Community raises over \$7K for Jessica Morgan Memorial Scholarship

Morgan

Charlea Mills

Sometimes the best way to show the strength of a community is to watch them amidst tragedy. In the case of the Southwest School community, that sense of solidarity raised over \$7,700 during a fundraiser held on Saturday to remember Jessica Morgan, a senior who was killed in a car wreck last fall.

Jessica's death ravaged the Southwest community, impacting not only her family, friends and teachers, but the community as a whole. As an avid Christian and athlete, she was well-loved by her teammates and those who knew her. After her

death, her family searched for ways to remember her giving spirit which is what led to Saturday's event.

Her family decided to create a memorial scholarship to honor Jessica and to help other students in the community. Jessica's mother, Barbara Morgan, said, "Creating a memorial scholarship was a wonderful way to honor Jessica's life and who she was. Jessica loved helping others, and she'd be so proud of how the community has come together to help one another."

While the details of the scholarship are in the initial stages, next year and subsequent years, the family hopes to raise \$10,000 each year through annual events and donations to give away to graduating Southwest seniors to help with college expenses.

Jessica's sister, Amber Paulsen, said, "This year will be different with the scholarship because it is the first time. Part of the money we raised Saturday will go to pay for Jessica's headstone, but the rest will be used for the scholarship." At least one senior will be selected this year to the Jessica Morgan Memorial Scholarship with

the number of scholarships handed out increasing beginning next year.

Her family worked with Linda Morgan, Southwest High School teacher and Fellowship of Christian Athletes adviser, to develop a scholarship application available for students who are active in FCA. Students are asked to write an essay about their need for the scholarship. Paulsen also said, "We also want the students applying to be aware of the importance of organ donation because that was very important to Jessica."

In following years, family and friends plan to have at least three annual events to contribute to the scholarship fund, including the Fly High 5K in Jessica's memory beginning this fall.

Saturday's fundraiser included a meal, t-shirt sales, an auction and more. Many of the items donated for the sale came from local businesses. Volunteer Dia Dixon said, "I helped collect donations, advertise and work the event. I was so amazed at the generosity of both Arkansas and Missouri businesses. Everyone wanted to help in one way or another. I was even more surprised

the day of when the crowds started gathering."

Jessica's sister, Ashley Wallace, said, "We had people who would buy \$20 worth of stuff and give us a \$100 or \$50 bill and tell us to keep it. The way the com-

munity came together and surrounded us with love and light makes me so grateful to be a part of this small town."

Man wanted for alleged sex offense caught by authorities

Fleeman

Charlea Mills

Local law enforcement officers caught up with one man who was wanted for a warrant since November last year.

Tory Leon Fleeman, 38, of Golden, was charged with statutory sodomy in the first degree and endangering the welfare of a child on November 6, 2014. According to the affidavit of probable cause, Fleeman allegedly committed sexual acts with a 10 year-old girl in Golden. At the time of the charges, Fleeman's whereabouts were unknown to authorities.

Fleeman also had failure to appear warrants related to five misdemeanor charges related to a drunk driving incident with two children, ages

nine and ten, in the vehicle in October 2014.

After being featured as one of Barry County's Most Wanted multiple times and seeking tips on the Barry County Sheriff's Department's Facebook page, a community tip regarding Fleeman's location helped officers find him last week.

On Thursday, March 5, Officer Michael Moore with the Barry County Sheriff's Department and Conservation Officer Daniel Shores arrested Fleeman at the Butterfield Stage Stop.

According to Major Leonard Collins, Chief Deputy with the Sheriff's Department, "They received a tip that he was in the area. It took them awhile to locate him, but they finally did find him."

Collins continued, "He had left the area and came back. We think he may have been living in Pierce City, but he was out of the area."

Fleeman is currently being held in the Barry County Jail in lieu of a \$150,500 cash-only bond. His arraignment was held on March 6, and a disposition hearing is scheduled for March 26 at 8:30 a.m. with Judge Robert Foulke.

Trivia champs crowned at fundraiser

Charlea Mills

For the second year in a row, the Book Club was crowned the grand champion of the annual Trivia Night event benefitting the Cassville Education Fund. The second place and trivia-only winners were also repeat winners for the third year in a row, the Security Guards.

This year's Trivia Night was held in the Cassville High School commons area

on Friday, March 6, beginning at 7 p.m. Friendly competition ensued and teams had a lot of laughs along the way, as well.

Over 80 people attended this year's event with teams sponsored by Security Bank, Crowe's Cronies book club, the Barry-Lawrence Regional Library, Cassville teachers, Commerce Bank, Freedom Bank and First State Bank competing. Teams consisted

of up to eight people who answered four rounds of 15 questions each. In addition to the trivia questions, teams could also compete in bonus point games between sessions for an entry fee that benefitted Cassville Schools.

This year's emcee for the night was Donna Hayes Malams who read questions in categories that ranged from history and sports to movies and science. Aside from the trivia questions, the games played in between rounds got the teams moving and brought a lot of laughs from the audience.

By the end of the night, the event raised \$1,172 for the Cassville Education Fund, which is a permanent endowment fund for the educational needs of the Cassville Schools.

Each year, the overall winner, including bonus points from the games, is crowned, but a special Smarty Pants award is also given to the team who answers the most trivia questions correctly. For pictures of the winning teams, see page 9A.

Butterfield Chili Supper raises funds for fire department

Steve Chapman

The Butterfield Firefighters Auxiliary held a chili supper on Saturday, March 7, to raise money for the Butterfield Fire Protection District. The event raised \$2,852.50, which will be used to purchase equipment the firefighters need.

According to Donnie Privett, assistant chief for the Butterfield Fire Protection District, that equipment can be expensive. "A single bunker gear suit can cost up to \$5,000," he said.

The suits, which include an air mask and an oxygen

tank, are worn by the firefighters when they respond to fire calls. Privett said the department responds to an average of 90 to 125 calls a year. Around 40 percent of those are for fire and the rest are medical calls.

