Seligman water tower to be demolished

Rachael Freeman

The skyline in Seligman will soon change with the demolition of the water tower that was erected in 1959. Seligman's mayor, Jerry Montgomery, stated that the water tower has not been in commission since 1999, when it was replaced by a 64 foot tall, 320,000 gallon stand pipe.

The water tower held 25,000 gallons of water and stands 104 feet and six and a half inches tall.

SK man sentenced to 20 years

Kathee Baird

A man who pleaded guilty to involuntary manslaughter in March has been sentenced to twenty years in prison.

Barry County prosecutor Johnnie Cox says Kulhanek was drunk when he turned his truck into the path of motorcyclist Aaron Poston on Highway 39 last July.

According to the probable cause statement, "Kulhanek told Trooper Kyle Knight that he had "a couple of drinks, not that many" before getting behind the wheel. When Knight attempted to have Kulhanek perform a series of field sobriety tests the man could "barley walk and needed assistance from three officers to stand." A warrant had to be issued so authorities could have Kulhanek's blood drawn to be tested after he refused to voluntarily provide samples.

Kulhanek, who was charged as a prior and persistent offender, also pleaded guilty to charges of leaving the scene of an accident and resisting arrest. He was sentenced to 4 years in prison on each of those convictions, which will be served concurrently (at the same time) as the 20 year sentence.

"This water tower is old and we hope to eventually replace it with something that holds far more than 25,000 gallons," stated Mayor Montgomery.

On May 14, the City of Seligman accepted a bid from Iseler Demolition, Inc. for \$12,300 to demolition the tower. Iseler's bid was the lowest of three bids.

"We feel that this water tower has been landmark for longtime residents of Seligman. We aren't sure if many people know it is coming down soon and want them to be able to go take pictures by it before it is demolition," said Mayor Montgomery.

The City has not been given a definite demolition date but expect the tower to come down in the next 90 days.

Larry Gene Taylor Bridge re-opens after extensive repairs

Paula Andersen

Last September saw the closing of the Shell Knob area bridge to one lane traffic for nine months. The bridge, built in the 1950, has needed considerable repairs to the deck and some of the substructure. In August, MoDOT officials conducted two meetings with community leaders to organize the removal of lead paint and worn structural elements from the 60-year-old structure.

On Wednesday, MoDOT engineers, community members, Barry County State Representative Scott Fitzpatrick, and Missouri State Senator David Sater met at the south end of the bridge to conduct a ribbon cutting re-opening the bridge.

Becky Baltz, District Engineer in charge of Customer Relations located in Springfield, said, "Thank you for partnering with us in planning and completing this project. Thank you for your patience. We know many of you changed your routines and even reduced the number of trips you made across the bridge. And on behalf of our contractors and our MoDOT workers, thank you for your good driving during

construction."

Joy Taylor-Moss, widow of State Senator Larry Gene Taylor for whom the bridge has been named, assisted in the ribbon cutting. State Senator David Sater welcomed the group and thanked MoDOT for their performance in completing the extensive repairs to a bridge within budget and on time. Scott Fitzpatrick acknowledged the efforts of MoDOT and emphasized the essential economic needs to the local community that the

bridge serves.

Shell Knob depends on Table Rock Lake to fuel its' economy. Larry Gene Taylor Bridge is a major part of Highway 39 access. Becky Baltz, District Engineer, said, "Ease of travel in a tourist area is good for the Barry County economy. However, in the bigger picture, MoDOT has 210 other bridges like this one. These are our "major" bridges, each 1,000 feet long or more. Many of them need the same kind of repairs. But because of

MoDot's funding shortfalls, it will be harder and harder to find the money we need to repair or replace these bridges."

Local comments range from, "It is great to have our bridge back" to "I have no excuse for being late again!" The mild winter weather helped workers stay on schedule for this project. MoDOT, the Phillips Construction company, and all involved finished the project on time and within budget guidelines.

John Q. Hammons passes

Rachael Freeman

James "John Q." Hammons passed away Sunday, May 26, at age 94.

The long-time Springfield businessman grew up in Fairview and graduated from Fairview High School in 1937. Following high school, Hammons attended Monett Junior College and then went on to attend what is now called Missouri State University for a teaching certificate.

Out of college, Hammons began his teaching career teaching students at Cassville's junior high school and was also a basketball coach during his time at Cassville.

Hammons had resided at the Elfindale Manor in Springfield since 2010 and is survived by his wife of 64 years, Juanita K. Hammons.

Barry County Courts have busy week

Samantha Barberio

The Barry County Judicial court and Prosecuting Attorney Johnnie Cox saw several alcohol related court cases this week.

