Arvest Bank Announces Cassville Branch Remodel Completion

From Arvest Bank

Arvest Bank has announced the bank's Cassville branch remodel project has been completed. The updates include new technology that extends banking hours and a community meeting room.

Located at 503 Main St., the Cassville branch now offers additional ATM with Live Teller machines accessible at the bank's drive-thru. With extended hours of operation outside of traditional lobby hours, this new technology allows customers the ability to speak with an Arvest associate via video chat to complete a wide range of transactions, including check cashing, deposits and withdrawals.

The branch also features a community room that will be available for local non-profit organizations to use for meetings and events.

"We are thrilled to be able to provide this new technology and space for our community to use," said Sarah Dalton, Arvest Community Bank President. "At Arvest Bank, we believe that our facilities and associates should be resources for the community, and we are committed to being a partner in the continued growth and success of Cassville."

ATM with Live Teller operators are available Monday-Friday from 7 a.m.-8 p.m. and Saturday from 8 a.m.-5 p.m. The traditional ATM function of the machine is available 24/7.

Barry County Health Department February Food Service Report

From Barry County Health Department

The Health Department divides food service code violations into two categories: Priority and Core items.

Priority items are more likely than other violations to contribute to food contamination, or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or injury.

A report for each establishment inspected shows the number of priority items, along with a short statement as to the nature of the violations. The report also shows the number of core items, but does not list the nature of those violations.

- *Corrected on spot

KEGAN JOHN ROBINSON

Kegan John Robinson, age 21, of Cassville, passed away Wednesday, March 20, 2024, at his home.

He was born September 14, 2002, in Monett, the son of Anthony and Calista (Skelton) Robinson.

Surviving are his father, Anthony "Tony" Robinson, of Cassville; his mother, Calista Powers and her fiancé, Darin Getz, of Grove, Oklahoma; paternal grandmother, Patricia Dempsey and her husband, Hal, of Phoenix, Arizona; maternal grandmother, Sophia Bickford, of Cassville; two brothers, Mitchell Cooper, of St. Louis, and Colton Robinson and his fiancée, Rebecca, of Aurora; and two sisters, Marcilee Thompson and her husband, Tol, of Oklahoma, and Larissa Pitts Miller and her

husband, Robert, of Arkansas.

Preceding him in death were his stepmother, Christine Robinson; paternal great-grandfather and grandmother, Anthony and Mary Scamardo; maternal grandfather, John Skelton; and maternal step-grandfather, Joe Fisher.

Kegan grew up and attended school in Cassville. He was co-owner of Pops Pipes in Cassville for five years. Kegan enjoyed riding his motorcycles, swimming, and his car but most of all he loved his animals, especially his favorite dog, Duckie.

Services were held Tuesday, March 26, 2024, at Fohn Funeral Home in Cassville. Mike McGuire conducted the services. Burial was at Mineral Springs Cemetery in Cassville.

ANNALEE HUNTRESS

Annalee Huntress, 91, of Monett, passed away Monday, March

OBITUARIES

18, 2024. Arrangements are under the direction of Buchanan Funeral Home, Monett.

VERNON DALE UNDERWOOD

Vernon Dale Underwood, age 82, of Shell Knob, passed away Friday, March 22, 2024, at Mercy Hospital Cassville in Cassville.

He was born March 19, 1942, in Cypress, California, the son of John and Anna (Bron) Underwood. On November 18, 1960, in Anaheim, California, Vernon was united in marriage to the love of his life, Linda Wells, who survives. Also surviving are two daughters, Lori and Dana, and one sister, Beverly.

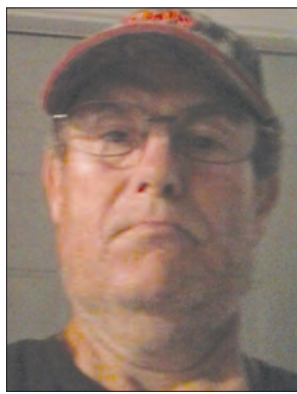

Preceding him in death were his parents and two brothers, George Underwood, and Raymond Underwood.

Vernon grew up and received his education in Anaheim, Califor-

nia. He worked as a meat cutter for Lucky's Markets in California for 40 years before retiring. Vernon had a love for all animals, with a special love for horses, riding and being around them. Vernon was a member of the Back Country Horsemen of America. He also enjoyed spending time on the lake, water skiing in California, fishing and camping with friends and family.

