Influential Woman of the Ozarks

Dr. Mary Jane Northcutt-Newman-Meredith, An Essay for Women's History Month

Jillian LeCompte, BCA Intern

Barry County was the home for most of her life to Dr. Mary Jane Northcutt-Newman-Meredith, better known as Dr. Mary by her patients.

In honor of Women's History Month, I was asked to research Dr. Mary's story. At the time I am writing this I am 17 years old, which is the same age Dr. Mary was when she graduated from college to become a doctor. Dr. Mary was truly astounding with numerous accomplishments.

Dr. Mary was born March 1, 1914, in Exeter, to Walter Northcutt and Maude McMahan Northcutt, both locals to Southwest Missouri. She attended school in Rogers, Arkansas, Cassville, and Seligman, then attended the University of Arkansas in Fayetteville, where she graduated at the age of 17. She went on to attend the University of Arkansas School of Medicine in Little Rock, and earned her doctorate of medicine in 1937 at the age of 23. She was one of only two women to graduate in a class of 61, as well as the twelfth woman to graduate in the school's history.

Dr. Mary went on to Woman's Medical College in Philadelphia for her internship, then moved back to the Ozarks to live out her dream of being a doctor.

In 1938, Dr. Mary started her first practice in Eureka Springs, Arkansas with the assistance of her father. In the February 11, 1976, issue of the Barry County Advertiser, Dr. Mary was quoted as saying, "I was the doctor, nurse, receptionist and janitor."

Later that year, Dr. Mary moved her practice to Cassville and shared space above the Rowland's Store, located on the southwest corner of the square.

In 1940, after marrying Dr. George Newman, she moved her practice to the Barry County Hospital and Clinic, which was situated in the big William LeCompte home near the high school, which was started by Mary's husband, Dr. Newman, along with Dr. Carl Poor.

After Dr. Newman's untimely death in 1949, Dr. Mary moved her practice to an office on the north side of the Hall Building on the square.

In 1969, Dr. Mary married Robert Meredith, a local music teacher and the designer of the building she would practice on Highway 76, until her passing in 2002.

In 2002, the Board of Healing Arts issued her a tribute for being licensed to practice medicine in Missouri for over 60 years. Dr. Mary loved her work. Delivering babies was a highlight of her career and she had the privilege of delivering several babies over the years.

Mary loved her community as much as she loved her work. In an interview from 1976, Mary said, "I never wanted to live anywhere else."

Mary served as President of the six-county Ozark Medical Society. She was one of two female doctors in the Ozark Medical Society in 1976. With Mary's field at the time mostly being filled by men, she has said that she was never discriminated against in her profession for being a woman. Although it did take a while for men to get used to a female doctor. Mary was an amazing, accomplished, and vivacious woman who loved her community.

Dr. Mary was listed in

Cassville PCA students clean litter from Greenway as part of senior project

Cassville High school seniors (shown above, left to right) Brady Mueller, Ashton Lauderdale, Donovan Henry, Garrett Kritz, Riley Ruark, Adon Ortega, Carter Williams, and Trevor Dalton, gathered on February 28 and removed litter from the City of Cassville Greenway.

Adriana Keeton

The Cassville High School second and fourth period Professional Communication Arts seniors chose the City of Cassville Greenway Trail as their second semester senior project. On the afternoon of February 28, seniors gathered and removed litter from the trail as part of their community service project.

Southwest R-V approves General Obligation Bond

The Board of Education of the Southwest R-V School District of Barry County approved a parameters resolution at a regular meeting on December 16, 2021, that authorized a final terms committee consisting of Danny Dalton, Board President; Tasha Tilford, Superintendent; and Larry J. Hart, CEO of L.J. Hart & Company. It approved the sale of \$895,000 General Obligation Refunding Bonds to its Municipal Bond Underwriter, L.J. Hart & Company of St. Louis within certain reoffering yield ranges. On January 26, 2022, the final terms committee was able to lock in interest rates ranging from 0.650% to 1.300% compared to an average interest rate of 4.020% for the Series 2017 Bonds. Through this refinancing, the District reduces future interest expense by \$119,841. It is the result of the strong current municipal bond market that is producing interest rates near historical lows. This \$119,841 plus the savings of \$428,342 from previous refundings and prepayments means that the District has saved \$548,183 of interest expense since 1998.

Ms. Tilford expressed enthusiasm and support for the refunding option selected by the Board of Education. "This plan achieves significant savings and allows the District to capture better conditions in the municipal bond market for the benefit of our taxpayers. It also preserves considerable flexibility for the District for the April 5, 2022, election for the no-tax rate increase," Ms. Tilford remarked.

Neil Branham, Assistant Vice President of L.J. Hart & Company of St. Louis prepared the refunding proposal and explained how it can fit into the long-range plans of the District. He mentioned that the three significant factors making the Series 2022 refunding attractive were the lower interest rates than in 2017, the fact that the Series 2017 Bonds are subject to prepayment at no penalty on March 1, 2022, and the District's ability to participate in the State of Missouri's Direct Deposit Program. This program makes it possible for the District to receive a "AA+" rating from S&P Global on the refunding bonds. Mr.

