## Sen. Roy Blunt replaces stolen flag at the Cassville Senior Center

Charlea Mills

Yesterday marked an unexpected surprise for the local Cassville Senior Center when U.S. Senator Roy Blunt came to present a new flag to replace the one stolen two weeks ago.

After being a target for vandalism multiple times over the last few years, a new low was realized when someone cut the ropes on the senior center's flagpole and stole the flag that flies in the parking lot. The flag served as a welcome sight to all seniors who visit the center, particularly veterans, and it's theft left them shocked.

Administrator Adena Cox-Holloway said that

when they arrived at the center one morning, they saw that the flag was gone. A police report was made, but no information was received about the perpetrator of the crime. The Cassville Police Department believed it to be an isolated incident, and no other flags were stolen.

After reading that the flag was stolen, Senator Blunt made arrangements to get a new flag and presented it to the center himself on Tuesday afternoon. Senator Blunt presented the flag to Cox-Holloway in front of a group of senior center regulars and said, "This is a flag that flew over the Capitol with the purpose that it would be brought here to

Sen. Roy Blunt presented a new flag, which once flew over the Capitol, to Cassville Senior Center administrator Adena Cox-Holloway to replace the one stolen two weeks ago.

the Cassville Senior Center." When met with much

appreciation from the crowd gathered that afternoon, Blunt said, "I'm glad that I can be helpful and that the senior center is clearly doing

so well."

He also stated, "Someone actually came and took that

## Butterfield Fire receives \$151K grant

Charlea Mills

The Butterfield Fire Department just received word that they were approved for \$151,200 grant to purchase new equipment. Fire Chief Tommy Ray said that they got confirmation on Tuesday, August 11, that they would be receiving the funds soon.

Ray said, "It's a 95/5 grant, so they give us 95 percent and then we have to provide five percent." Numbers mean that the federal government will deposit \$144,000 and the local department will contribute \$7,200.

Ray said this is the fourth

or fifth time the department has received the grant which is called the Assistance to Firefighters Grant (AFG). Within the grant application, the department has

to specify what they'll purchase with the funds. Ray said, "We're allotted so many of each piece of equipment

## Cassville teen flown out for serious injuries after crash

Charlea Mills

One Cassville teen was injured over the weekend in a on-car crash on Sunday morning around 7:35 a.m.

A 2003 Jeep Liberty, driven by a 16 year-old from Cassville, crashed when it slid off the roadway and struck a road sign, according to the Missouri State Highway Patrol. The Liberty was east bound on Highway 86 five miles east of Cassville.

The passenger in the car, a

17 year-old also from Cassville, was seriously injured and had to be transported by plane to Cox South in Springfield.

The driver was not injured. Neither was wearing a seat belt at the time of the crash.

*\*Note: It is the policy of our paper not to release the names of minors involved in boating and automobile incidents, even if their names are on public record.*

## Disaster declaration made for Barry County flooding

Charlea Mills

A month after floods ravaged Barry County, the President declared Barry County as a federal disaster, making funds available for public damage.

According to a press release on August 8, the declaration includes Barry in a list of 68 counties across the state that received the disaster declaration by the Federal Emergency Management Agency (FEMA). Federal funding will be made available to public entities on a cost-sharing basis to clean-up and repair of areas damaged by the torrential rains that caused

## FLAG from FRONT

Above, Administrator Adena Cox-Holloway, Delbert Mathews and Max Meek raised the flag to its new place at the Cassville Senior Center.

flag from the senior center. I just wanted to make sure they had a new one. It's important to country. It's important to the community, and it's important to the senior center."

As Senator Blunt visited with the seniors before leaving, one man remarked that with funding cuts to aging officers and senior-centered services, he asked for the senator to keep that in mind

while he is in Washington D.C.

Upon finding out that the center provides around 3,800 meals monthly with only three staff members, he assured that he would keep an eye out for legislation that further damage senior centers like Cassville's.

# Kids Fishing Day to bring big catch this weekend

Charlea Mills

The annual fall Kids' Fishing Day at Roaring River State Park is this weekend. Kids 15 and under can fish for free on the state park's upper banks on Saturday from the opening buzzer at 7 a.m. until closing at 8 p.m.

The day will be packed with fun activities and plenty of opportunities to kids to learn valuable lessons about not only trout fishing, but the great outdoors, as well.

Paul Spurgeon, hatchery manager at Roaring River, said that his staff are stocking the river with 3,000 trout for the special fishing event. Among those will be 100 lunkers which weigh three pounds or above.

Also on site that day will be plenty of volunteers to help kids learn the art of trout fishing.

Tags will be available at the main tent near the hatchery during the event on Saturday, or you can pick up a tag on Friday at the Hatchery Office.

Spurgeon said preparing for Kids' Fishing Day this year involved a lot of flood clean-up. He said, "We've got the river back in good shape with all the flood damage that we had. We had to get gravel removed from the pools and dams built back up, but we've got it ready for kids to fish."

Spurgeon added that

staff focused their efforts on the upper portion of the river in anticipation of kids' fishing day.

Last year, 970 tags were handed out at the park for kids to learn the ropes of trout fishing. That was an unusually good year for the park, and they are anxious to see how many kids fish this year.

If kids attend at least three outdoor classes, they may enter their names for a drawing at 5 p.m. for a variety of prizes. Children must be present to win.

## Kids' Fishing Day Outdoor Conservation Classes:

- 9 a.m. - Fly casting with David Waugh
- 9:30 a.m. to 1 p.m. - Air rifle shooting
- 9:30 a.m. to 3:30 p.m. - Operation Game Thief Trailer

HAPPY BIRTHDAY

95

The children of Leona Butterfield, Marvin and carol Thomas and Bob and Janie Painter, invite you to an Open House in honor of her 95th birthday. The Open House will be held at Lacoba Homes in Monett, from 3-5 p.m. on Saturday, August 15th. The omission of gifts is requested as your presence will be her gift.

If you can't attend and would like to send a card, the address is: Lacoba Homes, P.O. Box 885, Monett, MO 65708

# DWI enforcement to begin on August 14

Labor Day weekend brings a surge of travel across the nation. During the summer’s last holiday, many will make the conscious mistake of driving impaired, - and we’re not just talking about alcohol. A person can also be arrested for driving under the influence of illegal drugs such as cocaine, marijuana, other controlled substances, or even prescription medication.