Christopher Barnes, from Pierce City, was charged with a DWI on February 27th after driving while intoxicated on US 60 and Missouri 37. Barnes received Suspended Imposition of Sentence (SIS) unsupervised probation for two years. He must also perform 20 hours of community service, supervised by Ozark Regional Court Services, and must also pay \$383.50 in charges. Eugene Freiburger, of Verona, was also charged with DWI in December, his disposition was on May 23rd. Freiburger was sentenced to the Barry County Jail for 30 days and received a Suspended Execution of

Sentence (SES) with unsupervised probation for one year.

Dewayne Cheatum from Crane was charged with a DWI on November 24th while driving on Highway 86 and Farm Road 1075. Cheatum was sentenced the Barry County Jail for 60 days, was sentenced to SES unsupervised probation for two years and must perform 40 hours of community service supervised by Ozark Regional Court Services and owes \$242.50 in court fees.

Eric Willoughby, of Cassville, was charged with DWI after driving intoxicated on street intersection Kyler and Dairy in February. Willoughby was sentenced to SIS unsupervised probation for two years and must serve two days shock jail time as follows: May 31st- June 2nd 2013. Willoughby must also

complete Substance Abuse
Traffic Offender Program
(SATOP) and pay court fees
of \$238.50.

Eddie Mahurin, of Exeter, committed a class B misdemeanor of property damage in the second degree. On February 24th at approximately 10:48 p.m., Mahurin intentionally broke the windshield of a 2013 Chevy Cruz, rented by Marry Ann Deiser. The property damage occurred in Exeter, and took place while Mahurin was intoxicated and out of control. The total damage from this incident came in at \$189. Mahurin was sentenced to SIS and unsupervised probation for six months, must preform 20 hours of community service supervised by Court Supervision Services and must pay restitution in the sum of \$189.

FSA County Committee nominations start June 17

Brian Blount, Executive Director of Barry County USDA Farm Service Agency (FSA) announced that county committee election nominations begin June 17, 2013. Farmers, ranchers and landowners are encouraged to nominate farmer and rancher candidates to serve on their local FSA county committee by the August 1, 2013, deadline.

Elected county committee members serve a three-year term and are responsible for making decisions on FSA disaster, conservation, commodity, and price support programs, as well as other important federal farm program issues.

"County Committees are unique to FSA and are a valuable resource that gives locally elected farmers and ranchers who participate in FSA programs the opportunity to impact farm programs at the local level," said Blount. "I hope to see a high level of participation during

the nomination and election process," he said.

Producers may nominate themselves or others as candidates. Organizations that represent minority and women farmers and ranchers may also nominate candidates. Nominees must participate in a program administered by FSA, be eligible to vote in a county committee election and reside in the local administrative area (LAA) in which the person is a candidate. To become a nominee, eligible individuals must sign form FSA-669A. The form and more information about county committee elections are available online at: www.fsa.usda.gov/elections.

"In order to have fair representation of the demographics and agricultural interests in the community, I encourage all producers, including women, minority and beginning farmers and ranchers to participate in the nomination and election process," said Blount.

County committees are comprised of three to five members elected by local producers. All newly elected county committee members and alternates will take office January 1, 2014.

Nomination forms must be postmarked or received in the local USDA Service Center by close of business on August 1, 2013.

For more information about county committees, please contact the Barry County FSA office at 417-847-2111 or visit www.fsa.usda.gov.

Fatality in car accident in Seligman

Rachael Freeman

Several area car accidents occurred over the Memorial Day weekend including one fatality.

Buck Haynes, 32, of Bentonville, Ark., was killed Saturday, May 25, in an accident that occurred on Highway 37, two miles north of Washburn.

According to MO Highway Patrol, Haynes was driving a 2000 Honda Shadow motorcycle when he struck a stopped vehicle, driven by Austin Selee, 18, of Seligman.

Selee was stopped in traffic attempting to make a left turn when he was struck from behind by Haynes. Haynes was pronounced dead at the scene.

On Friday, May 24, Monett resident Yolanda Morales, 41, suffered minor injuries when her 2012 Chevy Traverse SUV was

hit by 31-year-old Kelly Lee, of Exeter, who was driving a 2011 Chevy Colorado pickup.

According to MO Highway Patrol, Lee failed to yield and pulled into the path of Morales. The accident occurred on Highway 37, one mile north of Cassville.

An Exeter teen suffered moderate injuries when his truck overturned after running off of a McDonald County roadway Sunday night.

Aaron L. Sweaney, 17,

was taken by private vehicle to Mercy Hospital in Cassville for treatment.