The chili supper was originally scheduled for February 28 but had to be postponed due to severe winter weather. There had been some concern among organizers that the forced postponement might hurt attendance, but that fear proved to be unfounded. About 250 people showed up for the event.

Guests who attended the chili supper were treated not only to all they could eat chili, soup, chili dogs and desserts but entertainment as well. Journey On, a local band, played gospel music during the first hour of the event. Afterward, guests had an opportunity to bid on a wide variety of items, including gift certificates for Branson shows and homemade pies during the silent and pie auctions. A live auction conducted by auctioneer Brad Holder capped off the night's events.

In addition to the items that were auctioned off, mer-

chandise from some local businesses was also available for sale. Jennifer Privett, owner of Diva Bling, sold purses, jewelry and other accessories, and she donated her profit to the fire department.

Sara Haefner, owner of Emergency Personnel Accessories, and her husband Randy, a firefighter with the Lebanon Fire Protection District, also had a table set up with a number of t-shirts, printed scrubs, dress blue uniforms and other items worn by emergency personnel. According to Randy Haefner, Emergency Personnel Accessories donated \$100 worth of their merchandise to be used in the silent and live auctions.

Holding the chili supper was a true team effort. According to Sherry Sears, Treasurer of the auxiliary, there were at least 36 volunteers, including auxiliary members, firefighters, firefighter cadets and family members, involved in planning, setting up and carrying out the event. Auxiliary members purchased and cooked the food. They also baked pies for the pie auction and solicited local businesses and Branson theaters for items to use in the silent and live auctions. Altogether, 69 items and 12 pies were auctioned off.

Todd Padilla and his daughter Shelby, 5, bid on an item during the live auction at the Butterfield Firefighter's chili supper.

to prepare the community building for the event.

together to support the fire department. "I liked the way the whole community got together to come out to the chili supper," she said.

In addition to events like the chili supper, the auxiliary supports the firefighters during the year by providing them and victims with meals and refreshments at emergency scenes.

Anyone who missed the dinner but would like to donate money to the department can send their donation to the Butterfield Firefighters Auxiliary at P.O. Box 689, Cassville, MO 65625. Checks should be made out to the Butterfield Firefighters Auxiliary.

Cassville man formally indicted on sex charges

Charlea Mills

A former Barry County man was formally indicted on two counts of sex crimes by a federal grand jury last week.

Michael Douglas Peterson, 32, of Morristown, Tenn., had a federal criminal complaint filed against him on January 23 for using a minor to produce child pornography and using a cell phone to entice the minor to engage in illicit sexual behavior.

According to an affidavit of probable cause by Task Force Officer Tim Williams with the Southwest Missouri Cyber Crimes Task Force, Peterson and the 15 year-old victim had sexual intercourse in March 2014 in Cassville, and the investigation was initiated by the Cassville Police Department.

According to Williams, Peterson and the victim exchanged multiple photographs via SnapChat on their cell phones as well as illicit conversations. A warrant was initially issued through Barry County for statutory rape in the second degree, but officers were unable to locate Peterson to serve it.

Officers eventually located Peterson in Morristown, Tenn., where he was living with the victim, who

Peterson

was pregnant with Peterson's child, and her biological mother. Peterson stated in an interview that he had been living with the victim since June 2014. The victim's mother was aware of the sexual nature of their relationship and allowed Peterson to live with her daughter, according to the court papers.

The victim was taken into protective custody of the state of Tennessee and placed in foster care pending an investigation, according to the affidavit.

The case is being prosecuted by Assistant U.S. Attorney Ami Harshad Miller. It was investigated by the Southwest Missouri Cyber Crimes Task Force, Immigration and Customs Enforcement (ICE) Homeland Security Investigations (HSI) and the FBI.

Purdy woman seriously injured in Hwy. 37 crash

Charlea Mills

A Purdy woman was seriously injured last week at a crash at Highways 37 and W in Butterfield.

Vicki D. Shockley, 59, of Purdy, was driving a 1998 Chevrolet Cavalier and made a left turn across Highway 37. Shockley turned in front of a 2001 Chevrolet Tahoe, driven by Jarod L. Stockton, 36, of Cassville, causing the Tahoe to hit her.

Shockley was airlifted to Cox Hospital in Springfield

with serious injuries. She was not wearing a seat belt at the time of the crash.

The Tahoe's driver and passengers also received minor injuries from the crash. The driver, passenger April F. Stockton, 32, and three minor passengers received minor injuries and were taken to various hospitals, including Cox South in Springfield and Cox Hospital in Monett. All of the Tahoe's passengers were wearing seat belts at the time of the crash.

MEMORIAL from FRONT

sentiment of how grateful they are for the community around them. Her brother, Bradley Clark, said, "We had a great turnout, and it makes you grateful to live in a small community that gives so much support."

Paulsen said, "Our family has been through a lot, and it's hard. It's not something you can even comprehend unless you've gone through it. I know she is truly happy that all of these people have helped us smile. There is not one thing about Jessica that wouldn't draw you in. She had the kind of soul that you always wanted to be near. Saturday's event was amazing, and I thank every single one of those that have continued to support our family."

Wallace said, "She was unapologetically herself. She had such a bright spirit and a laugh that felt like sunshine, and we miss her like crazy. We will forever find ways to keep her memory alive, and we are so unbelievably thankful to everyone who continues to make that possible."

To donate to the Jessica Morgan Memorial Scholarship Fund, there is an account set up with Freedom Bank.

Voters to decide on ambulance sales tax

E.M.

On April 7, there will be an unprecedented election in Barry County where some of the county's voters will cast ballots and some will not.

In 1973, the legislature enacted a law permitting counties to establish ambulance districts. Prior to that time, the funeral homes, for the most part, furnished ambulance service and, if possible, collected modest fees from the patient.