Getting arrested could be the least of your worries. A substance impaired driving arrest could cost you thousands of dollars in fines, court costs and lawyer fees, not to mention you could also lose your license, lose your job, or worse yet - take someone’s life!

This year’s Drive Sober or Get Pulled Over high-visibility crackdown will run Aug. 14 through the Labor Day holiday on Sept. 7.

“Impaired driving continues to be a huge concern on Missouri roadways,” said Colonel Bret Johnson, superintendent of the Missouri State Highway Patrol. “We will continue our year round efforts of enforcing Missouri’s DWI laws and through this campaign create public awareness to the dangers substance-impaired driving causes on our high-

ways.” Statewide law enforcement made 314 DWI arrests, 27 DUI drug arrests, 11 drug influence arrests and 127 MIP’s during this campaign in 2014.

National Highway Transportation Safety Administration data shows that drivers respond well to this type of high visibility enforcement. Past campaigns have resulted in a 20 percent decrease in substance-impaired crash fatalities. On average, one person will die every 34 minutes in an impaired driving crash over the Labor Day period, that’s a lot of lives that could be saved.

“Each day lives are drastically changed or lost in preventable traffic crashes caused by substance-impaired driving,” said Bill Whitfield, executive chair to the Missouri Coalition for Roadway Safety. “In 2014, 197 people were killed, and 703 seriously injured in Missouri crashes that involved at least one substance-impaired driver”

We are all a part of the solution. To learn more about substance-impaired driving and how you can Arrive Alive, visit save-MOlives.com, or follow social media at Save MO Lives, #DriveSoberMO.

## Five generations

Five generations, descendents of Willadene Cooper Burton, originally of Jane, are proudly pictured above. From left to right: Willadene Cooper Burton, of Visalia, Calif., great-great-grandmother; Sharon Crotwell, of Cassville, great-grandmother; Christine Peck, of Exeter, grandmother; Justin Williams, Eugene, Ore., father. The two babies are Laura Christine and Justin Williams Jr., of Hamford, Calif.

Another five generation line, descendents of Willadene Cooper Burton, born in Jane, proudly pictured above. In the back row: Sharon Crotwell, of Cassville, great-grandmother. Front row from left to right: Theresa Machado, of Porterville, Calif., grandmother; Willadene Cooper Burton, of Visalia, Calif. great-great-grandmother; Baylor Michael Wolf; Brittany Wolf, of Porterville, Calif., mother.

## Stevenson-Katzfey engagement announced

Amanda Kae Stevenson, of Purdy, and Joseph Paul Katzfey, of Peru, New York, are pleased to announce their engagement. Amanda is the daughter of Robert and Stacy Stevenson, of Purdy. She is a graduate of Purdy High School and Crowder College and is employed as a opthamalic tech for Dr. Ramesh Shah. Joseph is the son of Diane Katzfey and the late Donald Katzfey, of Peru, New York. He is a graduate of Peru High School and Crowder College, and is a driver for Affordable Propane.

## Ashes celebrate 45 years

Lonnie Ash and Sandra Conley were married August 10, 1970, in Butterfield at Log Church. To this union was born two sons, Gary and Greg. They are celebrating their 45th wedding anniversary, and their family is pleased to wish them many more years together..

## Madison-Marshall wedding announcement

Kerry and Lisa Madison, of Exeter, and Steve and Cari Shiveley, of Cassville, happily announce the upcoming marriage of their children, Bridges Keely Madison and Garrett Blake Marshall. Bridges is a 2014 graduate of Cassville High and is attending Crowder College. Garrett is a 2012 graduate of Cass-

ville High and is employed with IDF in Monett and is attending flight school. The wedding will take place on August 22, 2015, at 5:00 p.m. at the Emory Melton Inn and Convention Center at Roaring River State Park with a reception to follow. The couple will make their home in Cassville.

## Did you know?

A lack of regular exercise can be more harmful than previously thought. According to a study published in The Lancet in 2012, across the globe sedentary lifestyles are now causing as many deaths as smoking. Data indicates that a lack of physical activity is causing 5.3 million deaths per year and that the problem is so bad some believe it should be treated as a pandemic. Exercise can reduce rates of obesity, strengthen bones, help a person manage stress, and reduce a person's risk for cardiovascular disease and diabetes.

## Obituaries

PAULA LEE FOSTER

Paula Lee Foster, 40, of Pierce City, passed away Friday, August 7, 2015, in her home.

She was born March 14, 1975, in Monett, the daughter of Carl Dean and Annita Raye (Long) Foster. Surviving are her significant other, Gary Gunter, of Pierce City; father, Carl Dean Foster, of Stotts City; step-father, Doyle Armstrong, of Washburn, who helped raise her; one son, Dominick Lee Salinas, of Pierce City; one daughter, Kayla Leigh Gunter, of Pierce City; an uncle, James Alexander, of Butterfield; and

two aunts, Michele Reyes, of Golden, and Teri Woodward, of Bakersfield, Calif.

Preceding her in death were her mother, Annita Armstrong; step-father, Randy Baldwin, who helped raise her; and two uncles, Rick Long and John Long.

Paula grew up and received her education in Monett, where she graduated from high school. She had resided in Springfield, Eagle Rock and the last three years in Pierce City. She was employed at Flummerfelt Town and Country in the deli. She loved her children, going to ball games, being outdoors and watching television.

Visitation was held from 6:00 until 8:00 p.m. Tuesday, August 11, 2015, in Fohn Funeral Home, Cassville.

Visit [fohnfuneralhome.com](http://fohnfuneralhome.com) for online obituaries, guestbook and private condolences.

### MATTHEW WYATT GORDON

Matthew Wyatt Gordon, infant son of Lee Gordon and Rebecca McManus, entered and left this life Monday, July 27, 2015, at Cox-Monett Hospital.

Surviving are his parents, of Eagle Rock; one sister, Kimberly Gordon; one brother, Cody Gordon; maternal grandmother, Angela Hudson, of Eagle Rock; paternal grandmother, Linda Hooper, of Fayetteville, Ark.; maternal great-grandparents, Kenney and Patti McManus, of Rogers, Ark; and several aunts, uncles and cousins.

Preceding him in death were his maternal and paternal grandfathers and paternal great grandparents.

Services were held at 2:00 p.m. Monday, August 10, 2015, in Fohn Funeral Home, Cassville. Larry Olsen conducted the services. Burial was in Sparks Cemetery, Butterfield.

