# Construction started this week at Arvest Bank Drive-Thru

From Arvest Bank

Arvest Bank began construction this week to replace the Cassville Main Street branch's traditional drive-thru lanes with ATM with Live Teller machines. Drive-thru lanes will be unavailable until construction is complete.

With operating hours of Monday-Friday from 7 a.m.-8 p.m. and Saturday from 8 a.m.-5 p.m., the ATM with Live Teller machines will extend hours of operation at the branch, allowing customers the ability to conduct transactions face-to-face with Arvest tellers via a video screen. Live Tellers can assist with deposits, withdrawals, bill exchanges, loan payments, check

cashing, credit card payments, and more. The machines also function as a traditional ATM, which is available 24/7.

The bank recently announced the first ATM with Live Teller in Barry County when it was installed in the lobby of the Main Street branch this summer.

"The convenience that our ATM with Live Tellers give customers has made them very popular not just in Cassville but across our footprint," said Sarah Dalton, Arvest Community Bank President in Cassville. "We understand that not every cus-

# Crowder Nursing awarded \$211,855 nursing grant for education

From Crowder College

Crowder College has been awarded \$211,855 for nursing education as part of a \$5M grant to Missouri colleges for healthcare education. The award was announced yesterday by Governor Mike Parson.

"We are grateful for the grant and the assistance it will provide," stated Sandra Wilson, Director of Nursing and Division Chair, Crowder College. "We are one of only three associate

degree colleges receiving this funding."

The grant will provide professional development and retention incentives for nursing faculty to attain advanced nursing degrees as well as marketing of the profession to ensure the public is aware of career opportunities.

Crowder College offers nursing programs at Neosho, Cassville, McDonald County and Nevada locations. The programs offer a competitive admissions process and will accept up to 150 students each year. The traditional program is four semesters in length with successful completers eligible to take the NCLEX State Board Exam in compliance with State Board of Nursing requirements.

Due to the high demand of

# **Missing Exeter** woman found deceased in crash

By Adriana Keeton, editor@4bca.com

An Exeter woman who was reported missing on Monday, December 18, was found deceased in her crashed vehicle last Tuesday.

A friend of Dorothy Lewis, 67, of Exeter, contacted Barry County Dispatch on Monday to have a deputy perform a welfare check on Lewis as she had not heard from her since December 14, which was out of Deputies character. were unable to locate Lewis at her residence and her vehicle was missing.

The Barry County Sheriff's Office asked the public for assistance in locating Lewis in a Facebook post on Tuesday. According to Barry County Sheriff Danny Boyd, an employee with SWMO Water District saw the post and notified dispatch of a crashed vehicle matching the description deep down a ravine off Farm Road 1010. Deputies arrived at the scene and contacted Missouri State Highway Patrol of the crash.

**NOW DOING 5" TO 6" SEAMLESS GUTTERING** 

Recent storms and spring growth have left a lot of trees in need of attention. Barry Electric Cooperative wants you to know that tree trimming is a job best left to experts, especially when they are located near power lines. In fact, the two leading causes of death while trimming trees come from falling and electrocution.

Whenever you trim trees or do other yard work, remember these tips:

• Wear safety glasses to protect your eyes from sawdust, pine needles and other debris. · When operating a trimmer or chainsaw, you'll need ear protection, shoes with slip-resistant soles, chaps

• If you use a ladder, tie it off to a secure location. Never go anywhere near a power line with a ladder, especially a metal one.

• Be aware of anyone on the ground. It's best to have a spotter watch for people who might wander into

·Safety is our number one priority and we are trained experts in safely removing debris from around powerlines. If in doubt, call us!

# November Health Department Food Service Report

The Health Department divides food service code violations into two categories: Priority and Core items.

Priority items are more likely than other violations to contribute to food contamination, or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or iniurv.

A report for each establishment inspected shows the number of priority items, along with a short statement as to the nature of the violations. The report also shows the number of core items, but does not list the nature of those violations.

# JOHN C. SANDLIN

C. Sandlin John was born on August 2, 1956, in Neosho, one of four children to Theodore 'Ted' and Mozelle (Sharp) Sandlin. He entered into rest on December 19, 2023, in Joplin, at the age of 67.