A private celebration of life to honor Vernon will be held at a later date. Cremation arrangements are under direction of Fohn Funeral Home in Cassville.

DAVID COTTON

David Cotton, age 58, of Seligman, passed away on March 24, 2024, at Mercy Hospital in Rogers, Arkan-

sas. David was born on November 14, 1965, in Springdale, Arkansas, to Johnny and Virginia (Turner) Cotton. He graduated from Pea Ridge High School in 1985. David loved the outdoors and went hunting and fishing as much as he could.

Survivors include his father, Johnny Cotton, and stepmother, Betty; two stepsons, Chad Robinson and his wife, Brittany, of Seligman, and Billy Robinson and his wife, Amanda, of Seligman; two brothers, John Cotton and his fiancé, Wendy, of Cassville, and Jimmy Cotton and his wife, Florine, of Cassville; two stepbrothers, Billy Gage, of Monett, and Dale Gage and his wife, Holly, of Michigan; one stepsister, Diana Roller and her husband, James, of Washburn; 12 grandchildren; many nieces and nephews and uncles and aunts.

He was preceded in death by his mother, Virginia Turner, and his grandparents.

A graveside service was held today, Wednesday, March 27, 2024, at Pratt Cemetery in Garfield, Arkansas, at 11:00 a.m.

Memorials may be made to the family or may be entrusted to White Funeral Home and Crematory, P.O. Box 890, Cassville, Missouri, 65625.

Arrangements are under the direction of White Funeral Home

and Crematory, Cassville.

McDonald County detectives solve decades old cold case

By Adriana Keeton, editor@4bca.com

McDonald County Sheriff's Office Detectives Lorie Howard and Rhonda Wise announced during a press conference last week that they have identified a suspect in the October 31, 1990, murder of Shauna Garber.

According to a press release from the McDonald County Sheriff's Office, on December 2, 1990, human remains were found outside of an abandoned farmhouse located on Oscar Talley Road, in McDonald County.

The McDonald County Sheriff's Office and the Missouri State Highway Patrol conducted the initial investigation and were unable to identify the remains, which would become known as "Grace Doe" as detectives who continued to work on the case were

told that it may be by the Grace of God that her identify would ever be found.

The Sheriff's Office received several leads between 1990 and 2020, but it wasn't until 2021 with advancements in DNA technology that the Sheriff's Office were able to ID "Grace Doe" as Shauna Garber through DNA extraction and a familial match. The investigation continued for three more years after Garber was identified.

"Through statements, sources, witnesses, pounding the ground and driving people absolutely insane for 30 years, we finally have the answers that we need," said Detective Lorie Howard during the press conference.

Howard stated that Talfey Reeves, who died in November 2021, was a long stand-

McDonald County Sheriff's Office detectives investigate the site where "Grace Doe" was found at an abandoned farmhouse in McDonald County in 1990. Photo: McDonald County Sheriff's Office.

ing suspect in the case.

"I can tell you that Talfey Reeves was a suspect in this case for years, I just couldn't get anyone to talk to me on the record, in an affidavit, I couldn't corroborate their story until years later and I had nobody who had the missing piece until he died," Howard add-

ed.

According to Howard, it is believed that Talfey Reeves picked up Shauna Garber from the Tanglewood/Ginger Blue area of Missouri State Highway 59. After restraining her, he transported her to an abandoned farmhouse where it is believed that he sexually

assaulted her and overdosed her with drugs.

Detectives stated that Reeves had several charges dating back to the 1980's which included drug trafficking

and assault.

According to press release, Shauna's case has been changed from an open murder case to cleared by exception.

CFO accepting applications for specialty grant programs

From Community Foundation of the Ozarks

The Community Foundation of the Ozarks is accepting applications for several specialty grants made possible by generous donors who chose to support specific areas of interest.

These programs, supported by field-of-interest endowments, are open now through May 15. The programs are open to 501(c)3 nonprofits or organizations with similar tax-exempt status, such as school districts, government entities and faith-based organizations:

Hearld Ambler Fund for Senior Centers Grant Program: \$13,000 is available to senior centers in the 18-county SeniorAge Area Agency on Aging service area.

Lennie Cloud Fund for the Hearing Impaired Grant Program: \$500 is available to a nonprofit within the CFO's service area

to assist individuals with impaired hearing through equipment, programming or training.

Wounded War Veterans Grant Program: \$3,000 is available to a project that serves the needs of wounded war veterans in southwest Missouri through equipment, programming or training.