Contributions may be made to Angela Hudson special account c/o Arvest Bank, Cassville, Missouri.

## Barry county included in primary natural disaster areas designated by USDA

The U.S. Department of Agriculture (USDA) has designated 33 counties in Arkansas as primary natural disaster areas due to the combined effects of excessive rain, flash flooding, flooding, hail, high winds, lightning and tornadoes that occurred during the period of March 1, 2015, and continues. Those counties are: Carroll, Columbia, Conway, Craighead, Crawford, Cross, Faulkner, Franklin, Fulton, Greene, Hempstead, Independence, Jackson, Jefferson, Johnson, Lafayette, Lawrence, Little River, Logan, Madion, Miller, Nevada, Perry, Phillips, Poinsett, Pope, Prairie, Scott, Sebastian, Sharp, White, Woodruff, Yell.

"Our hearts go out to those Arkansas farmers and ranchers affected by recent natural disasters," said Agriculture Secretary Tom Vilsack. "President Obama and I are committed to ensuring that agriculture remains a bright spot in our nation's economy by sustaining the successes of America's farmers, ranchers, and rural communities through these difficult times. We're also telling Arkansas producers that USDA stands with you and your communities when severe weather and natural disasters threaten to disrupt your livelihood."

Farmers and ranchers in the following counties in **Arkansas** also qualify for natural disaster assistance because their counties are contiguous. Those counties are: Arkansas, Baxter, Benton, Boone, Clark, Clay, Cleburne, Cleveland, Crittenden, Desha, Garland, Grant, Howard, Izard, Lee, Lincoln, Lonoke, Mississippi, Monroe, Montgomery, Newton, Ouachita, Pike, Polk, Pulaski, Randolph, St. Francis, Saline, Searcy, Sevier, Stone, Union, Van Buren, Washington.

Farmers and ranchers in the following parishes and counties in **Louisiana**, **Mississippi**, **Missouri**, **Oklahoma** and **Texas** also qualify for natural disaster assistance because their counties are contiguous. Those counties are: (in) **Louisiana**: Bossier, Caddo, Claiborne and Webster; **Mississippi**: Bolivar, Coahoma and Tunica; **Missouri**: Barry, Dunklin, Howell, Oregon, Ozark, Taney and Stone; **Oklahoma**: Adair, Le Flore, McCurtain and Sequoyah; **Texas**: Bowie and Cass.

All parishes and counties listed above were designated natural disaster areas on July 29, 2015, making all qualified farm operators in the designated areas eligible for low interest emergency (EM) loans from USDA's Farm Ser-

vice Agency (FSA), provided eligibility requirements are met. Farmers in eligible parishes and counties have eight months from the date of the declaration to apply for loans to help cover part of their actual losses. FSA will consider each loan application on its own merits, taking into account the extent of losses, security available and repayment ability. FSA has a variety of programs, in addition to the EM loan program, to help eligible farmers recover from advertisity.

Additional programs available to assist farmers and ranchers include the Emergency Conservation Program, The Livestock Forage Disaster Program, the Livestock Indemnity Program, the Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish Program, and the Tree Assistance Program. Interested farmers may contact their local USDA Service Centers for further information on eligibility requirements and application procedures for these and other programs. Additional information is also available online at <http://disaster.fsa.usda.gov>.

FSA news releases are available on FSA's website at [www.fsa.usda.gov](http://www.fsa.usda.gov) via the "Newsroom" link.

## How to soundproof your home

What's the first step in soundproofing your home? Finding which rooms have the least amount of sound resistance. To do this, make sure everyone is out of the house, unplug all electronics and close all doors and windows. Take a quick walk through your house and pause for a few moments in each room to evaluate which ones are the noisiest. Now

consider if you're installing a media room or teenage recreational room where volumes will be blasting on TVs and stereos.

With this information, you should have a good idea of where you need to soundproof and create barriers against noise. Here are some tips to help you achieve the optimal result of peace and quiet:

Plant trees and hedges along the exterior of your home, perhaps along a fence. Not only do trees and hedges help with the environment and provide a good amount of privacy, they also slow down the travel of noise from the neighborhood into your home.

Insulate your walls and ceilings. Better insulation in your interiors and exteriors won't just drive away excess noise, it will also reduce your heating and cooling bills during the hot and cold months. For the best soundproofing and easy installation quality, a professional-grade product by ROXUL called Safe'n'Sound is very popular.

Seal up all cracks and holes around windows and doors, and add double glazed windows to your current glass panes.

Once you've selected the best soundproofing method, implement it and enjoy the bliss of silence throughout your home.

### Thank You

We would like to thank everyone for your prayers, cards, flowers & calls during the loss of our sister and aunt.

We will all miss her.

### Thank you, from the family of

## John F. Duncan

When we think of the outpouring of love and support from so many, we are humbled and grateful.

Thank you. God has used you to "bind up the brokenhearted..." (Isaiah 61:1)

### The family of

## C. S. Rose

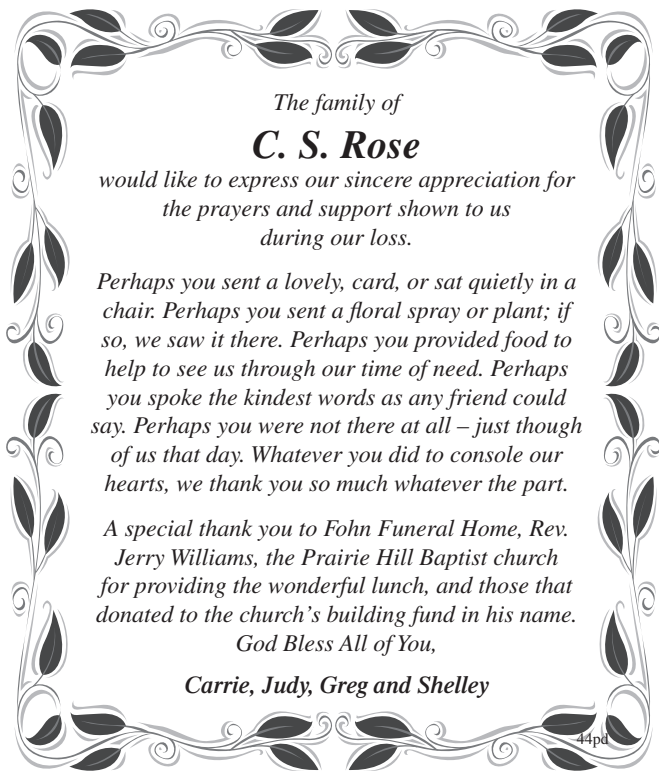

would like to express our sincere appreciation for the prayers and support shown to us during our loss.

