Cassville to begin airport taxi lane repaving project

Charlea Mills

After a vote during the Cassville City Council meeting on Monday, September 14, the city will be utilizing grant funding to begin a repaving project at the Cassville Municipal Airport.

The aldermen voted unanimously to accept grant funds through the Missouri Department of Transportation (MoDOT) from the Federal Aviation Association (FAA) as part of a 90-10 matching program to get the pavement on the taxi lanes connecting the hangars to the runway repaved. They also approved a contract with Lochner, a design firm out of Kansas City, to design the project.

The project is estimated to cost around \$281,970

in total, but with the grant funding, Cassville's airport fund will only have to pay for \$28,197 of that amount with the rest supplied by grants from the FAA. The design part of the project with Lochner will cost \$60,595, construction is estimated to run \$171,375, and the inspection is estimated at \$50,000.

As a small airport, the Cassville Municipal Airport is eligible for \$150,000 each year for projects as long as the funds are matched 90-10. Cassville can go back for up to four years for funds for the project, however, the airport must maintain a certain amount of air traffic to qualify. The airport qualified in 2012, but lacked the traffic for grant funds in 2013 and 2013. The city fully expects to

Renovations to the taxi lanes at the Cassville airport should be put out to bid in February 2016 with repaving anticipated to begin in the spring.

qualify for 2015 and 2016, as well.

The funds available from 2012 will go to pay for the design aspect of the project, however the council opted to return any unused funds from the grant to the MoDOT for dispersal at other airports. The City of Cass-

ville will provide \$6,559.50 of the total design cost with the grant making up the remaining \$59,035.50. The remaining \$90,965 of grant funds will be returned to MoDOT to utilize at other airports.

The construction and inspection elements of

the project will be funded by grants from 2015 and 2016, which should total \$300,000.

The first part of the project will be to design the taxi work that needs to be completed. Currently, the taxi

Helicopter, deputies search for burglary suspects

Charlea Mills

Both the Barry County Sheriff's Department and the Missouri State Highway Patrol were on a manhunt last night trying to find two suspects who stole a car from Eagle Rock. Multiple deputies and troopers searched for two suspects who fled on foot near the Highway 86, Highway F intersection north of Eagle Rock.

According to Barry County Sheriff Mick Epperly, deputies and the Highway Patrol responded to a vehicle theft from Uncle Roy's on Highway 86 in Eagle Rock. He said, "They stole a vehicle that had the victim's purse in the back, and then we came across the vehicle that had run off the road." The two

suspects fled on foot.

The Highway Patrol had a helicopter circling while deputies and troopers searched on foot. According to Epperly, "They got down a big ravine, and we didn't catch them, but we will."

Epperly declined to release the names of the suspects involved, but he did say they found the car within 30 minutes of it being reported stolen. He said in the back of the car were TV's that they suspect had been stolen.

Epperly continued, "We think they've been involved in multiple burglaries around the area, and maybe Jug-n-Plug." Jug-n-Plug was burglarized in the early hours of Thursday, September 17.

Four charged with burglary, arson after stolen dog found

Charlea Mills

Four men have been charged with a burglary and arson from April after Barry County deputies located a dog stolen from the home. Two of the four men charged, Norman Baez, 25, of Monett, and Tyler Rubert, 18, of Crane, are currently being held in the Barry County Jail, and warrants have been issued for the other two, Theodore Peterson, 42, of Rocky Comfort, and Charles Peterson, 44, of Rocky Comfort.

According to the affida-

vit of probable cause, the four broke into a home on Farm Road 2170 in Purdy on April 6 with the intent to steal property to satisfy a perceived debt owed by the owner.

The four allegedly stole tool boxes, tools and tow ropes from the home.

Charles Peterson allegedly told the home's owner and another person that during the burglary, something had gone wrong, so they burned the house down to destroy any evidence left behind. Ac-

RRSP meeting showed successful year for state park

Cheyne Matzenbacher, Roaring River State Park assistant manager, presented a PowerPoint on various activities and events at the park over the last year.

Charlea Mills

Thursday evening marked Roaring River State Park's annual informational meeting to offer the community details on the operation of the park for the year and make staff available to answer questions and get feedback. Staff presented information that showed a successful year for the park. Each year the informational meeting allows for the community to become more aware of what is happening at their

local state park and voice their thoughts and opinions.

Meeting speakers included park manager Kerry Hays, concessions manager David Waugh, hatchery manager Paul Spurgeon and assistant park manager Cheyne Matzenbacher. In addition to information about Roaring River State Park, there was also a presentation about Big Sugar Creek Park. Plans are in the works to get Big Sugar Creek as a designated wilderness area

in the future.

Focus during the meeting included flood damage to the park and clean-up efforts, the renovation of the CCC lodge, upcoming projects and hatchery production during the last year.

Hays said, "Even with the flood, two and a half days later, our park was reopened at 95 percent of what it was before. That's phenomenal." Hays

Shell Knob man charged with assault with a hammer

Charlea Mills

A Shell Knob man is in custody after allegedly hitting a sleeping man with a hammer last week. Joseph Samuel Bickel, 34, is charged with assault in the second degree, a class C felony.

According to Deputy Scott Salkill's affidavit of probable cause, the assault took place on Thursday September 3, around 4 a.m. on Big Creek Road in Shell Knob. Bickel allegedly entered the victim's bedroom with a steel claw hammer while he was sleeping. He then struck the victim with the hammer at least twice on the head and multiple times on his arms and legs.

Bickel then allegedly began beating the victim's head against the floor.

Bickel is currently being held in the Barry County Jail in lieu of a \$10,000 cash-only bond.

Michael's celebrates one year in Cassville

Charlie Phaneuf, 6, of Cassville, anxiously awaits his cotton candy during Michael's Hardware's one-year anniversary celebration on Saturday. The event featured a sale and free food for the community on September 19.