John was a lifelong area resident and a graduate of East Newton High School. He continued his education at Texas A and M, earning a bachelor's degree in marine engineering. He worked as a mariner engineer for twenty years; owned and operated H and R Block in Cassville for thirty years, and was a cattle farmer. John enjoyed the associations of his clients through the years, farming, collecting farming equipment, and playing with and spending time with grandchildren. He was a member of Calvary Baptist Church in Neosho. On October 30, 1987, in Shell Knob, John and Marinda Miles were united in marriage and she survives.

In addition to his

# **OBITUARIES**

He was born June 15, 1949, in Shawnee Mission, Kansas, the son of Johnny "Nelson" and Jean (Aldstedt) Johnson, who preceded him in death. Also preceding him in death was one brother, Lorie Johnson.

Surviving are his life partner, Sherry Johnson, of Exeter; two daughters, Wendy Johnson Hoelting and her husband, Glen, of Shawnee Mission, Kansas, and Kimberly Johnson Nachbar and her husband, Paul, of Shawnee Mission, Kansas; and several grandchildren.

Keith grew up in Shawnee Mission, Kansas, and graduated from Shawnee Mission North High School in Overland Park, Kansas. He worked as a contractor building houses and as a sales representative for Luck E Strike Manufacturing in Cassville. Keith was an avid fisherman and enjoyed turkey, deer, quail and pheasant hunting. He loved music due to the influence of his mother who was a jazz pianist. Keith was a diehard Kansas Jayhawk and Kansas City Chiefs fan. He loved his dogs Poopie, Max, Rascal and Heidi, who preceded him in death. Keith also loved his new dog, Kat. He was an original member of the #45 dirt late

model race car team from Shell Knob.

He was a one-of-akind man, generous and loving until the end. Until we meet again my love.

Remembrance services will be held at a later date. Cremation arrangements are under direction of Fohn Funeral Home in Cassville.

### KENNETH LOYD **PATTON**

Kenneth Loyd Patton, age 97, of Monett, passed away Tuesday, December 19, 2023, at Cox Medical Center South in Springfield.

He was born April 12, 1926, in Purdy, the son of Roy L. and Harriett (Cochran) Patton. On October 18, 1965, in Cedar Rapids, Iowa, he was united in marriage to Monica Johanna Smith, who preceded him in death on June 24, 2012. Also

preceding him in death were his parents, two brothers, and two sis-

Surviving are one daughter, Karen J. Green, of Iowa City, Iowa; one stepson, Kenna Hall and his wife, Cathy, of Hiawatha, Iowa; one stepdaughter, Margaret "Marty" Garland and her husband, Frosty, of Cassville; two grandchildren; and two great-grandchildren.

Kenneth grew up and attended school in Cassville, graduating from Cassville High School. After graduation, he enlisted in the United States Army, serving during World War II in the South Pacific. He earned the Purple Heart and Silver Star. Upon returning home, he was employed by Midland Forge in Cedar Rapids, Iowa, as a foreman for several years. Kenneth enjoyed fishing and hunting.

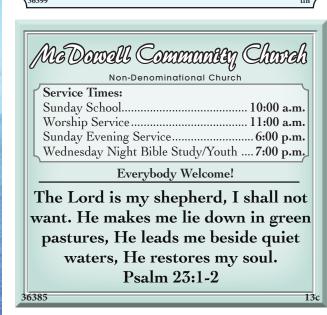

Private services will be held at a later date. Cremation arrangements are under direction of Fohn Funeral Home in Cassville.

What Is the Retirement Saver's Credit and How Does It Work?

Dear Savvy Senior,

Can you explain to me how the retirement saver's tax credit works? My wife and I are in our fifties and are looking for creative ways to boost our retirement savings beyond our 401(k). Is this something we may be eligible

Struggling to Save

Dear Struggling,

If your income is low to moderate and

you participate in your employer-sponsored retirement plan or an IRA, the Retirement Savings Contribution Credit (aka "Saver's Credit") is a frequently overlooked tool that can help boost your retirement savings even more. Here's how it

If you contribute to a retirement-savings account like a traditional or Roth IRA, 401(k), 403(b), 457, Thrift Savings Plan, Simplified Employee Pension or SIMPLE plan, the Saver's Credit

will allow you to claim 10, 20 or 50 percent of your contribution of up to \$4,000 per year for couples or \$2,000 for singles.

Keep in mind that a credit is not the same as a tax deduction it's better: While a tax deduction just reduces the amount of your income that is subject to taxes, a tax credit reduces your actual tax bill dollar-for-dollar.