Bond from front

Branham complimented Ms. Tilford for her prompt and thorough preparations to supply the data necessary for the official statement, as well as the Board of Education for their foresight in making the Series 2017 Bonds callable in five years. The Series 2022 Refunding Bonds will have a five-year call feature of March 1, 2027, at no penalty.

The Series 2022 Refunding Bonds were made available to local financial institutions as part of the marketing procedure. The Freedom Bank of Southern Missouri agreed to purchase \$275,000, the Security Bank of Southwest Missouri committed to \$200,000, and Peoples Community Bank acquired \$420,000 of the Bonds as well. The closing for the Series 2022 Refunding Bond issue occurred on February 17, 2022. Ms. Tilford stated that she was pleased efforts were made to accommodate local investors. “It is great that our marketing procedures facilitated this local involvement while still receiving attractive interest rates. We appreciate the support of the Freedom Bank of Southern Missouri, Security Bank of Southwest Missouri, and Peoples Community Bank,” Ms. Tilford replied. Several board members commended Ms. Tilford and L.J. Hart & Company for developing the attractive refunding plan. “We are glad to be able to save \$119,841 of our taxpayers’ money by taking advantage of the most favorable conditions in the municipal bond market in over sixty years,” stated Mr. Dalton.

Dr. Mary from front

Dr. Mary (above right) examining a patient.

“Who’s Who of American Women” as well as honored to be the only woman honorary vice president of the Missouri State Medical Association in 1979.

Researching Dr. Mary Meredith was truly inspiring. As a girl who has grown up in Southwest Missouri, the entirety of Dr. Mary’s life is an inspiration, not only to young girls in the Ozarks, but to anyone from a rural area with big dreams. My whole life I have wanted to go into the medical field, but I knew it would be hard and take a lot of work. After reading about Mary, I feel assured that I am able to do what I put my mind to as long as I love what I am doing.

Dr. Mary had to overcome a lot of obstacles in her life, but she didn’t let those inhibit her path as an influential woman. Mary completed all of the schooling, not only at a young age, but as one of the only women even heard of practicing medicine at the time.

Oftentimes, it is easy to focus on all that could make

you fail, whether that be your circumstance or your background, but Mary didn’t let either of those stop her.

Haven of the Ozarks
 Pet of the Week

Meet Elliott and so many other adorable puppies! They are the Haven of the Ozarks Pets of the Week. We are currently inundated with puppies, and it's cute-

With the loss of a father and a possible life altering injury to my brain that happened only three months following, it's easy to focus on those things. Although, after reading about all that Dr. Mary Meredith accomplished, even after the loss of her spouse, it truly feels as though I can do anything as long as I am doing what I love, for who I love. This is precisely what Mary did. She helped others with medicine in the area that she loves the most, the Ozarks.

ness overload! While we adore them and they are lots of fun, a shelter (even a nice one!) is no place for babies to grow up. They are looking for families to love them and teach them all the things good dogs should know like walking on a leash, house-training, and not chewing on things that aren't theirs. In exchange, you will have a devoted best friend for life! You can meet a wide variety of breed mixes, ages, sizes, and colors at the Haven open 9-4 each day of the week. Each adoption means another life can be saved, so come see us!

Vote For
 ROBERT “BOB” DUNCAN
 for Mineral Springs
 Road Commissioner

I have been a lifetime resident of Mineral Springs Road District. I drive these roads every day. There is a lot that needs to be done to get our roads back up in shape.

My dad ran the road grader for Mineral Springs Road District for 18 years. I have been around heavy equipment all my life. I currently build roads in Stone County and on my farm. So I know how to get the job done.

My reason for running for commissioner is to get the roads back in shape where they should be. I will do my best to see that the roads are maintained properly.

I would appreciate your vote on April 5, 2022.

Thanks!!
 Robert “Bob” Duncan

Local Military Officers Association celebrates 50 years

Four State Chapter MOAA (Military Officers Association of America) will celebrate its 50th Anniversary as a local chapter on April 19, 2022. The event will be held at the Mining Days Building in King Jack Park, 703 Dawson Dr., Webb City, with the social hour beginning at 6 pm, dinner and program at 7 pm. The chapter was chartered on April 28, 1972.

The keynote speaker will be Captain James C. Murphy, USN (Ret), National MOAA Board member and 1973 graduate of the U.S. Naval Academy. Captain Murphy was a surface warfare officer and has a Masters in Systems Management from the University of Southern California. He held key command positions in the US Naval Reserve, including Reserve Commander, Defense Fuel Supply Center, and Reserve OIC, Norfolk Naval Supply Center.

In civilian life, Captain Murphy has extensive experience managing IT services, holding executive positions with Tenneco Business Services, KPMG, Gartner Inc., Oracle, and Trident Management Consulting.

All former or retired military officers and a guest are invited to attend the catered dinner and program at no cost. Reservation deadline for the dinner is April 10, 2022. RSVP to Jacob L. Snapp at jlsnapp1@gmail.com or 660-227-9517.

Four State Chapter MOAA supports the National MOAA legislative agenda to protect military pay and benefits; six local high school Junior Reserve Officer Training Corp (JROTC) programs; a Senior Reserve Officer Training Corp (SROTC) at Pittsburg State University, Pittsburg, KS; an Officer Candidate School at Missouri Southern State University (MSSU), Joplin, that is sponsored by the Missouri National Guard; Veterans Court of Jasper County; Veterans Home at Mt. Vernon; Freedom of Flight Museum at Joplin; annual Veteran's Day observances; placement of missing veteran headstones and providing veteran memorial markers at local war memorials.