ARSON from FRONT

cording to the statement, Charles lit the fire and Theodore kept the match as a souvenir.

At the time of the fire, two dogs were in the house. One dog was found dead after being trapped on the porch. The couple assumed the other dog was dead until they were told that the suspects had stolen it. When one of the victims went to Theodore Peterson's home on Urchin Road in Rocky Comfort, she saw the dog. Later, deputies drove by the home and took pictures to confirm that it was the same dog that was stolen.

All four were charged on Friday, September 11. Baez was already in jail on four other charges: distribution of a controlled substance, unlawful possession of a

firearm, possession of a controlled substance, and possession of a controlled substance in a jail. Rubert was arrested on Monday, September 21. Rubert is being held on a \$30,000 cash-only bond. Baez is being held on a \$82,750 on all charges. Both of the Petersons have warrants out for the arrests, and they are feature as Barry County's Most Wanted this week on page 12A.

**DOROTHY
HAZEL LYALL**

Dorothy Hazel Lyall, 87, of Cassville, passed away Sunday, September 20, 2015, in Cassville Health Care and Rehabilitation Center.

She was born July 11, 1928, in the Oak Ridge Community, the daughter of Everett and Edna (Noble) Beeson. On October 12, 1946, in Columbus, Kan., she was united in marriage to Earl Lyall, who preceded her in death on December 19, 1998. Also preceding her in death were her parents; two brothers, Leonard Beeson and Lawrence Beeson; a sister-in-law, Dortha Beeson; a brother-in-law, Ray Harris; one grandson, Jimmy; and a great-granddaughter, Justine.

Surviving are one daughter, Judy Creech, of Cassville; two sons, Jim Lyall and his wife, Sharon, of Eagle Rock, and Loy Lyall and his wife, Holly, of Neosho; one brother, Noble Beeson and his wife, Kathleen, of Ottumwa, Iowa; two sisters, Mildred Harris, of Monett, and Eunice Moreno and her husband, Joe, of Salisbury, Md.; a sister-in-law, Alma Beeson, of Cassville; seven grandchildren, John Holman, of Republic, Shelly Meltabarger and her husband, Derek, of Cassville, James Lyall and his wife, Barbara, of Littleton, Colo., Hayley Strickling and her husband, Brian, of Joplin, Josh Lyall, of Warrensburg, Chris Stogdill, of Exeter, and Chase Mattingly, of Exeter; and nine great-grandchildren.

Dorothy received her education at Oak Ridge School and was a life-long resident of the Oak Ridge Community. She was a homemaker and loved working in her yard, especially her rock garden. Some of her other favorite

pastimes were quilting, canning, going to garage sales with Earl, listening to Bluegrass music, talking on the phone for hours, spending time with her kids, grandkids and great-grandkids. She was lovingly known for "giving orders". Before entering Cassville Health Care, she attended Community Faith Chapel in Cassville.

Funeral services were held at 11:00 a.m. today, Wednesday, September 23, 2015, in Fohn Funeral Home, Cassville. Pastor Doyle Russell and Pastor Jerry Nickle conducted the services. Burial was in Oak Ridge Cemetery, Cassville.

The family received friends from 6:00 until 8:00 P.M. Tuesday in Fohn Funeral Home, Cassville.

PARK from FRONT

credited the Missouri Department of Conservation with the bulk of the work in reopening the park.

Spurgeon discussed the success of both Kids' Fishing Day events this year, as well as hatchery production at the park. Hatchery statistics at the park showed a successful season. In 2014, each of the 251,400 trout stocked by the

hatchery cost an average of \$1.88 per fish, a drop of nine cents from 2013. The hatchery's goal is to stock 2.25 fish per angler at the park, and in 2014, they stocked 2.29 fish per angler. Last year, the park sold 109,608 tags, which was over 11,000 more than 2013.

The bulk of Thursday's meeting was Matzenbacher's presentation about all of the

happenings at the park over the last year. He gave updates on the CCC Lodge renovation, which is slated for opening on Opening Day 2016. Other projects included re-roofing the Emory Melton Inn and Conference Center, cabin renovations, FEMA concrete repairs at Campground 3, the bridge by the CCC Lodge and the Devil's Kitchen trail-head.

The park also repaired the porch at the long barracks at Camp Smokey among a myriad of other repairs and smaller projects.

Next year, staff plans to continue cabin renovations, build a new shower house at Campground 2 and work on maintenance and repairs to the 91 different historic CCC sites throughout the park.

Cassville Park tennis court to be repaved

Charlea Mills

The Cassville Park’s tennis and basketball courts will received new pavement treatment beginning in November. The Cassville City Council approved the work and took bids earlier this year to make the courts more usable by the community. The tennis court will receive total renovation with Cassville Public Works doing the demolition aspect of the project and Hutchens

Construction repaving the court. The basketball and pickleball court are in better shape than the current state of the tennis court and will not need to be repaved, instead it will have cracks sealed, be painted and striped next spring. While the city hoped to have the project completed by the fall, because the paving part of the project has been pushed back to No-

vember, the final painting and striping won’t be completed until the spring when the weather is more accommodating for the paint to cure. While the paving will be completed in November, the finished courts will be revealed after the painting in spring 2016. Public Works will paint temporary lines on the courts until the final painting is done so that the courts can be utilized in the meantime.

The overall budget for the entire project is \$64,175 which was allocated in the parks budget for 2015. The bid for the paving work by Hutchens came in at \$37,950. The painting and line work for the project will be done by Gerald Perry Tennis Company in Springfield. The tennis court painting was bid at \$9,450, and

Both the tennis and basketball courts in the Cassville Park will be renovated to make the courts more utilizable by the community. Work will begin in November with final painting to be completed in spring 2016.

the basketball court was bid at \$16,775.