It all change in 1973 when districts throughout the state began forming tax-supported access. One was formed in Barry County.

The remnants of that district are essentially all of Barry County except the Monett and Purdy townships. They will not be affected by the Tuesday election as they are in a separate district.

The present district collects around \$225,000 in tax revenue, which is the tax imposed where the district was originally formed.

The present ambulance board made up of Ken Cieslinski, Cassville Region; Lisa Prewitt, Exeter/Wheaton Region; David Dalton, Seligman/Washburn Region; Rod

Gilreath, Golden Region; Tom Rees, Shell Knob Region; and Gary Luppen, Cassville/Butterfield Region; feels the income from the tax levy is not sufficient to sustain the operation at its present level, and they are asking for an increase of income which would be from a one-half cent sales tax, which would result in doing away with the present real-estate tax that produced \$227,419 in 2014, and the added tax would bring in an increase of around half a million dollars annually. Estimates by tax authorities run anywhere from just under half a million to as much as \$600,000 or \$700,000 each year to fund the ambulance district.

THE CLEAR ALTERNATIVE TO BRACES

The low-down

You no longer have to straighten your teeth the old-fashioned way, with metal braces. The Invisalign Teen™ system lets you do it the modern, hygienic way. Your new smile is created with the most innovative technology – a series of clear aligners that are custom-fit to your teeth.

The Aligners. . .

- snap on your teeth easily.
- are comfortable and practically invisible.
- allow for your growing permanent teeth.
- gently and continuously move your teeth in small increments.
- are worn for about two weeks. Then you swap them for a new pair.
- have a Blue Dot Wear Indicator; designed to show an estimation of wear-time. The dot is designed to fade to clear over a two-week period if you wear (20 to 22 hours everyday) your aligners properly.
- can be removed for eating, brushing, and flossing, or going to a special event.

Beesons celebrate 65 years of marriage

Don Beeson and Margaret (Goodwin) Beeson were joined in marriage on March 18, 1950, at Wheeling Avenue Christian Church in Tulsa, Okla. The couple started their family in Tulsa and were subsequently blessed with four children, Carolyn Beeson, of West Monroe, La., Marilyn Wood, of Cassville, Donna Tapscott, of Bedford, Texas, and Joel Beeson, of Fort Worth, Texas.

In 1982, after serving as

an Army Chaplain for 20 years, Don and Margaret retired back to Cassville where Don was born and raised.

All four children along with their families, including several grandchildren and great grandchildren, will be gathering in Cassville to celebrate Don and Margaret's 65th Anniversary with a dinner Saturday evening, March 14, 2015. Cards from well wishers would be warmly welcomed.

Maloney turns 90

This Friday, March 13, 2015 Estell "Shorty" Maloney will celebrate 90 years. He was born March 13, 1925, in Eagle Rock to Arthur and Hattie Maloney.

Shorty and his wife, Dottie, recently celebrated 60 years of marriage. He and Dottie were blessed with four children, Sharon Vaughn and Tom, Ronnie and Connie Maloney, Charlotte and Jody Ray and Randy Maloney. Their family continued to blossom over the years with the additions of many grandchildren and great grandchildren.

Shorty's family plan to celebrate with a card shower. Cards may be sent to 17671 Farm Road 2180, Cassville, MO 65625.

How to spot an unhealthy tree

Perhaps because they can live for so many years, trees have a way of falling down homeowners' landscaping priority lists. Trees also tend to be big and strong, so it's no surprise that they often are overlooked in favor of other areas of a lawn and garden that don't seem so strong in the face of Mother Nature.

But trees are susceptible to damage and disease, and homeowners who learn to recognize symptoms of such problems can prevent them from escalating and reduce the risk that the trees will cause damage to their properties. The following are just some of the ways homeowners can determine if their trees are unhealthy. Homeowners who suspect they have a tree that poses a safety risk should contact a professional tree service for an immediate inspection and steer clear of the tree until an inspection has been performed.

Check around the base of the tree. The base of a tree may offer some telltale signs that the tree is unhealthy. Soil that is cracked or raised at the base of the tree may be indicative of a tree that has started to uproot. If you recognize any cracking or if the soil is raised, look at the tree to see if it is leaning. If the soil is cracked or raised because it is uprooting, then the tree might have already started to lean in the opposite direction of the cracking or raised soil.

Examine for fungus. The growth of fungus on the tree trunk or close to it may be a sign that the tree is rotting or decaying. Fungal growth, such as a sudden population of mushrooms, around the base of the tree is another sign of decay. If the wood behind fungal growth crumbles easily, then homeowners should call a professional tree service, as the fungal problem on the tree has likely already been festering for quite some time.

Look for cavities on the trunk. Cracks and cavities on a tree may not be an emergency, but especially deep cracks and cavities may be indicative of a structural problem. Multiple cracks and cavities also serve as red flags.

Look for dead wood. It may sound simple, but dead wood poses a threat to the tree and anyone who happens to spend time in its vicinity. Dead wood snaps easily, and falling dead wood can harm

anyone unlucky enough to be beneath the tree when the dead wood snaps. Dead wood branches won't bend in the wind, and such branches frequently fall off of trees when strong gusts of wind come along. Dead branches either won't have leaves or the leaves will be brown (dead pine branches will have brown needles).

Weak connections. Unhealthy trees often have weak connections between their branches and their trunks. If branches don't appear to be strongly connected to the tree bark, call a tree service to determine a solution. The tree might not be on its way out, but you may have to take steps to strengthen the connections so branches are not at risk of falling.

Unhealthy trees can pose a significant safety hazard on a property. Homeowners who learn to recognize the signs of unhealthy trees can do something to prevent dying trees from damaging their homes.