Membership in the Four State MOAA Chapter is open to anyone who holds or has ever held a commission or warrant in any component of the Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service or National Oceanic and Atmospheric Administration and their surviving spouses.

Officers seeking additional information on MOAA may contact Jacob Snapp, LTC. USA, (Retired) at 660-227-9517 or John Tipton, CW04, USN (Retired) at 417-438-7406.

Purdy will have city wide cleanup on April 18

This cleanup is for those residing within the city limits of Purdy and are current on their trash bills.

The pickup will begin on the west side of town, working east until completion.

Items to be picked up must be stacked neatly at the edge of your property, so that they can be easily removed.

Do not place items into ditches or anywhere else that cannot be easily accessed by city equipment.

The City of Purdy will not be responsible for causing any ruts on your property with our equipment.

Please have ALL of your items out by 8:00 a.m. on April 18th.

Once the city employees have picked up the items in your neighborhood, they WILL NOT make a return trip to pickup more items that are put out after that.

Compressors MUST BE REMOVED from all refrigerator

type items, or they WILL NOT be picked up.

This is a list of items that WILL NOT be accepted:

- Yard Waste
- Highly Flammable Materials
- Hazardous Waste/ Hazardous Materials
- Partially Full or Partially Filled Containers of Pesticides.
- Roofing Materials/ Shingles
- Lead/ Acid Batteries
- Sludge or Septic Tank Waste
- Explosive Materials
- Medical Waste
- Waste Oil
- Ashes
- Paint/ Varnish
- Deceased Animals
- Tires

This is the chance to clean up your properties and get rid of any unwanted items.

Following the City Wide Cleanup, the Purdy Police Department will begin enforcing Code Violations in earnest.

Harvick Farms brings Cassville nursery back to life

SPONSORED CONTENT

Story and photos by Adriana Keeton

The much awaited grand opening of Harvick Farms, in Cassville, was held this past weekend on March 26. The once unused nursery, located at 16062 State Highway 76, was brought back to life by Joseph and Lainey Harvick, of Eagle Rock.

The couple began work on the property in January of this year and it has been a labor of love.

With the help of family and a lot of sweat and heart, they feel they have created an opportunity to become more involved in their community and to be role models for their

children.

Gardening has always been a passion the couple shared so they decided to take the leap of faith and fulfill their dream of providing a space for others to learn about gardening through educational classes, which are in the works with the MU Extension office of Barry County and the Barry County Gardeners Club.

“The smiles and joy on people’s faces when they come in is rewarding,” said Lainey. “Everyone has been supportive and it is a blessing how much kindness we have received.”

The nursery provides not only vegetables, flowers, herbs,

shrubs, indoor plants, soil and mulch, but plans to bring in products from other local businesses so they can continue to support local small businesses.

Lainey added, “If you are looking for an item we do not have at the nursery, let us know and we can get it ordered”.

Harvick Farms hours are Tuesday through Saturday from 9am-6pm. They are closed on Sunday and Monday. They can be reached by phone at 417-279-5535 or online at www.harvickfarms.com, on facebook as well as instagram.

NOW HIRING

TOOL & DIE MAKER

with Progressive Die/Single Hit Die experience

Night Shift. Due to extensive growth in our stamping area,

Regal Rexnord, Cassville, Missouri, is looking for a

talented individual with 5 years experience as a Tool & Die Maker.

Essential Functions

- Interpret blueprints and use necessary tools and measuring equipment to fabricate, repair, sharpen or modify new or existing tooling
- Fabricate and assemble various fixtures and templates.
- Diagnose progressive die and fixture problems and make necessary repairs.
- Participate in the tool and fixture design process discussions.
- Safely and proficiently operate all tool room equipment, including surface grinders, milling machines, lathes, brake, shear, drills. Mig and tig welding skills are a plus
- Work to close tolerance detail drawings and to collaborate with CNC and WEDM departments to produce needed die components and tooling within the quoted times
- Submit requisitions for supplies as needed and to maintain a clean, safe and organized work area
- Capable of troubleshooting dimensional issues and adjusting for optimal run conditions in press to support production schedule
- Working knowledge of quality inspection gauges and CMM data is required
- Experience in the area of die protection systems and tool coatings are a plus.
- The ability to program and operate a CNC milling center or a wire EDM is a plus.

RegalRexnord
Cassville, Mo.

SHARON “KAY” PERRY
Sharon “Kay” Perry, age 79, passed away Monday, March 21, 2022, at Mercy Hospital in Springfield. Kay was born June 18, 1942, in Pittsburg, Kansas, the daughter of Roy and Mary Spriggs. Raised on a farm with her two sisters, Kay was a quintessential farm girl. She learned to approach life with practicality, creativity, openness and love, and those traits she carried throughout her life.