Bids for the tennis court and basketball project came in higher than anticipated in the budget which affect-

ed bleacher replacement in 2015. Nine out of 11 bleachers were replaced this year and the other two will be replaced next year. The painting aspect of the budget will

be accrued in the budget for 2016.

Once completed, the tennis and basketball courts will have a dark green and red theme, more like the original scheme. The tennis court will also receive new nets.

Renovations to the courts are part of an initiative to make the park more usable by the community and make the parks more inviting to community members and guests. Alderman Jerry Marple stated, “When people passing through see our parks, we want them to see something we’re proud of. The courts really needed to be redone, and they’re used more than you think they are.”

Animal communicator to donate to Blazi Lowe

Shania Stumpf

Cindy Kay Jones always knew she had a special gift. Now that she has made her gift her profession, she is utilizing it to help a local family in need.

Jones is an animal communicator and intuitive medium who was born and raised in Exeter.

In the 1990's, Jones moved to Oklahoma where she currently owns and operates her own practice.

Jones' grandparents used to have a farm and ran an in-house hospice center inside their home in Exeter. That is where Jones said she first started to feel presences. Jones said she connected with the outside farm animals, as well as the spirits of the patients who had passed on that were staying in the hospice center.

"When I was about three is when I knew about my animal communication and medium abilities," said Jones.

Jones also added, "At first it was hard for me to believe; sometimes I wondered if I was making it up."

Jones said that the gift she had was very evident, but she was always ashamed and embarrassed of it. She knew that if people knew about her ability, she would have a hard time fitting in and being accepted by her peers.

When Jones got older, she finally sought advice and assessments from a woman by the name of Naomi B. McDonald, who is a well-known and highly respected animal communicator.

McDonald explained to Jones that her ability was true and genuine, and after shadowing McDonald for a while, Jones started her own practice.

Jones works with people from all over as she can perform most of her services over e-mailing or the phone.

Through Jones' abilities, she can usually locate where a missing pet is. She also says she can transfer to the owner how the pet is feeling and explain to the owner if the pet is going through a hard transition.

Approximately three years ago is when Jones made her special ability her

profession. In addition to her animal communication practice, Jones also teaches workshops to inform others of what she does.

"I receive a lot of validation through what I am doing when an owner will tell me, 'There is no way you could have known that,'" said Jones.

Jones says that she has been blessed with the gifts of clair-audience, clairvoyance, and clair-sentience which enables her to connect on a spiritual level with the animals.

Jones also believes that everybody is born with an intuitive ability, some just have it to a higher degree. "Anyone can do it if they are able to tune into their abilities," said Jones.

On September 26 and 27 from 1 p.m. to 5 p.m., Jones will be at the Exeter Corn Maze to raise money for Blazi Lowe and her family.

Animal communication readings will cost \$10 for ten minutes or \$20 for twenty minutes. On Saturday all

Jones

the proceeds made will be donated to Friends of the Springfield Pound, a hospice organization for animals, and on Sunday, all the proceeds will go towards Blazi's Fight, benefiting Blazi Lowe and her family. "I really hope a lot of people come out and support this little girl," said Jones.

AIRPORT from FRONT

lanes are cracked with grass growing through them and provide a rough transit for planes from the hangars to the runway.

Christopher Flageolle, civil engineer in aviation for Lochner, was at the meeting on Monday night to answer any questions the council had regarding the project. Lochner has been utilized by the city for over ten years for various airport projects and consultations.

Flageolle recommended that the city put the project up for bid in February or March. Lochner will be working on the design aspect of the project over the fall and winter. Ideally, the repaving of the taxi lanes will be completed by next summer.

Once the taxi lanes are completed, upcoming projects will be to upgrade the fuel system, reseal the runway and various hangar projects.

Murder mystery book released set in Cassville

Shania Stumpff

Paul E. Herd recently published his first fiction book that is based on his hometown, Cassville. Herd was born in Monett then later moved to Cassville and graduated from Cassville High School in 1978. In 1989, Herd began writing automotive books for Motorbooks International. After many years of working for Motorbooks International, Herd decided it was a good time to start his own publishing company.

After publishing automotive books for approximately 20 years, Herd decided it was time for a change. He wanted to get out of the automotive writing and try something a bit more creative "I wanted to write something different. Once a man told me the only way to make money writing books is to write a murder mystery or a romance novel," said Herd.

"I knew I didn't want to write a romance novel, so I decided to write a murder mystery," said Herd. The fiction murder mystery book is titled "Blood Necklace." The book is based on modern day Cassville, and

Herd

he even incorporated Roaring River State Park.

The plot of the book involves fictional character Rick Ryder's life being turned upside down when his high school sweetheart is found murdered at a local state park. Ryder returns to his hometown determined to find the killer. What he finds is that the investigation is being led by a FBI special agent Isabella Alexander, who has a steamy and interesting past with Ryder. However, bureaucrats and rules have never

stopped Ryder before. With the help of his girlfriend's younger sister, they set out to learn the truth, that once learned, will change both of their lives forever.

This is Herd's first fiction book and he is releasing it on September 26. Within the next week, Herd will have his book for sale in Whitley's Pharmacy, located on the square in Cassville.

You can also go online to goldenroadspublishing.com to purchase "Blood Necklace."

Melton Scholarship turned over to Community Foundation

Charlea Mills

On Monday morning, former State Senator Emory Melton approved the transfer of the Melton Scholarship endowment funds from the Cassville Schools to the Cassville Community Foundation. The switch was made to increase the interest return on the funds and possibly allow more than one student to receive the scholarship each year.

The Melton Scholarship was created by Emory and Jean Melton as a memorial legacy scholarship for their late son, Russ Melton, who passed away in 2001. The scholarship amount varies each year based on how much interest is accrued annually. In the past, the scholarship has ranged anywhere from \$200 to \$1,200.

