## New YMCA in the works for Cassville

Charlea Mills

The Cassville YMCA is an incredibly busy place most days. With an increasing demand for the Cassville YMCA, a new facility plan is in the works with ground-breaking optimally happening next year. After a community meeting last Tuesday, November 3, the YMCA and a group of community partners are making plans for a bigger facility to meet the community's changing needs.

Dove Haney, Cassville YMCA Center Executive, said that almost 180 people showed up on Tuesday to voice their opinions on how to make the local YMCA better. She said, "It was awesome. I was really proud of how many people came out. It really drove home the point of a bigger or a new facility for Cassville."

Currently, the Cassville YMCA offers up sports programs, an exercise area, different classes, after-school child

care, a gymnastics area and other games. It is a lot of activity for the small space that they currently have. Haney said, "At certain times of day, we are maxed out at our capacity. There are a lot of programs that we would like to offer that we just can't because we're so limited on space."

She said the issues boil down to one thing: space. "We need to expand so that we can better serve the community," Haney stated.

Currently, it is unknown where the new facility will be or when it will be completed. The surveys that both YMCA and community members filled out will help them determine what features the new facility will have to meet needs. The surveys included questions about what areas people currently utilize most, what they would like to see and what would cause them to join the YMCA if they aren't already members.

The Cassville community's needs has outgrown the space at the present YMCA location, and thanks to a community partner, they will be looking to break ground on a new location next year. Pictured above, a group of kids utilize the space to play ball after school.

Some of the suggestions made in surveys included a bigger exercise area with more equipment, a ninja warrior training course, an indoor

walking track, more space and a spinning room. Facility showers were also a point brought up.

Haney said, "We are plan-

ning a capital project campaign in 2016 to raise the money for new equipment,

## New charges filed for Washburn murders

Paschall

Charlea Mills

Christopher Paschall, the man accused of murdering the mother of his child, Casey Brace, and the mother's grandfather, Herbert Townsend, in Washburn in January, is facing three new charges in Barry County.

According to two entry of appearances filed, Barry County Prosecuting Attorney Amy Boxx will be assisted by Assistant Attorney Generals Darrell L. Moore and Joshua David Harrell in the case.

Moore filed an amended felony complaint against Paschall on October 26 which added two charges. Initially, Boxx filed charges of murder in the first degree, assault in the first degree and armed criminal action against Paschall in January. Judge Robert Foulke issued a \$1,000,000

## Monett man arrested on statutory rape charges

Charlea Mills

A Monett man was arrested this week on three different charges for allegedly having sex with an underage child. Dustin James Briskey, 24, of Monett, is charged with statutory rape in the second degree, statutory sodomy in the second degree, and endangering the welfare of a child in the

first degree.

According to the affidavit of probable cause by Barry County Sheriff's Deputy Terry Meek, Briskey's victim was a 14 year old girl from Exeter. Meek wrote that Briskey went to the victim's home in Exeter on Sunday, October 18, parked in the driveway and had sexual intercourse

with her. The victim said that Briskey knew her age, and that he had informed her not to tell anyone about what had happened.

Briskey is currently being held in the Barry County Jail in lieu of a \$30,000 cash-only or corporate surety bond.

## Community Thanksgiving church service planned for Nov. 18

On Wednesday, November 18, the First Christian Church will host a collaborative community Thanksgiving service at 7 p.m.. Several different pastors will be speaking. and we'll also apply for grants to help pay for it." They plan to use community priorities and needs to decide which equipment and features are the most important.

According to the surveys distributed during meeting, the top requests included a gym for basketball, volleyball, dodge ball and pickle ball, an indoor walking track,

a group workout studio, expanded space for the cardio and weight equipment and an indoor pool.

Slightly less popular votes included a game room, racquetball court, spin room, locker rooms and showers, sauna, an expanded kids zone and an obstacle training course.

The next step in the process

will be for the YMCA to share the results with the community partners putting the plan in motion to work on the design. Haney said they will, "work on the design of the community center designed expressly for the needs of our community."

Currently, multiple location sites are being discussed, but no location has been chosen. Haney said that one thing they are taking into consideration with a new location is the proximity to the schools. She said, "We have a lot of kids who walk here after school, and crossing [MO] 248 is dangerous. So we are hoping to find somewhere more centrally located."

As the project progresses, more information will be released.

The current YMCA location is on MO 248. The location for the new building has not been determined yet.