After graduating high

school, she went on to become a registered nurse, attending the Mt. Carmel School of Nursing in Pittsburg, Kan. Kay married Roy Perry on November 30, 1963. They had two sons. One son, Jeffery Bret Perry, preceded her in death. Kay had a long and rewarding career as a nurse, spending most of her working life with the Boeing Company in Wichita, Kan. She was dedicated to her coworkers, friendly with everyone, and seemed to know almost everybody who worked at the plant. While never an avid sports fan, she nonetheless cheerfully supported her husband and sons’ youthful sports endeavors. She gladly became a team mom, making sure there was plenty of hot chocolate available for the winter games and amply cold

OBITUARIES

beverages for the summer events. She was always there for her boys and they knew she was their number one cheerleader. It seemed that she never met a stranger. The personal connection to others was very important to her. Kay loved to talk and loved to listen, always eager to catch up on what was going on with you and to share what was new in her world. Kay was quite gifted at the arts and crafts, immersing herself in many styles of creativity. Her house and the houses of her friends and family are adorned with some of the many pieces she created. She loved to collect family heirlooms and personal mementos. To her, the value wasn’t in the object itself but in the history and family lineage attached to each object. She could recall from memory the detailed past of each object and loved to share her memories of the person who once owned it. After retirement, she and Roy built a house on Table Rock Lake where they enjoyed hosting and entertaining their many friends and family members. Kay had a lifelong love of animals and she enjoyed observing the many creatures that dwelt in the woods around her house. She could not stand to see an animal in distress. Throughout her life she sought to rescue or home many stray domestic and wild animals.

Kay was a good daughter, sister, wife, mother, and friend. She is now and will always be greatly missed by those who knew her. In addition to her son Jeff, she was proceeded in death by her husband, her mother and father, and by her sister, Judy Ulery. She is survived by her son, Brian (Christine) Perry, of Greenbrier, Arkansas; her sister Vikki Bateman, of Pittsburg, Kansas; and by many nieces and nephews. Memorial and graveside services will be scheduled at a future time. In lieu of flowers, if one so desires, a donation may be made to Haven of The Ozarks Animal Sanctuary in Washburn.

JOHN OLIVER HESS
John Oliver Hess, age 73, of Cassville, passed away Friday, March 25, 2022, at his home. He was born November 27, 1948, in Sigourney, Iowa, the son of Oliver and Tillie Mae (Cox) Hess. On July 27, 1973, in El Dorado Springs, he was united in

marriage to Lorna Kay Scott, who preceded him in death on November 12, 2021. Also preceding him in death were his parents and two sisters, Sylvia and Margaret Ann. Surviving are one son, Chris Hess and his wife, Brandy, of Butterfield; one daughter, Lisa Skelton and her husband, Adam, of Seligman; one brother, George Hess and his wife, Jackie, of Clinton; and four grandchildren, Alicia, John, James and Karryann. John graduated from high school in Osceola. After graduating, he joined the United States Army, serving from 1969 until 1971 in the Vietnam War. Upon returning home, he purchased and operated a filling station in Osceola for several years. Later, he was employed at Cobb Hatchery in Jane for thirty years in maintenance and as an assistant manager, FASCO Industries in Cassville for seven years, and most recently worked at R.V. parks. He enjoyed working with his hands, working around the house and on old cars. He loved spending time with his family, especially the grandchildren. He was of the Baptist faith. Services were held Tuesday, March 29, 2022, at Fohn Funeral Home in Cassville. Brother Tony Ball conducted the services. Burial with military honors was at Roach Cemetery in Eagle Rock. Visit fohnfuneralhome.com for online obituaries, guestbook and private condolences.

ELIZABETH ANN “BETH” HARRIS
Elizabeth Ann “Beth” Harris, age 77, of Purdy,

passed away on Sunday morning, March 27, 2022, while at Cox South Medical Center in Springfield. Beth was born on October 5, 1944, in Joplin, daughter of the late Carl and Maude (Boggs) Chandler. On October 5, 1962, in Sarcoxie, Beth married Gary W. Harris. To this union, they were blessed with three children. Beth is survived by her husband, Gary, of the home; two sons, Rick Harris and wife, Rhonda, and Brian Harris, all of Purdy; one daughter, Terri Garrison, of Purdy; three grandchildren, Jake Harris, Andy Harris and wife, Kaylynn, all of Purdy, and Kindra Eden and husband, Kelbe, of Cassville; three great-grandchildren, Asher and Moriah Eden and Elliot Harris; as well as one sister, Belva Lou Parmley, of Sarcoxie. Beth was preceded in death by one son-in-law, Daniel Garrison; and two brothers, Nelson and Elwin Chandler. Beth enjoyed many things in her life, but she dearly loved the Lord, her grandkids and singing. Private family services were held at the Harris Family Cemetery. In lieu of flowers, memorial contributions can be made to Gideon’s International in care of the funeral home. Arrangements are under the personal care and direction of the Buchanan Funeral Home, Monett.

DALE KEVIN JONES
An informal memorial for Dale Kevin Jones will be held at 2 p.m., Saturday, April 2, 2022, at Seligman City Hall. All who knew and loved him are welcome.

DORIS ANN CONNER

Doris Ann Conner, age 68, of Cassville, passed away Thursday, March 24, 2022, at AdventHealth Lake Wales in Lake Wales, Florida.