The move to transfer the funds to the Cassville Community Foundation will increase the interest return and allow bigger scholarships and possibly the expansion to allow two students each year rather than one. Superintendent Dr. Richard Asbill said, "They'll be able to manage it better than we could."

The school will put together a scholarship committee to give recommendations on recipients each year. So the school will still maintain control over which student locally is selected.

Cassville superintendent Richard Asbill (left) and Cassville Community Foundation president Landon Fletcher (right) met with former State Senator Emory Melton (seated) to transfer his late son's legacy scholarship from a school endowment to the community foundation.

While the scholarship does not have a grade point average requirement, there are guidelines the selection committee follows. Senator Melton said, "This is for children that really need it and have the potential to make something of themselves, but have no way of getting a college education otherwise."

Melton's stipulations are driven heavily from his own schooling experience and dedication to receive an education.

The creation of the scholarship was not only to honor

their son but also help students so they would have a leg up on their education.

Asbill said, "Because the Community Foundation will be able to manage those funds better, as that grows, we're hoping to be able to split it into two different scholarships."

The amount being transferred to the Cassville Community Foundation is \$20,300. Foundation president Landon Fletcher said, "Anyone who

wants to add to the endowment can contact me."

The Melton Scholarship recipients are recommended by counselors. Prior recipients were: Tyler Gripka (2003), Chris Lanstad (2004), Amy Swofford (2005), Blake Westpheling (2006), Jared Bouzek (2007), Kyle Mills (2008), Natalie Ward (2009), Emily Orrell (2010), Emily Pry (2011), Rebecca Haney (2012), Christina Willard (2013) and Caleb Clere (2014).

Annual Frontier Days coming this weekend

This weekend will mark another annual Frontier Days celebration. The two-day event will be on Saturday and Sunday, beginning at 10 a.m. each day.

The local event, started and hosted by Sandra and Edgar Schriener, is always free to the public and features a variety of frontier-themed activities to teach about life back in the olden days. Events scheduled include both instructional activities, interactive skill learning and crafts and wares to purchase. There will also be concessions for purchase.

This year, attendees can learn about blacksmithing, sorghum making, Dutch oven cooking and rope

making. Guests can also enjoy a wagon ride before they observe corn grinding and a glassblower demonstrating the artistic technique. Crafts for sale will include cedar furniture, rugs, jewelry and more.

This year will be also have a brand new feature: they will be building a log cabin on site while guests watch. Enjoy live music on Saturday from 10 a.m. to 11 a.m. and on Sunday beginning at 2:30 p.m.

To reach Pioneer Days, take Highway 248 from Cassville east seven miles before turning left on Farm Road 1127 and then follow the signs. The event is located at 12918 Farm Road 1157.

Monett retains Barry County Brawl trophy with 36-6 win

Lee Stubblefield

The Monett Cubs won a slugfest at Cassville on Friday night, beating the Wildcats 34-6 with a relentless ground game. Michael Branch, Monett's powerful junior running back, piled up 191 yards and a pair of touchdowns on just 19 carries to lead the Cubs to victory. Senior Cameron Witt added 88 yards rushing and two touchdowns on just five carries and also caught five passes for another 53 yards in Monett's balanced attack.

It was a busy night at Wildcat Stadium. Class reunions, introductions of Mighty Mites players, coaches, and cheerleaders, and the Duck Dynasty themed-Cassville student section had the stadium buzzing long before kickoff and all throughout halftime.

Even though Monett seemed to dominate the early action, the Wildcats trailed by only 14-0 at half, with the defense mounting another inspired effort. But the offense struggled to move the chains consistently, and the Cubs won the field position battle with timely first downs and a great night of punting by Witt. The average starting field position for the Wildcats was their own 23-yard line, with three of their nine possessions starting inside the 15-yard line.

Monett opened the scoring when Ian Meyer found Jonah Paszek with a quick slant from 6 yards out at the 4:15 mark of the first quarter. Caleb Hilton's PAT gave the Cubs a 7-0 lead.

Branch rumbled through the Cassville defense for a 28-yard score midway through the second quarter as Monett opened a 14-0 advantage.

On the opening drive of the third quarter, the Cubs drove deep into Cassville ter-

ritory. But on 4th and 3 at the 13-yard line, Cole York knocked down a Meyer pass at the goal line and the Wildcats took over on downs.

After a first-down incomple- tion, Leigh Cox scrambled out of the pocket to avoid the blitz and crashed into a Monett defender as he reached the second level. Both players went down but Cox never touched the grass, rolling over the defensive player and regaining his feet. Cox burst down the Wildcat sideline, picking up a timely block from Allen Lambel, before cutting back inside the hashmark for a desperate sprint to the end zone with 6:14 showing on the third-quarter clock.

The 87-yard scoring run ignited the crowd, and spawned memories of Ricky Nichols' dazzling run to paydirt against Branson in 2010. Cox's superlative effort deserves an ESPN "Top 10 Plays of the Week" nomination. Seriously.

Lance Parnell elected to go for two on the conversion to give his team the opportunity to take the lead with another touchdown and conventional PAT, but Cox's

quick out was incomplete and Monett continued to lead, 14-6.

But after a short kickoff by Cox, Monett scored in just two plays. Witt burst off left tackle and beat the Cassville secondary to the end zone in a 45-yard footrace. Hilton's PAT pushed the lead to 21-6.

The Cubs would score twice in the final quarter. Witt popped through the line to score on a 19-yard run, and then Branch reeled off a 66-yard touchdown highlight as Monett posted the 34-6 final score.

By the end of the contest, the Cassville sideline resembled a M.A.S.H. unit, with the alarming number of injured players bearing witness to the ferocity of the contest. The Wildcats were in unknown territory, with players filling unfamiliar spots late in the game.