## Man arrested for May Norm's Grocery burglary

Charlea Mills

The suspect accused of a May robbery of Norm's Grocery in Seligman is now in custody. Christopher Dion Anderson, 24, is charged with burglary in the second degree and felony theft/stealing of property in value of \$500 to \$25,000.

According to the affidavit of probable cause by Seligman Chief of Police Terry Burgess, between 4:30 a.m. and 5:30 a.m. on May 25, Anderson broke into Norm's and stole a total of \$2,042.70 worth of money and merchandise.

Anderson allegedly forced entry into the business and stole a television, meat, additional merchandise and money. Chief Burgess wrote that another man was giving Anderson a ride

Anderson

home when he asked him to stop at a trailer behind the grocery store. Then, Anderson loaded the car with the television and merchandise. The driver then dropped him off at his residence.

Anderson is currently being held in the Barry County Jail in lieu of a \$15,000 cash-only or corporate surety bond.

Words can't express the extreme gratitude we have for the out pouring of love and support during my battle with Leukemia. Thank you to everyone who was able to make it to the benefit, who donated items for the silent auction, bake sale, dinner and those who made monetary donations. We would also like to thank Ridgley Baptist Church for the use of the building and the entertainment; Bob Roper's Horse Thieves and Emmanuel Baptist Church's Praise Team. The kids also enjoyed the bounce house provided by Mike England. And as always we covet your prayers as God's healing hand is what we need most. Everyone working together made it a huge success.

Thank you again,

# Operation Shoe Box collection next week

With holiday supplies already covering the store shelves, individuals, families, churches and groups in and around Cassville are working to make Christmas a reality for kids in need around the world by filling shoeboxes with toys, school supplies, hygiene items and notes of encouragement. Especially during November, Operation Christmas Child is moving into high gear while Cassville-area volunteers prepare to collect hundreds of gift-filled shoeboxes during National Collection Week, Nov. 16 through 23.

Anyone can drop off a gift-filled shoebox to send to a child overseas. On arrival, using whatever means necessary, trucks, trains, boats, bikes, and even elephants and camels, the shoebox gifts will then be hand-delivered to children worldwide. For many children, this shoebox gift will be the first gift they have ever received.

Gifts can be dropped off at the First Baptist Church in Cassville at 602 West Street Monday through Sunday, Nov. 16 through 22, from noon to 5 p.m. and Monday, Nov. 23, from 8

a.m. to noon. For more information, call (417) 847-2965.

Empty shoeboxes can be picked up at First Baptist Cassville, along with a list of gift ideas for boys and girls.

Though the shoebox gifts will often travel thousands of miles, using special tracking technology, participants can follow their boxes online and discover the country to which their gifts will be delivered to children in need. To register a shoebox gift, use the online donation form at samaritans-purse.org.

Operation Christmas Child has collected and delivered more than 124 million shoebox gifts to children in more than 150 countries since 1993, and hopes to collect another 11 million gift-filled shoeboxes in 2015. Operation Christmas Child is a project of Samaritan's Purse, an international Christian relief and evangelism organization headed by Franklin Graham.

For more information about how to participate in Operation Christmas Child, call 417-847-2965 or visit samaritanspurse.org.

cash-only bond on the charges. Moore has since added an additional murder in the first degree charge, two counts of armed criminal action, and parental kidnapping. The assault charge has been dropped.

On Monday, January 5, Paschall, 37, of Springdale, Ark., allegedly showed up at Townsend's home where he shot and killed Brace, 29, and Townsend and kidnapped two-year old Alli Paschall.

Later that day, Paschall was taken into custody in Springdale, Ark., by law enforcement without incident, and Alli was found safe.

Alli has since been placed in custody of family members. Brace left behind two older

children, as well.

Paschall is still being held in Arkansas where he was arrested, waiting extradition to Missouri after his charges are settled in Arkansas. His charges in Arkansas include possession of a firearm by certain persons prohibited, possession of drug paraphernalia, theft by receiving, and violating terms of a prior bond. Until Paschall's charges are resolved in Arkansas, he will not appear in court for the murders.

In Barry County, Paschall is now charged with two counts of murder in the first degree, two counts of armed criminal action, and parental kidnapping.

HANS MUNSON**

Donald Hans Munson, 55, of Golden, passed from this life on October 31, 2015, after a long battle with cancer. He was born on December 18, 1959, in Maquoketa, Iowa, the son of Leroy and Virginia (Davison) Munson.