The Missouri State Highway Patrol said the crash happened at 8:18 p.m. Sunday on Chitwood Road, a mile south of Rocky Comfort. The patrol said Sweaney, northbound in a 1987 Chevrolet pickup, failed to negotiate a curve, ran off of the roadway and overturned.

Sweaney was not wearing a seat belt at the time of the crash according to patrol.

Wounded Warrior Project and Turkey Mt. Airport Fly-in a success

Paula Andersen

Memorial Day was exciting in many ways around the Shell Knob area but one of the most exciting was the Wounded Warrior Fly-In at Turkey Mountain Airport. The airport was packed with visitors and small planes by 11:00 am.

Owner Judy Reynolds, said, “We served over 200 meals to individuals by 1 pm, and their donations will help our Wounded Warrior Program significantly. People brought their lawn chairs and set up near the tree line. The weather was perfect. Over 60 planes arrived with pilots and friends to celebrate the service and sacrifice our military personnel have given to our country.”

This yearly event has become a staple of Memorial Day celebrations in southern Barry County and Shell Knob. The pilots enjoy coming to Turkey Mountain Airport and put on quite a show for the crowd.

This year, they had flour bombings where bags of flour are purchased then a target is placed in the center of the landing field and the plane that drops their flour closest to the target is the winner.

Afterwards, two Super Cubs took off side-by-side,

Letter to the Editor...

Dear Editor,
Whoever knocked over the black head stone on the Reed plot in Rollar Cemetery about three weeks ago or more? You knocked it three feet north of it’s base and broke one of the vases. I would like for you to pay for the damage and pay to reset it. I am hurt and mad that someone would do this and not tell someone they did.

Please come forward about this,
Norma Reed

and then flew straight up in a gravity defying demonstration. This brought an exciting round of applause from the crowd.

Other pilots demonstrated short landing skills and short takeoff skills. Another flew through with smoke coming off his wings. All-in-all a thrilling demonstration of pilot skills.

There was a 50/50 pot won by Sharon Schnulle who donated it to the Wounded Warrior Project.

Judy Reynolds said, “I could not have done this without the aid of my friends and neighbors. They took time to complete mowing,

weed eating, repainting the landing cones and tires. They helped serve lunch, clear tables, and shuttle visitors around the field. Thank you very much for your work in support of this special project.”

The next Turkey Mountain Fly-In will be on Saturday, June 29, and Breakfast in a BAG will be served for a five dollar donation.

The airport has a web site, www.turkeymountainairport.com, and if you have inquires direct them to Judy Reynolds at jreynolds41@centurytel.net. Her phone numbers are 417-858-6345 or 417-671-1832.

Hassler retires as Cassville bus driver

Recently Cassville School District honored a long time employee, Walter Hassler. Hassler taught at Cassville Schools for 37 years and coached for 24. Before his time at Cassville he taught for seven years in Marceline.

During his time at Cassville he taught middle school social studies, drove busses

part time and was a coach for many sports such as: softball, basketball, football, track and wrestling.

In 2000, Hassler retired from teaching after 44 years and began driving buses for the school district full time. An honorary lunch was held for Hassler in the schools’ bus barn where many coworkers spoke highly of him.

Hassler was an important part of the school district for many years, and has impacted the life of many students as well as teachers.

Picture above, left to right, are: Glenda Hassler, wife; Walter Hassler and daughter, Evelle Houck-Hassler.

Thank you to the men and women who served to protect our country and freedom!

Rocking Bar B joins Shell Knob Chamber

Last week, the Shell Knob Chamber of Commerce welcomed Tim and Terri Bornholdt of Inman, Kansas, with a ribbon cutting at The Rocking Bar B Retreat located in the Big Creek area of Table Rock Lake. Their home features glorious lake-front views from every lake-themed room. The Bornholdts' have been visiting the

Shell Knob area for many years and last year decided to purchase the home for a beautiful retreat on the lake. The home boasts 3+ bedrooms and 3 full baths, along with a huge updated kitchen, wraparound deck and downstairs game room. "We're hoping families will build favorite memories by returning year after year – just like we

are doing," noted Terri.

It's the perfect get-away for two to twelve people for a fun vacation, reunion or family getaway.

For additional information on availability, go to their website: info@RockingBarBRetreat.com, or call Terri directly at 620.242.8818.

Purdy Elementary School May Character Education Award winners

Front row, left to right: Nathan Harris; Randy Rueda; Evan Yarber and Eryn Schlessman. Middle row, left to right: Lizbeth Gonzalez; Brian Lopez; Bryce Ozbun and Junior Lamb. Back row, left to right: Gary Jurgensen, Counselor; Caden Brown; Lizandro Villa; Daniel Robles; Angel Perez; Jeff Swadley, Principal; and Jazmine Paxtor.