Perhaps you sent a lovely, card, or sat quietly in a chair. Perhaps you sent a floral spray or plant; if so, we saw it there. Perhaps you provided food to help to see us through our time of need. Perhaps you spoke the kindest words as any friend could say. Perhaps you were not there at all – just though of us that day. Whatever you did to console our hearts, we thank you so much whatever the part.

A special thank you to Fohn Funeral Home, Rev. Jerry Williams, the Prairie Hill Baptist church for providing the wonderful lunch, and those that donated to the church's building fund in his name.

God Bless All of You,

Carrie, Judy, Greg and Shelley

FEMA from FRONT

flooding across the county. According to Public Works Director Steve Walensky, the City of Cassville spoke with both FEMA and SEMA (State Emergency Management Agency) when they came to assess the flood damage in the week after it occurred. Governor Jay Nixon also came down to Roaring River State Park to see what had happened and make statements about how help would be provided.

Gov. Nixon requested a disaster declaration for Barry County, among others, on July 21, but the final decision was not made by FEMA until last week. While public funds will be available to cities and other entities, no decision has been made regarding individual assistance for individuals who had property damaged from rising waters in July. There is no anticipated date for when or if individual disaster assistance will be available.

Walensky said that the City is still working on a final damage estimate. “There are so many pieces to this, it isn’t an easy process because so many areas were damaged. I just got in a couple of estimates for damage on some parking lots this week, so we are still getting information together.”

He said, “All I did was an original estimate when FEMA and SEMA came down before. It was preliminary information on damage to the fencing and bridge, but we are still getting damage estimates from different vendors.”

While some of the areas affected were obvious, such

as the 7th Street bridge and fencing around the city park, ball park and well, other areas also will need major repairs. The dirt at the ball fields will need to be replaced, as well as various electrical systems. The city will also need multiple loads of gravel, mulch for the playgrounds that were flooded and concrete to the Greenway Trail.

According to FEMA, funding guidelines for assistance are:

- Payment of not less than 75 percent of the eli-

gible costs for emergency protective measures taken to save lives and protect property and public health for state and local governments on a cost-sharing basis.

- Payment of not less than 75 percent of the eligible costs for repairing or replacing damaged public facilities such as roads, bridges, utilities, buildings, schools, recreational areas and other publicly-owned property. Non-profit organizations involved in community service will also be

eligible.

- Payment of not more than 75 percent of the approved costs for hazard mitigation projects undertaken by state and local governments to prevent or reduce long-term risk to life and property from natural disasters.

FEMA also released information that application procedures would be announced during local meetings to the affected areas by recovery officials.

Cassville kids Stop, Drop, n Go before school starts

Cassville students in grades kindergarten through eighth grade had their annual Stop, Drop N Go night on Monday, August 10. Students and parents stopped into their children’s new classroom and meet their teachers while they drop off their supplies. Pictured above, Eli Roper and his mom, Sarah Roper, drop off his supplies in his new classroom at Cassville Primary.

# Local business donates funds raised to Bikers Against Child Abuse

Charlea Mills

Bikers Against Child Abuse (BACA) received a donation last Sunday thanks to efforts of local business 4 States Event Center, of Eureka Springs, Ark.

Owners of the event center, Linda and Rudy Harris, host an annual fundraiser to help charities like the 7 Valleys Chapter of BACA. To date, they have donated \$20,000 to BACA and other charities over the 10-year span of the fundraiser.

Over the Memorial Day weekend each year, the Harris and their friends embarked on the tenth year of their event. The event included poker runs, raffles and games to raise money.

By getting friends together for fun rides, they formed a way to support BACA and those in need. Linda said, "A bunch of us got together and decided we wanted to start doing some fun things with our friends to help raise money and give to BACA. I personally have seen BACA help several families in the area."

This year, they raised \$985 for BACA, which they presented to the group on Sunday, August 2, at a special public event where people

A group of friends donated funds raised through an annual poker run and game event to 7 Valleys BACA. They presented a check for \$985 to the group at a special gathering at the 4 States Event Center in Eureka Springs, Ark., on Sunday, August 2.

were invited for refreshments and to learn more about how BACA helps the community. BACA was chosen because of a close personal friend for home BACA stepped up to help, according to Linda.

Over the years, the group of friends has also given to Toys for Tots, breast cancer awareness and personal donations for injuries.

Linda continued, "It's all a group of us crazy friends who like to get out and ride. We put together group rides and we spend Memorial Day weekend out on the road doing poker runs and stuff. We decided we wanted to do something fun to help raise money and that was ten years ago."

Some years, they have as few as 40 bikes participating,

but other years, they have over 100. Linda said, "That doesn't include the friends who just donate money because they don't ride, and we'll have people in cars, jeeps and buggies who come along, too."

BACA is an organization that provides assistance to children who have been abused. Their mission is to provide empowerment and support to children who have been through abuse.

Bikers who are accepted into the club work with children by providing a safe "family" to make the child feel safe and secure. Members keep in contact with the child often throughout their lives. Sometimes that support means staying at the child's home in times when their abuser's presence is

threatening them, attending court proceedings and other means of help.

For more information about the 7 Valleys Chapter of Bikers Against Child Abuse, go to their website at <http://missouri.bacaworld.org/home/missouri/seven-valleys/>.

## Leland May publishes book for college students

In mid-August, Dr. Leland May, associate pastor of First Baptist Church, Cassville, had a book released for college students. The 118-page book is entitled "Connections: Inspirational Reflections for College Students." It is written from

May's experiences for 35 years of college and university teaching at Southwest Baptist University-Bolivar and Northwest Missouri State University-Maryville. Many of the reflections are personal associations and conversations with students who inspired May. Some of the ideas also came from the literature May taught which are nuanced with God's message.

The reflections are designed to help students

through the pressures of the college experiences of exams, research papers, reading assignments, schedules, social events, deadlines and those moments when the college students feel drained. Because students are busy and the world of texting and Twitter call for quick response, most of them are short, between 200 to 400 words. They give students the refueling they need to press onward to meet their specific goals.

The vibrant college years usually only occur for a short time. May hopes the inspirational reflections will help students get the full benefit from what should be fruitful and happy years.