He was preceded in death by his father, Leroy; two uncles, Wayne and Darrell Munson; one infant brother; his maternal grandfather, Glen Davison; and his paternal grandparents, David and Olga Munson.

He is survived by his wife, Susan, of Golden; his mother, Virginia, of Eagle Rock; his grandmother, Mina Hendricks, of Maquoketa, Iowa; two brothers, Ronnie, of Cedar Rapids, Iowa, and Richard and his wife, Roxanna, of Raleigh, N.C.; four stepchildren, Gene and Susie, of Sequim, Wash., and Tony and Heidi, of Green Forest, Ark.; four nieces, Amber and Jessica, of Cedar Rapids, Iowa, and

Erin and Emma, of Raleigh, North Carolina; one nephew, Evan, of Raleigh, N.C.; numerous great-nieces and nephews; ten grandchildren; and one great-granddaughter.

After graduating from Maquoketa High school in 1979, he moved to Kansas City, Denver, Colo., and Forks, Wash., before making Golden his forever home in 1992. Donald and Susan were united in marriage on March 1, 2000. Together they started Munson Seamless Guttering, which has been very successful since they started in 1995. Susan will continue to run the business.

His parents, Leroy and Virginia, moved here from Maquoketa, Iowa in 1986 and bought Fishermen's Haven Resort in Golden, until they retired in 1999 and made their home in Eagle Rock.

Don and Susan made many trips on the Harley all over the United States, but one of the most memorable trips was the Harley Davidson 100th Anniversary in 2003. He loved to ride with his friends, whether it was going to the Beaver Dam in Arkansas or to Sturgis, South Dakota.

## Cassville R-IV launches emergency system Purdy September Students of the Month

Cassville R-IV School District will contract with CrisisGo to offer a technology emergency response system for Cassville Public Schools. CrisisGo is a mobile emergency application which will send a message to school staff members' phones, tablets or laptops in the event of an emergency.

"Our number one concern is keeping our students and staff safe at all times," stated Richard Asbill, Cassville School District Superintendent.

"Our crisis management plans are fully developed and up-to-date and our staff is prepared to respond in the case of a crisis; however, our plans are pages long and CrisisGo is tailored to make emergency response information easily accessible in a quick manner."

CrisisGo gives administrators and teachers a two-way communication platform and securely stores important emergency preparedness plans and information such as checklists, class rosters, call lists and building maps.

"It will streamline each response with the pieces everyone needs in the event of a specific emergency. For instance, in the case of an emergency, a teacher would receive a message with step-by-step instructions on how he or she should respond to the crisis at hand," stated Asbill.

## Les Jacobs donates to Central Crossing seniors

In an ongoing show of support, Les Jacobs Ford presented a check to the Central Crossing Senior Center (CCSC). The money will be used to purchase furniture for the newly-constructed Melba Eakins Addition to the CCSC.

Les Jacobs Ford has been an enthusiastic supporter of the Center for years, and this latest contribution represents an ongoing show of support not only for Central Crossing Senior Center but the entire Shell Knob community.

# CASSVILLE DENTAL CARE

# CONSCIOUS SEDATION

- It Really Works! You really can relax through your dental appointment.
- You will have little or no memory of the experience.
- Complex dental treatments that often require six to eight appointments, can be done in as little as one or two!
- People who have difficulty getting numb will find that sedation dentistry eliminates this problem.

## Cassville FCCLA attends Fall Conference

Students from Cassville Middle and High School attended the 2015 Missouri Family, Career and Community Leaders of America Fall Leadership Conference October 18 through 19 at Tan-Tar-A Resort in Osage Beach. More than 1,100 FCCLA members, advisors, and chaperones attended the conference. FCCLA students were able to choose from a variety of different sessions. Sunday sessions included trainings on professionalism, networking, fundraising, careers, and communication. Monday sessions included trainings for new members, chapter officers, regional officers, and general leadership training.

Trainings were performed by professional speakers from TRI Leadership Resources as well as Missouri FCCLA State Officers. Members were inspired to help others and be a positive leader. Family, Career and Community Leaders of America is unique among youth organizations because its programs are planned and run by members. It is the only Career and Technical Student Organization with the family as its central focus. Participation in FCCLA programs and activities helps members become strong leaders in their families, careers, and communities.