For information and to begin the application process, visit cfozarks.org/applyforgrants.

Field-of-interest endowments are established by donors who wish to advance a cause that they are passionate about without designating the recipient. The funds can also bolster the CFO's larger grantmaking rounds when the scope of the program aligns with the donor's intent.

The Community Foundation of the Ozarks is the region's largest public charitable foundation serving donors, nonprofit part-

ners and 54 regional affiliate foundations with assets totaling \$427 million as of June 30, 2023.

Area Easter Events

March 30, 2024

The Monett Area Chamber of Commerce will host a community Easter egg hunt at the **Monett South Park Soccer Fields** on Saturday, March 30. Egg hunts for ages 0-3 will be at 10 a.m., ages 4-6 at 10:10 a.m., and ages 7-10 will be at 10:20 a.m. State Farm-Brad Hill Agency will be handing out hot dogs and there will be a variety of food trucks serving snacks and drinks.

Shadow Bluffs Retreat, in Cassville, will have it's second annual Easter Celebration on March 30 from 2-4 p.m. with an egg hunt with prizes for ages 12 and under, games and photos with the Easter Bunny. If you plan to attend, RSVP at shadowbluffsretreat@gmail.com.

March 31, 2024

SONKidz will have an Easter egg hunt on Sunday, March 31, from 10-10:45 a.m. at Cassville United Methodist Church.

"A man who was completely innocent, offered himself as a sacrifice for the good of others, including his enemies, and became the ransom of the world. It was a perfect act."
—Mahatma Gandhi

BARRY COUNTY POLLING LOCATION CHANGES

The Barry County Clerk would like to announce polling location changes:

1. Cassville Rural/Mineral voters will move to the Family Life Center located at 200 E. 5th Street, Cassville.
2. Golden voters will move across the street from the community building to the Golden Baptist Church.
3. Exeter voters will now vote at the Exeter Community Building located at 112 S. Front Street in Exeter.
4. Monett Rural/Capps Creek voters will vote at the Casino Building in the Monett City Park at 101 South Lincoln, Monett.

These changes will begin with the April 2, 2024, election.

If you vote at the Exeter location, there is not much on the April ballot, only those who vote for the following:

Wheaton Road District
Southwest R-5 School District
Butterfield Fire Protection District

36814 13c

VOTE APRIL 2nd

CAPITAL IMPROVEMENT TAX RENEWAL

The purpose of this ballot question is to **CONTINUE** the tax already in place.

SUCCESS STORIES

Waste Water Treatment Plant, Street Resurfacing, Park Improvements, New Police Equipment & more!

WinTech Job Opportunities
WinTech is an employee-owned business offering competitive pay, benefits, and the best retirement benefits you will find. WinTech manufactures windows and doors for a wide variety of niche markets.

As a result of WinTech's continued growth, we have full-time, 4-day work week, 10-hour workday, open positions in these areas:

- 1st and 2nd Shift Production - Cassville & Monett

WinTech also offers part-time positions at the same pay scale as full-time with a vacation schedule. Consider WinTech while you are in school or if a full-time position would not work for you right now.

If you are interested in a career as an employee-owner at a successful and growing company, and have a stable work history, you may pick up an application at our Monett location at 201 Industrial Drive or our Cassville location at 387 Sale Barn Road. Or you can complete an application online at www.wintechinc.com

Start on Your Way to Your New Career Today!

Klewer chosen as 24-25 AP and Behavior Interventionist for Eunice Thomas and Cassville Intermediate

From Cassville Schools

The Cassville R-IV Board of Education has selected Wildcat alumni and current district teacher and coach, Mr. Dylan Klewer, to serve as the Assistant Principal and Behavior Interventionist for Eunice Thomas Elementary and Cassville Intermediate beginning July 1. This news comes after the current assistant principal, Mr. Caleb Wheeler, was promoted to Cassville Intermediate Principal for the 2024-25 school year.

Klewer began his career in education in 2021 at Cassville High School (CHS) serving as a special education teacher. He is certified in cross-categorical Special Education K-12, high school biology and general science. His contributions to Cassville Schools extend beyond the classroom. He is also currently an assistant football and baseball coach.

"We are excited to promote Dylan, a hometown teacher whose deep involvement in the community, coupled with his remarkable success as a special education teacher, embodies our commitment to excellence," said Dr. Merlyn Johnson, Cassville R-IV Superintendent. "Dylan's passion for school improvement and unwavering willingness to learn make him an invaluable addition to the administrative team."