Purdy Elementary Principal Jeff Swadley is pleased to announce character education medal winners for the month of May.

In partnership with elementary counselor Gary Jurgensen, Purdy's kindergarten through fourth grade teachers present a different character trait each month.

At the end of the month,

each teacher nominates one student who best exemplifies the trait presented. These students receive character medals from Mr. Swadley. Area businesses also display posters reinforcing each month's message.

In May, students focused on Courage. May medal winners are fourth graders Lizandro Villa and Daniel Robles;

third graders Angel Perez and Caden Brown; second graders Brian Lopez, Lizbeth Gonzalez and Junior Lamb; first graders Evan Yarber, Bryce Ozbun and Jazmine Paxtor; and kindergartners Eryn Schlessman, Nathan Harris and Randy Rueda.

Sheriff Department plans sobriety checkpoints for June

Sheriff Mick Epperly announces that several sobriety checkpoints will be held in Barry County during the month of June 2013. The Barry County Sheriff's Office, in cooperation with other local law enforcement agencies, will conduct the sobriety checkpoints.

Sobriety checkpoints are a part of the Sheriff's Office efforts to remove intoxicated drivers from Barry County highways and are conducted at various locations which have been found

to experience a higher than normal number of alcohol-related contacts.

Sheriff Epperly says, "Driving while intoxicated checkpoints are a great tool in removing the intoxicated driver from Missouri's highways. If you suspect a motorist of driving while intoxicated, call the Barry County E911 Center at 417-847-3121, 911 or on the Missouri State Patrols toll-free emergency number (800)-525-5555 or cellular *55."

SOUTHWEST SCHOOL BOARD MEETING HIGHLIGHTS

As part of our continued efforts in keeping our patrons informed, the Southwest R-V School Administration will provide monthly information concerning Board Meetings.

A recap of the May 16, 2013 regular meeting is as follows:

The Board convened for its meeting at 7:00 p.m.

During the Communications item on the agenda, teacher Josie Stubblefield addressed the Board concerning a possible bus route driver vacancy and teacher Teri Jo Shackles, as a representative of the local Community Teachers' Association, presented in respect to faculty salaries/benefits for the upcoming school year.

Consent items were approved, including accepting the resignations of Title I paraprofessional Janet Bose and library aide Virginia Roller. The Board also approved the hiring of Rachael Pierce and Chris Hunt as district Vocational Agriculture teachers, and Julie Pruitt as 8th grade Communications Arts teacher. In addition, Wendy Wright was also approved as substitute bus driver.

Under Old Business, the Board approved contracting with the Scott Regional Technology Center for the 2013-2014 school year.

New Business items included the approval of contracting with the Barry/Lawrence Developmental Center for 2013-2014 school year, the selection of S & K Dirtworks for the Parking/Drive areas project, and the selection of Ozark Roofing for the

Middle School/Elementary Cafeteria roof project. In addition during New Business, Superintendent Bob Walker discussed other various summer projects, including postponing the land leveling and running track north of the high school until core samples are analyzed by GTS, Inc. Century Link is scheduled to install a telephone/intercom system in the Middle School. Work will begin on a new Elementary Office that will be located in the existing cafeteria at the west main entrance of the K-2 building. An addition to the existing recycling building will be constructed to increase space and house a baler compactor. Work will continue on the district's security system with the installation of additional cameras and the conversion of the Elementary cafeteria south doors to an Access Control system. The capacity of the air conditioning in the Elementary kitchen will be increased. And the installation of a water line at the Baseball/Softball fields will be examined.

The Board also approved the district Program Evaluation Plan for the 2013-2014 school year.

Under Administrative and Program Evaluations, the Board reviewed the monthly Maintenance and Administrative reports, before entering Executive Session for approximately two hours to discuss personnel items.

The next regular meeting is scheduled for June 13, in the High School library, at 7:00 p.m.

Arthur rejoins Les Jacobs Ford

Ben Arthur knows vehicles. Twenty of his 32 years of experience selling vehicles, Arthur sold Fords and Lincolns.

"I missed the integrity of working for Les Jacobs Ford," said Arthur. "This dealership focuses on the customer and treats every customer like a friend or family. It is a rare commodity in the car business, which is why the President's Award, which has been earned by Les Jacobs Ford three of the last five years, is a big deal. This award comes from the people Les Jacobs Ford values most, their customers. The Les Jacobs Ford customer service is their way of doing business, in sales and service."