In 1981, May had his first Meditations Book for college students published, which sold 20,000 copies.

The sale and marketing of the book as a paperback or e-book is through Amazon.com.

Barry County’s Years Past

40 years ago

Zane Lofton, of Cassville, was accepted into the two-year associates program at the University of Arkansas.

The Shell Knob Medical Clinic provided by the Shell Knob Boosters Corporation was opened and ready for business.

Emmanuel Baptist Church in Cassville began the process of expanding the church where it is now on Old Exeter Road.

Receipts from the Southwest School carnival were totaled to be \$2,619.18. The proceeds of the carnival went to furnish the new school building, which was destroyed by a fire in the spring.

30 years ago

Barry L. Henbest received the Outstanding Student Award from the Academy of General Dentistry during the graduation ceremony.

Three FFA Southwest students, Warren Rose, Katie Carter and Christine Ritz, attended a conference in Washington D.C. The week long program taught them leadership skills and how to develop and understanding of national heritage.

20 years ago

The Edens family received a Missouri Century Farm Award for their 70 acre farm, located just south of Cassville.

PFC Craig Stephens, of Exeter, graduated in May from U.S. Army basic training at Fort Knox.

Jeff Brown, of Cassville, was awarded an \$8,500 per year scholarship. He was notified about his scholarship from rodeo coach Allen Jones of Missouri Valley College.

Second Act opened and began operation at their new location on Highway 112 South.

10 years ago

Gas prices reached a record high for Barry County when they hit \$2.50 a gallon. Prices rose as quickly as 10 cents per gallon on a day-to-day basis.

The Shell Knob Chamber of Commerce held a ribbon cutting to recognize the expansion of Lakeside Marina.

Charity Reid, Erica Burns and Meghan Thomas received a gold medal in the Illustrated Talk Senior category at the Purdy FCCLA National Leadership Conference.

On this day in history...

- On August 12 in history...
- Hawaii was formally annexed into the United States in 1898.
  - Babe Ruth hit his 500th major league home run against the Cleveland Indians in 1929.
  - The last American combat troops were pulled from Vietnam in 1972.
  - Voyager 2 discovered two rings around Neptune in 1989.
  - Susan Hendrickson discovered the largest Tyrannosaurus Rex skeleton to date in South Dakota in 1990.

# Local cheerleaders make NCA All-American Team

GRANT from FRONT

Mackenzie High, Cassville Middle School cheerleader, was selected for the National Cheerleaders Association All American Team which performs in Orlando, Fla., in December.

**Charlea Mills**  
Two Cassville Middle School cheerleaders were selected for this year's National Cheerleaders Association All-American Team that performs in Orlando, Fla., in December. One of the girls, Mackenzie High, is focusing her efforts on trying to raise the money to foot the bill to make the trip. Mackenzie High and Grace

Vandall, both cheerleaders at Cassville Middle School, tried out for the All-American Team in July after a two-day camp hosted by NCA. The two girls were selected to the team and were invited to learn a routine to perform in the Disney World parade in Orlando. Both of the girls really enjoy the camaraderie of cheering with a squad. Grace said,

"I really like getting close with my squad because we're like our own little family." Mackenzie said, "I really like to tumble so I get to show off my skills." Both Mackenzie and Grace had experience prior to cheerleading. Mackenzie cheered competitively on a travel squad, as well as took tumbling for years through the YMCA. Grace has been in dance since she was three and a half years old. Mackenzie and her family will be making the trek to Orlando this December from the third through the seventh so that she can perform in the Disney parade. Grace is unable to attend, but she still feels honored to have been selected. Grace said, "I'm a positive person, so I like to cheer people on. I'm happy that I made it and got to try out." In order to get to Orlando, Mackenzie is doing multiple fundraisers to pay for her own ticket. She said she hung fliers for a GoFundMe account and also plans to have a bake sale and possibly a car wash. She hopes to raise \$1,000 by September. So far, Mackenzie has raised \$200 toward her goal. Her mother, Shelly Davison, said, "Over the years, everyone has been so supportive of her tumbling and cheer. This community is just awesome. The businesses really help in any way they can." Davison has faith that Mackenzie will meet her goal. Mackenzie has travelled to various competitions before, but the Orlando trip is definitely in a league of its own. She said, "For Pop Cheer, I've been to competitions, and we went to Joplin, Branson and Ozark, but it was nothing like this." Pop Cheer is one of the competitive squads that she has been on. Aside from the NCA Camp with the two girls qualifying for the All-American Team, the middle school squad also made it to regional for the first time. Mackenzie said, "This

Grace Vandall, of Golden, was also selected for the NCA All-American Team.

that we can buy with the money." While that lump sum of money may sound like a lot, Ray said it doesn't stretch as far as many would think. One Self-Contained Breathing Apparatus (SCBA) costs around \$7,000. With 25 volunteers on the force and equipment needing to be replaced regularly, grants like the AFG ensure the volunteers stay safe. This grant specifically will cover 23 sets of head-to-toe gear, 13 SCBA's and classes Firefighter 1 and 2, that are certified through the Division of Fire Safety. All of the equipment purchased with the grant money will go through a bidding process through the Butterfield Fire Department Board. Ray said, "Our gear was purchased ten years ago, and it only has a shelf-life of ten years. It costs so much to replace it, and we have such a small budget, the grants are important. Even \$100,000 doesn't go very far when you consider the cost of the gear or the SCBA's." The typical operating budget for the department for the year is \$55,000 and includes funds for fuel, building payment, utilities and miscellaneous equipment. The Butterfield Fire Department is a volunteer-only department with Ray as chief since 2003, Scott Brophy as Deputy Chief and Donnie Privett as Assistant Chief. None of the positions are paid. They respond to 100 or more calls each year, which include fire response, first responder assistance, car wrecks and mutual aid for other departments.

# Cassville native wins IBO World Archery Championship

Shania Stumpff

Don James, formally of Cassville has been hunting and shooting bows since he was a kid.

After leaving the Navy, James moved to Kansas City

and got involved in an archery club.

For years, James competed with a compound bow. In the last five years, James switched to using a traditional bow and, in July, he

won the IBO (International Bow Hunters Organization) Traditional World Archery Championship held in Clarksville Tenn.

James was competing against 400 other competitors from Spain, Great Britain, Sweden, Canada, Mexico and numerous other countries.