She was born February 16, 1954, in Cassville, the daughter of James and Bonnie (Daniels) Sanders. On October 10, 1986, in Rogers, Arkansas, she was united in marriage to David Conner, who survives. Also surviving are two sons, Eric Brattin and his wife, Donna, of Orlando, Florida, and Michael Anthony Brattin and his wife, Emme, of Mt. Vernon; one sister, Marla Large, of Exeter; seven grandchildren; and nine great-grandchildren with one on the way.

Preceding her in death were her parents; one brother, Jack Sanders; and one sister, Debbie Huse.

Doris grew up and attended school in Exeter, graduating from Exeter High School. She co-owned and operated Fabritec, a sewing company in Purdy from where she retired in 2007. Doris enjoyed traveling, playing golf, watching the Arkansas Razorbacks play football and basketball and was a Kansas City Chiefs fan. She loved to travel but most of all she loved her family. She was a member of Community Faith Chapel in Cassville.

Services were held today, Wednesday, March 30, 2022, at Fohn Funeral Home in Cassville. Pastor Rick Cooper conducted the services. Burial was at Maplewood Cemetery in Exeter.

Visit fohnfuneralhome.com for online obituaries, guestbook and private condolences.

RUBY CARGILE

Ruby Cargile, age 83, of Pineville, passed away at her home on Thursday, March 24, 2022. The daughter of Butch and Opal (Sullivan) Wise, Ruby was born on December 28, 1938, in Crane.

Subsequent to graduating from Hurley High School in 1956, Ruby married Bill Cargile, spending 32 years together before his eventual passing in June of 2017. A believer in the Baptist faith, Ruby was an incredibly hard worker who was still actively doing drywall with her son at the age of 81.

Ruby loved to go “coon” hunting, so much so that she got a tattoo in tribute of the activity. Ruby enjoyed fishing, cattle penning, horses and even a good game of bingo with friends. To Ruby, however, her family was everything, and her grandchildren were her greatest source of joy. Ruby was a kind soul who will be dearly missed by all who knew and loved her.

Ruby is survived by her two children, Greg DeWitt, and Teena Stewart, both of Pineville,; several grandchildren and great-grandchildren; two brothers, Larry Wise, of Purdy, and Jerry Wise and sister Joan Eubanks, both of Clever.

In addition to her parents, Butch and Opal Wise, Ruby was preceded in death by her husband, Bill Cargile, and her daughter, Reena Eberle,

Arrangements are under the direction of White Funeral Home and Crematory, Cassville.

JESSE DAVID PEREZ

Jesse David Perez, age 75, of Pierce City, passed away on Wednesday, March 23, 2022, at Mercy Hospital in Springfield. Services were held under the direction of the White Funeral Home and Crematory, Cassville.

JEFFERIE SHIELDS

Jefferie Shields, age 60, of Cassville, passed away at his home on Sunday, March 27, 2022. The son of James and Linda (Wilson) Shields, Jeff was born on January 25, 1962, Midwest City, Oklahoma.

Jefferie was an avid outdoorsman. Hunting and fishing were some of his favorite pastimes. He was also a man's man who truly enjoyed working on cars, building things and even making knives. Jefferie was a much beloved husband, son, father and grandfather, he will be greatly missed.

Survivors include his loving wife, Mary Collins, of Cassville; his mother, Linda Shields, of Cassville; one son, Tyler Collins, of Cassville;

one grandson, Carter Collins; and one sister, Patricia Shields, of Rogers, Arkansas.

Jeff was preceded in death by his father, James Shields.

Visitation for family and friends will be held on Friday, April 1, 2022, from 5:00 p.m. to 7:00 p.m. at the White Funeral Home in Cassville.

Service arrangements are under the direction of the White Funeral Home and Crematory, Cassville.

PAUL RANDALL “RANDY” CLINE

Paul Randall “Randy” Cline, age 54, of Pineville, passed away on Tuesday, March 29, 2022, at Mercy Hospital in Springfield. Randy, son of Paul and Kathy (Henson) Cline, was born October 2, 1967, in Rogers, Arkansas.

Randy was preceded in death by his parents, Paul and Kathy Cline; paternal grandparents, Ivan Cline (Flo) and Leota Cline; maternal grandparents, Col. C.J. Henson and Dimple Henson.

Randy is survived by his daughters, Ashley Trager (Andrew), and Sky Cline, all of Seligman; two sisters,

Teresa Marcotte (James), of Jane, and Denise Musteen, of Rogers, Arkansas; four grandchildren, Izan Trager, Makynlii Cline, Myla and Bo Davis, all of Seligman; two nephews, Jeremy Marcotte, of Bella Vista, Arkansas, and Josh Marcotte, of Jane; as well as several aunts, uncles and cousins.

Randy was a 1987 graduate of Pea Ridge High School. He enjoyed life to the fullest and lived it on his terms. Randy was a happy go lucky people person who touched many lives along his path; if you were lucky enough to call him friend then you knew you had a friend for life. Randy was an incredibly loyal person and was a gifted storyteller who often started his stories with: “There I was, minding my own business, when...” Randy was one of a kind and will be dearly

missed!

Funeral services will be held at 11:00 a.m. on Monday, April 4, 2022, at the White Funeral Home in Cassville, with Pastor Mike Avers officiating. Burial to follow at Scott Cemetery in Garfield, Arkansas.