JERRY D. KING

Jerry D. King, 80, of Cassville, passed away peacefully in his home on Friday, March 6, 2015. Mr. King, son of Earl and Zelma (Gochenouer) King was born on December 1, 1934, in Dakota City, Iowa. On April 5, 1952, he was united in marriage to Yvonne Johnson in Princeton. Mr. King joined the United States Marines serving for three years, and later re-enlisted in the United States Air Force from which he retired. He served in the Korean Conflict, as well as the Vietnam War. Mr. King later worked as a deputy sheriff for Mercer County in Princeton, and worked at Fasco in Cassville for eight years. He enjoyed traveling, gardening and wood working. He was a friend to many and will be greatly missed.

Survivors include his wife of 63 years, Yvonne King, of Cassville; one son, Kenny King and his wife, Dana, of Purdy; two daughters, Linda King, of Cassville, and Tammy King, of Bellingham,

Washington; four grandchildren; five great-grandchildren; three brothers, James Main, of Warrensburg, Richard Main, of Laurens, Iowa, and Ronald Main, of Corydon, Iowa; numerous nieces and nephews and special friends, Ron, Trina and Zayne Bouchard.

In addition to his parents, he was preceded in death by one brother.

Funeral services with full military honors conducted by the United States Air Force Honors Team will be held at 2:00 p.m. today, Wednesday, March 11, 2015, at the Gunter Fundamental Methodist Church, east of Butterfield, with Pastor Jerry Nickel and Pastor Mike Tharp officiating. Burial will follow at the Gunter Cemetery with traditional bag pipe music provided by Joel Wren. The family received friends on Tuesday, March 10, at the White Funeral Home in Cassville.

Memorial contributions may be made to American Red Cross and entrusted to the White Funeral Home and Crematory P.O. Box 890, Cassville, MO 65625.

MIKE HAMMOND

Mike Hammond, 68, of Cassville, passed away on Tuesday, March 3, 2015, at Cox South Hospital, Spring-

field. Mr. Hammond, son of Bill and Hazel (Brown) Hammond, was born on August 14, 1946, in Cushing, Oklahoma. His family moved to Barry County in 1964, where he began working with his father in the family business, Hammond Service Station in Cassville. On December 17, 1966, he was united in marriage to Sandy Wallace in Cassville, she survives. Following his retirement, he was lovingly referred to as "Pa" to many children in the community for more than 20 years as a daycare provider. Mike was known for his quick wit and he never met a stranger. He will be greatly missed by all who knew him.

Additional survivors include two sons, Jeffrey Hammond and his wife, Michele, of Cassville and Tyler Peterson, currently stationed in South Korea; one daughter, Cheyenne Black, of the home; two sisters, Jane Lloyd, of Fayetteville, Arkansas, and Linda Vaughn and her husband, Jerry, of Pulaskifield; three grandchildren and two great-grandchildren.

Preceding him in death were his parents Bill and Hazel Hammond.

Memorial services were held on Monday, March 9, at 2:00 p.m. at the White Funeral Home and Crematory, Brother Jeremy Wallace officiated.

Memorials may be made to the American Cancer Society and entrusted to the White Funeral Home and Crematory, P.O. Box 890, Cassville, MO 65625.

PAMELA CHARLINE ASHLEY

Pamela Charline Ashley, 80, of Kansas City, passed away Monday, March 2, 2015, at her home.

She was born November 7, 1934, in rural Cassville, the daughter of Robert Lee and Laura Ellen Greer. On April 24, 1958, in Cassville, she was united in marriage to James Gailey Ashley, Jr. who preceded her in death on June 20, 2004.

Surviving are her daughter, Sarah Lorie Cox; two sons, James Gailey Ashley, III and Greer Myron Ashley; her brother Donald L. Greer; five grandchildren and one great-grandchild.

Visitation was held at the Cullen Funeral Home in Raymore, from 6:00 p.m. until 8:00 p.m. Thursday, March 5, 2015. A second visitation was held at the Fohn Funeral Home in Cassville, from 1:00 until 3:00 p.m. Saturday, March 7, 2015. A private graveside service will be held on the family farm.

First Baptist kicks off Global impact Celebration

Gracia Burnham, a former missionary whose story of trials and triumph has been heard around the world, will be the speaker at First Baptist Church Cassville during the kick-off service for the church's Global Impact Celebration. The event is free and open to the public.

On May 27, 2001, Gracia Burnham and her husband Martin were celebrating their 18th anniversary in the Philippines, where they had served as missionaries for 17 years, when they were kidnapped by terrorists. They were held captive for 13 months until a rescue attempt on June 7, 2002, in which Martin was killed. Gracia was wounded, but also freed.

Since then, Gracia has used experiences of her ordeal to spread the word of the gospel. She has written two books and founded the Martin and Gracia Burnham Foundation. The event is Wednesday, March 18, at 6:30 p.m.

year are Wade Hermansen and Dale Phelps. All four candidates will be present at the event to answer approved questions. Each of the terms for school board members is three years. In the Cassville City Council election, two seats are up for election, the North and South Ward alderman positions. Incumbent for the North Ward seat Ann Hennigan is facing challenger Jon Horner. Hennigan has served on the City Council for three years. In the South Ward, incumbent Jan Anthony is facing challenger Cindy Carr. Anthony has served on the City Council for two years. Hennigan, Horner and Carr are all slated to attend the event, but Anthony will not be present. Terms for Cassville City Council seats are for two years. Representing the South Barry County Ambulance District Board, Chairperson Ken Cieslinski will be at the luncheon to ask question about the district's proposed sales tax. In the Cassville School Board Election, four names will appear on the April 7 General Election ballot. The incumbents of the race are John Sullivan, who has served on the school board for 27 years and is the current Board President, and Carolyn Bowen, who has served on the board for six years. ville voters go to the ballot educated on their decision. We created this event to give our members a place where they could meet all those running on the ballot and have the opportunity to network with the candidates in a comfortable atmosphere. "We will also have a more formal program where candidates can introduce themselves and answer a couple of questions that have been submitted to the chamber. The bottom line is it is important for voters to make an educated, informed decision when casting their vote and we want to provide an avenue for to do just that." While the event is not a debate and attendees will not be able to ask questions during the luncheon, chamber members are encouraged to submit questions for the candidates to the Chamber by Monday, March 16. The final questions will be selected by chamber volunteers prior. The Cassville Chamber of Commerce will provide a light lunch of pizza and salad at the event with donations taken to help offset costs. The Chamber is asking for anyone planning to attend to RSVP by emailing chamber@cassville.com or calling (417) 847-2814.