James said, "I received the world championship silver belt buckle, that is what everyone in the competition is striving for."

# Cassville Women's Golf League attends 78th annual Tri-State Golf Tournament

Cassville Women's Golf League members flight winners are: Lynn Blanke B-Flight, 2nd place; Susie Jacobs B-Flight, 4th place; Karry Lewis C-Flight, 4th place; and Sue Louk F-Flight, 4th place. Not pictured Doris Connor, F-Flight, 1st place.

On July 27 through 29, Fremont Hills Country Club in Nixa hosted the 78th Annual Tri-State Golf Tournament. Ladies from the tri-state area; Oklahoma, Kansas and Missouri participated in the three day event.

The Cassville Ladies League was well represented

with 11 ladies attending. One of Cassville's own, Lynn Blanke, had a hole-in-one at the tournament. Five ladies from Cassville won in their respective flights.

The 2016 Tri-State Tournament will be at Schiffer-decker Golf Course in Joplin.

Cassville's Lynn Blanke hit a hole-in-one at the 78th annual Tri-State Golf Tournament held in Nixa.

# Wildcats optimistic heading into 2015 season

Lee Stubblefield

After posting a 6-5 record in 2014 and finishing fourth in the Big 8 Conference, the Cassville Wildcats are hoping to take another step forward in the 2015 football season. The loss of 17 lettermen and nine starters creates some challenges, but there is a lot of reason for optimism at Cassville High School.

Lance Parnell, the third-year head coach, acknowledges the challenge of replacing key players. But with a roster teeming with upperclassmen, Parnell has a glass-half-full vision.

"We will have some key holes to fill, especially on the defensive side of the ball," he said. "We are excited to see how some young kids will step into roles this fall."

The Wildcats return four of the five interior linemen on offense: seniors Zack Boley, Colton Dilbeck, Wil Edmondson, and junior Devin Phelps, plus senior blocking tight end Kane Kellner. Both Kellner and Dilbeck earned all-conference and all-region honors last season.

With senior Leigh Cox taking over the quarterback position and joining all-conference/all-region running back River Phelps in the backfield, expect Cassville to lean heavily on the ground game.

"Leigh Cox is a tough kid that plays very hard and is a good leader," noted Parnell.

Phelps started every game for the Wildcats on defense last year at free safety, but didn't start as a ball carrier until midseason. Now an experienced junior, he will be playing an even bigger role in the Cassville offense.

But the key for the Cassville season likely lies on the defensive side of the ball. The Wildcats were inconsistent

on defense last year, pitching a pair of shutouts over McDonald County and East Newton and holding Seneca to just 8 points, but surrendering 30 plus points in each of the five losses. Opponents averaged 195 rushing yards and 84 passing against the black and gold defense.

"We return six defensive starters from a year ago," Parnell observed. "Two of them being linebackers we will look for big things from."

Zane Everett started all 11 games as a junior in 2014, and the Cassville coaching staff expects him to be a force his senior year. Gilbert Medina moved into the starting job at middle linebacker last year as a sophomore, and should provide a solid anchor in the 4-3 defensive set.

Newcomers will have to carry a big load this year, and Cassville has a solid crew of upperclassmen waiting in the wings. Seniors Jacob Bredeon, Dusty Huett, Jacon Holz, Tyler James, Devin Mesbarger, Dakota Townsend, and Paofu Vang plus juniors RJ Elliot, Riley Fletcher, Satchel Hill, Steven Hunter, Austin McLintock, Kobe Mueller, Troy Rose, and Cole York provide a lot of options for the Wildcats. Expect sophomore Garrett Knight to see action as well.

The schedule is not kind to the hometown fans, so the sinking gas prices are a blessing for the Wildcat Nation. Fill up the minivans and get ready to tailgate. Cassville only plays four regular season home games in 2015. After the home opener against Aurora on August 21, the Cats go on the road for three weeks before hosting Monett and Carl Junction on back-to-back Fridays in September. Then East Newton comes to Cassville on October 9

# Southwest Outlaws champions in Show-Me Games

After countless hours of practice, dirty uniforms and miles traveled, the Southwest Missouri Outlaws 13U baseball team are champions.

In July, the team traveled to Columbia to participate in the Show-Me State games.

At the three-day tournament, the Outlaws faced the Patriots from Thompson and started off the tournament with a 9-3 victory.

The Outlaws used their first game win momentum and never looked back. They defeated the State Bank River Rats from Waverly 7-3.

The Outlaws bats kept rolling in their third game of the tournament. Up against a powerful offensive team the Hallsville Indians, the Outlaws never showed fear. In just two games, the Indians had scored 26 runs and came into the game with two wins of their own.

The Outlaws offense as well as their defense was at the top of their game against the Indians, holding them scoreless and defeating them 0-11.

In Sunday's games, the Outlaws faced the Bridge-ton Redhaws where their victory placed them in the championship bracket where they would face the Hallsville Indians again.

to complete the thin home schedule.

The Monett-Carl Junction gauntlet will go a long way toward defining Cassville's season. Both teams went deep in the playoffs in their respective classes last year after posting one-sided shutouts over the Wildcats.

"Every week in the Big 8 is a key match up," said Parnell. "Top to bottom, our conference is very tough and you have to be ready to play each week."

The Wildcats get their first taste of action on Friday,

The Southwest Missouri Outlaws 13U AA Travel team is pictured above. Front row, left to right: Hunter Liveoak, Jake Anderson, Rylee Boyd and Logan Spencer. Second row: Scott Anderson, Andrew Martinez, Sam Stewart, Osiel Aldava, Bowen Preddy, Andres Aldava, Derek Hayes and Danny Boyd.

A hard-fought victory over the Indians landed the Outlaws the first place title for the second time in three years.

"I am very proud of these boys and want to recognize them for their outstanding achievement," said Outlaws coach Danny Boyd.

"Many hours were spent on the field practicing and weekends spent at tournaments. They have worked hard for this achievement."

"I would like to thank the parents also, since they put in a lot of money and hours going to games and practices."

August 14 at the Jamboree at Springfield's JFK Stadium with Willard, Bolivar, and host Parkview.

Use Cassville's Masonic Lodge, 18th & Main St. for your next meeting or event.

# Barry County Regional Stockyards opens under new owners

Bob Sorensen, Rob Sorensen, and Junior Galyen, all locals, are all proud owners of the newly operating Barry County Regional Stockyards located in Exeter formerly known as MO-Ark Livestock Marketing Center. Each one of these men have backgrounds of raising cattle in hometown farms and have attended cattle auctions for as long as they can remember.