The family will receive friends from 2:00 p.m. to 4:00 p.m. on Sunday, April 3rd at the funeral home.

Memorial contributions may be made to Integrity Hospice and entrusted to the White Funeral Home, P.O. Box 890, Cassville, MO 65625.

Funeral arrangements are under the direction of the White Funeral Home and Crematory, Cassville.

60190088 - **SMALL ACREAGE** on a paved highway. Build your home and have land for livestock or hunting. 12 acres m/l, could also be split to fit your needs. Call listing agent for different possible splits. **\$79,900**

60209328 - **PRICE REDUCED!** Double-wide mobile has a built-on 1.5 car garage with opener. Built-on sun room with thermo-pane windows. Mobile is on permanent foundation and has chain link fencing. **\$129,900**

60207747 - **WINTER LAKE VIEW** of Table Rock Lake. Main level has 2 bedrooms and 2 baths. 3 sliding doors lead to outside living areas. Finished basement provides additional living space and a 2-car garage. 12x16 m/l storage bldg with shelves on all 4 walls. Nice quiet neighborhood. **\$265,000**

60206494 - **LOOKING FOR PRIVACY** & a piece of land to call your own? Look at this approximately 10 acres on a dead-end road in Golden. Land is mostly wooded, but has a few cleared areas. Electricity located at the road. Nice piece of land for your home or for a get-away place. **\$60,000**

60212030 - **REDUCED PRICE!** Gorgeous fully bricked home sits on nearly 2 acre lot in a quiet subdivision. With 4 bedrooms, 3 full bathrooms and 3372 sq. ft., there's plenty of room for everything you need. Tall ceilings & stainless-steel appliances in the kitchen. Basement is the perfect space for a gym, craft room, movie theater, etc...So much space and tons of storage! **\$398,500**

60212558 - **NICE OLDER HOME** with lots of updates. Newer roof, vinyl siding, vinyl windows, newer heat and A/C. Newer large kitchen and dining area. **\$150,000**

60203918 - **2 BEDROOM, 1 BATH HOME** in town. Has been a rental for several years. If sold as a rental, the tenant would like to stay. **\$70,000**

We have seven friendly agents ready to help you find YOUR dream home. Call or come by today!

Eagle Rock-Golden-Mano Fire Protections District will be on the April 5th, 2022 Ballot. We are asking our residents to show their support by voting yes on proposition #1. Our Fire Department and First Responders respond to a 103 square mile area in Barry County which includes Eagle Rock, Golden, Mano and Roaring River State Park. Our call volume over the past 10 years has increased 62%. Anyone who has questions or concerns is invited to attend our Town Hall Meeting, March 31st, at 7pm. 30625 State Hwy 86, in Eagle Rock. We will answer your questions and discuss any concerns. Please show your support and vote Yes on Proposition #1.

Letters to the Editor

To the Editor: Republicans and Democrats should be able to agree that no president, regardless of party, should be able to obstruct and undermine the will of the American people or exploit weaknesses in our political system for personal gain. That's where the Protecting Our Democracy Act comes in. If passed, it would prevent future abuse of presidential power and corruption, increase transparency, and ensure presidents of either party can be held accountable. Strengthening the guardrails on presidential power is just common sense. If the average person used their office for personal gain, they'd go to jail. If the average person could pardon themselves, there would be no rule of law. No president should be above the law. That's why I'm urging Congress to pass the Protecting Our Democracy Act. We must prevent future presidents of any party from abusing the power of their office.

Sincerely, Susan MacLeod

Once again, the April election is right around the corner, and once again, the city is coming to the Cassville voters with its hand out begging for more tax dollars.

Most all of you will recall the 3/8 cent sales tax that was going to pave all the streets in Cassville in a mere seven years time frame? In fact, on 3/12/14, one of the local newspapers quoted Bill Shively as saying, "If the tax is passed, all revenues would be specifically earmarked for streets and transportation." Well, guess what? Seven years has come and gone, and during that time the city has collected more than 2.66 million dollars from this tax, yet I doubt that 5% of the streets in Cassville have been resurfaced.

In April of 2017, an 11 million dollar bond issue was passed to upgrade the city's water and sewer system, but five years have gone by and they have yet to break ground on either of these projects. Because of such poor planning, I can assure you that the 11 million will be far from enough once the project does get underway. (If it ever does). Yet they are now asking for more money by passing another tax.

At the same time, the county is asking for a 1/2 cent "law enforcement" sales tax, in addition to what they already collect. But how can we, as taxpayers, be certain that by passing this tax, the commissioners won't reduce funding that's already in place? It's a fact that the Sheriff's office is underfunded. It's a fact that we need a new jail. But the label of "law enforcement tax" covers a very broad range of agencies, varying from the criminal courts to the juvenile court. This makes me question how much of this tax will really go to the Sheriff's office to cover their shortfalls.

Last of all, if the county is to build a new jail, why would they build it on one of the last remaining partials of commercial land available? By doing this, they would be destroying any commercial prospect this property may have for the future. After all, how many retail shops can you think of that would want to build near the county jail? Why not build the new jail on Gravel Street, right behind the judicial center? This would allow for an above ground walkway that would link the jail to the judicial center for the moving of prisoners, with the area between the judicial center and the jail available for parking. After all, the county already owns this property, so the saving would be significant. Please consider all of these issues thoroughly before you vote.