"Injuries are a part of the game, and we never use them as an excuse," said Cassville's Parnell. "It's always next man up."

The Wildcats slipped to 2-3 overall after dropping consecutive conference games, while Monett improved to 4-1. The Cubs

retained the Barry County Brawl trophy with the victory.

The three-game gauntlet against Lamar, Monett, and Carl Junction has been an uphill battle in recent years. The Wildcats defeated all three of those conference opponents in 2012, defeated Monett in 2013, and went 0-3 in 2014. Now in 2015, Cassville's hopes for a Big 8 title have been seriously damaged by the back-to-back losses to Lamar and Monett.

The Wildcats host the two-time defending conference champion Carl Junction Bulldogs for Homecoming on Friday night. Kickoff is set for 7 p.m.

Big 8 recap

- Monett 34, Cassville 6
- Carl Junction 41, McDonald County 0
- Lamar 56, Butler 22
- Aurora 49, Mt. Vernon 14
- Seneca 44, East Newton 0.

Meshell wins three WKA National Championships

Pictured above, from left to right: Ernest Freeman, head instructor and Jonah Meshell.

It has been a very busy couple of months for one young Cassville resident. Jonah Meshell, 8, son of Philip and Catyia Meshell of Cassville, and student at the RWTB Family Martial Arts Center recently competed in two of the largest martial arts tournaments in the region.

On August 8, Jonah competed in the Ozark Mountain Nationals in Springfield. This tournament featured over 350 competitors from all across the country. This was the first tournament in which he stepped up to the advanced division which is the highest under black belt division in sport karate.

Jonah placed 1st in 12 year old and under musical weapons forms beating out the eventual tournament grand champion. He also placed 1st in youth self-defense, an

event in which his younger brother, Josiah Meshell, came in 2nd. Jonah also placed 3rd in traditional weapons and 3rd in point sparring.

On September 12, Jonah competed in the Midwest Open in Kansas City, Kansas. At this particular event, Jonah picked up three WKA (World Kickboxing and Karate Association) National Championships by placing 1st in extreme open hand forms, creative weapons, and musical extreme weapons. He also placed 1st in point sparring.

"We are extremely proud of Jonah's hard work and dedication," said Ernest Freeman, head instructor at the RWTB Family Martial Arts Center. "He put in a lot of time and hard work preparing for this and it showed in his results."

Pink Out and Senior Night for SW Volleyball

Southwest volleyball will celebrate three events next week. The Lady Trojans face McAuley Catholic on Tuesday, Sept. 29, for breast cancer awareness night and

Family Night.

Two days later, the team will honor the Class of 2016, Seniors Karla Catron, Baylea Ford, Jaime Shrum and Savana Leonhardt, when

Southwest plays Forsyth. Games begin at 5:00 with the ceremony between the JV and varsity games.

Southwest volleyball defeats Cassville in straight sets

Lee Stubblefield

The Southwest Lady Trojans swept the Cassville Lady Wildcats in straight sets to claim a non-conference volleyball victory at Washburn on Thursday, September 17, 25-15 and 25-19. Southwest, with tournament experience already in the young season, improved to 9-3-1 while Cassville dipped to 1-4.

Cassville, while taller and more physically impressive, could not match the intense defense and precision offensive play of Southwest. Savvy senior Jamie Shrum led the Lady Trojans, serving and dinking at will in leading her team to victory.

Shrum broke the Southwest school record for service aces and finished the night with 203. According to Southwest's Steve Voyak, that total ranks 4th in the Missouri state record book.

Cassville's starting lineup of mostly freshman and sophomores could not match the poise and efficiency of the veteran Southwest squad.

The Lady Wildcats broke on top to open the action, 5-2. Brianna Hemphill showed a strong service game to help Cassville gain a 5-3 advantage.

But Southwest cruised in front at 11-10 on senior Savana Leonhardt's serve, and Cassville would not regain the lead in a 25-15 set. With her Lady Trojans holding a 19-15 lead, Shrum reeled off six serves, including a pair of aces, and Southwest claimed the opening set, 25-15.

Besides the devastating service run, Shrum confounded the defense with her play at the net. Often the shortest player on the court, Shrum challenged the Cassville front line with perfectly executed dinks that eluded the blockers for easy points.

Ashlynn Howe opened the second set at the service line for Cassville. Alexis Cieslinski scored with a two-handed push, Jesse Edie won a point at the net, and then Brianna Hemphill scored in close quarters to give Cass-

ville a 3-0 lead.

But the Southwest girls showed no signs of panic or even unease. The Lady Trojans chipped away to pull within a point at 5-4, and then Leonhardt's service run vaulted the home team on top at 6-5. The Lady Wildcats would earn five ties, but would not lead again in this contest. Shrum collected another ace for a 12-10 Southwest advantage and the Lady Trojans were off and running.

Sydney Delssantos ripped an ace on match point to give Southwest the set at 25-17.

Southwest won the early C game, 25-19 and 25-18 behind Lili Outhouse's 13 for 14 serving.

Cassville took the junior varsity contest with a strong front line performance from Madi Stokes, 25-11 and 25-15.

The Lady Wildcats play at Monett on Thursday, September 24, while Southwest entertains Wheaton on the same night.

Monett Invitational challenges runners

Lee Stubblefield

The annual Monett Invitational remains a rite of passage for area cross country runners. Despite some deviations from the original classic configuration, the Monett Park course presents the hilliest, toughest challenge most runners will face during the regular season.

On Tuesday, September 15, a host of schools from southwest Missouri and northwest Arkansas flocked to Monett for the chance to challenge themselves, each other, and the iconic course.

Missouri small school powers Springfield Catholic and Lamar took the top two spots in the Class 1-2 Boys race, with Catholic winning 27-57. Southwest finished 8th and Wheaton was 12th in the 13-team field.