The Sorensen family has four generations of cat-

tleorkers and has been involved in this line of work since the 1950's. "I attended my first cattle sale when I was only a week old," said Rob.

"My whole life has revolved around the sale barn business; it is what I love to do. I started buying my own cattle at age 10 and driving myself to the sale barn at 15," said Bob. The Sorensen family owned the Monett Sale Barn in the 50's and have been involved in other auctions

throughout the years.

Junior Galyen has also been raised in the cattle industry his entire life. Junior's father, Dayne, is a cattle auctioneer and still occasionally sells at the auction. For 13 years, Junior owned the previous Exeter Sale Barn, and six years later, has returned to continue the business.

The auction has many people working every week to keep things running smoothly. The field men include Dayne, Jeff Sorensen, Kevin Ruddick and auctioneer Rusty Stone. Stone has sold at many different auctions throughout the years. Cattle auctions in Springdale Ark., Fayetteville, Ark., and Springfield are just a few examples of where he has previously sold.

Currently, the building is being remodeled. They are putting up walls to separate the restaurant area, installing a 6 foot by 8 foot glass double door, and have future plans to open the catwalk, expand the men's

Photo by Jeremy Huse

Barry County Regional Stockyards is located at 9735 State Highway 76 in Exeter.

rest room and add private offices. The facility offers a breakfast and lunch special in the restaurant during the day of the sale.

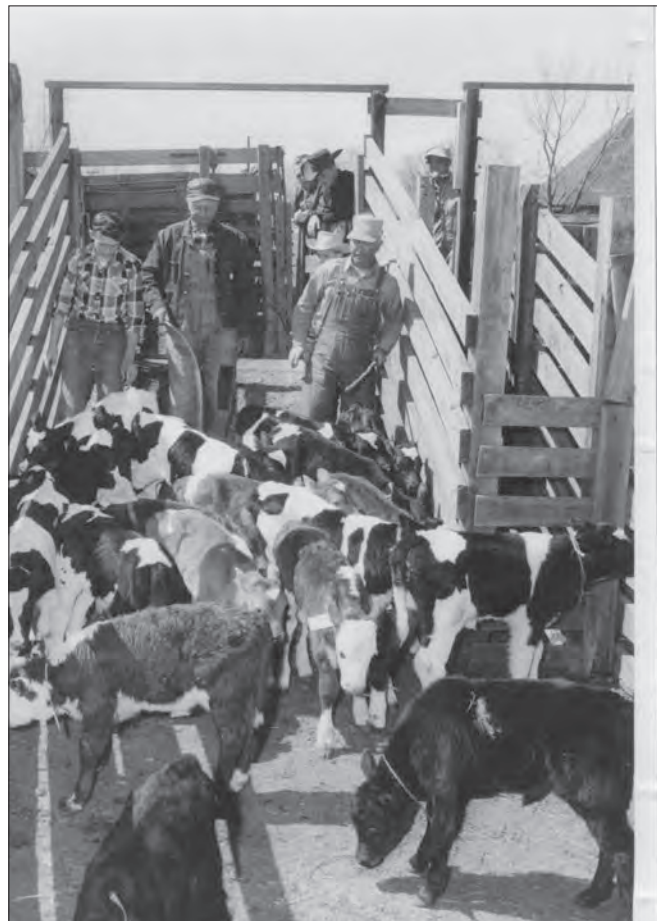

A unique feature of this new operational auction is that cattle will not be the only thing they sell. Chickens, ducks, pigs and sheep are all welcome too. There are 30 minutes of the sale devoted to the smaller animals. "If things take off well with the small animals, we

will create a separate sale time for them," said Rob. "We are wanting the sale to get as large as the public will allow, while still containing a down-home feel."

Some things that this cattle auction will offer that others do not is the cattle

are represented well. You will find professionalism and honesty when working with the staff, they keep caught up on the market, the facility is well kept and clean, the procedure of the

## Notice of Public Hearing

A hearing will be held at 6:30 P.M., August 13, 2015, at the Southwest R-V High School Library. At this time, citizens may be heard on the property tax rates proposed to be set by Southwest R-V, a school district located in Barry and McDonald counties. The tax rates are set to produce the revenues, which the budget for the fiscal year beginning July 1, 2015 shows to be required from the property tax. Each tax rate is determined by dividing the amount of revenue needed by the current assessed valuation. The result is multiplied by 100 so the tax rate will be expressed in cents per \$100 valuation.

Assessed Valuation (by categories)	Year 2014-2015	Year 2015-2016
Real Estate	\$26,226,646	\$26,873,004
Personal Property	\$8,299,158	\$9,144,354
Total	\$34,525,804	\$36,017,358

The following Tax rates are Proposed:  
Assessed Valuation: \$36,017,358

Fund	Amount of Property Tax Revenue Budgeted	Proposed Tax Rate Per \$100
Incidental	\$990,477	\$2.75
Teachers	\$0	\$0.00
Debt Service	\$306,148	\$0.85
Total	\$1,296,625	\$3.60

New Construction (Total) \$565,860  
New Revenue from New Construction and Improvements: \$ 20,371  
Percentage of total revenue from New Construction 1.571%

Respectfully Submitted:  
Southwest R-V Board of Education

# Patterson earns High Point Halter award

Abby Patterson, daughter of Gary Patterson and the late Kathy Patterson, of Clarksville, Ark., won the High Point Halter award on August 8 at the Horseman United Shorse Show Association's show held at the Carroll County fairgrounds in Berryville, Ark.

Abby won the award showing Midnight Sonoita, a gray quarter horse gelding owned by Walter and Gayle Hasler, of Cassville, and trained by Evelle Hasler Houck, of Pierce City.

Abby placed first out of 11 entrants under both judges in the Halter Studs and Gelding class. She placed first and fourth in the Solid Horses and Ponies color class. Her combined points earned the High point Halter Horse award, a tack box.

# Fair Grove man injured in MO 39 wreck

Charlea Mills

A man was injured north of Shell Knob when his motorcycle crashed on Missouri 39.

Robert D. Hawkins, 55, of Fair Grove, was headed northbound on MO 39 when he failed to negotiate a curve, according to the Missouri State Highway Patrol. After failing to make the curve, Hawkins' 2006 Honda 1000 motorcycle ran off the right side of the roadway and overturned, ejecting him.