The following Cassville FCCLA members attended the conference. From left to right, in the front row: Nikkia Lansdown, Kaitlyn Grayum, Coleman Hoppes, Willow Linton, Kya Kraft, Zac Acheson, Macy Barnett and Michaela Cotton. Back row: Laura Stringer, Emily Sink, Megan Richter, Lindsey Wells, Jeremiah Pendleton, Opal Gouvian, Morgan Strode, and Daisy Olsen. Also in attendance were FCCLA Advisors, Ann Ellis and Samantha Cosper.

# Barry County Health Department September Food Service Report

The Health Department divides food service code violations into two categories: Priority and Core items.

Priority items are more likely than other violations to contribute to food contamination or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or injury.

A report for each establishment that is inspected shows the number of priority items, along with a short statement as to the nature of the violations. The report also shows the number of core items, but doesn't list the nature of those violations.

# Taylor Werner, Festus and Lafayette Wildwood shine at State cross country meet

Lee Stubblefield

Taylor Werner capped her storied high school career on Saturday, winning her fourth consecutive Class 3 individual championship and leading St. Genevieve to a team title at the MSHSAA Cross Country championships at Jefferson City. Werner blistered the course in 17:14, finishing over a minute ahead of the Class 3 second-place finisher. While Werner was the feature story of the 2015 championships, there were plenty of other headlines. Festus dominated the Class 3 boys race, placing six runners in the top 20 to claim the first-place trophy. A strong Class 4 field saw a Lafayette Wildwood sweep, with the LW girls winning with 55 points, and the boys posting a winning score of 38. The West Plains boys fin-

ished third. Southwest Missouri was well-represented at the meet. Springfield Catholic's boys won the Class 2 championship, with Strafford third and Lamar fifth. Catholic's Stephen Kielhofner was the individual champion, running 16:13 on the 5K course at Oak Hills. The Catholic girls placed seventh in Class 2 girls. Hermitage won the Class 1 Boys title, with Sparta placing sixth.

Sean Lowry of Wheaton was 41st in 18:29. The Summit Preparatory School girls snagged the top three places in Class 1 Girls, but lost the team title to Crystal City, 114-118. In Class 2 Boys, freshman Jarrett Pike of Southwest placed 83rd in 18:35. The Class 3 Boys race saw Cassville's Caleb Clere finish 47th in 17:42, and Austin Wilson was 122nd in 18:43.

## Purdy students to present play Nov. 13, 14

Purdy's cast of *Where's Charley* is pictured above, from left to right: Kaden Propps as Charley Wykeham; Mikala Fletcher as Amy Spettigue; Gannon Clevenger as Jack Chesney; and Katie Real as Kitty Verdun.

Purdy High School junior Kaden Propps will take the stage as Charley Wykeham, in Purdy High School's production of the hit Broadway musical "Where's Charley?", a musical glimpse of Victorian social lunacy played out on a college campus. Joined by co-stars Gannon Clevenger, Katie Real, Mikala Fletcher and a troupe of talented supporting cast members, Propps promises a rollicking adventure on the 1892 Oxford University Campus. "My character, Charley, and his roommate, Jack Chesney, find themselves in a bit of a pickle when Charley's Brazilian aunt, Donna Lucia, fails to show up for a visit and a chaperone gig for a lunch date with our love interests. Charley takes one for the team and dons a dress to pose as his aunt so the party can go on as planned.

However, his plans do not include attracting the attention of male admirers in his "Aunt Donna" attire, including Charley's dad! Hilarity ensues as Charley attempts to negotiate his dual identities while winning the heart of the woman he loves."

According to Purdy Vocal Music Director Lauren Lee, two evening performances are scheduled, with opening night on Friday, November 13, and an encore performance on Saturday,

November 14. Both performances will be held in the Purdy Elementary Gym at 7 p.m., and admission is free. Lee noted, "Where's Charley offers audience members of all ages a prime opportunity to stroll through a straight-laced, yet simple time of college romance. Join us for side-splitting comic encounters, as well as tender moments that will leave you longing for the thrill that only young love can bring."

## Tree's a crowd.

Trees growing too close to power lines are potential hazards and can cause power outages. Careful planning and selection of trees before planting provides a well-balanced landscape and reduces the need for right-of-way maintenance.

Give your electric cooperative a call with any questions you may have about which trees are right for your yard.