Letter to the Editor

"I have often thought that nothing would do more good at a small expense than the establishment of a small circulating library in every county, to consist of a few well chosen books, to be lent to the people of the county under regulations as would secure their safe return in due time."

-Thomas Jefferson to John Wyche, May 19, 1809.

While libraries have changed greatly since the times of Thomas Jefferson, America's need for library services have not. According to a study in 2006 by the Bill and Melinda Gates Foundation*, 71 percent of people using the library cite the library as their primary source of access to a computer and the Internet.

Studies show that because of the recession and job shortages, low-income Americans are using the public library more and more for job research, job applications and continuing education. They are using the library to research health care issues and for government health care resources. Students use the library for their homework. The children's programs at the library give them a head start on learning. A library is more than just a place to check out a book. It is a safe haven in the community. Students may study at the library just to have a quiet place to do so.

A public library can and should be something that our community can be proud of. Shell Knob needs a new library for many reasons. Presently, our library has outgrown its small space. We are grateful that the land for a new library has been generously donated to our community, but there is still much to be done.

With a new library there could be room for more computers, for all our citizens to use. It would be handicap accessible, and the children's area could be partitioned off to allow for peace and quiet.

There could be a quiet spot to read newspapers and periodicals. There is a huge need for a secure Wi-Fi system. At our present location, it is not cost effective to meet the high standard of governmental security and privacy requirements for Wi-Fi. A conference room could mean community organizations would have a quiet, clean, secure place to meet. The library could hold classes of a variety of interests for those patrons that are interested. The list goes on and on. And the best part is that just by having a library card, most library services are free to all.

I would like to ask all Shell Knob citizens to contact the Shell Knob Library and to give what they can to help make the new library happen. Lets make our community proud.

*Shell Knob was included in the study and received the two computers presently used at the library from the Bill and Melinda Gates Foundation.

Your friend and neighbor,
Barbara Dickerson

Barry County Health Department February Food Service Report

The Health Department divides food service code violations into two categories: priority and core items.

Priority items are more likely than other violations to contribute to food contamination or illness and/or injury.

Core items, although important to the overall hygiene of the establishment, do not necessarily present an immediate threat to food contamination or illness and/or injury.

A report for each establishment that is inspected shows the number of priority items, along with a short statement as to the nature of the violations. The report also shows the number of core items but doesn't list the nature of those violations.

Seligman moves forward on new splash pad

Steve Chapman

The Seligman City Council took another step forward in building a new splash pad at the park next to the Seligman Community Center during their monthly meeting on Monday, March 9. The council voted to purchase additional equipment which will be used to operate the splash pad, including a soft-touch ground sensor, a drain and a timer for \$1,476.

In addition to the splash pad, the council voted to create another upgrade to the park. Wal-Mart recently donated \$1,500 to the city to go towards the purchase of park benches. The council voted to use the funds to purchase 10 benches. Five of them will be positioned around the new splash pad and the other five in other places at the park.

In wake of the recent winter storms, the council also considered purchasing a new snow plow for \$5,200 but chose to hold off as it is Winter is coming to an end. The council will look again into purchasing a plow in

Fall.

Brian Nichols, City Clerk, said that the paper work for two grants to reimburse the city for plugging City Well #2 had been submitted. He also told the council that a grant submitted to the Missouri Department of Natural Resources to fund a water study had been rejected on the grounds that there are no funds available with the state right now. Nichols added that Olsson Associates, the engineering firm that is handling the city's water study and lagoon upgrades, had to told him to send over the grant application to them. According to Nichols, Olsson will put the grant in front of their lobbyist, who will try to get funding for the city when new funds become available.

The council also discussed upgrading the city's lagoon. Nichols told the council the upgrades to the city's lagoon were on hold as Olsson has requested a report on the gallon per minute flow from the lagoon's irrigation pump to the sprinkler heads. He also

stated Olsson wants the city to replace the lagoon's pump and motor head that feeds water to the sprinkler heads that will pump the water with less pressure, but Seligman's position is that the current pump and motor head are working just fine. "It's an unnecessary expense," Nichols said.

In other business, the council voted to raise Police Chief Terry Burgess's monthly pay from \$500 to \$750. They also voted to advertise an available maintenance position with the city and the availability of funds to pay for GED classes and testing for those who would like to get a GED but are unable to because of the cost.

At the end of the meeting, Alderman Eric Freeman announced that he was stepping down as he is beginning a new career as a program assistant with the Arkansas Department of Human Services. He will be replaced by Bob Hughes, who is running unopposed for the position of West Alderman during the election on April 7.

Purdy's January Students of the Month

Purdy's Students of the Month are pictured above, from left to right: Elijah Webb, Breanna Perkins, Sean Thomas and Avery Hancock.

Purdy Principals Janet Boys (K-6) and Bob Vice (7-12) announced the January Students of the Month. Each month the middle school core class teachers nominate one student from each grade level, fifth through eighth.

The fifth grade Student of the Month for January is Elijah Webb. Fifth grade teachers Michele Taylor and Cheryl Ulmer noted, "Eli was chosen as the fifth grade Student of the Month for several reasons. He always

does his assignments and always gives his best effort. He is very helpful to students around him and gets along well with everyone. Eli participates daily in class and is very serious about his studies. He also participates in school activities, such as band and student council. Eli is a pleasure to have in class."