Gail Purves

I recently took the time to contact the Missouri Department of Revenue regarding the amount of sales tax charged to people shopping in Cassville. The individual I spoke with sent an official print out of all the taxes that are in effect, and it really concerns me when I saw how frequent these taxes are increased.

For instance, the State of Missouri has not increased its sales tax in 32 years. Yet city and county increases are extremely frequent. In 2000, the city passed a 1/2 cent sales tax. In 2012, the county passed a 3/8 cent sales tax. In 2013, the county renewed an existing 1/2 cent sales tax. In 2014, the city passed a 3/8 cent sales tax. In 2020, the city passed a 1/2 cent sales tax.

This is a total of 2 1/8 percent increase in sales tax rates just since the year 2000, all from local government. So I guess my question is, why can't the local government bodies be as frugal as the state is? Five sales tax increases since 2000 compared to no sales tax increases in 32 years by the state? Yet now, the county is asking we approve another 1/2 cent sales tax which will be on the next ballot, bringing the total increases since 2000 to a 2 5/8 per cent.

I am sure that the county needs a better jail, and that's obvious. But is this the way to address it? Many may say that costs have gone up, but you have to realize that as a parent, my costs go up in the same way.

Another thing I wish to bring up is the fact that increasing the sales tax hurts business. If I live outside the city, and I have a choice of shopping here in Cassville or going to Monett where the tax is less, I will go to Monett. I have to say that as a business owner and a parent, I can't support the proposed sales tax increase.

A concerned citizen,
Jill Yarnall Ware

242,774 pounds of venison collected for Share the Harvest

The Missouri Department of Conservation (MDC) and the Conservation Federation of Missouri (CFM) thank the thousands of Missouri deer hunters who donated 242,774 pounds of venison to the state's Share the Harvest program this past deer season, including 5,053 whole deer.

MDC and CFM also thank the participating meat processors throughout the state who grind the donated deer meat into ready-to-use packages, and the many sponsors who financially support the program.

Meat-processing fees are covered entirely or in part by numerous local sponsors, along with statewide sponsors that include Shelter Insurance, Bass Pro Shops, Feeding Missouri and MDC.

The donated deer meat goes to local food banks and food pantries to help feed hungry Missourians all around the state. To get Share the Harvest venison, contact local food banks or food pantries.

Share the Harvest is coordinated by MDC and CFM and is celebrating 30 years of helping to feed hungry Missourians. Since the program was started in 1992, it has provided nearly 5 million pounds of lean, healthy venison to help feed hungry Missourians, including this past season's donations.

DON'T FORGET TO VOTE ON APRIL 5!!

PROP U - KNOW THE FACTS!

Funds Community Services

Generates Local Revenue

NOT A DOUBLE TAX

What is a local Use Tax?

A Use Tax is a tax on the purchase of goods by Missouri residents from out-of-state vendors. If a product is exempt from sales tax, it would be exempt from the Use Tax.

How can a Use Tax benefit my community?

As internet purchases increase, local revenues decrease. Funds generated from the Use Tax can be used to pay for vital municipal services, including: public safety, sidewalks and parks, and emergency equipment.

What is the rate of the Use Tax?

The local Use Tax is the same rate as the local sales tax rate. If the local Sales Tax is reduced or raised by voter approval, the local Use Tax shall also be reduced or raised by the same action.

Cassville Girls Soccer

Coch Jake Forste

Player of the Week: Emerson Grossman ('24, GK). Emerson had two shutouts on the week, along with a goals against average of 1.00 in our three games played.

3/26: Cassville vs New Covenant (location: Evangel University)

Cassville 0, NCA 0

NCA wins 2-0 in penalty kick shootout

In two '21 matchups, NCA outscored Cassville 12-1 on the way to a Class 1 state Final Four appearance. We knew we had our hands full with their top returning players, but we put together a solid game plan that the girls executed well. Our best attacking chance came in the first overtime when an Audrey Gosvener ('24) shot grazed the back post. In the penalty shootout, sophomore Emerson Grossman

stood tall, stopping three of five penalties. Unfortunately, we weren't able to convert from the penalty spot, losing the shootout 2-0. We left the game with heads held high -- as that is a great team and we took them the distance.

Greenwood tourney 3/28

Cassville 0, Greenwood 3

Cassville 1, Aurora 0

Some tired legs from Thursday night led to a bit of a slow start vs Greenwood. Our defense was excellent in the first half, but the Lady Jays were able to find the net three times in the second half. We got it back on track vs Aurora in Game 2, only allowing one shot for the duration of the match en route to a 1-0 shutout. Annie Moore recorded her first-every varsity point on the game winning assist, and Audrey Gosvener netted the game-winner for Cassville.

Southwest Track

Steve Voyak

Led by two relay teams, the Southwest boys track team finished fifth in the McDonald County Stampede last week in Anderson.

The 4x800 team of Robert Humphries, Otis Rainer, Caden Uthe, and Christian Long won the race in a time of 8:56.36. In the 4x100, the team of Rainer, Uthe, Ezra Sprowes, and Matteo Lumetta earned bronze with a time

of 47.08 finishing behind Carthage and Cassville.