Arthur is Ford Master Certified and is participating in ongoing Ford Technology training. The 2013 Ford Fusion and 2013 Ford F-250/F-350 are No. 1 in their segments in Strategic Vision's 18th annual Total Quality Index™ study. Fusion is the Total Quality winner among midsize sedans and F-250/F-350 tops the heavy-duty pickup truck segment for Total Quality. The Fusion and the F-Series,

America's best-selling pickup for 36 years, gained 24 percent in sales. Ford Motor Company achieved 14 straight quarters of operating profit, and this is their fourth year in a row of positive net income.

"We are delighted to have Ben rejoin our sales staff," said Darrin Jacobs, General Manager of Les Jacobs Ford in Cassville. "Ben's knowledge of vehicles will help customers make the best choices when looking for a vehicle. He has an excellent reputation and his character fits with our business philosophy."

Since Les Jacobs Ford

in Cassville is an easy 25 miles from Northwest Arkansas, Arthur looks forward to continuing to serve those customers.

"I direct people to lesjacobsford.com to shop our entire inventory. Since Les Jacobs Ford is located on a main highway (Highway 37 and Jct. 86) it is easy for potential customers to stop in," said Arthur.

He can be reached at the dealership, 417-847-2151, or on his cell, 479-283-2517. Arthur and his wife reside in Garfield, Ark., and are the parents of four and grandparents of two.

Wakefield to be named Missouri Ladies Auxiliary VFW President

Tom Wolfe Memorial Auxiliary #4207 was the host of the Department (State) of Missouri Ladies Auxiliary VFW Statewide Training for Ladies Auxiliary VFW District Presidents and Program Chairman on the 18th of May. This training provided information from the incoming National President Amithea "Sissy" Borel, from Stark, Louisiana, and Ladies Auxiliary VFW National Chairmen.

Danetta Wakefield of Auxiliary #4207 Monett will be installed on June 8th as the Department (State) of Missouri Ladies Auxiliary VFW President. As the Department President, Danetta will be in charge of the 13 Districts in the State of Missouri. Within these Districts, there are a total of 160 Ladies Auxiliaries that hold 15,027 members. Within these Auxiliaries we have 9 Jr. Girls Units that hold over 75 members.

Danetta Wakefield instructed the District Presidents on the duties they will be required to do as a District President. Such instructions included the inspection of Auxiliaries, to assure the Auxiliaries are following the guidelines of the National Organization, National

Programs are being promoted to help our Veterans and their Families, the Youth and the Community.

Past Department (State) President Susan Eveland of Kearney has been appointed by Danetta as the Advisory Chairman. Susan instructed the Department of Missouri Ladies Auxiliary Chairmen on the programs that have been set forth by the LAVFW National Organization. These programs include Cancer Aid & Research, Americanism, Voice of Democracy & Patriots Pen Scholarships, Patriotic Art Contest, Jr. Girls Scholarship, Veterans & Family Support, Hospital, and Membership

were addressed.

Past Department (State) President Judy Thrower of Cape Girardeau has been appointed by Danetta as the Ladies Auxiliary VFW Department of MO Chief of Staff. Judy instructed the Deputy Chiefs of Staff on their Duties to assist the District Presidents as they oversee the Auxiliaries within Districts.

Ladies Auxiliary #4207 members Belinda Wormington, Theresa Millard and Ella Withnell helped in the preparation of the continental breakfast and the Lunch served to the ladies.

Barry County Courthouse 100 Years: Part X

On the first Saturday in March 1913, one of the Cassville newspapers carried the following announcement: “members of the county court will meet in Cassville today to examine the plans of H.H. Hohenschild for the new \$50,000.00 Barry County courthouse. If the plans meet with their approval, the plans will be adopted and advertisement ordered for bids for the construction of the building.

C.H. Funston, who has been named as superintendent for the court, states that the plans are completed in every detail.

‘The building will be fireproof,’ said Mr. Funston. ‘It will be constructed of reinforced concrete with stone veneering for the outer walls. All floors will be reinforced concrete with a composition covering for the offices. There will absolutely be no wood floors. The roof will be reinforced concrete covered with asphalt. The plans and specifications will call for a building complete in every detail. This successful contractor will furnish all vault doors and electrical fixtures. We realize that \$50,000.00 is the amount to be expended on this building and have arranged plans for a completed building at this figure.’”