Breanna Perkins received the award in sixth grade. Sixth Grade teacher Barbara Warnick observed of this month's winner, "Bre-

anna is a great student. She is always prepared for class and is willing to participate each day. She is helpful to others and is responsible in her work habits. We are lucky to have Breanna this year."

Sean Thomas represented the seventh grade in January. Instructor Heather Romine recommended him because, "Sean is a great student. He is hardworking, honest and does anything asked of him." Jennifer Schallert-Cornelius added, "Sean is a very polite young man who is a joy to have in class."

Mrs. Schallert-Cornelius also explained the selection of eighth grade student Avery Hancock. "Avery is very enjoyable to have in class. She is very polite and always willing to help others. She is a hard worker, and it pays off for her." According to Heather Romine, "Avery is one of a kind. She has a great attitude, and her hard work reflects education's high importance to her."

January's Students of the Month received a Certificate of Accomplishment and an invitation to a pizza lunch with Mrs. Boys and Mr. Vice.

Huge sales tax revenue jump seen in March

Charlea Mills

Sales tax revenue received in March was a huge increase over last year's figures for both Barry County and the city of Cassville.

Barry County's revenue was up 18.38 percent over figures from 2014, giving the county an additional \$24,596.37 for the month on the half-cent sales tax. The 3/8 cent sales tax for the county generated an additional \$7,704.99 in revenue from the 23.04 percent increase over 2014.

Cassville's revenue was also up over 2014 by 16.2 percent. In March

2014, Cassville received \$61,591.25 in revenue. This year, the city received \$71,599.52 for their general one-cent tax. The increase in revenue was \$10,008.27 between the two years.

For the year, Barry County currently is at a 13.36 percent increase for the year. That increase put the county at \$55,855.67 in additional sales tax revenue on the general half-cent tax.

Cassville's revenue is up 10.4 percent over 2014 with an additional \$20,233.70 received for the year so far.

Barry County weekly misdemeanor sentences

• Gordon E. Carey, Jr., Billings, pled guilty to driving with a revoked/suspended license. Carey received 90 days confinement in Barry County Jail to run concurrently with a sentence for receiving stolen property.

• Lisa Michelle Farmer, Fairview, pled guilty to exceeding the posted speed limit by one to five miles per hour. Farmer was fined \$122.50.

• Teri Lynn Hacker, Springfield, pled guilty to failure to equip a motor vehicle with a muffler. Hacker was fined \$92.

• Kendra Nicole Hang, Wheaton, pled guilty to operating a motor vehicle for which no title has been issued and failure to wear a seatbelt. Hang was fined \$90.50 and court costs.

• Cody Joseph Pierson, Eagle Rock, pled guilty to DWI-Alcohol and unlawful use of drug paraphernalia. Pierson received a suspended imposition of sentence, two years unsupervised probation, due to end March 6, 2017, and was ordered to complete 40 hours of community service.

• Barbara L. Sanders,

Washburn, pled guilty to failure to wear protective headgear while on a motorcycle in motion. Sanders was fined \$29.00.

Shell Knob woman seriously injured in wreck

A Shell Knob woman was seriously injured in a wreck yesterday afternoon south of Monett.

According to a Missouri State Highway patrol crash report, Diane M. Larson, 67, of Shell Knob, was driving a 2001 Toyota Rav 4 eastbound on Route BB four miles south

of Monett when she travelled off the roadway, struck a driveway culvert and overturned.

Larson was the only person injured in the accident and was wearing a seat belt at the time of the wreck. She was taken via air ambulance to Cox South Hospital in Springfield.

WTC wrestlers advance to Regional Tournament

Wildcat Takedown Club wrestlers paved the way to next level of state competition at the District 5 Wrestling Tournament in Neosho on Saturday, March 7. Wrestlers placing in the top six in their age group and weight class advanced to Regionals which will be held at Carthage this weekend. The Regionals Tournament will determine who advances to the State Championship Tournament held in St. Louis on March 27 and 28.

Regional qualifiers include: Bodee Rose (5th), Tristan Thompson (1st), Gregory Keen (2nd), Connor Annecharico (1st), Brennen Cieslinski (5th), Christian Tidwell (3rd), Gabriel Hunter (4th) and Logan Carlin (2nd). Evan Butler and Akhilleus Arguelles also competed in the District 5 Tournament.

“We are proud of what these wrestlers have accomplished in one season. All of their hard work is paying off, and we no longer have the reputation of being a first

Picture: Front Row: Connor Annecharico 1st Place Div 2, 145 lbs., Tristan Thompson 1st Place Div 2 70 lbs.

Middle Row: Logan Carlin 2nd Place Div 5 145 lbs, Gregory Keen 2nd Place Div 4 75 lbs.,

Back Row: Bodee Rose 5th Place Div 2 65 lbs., Brennen Cieslinski 5th Place Div 3 90 lbs., Christian Tidwell 3rd Place Div 3 120 lbs, Gabriel Hunter 4th Place Div 4 90 lbs.

year team. We’ve surprised a lot of people, and other teams are beginning to see our wrestlers as top competitors,”

stated Coach Hopper.

Bodee Rose was unseeded in arguably the toughest weight and division in the state for Missouri youth wrestling, and battled to a 5th place finish to qualify for Regionals. Bodee had four wins and two losses on the day and his two losses were close decisions against very experienced wrestlers.

Tristan Thompson also had an impressive performance by winning his fifth 1st place medal on the season. This will give Tristan a seeding advantage for the Regional Tournament. Tristan is the only Wildcat wrestler who came to WTC with prior experience to start the season, and he has proven his mettle. His dedication and leadership has made a huge impact on the teams overall success.