Springfield Catholic's girls also took top honors in Class 1-2, scoring 20 points in a race that had only five complete teams.

Nixa won the Class 3-4 Boys race, taking a narrow win over Glendale, 25-36. Cassville placed 5th with 143 in the eight-team field.

The Nixa girls wowed the crowd, posting a perfect score of 15 in a four-team field.

Cassville's middle school runners continued their streak of excellence, as Brylee Wilson placed second in her MS Girls race and Devon Brookes took 3rd in the MS Boys division.

Freshmen Wildcats dominate Monett

The Monett Cubs made the short trip to Cassville on Monday, September 21 to challenge the Wildcats in a freshmen football contest. Unfortunately for the visitors, it wasn't much of a contest at all. Cassville dominated both offensively and defensively, en route to a 41-6 victory.

The Wildcats scored early and often in the first half; in fact, they scored on five of their zix first half possessions. Shannon Haney accounted for two touchdown runs, Ethan Hoppes had a touchdown reception, and Evan Kessinger and Anthony Tolbert each had a touchdown in the first half. An-

drew Berndt added the extra point kick to four of these scores (the other extra point attempt had a mishandled snap), giving the Wildcats a 34-0 lead at the half.

Cassville took the opening drive of the second half and marched down the field with a punishing ground game. The drive was capped off by Tolbert's second TD of the evening, putting the Wildcats ahead 41-0.

Monett would score a 4th quarter touchdown to get on the scoreboard, but otherwise never threatened the Wildcat defense, which was dominant all night.

On the other side of

the ball, the offensive line consisting of Jacob Anderson, Jacob Beaulieu, Mason Hendrix, Jesus Perez, Jacob Statler, Colten Moore, and Peyton Stringer controlled the line of scrimmage and created huge running lanes for the backs. In addition, tight ends Zack Burton and Austin Sanders did a nice job of blocking as well.

Both Coach Rogers and Coach Artherton were pleased that everyone contributed to the team effort, made the necessary plays when needed, and got a win against the rival Cubs.

Southwest takes second in Greenfield tournament

Southwest finished second in the Greenfield Volleyball Tournament Saturday. Team members included: Savana Leonhardt, Jaime Shrum, Karla Catron and Baylea Ford. Back row: Coach Steve Voyak, Sydney Leroy, Sydney Delossantos, Myka Cook, Rebekah McKeever, Maggie Robbins, Heather Windes and Coach Emily Thurman. The Lady Trojans finished with a record of 2-1-2 and lost to Sarcoxie in the championship 26-24, 25-21.

Haven of the Ozarks Pet of the Week

The Haven of the Ozarks Pet of the Week is our extra handsome Pablo Picasso! This guy is just a big bundle of love and happiness. He enjoys going for rides in the van, taking walks, and getting attention. He's about a year and a half old, is already housetrained, likes some other dogs (an introduction to potential doggy siblings before going home would be a good idea), and adores people of all ages. No cats for Pablo, please. We can't think of any dog who would be more excited to find his very own person...he will be a devoted and appreciative friend. To meet Pablo, or any of our other wonderful animals, call 417-835-3647 or come on out for a visit. *Don't miss out on our annual rummage sale at the Shell Knob VFW that is coming up! We will be collecting items for the sale on September 29, 30 & October 1 and the sale will be October 2-3.*

If you are interested in adopting a dog or cat please call **417-835-3647** or visit thehaven.petfinder.com

Mercy donates to Cassville Food Pantry

Mercy Hospital of Cassville held a six week food drive to benefit the Cassville Food Pantry at the United Methodist Church. The hospital matched funds by donating 20 cents for every pound of food donated by employees. Mercy donated a check for \$273.40 to the pantry to match the 1,367 pounds of food brought in.

Pictured above, from left to right, are: Fred Spencer, Mercy maintenance; Andy Lambel, United Methodist Church pastor; Stan Small, Mercy maintenance; George Roden, Mercy director of human resources and operations; Janet Mills, food pantry director; and Stephanie Clymer, Mercy supply chain tech.

Free Medicare counseling at Central Crossing

As has been done yearly since 2008, Central Crossing Senior Center is offering free Medicare counseling to area seniors. This year, the enrollment period is from October 15 through December 7. During this time, eligible seniors can review and make changes in their Medicare Part "D" and may change from Advantage Plans to Medicare or Medicare to Advantage Plans.

It is wise to have your plans reviewed annually, because your plan could change next year or another plan may change which will save you money. Conversely, not changing your plan could end up costing a lot. Medicare Part "D" has numerous changes which you may not

be aware of. Additionally, there is much to learn regarding the differences between Medicare and the various Advantage Plans available for next year.

All counselors at Central Crossing Senior Center are trained Centers for Medicare Services (CMS) volunteers. They are not paid, and their services are totally unbiased. Their motivation is only to assist area seniors in choosing the best health plan available. Since the inception of this service, area seniors have saved over \$235,000. Last year alone, the CMS volunteers counseled 385 seniors and saved them a total of \$55,582. These seniors unanimously agree that it is important to have an inde-

pendent unbiased review of your Medicare options.

Using this service is free. Call (417) 858-3456 to make your appointment. You will be told what information to bring to the counseling session.

There are only so many volunteer counselors and limited time, so the Central Crossing Senior Center urges you to set your appointment soon. Taking action on this free service may save you hundreds and possibly thousands of dollars in your medical expenses in 2016. Counseling will last approximately one hour. Remember, the enrollment period for all enrollees ends December 7.

Back row: Jesus Perez, son of Edgar and Flora Perez, of Cassville; Coleman Hoppes, son of Emma and Todd Hoppes, of Cassville; Jake Wolf, son of Lourie Speakman, of Cassville, and Don Wolf, of Cassville; Will Edmondson, son of Roy and Heather Edmondson, of Cassville; Tyler James, son of Jerry James, of Cassville, and Shelli James, of Cassville; and Cameron Irwin, son of Shaun and Carrie Irwin, of Cassville.