The article continues reporting that many people of

the county have been anxiously awaiting developments of the lettings of the contract for the new courthouse by J.H. Otterman on February 27, but neither has been done as yet. Aside from the fact that many claim Otterman has the right to let a contract as superintendent, it is now claimed that irregularities crept into his last actions. The contract was prepared by C.G. Minnre of Wilberton, Oklahoma, at his bid of \$46,000.00. In his contract, he has 30 days to file a bond for \$90,000.00 while the advertisement stated that bond should be filed on or before 10 days after the contract was let. It is also claimed that the bid was not submitted in the proper form.

The controversy raged back and forth between Judge Montgomery and the two proponents of the Hohenschild agreement, Pat O’Dwyer of Monett and Commissioner Elam of Eagle Rock.

Then on May 3, 1913, one of the Cassville newspapers in big black headlines noted “Court House Contract Awarded”. A second headline under the first noted that “Hambley & Hanson of St. Louis are Successful Bidders at \$45,720.00. Are Reliable Firm.”

The article went on to note that the county court

met Wednesday morning and extended the time of receiving bids for the construction of the courthouse to 2 p.m. and at that hour court met and about 75 taxpayers assembled to learn how such things were done.

“County Court met Wednesday morning and extended the time of receiving bids for the construction of the courthouse to 2 p.m., and at that hour, court met and about 75 taxpayers assembled to learn how such things were done. In the presence of the court and these taxpayers, the envelopes containing the bids were opened and the bids read aloud, so that everybody could know each bid. The bids were as follows:

The Continental Building and Construction Co., St. Louis, \$58,700.

Kellerman Construction Co., St. Louis, \$53,130.

Hiram Lloyd Building and Construction Co., St. Louis, \$52,373.

A.T. Braymer & Sons, Monett, \$47,703.

Helvey & Comer, Kansas City, \$57,190.

Wm. R. Odor, Canton, Mo. \$46,968.

Pauly & Ipson, Springfield, \$50,746.00

Kremer & Voirol Construction Co., St. Louis, \$52,660.

Mississippi Valley

Construction Co., St. Louis, \$49,199.

Robert McCaw, Rolla, \$47,159.

Hambley & Hanson, St. Louis, \$45,720.

L.A. Mason, Monett, \$50,399.

After opening the bids, the court held an executive session and found that Hambley & Hanson were the lowest bidders and awarded that firm the contract to build the Barry County courthouse. On their bid, they stated that the building would be completed in 220 working days. Bonds were drawn up and will be signed and made at once.

H.J. Hanson of the firm of Hambley & Hanson, the successful bidders, said after being awarded the contract that they would assemble their machinery and material just as quick as possible. That the structural steel would have to go through the mills and possibly a delay might possibly be incurred, but he thought active operations would be commenced in at least thirty days and the building rushed to completion.

This firm comes highly recommended as being thoroughly reliable. They constructed some of the Sanitarium buildings at Mt. Vernon. Architect Hohenschild was delighted with the class

of bidders that competed for the coveted prize as all of his acquaintance are first-class gentlemen.

Superintendent Funston bore his honors well and will prove a worthy and efficient servant of the people of Barry County. His ambition is to secure the best possible building and we believe he will succeed.

Hambley & Hanson did not bid on any other stone but Barry County, notwithstanding some Carthage stone men gave figures, but the same figures were not given all the bidders from the way the bids read. Barry County has plenty of fine building stone and it is being recognized by the business world. Carthage wants to crush out all competing plants, and their effort was fully displayed here Tuesday and Wednesday.

The estimate made by

Architect Hohenschild on the cost of the county courthouse was \$48,000. The bid of the successful contractor was \$2,280 less than the architect’s estimate.

The difference between highest and lowest bids was \$13,070.

Hambley & Hanson, the courthouse contractors, made a surety bond through the Equitable Bond & Surety Co. of St. Louis, by their authorized agent Aubry Landis of this city, in the sum of \$91,440.00, double the contract bid. Barry County retains 20 per cent of the contract bid, amounting to \$9,140, until the completion of the building and after evidence is shown that all bills for material and labor have been paid. This will give Barry County a bond of \$100,580 for the faithful performance of the contract.

Mercy Hospital Cassville May Co-Worker of the Month

Bill DeWeese, a staff Registered Technologist in Radiology, was recently named Mercy Hospital Cassville's Co-Worker of the Month. Bill has worked in this industry for 38 years total (20 years at our own Cassville facility). He is a member of the American Registry of Radiological Technologist as well as the American Society of Radiological Technologist. Bill lives just outside of Berryville, Ark., with his wife of 28 years, Gail, who is an awesome cook. They have two children, a son and a daughter, that are happily single. They have four dogs as well.