While Klewer is a 2016 graduate of Cassville High School, most recently he has earned his Master of Educational Leadership from Northwest Missouri State. In 2021, he completed

his Bachelor of Biological Science, Human and Molecular Biology from College of the Ozarks.

"I have been incredibly fortunate to have had the opportunity to reside and contribute to a community that consistently prioritizes the well-being of its students," said Klewer. "Throughout my tenure at Cassville, I have had the privilege of collaborating with exceptional educators and school leaders who have played a pivotal role in shaping my professional journey. Cassville holds a special place in my heart, and I am dedicated to furthering the success of the district in this role."

FOOD PANTRY FROM FRONT
 sustenance to the vulnerable in our community," said Janet Mills, director of Cassville Pantry. "Thanks to the Ozarks Food Harvest, we are able to securely maintain our food inventory and advance our food distribution capabilities in the future."
 Ozarks Food Harvest is the Feeding America food bank for southwest Missouri, serving faith-based and com-

munity charities across a third of Missouri. This Urgent Need Grant is part of The Food Bank's multi-faceted strategy to address needs identified in Missouri's Food Assistance and Hunger in the Heartland 2021 report conducted by the MU Interdisciplinary Center for Food Security.
 "The Urgent Need Grant is designed to assist our network of charities with a time-sensitive crisis that interferes with their mission," said Bart Brown, president/CEO of Ozarks Food

Harvest. "We're so happy to be able to help, especially as more families continue to face the increased costs of childcare, food and housing."
 Mills describes the multiple benefits that the new units will provide. "The freezers replace aging units with new energy efficient ones and will increase our frozen storage capacity and energy efficiency. The enhanced frozen storage capacity will allow the pantry to store on site more frozen meat, vegetables, and fruit, which are highly desirable prod-

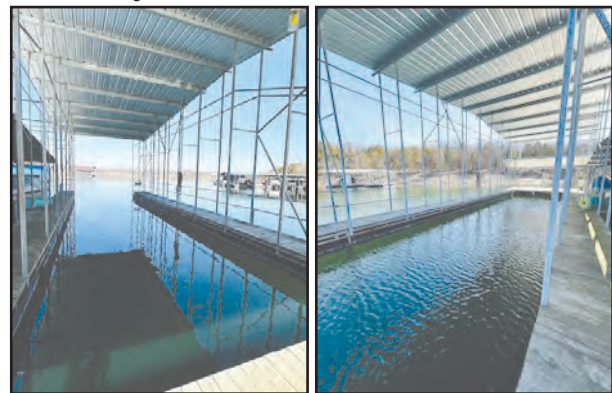

ucts. Trends in food packaging have transitioned beyond reliance just upon canned products alone. We are able to inventory more freshly frozen packaged produce product items such as frozen blueberries and strawberries for example."
 Rising grocery prices due to inflation have placed a heavier burden on low-income individuals, leaving them with less disposable income for other necessities. As a result, many new visitors are compelled to seek assistance from the food pantry to bridge the gap and ensure basic nutritional needs are met. The Pantry provides an average of 550 - 600 food boxes each month to the food insecure community. Individuals served monthly range between 1,400 - 1,550 persons.
 More information about the services provided by Cassville Pantry can be found at web site cassvillepantry.com, <https://www.facebook.com/cassvillepantry/>, or by phone at 417-846-7871.

HOUSEBOAT SLIP & LOT
 ★ AUCTION ★ AUCTION ★ AUCTION ★

Friday, April 5, 2024 • 1:00 PM

LOCATION: Shell Knob, Mo. From the Shell Knob Plaza, go south on Hwy. 39, 4.6 miles. Turn left on Fish N Fun Road and go 2/10 mile. Turn right on Fish N Fun Road and go 3/10 mile. Turn left on Sparrow Lane and go 3/10 mile. Turn left on Bluebird Lane and go 1/10 mile to the boat dock road.