Hawkins was transported to Mercy Hospital in Springfield with moderate injuries. He was wearing a helmet at the time of the crash.

The Barry County Advertiser

# STOCKYARDS from FRONT

facility is not intimidating or hard to understand, and there are overnight pens.

"One of our major perks is that our cattle simply shrink less. The cattle at our facility are not jostled around. We also appreciate everybody whether they have one calf or four trailer loads," said Rob.

Bob added that, "A positive aspect of our auction is that we make sure our overnight cattle are fed and taken care of. We have people available late in the evenings, and we are always available to unload them 24/7 if they allow us to sell them."

The auction is better than what anybody had expected. "We have a wide variety of people coming to sell their cattle. Folks from Shell Knob, Berryville, Eureka Springs, Bentonville, Aurora, Joplin and Neosho are just a few that we have seen so far," said Rob.

"We all have lived in the area and feel that there is a need for a business like this. This is what we like

and enjoy doing and the community support has been overwhelming," said Bob.

Barry County Livestock Yards is currently seeking a venture in part with Country Dodge that would provide a series of events with door prizes, all day activities and possibly a pig roast in the future.

A variety of businesses and people were instrumental in getting the Barry County Regional Stockyards up and running.

From legal services from Ellis, Cupps & Cole, to Barry County Abstract, to photography by Jeremy Huse, and friendly support from Mike Carr, Gary Fields and John Hendricks and many others, it has truly been a group effort.

"This has always been a dream of ours. If you love doing something, you

are more successful. All of us have ran different successful businesses, but this is where we truly love to be and want to spend our time. We are excited about the new facility and opportunities for us and the customers. We want to thank our community for such a tremendous amount of support they have recently shown," said Bob.

The sale starts at 12 p.m. every Saturday, but early fall, the starting time will change to 11 a.m. Go check out the new facility located at 9735 State Highway 76, Exeter. You can contact them at (417)835-3000.

*Disclaimer: Currently operating under Barry County Livestock Marketing until licenses are approved.*

## REAL ESTATE AUCTION

## Haven of the Ozarks Pet of the Week

K-Pop is a beautiful young kitty who had a very rough start in life. She came from a hoarder in poor ondition, and it took her quite some time to get healthy. She is now more than ready to find her forever home. Kay is good with other cats, will tolerate dogs, likes to play, and enjoys attention. After a short adjustment period in her new home, she will make someone a wonderful companion. Call Haven of the Ozarks at 417-835-3647 for more information or come on by for a visit. Kay would love to meet you!

*If you are interested in adopting a dog or cat please call*

**MSHP says watch for buses during back-to-school**

The Missouri State Highway Patrol reminds drivers that schools throughout the state are starting their 2015-2016 school year. It will be a big change for these young people after the summer break of fun in the sun, sleeping in, going to camp, or summer employment. Instead, young people will be walking, biking, and driving to school, which brings a change in traffic patterns. It is critical for drivers to be alert, especially near school zones, playgrounds, and bicycle paths. School buses and parents taking their children to school will join other motorists on the road and affect the morning and afternoon commute. Whatever route you drive, expect this additional traffic and prepare by allowing extra time to reach your destination.

Afternoons can be especially dangerous. Most traffic crashes involving young drivers (under the age of 21) in 2014 occurred between 3 p.m. and 4 p.m., when school typically lets out. Drivers need to be aware of the increased traffic during this time—not just in areas around school, but all around town. Remember: Many of these drivers are inexperienced. It is important to encourage those young drivers to remember driving is a full-time job. Using a cell phone, texting, or adjusting the radio can be the distraction that leads to a traffic crash. Texting is against the law for anyone under the age of 22.

Missouri law also states that on a two-lane road, if a school bus is stopped and displaying warning signals while loading or unloading children, drivers must stop when meeting and following the bus. However, it is only necessary to stop on a four-lane highway when following the bus. Drivers, when you see a stopped school bus, be alert. Children may not be aware of traffic and dart unexpectedly into the roadway.

In 2014, four people were

killed and 374 people were injured in school bus crashes. Missouri experienced 936 traffic crashes involving school buses last year. It's important for drivers to pay attention, especially in areas where schoolchildren are traveling to and from Missouri's schools. Parents are encouraged to talk to their children about riding a bus, walking, or driving to school in a safe manner. If they ride a bike, please make sure they wear a helmet and follow traffic laws. Let's help Missouri students return to school safely.

Approximately 63 percent of Missouri fatal crash victims who are required to be restrained are NOT at the time of the traffic crash. The Patrol urges motorists to protect themselves and their passengers by making sure everyone in the vehicle is properly restrained in a seat belt or child restraint. Join us in supporting the Drive To Zero Highway Deaths. Watercraft operators should ensure that everyone in the vessel is wearing an approved life jacket. Click It 4 Life And Wear It.

**Mercy to offer free health screenings in Shell Knob**

Are you at risk of having diabetes, heart disease or other chronic conditions? It may be time to "Know Your Numbers," the focus of a health fair Central Crossing Senior Center.

The public is invited to attend the Aug. 18 event. Participants can expect free blood sugar and albumin screenings, as well as tests for BMI, waist measurement, blood pressure and pulse oximetry, which helps detect heart problems. There will also be balance screenings using Biodex to identify fall risks.

The following reduced-cost lab screenings will be offered:

Comprehensive health panel (complete metabolic profile, lipid profile, complete blood count), \$15

PSA Test (prostate cancer screening), \$10

Hgb A1c (average blood glucose), \$5

EKG (heart screen), \$10

PFT (lung screen), \$10

TSH (thyroid test), \$5

The health fair on Tuesday, Aug. 18, will run from 7 a.m. to 1 p.m. at the Central Crossing Senior Center, located at 20801 YY 15, in Shell Knob, Mo. No registration is required; participants will be screened on a first-come, first-served basis. Also remember to fast for 12 hours prior to having your blood drawn. Healthy refreshments will be provided.

The health fair is a partnership with Mercy, which began offering therapy services at the center in July. The new Mercy addition is staffed two days a week by a physical therapist and volunteer, and includes a private room and exercise equipment for physical therapy, evaluations and treatment. In order to utilize the services, patients will first need to consult a doctor.

To learn more about the health fair, or services offered by Mercy at Central Crossing Senior Center, call (417) 847-6085.