Bill enjoys attending sales and auctions, buying and selling items, fishing and horse racing. He came to work at Mercy Hospital Cassville through a medical sales position and he was familiar with many of the employees at the time of hire. Bill enjoys the small hospital environment and camaraderie -everyone knows everyone, which provides a more personal relationship.

Pictured above are Doug Stroemel, President of Mercy Hospital Aurora and Cassville, and DeWeese.

Purdy School employees hold memorial book drive

Approximately 25 current and former Purdy R-2 School District employees held a memorial book drive to honor former Purdy Elementary Principal Patty Laney, who passed away unexpectedly in April. The group collected over 60 new children's and young adult books to donate to the Purdy School library in Laney's memory. Patty Laney served as principal at Purdy from 1995 to 2002. Pictured left to right with the book donations are: Donna Terry, Tammie Rodden, Janie Cunningham, Gary Jurgensen, Lisa Schell, Dixie Henry, Linda Patton, Sarah Willson, Amanda Spears, Charlotte McGuirk, Julie Ball, Connie Goetz and Cindy Burnside.

Experience Works celebrates National Older Americans Month at Cassville Senior Citizen Center

Experience Works is celebrating National Older Americans Month during the month of May throughout Missouri by showing appreciation for older adults and the value they bring to communities through the Senior Community Service Employment Program (SCSEP).

This year's theme—Unleash the Power of Age!—emphasizes the important role of older adults and recognizes them as productive, active, and influential members of society. The Experience Works SCSEP serves low-income older people who need help transitioning back into the workforce and provides them the opportunity to make a difference in their communities through a wide variety of community service assignments in public and nonprofit organizations. Across Missouri, older individuals in the SCSEP are unleashing the power of age in child care centers, food banks, libraries, and museums – to name a few.

“Through Experience Works SCSEP, we witness firsthand the contributions older Missourians like Linda Mahoney, age 69, make every day,” says Diane Chambers, Missouri State Director for Experience Works.

“Ms. Mahoney is learning new job skills and giving back to her community through a community service assignment as a receptionist at the Senior Center in Cassville. Ms. Mahoney gives back to her community through serving as the first point of contact as you enter the Senior Center. She also assists with answering the phone, making appointments, and keeping the activity calendar up to date.”

Experience Works SCSEP operates in 102 counties in Missouri and provides training and community service as a stepping stone to permanent employment.

Cassville Tuesday Men's League

By Robert York

The men's league had 28 members show up for the monthly scramble. First time out this year was Jerry Bullins and Bill Field. It was about 70 degrees at the starting time. After about 7 holes we were greeted with a clap of thunder and lightening that would knock your hat off. We all went to the club house for a hot dog and lightning break. After about 25 minutes we resumed play and all went well. The scoring was as follows: first place team was Charlie Chappell, Bob Gaddis, Doug Louk and Den-

ver Douglas. Second went to Dan Gipple, Pat Duncan Jerry Bulllins and Tom Scarp. Third place team was Dale Groth, Dennis Cooper, Tom Burk, and Allen Staats. Great shooting in a pretty windy atmosphere, guys.

The closest to the pin honors went to Bill Field on hole #6, Art Nolan on hole #8 which was a carry over from last week, Wayne Gillenwater on hole #11 and Dale Groth on hole #17 . It was another great day of golf. Just remember, a ball on the course is not lost until it quits rolling.

have joined the staff at Faith Family Church as ***Associate Pastor.***

Faith Family Church, located one mile south of state highways 112 and 76/86 is a non-denominational church established on January 29, 2012. We have had steady growth over the past year. **Our service times are Sunday at 10:00 a.m. and 7:00 p.m. on Wednesday.** Attending is a mix of people from cradle to seniors. We strive to be a family that honors God in all that we do. If you do not have a church home, we would invite you to come out and experience God in our worship service on Sunday. We have singing with piano, and stringed instruments with a praise team. Our Wednesday night is our Bible study night and we meet in a relaxed atmosphere, where we all discuss the text.

Come and join us at the Faith Family Church.

FOR IT IS WRITTEN

Psalms 14:1-- (To the chief Musician, A Psalm of David.)
The fool hath said in his heart, There is no God.
They are corrupt, they have done abominable works,
there is none that doeth good.

John 1:1-- In the beginning was the Word, and the Word was with God, and the Word was God.

John 1:14-- And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

John 6:44-- No man can come to me, except the Father which hath sent me draw him: and I will raise him up at the last day.

1 John 5:7-- For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one.

Psalms 10:4-- The wicked, through the pride of his countenance, will not seek after God: God is not in all his thoughts.

Producers must

report prevented

planting acreage

Brian Blunt, Executive Director of Barry County USDA Farm Service Agency (FSA), reminds producers of the requirement to report prevented planting acreage for FSA program eligibility.