To qualify, you must also be at least 18 years old and not a full-time student and were not claimed as a dependent on someone else's tax return. And your adjusted gross income (AGI) in 2023 must be below \$73,000 or less as a married couple filing jointly, \$54,750 or less if filing as head of household, or \$36,500 or less if you're a single filer. These income limits are adjusted annually to keep pace with inflation.

To get the 50 percent credit, you'll need to have an income below \$43,500 for married couples filing jointly; \$32,625 if you're filing as head of household; and \$21,750 if you're a single filer in 2023.

The 20 percent credit rate applies to couples earning between \$43,501 to \$47,500; for head of household filers it's \$32,626 to \$35,625; and for individuals it's \$21,751 to \$23,750.

And the 10 percent rate is for couples with an adjusted gross income between \$47,501 and \$73,000; for head of household filers \$35,626 to \$54,750;

and individuals it's between \$23,751 and \$36,500.

Here's an example of

how this works. Let's say that you and your wife earned \$75,000 in 2023. Over the course of the year, you contributed \$4,000 to your employer's 401(k) plan. After deducting your 401(k) contribution, your adjusted gross income (AGI) on your joint return is now \$71,000. Since your AGI puts you in the 10 percent credit bracket, and you've contributed the \$4,000 maximum that can be considered for the credit, you are entitled to a \$400 Saver's Credit on your tax return.

It's also worth mentioning that the Saver's Credit is in addition to any other tax benefits you get for your retirement contributions. So, in the previous example, not only would you be entitled to a \$400 credit, but you would also be able to exclude the \$4,000 401(k) contribution from your taxable in-

come. So, if you're in the 12 percent tax bracket, this translates to an additional \$480 in savings, for a total of \$880.

#### **How to Claim**

To claim the Saver's Credit, you will need to fill out Form 8880 (see IRS.gov/pub/irs-pdf/ f8880.pdf) and attach it to your Form 1040 or 1040NR when you file your tax return. For more information on the Saver's Credit, see IRS Publication 590-A "Contributions to Individual Retirement Arrangements" (IRS.gov/pub/irs-pdf/ p590a.pdf). The IRS also offers an online quiz you can take to help you determine if you qualify for the Saver's Credit. To access it go to IRS.gov/Help/ ITA - click on "Do I Qualify for the Retirement Savings Contributions Credit?" under the "Credits" tab.

Send your senior questions to: Savvy Senior, P.O. Box 5443, Norman, OK 73070, or visit SavvySenior.org. Jim Miller is a contributor to the NBC Today show and author of "The Savvy Senior" book.

### **Discover Nature with MDC Eagle Days**

The Missouri Department of Conservation (MDC) invites people to discover nature through Eagle Days events and by watching bald eagles around the state.

From December through February, Missouri's winter eagle watching is spectacular. Because of Missouri's big rivers, many lakes, and abundant wetlands, the Show-Me state is one of the leading lower 48 states for bald eagle viewing. Each fall, thousands of these great birds migrate south from their nesting range in Canada and the Great Lakes states to hunt in

Missouri. Eagles take up residence wherever they find open water and plentiful food. More than 2,000 bald eagles are typically reported in Missouri during winter.

MDC is again offering various Eagle Days events around the state.

Some will include live eagle programs, exhibits, activities, videos, and guides with spotting scopes. Some require registration. Get more information on MDC Eagle Days events at mdc.mo.gov/ events/eagle-days.

### Report on the Audit of the Financial Statements

#### Opinions

We have audited the accompanying modified cash basis financial statements of the governmental activities and each major fund of Cassville R-IV School District, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents. In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities and each major fund of Cassville R-IV School District, as of June 30, 2023, and the respective changes in the modified cash basis financial position thereof for the year then ended in

#### accordance with the basis of accounting in Note 1. **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Cassville R-IV School District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

As described in Note 1 of the financial statements, the financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial nents that are free from material misstatement, whether due to fraud or error

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial

# Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we

- · Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The accompanying Schedule of Receipts by Source, Schedule of Disbursements by Object, and Schedule of Transportation Costs Eligible for State Aid, and the Schedule of Expenditures of Federal Awards as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Receipts by Source, Schedule of Disbursements by Object, and Schedule of Transportation Costs Eligible for State Aid, and the Schedule of Expenditures of Federal Awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