"It was cold and nasty but I was impressed with both groups," said Coach Steve Voyak. "Our 4x800 has experience so I was hoping for a good time but the 4x100 ran a nice race given minimal practice with handoffs and chemistry."

Other highlights on the boys side: Uthe was second in the high jump at 5-8 and third in the 400 (55.18) and Rainer was third in the long jump at 17-4 and Long finished runner-up in the 800 (2:15.59) and two-mile (11:34).

In the girls meet, the Lady Trojans were 7th of 10 teams but had many athletes score, including Cally Bowyer in 3 relays and the triple jump, Lyric Bernard in two relays and the 300 hurdles, Alexis Raucstadt scored in the 400, 800 and the 4x800 relay, Juliauna Sierra and Allison Harling each scored in three relays. Makaila Anderson scored in two relays.

Southwest has meets this week at Republic and Diamond.

Leave tree trimming to experts

Recent storms and spring growth have left a lot of trees in need of attention. Barry Electric Cooperative wants you to know that tree trimming is a job best left to experts, especially when they are located near power lines. In fact, the two leading causes of death while trimming trees come from falling and electrocution.

Whenever you trim trees or do other yard work, remember these tips:

- Wear safety glasses to protect your eyes from sawdust, pine needles and other debris.
- When operating a trimmer or chainsaw, you'll need ear protection, shoes with slip-resistant soles, chaps and gauntlets.
- If you use a ladder, tie it off to a secure location. Never go anywhere near a power line with a ladder, especially a metal one.
- Be aware of anyone on the ground. It's best to have a spotter watch for people who might wander into your worksite.
- Safety is our number one priority and we are trained experts in safely removing debris from around powerlines. If in doubt, call us!

River is in great shape. The level is 118 CFS at the moment, no rain in forecast, so it will continue to drop some everyday. The water is still murky, not muddy, just not 100% clear. Still, the dry fly fishing has been pretty good. Caddis and BWO's every day, tricos every morning for a few hours. Blue wing olives, parachute adams, griffiths gnats, cracklebacks, elk hair caddis are all good dries to try right now. Pheasant tails, sow bugs, burlaps, copper johns and small black zebra midges are all working pretty good. 9' 6X leaders are great for nymphing, 7X on dries, and if you're fishing a bigger streamer, I'll use 5X or sometimes 4X Glo-balls. San Juan worms, thread jigs, small john deer, mega worms, and mop flies are all catch-

ing trout right now. Rooster tails will work if you fish them early and sometimes during the day. Black, brown, green have been good colors. When you fish any spinner, reel it in as slowly as possible, just fast enough to keep the blade spinning. Power bait is still a safe bet if you just want to catch a fast limit. The cheese yellow, orange, pink, and the white have been good colors in both eggs and worms. Marabou jigs in olive, black/yellow, white, brown, tan, and gray have been working well all week. Fishing the bigger 1/16, and 1/8 jigs seems to be working the best in zone 2; in zone 1, smaller is working a bit better, smaller micro style jigs are pretty good right now.

Good luck on the river this week, have fun.

Paddlefish season underway on Table Rock Lake

Adriana Keeton
Spring paddlefish season began March 15, 2022, and will run through April 30, 2022, on Table Rock Lake. Paddlefish, commonly known as spoonbills, due to their paddle-shaped snouts that account for upwards of a third of their body, are one of America's largest freshwater fish and can weigh more than one hundred pounds.

Since the first stock of fingerling paddlefish were introduced in Table Rock Lake by the Missouri Department of Conservation in 1972, paddlefish have become popular among anglers due to their speed and strength. They are commonly found in the upper reaches of the James River Arm within three miles of Flat Creek. Public access includes Cape Fair and Bridge Port in Stone County.

A new regulation change established a statewide minimum length limit of 32 inches-measured from eye to fork of tail- for sport/recreational taking of paddlefish, up from the previous minimum length of 24 inches. The existing minimum length limit of 34 inches-measured from eye to fork of tail-will remain in effect for Table Rock Lake.

A fishing permit is required, unless exempt. New regulations to Table Rock Lake are as follows:

The daily limit is two paddlefish, with the possession limit set at four paddlefish. No one can continue snagging after taking their daily limit of two paddlefish.

The Missouri state record for paddlefish changed hands and lakes on March 18, when Illinois man, Jim Dain (pictured right), snagged his 140 pounds, 10 ounces paddlefish from Lake of the Ozarks. The previous record of 140 pounds,

9 ounces, had been held since March 2015, by Andy Belobradic, of Richwoods, from Table Rock Lake. Happy snagging and don't forget to submit your catches to editor@4bca.com.

SK Chamber to host hiring event

The Shell Knob Chamber of Commerce is hosting a meeting of local businesses for potential employees through the His House Foundation.

Trina Cowell, President of His House Board of Directors, will give a tour of the facility and explain how the community can work together to help locals and businesses thrive.

The meeting will be held at His House Building, 25832 Hwy YY, in Shell Knob, on Thursday, April 21, at 6 p.m. Refreshments will be provided.

Registration deadline is April 19. Register by contacting Chamber Director Kellie Davis at 417-858-3300.