Purdy Lady Eagles received post season honors; Ernst named Coach of the Year

Several members of the Purdy Lady Eagles received Ozark 7 All-Conference accolades at the completion of the season. Pictured above, left to right, are: Jayse Henderson, First Team; Desi Ennes, First Team; Layne Skiles, First Team; Sami House, Second Team; and Rion Boyd, Honorable Mention. Lady Wildcats fall in district semifinal

Lee Stubblefield

The Cassville Lady Wildcats saw the curtain fall on their season Thursday at Webb City as the McDonald County Lady Mustangs claimed a 51-26 win in the Class 4 District 12 semifinal. Senior guard Nicole Ickes spearheaded a relentless full-court defense to help vault Mac into the district final. Both Ickes and Preslea Reece scored 16 for the Lady Mustangs. Brooke Fields led Cassville with 7.

Cassville trailed 5-0 be-

fore the first minute of play ended, but Fields and Madi Stokes led a 6-0 run to give the Lady Wildcats their first lead. It would be their only lead.

A 15-0 run put the Lady Mustangs in front, 20-6, and they held a 31-10 lead at half-time. The lead grew to 41-12 in the third quarter. Cassville had nearly as many turnovers as points in this game, coughing up the ball 23 times against Mac's pressure.

The Lady Wildcats ended their season with a record

of 11-15. McDonald County went on to claim the district title with a 38-35 victory over Carl Junction on Saturday.

Blisard makes All-Conference

BLISARD

Cassville Lady Cat senior Reagan Blisard recently received post-season honors for her efforts in the 2014-2015 basketball season with the Lady Cats.

Reaghan was named All-Conference Second Team.

Devyn had a good District Tournament, she hit 4 big free throws in the opening round win vs Carthage.

“We had five seniors this year on a team that didn’t win as many games as we had hoped this season. Our seniors showed great leadership and character by never missing a practice and showing up every day ready to work. In their four years, they have won two tournaments (Spokane Invitational and the Southwest Holiday Tournament), but more than that, they served as excellent role models to future Wildcat basketball players.”

—Coach Danny Powers

It has been a somber and challenging few weeks in our State Capitol. As most of you know by now, we lost a skilled and determined auditor, dedicated public servant, and proud Missourian last week. Missouri State Auditor Tom Schweich was a brilliant man who dedicated his career to serving his state and country. He was a fifth generation Missourian, grew up and attended high school in the St. Louis area, and was a graduate of both Yale and Harvard Law Schools. His resume was equally as impressive and included a stint as Chief of Staff to Senator John C. Danforth during the investigation of the Branch Davidian tragedy in Waco, Texas; service as Chief of Staff to three United States Ambassadors for the United Nations, including John Bolton; and a turn as Principal Deputy Assistant Secretary of State and Acting Assistant Secretary of State at the Bureau for International Narcotics and Law Enforcement Affairs on the federal level.

As auditor, he confronted waste and abuse in state government and took on tough issues like tax credits and ethics reform. He was a perfect fit for the job and performed it with energy and passion. In fact, he had just been elected to a second term last November after a very successful four years on the job. Perhaps more than anything, Tom Schweich was a devoted husband and father, and that is where our focus should be as we try to make sense of this terrible tragedy. My most heartfelt condolences go out to them and I hope they are able to find peace and comfort in the man he was and the immense good he did for everyone around him. He will be missed and we can honor him for more personal accolades and accomplishments than we can count but most of all we can recognize him for the title most appropriate to him: husband and father.

Prior to last Thursday's tragic events, I spent part of my week meeting with officials from the Missouri Department of Natural Resources discussing Roaring River State Park. Constituents had brought to my attention problems with vegetation growth and maintenance at the park. Along with Rep. Scott Fitzpatrick, we thoroughly inspected the issue at the park and found a number of problem areas that needed attention. We immediately brought those concerns to the attention of the Department of Natural Resources in a series of meetings at my office in the Capitol. Officials from the department assured me that the issue would be addressed quickly and in time for our busy summer tourism season.

Roaring River and our other area parks and waterways are naturally beautiful resources that attract many and are tremendous assets to our local economy. Last year, a record 18.5 million people visited Missouri's state parks breaking the 2012 record and is a 25 percent increase over 2008. Attendance at Roaring River increased by over 10 percent while over a million people visited Table Rock Lake. Back in 2013, Missourians named Roaring River as their favorite state park in a www.MO.gov online poll. Particularly, Roaring River is known as a favorite trout fishing spot with anglers coming from all around to fish its waters. Trout season opened at the park earlier this week and while the weather kept some away, it was still a great success and will only improve in the coming weeks and months.

Missouri has great interest in and passion for the outdoors, and it is exciting to see so many people taking advantage of the beauty and fun of Roaring River, Table Rock Lake, and our other outdoors areas provide. Missouri has consistently been named among the best states for camping, its trails are recognized as some of the best in the country and attendance at our parks continues to grow. This should be a great source of pride for Missourians and our area in particular.

As always, I welcome your ideas, questions and concerns about Missouri government. You may contact me at the State Capitol as follows: (573) 751-1480, david.sater@senate.mo.gov.

Kier retires after 28 years with Crowder Local students perform at National Honor Choir

Robin Kier, Crowder Cassville's Student Services Coordinator, is retiring after 28 years with the college.

Steve Chapman

Robin Kier, Student Services Coordinator at Crowder, is retiring after 28 years of service with the school. Her last day with Crowder will be May 28.

Kier was born in Stillwater, Okla., the only child of Charles and Jeannie Reed. When she was about a year old, she and her mother moved to Neosho to be closer to her maternal grandparents. She grew up in Neosho and attended Missouri Southern State University, graduating with a Bachelor's of Science in Education 1987. She was hired by Crowder as the school's admissions counselor at the Neosho campus after she graduated as the first person to hold that position.

Kier was the admissions counselor for 13 years. During that time, she recruited and advised new students and was responsible for

tention.

During her time on the Cassville campus, Kier has not only helped students get an education, she has also furthered her own. In 2003, Kier graduated from John Brown University in Siloam Springs, Ark., with a Master's Degree in Leadership and Ethics.

Kier has enjoyed working for Crowder over the years and said what she will miss most are the students and her co-workers. "Some of my fondest memories are of the relationships I've made," she said. "I still stay in touch with students I've come in contact with over the years, as well as colleagues. I will cherish these relationships forever."