Sheriff's Office designated Gold Medal Agency by state

Both State and Federal Law mandate that sex offender registration information be submitted to the State Registry within three days of an offender's registration date. Barry County was recognized as being a Gold Medal Agency by having the proper paperwork submitted to the State in one day or less.

Emma Henson is being recognized by the Missouri

State Highway Patrol for her superior work and dedication in maintaining the Sex Offender Registry. Sheriff Epperly commended Henson for the superior performance of her duties and a job well done.

The Barry County Sheriff's Office was selected as one of only 35 Gold Medal Agencies in the state.

Gizmo McCracken nominated for Comedy Act of the Year

It was announced that Gizmo McCracken has been nominated for Professional Rodeo Cowboys Association's (PRCA) Comedy Act of the Year for 2015. This is Gizmo's fourth nomination in this category and seventh nomination overall.

The year-end award winners will be announced at the 2015 PRCA Awards Banquet in the Ballroom of the South Point Hotel and Casino in Las Vegas on December 2 in conjunction with the 2015 Wrangler National Final Rodeo.

Gizmo McCracken has been entertaining crowds across the country for 39 years. He became a member of the PRCA in 1992 at only 23 years old. Since that time, the list of accomplishments has grown beyond belief. Gizmo has worked 14 PRCA Circuit Finals Rodeos, the Dodge National Circuit Finals Rodeo, the Cheyenne Frontier Days twice, nominated as the Coors Man in the Can three times, nominated for Comedy Act of the year four times, and a feature act at the 2005 Wrangler National Finals Rodeo.

Annual Jenkins Fish Fry Oct. 3

Southwest names Super Hero students for September

The annual Jenkins Fire Protection Department Fish Fry will be October 3 at Station #1 located on Highway 248 just west of Highway 39.

Entertainment by the local group Ozark Mountain Revival will be on stage from 4:30 p.m. to 6:30 p.m.

Dinner will begin at 5 p.m. and continue until 7 p.m. or until all food is gone. The all-you-can-eat menu will be fish or chicken, slaw, baked beans, hush puppies, dessert and a drink. The cost is \$9 for adults and \$4 for children 10 and under.

The auction of donated items and pies from area individuals and businesses will begin at 6:30 p.m. Fern Mease donated a quilt for a raffle that will be awarded at the end of the evening.

The Jenkins Fire Protection district is a voluntary group of interested individuals who believe safety and fire protection are important to the community. The board, fire fighters, and auxiliary are all volunteers; no person involved with the district is paid.

The community is encouraged to donate desserts, bottled water and canned pop for the fish fry. The building will be open with volunteers working all day October 3 and items can be left there. For more information, call Sara at (417) 342-4243.

During the month of September, Southwest Elementary students were chosen to be “Super Hero” Students of the Month. These students exhibited the character trait of responsibility. The students were honored at an assembly.

Winers are pictured above, from left to right, in the front row: Katherine Taylor, Autumn Ortiz, Tinlee Mitchell, Ayasha Ross, Ayden Flippo, Marley Slaughter and Cameron Carnes. Back row: Christian Poe, Landon Colf, Ivan Suchowski, BreeAhna Paulsen, Brady Brinkman, Natalie Sanko, Peyton Fixico and Saige Miller. Absent from photo: Lyric Bernard.

Wheaton to hold reunion October 3

The classes that attended Wheaton High School during the 1950’s will hold a reunion on Saturday, October 3.

The reunion will be held at the Wheaton High School Career Center located on Highway W on the east side of the campus.

It will be from 1 p.m. until 3 p.m. There will be coffee and water available. Arrangements are being made to provide tours of the school facilities. The Wheaton Depot Museum will also be open for attendees. The Museum showcases a large number of pieces of memorabilia from the 1950’s.

Those who attended the Wheaton High School during the 1950’s are encouraged to bring their guests and join for a time of reunion and reflection.

Cassville freshmen elect officers

Local competes in KC Youth Rodeo

The Cassville High School freshmen class has elected their 2015-2016 Student Council class of officers and representatives. Elections were held the week of September 8. Pictured from left to right are: Dalia Phelps, member at large; Brianna Smith, female representative; Brianna Hemphill, secretary; Evan Kessinger, male representative; Shannon Haney, president; and Reilly Nichols, member at large. Absent from photo: Callie Beagle, vice president.

SW FBLA offers Parents' Night

Brianna Roller
Join Southwest High School FBLA for our new, upcoming, monthly, event: Parent's Night Out. This is an opportunity for parents in the Southwest area to have a night to themselves, while our FBLA organization offers a fun-filled evening for their children.

They will have the option of viewing a movie or partaking in activities in the gym. We will also provide the children with snacks and drinks. Parent's Night Out will run from 5:30 p.m. to 9 p.m. and will occur every second Friday of the month. October will be the first month of this event

and April will be the last. February and March are the only two months that Parent's Night Out will not transpire due to no school.

The Southwest High School commons will host this coming affair. Children who are ages three (and potty-trained) to 12 may attend for a reasonable payment of \$8 per child. If you have any questions, please email SWHS FBLA adviser Sharesa Rodgers at srodgers@swr5.net or call (417) 826-5413.

Local youth rodeo competitor Lily Ray will be participating in the American Royal Invitational Rodeo in Kansas City on September 22 and 23.

The Royal Invitational Youth Rodeo kicks-off Tuesday, Sept. 22, and continues through Friday, Sept. 25, in Hale Arena at the American Royal Complex. Lily Ray has qualified to compete in Barrel Racing. This four-day event features top student-athletes competing in events such as bull riding, barrel racing and the crowd favorite, mut-ton busting. Since 2007, the American Royal has awarded \$70,500 in scholarships at the Invitational Youth Rodeo, along with additional prize money and awards.