Houseboat Slip: Mallard Cove Dock, Houseboat Slip, Size 18'x60'. Permit #7924 with access to a nice commons swim deck, very nice houseboat slip.
Lot: Lot #373, Tomahawk Heights Subdivision. Approx 84'x104'. Address 373 Bluebird Lane, walking distance or short golf cart ride to the slip. **Note:** We will be selling the houseboat slip and the lot all for one price. The lot is unimproved and will make a great place to build or use for parking while you're at the lake. This is a super nice houseboat slip in a fantastic area. Houseboat slips never come up for sale so here's your opportunity to purchase a nice one at public auction. Call to preregister to bid at the auction. 417-847-2507. **Terms:** Cash, good check or credit card with 2 forms of current ID. Must have current driver's license to obtain bidder number. All terms on bidders' card will apply. Qualified buyers only with bank letter of credit or proof of purchase. All sells as is where is with no warranty or guarantee expressed or implied. 10% buyer's premium applies and is to be paid at the conclusion of the auction. Balance will be due day of auction and ownership will transfer with bill of sale. Buyer and seller will split closing cost. If paying by check, bill of sale will be recorded when check clears the bank.

Let Freedom Ring Patriots of SW Missouri

Shown above, left to right, are Alivia Dudley, representing Josh Hawley; Alivia's mother, Sarinda Dudley; Dianne Painter, Creator of Patriots of SW MO; Senator Jay Ashcroft; Steve Blankenship, Barry County Presiding Commissioner; and Barry County Undersheriff Angie Cole.

Dear Patriots, our meeting of the Patriots of SW MO held on March 16th at the VFW Post in Shell Knob was a huge success with more new Patriots attending this month. Each month we are growing and extending our members. We are so blessed and proud of our members who care about our state and country and are walking the extra mile by taking time out of your busy schedule to make a difference. God bless all of you.

Scott Cupps was detained at the airport in Springfield and couldn't make the meeting so we had several speakers from the audience speak to the group.

Senator Jay Ashcroft who is running for Governor did an excellent job and answered a lot of questions as did Josh Hawley's representative and others.

Barry County Sheriff Danny Boyd will be back April 20th from his training session to fill all of you in on all that he learned and update us on current affairs.

Josh Hawley's representative, Sarinda Dudley, will be back, along with her daughter, Alivia. Senator Eric Burlison, Senator Mike Moon, Representative Scott Cupps, and Tom Franiak who is running for the 138th District, will be our main speakers. Also, in attendance will be Barry County Commissioner Steve Blankenship, Gene Robbins, Southern Commissioner, Gary Schad, Northern Commissioner, Barry County Treasurer Gretta Tripp, and others for your convenience. We never

know who might stop by when they are in the area.

May Heavenly Father continue to bless all of you and God bless America.

For further information, you are welcome to contact Dianne Painter, 417-858-2100 (no texting please to

this number), or email Jean Dodge at dodge-jean13@gmail.com.

It was wonderful to be surprised for my 80th birthday. Thank you to my family and everybody else that worked so hard to make it happen. Gifts, kind words, food, phone calls, and all that was put into it. I am truly blessed.
Letha Hinkle 36815 13pd

You don't buy life insurance for yourself.

Your kids count on you to be there for them, day in and day out, little problems and big ones too. Wouldn't it be comforting to know a Shelter Life Policy is there for them too? Ask us how life insurance can be a valuable resource for your kids or grandkids!

Rep. Burlison introduces the Table Rock Lake Property Protection Act

From The Office of Rep. Eric Burlison

On Tuesday, March 26, Congressman Eric Burlison (R-MO-07) introduced the Table Rock Lake Property Protection Act to protect residents from overburdensome regulations implemented by the U.S. Army Corps of Engineers (USACE).

"I am honored to introduce the Table Rock Lake Property Protection Act. Table Rock Lake is the cornerstone of the Ozarks, which attracts residents and vacationers alike who want to enjoy its natural beauty. However, despite being a source of such pride for our community, property owners on the lake continue to face the burden of costly and inconsistent mandates imposed by the Army Corps.

"Previously, the Army Corps allowed property owners to keep their septic tanks on Corps land, given that they were not causing any significant issues on the lake. Unfortunately, the Corps changed course on this policy and now is requiring property owners to move their septic tank off of Corps land by 2030, which will come at a significant cost to these families.

"The impact is unacceptable, and that's why I've introduced the Table Rock Lake Property Protection Act. Together, we can preserve the beauty of the lake and Corps land without harming the residents who call it home," said Rep. Burlison.

DON'T RAISE THE RISK

During any kind of project around your home or property, remember there's more overhead than buildings, trees and sky. A ladder can easily reach high enough to cause potentially fatal contact with power lines.

Always look up before raising or moving a ladder to make sure it's at least 10 feet from any electrical lines. Keep your eye on power lines and your mind on working safely.