# Other Information

Management is responsible for the other information. The other information comprises the budgetary comparison schedules but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance

In connection with our audit of the basic financial statements, our responsibility is to read the other information and  $consider \ whether \ a \ material \ inconsistency \ exists \ between \ the \ other \ information \ and \ the \ basic \ financial \ statements, \ or \ the \ other \ information \ and \ the \ basic \ financial \ statements, \ or \ the \ other \ information \ and \ the \ basic \ financial \ statements, \ or \ the \ other \ information \ and \ the \ basic \ financial \ statements, \ or \ the \ other \ information \ and \ the \ basic \ financial \ statements, \ or \ the \ other \ information \ and \ the \ basic \ financial \ statements, \ or \ the \ other \ information \ and \ the \ basic \ financial \ statements, \ or \ the \ other \ information \ and \ the \ basic \ financial \ statements, \ or \ the \ other \ information \ and \ other \ oth$ other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

In accordance with Government Auditing Standards, we have also issued our report dated December 8, 2023, on our consideration of Cassville R-IV School District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Cassville R-IV School District's internal control over financial reporting and compliance.

Springfield, Missouri December 8, 2023

# **Applications Available for 2024** Missouri Agribusiness Academy

From Missouri Department of Agriculture

The Missouri Department of Agriculture is offering 30 high school students representing 4-H clubs and FFA chapters, as well as farm families, throughout Missouri the opportunity to explore careers in agriculture through the 2024 Missouri Agribusiness Academy (MAbA). MAbA is a competitive program for sophomores interested in pursuing agriculture-related degrees and careers.

"The Missouri Agribusiness Academy is a unique opportunity for students interested in agriculture," said Director of Agriculture Chris Chinn. "Each year, we see the students grow through their MAbA experience. The students learn how an agriculture career may be the right fit for them, all while making lifelong friends and industry connections."

The students selected will participate in a yearlong program to learn about the unique opportunities for careers in the Springfield area, volunteer at the Missouri State Fair and learn more about the agriculture industry in Jefferson City. The 2024 schedule will be finalized in the spring and will include visits with industry and agribusiness leaders, as well as tours of their facilities.

Since 1988, the Missouri Agribusiness Academy has graduated more than 1,090 students through a competitive application and interview process. The first portion of the 2024 MAbA will be held June 3-7, and marks the program's 37th year. Students interested in participating must submit an application by Feb. 1, 2024.

For applications and guidelines, as well as more information on the Missouri Department of Agriculture and its programs, visit the Department online at Agriculture.

# Cassville School Staff Benefit from **DESE Grow Your Own Grants**

From Mindi Artherton, Cassville Schools

Shown above, left to right, are Cassville Assistant Superintendent Dr. Traci Mitchell and Grant Award Recipients Tracy Anders, Sarah Burton, Ashlyn Pulliam, Ibhet Alcaraz, and Iackie Sanchez.

The Department of Elementary and Secondary Education (DESE) has awarded the first-ever state-funded "Grow Your Own" grants to 125 local education agencies. The Cassville School District was among the list of grant recipients.

Grow Your Own programs work to attract local students as well as non-certified school staff, such as paraprofessionals and substitute teachers, to the teaching profession.

The benefit of the Grow Your Own grant awards recipients who have already been trained in district curriculum, processes and educational pedagogy to continue their education degree program.

As a result of the grant money, Cassville R-IV was able to award five \$2,000 scholarships to current Cassville staff members and student teachers.

Ken Hurley will (no texting please to be doing a presentation and walk through on January 20, 2024, along with Shane Schoeller, who is running for Secretary of State.

Shane Schoeller spoke briefly about state issues, and Burton Whaley introduced himself as running for State Representative for the 138th District.

Our young Conservative Republican, Grant Predder, was in attendance, along with his father, Gary. Grant is a fine young man with a great future.

Sheriff Danny Boyd announced that he will be running for re-election in 2024 and brought us up-to-date on what is happening our communities and state. Sheriff Boyd is encouraging us to get a Community Watch Program in our neighborhoods because of the high crime rate and drug problems and has asked for our help. We are so blessed to have a Sheriff like Danny Boyd and his deputies and staff who work hard to keep us all safe. He also attends our monthly meeting to keep us informed on what is going on in our communities and make sure we are all safe.

All of the Patriots that attend our monthly meeting are the ones that will make a difference on the outcome of both elections, because you show that you really care about the future