Producers must report crop acreage they intended to plant, but due to natural disaster, they were prevented from planting. Prevented planting acreage must be reported on an FSA-576, Notice of Loss, no later than 15 calendar days after the final planting date. For Barry County, the final planting date for corn was May 15th.

If a producer is unable to report the prevented planting acreage within the 15 calendar days following the final planting date, a late-filed report can be submitted. Late-filed reports can only be accepted if a farm visit can be made to assess the eligible disaster condition that prevented the crop from being planted. A measurement service fee will be charged.

Filing an accurate and timely report for all crops and land uses can prevent loss of benefits for a variety of FSA programs, including the Direct and Counter-cyclical Payment (DCP) Program and Marketing Assistance Loans.

For more information on FSA crop reporting requirements, visit the Barry County FSA office or visit online at www.fsa.usda.gov.

FSA announces

Conservation

reserve program

general sign up

Brian Blunt, Executive director of Barry County USDA Farm Service Agency, announced that general sign up for the Conservation Reserve Program (CRP) begins on May 20, 2013, and will continue through June 14, 2013. During the sign up period, farmers and ranchers may offer eligible land for CRP's competitive general sign up at their county FSA office.

Landowners enrolled in CRP receive annual rental payments and cost-share assistance to establish long-term, resource conserving covers on eligible farmland. Land that is not currently enrolled in CRP can be offered during sign up if all eligibility requirements are met. CRP participants with contract expiring this fall can make new contract offers during the sign up period. Contracts awarded during this general sign up will become effective Oct. 1, 2013.

Blount said all CRP offers are evaluated and ranked using an Environmental Benefits Index (EBI) that indicates the environmental benefits of enrolling the land in CRP.

In addition to the general sign up, the continuous CRP program sign up opened May 13, 2013, and remains ongoing.

For more information on CRP, please contact the FSA office at 417-847-2111 or visit www.fsa.usda.gov/crp.

Keep safety on standby.

A standby emergency generator is convenient during a power outage, but only if it’s installed and used safely. Never connect a generator directly to household wiring without the help of a licensed electrician. Voltage feedback from improper installation could electrocute co-op members or line crews.

Keep generators outdoors and install a carbon monoxide detector in nearby inclosed spaces. And always keep children away from generators. Ask your co-op for more advice on operating your generator safely.

THE CLEAR ALTERNATIVE TO BRACES

**The low-down**

You no longer have to straighten your teeth the old-fashioned way, with metal braces. The Invisalign Teen™ system lets you do it the modern, hygienic way. Your new smile is created with the most innovative technology – a series of clear aligners that are custom-fit to your teeth.

The Aligners. . .

- snap on your teeth easily.
- are comfortable and practically invisible.
- allow for your growing permanent teeth.
- gently and continuously move your teeth in small increments.
- are worn for about two weeks. Then you swap them for a new pair.
- have a Blue Dot Wear Indicator; designed to show an estimation of wear-time. The dot is designed to fade to clear over a two-week period if you wear (20 to 22 hours everyday) your aligners properly.
- can be removed for eating, brushing, and flossing, or going to a special event.

*Savings amounts are based on information from The Hartford's AARP Auto Insurance Program customers who became new auto insurance policyholders between 1/1/12 and 12/31/12 and provided data regarding their savings and prior carrier. Your savings may vary. The AARP Auto Insurance Program from The Hartford is underwritten by Hartford Fire Insurance Company and its affiliates, One Hartford Plaza, Hartford, CT 06155. CA License #5152. In Washington, the Program is underwritten by Hartford Casualty Insurance Company. In Michigan, the Program is underwritten by Trumbull Insurance Company. AARP and its affiliates are not insurers. Paid endorsement. The Hartford pays a royalty fee to AARP for the use of AARP's intellectual property. These fees are used for the general purposes of AARP. AARP membership is required for Program eligibility in most states. Applicants are individually underwritten and some may not qualify. Specific features, credits, and discounts may vary and may not be available in all states in accordance with state filings and applicable law. The Program is currently unavailable in Massachusetts, Canada and U.S. Territories or possessions.

[†]If you are age 50 or older, once you're insured through this Program for at least 60 days, you cannot be refused renewal as long as applicable premiums are paid when due. Also, you and other customary drivers of your vehicles must retain valid licenses, remain physically and mentally capable of operating an automobile, have no convictions for driving while intoxicated and must not have obtained your policy through material misrepresentation. Benefit currently not available in Hawaii, Michigan, New Hampshire and North Carolina.