Kier and her husband, Don, own a cattle farm at Mineral Springs, and she plans to spend more time helping with it after she retires. She also wants to spend more time with her children, Jacob, Heidi, Raven, and Reed, as well as her five grandchildren, Asher, Luke, Jake, Sadie, and Nova.

While she is looking forward to retirement, Kier will always have fond memories of Crowder College. "I don't think there are many people who can say they have had a job they have truly loved their whole lives," she said. "The most rewarding part of it has been seeing people better their lives."

On February 24 through 28, Sky Dill, Levi Pollreisz and Lisa Lambel performed in Salt Lake City, Utah, at the American Choral Directors Association Conference with the National Honor Choirs. Over 3,000 students tried out for each honor choir with only 280 to 300 being selected. After three full days of rehearsals, the choirs performed two concerts for choral directors from around the United States and numerous directors from around the world. In addition to these performances, they also performed with the Mormon Tabernacle Choir in front of 20,000 people in the LDS Conference Center.

Pictured above are, from left to right: Sky Dill, Cassville High School Choir Director Mary Richmiller, Levi Pollreisz and Lisa Lambel.

Make The Switch Safely.

Switching out an old light bulb is simple, but it does require a basic awareness of electrical safety. An empty light socket could expose you to the risk of contacting a dangerous electrical current.

It is recommended you turn off the circuit breaker or the switch that supplies power to the light socket before changing the bulb, and never leave a light socket empty.

Hill and Hill in national magazine

A local Shell Knob com-
pany has been featured as
the cover story in a national
industry publication, "On-
site Installer Magazine." Hill
and Hill Maintenance and
Excavation, Inc. has been in
business since 1985, start-
ing as Hill and Hill Dock
Service. Working on Table
Rock Lake, they expanded
into installing septic systems
that used emerging advanced
technology to address wa-
ter quality regulations for
septic systems. Working
for the U.S. Army Corps of
Engineers, local commer-
cial companies and private
homeowners, Hill and Hill
installs systems that focus on
ease of maintenance and us-
age despite the poor soil con-
ditions in the Ozarks.

Hill and Hill is a full
service excavation and ad-
vanced septic installation
company headquartered in
the Ozarks. Recently, Hill and
Hill has been awarded the
US. Army Corps of Engi-
neers IDIQ contracts for both
Beaver Lake and Table Rock
Lake. Hill and Hill is com-
mitted to installing a qual-
ity system with emphasis on
the needs of each installation
meeting the needs of the cus-
tomer.

zine cover story online at

Expo to showcase services for developmentally disabled

Steve Chapman

The 2015 Transition and Resource Expo will be held at the Scott Regional Technical Center in Monett on Tuesday, March 24. The event, which is being organized by a group of volunteers, will showcase vendors who provide a variety of services to the developmentally disabled in the Barry and Lawrence County area.

According to Geneva Blue, an instructor with Monett R-I School District who is helping to organize the Expo, about 50 vendors have been invited to participate. She expects 40 to 45 will attend.

The goal of the exposition is to help those with developmental disabilities in the area as well as their families, guardians and caregivers, learn more about the services that are available. Blue said having the event in Monett will also make it easier for people to meet the vendors and learn about the services offered, as previously they would have had to have gone to Springfield or Joplin.

"For a lot of families, going to Joplin or Springfield is a hardship due to the costs of gas and transportation," she said. "The Expo brings the vendors here and the families can

pick and choose what services they're going to use. It's an opportunity to talk to someone in an informal setting and establish a relationship."

Blue is especially hoping to reach the families of young children who are developmentally disabled. She said that the earlier in life a person receives assistance the better. "If you wait until high school to get services," she said, "you've waited too long."

Another group living in the Barry-Lawrence County Area Blue is hoping to reach are those who only speak Spanish. "The Spanish-speaking population is a group we have trouble getting here," she said. "Many of these services would be beneficial to their family members with developmental disabilities."

Some people may not be willing to speak to a complete stranger about a family member who is developmentally disabled. Another event organizer, Marla Townsend, Program Coordinator for Alternative Opportunities, said she understands their reluctance and that there is no need for them to speak to anyone at the Expo. "They can come in, walk the tables and pick up information as they walk

along," she said.

While the service exhibits will be the main part of the Expo, two special breakout sessions will also be held. One of these is called "Guardianship and Alternatives." Three people will speak: Randee Stemmons, an attorney from Mt. Vernon; Pam Fobar, a guardian; and Bill Alexander, whose son is developmentally disabled. "The session with present three different perspectives," said Townsend. "A parent's side, an attorney's side and a guardian's side."

The other breakout session covers MO HealthNet, an agency that is responsible for purchasing and monitoring healthcare for Missouri's low-income and vulnerable citizens. Margaret Arnaud, a case manager for the Lawrence County Family Support Division, will answer questions and give information about available healthcare services.

This is the fifth year for the Expo, and not only has it helped people with developmental disabilities meet the service providers who can help them, it has encouraged those provid-

ers to establish locations nearby. "We've had some new vendors set up services in the area," said Cathy Backs, Team Director for the Lawrence County Board of Developmental Disabilities. "For example, Champion Athletes have set up bowling, basketball and water exercises here." Before Champion Athletes came to the area, people with developmentally disabilities who wanted to participate in these activities would have been required to travel to Springfield or Joplin.

The Expo will also feature some fun activities. A free, light dinner will be served from 3:30 p.m. to 6 p.m. and there will be demonstrations of music therapy and a Zumba class. Door prizes will also be given away throughout the evening.

The Expo takes place from 3:30 p.m. to 6:30 p.m. and is free and open to the public. The Scott Regional Technical Center is located at 2 David Sippy Drive in Monett behind the Monett High School. For more information, call (417) 235-7022 or see the ad on page 1B.