"I am really honored to compete at the American Royal, it is where many champions have gone and won before," says Lily.

The event will be divided into Junior and Senior Divisions. The Senior Division is made up of athletes ages 14-18 who will compete on Sept. 22 and Sept. 23 at 11:30 a.m. both days. Senior Division events include bareback riding, bull riding, barrel racing, junior bareback riding, break-away roping, and goat tying.

This high-energy event only happens once a year—don't miss your chance to be a part of the action. Invitational Youth Rodeo tickets are available through Ticketmaster

and the Kemper Arena Box Office. Further information regarding the event is available online at www.american-royal.com.

The American Royal Association is a non-for-profit 501(c)(3) corporation that has been a Kansas City tradition since 1899. Each year more than 270,000 people attend events at the American Royal Complex. In 2014, the Royal was able to give \$1.4 million in scholarship and educational awards. In addition to its educational mission, the American Royal generates some \$60 million of economic impact, \$4.4 million in local tax revenues and supports 450 jobs.

Cassville 1986 alums return home to teach

Their song was “Kyrie Elasion” by Mister Mister. Colors: burgundy and silver. Mr. Jerry Marple was the Cassville High School (CHS) Principal and did his best to keep them all in line. Dr. Dan Bailey had just completed his fifth year as Superintendent for the Cassville School District.

The CHS class of 1986 had 80 graduates walk across the stage to receive their diploma and five of them have returned to their alma-matter.

Leisa (Ford) Lasley, Melanie (Ruark) Grossman, Kristie (Davis) Preddy, Shari (Eskildsen) Rhea and Chris Shore have returned “home” to pursue a career in education.

“I enjoyed having each of these students while they were in school. I had the opportunity to work at the Cassville School District for nine years and I really enjoyed those years. I am glad to see my former students come home. They were all outstanding kids,” stated Mr. Jerry Marple, former CHS Principal.

Lasley, CHS Resource Educator, began her teaching career 22 years ago at Cassville. After completing college, she returned to her roots. Mrs. Sharon Farrow’s class was one of her favorites. She was also involved in Future Homemakers of America, ran track and played volleyball for the middle school team.

Lasley and her husband, Brian, are proud to call Cassville home and raise their two daughters, Rachel

and Abby, as well as their son, Levi, in this close-knit community.

Grossman started her teaching career in East Newton and was excited to have the opportunity to return to her alma-mater this year to teach High School Business. Her favorite high school memory? Going to the football games!

Grossman enjoyed playing volleyball, running track and being involved in Future Business Leaders of America, Science Club and the National Honors Society. Grossman and her husband, Randy, along with children Dylan, Reilly and Emerson, call Cassville home.

Preddy is a self-proclaimed “technology geek.” She served time in detention her senior year for skipping class and hiding in the first computer lab on campus. This year marks the start of her seventeenth year at Cassville. She began her teaching career in Golden City where she taught science for two years. She returned to CHS to teach science before becoming the Primary Guidance Counselor. Like many CHS students through the years, Preddy remembers cruising Main Street every weekend. She was also involved in band.

“Our graduating class was small enough that you felt like you knew everyone, even if you did not share any common activities with them,” said Preddy.

Preddy is married to 1984 CHS graduate, Gary Preddy. They have three

children, Michaela, Bob and Grant.

Rhea, voted “Best All Around” in high school, returned to Cassville after teaching in Texas. She has been with the district for 19 years. She currently teaches sixth grade Communications Arts and Social Studies and serves as the coach for the middle school volleyball team. Her favorite memory was building the homecoming parade floats, district wide pep assemblies, playing volleyball, performing with the stage band and marching band, and instigating senior pranks. Rhea’s husband, Darren, is also employed by the Cassville School District. They have two sons, Kyle and Kris.

Shore, Physical Education teacher and coach, has been a teacher at the Cassville School District for 21

years. He started his teaching career just down the road in Exeter. Shore, voted “best dressed,” was known for sneaking into the gym at night to play basketball his senior year. He resides in Cassville with his wife, Marla, and their two sons, Jordan and Derek.

“Homecoming was a big deal for the entire district,” said Preddy. “The students would line up on Main Street and watch the Homecoming parade. After the parade, we would all meet at the high school gym for a district wide pep assembly.”

During the weeks before the parade, high school students would create floats for their class and individual clubs.

“That is one tradition I truly miss. It gave all of us, the littlest and the biggest Wildcats, a sense of school

pride,” stated Preddy.

August will mark 30 years post graduation for the class of 1986. With this milestone, many classmates will be reunited for the first time in years at their class reunion. Lasley, Grossman, Preddy, Rhea and Shore, however, work together daily and will be a continued part of the history of the Cassville School District and the success of CHS graduates for years to come.

Cassville Library events

- Test your trivia knowledge on Thursday, September 24, at 6 p.m. Fun, snacks, and prizes included.

- Monkey Kingdom, a Disney nature film, will be shown on Friday, September 25, at 4 p.m. The movie is rated G and sponsored by the Cassville Area Friends of the Library.

- Ready for Bingo? The library hosts on Thursday, October 1, at 6 p.m. in the library’s lower level.

- A beginning crochet class will be meeting each Friday morning at 10:30 a.m. starting October 2. Call (417) 847-2121 or visit the library to sign up.

- New to Barry County? Then you need a library card. Just bring in a photo ID (adults 18 and older) and proof of current address to become a library patron. Children ages 6 through 17 can also get a card with a parent/responsible party who is also a patron in good standing.

- A couch-to-5K walk/running program is held each Tuesday and Thursday evening at 7:30 p.m. Meet in the library’s lower parking.
